Memo to File

Memorandum to File

Date: 10/14/2024

From: Brad Beadles, Operations Manager

Re: Chris Freeman, Foreman (DEC)

FACTS: This serves as validation that, I, Brad Beadles, hand delivered work directive #1 for the Marco Island Bulk Hangar Project 23-8120 to Chris Freeman, DEC Forman ON October 14th, 2024 at approximately 10am. The purpose was to continue progress on said project moving forward to avoid any delays in the construction process which would have led to more costs and time associated with the project.

ISSUES: This serves as evidence the contractor was aware of the approval of the work directive to continue moving forward with the project.

CONCLUSION: This also serves to protect the best interest of the Sponsor (Airport) and Contractor (DEC) to avoid any further delays in the construction process of project 23-8120.

Executive Summary

Request that the Board approve and determine valid public purpose for invoices payable and purchasing card transactions as of December 18, 2024

OBJECTIVE: To obtain Board approval of expenditures not otherwise approved by the Board.

CONSIDERATIONS: The Clerk and County staff have instituted enhancements to the invoice report to include a field to enter each purchase's public purpose as identified by County staff at procurement for all expenditures. Effective May 22, 2017, County Staff began adding a public purpose for their expenditures. There is also a text field for invoices currently included in this report which is descriptive information obtained from the invoice. As an interim measure, we are including both the public purpose and the Accounts Payable staff invoice text, as not all invoices in the system contained the public purpose. The public purpose as supplied by County Staff was also added for the purchasing card transactions.

Invoices including but not limited to bond payments, utilities for existing county buildings, and lease payments for approved leases are not included on this list if they have been previously approved by the Board. For the items listed in the report attached to this agenda item, the Clerk's Office is unable to determine that the Board has previously approved the items. In the future, if the Board requires additional information, the Clerk will work with County staff to provide the information.

The Clerk's Office will promptly conclude its audit of these invoices once Board approval and determination of public purpose has been provided so that payments can be made.

The Clerk will continue to provide the separate listing of disbursements under agenda item 16J in compliance with Florida statute 136.06.

FISCAL IMPACT: Total expenditures approved.

GROWTH MANAGEMENT IMPACT: None.

LEGAL CONSIDERATIONS: Approval of the following documents by the County Manager is subject to formal ratification by the Board of County Commissioners. If the decision by the County Manager is not ratified by that Board, the documents shall be enforceable against Collier County only to the extent authorized by law in the absence of such ratification by that Board.

RECOMMENDATIONS: Request that the Board approve and determine valid public purpose for purchasing card transactions and invoices payable for the period ending December 18, 2024.

PREPARED BY: Leslie Miller, Operations Manager
Clerk of the Circuit Court & Comptroller

Executive Summary

Request that the Board approve and determine valid public purpose for invoices payable and purchasing card transactions as of January 8, 2025.

OBJECTIVE: To obtain Board approval of expenditures not otherwise approved by the Board.

CONSIDERATIONS: The Clerk and County staff have instituted enhancements to the invoice report to include a field to enter each purchase's public purpose as identified by County staff at procurement for all expenditures. Effective May 22, 2017, County Staff began adding a public purpose for their expenditures. There is also a text field for invoices currently included in this report which is descriptive information obtained from the invoice. As an interim measure, we are including both the public purpose and the Accounts Payable staff invoice text, as not all invoices in the system contained the public purpose. The public purpose as supplied by County Staff was also added for the purchasing card transactions.

Invoices including but not limited to bond payments, utilities for existing county buildings, and lease payments for approved leases are not included on this list if they have been previously approved by the Board. For the items listed in the report attached to this agenda item, the Clerk's Office is unable to determine that the Board has previously approved the items. In the future, if the Board requires additional information, the Clerk will work with County staff to provide the information.

The Clerk's Office will promptly conclude its audit of these invoices once Board approval and determination of public purpose has been provided so that payments can be made.

The Clerk will continue to provide the separate listing of disbursements under agenda item 16J in compliance with Florida statute 136.06.

FISCAL IMPACT: Total expenditures approved.

GROWTH MANAGEMENT IMPACT: None.

LEGAL CONSIDERATIONS: None.

RECOMMENDATIONS: Request that the Board approve and determine valid public purpose for purchasing card transactions and invoices payable for the period ending January 8, 2025.

Clerk of the Circuit Court & Comptroller

Executive Summary

Recommend that the Board of County Commissioners provide approval to designate the Sheriff as the official applicant and point of contact for the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance Edward Byrne Memorial Justice Assistance Grant (JAG) FY '24 Local Standard grant. Authorize the acceptance of the grant when awarded, approve associated budget amendments, and approve the Collier County Sheriff's Office to receive and expend 2024 JAG Standard grant funds.

OBJECTIVE: To request approval from the Board of County Commission to designate the Sheriff as the official applicant and point of contact for the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance Edward Byrne Memorial Justice Assistance Grant (JAG) FY '24 Local Standard grant. Authorize the acceptance of the grant when awarded, approve associated budget amendments and approve the Collier County Sheriff's Office to receive and expend 2024 JAG Standard grant funds.

CONSIDERATIONS: The Collier County Commission has participated in Edward Byrne Memorial JAG projects for over 35 years. Federal Fiscal Year (FFY) 2024 JAG local standard allocation for Collier County is $65,074.00.

The Sheriff's Office will prepare a grant application to utilize the $65,074.00 allocation to continue the Juveniles At Risk Comprehensive Action Program (JARCAP) for an additional 12 months. CCSO has implemented a number of successful youth programs over the past 30 years. The JARCAP program was developed in 2009 to provide an intervention model to address an increase in juvenile delinquency throughout the community. Pro-active, multidimensional programs such as JARCAP are needed to address an array of youth and family challenges.

The JAG allocation of $65,074.00 will support the costs of one Delinquency Prevention Specialist.

FISCAL IMPACT: The U.S. Department of Justice will provide $65,074.00 in JAG grant funds. There is no local match requirement.

GROWTH MANAGEMENT IMPACT: There are no Growth Management Plan impacts resulting from this grant.

LEGAL CONSIDERATIONS: This item has been reviewed by the County Attorney, is approved as to form and legality and requires majority vote for approval. -JAK

RECOMMENDATIONS: To provide approval to designate the Sheriff as the official applicant and point of contact for the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance Edward Byrne Memorial Justice Assistance Grant (JAG) FY '24 Local Standard grant. Authorize the acceptance of the grant when awarded, approve associated budget amendments and approve the Collier County Sheriff's Office to receive and expend 2024 JAG Standard grant funds.

Executive Summary

Recommendation to authorize the execution of a Budget Amendment to realign current funding within Collier County Capital Project Fund (3001) in the amount of $635,000 to allow for the reimbursement of funding to the Collier County Sheriff's Office for the upgrade and expansion of the telephone system for law enforcement (Project No. 50322) in year one of the project to accommodate the timing of building preparations required for the project.

OBJECTIVE: To increase the current budget in the amount of $ 635,000 for County-Wide Capital Fund (3001) for the CCSO telephone upgrade (project 50322).

CONSIDERATIONS: To successfully complete the project within the two year period, a budget modification is needed to move $635,000 to year one (FY25) for a total of $1,000,000. The remainder of $795,104 for the project would be included in the FY 2026 budget request.

A substantial amount of labor is required in this project to rewire several facilities utilized by CCSO law enforcement personnel across the county, switching out the original Category 3 networking cable, to Category 5/6 cable to support the new Cisco/Webex IP Telephone system. This work will take several months to prepare twelve sites for the new hardware, requiring this portion of the project to commence as soon as possible in order to complete the work prior to the end of FY 2026.

The maintenance contract for the aged equipment is set to expire at the close of FY 2026 and would require a newly negotiated contract and additional costs to continue telephone services if the new system is not fully in place and operational by then.

FISCAL IMPACT: A budget amendment in the amount of $635,000 is necessary to reallocate funding within County Wide Capital Fund (3001) from Government Operations Business Project No. 70167 to CCSO Phone Project No. 50322 to allow for the FY 2025 reimbursement of CCSO-related expenses for this project. The remaining project funding will be included as part of the FY 2026 budget request.

GROWTH MANAGEMENT IMPACT: There is no growth management impact associated with this action.

LEGAL CONSIDERATIONS: This item has been reviewed by the County Attorney, is approved as to form and legality and requires majority vote for approval. -JAK

Executive Summary

Recommendation to appoint Kevin Johnson to the Contractors Licensing Board.

OBJECTIVE: To appoint Kevin Johnson to the Contractors Licensing Board, to a three-year term expiring on June 30, 2028.

CONSIDERATIONS:
This nine-member quasi-judicial board was created by Ordinance No. 78-2, as amended, to determine the qualifications of applicants for the various categories of the Contractors' Certificates of Competency. They also hold hearings to determine if a certificate of competency of any contractor, master or journeyman should be revoked. A minimum of 2 members shall reside within the corporate city limits of Naples or Marco Island, or shall be recommended to the BCC by the Naples City Council or Marco Island City Council. Section 489.131(10), Fla. Stat., states that 3 members must be consumer representatives. The consumer representatives may be any resident of the local jurisdiction that is not, and has never been, a member or practitioner of a profession regulated by the board or a member of any closely related profession. Members of the Contractors Licensing Board who are not consumer representative members should be either a licensed architect, a licensed general contractor, a licensed engineer, a licensed electrical contractor, a licensed plumbing contractor, a licensed mechanical contractor, a licensed roofing contractor, a licensed residential, or a licensed building contractor. Terms are 3 years. A list of the current membership is included in the backup.

There is one vacant seat on this board. The vacancy was advertised, and applications were received from the following:

APPLICANT	CATEGORY	DIST.	VOTER	ADVISORY COMM.
Kevin Johnson	Consumer	1	Yes	Code Enforcement Board (2023-present), Infrastructure Surtax Oversight Committee (2023-present)
Armando Hernandez	Consumer	5	Yes	None

STAFF RECOMMENDATION: As a quasi-judicial board, no committee recommendation is required. Staff is recommending that Mr. Johnson be appointed to this committee, to a three-year term expiring on June 30, 2028. A recommendation memo is included in the backup. Upon his appointment to the Contractor's Licensing Board, Mr. Johnson will effectively resign from his seat as an alternate on the Code Enforcement Board to avoid any conflict.

FISCAL IMPACT: There is no fiscal impact associated with this action.

GROWTH MANAGEMENT IMPACT: There is no growth management impact associated with this action.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. -JAK

RECOMMENDATIONS: To adopt the Staff Recommendation and authorize the Chair to sign the attached resolution confirming the appointment.

Memorandum

To: **Madison Bird, County Attorney's Office**

From: **Timothy Crotts, Assistant Division Director**

Date: **November 20, 2024**

Subject: **Collier County Contractors' Licensing Board**

I am in receipt of your memo in which you requested review of application submitted by a citizen interested in serving on the Contractors' Licensing Board. The resume for the applicant listed below was reviewed and meets the Contractors' Licensing Board qualifications stated in Ordinance 2006-46, PART THREE: THE CONTRACTORS' LICENSING BOARD in the following category:

NAME	CATEGORY
Kevin Johnson	Consumer (District 1)

Mr. Johnson currently serves as an alternate member of the Collier County Code Enforcement Board.

Of the 16 meetings held during Ms. Johnson's time on the Code Enforcement Board, Mr. Jonhson attended 11 meetings, and Mr. Johnson was excused for 4 meetings.

An interview was conducted with Mr. Johnson, and he would like to have a more active roll on an advisor board and feels he could accomplish this by being a member of the Contractor Licensing Board.

This memo is for the recommendation of the appointment of Kevin Johnson on the Contractors' Licensing Board.

Should you require additional input, please feel free to contact me at 252-4229.

Executive Summary

This item requires ex parte disclosure to be provided by the Commission members. Should a hearing be held on this item, all participants are required to be sworn in. Recommendation to approve a Resolution designating Metro South as a Mixed-Use Project (MUP) in the Gateway Triangle Zoning Overlay District, Commercial Mixed-Use Sub-District (GTZO-MXD), comprising 0.64± acres pursuant to Land Development Code Sec. 2.03.07.N.4; providing for designation as "MUP," and approving up to a maximum of 8 residential dwelling units, including 7 bonus density units as determined through the SDP process and 3,860 square feet of permitted commercial uses, with one deviation; and providing for conceptual site plan approval, for parcels located south of Tamiami Trail East, approximately 295 feet east of Bayshore Drive.

OBJECTIVE: To have the Board of County Commissioners ("Board") review staff's findings and recommendations along with the recommendations of the Collier County Planning Commission (CCPC) regarding the above-referenced petition, render a decision regarding this mixed-use project petition, and ensure the project is in harmony with all the applicable codes and regulations in order to ensure that the community's interests are maintained.

CONSIDERATIONS: The ±0.64-acre subject property is located at 3010 Tamiami Trail East, south of Tamiami Trail East, approximately 295 feet east of Bayshore Drive. The petitioner is requesting an application designating Metro South as a Mixed Use Project (MUP) in the Gateway Triangle Zoning Overlay District, Commercial Mixed Use Sub-District (GTZO-MXD), comprising ±0.64-acre acres pursuant to Land Development Code Sec. 2.03.07.N.4, of the ±0.64-acres, 0.11 acres are in the MH BZO R1, providing for designation as "MUP" and approving up to a maximum of 8 residential dwelling units, including seven bonus density units as determined through the SDP process and 3,860 square feet of permitted commercial uses, with one deviation; and providing for conceptual site plan approval.

FISCAL IMPACT: The County collects impact fees prior to the issuance of a Certificate of Occupancy to help offset the impact of each new development on public facilities. These impact fees are used to fund projects identified in the Capital Improvement Element of the Growth Management Plan (GMP) as needed to maintain the adopted Level of Service (LOS) for public facilities. Other fees collected prior to the issuance of a building permit include building permit review fees. Please note that impact fees and taxes collected were not included in the criteria used by staff and the Planning Commission to analyze this petition.

GROWTH MANAGEMENT IMPACT: Comprehensive Planning staff has reviewed the proposed Mixed-Use Project. The subject property is designated Urban (Urban Mixed Use District – Urban Coastal Fringe Subdistrict) within the Bayshore/Gateway Triangle Redevelopment Overlay (B/GTRO) and the Coastal High Hazard Area (CHHA), all as identified on the Future Land Use Map of the GMP. Please see Attachment B - Consistency Review Memorandum.

GMP Conclusion: The GMP is the prevailing document to support land use decisions, such as this proposed Mixed-Use Project. Staff is required to make a recommendation regarding a finding of consistency or inconsistency with the overall GMP as part of the recommendation for approval, approval with conditions, or denial of any rezoning petition. Based on the attached GMP consistency memo, staff finds the subject petition consistent with the Growth Management Plan.

Transportation Element: In evaluating this project, staff reviewed the applicant's May 11, 2023, Traffic Impact Statement for consistency with Policy 5.1 of the Transportation Element of the Growth Management Plan (GMP) using the 2022 and 2023 Annual Update and Inventory Reports (AUIR).

Policy 5.1 of the Transportation Element of the GMP states;

> *"The County Commission shall review all rezone petitions, SRA designation applications, conditional use petitions, and proposed amendments to the Future Land Use Element (FLUE) affecting the overall countywide density or intensity of permissible development, with consideration of their impact on the overall County transportation system, and shall not approve any petition or application that would directly access a deficient roadway segment as*

identified in the current AUIR or if it impacts an adjacent roadway segment that is deficient as identified in the current AUIR, or which significantly impacts a roadway segment or adjacent roadway segment that is currently operating and/or is projected to operate below an adopted Level of Service Standard within the five year AUIR planning period, unless specific mitigating stipulations are also approved. A petition or application has significant impacts if the traffic impact statement reveals that any of the following occur:

a. For links (roadway segments) directly accessed by the project where project traffic is equal to or exceeds 2% of the adopted LOS standard service volume;

b. For links adjacent to links directly accessed by the project where project traffic is equal to or exceeds 2% of the adopted LOS standard service volume; and

c. For all other links the project traffic is considered to be significant up to the point where it is equal to or exceeds 3% of the adopted LOS standard service volume.

Mitigating stipulations shall be based upon a mitigation plan prepared by the applicant and submitted as part of the traffic impact statement that addresses the project's significant impacts on all roadways."

Staff finding: According to the TIS provided with this petition, the proposed development will generate a projected total of +/- 14 PM peak hour, as well as 2-way trips on the adjacent roadway segments of East Tamiami Trail (US-41). The trips generated by this development will occur on the following adjacent roadway link:

Link/Roadway	Link	Current Peak Hour Peak Direction Volume/Peak Direction	Projected P.M. Peak Hour/Peak Direction Project Trips (1)	2022 AUIR LOS/ Remaining Capacity	2023 AUIR LOS/ Remaining Capacity
91.0/Tamiami Trail East (US-41)	Davis Blvd to Airport Rd	2,900/East	5/East	C/ 942	C/ 1,000

- (1) Source for P.M. Peak Hour/Peak Direction Project Traffic is from the May 11, 2023 Traffic Impact Statement provided by the petitioner.

Based on the TIS, the 2022 AUIR, and the 2023 AUIR, the subject PUD is consistent with Policy 5.1 of the Transportation Element of the Growth Management Plan. The Traffic Impact Statement (TIS) indicates that the adjacent roadway network has sufficient capacity to accommodate this project within the 5-year planning period.

Conservation and Coastal Management Element (CCME): Environmental review staff has found this project to be consistent with the Conservation & Coastal Management Element (CCME). The project site has been cleared; no preservation is required. The project site is 0.64 acres.

COLLIER COUNTY PLANNING COMMISSION (CCPC) RECOMMENDATION: On November 21, 2024, the CCPC heard petition MUP-PL20220006931 and, by a vote of 7 to 0, recommended forwarding it to the Board with a recommendation of approval. The CCPC approval was unanimous. No letters of objection have been received. As such, this petition will be placed on the Summary Agenda.

LEGAL CONSIDERATIONS:

Before you is a recommendation by the Planning Commission for approval of a mixed-use project (MUP) in the Gateway Triangle Zoning Overlay District, Commercial Mixed-Use Sub-District (GTZO-MXD). Per LDC Section 4.02.16.C.8: Mixed-Use Projects (MUPs) are typically human-scale, pedestrian-oriented, interconnected projects with a

mix of residential and commercial uses such as retail, office, and civic amenities that complement each other. Residential uses are often located above commercial uses, but can be separate areas of residential use only with close proximity to commercial uses. An interconnected street system is the basis for the transportation network. Buildings are encouraged to be built close to the vehicular and pedestrian way to create a continuous, active, and vibrant streetscape utilizing the architecture, landscaping, lighting, signage, and street furnishings.

A MUP requiring a public hearing is required to follow the procedures for conditional uses and make the findings set forth in LDC section 10.08.00. A conditional use is a use that may be allowed in a particular zoning district subject to certain restrictions. All testimony given must be under oath. The attached report and recommendations of the Planning Commission are advisory only and are not binding on you. Petitioner has the burden of demonstrating that the necessary requirements have been met, and you may question Petitioner or staff to satisfy yourself that the necessary criteria have been satisfied.

Criteria for Mixed-Use Projects:

Conditional use findings: (LDC Section 10.08.00)

1. The granting of the conditional use will not adversely affect the public.
2. Consistency with the LDC and Growth Management Plan.
3. Ingress and egress to property and proposed structures thereon with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or catastrophe.
4. The effect the conditional use would have on neighboring properties in relation to noise, glare, economic, or odor effects.
5. Compatibility with adjacent properties and other property in the district.

Mixed-use project findings: (LDC Section 10.02.15)

6. Whether or not the requested use or uses are consistent with and further the redevelopment goals and/or objectives of the Collier County Community Redevelopment Agency (CRA) for the subdistrict(s) in which it is located. In addition to the typical staff analysis for land use petitions, the Collier County Planning Commission (CCPC) may also be guided by written or verbal input from CRA staff.
7. Whether or not the proposed use or uses are appropriate in terms of scale and/or size when considered in the context of the overall MUP and subdistrict.
8. Whether a requested deviation is (1) justified in that the subject LDC provision is not practical, feasible, desirable, or warranted or not practical, feasible, desirable, or (2) warranted to the same degree as prescribed by the subject LDC provision in the context of the proposed mixed-use project. The applicant shall provide an analysis so the CCPC may consider the existing conditions related to the need for the requested deviation or, conversely, strict adherence to the subject LDC provision, in terms of feasibility and/or need.
9. Whether or not the deviation will or may have a negative impact on public health, safety, and welfare.

Deviation Criteria: (LDC Section 10.02.15)

10. Whether a requested deviation is (1) justified in that the subject LDC provision is either not practical, feasible, desirable, or warranted or not practical, feasible, desirable, or (2) warranted to the same degree as prescribed by the subject LDC provision, in the context of the proposed mixed-use project. The application shall provide an analysis of existing conditions and the impact of either the requested deviation or strict adherence to the subject LDC provision in terms of feasibility and/or need.

11. Whether or not the deviation will or may have a negative impact on public health, safety, and welfare.

The Board must base its decision upon the competent, substantial evidence presented by the written materials supplied to it, including but not limited to the Staff Report, Executive Summary, maps, studies, letters from interested persons, and the oral testimony presented at the BCC hearing as these items relate to these criteria. Should this item be denied, Florida Statutes section 125.022(3) requires the County to provide written notice to the applicant citing applicable

portions of an ordinance, rule, statute, or other legal authority for the denial. This item has been approved as to form and legality and requires an affirmative vote of four for Board approval. (HFAC)

RECOMMENDATIONS: To approve the request for Petition MUP-PL20220006931, Metro South.

PURPOSE/DESCRIPTION OF PROJECT:

The petition seeks to designate the property at 3010 Tamiami Trail East as a Mixed Use Project (MUP) in the Gateway Triangle Zoning Overlay District, Commercial Mixed Use Sub-District (GTZO-MXD), comprising .64± acres pursuant to Land Development Code Sec. 2.03.07.N.4; of the 0.64 acres, 0.11 acres are in the MH BZO R1, providing for designation as "MUP" and approving up to a maximum of 8 residential dwelling units, including seven bonus density units as determined through the SDP process and 3,860 square feet of permitted commercial uses; and providing for conceptual site plan approval.

GROWTH MANAGEMENT PLAN (GMP) CONSISTENCY:

Future Land Use Element (FLUE): Comprehensive Planning staff has reviewed the proposed Mixed-Use Project. The subject property is designated Urban (Urban Mixed-Use District – Urban Coastal Fringe Subdistrict) within the Bayshore/Gateway Triangle Redevelopment Overlay (B/GTRO) and the Coastal High Hazard Area (CHHA), all as identified on the Future Land Use Map of the GMP. Please see Attachment B - Consistency Review Memorandum.

GMP Conclusion: The GMP is the prevailing document to support land use decisions, such as this proposed Mixed-Use Project. Staff is required to make a recommendation regarding a finding of consistency or inconsistency with the overall GMP as part of the recommendation for approval, approval with conditions, or denial of any rezoning petition. Based on the attached GMP consistency memo, staff finds the subject petition consistent with the Growth Management Plan.

Transportation Element: In evaluating this project, staff reviewed the applicant's May 11, 2023, Traffic Impact Statement for consistency with Policy 5.1 of the Transportation Element of the Growth Management Plan (GMP) using the 2022 and 2023 Annual Update and Inventory Reports (AUIR).

Policy 5.1 of the Transportation Element of the GMP states;

> *"The County Commission shall review all rezone petitions, SRA designation applications, conditional use petitions, and proposed amendments to the Future Land Use Element (FLUE) affecting the overall countywide density or intensity of permissible development, with consideration of their impact on the overall County transportation system, and shall not approve any petition or application that would directly access a deficient roadway segment as identified in the current AUIR or if it impacts an adjacent roadway segment that is deficient as identified in the current AUIR, or which significantly impacts a roadway segment or adjacent roadway segment that is currently operating and/or is projected to operate below an adopted Level of Service Standard within the five year AUIR planning period, unless specific mitigating stipulations are also approved. A petition or application has significant impacts if the traffic impact statement reveals that any of the following occur:*
>
> *a. For links (roadway segments) directly accessed by the project where project traffic is equal to or exceeds 2% of the adopted LOS standard service volume;*
>
> *b. For links adjacent to links directly accessed by the project where project traffic is equal to or exceeds 2% of the adopted LOS standard service volume; and*
>
> *c. For all other links the project traffic is considered to be significant up to the point where it is equal to or exceeds 3% of the adopted LOS standard service volume.*
>
> *Mitigating stipulations shall be based upon a mitigation plan prepared by the applicant and submitted as part of the traffic impact statement that addresses the project's significant impacts on all roadways."*

Staff finding: According to the TIS provided with this petition, the proposed development will generate a projected total of +/- 14 PM peak hour, 2-way trips on the adjacent roadway segments of East Tamiami Trail (US-41). The trips generated by this development will occur on the following adjacent roadway link:

Link/Roadway	Link	Current Peak Hour Peak Direction Volume/Peak Direction	Projected P.M. Peak Hour/Peak Direction Project Trips (1)	2022 AUIR LOS/ Remaining Capacity	2023 AUIR LOS/ Remaining Capacity
91.0/Tamiami Trail East (US-41)	Davis Blvd to Airport Rd	2,900/East	5/East	C/ 942	C/ 1,000

- (1) Source for P.M. Peak Hour/Peak Direction Project Traffic is from the May 11, 2023, Traffic Impact Statement provided by the petitioner.

Based on the TIS, the 2022, and the 2023 AUIR, the subject PUD can be found consistent with Policy 5.1 of the Transportation Element of the Growth Management Plan. The Traffic Impact Statement (TIS) indicates that the adjacent roadway network has sufficient capacity to accommodate this project within the 5-year planning period.

Conservation and Coastal Management Element (CCME): Environmental review staff has found this project to be consistent with the Conservation & Coastal Management Element (CCME). The project site has been cleared; no preservation is required. The project site is 0.64 acres.

STAFF ANALYSIS:

Staff completed a comprehensive evaluation of this land use petition, including the criteria upon which a recommendation must be based, specifically noted in Land Development Code (LDC) Section 10.02.15.A.2.b and B.3, MUPs Requiring Public Hearing and MUP Deviations (commonly referred to as the "MUP Findings"), and Section 10.08.00.D., (referred to as "Conditional Use Findings"), which establish the legal basis to support the Collier County Planning Commission's (CCPC) recommendation. The CCPC uses these same criteria as the basis for their recommendation to the Board of Collier County Commissioners (BCC), who in turn use the criteria to support their action on the MUP request. An evaluation relative to these subsections is discussed below under the heading "Conditional Use Findings and MUP Findings." In addition, staff offers the following analysis:

Environmental Review: Environmental Services staff has reviewed the petition to address environmental concerns. The property has been developed and maintained clear of native vegetation required to be preserved. The Master Plan does not show a preserve since no minimum preservation is required. No listed animal species were observed on the property.

Transportation Review: The Transportation Planning staff has reviewed the petition for compliance with the GMP and the LDC. Transportation Planning Staff recommends approval of the proposed 3010 Tamiami Trail East MUP.

Utility Review: The project lies within the City of Naples's potable water service area and the south wastewater service area of the Collier County Water-Sewer District (CCWSD). Wastewater services are available via existing infrastructure within the adjacent right-of-way. Sufficient wastewater treatment capacity is available. Wastewater mains are available at the north end of River Drive. There is adequate wastewater treatment capacity to serve the project. Any improvements to the CCWSD's wastewater systems necessary to provide sufficient capacity to serve the project will be the responsibility of the owner/developer and will be conveyed to the CCWSD at no cost to the County at the time of utility acceptance. The City's potable water main is located along the northern property line within the Tamiami Trail E right-of-way. This will be utilized as the source for the project's potable water and fire suppression needs. The City of Naples has confirmed adequate capacity to service the proposed project. (See Attachment F – City of Naples - Letter of Availability)

The development will have to meet all applicable criteria set forth in the LDC regarding Adequate Public Facilities. The project must also be consistent with all applicable goals and objectives of the GMP regarding adequate public facilities. This petition has been reviewed by county staff responsible for jurisdictional elements of the GMP as part of the rezoning process, and staff has concluded that the developer has provided appropriate commitments so that the impacts to the Level of Service (LOS) will be minimized.

Landscape Review: The buffers labeled on the Master Plan are consistent with the LDC

Stormwater Review: The site currently includes a paved parking area that serves an existing one-story building, as well as a stormwater retention/detention pond located at the northwest corner of the parcel. Per the current FIRM, the site lies in flood zone AE, with a Base Flood Elevation (BFE) of 9.0 ft. Any proposed new buildings will require a Finished Floor Elevation (FFE) at BFE plus 1 foot or the 100yr 3-day design flood elevation, whichever is higher. At a minimum, therefore, the FFE of any proposed building(s) will be 10.0 ft-NAVD (or higher), significantly higher than the FFE of the existing building (7.34 ft-NAVD). The site is not within any existing SFWMD Environmental Resource Permit (ERP). As suggested by the applicant's Concept Plan, a future building and additional pavement will be located over the space currently occupied by the stormwater pond. Any alterations to the current onsite stormwater system will require a new ERP or an ERP Exemption (if applicable) and must comply with the Collier County LDC, as applicable through the SDP process.

The project design must satisfy the Collier County GMP Public Facilities Element - Stormwater Management Sub-Element.

1. Project site water quality retention and detention criteria shall be one hundred and fifty percent (150%) of the volumetric requirements provided in the ERP AH Vol II for use within the geographic limits of the SFWMD (2014).

2. Allowable project off-site discharge rate shall not exceed the discharge rate of Haldeman Creek Basin (0.15 cfs/ ac) and shall be computed using a storm event of 3-day duration and 25-year return frequency.

Bayshore Gateway Triangle Community Redevelopment Agency (CRA) – The subject property is located within the Bayshore Gateway Triangle Community Redevelopment Area, and as such, the CRA serves as the primary vehicle for community and professional input on petitions. The agent presented the project at the July 9, 2024, CRA Meeting. The CRA Advisory Board approved the mixed-use project and the deviation. (See Attachment G – CRA Letter of Support)

Zoning Services Review: The comprehensive plan designates the property as Urban (Urban Mixed-Use District, Urban Coastal Fringe Subdistrict), and is within the Bayshore/Gateway Triangle Redevelopment Overlay (B/GTRO), and is in the Coastal High Hazard Area (CHHA), all as identified on the Future Land Use Map of the Growth Management Plan. Relevant to this petition, the B/GTRO allows mixed-use development and provides for a Density Bonus Pool for mixed-use development. The B/GTRO outlines various criteria specific to mixed-use development, including access to US 41; this project is consistent with all applicable criteria.

Because the subject property is zoned both commercial and residential, existing residential density is calculated on the ±0.11 acres zoned MH-BZO-R1 (base density of 7.26 dwelling units per acre) as follows:

0.11 (7.26 - 1 [CHHA reduction]) = 0.69 dwelling units, rounded to 1 unit

The applicant is seeking seven additional units from the Density Bonus Pool for a total of 8 dwelling units.

Moreover, the subject ±0.64-acre property was formerly a Pizza Hut restaurant and a parking lot. The Pizza Hut was previously converted to offices totaling 2,545 square feet (PRCS20220841921).

This petition seeks to redevelop the subject property by adding a five-story (56-foot) mixed-use building that will contain a total of 3,860 square feet of commercial development on the ground floor and eight (8) residential units totaling 11,480 square feet on floors two through five. The total square footage of the building will be 15,340 square feet.

The property is within two zoning districts and two overlays. The top half (approx. 0.5 acres) of the property abuts Tamiami Trail, is zoned Commercial Intermediate (C-3), and is within the Gateway Triangle Zoning Overlay District, Mixed-Use Subdistrict (GTZO-MXD). The smaller (approx. 0.1 acres) bottom half is zoned Mobile Home (MH) and is within the Bayshore Overlay Residential 1 (BZO-R1). The purpose of the GTZO-MXD is to provide pedestrian-orientated commercial and mixed-use developments and higher residential densities. The purpose of the BZO is to encourage revitalization of the Bayshore Drive portion of the Bayshore Gateway Triangle Community Redevelopment Area (BGTCRA) with pedestrian-oriented, interconnected projects.

There is no residential density associated with commercially zoned property. Permitted density in MH zoning is 7.26 DU/ac less 1 DU/ac as the property lies within the Coastal High Hazard Area (CHHA), which nets, after rounding, a total of one dwelling unit being permitted. The petitioner is requesting to draw seven (7) units from the Bayshore Density Pool.

CONDITIONAL USE FINDINGS, as required by MUPs Requiring Public Hearing via LDC Section 10.02.15.A.2.b:

When considering a Conditional Use petition, the BZA must make findings that:

1) approval of the Conditional Use will not adversely affect the public interest and will not adversely affect other properties of uses in the same district of a neighborhood; and 2) all specific requirements for the individual Conditional Use will be met; and 3) satisfactory provisions have been made concerning the following matters, where applicable:

1. **Section 4.02.16.C.8.b of the LDC permits Mixed-Use Projects in the GTZO-MXD**

   The proposed mixed-use components of the project are located within the GTZO-MXD overlay. Due to the parcel's split zoning, a small amount of infrastructure needed to support the proposed activities is located outside the GTZO-MXD overlay—this includes four parking spaces and a dumpster enclosure.

2. **Consistency with the Land Development Code (LDC) and the Growth Management Plan (GMP).**

   The proposed project seeks to deviate from the Land Development Code in the following way: Deviation #1 from LDC Section 4.02.16 D.7.c, which requires the first floor of a mixed-use building to have a minimum floor-to-ceiling height of 14 feet to allow for a height of twelve (12) feet. The remainder of the project shall conform with the Collier County LDC and GMP.

3. **Ingress and egress to the property and proposed structures thereon, with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or catastrophe.**

   The project proposes to modify a single, existing access onto US 41 (Tamiami Trl E). Geometrically, this shall meet all requirements for fire and EMS vehicles to successfully navigate. For safety and to promote traffic flow, the proposed parking areas shall meet all dimensional requirements as outlined in the Collier County LDC. The project proposes three sidewalk connections from the existing/ proposed uses to the existing sidewalk network within the public right-of-way to promote walkability with the surrounding community.
   The roadway infrastructure has adequate capacity to serve the proposed project at this time and, as outlined above, is consistent with GMP at the time of rezoning as evaluated as part of the GMP Transportation Element consistency review. Operational impacts will be addressed at the time of the first development order (SDP or Plat). Additionally, the project's development must comply with all other applicable concurrency management regulations when development approvals are sought.

4. **The effect the Conditional Use would have on neighboring properties in relation to noise, glare, economic or odor effects.**

   The proposed project shall have no effect on neighboring properties regarding noise, glare, or odor. However, the redevelopment of an existing, outdated site is anticipated to have a positive economic effect on adjacent property values. The introduction of a commercial lease area will stimulate the area economically.

5. **Compatibility with adjacent properties and other properties in the district.**

   The project is surrounded by commercial uses to the west and beyond the right-of-way to the north. Residential uses are to the south and east, all of which are compatible with the project's proposed uses.

MUP FINDINGS:

LDC Section 10.02.15.A.2.b states, *"The Administrative Code shall establish the submittal requirements for MUP requiring a public hearing for approval. The application shall follow the applicable submittal requirements and procedures set forth in LDC section 10.08.00, for conditional use submittal and review. In addition to the conditional use findings as set forth in LDC section 10.08.00 D., the following shall be considered":*

1. **Whether or not the requested use or uses are consistent with and further the redevelopment goals and/or objectives of the Collier County Community Redevelopment Agency (CRA) for the subdistrict(s) in which it is located. In addition to the typical staff analysis for land use petitions, the Collier County Planning Commission (CCPC) may also be guided by written or verbal input from CRA staff.**

   Mixed-use commercial/ residential projects are in line with the Bayshore Gateway Redevelopment plan. The project has been presented to the CRA board and received approval.

2. **Whether or not the proposed use or uses are appropriate in terms of scale and/or size when considered in the context of the overall MUP and subdistrict.**

   The proposed uses, as they relate to scale, are compatible with the subdistrict, and all infrastructure necessary to support them can be accommodated.

3. **Whether a requested deviation is (1) justified in that the subject LDC provision is not practical, feasible, desirable, or warranted or not practical, feasible, desirable, or (2) warranted to the same degree as prescribed by the subject LDC provision, in the context of the proposed mixed-use project. The applicant shall provide an analysis so the CCPC may consider the existing conditions related to the need for the requested deviation or, conversely, strict adherence to the subject LDC provision in terms of feasibility and/or need**

   The project proposes a 12' first floor-to-ceiling height, which will allow for an approximately 10' floor-to-ceiling height in the above residential units. The proposed deviation is justified as it still maintains a satisfactory floor-to-ceiling height for the commercial component while the additional height is distributed to the residential uses above. By distributing the additional height to the residential component, the overall marketability of the end product is increased by providing a more luxurious experience to the residences.

4. **Whether or not the deviation will or may have a negative impact on public health, safety, and welfare**

   The requested deviation will not negatively impact public health, safety, or welfare.

DEVIATION DISCUSSION:

Proposed Deviation #1: (First floor-to-ceiling height)

Deviation #1 seeks relief from LDC Section 4.02.16.D.7.c, which requires the first floor of a mixed-use building to have a minimum floor-to-ceiling height of 14 feet, to instead allow for a height of 12 feet.

Petitioner's Justification*: The proposed deviation is justified as it still maintains a satisfactory floor-to-ceiling height for the commercial component while the additional height is distributed to the residential uses above. By distributing the additional height to the residential component, the overall marketability of the end product is increased by providing a more luxurious experience to the residences. Moreover, in a presentation at the July 9, 2024, CRA meeting, we presented a mixed-use project with a deviation seeking to deviate from the 14' minimum first-floor floor-to-ceiling height. The height we are requesting is 12 ft. The project and the deviation received approval from the CRA board.*

***Staff Analysis and Recommendation*:** It should be noted that at the July 9, 2024, CRA Meeting, the CRA approved the mixed-use project and the deviation. Zoning staff agrees with the CRA approval and has no issue with this deviation being processed at the time of SDP.

JULY 25, 2023, NEIGHBORHOOD INFORMATION MEETING (NIM):

The applicant conducted a NIM on July 25, 2023, at the Norris Center, located at 755 8th Avenue South, Naples, FL. The meeting commenced at approximately 5:15 p.m. and ended at 5:45 p.m. Jessica Kluttz, the agent, conducted the meeting by introducing the consultant team and staff and giving a PowerPoint presentation. The presentation consisted of an overview of the proposed MUP application. Following the agent's presentation, the meeting was open to attendees to make comments and ask the consultant team questions regarding the proposed development. The issues discussed were the number of commercial units, project location, building height, impacts to the neighboring mobile home park, egress/ingress into the site, and the existing business in the building. Jessica Kluttz and the consultant team answered all concerns. No commitments were made. A copy of the NIM summary, sign-in sheet, and NIM PowerPoint presentation are included in Attachment C.

SEPTEMBER 5, 2024, NEIGHBORHOOD INFORMATION MEETING (NIM):

The second NIM was scheduled because the petition exceeded the first NIM's first anniversary. The applicant conducted a NIM on September 5, 2024, at the Norris Center, located at 755 8th Avenue South, Naples, FL. The meeting commenced at approximately 5:30 p.m. and ended at 5:45 p.m. Marcus Lloyd, the agent, conducted the meeting by introducing the consultant team and staff and giving a PowerPoint presentation. The presentation consisted of an overview of the proposed MUP application. Following the agent's presentation, the meeting was open to attendees to make comments and ask the consultant team questions regarding the proposed development. The issues discussed were the parking spaces, access points in relation to the existing mobile home park, and the murals within the BGTCRA. Marcus Lloyd and the consultant team answered all concerns. No commitments were made. A copy of the NIM summary, sign-in sheet, and NIM PowerPoint presentation are included in Attachment D.

ENVIRONMENTAL ADVISORY COUNCIL (EAC) REVIEW:

This project does not require an Environmental Advisory Council (EAC) review, as this project did not meet the EAC scope of land development project reviews as identified in Section 2-1193 of the Collier County Codes of Laws and Ordinances. Environmental Services staff recommend **approval** of the proposed petition.

COUNTY ATTORNEY OFFICE REVIEW:

The County Attorney's Office reviewed this staff report on October 25, 2024.

RECOMMENDATION:

Staff recommends that the CCPC approve Petition MUP-PL20220006931.

RESOLUTION NO. 2025 - ____

A RESOLUTION OF THE COLLIER COUNTY BOARD OF COUNTY COMMISSIONERS DESIGNATING METRO SOUTH AS A MIXED-USE PROJECT (MUP) IN THE GATEWAY TRIANGLE ZONING OVERLAY DISTRICT, COMMERCIAL MIXED- USE SUB-DISTRICT (GTZO-MXD), COMPRISING 0.64± ACRES PURSUANT TO LAND DEVELOPMENT CODE SEC. 2.03.07.N.4; PROVIDING FOR DESIGNATION AS "MUP," AND APPROVING UP TO A MAXIMUM OF 8 RESIDENTIAL DWELLING UNITS INCLUDING 7 BONUS DENSITY UNITS AS DETERMINED THROUGH THE SDP PROCESS AND 3860 SQUARE FEET OF PERMITTED COMMERCIAL USES, WITH ONE DEVIATION; AND PROVIDING FOR CONCEPTUAL SITE PLAN APPROVAL, FOR PARCELS LOCATED SOUTH OF TAMIAMI TRAIL EAST, APPROXIMATELY 295 FEET EAST OF BAYSHORE DRIVE. (PL20220006931)

WHEREAS, D & D Retirement Trust LLC (herein referred to as "Owner") owns land comprising approximately .64 ± acres, described below, of which .55 acres is located within the boundaries of the Gateway Triangle Zoning Overlay District ("GTZO") and within the Commercial Mixed-Use Sub-district (GTZO-MXD), and .11 acres is located within the boundaries of the Bayshore Triangle Zoning Overlay District ("BZO") and within the Residential Sub-district 1 (BZO-RI), all comprising a portion of the Bayshore-Gateway Community Redevelopment Area (CRA), located in Collier County, Florida east of Bayshore Drive, south of Tamiami Trail East; and

WHEREAS, Owner, through its agent, Brandon Copper, of Davidson Engineering, Inc. in accordance with Section 10.02.15, of the Collier County Land Development Code ("LDC") has petitioned the Collier County Board of County Commissioners for approval of a Mixed-Use Project ("MUP") in the Gateway Triangle Zoning Overlay District, proposing up to a maximum of 8 residential units and 3860 square feet of commercial floor area for the subject lands to be known as Metro South; and

WHEREAS, Owner has timely submitted a sufficient MUP Application ("Application") for the 3010 Metro South MUP plan for the lands described below; and

WHEREAS, Collier County Staff has reviewed the Application, including a Conceptual Site Plan, along with support documentation and information required by LDC Section 10.02.15 and the Administrative Code, and determined that the Application and Conceptual Site Plan are sufficient; and

WHEREAS, the Board has determined that the LDC notice and neighborhood information meeting (NIM) requirements applicable to the Application set forth in Section

10.03.06.N have been complied with; and that Metro South MUP has been recommended for approval by the Bayshore-Gateway CRA Advisory Board.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

1. The foregoing WHEREAS clauses are hereby adopted as if set forth fully herein.

2. The requested uses are consistent with and further the redevelopment goals and/or objectives of the Collier County Community Redevelopment Agency for the Commercial Mixed-Use District.

3. The lands described in attached Exhibit "A," consisting of approximately 0.64 ± acres are hereby designated as a Mixed-Use Project ("MUP"), and be officially designated as "MUP" on the Official Zoning Atlas Map, shall be subject to the Conceptual Site Plan attached as Exhibit "B," and subject to compliance with the requirements of LDC Sections 10.02.15 and 4.02.16.C.8 and 15.

4. The requirements of LDC Section 10.02.15.2.b have been met and the Metro South MUP is approved for and is hereby allocated, seven (7) Bonus Density Units.

5. The Conceptual Site Plan for the Metro South MUP attached hereto as Exhibit "B" is hereby approved.

6. A Deviation from LDC Section 4.02.16 D.7.c which requires the first floor of a mixed-use building to have a minimum floor-to-ceiling height of 14 feet, to instead allow for a height of 12 feet, is approved.

7. Once the property owner, through the MUP approval process, commences construction of the proposed development project under the provisions of the Mixed-Use Subdistrict, those lands shall only be developed in compliance with all provisions of the Gateway Triangle Zoning Overlay and shall not revert back to the underlying zoning district.

8. All Density Bonus Pool allocations will expire five years from the date of approval if building permits for the allocated units have not been issued. Upon expiration, the units will revert to the Density Bonus Pool.

9. The MUP shall expire and any residential units will be null and void in accordance with LDC Section 10.02.15.A.e if the project fails to meet the SDP timeline in LDC Section 10.02.15.A.e.

BE IT FURTHER RESOLVED that this Resolution shall be recorded in the minutes of this Board.

THIS RESOLUTION ADOPTED this _____ day of _____ 2025, after motion, second, and majority vote.

From: Rachel Hansen, AICP, Planner III, Community Planning & Resiliency Division

Date: February 22, 2024

Subject: Future Land Use Element (FLUE) Consistency Review

PETITION NUMBER: PL20220006931

PETITION NAME: 3010 Tamiami Trail East Mixed Use Project

REQUEST: To obtain Mixed Use Project (MUP) approval on the subject property (approximately 0.64 acres) to allow development of 8 residential units and a total of 4,797 square feet of commercial uses. The site is zoned C-3-Gateway Triangle Zoning Overlay District-Mixed Use Subdistrict (C-3-GTZO-MXD) and Mobile Home-Bayshore Zoning Overlay District-Residential Subdistrict 1 (MH-BZO-R1) and is located within the Coastal High Hazard Area (CHHA).

LOCATION: The ±0.60-acre site is located on the south side of Tamiami Trail East (US 41), approximately 500 feet southeast of the intersection of Tamiami Trail East and Bayshore Drive in Section 11, Township 50 South, Range 25 East.

COMPREHENSIVE PLANNING COMMENTS: The subject property is designated Urban (Urban Mixed-Use District, Urban Coastal Fringe Subdistrict), is within the Bayshore/Gateway Triangle Redevelopment Overlay (B/GTRO), and is in the Coastal High Hazard Area, all as identified on the Future Land Use Map of the Growth Management Plan. Relevant to this petition, the B/GTRO allows mixed use development and provides for a Density Bonus Pool for mixed use development. The B/GTRO outlines various criteria specific to mixed use development, including access to US 41; this project is consistent with all applicable criteria.

Because the subject property is zoned both commercial and residential, existing residential density is calculated on the ±0.11 acres zoned MH-BZO-R1 (base density of 7.26 dwelling units per acre) as follows:

0.11 (7.26 - 1 [CHHA reduction]) = 0.69 dwelling units, rounded to 1 unit

The applicant is seeking 7 additional units from the Density Bonus Pool for a total of 8 dwelling units.

CONCLUSION: Based upon the above analysis, staff concludes the proposed density and uses for the subject site may be deemed consistent with the Future Land Use Element.

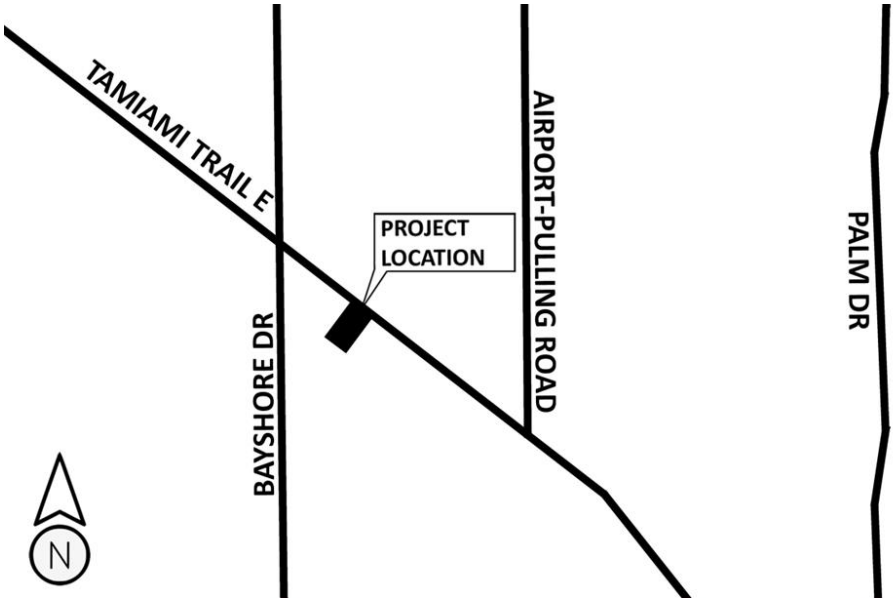
Dear Property Owner:
Please be advised that a formal application has been submitted to Collier County seeking approval of a Mixed-Use Project for the following described property:



3010 Tamiami Trail East, Naples, FL, 34112

The petitioner is asking the County to approve this Mixed-Use Project application to allow development of a commercial development with 8 residential units on the described property.

In compliance with the Land Development Code requirements, a Neighborhood Information Meeting will be held to provide you an opportunity to become fully aware of our development intentions and to give you an opportunity to influence the form of development. The Neighborhood Information Meeting will be held on July 25th, 2023, at 5:00 PM at the Norris Center in the Art Room. The address for the Norris Center is 755 8th Ave South, Naples, FL 34102.

At this meeting the petitioner will make every effort to illustrate how the property will be developed and to answer any questions. The Neighborhood Information Meeting is for informational purposes, it is not a public hearing. Should you have questions prior to the meeting, please contact me at 239-434-6060 or JessicaK@DavidsonEngineering.com .

Sincerely,

Jessica Kluttz

NOTICE OF FINDING OF NO SIGNFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS
July 10, 2023
Collier County
3339 East Tamiami Trail
Health and Public Services Building H, Room 211
Naples, Florida 34112
(239) 252-2273
These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by Collier County.

REQUEST FOR RELEASE OF FUNDS

On or about July 26, 2023, Collier County will submit a request to the Department of Housing and Urban Development (HUD) for the release of Self-Help Homeownership Opportunity Program Funds under the Housing Opportunity Program Extension Act of 1996, as amended, to undertake a project known as Majestic Place for the purpose of improving access to affordable housing in Collier County.
Scope: Habitat for Humanity of Collier County, Inc. proposes the development of a new affordable housing complex in Collier County, Florida. The project includes the development and construction of 109 owner-occupied homes for low-income households. The project is in Regal Acres, an existing community built by Habitat for Humanity of Collier County, Inc.
Location: Parcels 00737720006, 00737760008, 00741100104, and 00738280008 in Collier County, Florida and northwest of Majestic Circle.
Total Estimated HUD Funding: $1,000,000
Total Project Cost: $30,000,000

FINDING OF NO SIGNIFICANT IMPACT

Collier County has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at Community and Human Services Division, 3339 East Tamiami Trail, Health and Public Services Building H, Room 211, Naples, Florida 34112 and may be examined or copied weekdays 9 A.M to 4:30 P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Collier County Community and Human Services Division at the address above. All comments received by July 25, 2023 will be considered by Collier County prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

Collier County certifies to HUD that Amy Patterson, in their capacity as County Manager, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows Collier County to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of fund and Collier County's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of Collier County; (b) Collier County has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to HUD – Miami Office at 909 SE First Avenue, Room 500, Miami, FL 33131. Potential objectors should contact HUD to verify the actual last day of the objection period.

AVISO DE HALLAZGO SIN IMPACTO SIGNIFICATIVO Y AVISO DE INTENCIÓN DE SOLICITAR LIBERACIÓN DE FONDOS
10 de julio de 2023
Condado de Collier
3339 East Tamiami Trail
Health and Public Services Building H, Room 211
Naples, Florida 34112
(239) 252-2273
Estos avisos deberán satisfacer dos requisitos de procedimiento separados pero relacionados para las actividades que llevará a cabo el condado de Collier.

SOLICITUD DE LIBERACIÓN DE FONDOS

En o alrededor de 26 de julio de 2023 el Condado de Collier presentará una solicitud al HUD para la liberación de los fondos del Programa de Oportunidades de Propiedad de Vivienda de Autoayuda bajo la Ley de Extensión del Programa de Oportunidades de Vivienda de 1996, según enmendada, para emprender un proyecto conocido como Majestic Place con el fin de mejorar el acceso a viviendas asequibles en el condado de Collier.
Alcance: The Habitat for Humanity of Collier County, Inc. propone el desarrollo de un nuevo complejo de viviendas asequibles en el Condado de Collier, Florida. El proyecto incluye el desarrollo y construcción de 109 viviendas ocupadas por sus propietarios para familias de bajos ingresos. El proyecto está en Regal Acres, una comunidad existente construida por Habitat for Humanity.
Localizacion: Parcelas 00737720006, 00737760008, 00741100104 y 00738280008 en el Condado de Collier, Florida y al noroeste de Majestic Circle.
Financiamiento total estimado de HUD: $1,000,000
Costo total del proyecto: $30,000,000

HALLAZGO SIN IMPACTO SIGNIFICATIVO

El condado de Collier ha determinado que el proyecto no tendrá un impacto significativo en el ambiente humano. Por lo tanto, no se requiere una Declaración de Impacto Ambiental bajo la Ley Nacional de Política Ambiental de 1969 (NEPA). La información adicional del proyecto se encuentra en el Registro de revisión ambiental (ERR) archivado en la División Community and Human Services Division, 3339 East Tamiami Trail, Health and Public Services Building H, Room 211, Naples, Florida 34112 y se puede examinar o copiar los días de semana de 9 a. m. a las 4:30 p. m.

COMENTARIOS PÚBLICOS

Cualquier individuo, grupo o agencia puede enviar comentarios por escrito sobre la ERR a la División de Servicios Humanos y Comunitarios del Condado de Collier en la dirección anterior. Todos los comentarios recibidos antes de 25 de julio de 2023 serán considerados por el condado de Collier antes de autorizar la presentación de una solicitud de liberación de fondos.

CERTIFICACIÓN AMBIENTAL

El condado de Collier certifica a HUD que Amy Patterson, en su capacidad de administradora del condado, consiente en aceptar la jurisdicción de los tribunales federales si se inicia una acción para hacer cumplir las responsabilidades en relación con el proceso de revisión ambiental y que estas responsabilidades han sido satisfechas. La aprobación de la certificación por parte de HUD satisface sus responsabilidades conforme a NEPA y las leyes y autoridades relacionadas, y permite que el condado de Collier use los fondos del programa.

OBJECIONES A LA LIBERACIÓN DE FONDOS

HUD aceptará objeciones a la liberación de fondos y la certificación del condado de Collier durante un período de quince días a partir de la fecha de presentación anticipada o de la recepción real de la solicitud (lo que ocurra más tarde) solo si se basan en una de las siguientes bases: (a) la certificación no fue ejecutada por el Oficial Certificador del Condado de Collier; (b) el condado de Collier ha omitido un paso o no ha tomado una decisión o hallazgo requerido por las reglamentaciones de HUD en 24 CFR parte 58; (c) el beneficiario de la subvención u otros participantes en el proceso de desarrollo han comprometido fondos, incurrido en costos o realizado actividades no autorizadas por 24 CFR Parte 58 antes de la aprobación de una liberación de fondos por parte de HUD; o (d) otra agencia federal que actúa de conformidad con 40 CFR Parte 1504 ha presentado una conclusión por escrito de que el proyecto no es satisfactorio desde el punto de vista de la calidad ambiental. Las objeciones deben prepararse y presentarse de acuerdo con los procedimientos requeridos (24 CFR Parte 58, Sec. 58.76) y deben dirigirse a HUD - Oficina de Miami en 909 SE First Avenue, Room 500, Miami, FL 33131. Los posibles objetores deben comunicarse con HUD para verificar el último día real del período de objeción.
Amy Patterson, County Manager

RE:	3010 Tamiami Trail MUP – Neighborhood Information Meeting Summary

Davidson Engineering conducted a Neighborhood Information Meeting regarding the PUD Rezone and Growth Management Plan Amendment for a Mixed Use Project at 3010 Tamiami Trail on Tuesday July 25, 2023 at 5:00 PM. The meeting was held at the Norris Center, located at 755 8th Avenue South, Naples FL 34102 in the Art Room. There were a total of 5 in-person attendees from the public who signed in, including the project team. Attached to this letter is the sign in sheet from the meeting, the provided hand out for attendants, and the PowerPoint Presentation utilized at the meeting.

The list of individuals below, associated with the project, participated in the meeting:

- Jessica Kluttz, Davidson Engineering
- Brandon Copper, Davidson Engineering
- Daniel Dufault, Applicant and Property Owner
- Eric Ortman, Collier County

Jessica Kluttz, Agent for the Applicant, began the presentation at approximately 5:15 PM and gave an overview of the project location, density, zoning request, and hearing criteria.

Following the presentation, attendees asked questions and gave comments. The following list is a summary of the questions and comments along with responses given by the agent in **bold.**

- *Eric Ortman asked how many commercial units were proposed.*
  Response: 1-2 commercial units.

- *Jean Devarista asked for more information regarding the project location and proposed building height, concerned about impacts to the neighboring mobile home park.*
  Response: Appropriate buffering would be provided to the mobile home park, and the building would be 5 stories in height, not going over 56' in height per zoned height.
- *Eric Ortman asked for clarification on the egress and ingress for the site, if the same access would be used for the commercial and residential components.*
  Response: One access point is proposed for the entire development.
- *Eric Ortman asked if the existing building's business was open yet.*
  Response: The existing building is currently undergoing renovations, but a real estate office will operate out of the site once renovations are complete. A discussion regarding paint color was held.

[Meeting Adjourned at approximately 5:45]

3010 Tamiami Trail Mixed Use Project (PL20220006931)

The subject site is located at 3010 Tamiami Trail. The purpose of this application is to allow for a Mixed Use Project on the site consisting of commercial and residential uses as permitted by the Land Development Code.

The proposed site plan consists of the following:

1. An existing real estate office 2,545 SF in size
    a. The existing commercial zoning is C-3 which this office is complaint with.
2. A mixed-use structure with 2,252 SF of commercial suites on the first floor and 15,800 SF of residential units on floors 2-5
    a. 8 residential units are proposed.
    b. Each residential floor will have a footprint of approximately 3,950 SF.
    c. Covered parking is provided underneath the 2nd floor overhang.

A density of 12 units per acre, allowing for 8 units total on this site, is gained through the Limited Density Bonus Pool for the Bayshore/Gateway Triangle Zoning Overlay District. Per LDC 4.02.16.C.15, "any project that receives an allocation of Density Pool Units requires an improvement or contribution to the public realm with the BGTCRA at time of SDP or Plat approval" in the amount of 5% of the Opinion of Probable Cost.

The proposed mixed-use structure shall be no taller than 56' as permitted in the Gateway Triangle Zoning Overlay Mixed Use District. The project shall not be gated, and access provided only off Tamiami Trail. To qualify for twelve (12) dwelling units per acre mixed use projects within the BGTR Overlay must comply with the design standards of the Gateway Triangle Overlay Zoning District in the Collier County Land Development Code.

Jessica Kluttz, AICP – Davidson Engineering – Planner

Brandon Copper, E.I.– Davidson Engineering – Project Manager

Daniel Dufault – Landmark Construction – Property Owner

Stephen W. Piaza, NCARB – Piazza Design – Architect

Site Location

Mixed Use Project

Permitted Uses:

- Underlying Zoning of C-3 allows for commercial offices and similar Intermediate Commercial uses
- Underlying Zoning of MH allows for 6.26 units/acre
  - 0.11 acres of the property lies in this district

Density:

- MUP allows for up to 12 units/acre through the Bonus Density Pool Allocation = 8 residential units
- Limited Density Bonus Pool: Any project that receives an allocation of Density Pool Units requires an improvement or contribution to the public realm with the BGTCRA at time of SDP approval in the amount of 5% of the Opinion of Probable Cost.

DAVIDSON ENGINEERING

Compatibility: Surrounding Uses

Proposed Development

- Existing real estate office
- Mixed-use structure:
  - 1st Floor commercial suite
  - 2nd-5th floor residential units (8 total)
  - Rooftop amenities including a pool and sun deck

DAVIDSON ENGINEERING

Criteria for MUP Approval

1. No less than 60 percent of all commercial uses within a mixed use project shall provide retail, office and personal service uses.
   - All proposed commercial is of the above type.

2. No more than 25 percent of the residential units within a mixed use project shall be on gated roadways. Residential uses shall be constructed concurrent with, or prior, to the construction of commercial uses so as to insure actual development of a mixed use project.
   - No gated roadways proposed, and the proposed structure will not be phased. There is existing commercial on the site.

DAVIDSON ENGINEERING

Criteria for MUP Approval

3. Mixed use projects shall connect to local streets, adjoining neighborhoods, and adjacent developments, regardless of land use types. A grid pattern is usually the basis for the transportation network. Whatever the pattern of the vehicular network, internal interconnections between uses shall be provided for pedestrian, bicycle, and other modes of alternate transportation.

- Proposed site connects to Tamiami Trail sidewalk network.

4. The commercial component of a mixed use project may be located internal to the project or along the boundary. If externally located, internal access roads and service access shall be provided so as not to promote strip commercial development along external collector and arterial roadways.

- Commercial component is internal to project. Strip development is not proposed.

DAVIDSON ENGINEERING

Criteria for MUP Approval

5. Parking lots shall be dispersed throughout the project. No one parking lot shall provide more than 40 percent of the required off-street parking. Parking garages shall have no restrictions on percentage of required parking that may be accommodated; however, commercial uses only shall be permitted on the ground floor. This requirement shall not apply to individual parcels less than five (5) acres in size.

6. At least 30 percent of the gross area of mixed use projects shall be devoted to usable open space, as defined in LDC section 4.02.01 B. This requirement shall not apply to individual parcels less than five (5) acres in size.

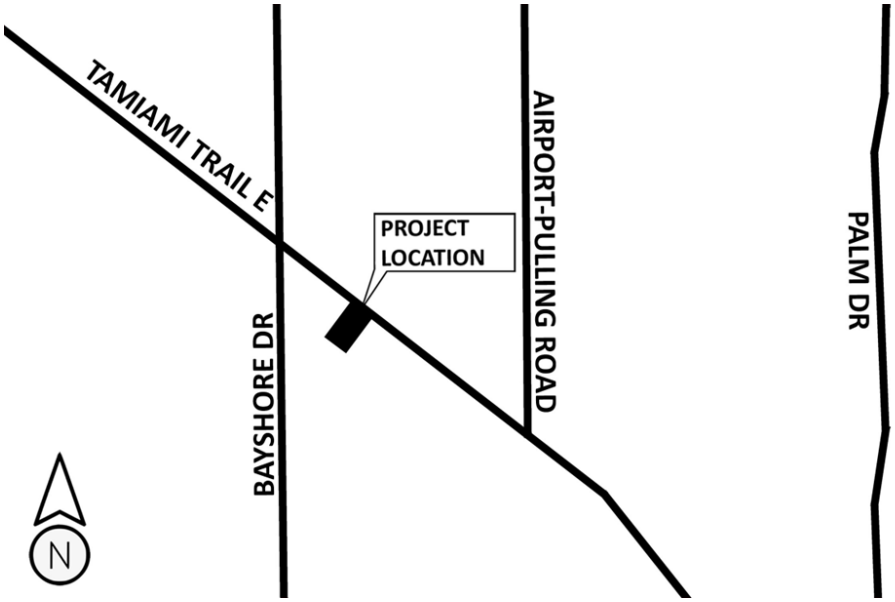
Dear Property Owner:
Please be advised that a formal application has been submitted to Collier County seeking approval of a Mixed-Use Project for the following described property:



3010 Tamiami Trail East, Naples, FL, 34112

The petitioner is asking the County to approve this Mixed-Use Project application to allow development of a commercial development with 8 residential units on the described property.

In compliance with the Land Development Code requirements, a Neighborhood Information Meeting will be held to provide you an opportunity to become fully aware of our development intentions and to give you an opportunity to influence the form of development. The Neighborhood Information Meeting will be held on September 5th, 2024, at 5:00 PM at the Norris Center in the Art Room. The address for the Norris Center is 755 8th Ave South, Naples, FL 34102.

At this meeting the petitioner will make every effort to illustrate how the property will be developed and to answer any questions. The Neighborhood Information Meeting is for informational purposes, it is not a public hearing. Should you have questions prior to the meeting, please contact me at 239-434-6060 or Marcus@DavidsonEngineering.com.

Sincerely,
Marcus Lloyd

RE:	3010 Tamiami Trail MUP – Neighborhood Information Meeting Summary

Davidson Engineering conducted a Neighborhood Information Meeting regarding the PUD Rezone and Growth Management Plan Amendment for a Mixed Use Project at 3010 Tamiami Trail on Thursday September 5th, 2024 at 5:30 PM. The meeting was held at the Norris Center, located at 755 8th Avenue South, Naples FL 34102 in the Art Room. There were a total of 5 in-person attendees from the public who signed in, including the project team. Attached to this letter is the sign in sheet from the meeting, the provided hand out for attendants, and the PowerPoint Presentation utilized at the meeting.

The list of individuals below, associated with the project, participated in the meeting:

- Marcus Lloyd, Davidson Engineering
- Brandon Copper, Davidson Engineering
- Daniel Dufault, Applicant and Property Owner
- Eric Ortman, Collier County
- Shirley Garcia, Collier County/BGTCRA

Marcus Lloyd, Agent for the Applicant, began the presentation at approximately 5:30 PM and gave an overview of the project location, density, zoning request, and hearing criteria.

During and after the presentation, attendees asked questions and gave comments. The following list is a summary of the questions and comments along with responses given by the agent in **bold.**

- A brief mention of parking spaces was discussed with the county planner, Eric Ortman, as the concept plan for this project has changed since the last NIM was held.
  Response: The project meets the required number of parking spaces under the current LDC, 23 spaces required, and that same amount is provided.

- *Shirly Garcia asked for more information regarding the project access point in relation to the existing mobile home park to the west.*
  Response: These projects would not share access and would be using existing ingress/egress for the existing commercial structure for the project. The access point for the mobile home park would remain unchanged in relation to this MUP project.

- A brief discussion of murals within the BGTCRA was discussed at the end of the meeting, as well as potential vandalism and how murals can help deter graffiti on buildings.

[Meeting Adjourned at approximately 5:45]

DAVIDSON ENGINEERING

In Attendance

Marcus Lloyd, AICP – Davidson Engineering – Planner

Brandon Copper, E.I.– Davidson Engineering – Project Manager

Daniel Dufault – Landmark Construction – Property Owner

Stephen W. Piaza, NCARB – Piazza Design – Architect

Site Location

Mixed Use Project

Permitted Uses:

- Underlying Zoning of C-3 allows for commercial offices and similar Intermediate Commercial uses
- Underlying Zoning of MH allows for 6.26 units/acre
  - 0.11 acres of the property lies in this district

Density:

- MUP allows for up to 12 units/acre through the Bonus Density Pool Allocation = 8 residential units
- Limited Density Bonus Pool: Any project that receives an allocation of Density Pool Units requires an improvement or contribution to the public realm with the BGTCRA at time of SDP approval in the amount of 5% of the Opinion of Probable Cost.

DAVIDSON ENGINEERING

Compatibility: Surrounding Uses

Proposed Development

- Existing real estate office
- Mixed-use structure:
  - 1st Floor commercial suite
  - 2nd-5th floor residential units (8 total)
  - Rooftop amenities including a pool and sun deck

DAVIDSON ENGINEERING

Criteria for MUP Approval

1. No less than 60 percent of all commercial uses within a mixed use project shall provide retail, office and personal service uses.
   - All proposed commercial is of the above type.

2. No more than 25 percent of the residential units within a mixed use project shall be on gated roadways. Residential uses shall be constructed concurrent with, or prior, to the construction of commercial uses so as to insure actual development of a mixed use project.
   - No gated roadways proposed, and the proposed structure will not be phased. There is existing commercial on the site.

DAVIDSON ENGINEERING

Criteria for MUP Approval

3. Mixed use projects shall connect to local streets, adjoining neighborhoods, and adjacent developments, regardless of land use types. A grid pattern is usually the basis for the transportation network. Whatever the pattern of the vehicular network, internal interconnections between uses shall be provided for pedestrian, bicycle, and other modes of alternate transportation.

- Proposed site connects to Tamiami Trail sidewalk network.

4. The commercial component of a mixed use project may be located internal to the project or along the boundary. If externally located, internal access roads and service access shall be provided so as not to promote strip commercial development along external collector and arterial roadways.

- Commercial component is internal to project. Strip development is not proposed.

DAVIDSON ENGINEERING

Criteria for MUP Approval

5. Parking lots shall be dispersed throughout the project. No one parking lot shall provide more than 40 percent of the required off-street parking. Parking garages shall have no restrictions on percentage of required parking that may be accommodated; however, commercial uses only shall be permitted on the ground floor. This requirement shall not apply to individual parcels less than five (5) acres in size.

6. At least 30 percent of the gross area of mixed use projects shall be devoted to usable open space, as defined in LDC section 4.02.01 B. This requirement shall not apply to individual parcels less than five (5) acres in size.

Re: Metro South (fka 3010 Tamiami Trail East) Mixed Use Project
Collier County Planning Commission

To Whom it May concern,

This Mixed Use Project Application aims to allow for the development of 8 residential units in addition ±1,345 sf of commercial "general office" space on 0.64 acres of land located at 3010 Tamiami Trail E. There is an existing commercial development on the site that will be retained. It is anticipated that the project will gain the zoning entitlements before the end of 2024. Immediately after zoning entitlements are in place the engineering will begin. Anticipated submittal for a Site Development Plan with Collier County is March 2025. Anticipated start date for construction is January 2026 and completion of construction is anticipated mid-2027.

Included for your review are the following:

- This Cover Letter
- Mixed Use Project (MUP) Application
- Pre-application meeting notes
- Conceptual Site Plan (24"x36" – to scale)
- Conceptual Site Plan (8.5"x11")
- Addressing Checklist
- Owner/ Agent Affidavit of Authorization
- Property Ownership Disclosure Form
- Warranty Deed
- School Impact Analysis Form
- Project Narrative
- Traffic Impact Statement
- BGTCRA Agenda Packet
- Bayshore CRA Presentation

Should you have any questions or require additional information please contact me directly at 239.434.6060 or via email: Brandon@DavidsonEngineering.com

REQUIRED PLAN SETS

Seven (7) sets of conceptual site plans prepared on a maximum size sheet measuring 24 X 36 inches, drawn to scale, containing the following information.

1. The project title, property owner, address, and telephone number.
2. Legal description, scale, and north arrow.
3. Zoning designation of the subject site and adjacent sites, and the proposed use of the subject site.
4. Location, configuration, and dimensions, including height, of all buildings; and the location, configuration and dimensions of landscape buffers.
5. General location and configuration of parking and loading areas, and the directional movement of internal vehicle traffic.
6. Location of proposed access point(s) to the site and internal site circulation.
7. All required and provided setbacks and separations between structures in matrix form.
8. Any additional relevant information as may be required by the County Manager or his designee.
9. Proposed density and unit types including any requests for density bonuses; proposed square footage of commercial uses, in matrix form.
10. The following statement: "This project will comply with all LDC requirements at time of submittal".

One (1) 8 ½ X 11 copy of conceptual site plans.

PUBLIC HEARING REQUIREMENTS

There shall be a public hearing before the Collier County Planning Commission (CCPC) and the Board of Zoning Appeals (BZA) legally noticed and advertised pursuant to LDC section 10.03.06 N. If approved by the Board of Zoning Appeals (BZA), such approval shall be resolution.

- The BZA and CCPC shall each hold one advertised public hearing.
- The public hearing shall be held at least 15 days after the day that an advertisement is published in the newspaper.
- At least one Neighborhood Information Meeting (NIM) shall be conducted by the applicant before the public hearing by the Collier County Planning Commission
- Written notice of the NIM meeting shall be sent by the applicant to all property owners who are required to receive legal notification from the County pursuant to section 10.03.05
- The applicant shall display an advertisement, one-fourth page, in type no smaller than 12 point; which shall not be placed in the portion of the newspaper where legal notices and classified advertisements appear. The ad shall be published no later than 7 days prior to the date of the neighborhood information meeting.
- The applicant shall post an outdoor sign on the subject property at least fifteen (15) days prior to the date of the public hearing before the BCC pursuant to section 10.03.05 D

CRITERIA FOR MIXED USE PROJECT APPROVAL

The following criteria must be met in order to gain approval for mixed use projects developed in accordance with provisions of mixed use overlay.

1. No less than 60 percent of all commercial uses within a mixed use project shall provide retail, office and personal service uses to serve the needs of the subject project and surrounding residential neighborhoods.

2. No more than 25 percent of the residential units within a mixed use project shall be on gated roadways. Residential uses shall be constructed concurrent with, or prior, to the construction of commercial uses so as to insure actual development of a mixed use project.

3. Mixed use projects shall connect to local streets, adjoining neighborhoods, and adjacent developments, regardless of land use types. A grid pattern is usually the basis for the transportation network. Whatever the pattern of the vehicular network, internal interconnections between uses shall be provided for pedestrian, bicycle, and other modes of alternate transportation.

4. The commercial component of a mixed use project may be located internal to the project or along the boundary. If externally located, internal access roads and service access shall be provided so as not to promote strip commercial development along external collector and arterial roadways.

5. Parking lots shall be dispersed throughout the project. No one parking lot shall provide more than 40 percent of the required off-street parking. Parking garages shall have no restrictions on percentage of required parking that may be accommodated; however, commercial uses only shall be permitted on the ground floor. This requirement shall not apply to individual parcels less than five (5) acres in size.

6. At least 30 percent of the gross area of mixed use projects shall be devoted to usable open space, as defined in LDC section 4.02.01 B. This requirement shall not apply to individual parcels less than five (5) acres in size.

MIXED USE PROJECT - TIME LIMITATIONS

MUP approval shall expire and any residential density bonus units shall be null and void and returned to the bonus density pool if any of the following occur:

1. MUP approval shall expire if SDP not submitted within six (6) months of MUP approval by the BZA.

2. The SDP is not deemed sufficient for review within 30 days of submittal.

3. The SDP under review is deemed withdrawn, cancelled, or considered no longer valid, pursuant to section 10.02.03 H

BONUS DENSITY POOL ALLOCATION

To qualify for up to 12 dwelling units per acre, projects shall comply with the following criteria. (The density of up to 12 dwelling units per acre is only applicable until the bonus density pool has been depleted).

- The project, if located in the Bayshore Zoning Overlay District (BZO), shall be within either the Neighborhood Commercial (NC) or Waterfront (W) Subdistricts and shall be a mix of commercial and residential uses.
- The project, if located in the Gateway Triangle Zoning Overlay Mixed Use District (GTZO-MXD), shall be a mix of commercial and residential uses.
- Base density shall be as per the underlying zoning district.
- For proposed projects outside the Coastal High Hazard Area (CHHA) are in addition to the eligible density bonus.
- For proposed projects within the CHHA, only the Affordable Housing Density Bonus is allowed in addition to the eligible bonus density units.
- For projects located in the Gateway Triangle Zoning Overlay Mixed Use District (GTZO-MXD) the properties must be lying south of Davis Boulevard and west of Airport-Pulling Road.
- The project shall comply with the standards for mixed use development set forth in the Gateway Triangle Zoning Overlay Mixed Use Overlay District (GTZO-MXD) or the Bayshore Zoning Overlay District (BZO).
- For projects that do not comply with the requirements for this density increase, their density is limited to that allowed by the Density Rating System and application FLUE Policies.

Land Development Code Section 2.03.07 I & N and 10.02.15, and Chapter 3.E of the Administrative Code: Once a property owner, through an MUP approval, elects to develop or redevelop a mixed use project under the Bayshore Zoning Overlay Neighborhood Commercial (BZO-NC) or Waterfront (BMUD-W) Subdistricts; or the Gateway Triangle Zoning Overlay Mixed Use Subdistrict (GTZO-MXD), then the property shall be developed in compliance with all provisions of the overlay and cannot revert back to the underlying zoning district.

Pre-App Notes MUP-PL20220006931 – 3010 Tamiami Trail East

The ±0.6-acre parcel has base zoning of C-3, GTZO-MXD overlay and is in an Activity Center. Previous use was a Pizza Hut and associated parking lot. The building is being remodeled into office space. Applicant also wants to construct 8 live-work units with the working part downstairs and living part on the second floor.

Density must be taken from the Bayshore Density Bonus Pool. Based on parcel's location, the allowable residential density is 12 DU/ac which equates to 7.2 units. Fractional acreage may be rounded up when it reaches 0.5. To get to 8 DU/ac would require either a GMPA or an Affordable Housing Density Bonus.

The CRA would like the applicant to present the plan at a CRA meeting.

Tom,
Comprehensive Planning comments below:

- The subject property is in the Bayshore/Gateway Triangle Redevelopment Overlay, Mixed-Use Development (GTZO-MXD), on the Future Land Use Map.
- Mixed Use Development allows a mix of residential and commercial uses.
- Mixed Use Development is encouraged to be pedestrian oriented.
- A density bonus pool is available for mixed use projects which are eligible for a maximum density bonus of 12 dwelling units per acre.
- The 8 dwelling units proposed for the live/work units are consistent with the allowable maximum based upon the property size.
- The use of the density bonus pool requires compliance with the Bayshore Overlay Zoning District standards listed in subsection 15 of Ordinance 2022-06, attached. The website has not yet been updated with the changes in this ordinance.

AN ORDINANCE AMENDING ORDINANCE 89-05, AS AMENDED, THE COLLIER COUNTY GROWTH MANAGEMENT PLAN OF THE UNINCORPORATED AREA OF COLLIER COUNTY, FLORIDA, RELATING TO THE DENSITY BONUS POOL WITHIN THE BAYSHORE/GATEWAY TRIANGLE REDEVELOPMENT OVERLAY AND SPECIFICALLY AMENDING THE BAYSHORE/GATEWAY TRIANGLE REDEVELOPMENT OVERLAY OF THE FUTURE LAND USE ELEMENT, TO CHANGE REQUIREMENTS FOR THE USE OF THE DENSITY BONUS POOL; DIRECTING TRANSMITTAL OF THE ADOPTED AMENDMENT TO THE FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE. [PL20210000603]

WHEREAS, Collier County, pursuant to Section 163.3161, et. seq., Florida Statutes, the Community Planning Act, formerly the Florida Local Government Comprehensive Planning and Land Development Regulation Act, was required to prepare and adopt a comprehensive plan; and

WHEREAS, the Collier County Board of County Commissioners adopted the Collier County Growth Management Plan on January 10, 1989; and

WHEREAS, the Community Planning Act of 2011 provides authority for local governments to amend their respective comprehensive plans and outlines certain procedures to amend adopted comprehensive plans; and

WHEREAS, staff has prepared an amendment to the Bayshore/Gateway Triangle Development Overlay of the Future Land Use Element of the Growth Management Plan; and

WHEREAS, Collier County transmitted the Growth Management Plan amendment to the Department of Economic Opportunity for preliminary review on July 21, 2021, after public hearings before the Collier County Planning Commission and the Board of County Commissioners; and

WHEREAS, the Department of Economic Opportunity reviewed the amendment to the Growth Management Plan and transmitted its comments in writing to Collier County within the time provided by law; and

WHEREAS, Collier County has 180 days from receipt of the Comments Report from the Department of Economic Opportunity to adopt, adopt with changes or not adopt the proposed amendment to the Growth Management Plan; and

WHEREAS, Collier County has gathered and considered additional information, data and analysis supporting adoption of this amendment, including the following: the Collier County Staff Report, the documents entitled Collier County Growth Management Plan Amendment and other documents, testimony and information presented and made a part of the record at the public hearings of the Collier County Planning Commission held on November 18, 2021, and the Collier County Board of County Commissioners held on February 22, 2022; and

WHEREAS, all applicable substantive and procedural requirements of the law have been met.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA that:

SECTION ONE: ADOPTION OF AMENDMENT TO THE BAYSHORE/GATEWAY TRIANGLE DEVELOPMENT OVERLAY OF THE FUTURE LAND USE ELEMENT OF THE GROWTH MANAGEMENT PLAN

The amendment to the Bayshore/Gateway Triangle Development Overlay of the Future Land Use Element, attached hereto as Exhibit "A" and incorporated herein by reference, is hereby adopted in accordance with Section 163.3184, Florida Statutes, and shall be transmitted to the Florida Department of Economic Opportunity.

SECTION TWO: SEVERABILITY.

If any phrase or portion of this Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

SECTION THREE: EFFECTIVE DATE.

The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the state land planning agency notifies the local government that the plan amendment package is complete. If timely challenged, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance. No development orders, development permits, or land uses dependent on this amendment may be issued or commenced before it has become effective.

F. Bayshore/Gateway Triangle Redevelopment Overlay

The Bayshore/Gateway Triangle Redevelopment (BGTR) Overlay, depicted on the Future Land Use Map, is within the boundaries of the Bayshore/Gateway Triangle Community Redevelopment Plan adopted by the Board of County Commissioners on June 13, 2000, as updated by Board Resolution 2019-75. The intent of the redevelopment program is to encourage the revitalization of the Bayshore/ Gateway Triangle Community Redevelopment Area (BGTCRA) by providing incentives that will encourage the private sector to invest in this urban area. This Overlay allows for additional neighborhood commercial uses and increased intensity and higher residential densities that will promote the assembly of property, or joint ventures between property owners, while providing interconnections between properties and neighborhoods. The intent of this BGTR Overlay is to allow for more intense development in an urban area where urban services are available. Two zoning overlays have been adopted into the Collier County Land Development Code to aid in the implementation of this Overlay. Within the BGTR Overlay a density bonus pool has been established to incentivize investment within the BGTCRA. The density bonus pool units available to a project are to incentivize redevelopment and to promote investment in the public realm. After the [effective date of Ordinance], all projects utilizing the density pool are subject to the access and public realm requirements. The following provisions and restrictions apply to this Overlay:

1. Mixed-Use Development: A mix of residential and commercial uses is permitted. For such development, commercial uses are limited to C-1 through C-3 zoning district uses, except as otherwise provided for in the Mini Triangle Subdistrict; hotel/motel use; theatrical producers (except motion picture), bands, orchestras, and entertainers; and, uses as may be allowed by applicable FLUE Policies. Mixed-use projects will be pedestrian oriented and are encouraged to provide access (vehicular, pedestrian, bicycle) to nearby residential areas. The intent is to encourage pedestrian use of the commercial area and to provide opportunity for nearby residents to access these commercial uses without traveling onto major roadways. Parking facilities are encouraged to be located in the rear of the buildings or in parking structures that may be below, at, or above grade, with the buildings oriented closer to the major roadway to promote traditional urban development.
2. Residential uses are allowed within this Overlay. Permitted density shall be as determined through application of the Density Rating System, and applicable FLUE Policies, except as provided below, or as may be limited by a zoning overlay, or as

otherwise provided within the Mini Triangle Subdistrict.

3. Non-residential/non-commercial uses allowed within this Overlay include essential services; parks, recreation and open space uses; water-dependent and water-related uses; child care centers; community facility uses; safety service facilities; and utility and communication facilities.

4. Density Bonus Pool for mixed use development. Properties with access to US 41 East and/or Bayshore Drive and/or Davis Boulevard (SR 84) and/or the west side of Airport-Pulling Road may be allowed a maximum density of twelve (12) residential units per acre via use of the density bonus pool ~~identified~~ described further in paragraph ~~11~~12 below, except that no project may utilize more than ~~97 units –~~ 25% of the total density pool units available, or 10 units, whichever is greater. ~~The 97 unit cap will terminate when the BCC adopts, by LDC amendment, limitations and a cap on the use of the 388 density pool units for any one project.~~ In order to be eligible for this higher density, the project must be integrated into a mixed-use development with access to existing neighborhoods and adjoining commercial properties and comply with the standards identified in paragraph no. ~~8~~9 and no. 15, below, except for mixed use ~~projects developed~~ developments within the "mini triangle" catalyst project site as identified on the Bayshore/Gateway Triangle Redevelopment Overlay Map. The "mini triangle" catalyst project site is eligible for the maximum density of 12 units per acre, with development standards as contained in the Gateway Triangle ~~Mixed Use~~ Overlay Zoning District ~~zoning overlay~~, adopted February 28,2006 (Ordinance No. 06-08), and amended December 14, 2006 (Ordinance No. 06-63), and subsequently amended. For projects that do not comply with the ~~requirements for this density increase~~ the criteria established herein for density bonus pool eligibility, ~~their~~ density is limited to that allowed by the Density Rating System and applicable FLUE Policies, except as may be limited by ~~a future~~ the applicable zoning overlay. Properties located within the Mini Triangle Subdistrict are exempt from this paragraph.

5. Density bonus pool for residential-only projects on Bayshore Drive. Properties having frontage on ~~one or more of~~ Bayshore Drive~~, Davis Boulevard, Airport-Pulling Road (west side only) or US 41 East,~~ may be allowed to ~~re~~develop as a residential-only project at a maximum density of eight (8) residential units per acre via use of the density bonus ~~pool identified in paragraph 11~~ pool identified in paragraph 12, except that no project may utilize more than ~~97 units –~~ 25% of the ~~388~~ total density bonus pool units available or 10 units, whichever is greater. ~~The 97 unit cap will terminate when the BCC adopts, by LDC amendment, limitations and a cap on the use of the 388 density pool units for any one project.~~

   In order to be eligible for ~~this higher density the redevelopment~~ the density bonus pool units, the residential-only project along Bayshore Drive must comply with the following:

   a. Project shall be in the form of a PUD.

   b. Project site shall be a minimum of three acres.

   c. ~~Project shall constitute redevelopment of the site.~~

   ~~d.~~c. All residential units shall be market rate units.

   d. Project must comply with eligibility criteria in paragraph no.15 below.

   For projects that do not comply with the ~~requirements for this density increase~~ criteria established herein for density bonus pool eligibility, ~~their~~ density is limited to that allowed by the Density Rating System and applicable FLUE Policies and that of the

applicable zoning overlay. Properties located within the Mini Triangle Subdistrict are exempt from this paragraph.

6. Density Bonus Pool for Multi-Family or Mixed Use developments up to 2 contiguous acres in size. Up to 2 additional dwelling units per acre, are allowed to be allocated to multi-family or mixed use developments through a limited density bonus pool allocation from the density bonus pool identified in paragraph 12, subject to eligibility criteria listed in a-e below.

   a. The development shall be within a zoning district or overlay zoning district that permits multi-family development or mixed use development.

   b. The property is limited to a maximum of 2 acres. An allocation request shall not be granted for property that is subdivided after the [effective date of Ordinance],

   c. The maximum number of additional units is limited to four (4) additional units, and shall not exceed a density increase of 2 additional dwelling units per acre.

   d. The development must satisfy the development standards of the Bayshore Mixed Use Overlay Zoning District or the Gateway Triangle Mixed Use Overlay Zoning District and applicable standards of the Limited Density Bonus Pool Allocation in the Land Development Code.

   e. Development must comply with eligibility criteria in paragraph no.15 below.

~~6~~7. For parcels currently within the boundaries of Mixed Use Activity Center #16, land uses will continue to be governed by the Mixed Use Activity Center Subdistrict, except residential density may also be increased through the density bonus pool as provided for in paragraphs 4 ~~and 5~~ through 6, above. The development standards of the Bayshore ~~Drive Mixed Use~~ Overlay Zoning District or Gateway Triangle ~~Mixed Use~~ Overlay Zoning District in the Collier County Land Development Code, whichever is applicable, shall apply to all new development within the Activity Center.

~~7~~8. ~~Existing~~ Underlying zoning districts for some properties within the ~~Bayshore/Gateway Triangle Redevelopment~~ BGTR Overlay allow uses, densities and development standards that are inconsistent with the uses, densities and development standards allowed within this Overlay. These properties are allowed to develop and redevelop in accordance with the uses within their ~~existing~~ underlying zoning ~~until such time as a zoning overlay is adopted which may limit such uses, densities and development standards.~~ except for prohibited uses established within section 4.02.16 of the LDC. For such prohibited uses existing as of [effective date of Ordinance], the use may continue to operate as identified within LDC section 9.03.00-Nonconformities.

~~8~~9. To qualify for twelve (12) dwelling units per acre, as provided for in paragraph no. 4 above (Density Bonus Pool for mixed use developments), or as otherwise permitted within the Mini Triangle Subdistrict, mixed use projects within the ~~Bayshore/Gateway Triangle Redevelopment~~ BGTR Overlay must comply with the design standards of the Bayshore ~~Drive Mixed Use~~ Overlay Zoning District or Gateway Triangle ~~Mixed Use~~ Overlay Zoning District in the Collier County Land Development Code, whichever is applicable, or in the case of the Mini Triangle Subdistrict, mixed use projects may utilize the design standards set forth in the Mini Triangle Subdistrict and its implementing MPUD zoning.

~~9~~10. For density bonuses provided for in paragraphs nos. 4 ~~and 5~~ through 6 above, base density shall be per the underlying zoning district. ~~The maximum density of twelve (12)~~

Text underlined is added; text ~~strike through~~ is deleted.
Rows of Asterisks (** *** **) denotes break in text.

~~or eight (8) units per acre shall be calculated based upon total project acreage.~~ The total project acreage may be counted for density purposes. The bonus density allocation is calculated by deducting the base density of the underlying zoning classification from the maximum density being sought. The difference in units per acre determines the bonus density allocation requested for the project.

~~10~~11. Only the affordable-workforce housing density bonus, as provided in the Density Rating System, and the density provided for within the Mini Triangle Subdistrict are allowed in addition to the eligible density provided herein. For all properties, the maximum density allowed is that specified under Density Conditions in the Density Rating System, except as provided for within the Mini Triangle Subdistrict.

12. Density Bonus Pool. ~~A maximum of~~ 388 dwelling units ~~are permitted~~ were originally allocated to ~~be utilized in~~ this BGTR Overlay for density bonuses, as provided in paragraphs nos. 4 through 6 ~~and 5~~ above and paragraph no.14 below. ~~This~~ The 388 dwelling unit density bonus pool ~~corresponds~~corresponded with the number of dwelling units previously entitled to the Botanical Gardens sites prior to their rezone in 2003 to establish the Naples Botanical Gardens PUD. Projects within the "mini triangle" are not required to utilize this density bonus pool.

The Density Bonus Pool will be updated and tracked by the County Manager or designee. The Density Bonus Pool can be increased by Resolution of the Board of County Commissioners through allocation of residential units that are not developed. The residential units not developed will be permanently dedicated to the Density Bonus Pool via a legally recorded instrument that restricts the property from developing the dedicated units in the following circumstances:

a. A property with a residential density entitlement transitions to a governmental, civic or institutional use, similar to the transition of the Botanical Gardens site to the Naples Botanical Gardens PUD, or
b. A property with a residential density entitlement transitions to a commercial use, or
c. A residential development is developed with fewer units than otherwise would be allowed per the eligible density of the underlying zoning district.

~~12~~ 13. The Botanical Garden, Inc. properties located in Section 23, Township 50 South, Range 25 East, and shown on the Bayshore/Gateway Triangle Redevelopment Overlay Map, shall be limited to non-residential uses except for caretaker, dormitory, and other housing integrally related to the Botanical Garden or other institutional and/or recreational open space uses.

~~13~~14. The 9.93± acre Camden Landing Residential Planned Unit Development (RPUD) property located on the northeast corner of Bayshore Drive and Thomasson Road in Section 14, Township 50 South, Range 25 East, and shown on the Bayshore/Gateway Triangle Redevelopment Overlay Map, shall be allowed up to 127 market rate multifamily dwelling units, limited to townhouse and condominiums. No rental apartments shall be permitted. The maximum density allowed shall be 12.8 dwelling units per acre for a maximum of 127 dwelling units (achieved through the utilization of 97 dwelling units from the existing density bonus pool established within the Bayshore/Gateway Triangle Redevelopment Overlay and 30 base dwelling units for which the site qualifies). A maximum of ninety-seven (97) density bonus pool units, as provided by the Bayshore/Gateway Triangle Redevelopment Overlay (B/GTRO) in the Future Land Use

Element of the GMP, are available for this RPUD for a period of seven (7) years from the date of approval of this PUDA. If, after seven (7) years, any of the bonus units have not been utilized, the bonus units shall expire and not be available unless authorized by the Board of Zoning Appeals.

15. For eligibility to utilize the density bonus pool, the project's vehicular access shall not be gated, and the project shall provide public realm improvements. Public realm improvements are outlined within Objective 1, 2 and 3 of Element 5.3.2 and Objective 3 of Element 5.3.5 of the Bayshore Gateway Triangle Community Redevelopment Plan (adopted by Board Resolution 2019-75); the adopted Bayshore Gateway Triangle Community Redevelopment Area Public Arts Plan; and County approved Stormwater Master Plans or County approved Capital Plans for projects within the BGTCRA. The qualifying public realm improvements are specified in section 4.02.16.C.11 of the Land Development Code.

16. Expiration. If units are allocated from the density bonus pool and then not developed, these unused units shall revert back to the density pool in compliance with 4.02.16 of the Land Development Code.

Thomas,

Please check the TIS required box on the pre-app checklist as well as methodology on the next page with a note that methodology will be by email to staff.

Please also add the following notes:

Transportation Planning: A new TIS is required for the proposed MUP. Methodology meeting by email is required and provide a note on the TIS cover sheet that the fee will be collected at the time of MUP submittal. Please use the most current (2022) AUIR data. Address all transportation elements of the GMP. Provide trip limit based on TIS using standard language: *"The maximum total daily trip generation for the PUD shall not exceed ____ two-way PM peak hour net trips based on the use codes in the ITE Manual on trip generation rates in effect at the time of application for SDP/SDPA or subdivision plat approval."*

REQUIRED PLAN SETS

~~Seven (7) sets~~ Electronic of conceptual site plans prepared on a maximum size sheet measuring ~~24 X 36~~ 8½ x 11 inches, drawn to scale, containing the following information.

1. The project title, property owner, address and telephone number.
2. Legal description, scale, and north arrow.
3. Zoning designation of the subject site and adjacent sites and the proposed use of the subject site.
4. Location, configuration and dimensions, including height, of all buildings; and the location, figuration and dimensions of landscape buffers.
5. General location and configuration of parking and loading areas, and the directional movement of internal vehicle traffic.
6. Location of proposed access point(s) to the site and internal site circulation.
7. All required and provided setbacks and separations between structures in matrix form.
8. Any additional relevant information as may be required by the County Manager or his designee.
9. Proposed density and unit types including any requests for density bonuses; proposed square footage of commercial uses, in matrix form.
10. The following statement: "This project will comply with all LDC requirements at time of submittal".

One (1) 8 ½ X 11 copy of conceptual site plans.

PUBLIC HEARING REQUIREMENTS

There shall be a public hearing before the Board of County Commissioners legally noticed and advertised pursuant to LDC section 10.03.05 G. If approved by the BCC, such approval shall be by resolution.

- The Board of County Commissioners shall hold one advertised public hearing.
- The public hearing shall be held at least 15 days after the day that an advertisement is published in the newspaper.
- At least one Neighborhood Informational Meeting (NIM) shall be conducted by the applicant before the public hearing by the Board of County Commissioners.
- Written notice of the NIM meeting shall be sent by the applicant to all property owners who are required to receive legal notification from the County pursuant to section 10.03.05 B.8 and 9.
- The applicant shall display an advertisement, one-fourth page, in type no smaller than 12 point; which shall not be placed in the portion of the newspaper where legal notices and classified advertisements appear. The ad shall be published no later than 7 days prior to the date of the neighborhood information meeting.
- The applicant shall post an outdoor sign on the subject property at least ten (10) days prior to the date of the public hearing before the BCC pursuant to section 10.03.05 B.3.d..

CRITERIA FOR MIXED USE PROJECT APPROVAL

The following criteria must be met in order to gain approval for mixed use projects developed in accordance with provisions of mixed use overlay.

1. No less than 60 percent of all commercial uses within a mixed use project shall provide retail, office and personal service uses to serve the needs of the subject project and surrounding residential neighborhoods.

2. No more than 25 percent of the residential units within a mixed use project shall be on gated roadways. Residential uses shall be constructed concurrent with, or prior to the construction of commercial uses so as to insure actual development of a mixed use project.

3. Mixed use projects shall connect to local streets, adjoining neighborhoods and adjacent developments, regardless of land use types. A grid pattern is usually the basis for the transportation network. Whatever the pattern of the vehicular network, internal interconnections between uses shall be provided for pedestrian, bicycle and other modes of alternate transportation.

4. The commercial component of a mixed use project may be located internal to the project or along the boundary; if externally located, internal access roads and service access shall be provided so as not to promote strip commercial development along external collector and arterial roadways.

5. Parking lots shall be dispersed throughout the project. No one parking lot shall provide more than 40 percent of the required off-street parking. Parking garages shall have no restrictions on percentage of required parking that may be accommodated; however, commercial uses only shall be permitted on the ground floor. This requirement shall not apply to individual parcels less than 5 acres in size.

6. At least 30 percent of the gross area of mixed use projects shall be devoted to useable open space, as defined in LDC section 4.02.01 B. This requirement shall not apply to individual parcels less than 5 acres in size.

MIXED USE PROJECT - TIME LIMITATIONS

MUP approval shall expire and any residential density bonus units shall be null and void and returned to the bonus density pool if any of the following occur:

1. MUP approval shall expire if SDP not submitted within six (6) months of MUP approval by the BCC.

2. The SDP is not deemed sufficient for review within 30 days of submittal.

3. The SDP under review is deemed withdrawn or cancelled pursuant to section 10.02.03 B.4.a.

4. The SDP is considered no longer valid, pursuant to section 10.02.03 B.4.b. and c.

LDC section 2.03.07.N.3.d and 2.03.07 I.3.d.

BONUS DENSITY POOL ALLOCATION

To qualify for up to 12 dwelling units per acre, projects shall comply with the following criteria. (The density of up to 12 dwelling units per acre is only applicable until the bonus density pool has been depleted).

- The project, if located in the Bayshore Mixed Use District, shall be within either the Neighborhood Commercial or Waterfront Sub districts and shall be a mix of commercial and residential uses.
- The project, if located in the Gateway Triangle Mixed Use District, shall be a mix of commercial and residential uses.
- Base density shall be as per the underlying zoning district.
- For proposed projects outside the Coastal High Hazard Area (CHHA) are in addition to the eligible density bonus.
- For proposed projects within the CHHA, only the Affordable Housing Density Bonus is allowed in addition to the eligible bonus density units.
- For projects located in the Gateway Triangle Mixed Use District the properties must be lying south of Davis Blvd. and west of Airport-Pulling Road.
- The project shall comply with the standards for mixed use development set forth in the Gateway Triangle Mixed Use Overlay District or the Bayshore Mixed Use District.
- For projects that do not comply with the requirements for this density increase, their density is limited to that allowed by the Density Rating System and application FLUE Policies.

LDC Section 2.03.07 N.3.e and 2.03.07 I.3.e

Once a property owner, through an MUP approval, elects to develop or redevelop a mixed use project under the Bayshore Neighborhood Commercial (BMUD-NC)or Waterfront (BMUD-W) Subdistricts; or the Gateway Triangle Mixed Use Subdistrict (GTMUD-MXD), then the property shall be developed in compliance with all provisions of the overlay and cannot revert back to the underlying zoning district.

Types of Reviews:

School Impact Analysis:

This review should be divided into two categories:

- School Capacity Review (land use and rezonings), and;
- Concurrency Determinations (site plans and subdivisions).

School Capacity Review is the review of a project in the land use and rezoning stage of development. It is a review of the impact of the development on school capacity and is considered long range planning. This may be a review resulting in mitigation being required. In situations where the applicant may be required to mitigate, capacity may be reserved dependent on the type of mitigation.

Concurrency Determination is the review of residential site plans and subdivisions to determine whether there is available capacity. When capacity is determined to be available a School Capacity Determination Letter (SCADL) will be issued verifying available capacity to the applicant and the local government. If a project exceeds the adopted level of service standards, the applicant is afforded the option of a negotiation period that may or may not result in an executed/recorded mitigation agreement Mitigation at this stage is expressed as a Proportionate Share Mitigation Agreement. For those residential developments that may have an impact but are otherwise exempt from concurrency, an exemption letter will be prepared for the applicant upon request. For those residential developments that are determined to not have an impact, a letter of no impact will be prepared for the applicant upon request.

Exemption Letter:

An applicant may request an Exemption Letter as documentation for the local government. These are projects that would be exempt from school concurrency review or projects that do not impact the public schools. Exemptions from school concurrency are limited to existing single family or mobile home lots of record; amendments to previously approved site plans or plats that do not increase the number of dwelling units or change the dwelling unit type; age restricted communities with no permanent residents under the age of 18; or residential site plans or plats or amendments to site plans or plats that generate less than one student; or are authorized as a Development of Regional Impact (Chapter 380, F.S.) as of July 1, 2005.

Concurrency Determination Amendment:

An applicant may request an amendment to a previously issued School Concurrency Determination or to an application being processed. This review may require additional staff time beyond the initial concurrency determination review and results in a modified determination being issued. An amendment could result in a negotiation period and/or a mitigation agreement being issued or a previously approved determination being modified and reissued.

Narrative and Evaluation Criteria for Mixed Use Project
3010 Tamiami Trail
PL20220006931 – 4th Review

This Mixed Use Project Application aims to allow for the development of 8 residential units and 1,345 additional square feet of commercial space on 0.64 acres of land located at 3010 Tamiami Trail E. There is an existing office development on the site that will be retained, as permitted in PRCS2022084192101 and updated through SDPi PL20220006451 which is 2,515 square feet in size. The below section details the criteria for Mixed Use Project Approval and how this development will comply with these criteria:

- No less than 60 percent of all commercial uses within a mixed use project shall provide retail, office and personal service uses to serve the needs of the subject project and surrounding residential neighborhoods.

  Response: The only proposed commercial uses within this project include office and personal service uses to serve the needs of the surrounding neighborhoods.

- No more than 25 percent of the residential units within a mixed use project shall be on gated roadways. Residential uses shall be constructed concurrent with, or prior, to the construction of commercial uses so as to insure actual development of a mixed use project.

  Response: No gated roadways are proposed, and the residential use shall be constructed concurrently with the office portions of the live-work units. There is an existing commercial development on the site.

- Mixed use projects shall connect to local streets, adjoining neighborhoods, and adjacent developments, regardless of land use types. A grid pattern is usually the basis for the transportation network. Whatever the pattern of the vehicular network, internal interconnections between uses shall be provided for pedestrian, bicycle, and other modes of alternate transportation.

  Response: Access will be provided to this site through a driveway onto Tamiami Trail. A through-road is not practical on this parcel as the adjacent street is a private roadway.

- The commercial component of a mixed use project may be located internal to the project or along the boundary. If externally located, internal access roads and service access shall be provided so as not to promote strip commercial development along external collector and arterial roadways.

Response: The commercial components of this project will be along the same roadway as the residential, and in the case of the residential units, be within the same structure. No strip commercial development is proposed.

- Parking lots shall be dispersed throughout the project. No one parking lot shall provide more than 40 percent of the required off-street parking. Parking garages shall have no restrictions on percentage of required parking that may be accommodated; however, commercial uses only shall be permitted on the ground floor. This requirement shall not apply to individual parcels less than five (5) acres in size.

  Response: The parcel is less than 5 acres in size, so this requirement does not apply.

- At least 30 percent of the gross area of mixed use projects shall be devoted to usable open space, as defined in LDC section 4.02.01 B. This requirement shall not apply to individual parcels less than five (5) acres in size.

  Response: The parcel is less than 5 acres in size, so this requirement does not apply.

The current zoning of the subject parcel is C-3 GTZO-MXD & MH-BZO-R1. The MH-BZO-R1 zoning covers 0.11 acres of the subject site, which permits 7.26 units an acre, reduced by one unit per acre due to coastal high hazard, allowing for 1 unit total, and this development would like to implement 7 additional units from the Bonus Density Pool Allocation within the Mixed Use Project application to achieve a density of 12 units an acre for 8 total units. The below will detail the qualifications for this density per the application:

To qualify for up to 12 dwelling units per acre, projects shall comply with the following criteria. (The density of up to 12 dwelling units per acre is only applicable until the bonus density pool has been depleted).

- The project, if located in the Bayshore Zoning Overlay District (BZO), shall be within either the Neighborhood Commercial (NC) or Waterfront (W) Subdistricts and shall be a mix of commercial and residential uses.

  Response: This proposed structure is not located in BZO zoning.

- The project, if located in the Gateway Triangle Zoning Overlay Mixed Use District (GTZO-MXD), shall be a mix of commercial and residential uses.

  Response: The proposed project includes a pre-existing commercial structure housing a C-3 business, and will add a mixed use structure with a commercial first floor and 8 dwellings on the upper floors.

- Base density shall be as per the underlying zoning district.

  Response: The base density is 0 within the commercial C-3 zoning and 7.26 units/acre within the approximate 0.11 acres within the MH-BZO-R1 zoning, reduced by 1 unit per acre due to coastal high hazard area, which permits 1 units to be developed on this property. 7 units are requested from the Bonus Density Pool Allocation, increasing the density to 12 units per acre for a total allowance of 8 units on the property.

- For proposed projects outside the Coastal High Hazard Area (CHHA) are in addition to the eligible density bonus.

  Response: Project is within the CHHA.

- For proposed projects within the CHHA, only the Affordable Housing Density Bonus is allowed in addition to the eligible bonus density units.

  Response: No additional bonus density units are requested beyond the Bonus Density Pool Allocation as allowed per the MUP application.

- For projects located in the Gateway Triangle Zoning Overlay Mixed Use District (GTZO-MXD) the properties must be lying south of Davis Boulevard and west of Airport-Pulling Road.

  Response: The project is South of Davis Boulevard and West of Airport-Pulling Road.

- The project shall comply with the standards for mixed use development set forth in the Gateway Triangle Zoning Overlay Mixed Use Overlay District (GTZO-MXD) or the Bayshore Zoning Overlay District (BZO).

  Response: The project shall comply with the standards for mixed use development set forth in the Gateway Triangle Zoning Overlay Mixed Use Overlay District (GTZO-MXD).

- For projects that do not comply with the requirements for this density increase, their density is limited to that allowed by the Density Rating System and application FLUE Policies.

  Response: The project complies with the requirements for the density increase permitted through the Bonus Density Pool Allocation as per the MUP application.

Introduction and Methodology

This traffic impact statement is prepared to meet the MUP application requirements for the proposed 3010 Tamiami Trl E Development. The subject property proposes the addition of a mixed-use building to an existing developed ±.64-acre property on 3010 Tamiami Trl E., Naples, Florida. The site is zoned C-3-GTZO-MXD and MH-BZO-R1. Refer to Figure 1 below for the project location and Appendix A for a proposed site plan.

The 3010 Tamiami Trl E Development will conduct a "Small Scale Study" TIS as it adheres to all the criteria in the Collier County Guidelines for such. The analysis is based on the available Land Use categories provided in the 11th Edition of the ITE Trip Generation Manual and provides the highest and best use scenario with respect to the project's proposed trip generation. Background traffic is extracted from the 2023 Collier County's historical Annual Update and Inventory Reports (AUIR).

Figure 1: Project Location

Proposed Improvements

The 3010 Tamiami Trl E Development proposes one mixed-used multi-story building comprised of 8 residential units and 1,345 sf of ground floor commercial space. Additionally, the project proposes to update the existing parking lot, the existing stormwater management system, and utilities. The existing ±2,515 sf real estate building will remain in place. Table 1 details the land use code and units for the proposed development.

Table 1: Existing/ New Trip Generation for Proposed Conditions

Development		ITE Land Use	ITE Land Use Code	Size
Proposed	Residential	LUC 221 - Multifamily (Mid-Rise)	221	8 Units
Proposed	Commercial	LUC 712- Small Office	712	1,345 SF
Existing	Commercial	LUC 712- Small Office	712	2,515 SF

Site Access and Build-out Year

No new site access driveways are proposed for the development. The site shall be accessed by the existing connection onto Tamiami Trl E. Minor modifications may be implemented to the existing driveway connection. The projected operational year is 2025.

Trip Generation

Trip generation rates are per the Institute of Transportation Engineers publication, *Trip Generation Manual,* 11th Edition. The Land Use Category and associated criteria used to analyze the existing and new project trips were determined previously in Table 1 above. Data is based on the highest peak hour trip generation of the adjacent street traffic. Tables 2-4 illustrate the existing, proposed, and total trips generated by the subject property.

Table 2: Existing Site Trip Generation

ITE Land Use	Time Period	Equation	Calculated Traffic	Entering	Exiting
Small Office Building (712) 2,515 SF	Weekday	Average Rate = 14.39 per 1000 sf	36	18 (50%)	18 (50%)
	A.M. Peak Hour (Adjacent)	Average Rate = 1.67 per 1000 sf	4	3 (82%)	1 (18%)
	P.M. Peak Hour (Adjacent)	Average Rate = 2.16 per 1000 sf	6	2 (34%)	4 (66%)

* Calculated and distributed trips rounded to the nearest whole number.

Table 3: Proposed Site Trip Generation

ITE Land Use	Time Period	Equation	Calculated Traffic	Entering	Exiting
Multifamily Housing (Mid-Rise) (221) 8 Dwelling Units	Weekday	Average Rate = 4.54 per Dwelling Unit	36	18 (50%)	18 (50%)
	A.M. Peak Hour (Adjacent)	Average Rate = .37 per Dwelling Unit	3	1 (23%)	2 (77%)
	P.M. Peak Hour (Adjacent)	Average Rate = .39 per Dwelling Unit	3	2 (61%)	1 (39%)
Small Office Building (712) 1,345 SF	Weekday	Average Rate = 14.39 per 1000 sf	19	10 (50%)	9 (50%)
	A.M. Peak Hour (Adjacent)	Average Rate = 1.67 per 1000 sf	2	2 (82%)	0 (18%)
	P.M. Peak Hour (Adjacent)	Average Rate = 2.16 per 1000 sf	3	1 (34%)	2 (66%)

* Calculated and distributed trips rounded to the nearest whole number.

Table 4: Total Site Trip Generation

	Time Period	Calculated Traffic	Entering	Exiting
Total	Weekday	91	46	45
	A.M. Peak Hour (Adjacent)	9	6	3
	P.M. Peak Hour (Adjacent)	12	5	7

* Calculated and distributed trips rounded to the nearest whole number; any total differences are due to rounding.
**Total entering/exiting trip distribution follows the trip distribution of the highest trip generator.

Trip Distribution and Assignment

The traffic generated by the proposed development is assigned to the nearest local roadway and concurrency links using basic knowledge of the surrounding area and the 2023 Collier County AUIR data. Per Coillier County TIS guidelines, significantly impacted roadways are identified based on the proposed projects highest PM peak hour trip generation of the adjacent street traffic. Per 2023 Collier County AUIR, the peak direction along Tamiami Trail East (Link 91.0) is eastbound. The trips accounted for are representative of the total trips for the proposed and existing development. The site generated trip distribution is shown in Table 5 and is graphically depicted in Appendix B.

Table 5: Project Traffic Distribution for Weekday Peak Hour, Peak Direction

		Total Trips	East Toward Airport Road		West Toward Davis Blvd	
		VPH	VPH*	% Split	VPH*	% Split
AM Peak Hour	Enter	6	4	60	2	40
	Exit	3	2	60	1	40
PM Peak Hour	Enter	5	3	60	2	40
	Exit	7	4	60	3	40

* Trips distributed are rounded up to nearest whole number.

Background Traffic

The background traffic is conservatively evaluated, the historical growth rate shows the following over the last five years:

Per the Growth Rate Calculations provided by Collier County in the AUIR a minimum average growth rate of 2.00% is used to determine the projects expected traffic two years after the 2025 build-out; refer to Table 4.

Table 3: Background Traffic without Project (2027)

Roadway Link	Roadway Link Direction	2023 AUIR Peak Hr, Peak Dir Volume	Projected Traffic 2.0% Growth Rate			2027 Projected Peak Hr, Peak Dir Background Total Volume w/out Project

Tamiami Trail East (ID# 91.0)	Davis Blvd. to Airport Road	1,700	1,734	1,769	1,804	1,840

Existing and Future Roadway Network

The existing roadway conditions are also extracted from the 2023 AUIR. The 2027 roadway conditions are based on the current Collier County *Growth Management Division Five Year Work Program*. Based on the roadway's current level of service (LOS) and remaining capacity, the LOS is anticipated to remain the same through 2027. The existing and future roadway conditions are illustrated in Table 5.

Table 4: Existing and Future Roadway Conditions

Roadway Link	Roadway Link Location	Exist. Roadway	Existing LOS	Exist. Peak Dir, Peak Hr Service Volume	Min. LOS Standard	Future 2027 Roadway
Tamiami Trail East (ID# 91.0)	Davis Blvd. to Airport Rd.	6D	C	2,900	E	6D

Project Impacts to Area Roadway Network – Roadway Link Analysis

Collier County's Transportation Planning Services department developed Level of Service (LOS) volumes for all major roadway links; these were evaluated to determine the project's impact on the roadway network two years after build-out, 2027. Table 6 illustrates the LOS impacts of the project on the roadway network closest to.

Table 5: Roadway Link LOS -- With and Without the Project in the Year 2027

Roadway Link	CC AUIR Link ID #	Roadway Link Location	2027 PH, PD Service Volume	2027 PH, PD Volume w/out Project	2027 PH, PD Volume w/Project	Remaining PH, PD Service Volume Capacity w/Project	% Service Volume Impacted by Project	Min LOS exceeded with Project? Yes/No
Tamiami Trail East	91.0	Davis Blvd. to Airport Road	2,900	1,840	1,844	1,056	.14%	No

Table Note- PH, PD = Peak Hour, Peak Direction for PM Peak Exiting.

Based on the TIS criterion, this project does not create any significant or adverse impacts to the area's roadway network, two years after the projected build out year.

Significance Test

As shown below in Table 7 the adjacent concurrency link is not found to be significantly impacted on US 41 during the PM Peak Hour traffic. The traffic generated by the proposed development will have a maximum of only a 0.14% PM Peak Directional (East bound) impact on US 41. As such, additional concurrency segments do not require analysis under the 2%-2%-3% review criteria.

Table 6: PM Peak Hour, Peak Direction Significance Test

Link	Roadway	Lanes	Existing LOS	2023 Service Volume	Network Peak Direction	PM Peak Hour Site Trips	% Impact
91.0	US 41	6D	C	2,900	EB	4	.14%

Concurrency Analysis

The projected operational year is 2025. Per the Collier County TIS guidelines, site plan applications with build-out horizon two years or less are to provide a concurrency analysis based on AUIR. So, Table 8 and 9, below, calculate the anticipated plus project trip volume for Link 91.0.

Table 7: 2023 AUIR Traffic Volume (Based on Collier County 2023 AUIR Data)

Link	Roadway	Pk Hr, Pk Dir Service Volume	PK Hr, Pk Dir Volume	Total Trip Bank	2023 PK Hr, Pk Dir. Vol + Trip Bank
91.0	US 41	2,900	1,700 (EB)	200	1,900

Table 8: PM Peak Hour, Peak Direction LOS Link Concurrency Analysis

Link	From	Peak Hour, Peak Direction Traffic			Service Capacity*	Within Capacity?
		2023 Pk Hr, PK DIR. + Trip Bank	Project Traffic	2023 Volume (AUIR + TB+ Project)		
91.0	US 41	1,900	(EB)	1,904	2,900	Yes
*No capacity improvements are shown in the County's 5-year CIE for Concurrency link 91.0.						

Based on the Level of Service link analysis, this project does not create any significant or adverse impacts to the roadway network during the projected 2025 PM peak hour, peak direction traffic volume. Therefore, no additional concurrency analysis is required.

Operational and Turn Lane Analysis

The 3010 Tamiami Trl E Development is proposing minor updates to the existing driveway located along Tamiami Trl E., a public six-lane divided right-of-way. Being that Tamiami Trl E is a FDOT ROW the project will abide by the turn lane requirements set by the FDOT. In accordance with the guidelines set forth by the FDOT Access Management Guidebook, the subject property does not warrant any turn lanes given the proposed number of trips (12 PM peak hour two-way trips) and the existing site constraints. Site plans, and TIS will be provided to FDOT for permit review and approval.

TCEA Analysis

In accordance with Policy 5.5 of the Collier County Growth Management Transportation Element the subject property shall provide the following Transportation Demand strategies to obtain exemption from the stipulated concurrency requirements:

A) Preferential carpool parking
B) Telecommuting via the proposed offices at the ground floor of the development, and/or at the existing office building.
C) Bicycle and pedestrian facilities
D) The inclusion of residential units as a portion of the project

Assuming the above TDM strategies are implemented accordingly, no future payments or improvements are required for the subject property.

Conclusion

The proposed development creates an increase in the AM/PM peak hour trips due to the proposed use; however, this project will not cause adverse effects to the surrounding roadway network. TDM strategies have been implemented to abide by the policies outlined in the Transportation Element of the GMP.

BAYSHORE/GATEWAY TRIANGLE LOCAL REDEVELOPMENT ADVISORY BOARD COLLIER COUNTY COMMUNITY REDEVELOPMENT AGENCY (CRA) MINUTES OF THE JUNE 4, 2024, MEETING

The meeting of the Bayshore/Gateway Triangle Local Redevelopment Advisory Board (CRA) was called to order by Chairwomen, Karen Beatty, at 6:03 p.m.

I. **Meeting Called to Order:** Meeting called to order by Karen Beatty.

II. **Invocation & Pledge of Allegiance**

III. **Roll Call:** Advisory Board Members Present: Karen Beatty, Maurice Gutierrez, Al Schantzen, Kristin Hood, Kathi Kilburn, Mike Sherman, James Talano, Sam Saad and Steve Rigsbee.

IV. **Adoption of Agenda:** Al Schantzen made a motion to adopt the agenda, second by Steve Rigsbee, approved unanimously.

V. **Public to be Heard (Non-Agenda Items)-** Siobhan Cleveland owner of the Real Macaw attended to provide history to the new Director and the advisory boards of the CRA/MSTU when they approved unanimously to the commitment to pay for shipping and maintenance of the Macaw sculpture at the CRA Parking lot and with all of the community's support as well as how long this has been put on hold for.

VI. **Approval of Consent Agenda:** Al Schantzen made a motion to approve the consent agenda, second by Kristin Hood, approved unanimously.

VII. **Community and Staff Presentations:**

a. **Public Safety Report by Sheriff's Office** – Collier County Sherriff Department – Follow Ups- Sgt Tuff reported on June 12 there will be agencies reaching out to the unhoused population to offer assistance on relocation by providing Bus Tickets out of town, available housing placement and other assistance programs by homeless coalition, he requested to be notified of locations where transients are hanging out. Ms. Garcia will provide the locations on a spreadsheet if community members email the locations to Ms. Garcia.

b. **Development Report -** Laura DeJohn will keep updating the Columbia Sussex Project on Palm and Frederick and also 3010 Tamiami Trail E. - also Shadowlawn/Connecticut Project PL20230013981 requested to come and present their project in front of the CRA Advisory Board so discussion ensued to approve having a July 9th meeting and take August and September off since they need to have the BCC Joint Workshop on July 23 anyway. The consensus of the board approved the

suggestion. Sam Saad wanted to update the Metropolitan Naples project that they will not be putting signage as previously requested on the planning projects list.

VIII. Old Business

IX. New Business

a. **Crosswalks Update**- Tami Scott provided the update on Crosswalks, explained criteria, wants to ask for recommended locations, and asked for volunteers to do a pedestrian count prior to paying a consultant. Ms. Garcia suggested getting a laser pedestrian counter that is sold on the internet and installing it at a location with heavy pedestrian traffic, Laura DeJohn recommended using Blue Zones because they have those pedestrian counters, and they would probably partner with CRA staff to do the count. Ms. Scott said she would reach out to Blue Zones and find out if they would partner and provide the counter.

X. Advisory Board and General Communications

a. **Code Enforcement**- John Johnson – Collier County Code Enforcement- John Johnson asked if anyone had any questions, there was contentious language on a flagpole on a residential property that did not have a permit but the language used to hang on the flag pole is allowed to be used under free speech, but the unpermitted flag pole was removed. Al Schantzen asked if he wanted to update everyone on the new staff Code received. Mr. Johnson updated that DAS Investigators, Contractor Licensing is all under Code Enforcement now but that his team is still understaffed.
b. **Correspondence**
c. **CRA Staff** - Tami Scott updated the 17 acre project and provided the timeline of bidding out for construction. Al Schantzen was confused and didn't remember selecting all of the materials for the boardwalk, Ms. Scott reminded the board that all the materials will be on an add alternates list and she will bring back the project after the contractor is selected and provide the list of materials with prices and allow the board to choose all of their materials except for the pilings.
d. Advisory Board Comments

XI. Next Meeting: July 9, 2024; 6:00 p.m.

XII. Adjournment: Meeting adjourned at 8:00 p.m.

Applicant requests an Administrative Parking Reduction for an auto repair and sales business Central Auto Center, Inc.

3. Ascent – Metropolitan Naples Triangle (PDI): PL20240003081

Location: 1950 Mayfair Street (formerly 2054 Davis Blvd)
Owner: Naples Triangle Dev JV PropCo LLC
Status: Changed from SV to PDI. Pre-application meeting held on 5/1/2024.

Request to change the Mini-Triangle MPUD to increase sign size, also considering a projecting sign, on a 15-story mixed-use building.

4. 2998 Poplar St-Dock (VA) PL20240001262 & 2998 Poplar St-Dock (BD) PL20240001265

Location: 2998 Poplar Street
Owner: Steven Veneziano Jr. (per Property Appraiser records on 7/3/2024)
Status: Pre-application meeting held on 2/15/2024.

Applicant is seeking a variance and a boat dock extension to install a 10'x120' floating dock.

5. 1720 Airport Rd S (ZLTR): PL20240000681

Location: 1720 Airport Road S (Murphy Bed Center at corner of Connecticut Ave)
Owner: Colonial Funding Group LLC
Status: First applicant submittal on 1/18/2024, pending fee payment.

The applicant requests a general zoning verification letter.

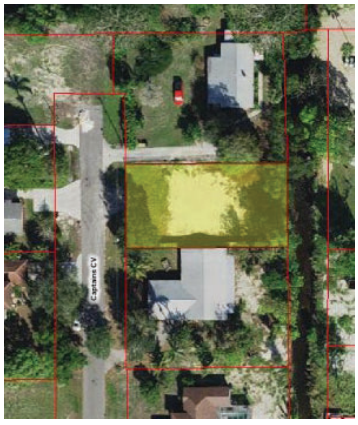
6. Bayview Drive Rezone (RZ): PL20230016022

Location: 2643, 2651, 2675 & 2707 Bayview Drive
Owner: 2643 & 2651 Bayview Dr: Joseph A. Buscemi
2675 Bayview Dr: Jack Hail
2707 Bayview Dr: Bloodmoney R/E Holdings LLC
Status: Pre-application meeting held on 11/8/2023.

See also page 10, 2707 & 2675 Bayview Drive (ZLTR): PL20230017449

Applicant requests a rezone for four (4) parcels from RSF-4-BZO-R4 to C-4-BZO-W to allow waterfront development in accordance with LDC Section 2.03.07.I. Bayshore Zoning Overlay District. Staff advised applicant to submit for a ZVL outlining the applicant's questions before the rezoning can be processed.

7. 3313 Captains Cove (LDBPA): PL20230014997



Location: 3313 Captains Cove
Owner: Larsons Green LLC
Status: Zoning Verification Letter issued (PL20220005608) on 9/20/2022 and revised on 10/19/2023. Pre-application meeting held 10/25/2023. Application submitted on 11/9/2023.

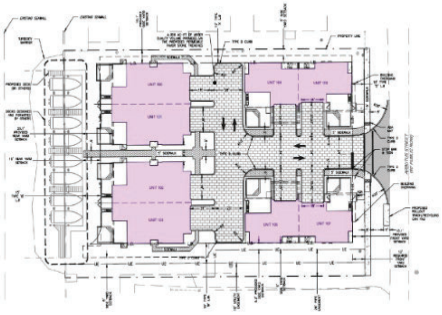
Property is zoned RSF-4-BZO-R1. Applicant owns three parcels at terminus of Captains Cove (3300 Captains Cove is vacant, 3307 Captains Cove is a single family home, 3313 Captains Cove is a cleared lot). Applicant seeks to obtain one unit from the Bonus Pool to construct a duplex at 3313 Captains Cove after lot line adjustment to make the lot +/-0.25 acres. Zoning staff advised a duplex is not eligible for the Bonus Pool, only multifamily or mixed use is eligible. The intention is to obtain one unit from the Limited Bonus Density Pool. The additional unit would allow for the development of a townhouse/duplex project consisting of 2 units, both multi-story with approximately 1,800 square feet under air with single garages.

7. 3313 Captains CV (LLA): PL20230010051

Location: 3313 Captains Cove
Owner: Larsons Green LLC
Status: First applicant submittal on 6/1/2023. Staff issued first comment letter on 9/5/2023. Second applicant submittal on 10/6/2023. Staff issued incomplete submittal letter (survey) on 10/6/2023.

Based on recommendations from Zoning Verification Letter (ZLTR-PL20220005608) density bonus is available to multi-family projects that are less than 2 acres and based on staff review the subject property is eligible to apply. It is the opinion of the staff that if the lot was increased to 0.25 acres through a Lot Line Adjustment, then the property would qualify to build 2 units.

8. Mangrove Row (LDBPA): PL20220004927



Location: 2766 Arbutus Street
Owner: Arbutus Landing LLC
Status: Pre-application meeting held 8/3/22. First applicant submittal on 5/25/2023. Staff issued first comment letter on 6/26/2023. Second applicant submittal on 9/18/2023. Staff issued second comment letter on 10/4/2023. Presented to BGT CRA AB on 1/11/2024. Third applicant submittal on 3/25/2024. Staff issued third comment letter on 4/9/2024.

See also page 5, Mangrove Row (SDP): PL20220003133
Request for the allocation of two units from the Limited Density Bonus Pool to allow for a multifamily residential development with 8 units at 2766 Arbutus Street. This site is approximately 0.98 acres in size and is in the RMF-6-BZO-R1 zoning district which allows for six residential units currently. The parcel ID is 81780400004. Decision will be made by Hearing Examiner.

9. Columbia Sussex CPUD (PUDZ): PL20230008099

Location: south side of US 41, between Palm Street and Frederick Street (Parcel Nos. 26880200101, 26880240006, 26880280008, 26880320007, 26880400008, 26880440000, 26880480002, 26880560003)
Owner: T B East Trail LLC sold to CP Naples LLC as of 2/22/2024
Status: Pre-application meeting held 5/31/2023. First applicant submittal on 8/10/2023. Staff issued first comment letter on 9/13/2023. Second applicant submittal on 11/27/2023. NIM held on 12/19/2023 at 5:00 pm in the South Regional Library, Meeting Room A (8065 Lely Cultural Pkwy #9005, Naples, FL 34113). Staff issued second comment letter on 1/4/2024. Second NIM held on 2/5/2024 at 5:30 pm at the Botanical Garden FGCU/Buehler Auditorium & presented to BGT CRA AB on 2/8/2024. Third applicant submittal on 3/20/2024. Staff issued third comment letter and signed 2/8/2024 CRA AB meeting minutes on 5/2/2024.

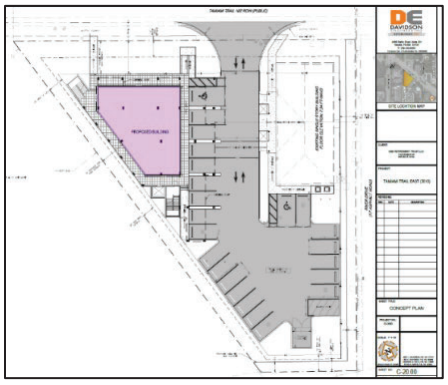
Rezone 4.28 acres+/- from C-4/GTMO-MXD to CPUD/GTMO-MXD. The CPUD is intended for a 483-room hotel with maximum zoned height of 124 feet (actual height 139'-6") or 10 stories (seven floors of hotel rooms above three levels of structured parking), including spa and fitness center, restaurant and bar, conference rooms, ballrooms, a pool deck, and pickle ball.

Applicant indicates in third submittal: "the Applicant's architect has undergone a thoughtful redesign…

which mitigates any potential adverse impacts on the nearby single-family residential homes… The building has been stepped back away from the residential homes and is oriented towards U.S. 41… the step back has been increased significantly such that is is now 114 feet set back from the property line."

10. 3010 Tamiami Trl E (MUP): PL20220006931



Location: 3010 Tamiami Trail E.
Owner: D&D Retirement Trust, LLC
Status: Pre-app meeting held 11/22/2022. First applicant submittal on 1/23/2023. First staff review letter issued on 3/6/2023. Second applicant submittal on 5/22/2023. Second staff review letter issued on 6/27/2023. NIM held on 7/25/2023. Third applicant submittal on 10/27/2023. Third staff review letter issued on 12/5/2023. Presented to BGT CRA AB on 1/11/2024. Fourth applicant submittal on 1/23/2024. Staff reviews finalized as of 3/22/2024; BCC hearing to be scheduled.

See also 3010 Tamiami Trail (APR): PL20240003118 on page 10.* *Staff issued letter on 5/8/2024 denying APR. Staff issued second letter on 6/10/2024 denying revised APR.*

Application for a Mixed-Use Project (MUP). The 0.6-acre parcel is zoned C-3-GTZO-MXD and is in an Activity Center. The pre-existing building (former Pizza Hut) is now commercial office space. Applicant seeks to construct 8 dwelling units with commercial space at ground level and 4 stories of residential, with roof level amenities. Requires 8 units from the density bonus pool.

11. Shadley Property (ZTLR): PL20240007872*

Location: Bayshore Drive (surrounded by the CRA 17-acre site)
Owner: Clyde O Shadley Trust
Applicant: Pacific Horizon Development Corp / Harry Bandinel
Status: Applicant submittal on 6/27/2024.

*See also page 5, Shadley Property (SDP): PL20240006510**

Site is 2.5 acres (roughly 1.5 acres of lake), zoned C-2 / BZO-NC (dry land) which allows mixed use and MH / BZO-NC (lake). Applicant seeks to verify if subdivision of the parcel into 7 fee simple townhome lots is allowed. Proposing 3 story townhomes, approximately 3,000 square feet under air and new turn lane from Bayshore Drive.

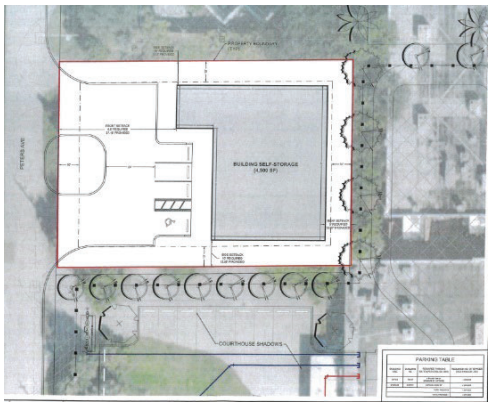
11. Shadley Property (SDP): PL20240006510*

Location: Bayshore Drive (surrounded by the CRA 17-acre site)
Owner: Clyde O Shadley Trust
Applicant: Pacific Horizon Development Corp / Harry Bandinel
Status: Pre-application meeting held on 6/5/2024.

*See also page 4, Shadley Property (ZLTR): PL20240007872**
Applicant proposes detached residential townhomes on 2.5 acres (roughly 1.5 acres of lake). Property is zoned C-2 / BZO-NC (dry land) which allows mixed use and MH / BZO-NC (lake). Pre-application notes state that a Zoning Verification Letter is required. The residential use is permitted, but density must be gained through the density bonus pool.

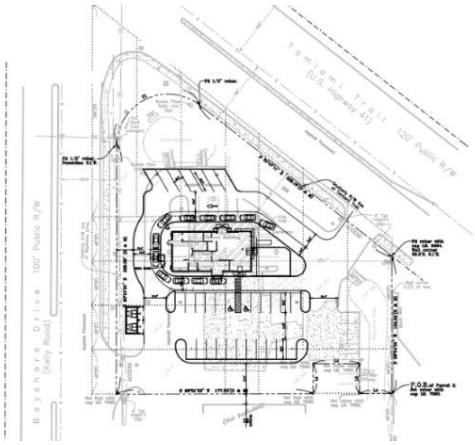
12. 2947 Peters Ave (SDP): PL20240006717*



Location: 2947 Peters Ave
Owner: Cal-German Inc
Status: Pre-application meeting held on 6/13/2024.

Applicant proposes a 4,500-sf car storage building for 4 private auto storage units with upstairs loft/lounge/offices on 0.32 acres zoned C-3/GTZO-MXD. Pre-app notes state this is considered to be Warehouse/Mini-Storage and will require a rezone from C-3 to C-5 to allow Mini-Storage use on the site.

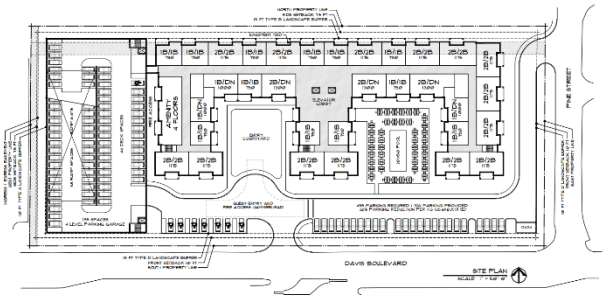
13. Huey Magoos (SDP): PL20230016299*



Location: 2934 Tamiami Trail E (former Circle K & Shell)
Owner: NNN TR Inc
Status: Pre-application meeting held on 11/8/2023. Applicant introduced the project at the 5/7/2024 BGT CRA Advisory Board Meeting. First applicant submittal on 5/31/2024. Staff issued incomplete submittal letter on 6/6/2024. Supplemental documents submitted on 6/19/2024 for First review.

The proposed development includes the demolition of an existing commercial building on 2934 Tamiami Trail East, with the proposed construction of a new ~2,650 S.F. restaurant with a drive-thru, parking, and associated drive aisles on a 1.19-acre lot.

14. Village Plaza (SDP): PL20230016406



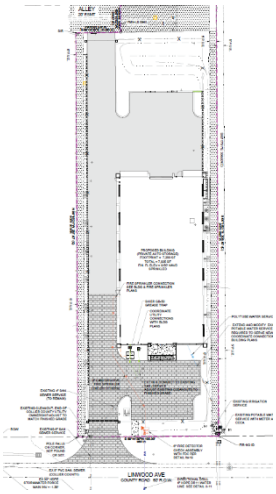
Location: 2377 & 2305 Davis Blvd.
Owner: Katlou, LLC
Status: Pre-application meeting held on 11/15/2023.

See also page 10, PL20230017151 – Zoning Verification Letter issued 12/12/2023.
The applicant is proposing a multi-family residential development that may include an affordable housing component consistent with the Live Local Act. Conceptual plan shows a 7-story building with 242 units on 4.5 acres (53.8 units/acre) and 375 parking spaces in a 5-level parking garage. Max. height per Airport Overlay zone is 158 feet.

At their April 9, 2024 meeting, the BCC determined PUDs are not to be considered for setting the "highest allowed density" in the County and "highest allowed height within one mile of the development." Based on the new policy to exclude PUDs, the highest density allowed by the Growth Management Plan density rating system would be 25 units per acre, and the highest currently allowed height within one mile of the proposed development would be per conventional zoning districts. The tallest allowed heights of all conventional zoning districts are Residential Tourist (RT) at 10 stories/100 feet; and RMF-16 and C-4 at 75 feet.

15. Linwood Shop (SDP): PL20230015697*

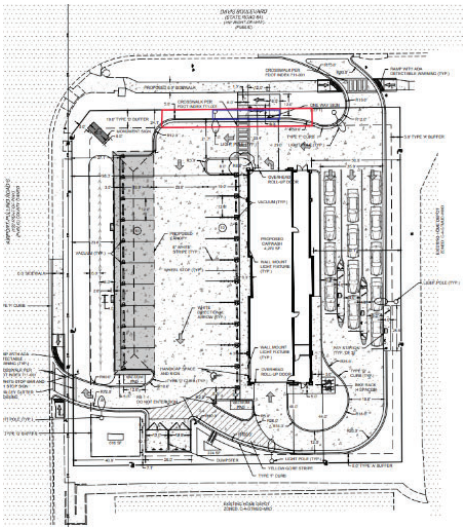
Location: 2365 Linwood Avenue
Owner: JR Descendants' Trust
Status: Pre-application meeting held on 10/24/2023. First applicant submittal on 3/12/2024. First staff review letter issued on 4/11/2024. Second applicant submittal on 5/19/2024. Second staff review letter issued on 6/17/2024.



The existing 5,000 sf storage building and parking lot will be demolished. The project will consist of approximately 8,000 SF of storage space for the property owner's private automobile collection. The project is gated and not open to the public.

16. Snappy Car Wash (DR): PL20240003066

Location: 3300 Davis Blvd.
Owner: RKDavis Real Est Holdings LLC C/O Michael Duffy
Status: Pre-application meeting waived. First applicant submittal on 3/8/2024. First staff review letter issued on 4/25/2024.



Deviations requested to reduce north buffer from 10' to 5' wide and reduce from a hedge row with trees 30' on center to no hedge row with trees 60' on center to accommodate pedestrian path and ramp through Davis Blvd. buffer. Final decision will be made by Hearing Examiner.

Snappy Car Wash (SDP): PL20220001088*

Location: 3300 Davis Blvd. at intersection with Airport Rd.

Applicant seeks to redevelop former Joey D's as a 4,400 square foot car wash facility.

17. Justin's Village MF (SDP): PL20230013521

Location: 3163 Justins Way (off Calusa Ave)
Owner: SMH PROPERTIES OF SWFL INC (St. Matthews House)
Status: Pre-application meeting held on 8/24/2023.

Construction of multi-family units per approved zoning Ordinance 2023-21, allowing up to 28 units on 2.33 acres.

18. Shadowlawn Drive Multi-Family Development (SDP): PL20220005562*

Location: 1795 Shadowlawn Drive
Owner: Paradise Coast Development, LLC
Status: Pre-application meeting held on 9/13/2022. First applicant submittal on 6/15/2023. Staff issued first comment letter on 8/4/2023. Second applicant submittal on 1/29/2024. Staff issued second comment letter on 2/20/2024. Third applicant submittal on 5/3/2024. Staff issued third comment letter on 5/31/2024.

Applicant proposes a 9-unit multi-family development at 1795 Shadowlawn Dr along with associated utility connections, a stormwater system, a parking lot, landscaping & site lighting.
Applicant will need to submit for the Limited Density Bonus Pool Allocation (LDBPA) per LDC Section 4.02.16 for the additional density over the allowable 7 dwelling units per ZLTR-PL20220004950.

Shadowlawn Drive Multi-Family (LDBPA): PL20230013981

Applicant Greg Orick is requesting answers to 27 questions, including confirmation that rezoning from RSF-4-BZO-R4 to C-3-BZO-W would allow residential and marina use and would be consistent with the intent stated in II.V.H of the Bayshore/Gateway Triangle Redevelopment Overlay of the Future Land Use Element. County Verification Letter indicates 23 of the 27 questions are outside the scope of a zoning verification letter.

10. 3010 Tamiami Trl (APR): PL20240003118*

Location: 3010 Tamiami Trail E.
Owner: D&D Retirement Trust, LLC
Status: First applicant submittal on 3/8/2024. Staff issued Denial letter on 5/8/2024. Second applicant submittal on 5/28/2024. Staff issued second Denial letter on 6/10/2024.

Applicant submitted an updated narrative on 5/28/24 indicating the requested reduction is now 4 parking spaces (27 required and 23 provided) instead of 7 spaces (30 required and 24 provided). The narrative indicates 2,545 sf of existing office plus 1,396 sf feet of proposed office (formerly 2,252 sf of proposed office), generating a requirement of 11.2 parking spaces calculated at 1 space per 350 sf. Eight (8) residential units are also proposed, which require 16 spaces at 2 spaces per unit. Total parking requirement equals 27 spaces. 23 parking stalls are currently provided.

14. Zoning Verification Letter (ZLTR): PL20230017151

Location: 2377 & 2305 Davis Blvd.(+/-3.92 acres between Brookside Dr. & Pine St.)
Owner: Katlou, LLC
Status: Request for ZVL submitted on 11/16/2023. Zoning Verification Letter issued on 12/12/2023.

Contract purchaser (Old Naples Acquisitions, LLC) requests a supplemental ZVL to clarify which development standards apply to a Live Local Act project, i.e., the RMF-16 or the Overlay development standards. Staff verified that a qualified project with at least 40% of units committed to be affordable for households earning less than 120% of the area median income for at least 30 years can develop at 91.77 units per acre and maximum height of 162.8 feet, and all other development standards of the RMF-16 Zoning District.
At their April 9, 2024 meeting, the BCC determined PUDs are not to be considered for setting the "highest allowed density" in the County and "highest allowed height within one mile of the development." Based on the new policy to exclude PUDs, the highest density allowed by the Growth Management Plan density rating system would be 25 units per acre, and the highest currently allowed height within one mile of the proposed development would be per conventional zoning districts. The tallest allowed heights of all conventional zoning districts are Residential Tourist (RT) at 10 stories/100 feet; and RMF-16 and C-4 at 75 feet.

22. 3091 Tamiami Trl. E Workforce Housing (ZLTR): PL20230016985

Location: 3091 Tamiami Trail E (corner of US 41 & Andrew Drive)
Owner: Nicks Rest & Houka Lounge Inc # 1
Status: Request for ZVL submitted on 11/13/2023. Zoning Verification Letter issued on 1/17/2024. Revised letter issued 5/08/2024.

Staff verified that a project qualifying under the Live Local Act is allowed a maximum zoned building height of 160 feet and actual height of 162.8 feet, and that the RMF-16 development standards are the most applicable as they are the most similar in density to what is permitted on site. If not qualifying under the Live Local Act, maximum density possible is 16 units per acre in Activity Center #16 or 12 units per acre using the density bonus pool of the BGT Redevelopment Overlay.

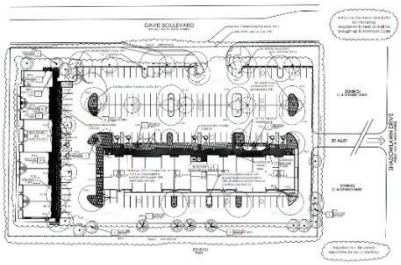
At their April 9, 2024 meeting, the BCC determined PUDs are not to be considered for setting the "highest allowed density" in the County and "highest allowed height within one mile of the development." Based on the new policy to exclude PUDs, the highest density allowed by the Growth Management Plan density rating system would be 25 units per acre, and the highest currently allowed height within one mile of the proposed development would be per conventional zoning districts. The tallest allowed heights of all conventional zoning districts are Residential Tourist (RT) at 10 stories/100 feet; and RMF-16 and C-4 at 75 feet.

23. 17-Acre Bayshore Project (SDP): PL20230002535

Location: 4315 & 4265 Bayshore Drive
Owner: Collier County Bayshore CRA
Status: Pre-application meeting held on 3/2/2023. First applicant submittal on 5/5/2023. Additional materials submitted on 5/24/2023. Staff issued first comment letter on 6/15/2023. Second applicant submittal on 10/2/2023. Staff issued second comment letter on 10/27/2023. Third applicant submittal on 11/3/2023. Staff issued third comment letter on 12/29/2023. Fourth applicant submittal on 1/31/2024. Staff issued fourth comment letter on 3/4/2024. Fifth applicant submittal on 3/22/2024. SDP approval issued on 4/23/2024.

Promenade and boardwalk connection from Bayshore Drive across the eastern lakes and drainage canal to Sugden Park. Additional elements may include parking lots for the boardwalk use on the west end of the project area.

24. Davis Village (SDPI): PL20230018545



Location: 2800 Davis Blvd.
Owner: Midnight Commercial Investments LLC
Status: First applicant submittal on 12/28/2023. Additional documents submitted on 1/3/2024. First staff review letter issued on 1/22/2024. Second applicant submittal on 4/22/2024. SDPI approval issued on 4/26/2024.

The purpose of this SDPI is to address the outdoor dining associated with the Midnight Tavern (Units 108 through 110 within the 2800 Building) with adjacent landscaping. Also, there is supplemental landscaping needed within the project and at the adjacent 2770 Building. Separately an administrative parking reduction (APR) will be needed to verify that there is sufficient parking to support the outdoor dining request. The APR will be submitted following a parking count that will be

conducted during the peak season (early February 2024). Outdoor dining has been present at this location for many years, however the prior owner had not obtained county approval and when Midnight Tavern took over a few years ago they were not aware of the lack of a permit, which they are now looking to correct. A notice of violation (NOV) was issued by Collier County Code Enforcement (CELU20230006700) and approval of this SDPI will help address the NOV.

Davis Village Administrative Parking Reduction (APR): PL20240002201

Status: First applicant submittal on 2/20/2024. Staff issued incomplete submittal letter on 2/23/2024 and 3/8/2024. Additional documents submitted on 3/15/2024. APR approval issued on 4/12/2024.

Midnight Tavern has 32 seats associated with their outdoor dining that was part of the prior restaurant that they purchased. Based on 32 seats, 16 parking spaces are required, which translates into a deficit of 13 parking spaces based on code criteria. Per the applicant, the actual operations of the center demonstrate that there is not in fact a parking issue at Davis Village.

25. Enterprise Multi-Business Line Site (ZLTR): PL20240002828

Location: 2625 Davis Blvd. (Boat House Naples Dealership)
Owner: FL City Holdings LLC c/o Ortiz & Associates
Status: First applicant submittal on 3/4/2024. Zoning Verification Letter issued on 4/4/2024.

Zoning verification request for an Enterprise Multi-Business Line (MBL) site. The intent is to open an Enterprise Car Sales, Enterprise Rent-A-Car, and Enterprise Truck Rental. No repairing of cars or trucks; simply the selling, renting, and returning of the vehicles, and the cleaning (bucket wash) of vehicles between renting and returning.

Staff verified that requested uses are allowed in the GTZO-MXD Subdistrict, noting that LDC Sec. 4.02.16.C.10 has additional standards for Vehicle/Boat/Heavy Equipment Sales, and any future development is subject to the commercial dimensional requirements and design standards per LDC Sec. 4.02.16.B.1.a.ii. As stated in the applicant's request, there will be no repairing or maintenance of cars or trucks in any capacity on the subject property since this activity would require a conditional use petition.

26. 3987 Full Moon Ct (VAC): PL20230013038

Location: 3987 Full Moon Court (off Lunar Street)
Owner: Trevor Tedeschi
Status: First applicant submittal on 8/3/2023. Staff issued first comment letter on 8/29/2023. Second applicant submittal on 10/26/2023. Staff issued second comment letter on 11/17/2023. Third applicant submittal on 12/5/2023. Staff issued approval on 12/21/2023. BCC approved on 2/13/2024 by Resolution 2024-27.

Vacate 12-ft fire wagon and drainage easement and relocate easement to south of property.

27. 2977 Cypress ST (LLA): PL20230015950

Location: 2977 Cypress Street
Owner: 3 on Cypress LLC
Status: Zoning Verification Letter issued (PL20230006564) on 4/26/2023. First applicant submittal on 10/16/2023. Staff issued incomplete submittal letter on 10/17/2023. Additional documents submitted on 11/8/2023. Staff issued first comment letter on 11/30/2023. Second applicant submittal on 1/10/2024. Staff issued second comment letter on 1/26/2024. Third applicant submittal on 2/6/2024. Lot Line Adjustment Approval issued on 3/18/2024.

Applicant requests a lot line adjustment on three lots that were previously combined.

28. 2808 Van Buren Ave (ZLTR): PL20230018269

Location: 2808 Van Buren Avenue
Owner: MD Marco Capital LLC
Status: First applicant submittal on 12/18/2023; fee payment completed on 1/19/2024. Zoning Verification Letter issued on 3/15/2024.

Request for verification that a lot split is allowed. The dwelling has been removed, and the owner seeks to revert the lots back to the original individual lots 6 and 7.

It is the determination of zoning staff that the subject property may be separated back into its original platted lots, and a single-family home constructed on each platted lot.

29. 3200 Barrett Ave (ZLTR): PL20230018266

Location: 3200 Barrett Avenue
Owner: DCS Naples Investments LLC
Status: First applicant submittal on 12/18/2023; fee payment completed on 1/25/2024. Zoning Verification Letter issued on 2/5/2024.

The applicant requested general information to verify zoning designation, allowable uses, setbacks, and inquiring about filling in lake.

30. 2670 Airport Road South (ZLTR): PL20230014400

Location: 2670 Airport Road South (+/- 0.5 acres)
Owner: BDM Professional A Condominium
Status: First applicant submittal on 9/6/2023. Zoning Verification Letter issued on 10/18/2023.

Applicant seeks verification of the Live Local Act applicability. Staff's letter indicates the site is zoned C-3GTZO-MXD, maximum permittable residential density is 91.77 units per acre, and the maximum permissible building height is 165 feet, if at least 40 percent of the residential units are dedicated to income limitations of 120 percent or below of Area Median Income (AMI), for a period of at least 30 years. All development standards of the RMF-16 district, except for density and height, will apply under the Live Local Act.

At their April 9, 2024 meeting, the BCC determined PUDs are not to be considered for setting the "highest allowed density" in the County and "highest allowed height within one mile of the development." Based on the new policy to exclude PUDs, the highest density allowed by the Growth Management Plan density rating system would be 25 units per acre, and the highest currently allowed height within one mile of the proposed development would be per conventional zoning districts. The tallest allowed heights of all conventional zoning districts are Residential Tourist (RT) at 10 stories/100 feet; and RMF-16 and C-4 at 75 feet.

CESD2024 0004802	SD	Open	05/23/2024	1950 Mayfair	The owners of Metropolitan Naples have placed a leasing trailer on the site and plan to use it as a meeting point for potential clients. No permit has been submitted for this. They have placed the skirting around the trailer without any inspection done on the tie downs. Furthermore this creates a huge safety concern for anyone who enters an active construction site with no clear boundaries between the construction site and the leasing area. This is not part of the permit for Kast Development this is being independent from them. Permit #20220103644 relates to

Bayshore Area 1: Pines, Becca, Weeks:

- Current plans are at 85% since 05/01/2024. We have received change order 2, includes the Wastewater Force Main relocation on Weeks Ave and Becca Ave. Change order 2 will also include potable water main improvements with the City of Naples.
- Interlocal agreement for design and construction of watermain improvements will be necessary. CRA currently drafting interlocal agreement to send to Board for approval. Once interlocal agreement has been approved, Change Order 2 for wastewater force main design and watermain improvements design will be sent for approval by Board.
- The cost for Change Order #2 is $336,192.91. The cost for the Wastewater Force Main Relocation design is $177,712.00. The cost for the City of Naples Watermain improvements design is $158,480.91. The total cost for the design plans is now $673,324.91. The City of Naples will reimburse the CRA for their part of the design and construction of the watermain improvements.
- The change order and interlocal agreement will add approximately 6 months of time to the process. Additionally, 965 additional calendar days will be added for the design of the City of Naples Water Main Improvements, and the integration of those designs into the Stormwater Improvements design.

Bayshore Area 4: Linwood Way & Bayside St.

- Current plans are at 60% and has gone for review. Utility conflicts have been identified. 17 conflicts with Collier County Waster Water, and 8 conflicts with City of Naples Water Main.
- Met with City of Naples to discuss water main conflicts, potential resolution to include water main improvements and relocation of Asbestos Concrete pipes.

- Out of the 17 utility conflicts with Collier County PUD, 14 have been resolved. 3 remain that are located within the first alleyway between Linwood Way and Linwood Ave. Working with engineer of record to find a resolution to these conflicts.

Dear Mr. Copper:

The City of Naples Public Works Department is in receipt of your request, received via email on October 22, 2024, for a Letter of Availability for potable water (domestic, fire, and/or irrigation use) for the above referenced project, which will consist of a mixed-use multi-story building, comprising ±1,345 sf of commercial space and eight (8) residential units.

This office has reviewed the subject site for available potable water service. Based on the referenced information and review, this office confirms the following:

1. The subject property is located within the City of Naples potable water service area.
2. The City of Naples has adequate treatment plant capacity for the proposed project.
3. The proposed improvements must meet current City of Naples Utilities Standards and must be submitted to the Utilities Department for review and approval.
4. Should the scope of proposed project change to impact City utility services, the project's engineer of record shall remain responsible to contact the City for appropriate reviews and analysis.

This letter does not imply or guarantee that adequate potable water facilities of sufficient size and capacity exist at the property; such utilities as may be needed for new site development shall remain the

developer's responsibility to design, permit and construct.

Based on the above, this office has no objections to this project, subject to appropriate reviews by all utility service providers (including the City of Naples), Collier County, and the Fire District.

Should you have any questions or require any additional information or action from this office, please do not hesitate to call this office at (239) 213-4713 or e-mail mbaines@naplesgov.com.

Subject: Letter of Support – 3010 Tamimi Trail- PL20220006931

To Whom it May Concern:

On behalf of the Bayshore/Gateway Triangle Local Redevelopment Advisory Board (CRA) we would like to express our support regarding the July 09, 2024, CRA public meeting / Presentation. The Board was excited to hear about the updated development plans for 3010 Tamiami Trail because it did not require a parking reduction and fit within the parameters of what the community envisioned. We know and understand revising the site plan was not an easy task but has provided a much better option for their project to be successful and not negatively impact the community at the same time.

The specific interior height from the developer was fully supported and we would greatly appreciate the support of the BCC, Planning Commission and the Growth Management Division to allow this request.

The CRA Board has voted unanimously to support this project with the revised deviation request as presented in the July 9th CRA LRAB Public Meeting and the additional NIMS meeting on September 5, 2024.

Respectfully,

Karen Beatty

Executive Summary

This item requires that Commission members provide ex-parte disclosure. Should a hearing be held on this item, all participants are required to be sworn in. Recommendation to approve Petition VAC-PL20240002006, to conditionally disclaim, renounce, and vacate a portion of the Trail Boulevard, depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, located approximately 200 feet north of Pine Ridge Road (C.R. 896), abutting the east side of Tamiami Trail North (U.S. 41), located in Section 10, Township 49 South, Range 25 East, Collier County, Florida.

OBJECTIVE: To adopt a Resolution to conditionally vacate the County and the public interest in a portion of Trail Boulevard, depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, located in Section 10, Township 49 South, Range 25 East, Collier County, Florida, being more specifically shown in Exhibit "A".

CONSIDERATIONS: Petition VAC-PL20240002006 has been received by the Development Review Division, Growth Management Community Development Department, as a request is to vacate a portion of the 80-foot-wide Trail Boulevard right-of-way as shown on the plat of Pine Ridge, Plat Book 3, Page 24 of the public records of Collier County, Florida, located in Section 10, Township 49 South, Range 25 East, Collier County, Florida.

Property owner McCabe & Sons Hospitality, LLC f/k/a Waterside Hotel Development, LLC ("McCabe") is redeveloping the longtime Beacon Bowl property with a luxury boutique hotel at the northeast corner of Pine Ridge Road and Tamiami Trail N (U.S. 41). McCabe is seeking to conditionally vacate the portion of Trail Boulevard abutting the proposed hotel site as part of a broader redevelopment vision that involves re-configuring Trail Boulevard, and the public benefit of providing replacement easements, installing a decorative roadway and sidewalk with lush landscaping along Trail Boulevard between 7-Eleven and Ridge Drive, a new bus stop, and providing a sanitary sewer system for adjacent neighbors. The public will retain the perpetual non-gated access across the property between 7-Eleven and Ridge Drive.

The vacation resolution requires a number of conditions to be met before it is effectuated, including the design, permitting, and installation a decorative roadway, sidewalk and landscaping along Trail Boulevard, as well as providing permanent replacement easements. In the meantime, the County will retain its easement interests in the form of temporary blanket easements over the portion of Trail Boulevard to be vacated. Further, Mr. McCabe will come back to the board for final acceptance and enter into a landscape maintenance agreement within three years.

FISCAL IMPACT: The application fee of $2,000 covers staff review, and processing. The applicant is also responsible for advertising fees.

GROWTH MANAGEMENT IMPACT: There is no growth management plan impact associated with this action.

LEGAL CONSIDERATIONS: The petitioner is requesting the conditional vacation of the County and the public interest in a portion of Trail Boulevard, depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, located in Section 10, Township 49 South, Range 25 East, Collier County, Florida.

Pursuant to Resolution 2021-243 and Florida Statutes sections 336.09, 336.10, and 177.101, the Board, with respect to property under their control, upon petition of any person or persons, may adopt a resolution to vacate, abandon, discontinue, and close any existing public or private street, alleyway, road, highway, or other place used for travel, or any portion thereof, other than a state or federal highway, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith; and may adopt resolutions vacating plats in whole or in part of subdivisions in said counties, returning the property covered by such plats either in whole or in part into acreage when the following criteria are met:

1. The request is in the interest of the general public welfare, or no public detriment is established;

2. The persons making the application for said vacation own the fee simple title to the whole, or that part of the tract covered by the plat sought to be vacated;
3. The request will not affect the ownership or right of convenient access of persons owning other parts of the subdivision; and
4. The request does not invade or violate individual property rights.

This item has been approved as to form and legality and requires a majority vote for Board approval. - DDP

RECOMMENDATIONS: To Approve the attached Resolution relating to Petition VAC-PL20240002006, which will conditionally vacate the County and the public interest in a portion of Trail Boulevard, and direct the Clerk to record a certified copy of the Resolution in the Public Records and to make a proper notation of this Resolution on the plat of Pine Ridge, as recorded in Plat Book 3, Page 24 of the Public Records of Collier County, Florida.

RESOLUTION NO. 2025-____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, TO CONDITIONALLY DISCLAIM, RENOUNCE AND VACATE THE COUNTY AND THE PUBLIC INTEREST IN A PORTION OF TRAIL BOULEVARD, DEPICTED AS AN 80-FOOT RIGHT OF WAY ADJACENT TO LOTS 25 THROUGH 30, BLOCK A, PINE RIDGE, AS RECORDED IN PLAT BOOK 3, PAGE 24, OF THE PUBLIC RECORDS OF COLLIER COUNTY, FLORIDA, LOCATED ON THE EAST SIDE OF TAMIAMI TRAIL NORTH (U.S. 41) AND NORTH OF PINE RIDGE ROAD, IN SECTION 10, TOWNSHIP 49 SOUTH, RANGE 25 EAST, COLLIER COUNTY, FLORIDA. [PL20240002006]

WHEREAS, pursuant to Resolution 2021-243, petitioner Noel Davies, Esq. of Davies Duke, PLLC, on behalf of the property owner, has requested the vacation of the County and the Public interest in a portion of Trail Boulevard, depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, in Section 10, Township 49 South, Range 25 East, Collier County, Florida, being more specifically described in Exhibit "A", attached hereto; and

WHEREAS, McCabe & Sons Hospitality, LLC f/k/a Waterside Hotel Development, LLC (hereinafter referred to as "McCabe"), is the owner of Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, by virtue of those certain Warranty Deeds recorded in Official Records Book 6293, Page 1368, and Official Records Book 6293, Page 3327, in the Public Records of Collier County, Florida, located at 5400 Trail Boulevard, Naples, FL 34108 (hereinafter referred to as "McCabe's Property"); and

WHEREAS, on or about February 15, 2024, McCabe made application for the vacation of that portion of Trail Boulevard abutting McCabe's Property (PL20240002006) (hereinafter "Proposed Vacation Application"), with the sketch and legal description of said proposed vacation being attached hereto as Exhibit "A" and incorporated herein by reference (hereinafter "Proposed Right of Way Vacation"); and

WHEREAS, the Collier County holds the platted right-of-way Trail Boulevard in trust on behalf and for the benefit of the public, and maintains said right-of-way the same; and

WHEREAS, McCabe is proposing to create a greater public benefit by replacing the easement with public, County, and utility easements, beautifying and maintaining Trail Boulevard south of Ridge Drive, and providing a sewer system to adjacent neighboring properties as part of the proposed vacation application's approval, conceptually shown in Exhibit "C", attached hereto and incorporated herein by reference (hereinafter referred to as the "Conceptual Plans"); and

WHEREAS, McCabe made application for a Site Development Plan (SDP-PL20230012016) with the County's Development Review Division for a luxury hotel that is currently under review; and

WHEREAS, McCabe intends to reconfigure and beautify Trail Boulevard as part of the luxury hotel's development, through an appropriate revision or amendment to SDP-PL2023001201 and corresponding right of way permit; and

WHEREAS, the public benefit provided for in McCabe's Proposed Vacation Application provides for greater public benefit and welfare than the existing governmental use of the platted right-of-way and its possession in trust for the benefit of the public; and

WHEREAS, at its December 10, 2024 regular meeting, the Board of County Commissioners ("Board"), via Resolution No. 2024-239, approved the scheduling of a public hearing on January 14, 2025, pursuant to Resolution 2021-243; and

WHEREAS, the Board, on this day, held a public hearing to consider the petitioner's request and notice of said public hearing was given as required by law; and

WHEREAS, the granting of the McCabe's request will not adversely affect the ownership or right of convenient access of the property owners, nor invade or violate individual property rights, and otherwise qualifies under sections 336.09 and 177.101, Florida Statutes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

1. All of the above recitals are true and correct and are hereby expressly incorporated herein by reference as if set forth fully below.

2. The County and the Public interest in the portion of Trail Boulevard depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, in Section 10, Township 49 South, Range 25 East, Collier County, Florida, being more specifically shown in Exhibit "A", is hereby conditionally vacated, extinguished, renounced and disclaimed, and this action is declared to be in the Public interest and for the Public benefit, subject to conditions a.–d. below, and effective upon adoption of this Resolution, but not deemed satisfied until recordation and acceptance of replacement easements acceptable to the County, which will be evidenced by a Board resolution as prescribed in ¶ 4.

    a. McCabe shall make application for the appropriate revisions or amendment to SDP-PL20230012016, as well as application for a Right of Way Permit, to substantially effectuate the Conceptual Plans within one year of the adoption of this resolution.

    b. McCabe, at its sole cost and expense, shall design, permit, and install a decorative roadway, sidewalk and landscaping along Trail Boulevard and the forthcoming permanent public access easement south of Ridge Street, in substantial compliance with the Conceptual Plans

and as reviewed and approved by the appropriate revisions or amendment to SDP-PL20230012016 and the corresponding Right of Way Permit, subject to the following:

i. The County Manger or designee shall have complete discretion in providing approval of the decorative roadway, sidewalk and landscaping when reviewing the appropriate revisions or amendment to SDP-PL20230012016 and the corresponding Right of Way Permit (including design, materials, and landscaping), to ensure public health, safety, and welfare.

ii. After such approval, McCabe shall enter into a landscape and roadway maintenance agreement with the Board of County Commissioners and provide ongoing maintenance of Trail Boulevard south of Ridge Drive thereafter.

iii. Completion of the decorative roadway, sidewalk and landscaping shall be evidenced by a passing final inspection and Site Final Acceptance (SAF) letter from the County's Development Review Division.

iv. The terms of this paragraph shall be completed within three years of the adoption of this resolution, unless otherwise extended by the Board.

c. McCabe shall relocate and replace the existing bus shelter with a like kind or better and provide a 12-foot lane for a bus stop off Tamiami Trail North, substantially as shown in the Conceptual Plans, subject to approval by Florida Department of Transportation (FDOT).

d. McCabe shall install, at its sole cost and expense and to County standards, individual wastewater stub outs on the south side of Lot 30, Block A, Pine Ridge for each commercial building (7-Eleven and Le Indya) located on Lots 31 through 33, Block A, Pine Ridge, as part of SDP-PL20230012016's unified wastewater system, to be conveyed to the Collier County Water-Sewer District, along with corresponding County Utility Easements during Site Development, at the determination of the County Manager or designee, as conceptually shown in Exhibit "E", attached hereto and incorporated herein by reference.

3. Until permanent easements are granted and accepted, the County retains and otherwise reserves unto itself Temporary Public Access, Sidewalk, Drainage, and County Utility Easements over that portion of Trail Boulevard depicted as an 80-foot right of way adjacent to Lots 25 through 30, Block A, Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida, being more specifically shown in Exhibit "A", as a:

a. Temporary Public Access Easement for the construction, installation, maintenance, and operation of Trail Boulevard as a vehicular roadway open to the public;

b. Temporary Sidewalk Easement for the construction, installation, maintenance, and operation of sidewalks and other pedestrian access for the public;

c. Temporary Drainage Easement for the construction, installation, maintenance, and operation of drainage facilities and swales; and

d. Temporary County Utility Easement for the Collier County Water-Sewer District's construction, installation, maintenance, and operation of potable, non-potable, and sewer infrastructure;

each of which shall independently terminate upon the granting and acceptance of a respective permanent replacement easement, as evidenced by the subsequent Board resolution demonstrating satisfaction as prescribed in ¶ 4. The permanent replacement Public Access, Sidewalk and Drainage Easements shall be granted to the County, and the permanent County Utility Easement shall be granted to the Collier County Water-Sewer District at no cost within one year of the adoption of this resolution, with all closing costs borne by McCabe. The County Utility Easement shall be subordinate to the Public Access, Sidewalk and Drainage Easements.

4. A subsequent Board resolution demonstrating the satisfaction of the conditions of this resolution and acceptance of the permanent easements shall be recorded in the Public Records at McCabe's expense within three years of the adoption of this resolution, unless otherwise extended by the Board.

BE IT FURTHER RESOLVED AND ORDERED that the Clerk to the Board is hereby directed to record a certified copy of the Resolution in the Public Records of Collier County, Florida and to make proper notation of this Resolution on the plat of Pine Ridge, as recorded in Plat Book 3, Page 24, of the Public Records of Collier County, Florida .

THIS RESOLUTION ADOPTED after motion, second and majority vote favoring same, this 14th day of January 2025.

VACATION APPLICATION

REASON FOR REQUEST / STATEMENT EXPLAINING THE GENERAL PUBLIC BENEFIT FROM THE PROPOSED VACATION

A. The Request

As a threshold matter, please note that, since the first submittal, the Applicant has revised its request significantly to include retention of the existing vehicular and pedestrian two-way access over the to be vacated area, including access to and from the nearby 7-11 gas station. Further, as outlined hereinbelow, there are major existing public safety concerns in the subject area, all of which will be drastically improved through the subject vacation request. Sheriff Rambosk has reviewed the subject request and has issued a letter of recommendation (attached), particularly with respect to the safety improvements that will result from granting the subject vacation request and corresponding traffic calming measures. In addition to Sheriff Rambosk's endorsement, Applicant has included a Safety Analysis from Trebilcock Consulting Solutions, which further details the specific public safety benefits from a transportation engineer's perspective.

Applicant requests a vacation of a certain portion of platted right of way (the "To Be Vacated Area"), as described on Plat Book 3, Page 24, located along Trail Boulevard, immediately adjacent to the west of the properties located at 5380 Trail Boulevard and 5400 Trail Boulevard, Parcel IDs 67180880002 and 67180840000, respectively (the "Applicant's Property"), all as more particularly depicted in the document attached hereto and incorporated herein as **Exhibit A**. The purpose of the subject request is to beautify the To Be Vacated Area by installing and maintaining in perpetuity transformative landscaping and hardscaping as outlined in more detail below.

The subject request relates to Applicant's development of a luxury, five-star, five-diamond boutique hotel (the "Hotel") on Applicant's Property. The vision for the Hotel includes a transformation of the entirety of the corridor from Applicant's Property north to Ridge Drive and including the To Be Vacated Area. Specifically, in exchange for the vacation of the To Be Vacated Area, Applicant is willing to donate to the public transformative landscaping and streetscaping improvements to a much larger area than the To Be Vacated Area (the "Right of Way Improvements"), all as more particularly depicted in the graphic attached hereto and incorporated herein as **Exhibit B**, which has been revised to retain two-way pedestrian and vehicular access over the To Be Vacated Area.

As a condition of approval of the To Be Vacated Area, Applicant commits to work with County Staff through the right-of-way permitting process (including entering into the required landscape maintenance agreement) to install and maintain in perpetuity the Right of Way Improvements, which would extend from Applicant's Property north to Ridge Drive. This commitment is evidenced in the proposed Developer Agreement included in the resubmittal, which provides for indemnification and two-way access in favor of the County. The Right of Way Improvements would include state-of-the art hardscaping, lush landscaping, new curbing, upgraded sidewalks and sidewalk lighting to create a pedestrian-

friendly revival of this portion of Trail Boulevard. Further, the Right of Way Improvements contemplate additional green space, heavily landscaped median islands and a significant reduction of impervious area. The public benefits resulting from this transformative beautification are inherent within the Hotel's vision of making the Right of Way Improvements a walkable destination, the standards for which are consistent with a five-star, luxury hotel.

As an additional condition of approval of the To Be Vacated Area, Applicant commits that no structures will be constructed within the To Be Vacated Area; rather, lush landscaping and state-of-the art hardscaping will be provided. Applicant will also not disrupt any existing utilities; any and all existing utilities in the To Be Vacated Area will be granted replacement easements from Applicant.

Applicant's Property is located in Activity Center #12 of the Growth Management Plan for Collier County. Activity Centers were established with the goal of channeling capital improvements by the County to major nodes, encouraging the redevelopment of these areas at a higher intensity. The goal of the County in these areas is not to maintain the status quo, but rather to incentivize reinvestment in the Activity Centers. The C-4 Zoning District allows for hotels and motels in an Activity Center in furtherance of the goals of the Growth Management Plan.

As a condition to this vacation request, the Applicant is willing to provide significant improvements to the remaining Trail Boulevard right-of-way (north to Ridge Drive). These Right-of-Way Improvements are intended to encourage redevelopment of the properties to the north of Applicant's property in a manner consistent with the goals of the County, without requiring the expenditure of any public funds. The Applicant is providing a valuable service by pioneering the redevelopment of the east side of US 41.

The Right-of-Way Improvements, which are being made in furtherance of the area's future redevelopment, will increase the value of all properties along this portion of the Trail Boulevard right-of-way. Further, the vacation of the right-of-way at Applicant's site does not materially impact the accessibility of any of the properties along Trail Boulevard, as Applicant is committed to a condition requiring Applicant to maintain two-way access across the To-Be-Vacated Area, including to and from the nearby 7-11 gas station.

B. Historical Context

The portion of the right-of-way immediately south of the To Be Vacated Area (now part of the 7-11 property) was previously vacated in 1977. A copy of the historical documents relating to same are attached hereto and incorporated herein as **Exhibit C**. Applicant is seeking to have the same action applied to Applicant's Property as occurred in 1977 at the 7-11 property. Further, the purpose and intent of the 1977 vacation was to terminate Trail Boulevard such that Trail Boulevard no longer intersected with Pine Ridge Road. *See* July 12, 1977 Minutes in **Exhibit C**. Unfortunately, that never effectively occurred given the frequency of use of the 7-11 property as a "cut through" by Pine Ridge Road westbound

drivers seeking to travel northbound on Trail Boulevard. This has caused an alarming safety issue in the subject area which the subject vacation application solves.

C. Public Benefits: Increased Safety

The specific public benefits that would result from this vacation are categorized as follows: (1) increase in public safety; and (2) transformative beautification of the landscape/streetscape.

As outlined hereinabove, please note that, since the first submittal, the Applicant has revised its request significantly to include retention of the existing vehicular and pedestrian two-way access over the to be vacated area, including access to and from the nearby 7-11 gas station. Further, as outlined hereinbelow, there are major existing public safety concerns in the subject area, all of which will be drastically improved through the subject vacation request. Sheriff Rambosk has reviewed the subject request and has issued a letter of recommendation, particularly with respect to the safety improvements that will result from granting the subject vacation request and corresponding traffic calming measures. In addition to Sheriff Rambosk's endorsement, Applicant has included a Safety Analysis from Trebilcock Consulting Solutions, which further details the specific public safety benefits from a transportation engineer's perspective.

Specifically, with respect to increased safety, vacating the To Be Vacated Area will reduce the dangerous risks that exist today, providing an increased safety benefit to the public and improved pedestrian connectivity to 7-11 and the commercial corridor along Trail Boulevard. Currently, this portion of Trail Boulevard is frequently used by speeding automobiles who traverse across the 7-11 property because of the backup of traffic at the intersection of Pine Ridge Road and U.S. 41. The To Be Vacated Area is also very close to the U.S. 41 ingress/egress location for the 7-11 property and the existing turning movement is dangerous. In preparation for this application, Applicant has been in communication with both County Transportation Staff and FDOT Staff, who are both in support of an added deceleration lane on U.S. 41, as well as the establishment of a proper bus station to replace the hazardous station that currently exists. Applicant has also received feedback from the Collier County Sheriff's Office regarding the recurring dangers that result from use of the 7-11 property as a "cut through" by Pine Ridge Road westbound drivers seeking to head northbound on Trail Boulevard. Applicant is happy to provide supporting documentation from the Collier County Sheriff's Office in a supplemental submittal, highlighting the improved safety that would result from vacating the To Be Vacated Area.

Finally, the Right of Way Improvements that Applicant would donate in exchange for vacating the To Be Vacated Area would significantly add to the public safety benefits. The aesthetic transformation would result in a walkable destination with increased pedestrian and vehicular safety through improvements to the sidewalks – including new lighting – improvements to the bus station, as well as the landscaping and hardscaping elements. This would improve pedestrian connectivity all while providing a cohesive aesthetic consistent with the uncompromising standards of a five-star, luxury hotel.

Applicant has also engaged transportation engineer, Norman Trebilcock, owner of Trebilcock Consulting Solutions, who has conducted an analysis of the existing transportation dangers of the subject intersection as well as the increased safety benefits that would result from vacating the To Be Vacated Area. Mr. Trebilcock's Safety Memorandum is included with the resubmittal and he is available to provide any supplemental information requested by County Staff.

D. Public Benefits: Beautification of the Landscape/Streetscape

Beyond the significant public benefits outlined above, set forth below are the public benefits that would result specifically from the To Be Vacated Area and the Right of Way Improvements.

1. To Be Vacated Area

The To Be Vacated Area is currently used for parking with antiquated, impervious asphalt. Specifically, the To Be Vacated Area is eighty-two percent (82%) impervious. Should the To Be Vacated Area be vacated, the impervious area would be reduced to twenty-eight percent (28%), all as more particularly described in **Exhibit D**. This alone would recharacterize the aesthetics of the To Be Vacated Area.

2. Right of Way Improvements North to Ridge Drive

The quality of the landscape/streetscape near the Applicant's Property in the approximate northeast corner of the intersection of Pine Ridge Road and U.S. 41 is in need of significant improvement, particularly when compared to the lush, beautiful landscaping installed as part of the nearby Waterside Shops across U.S. 41. Applicant's vision for the Right of Way Improvements would match and even exceed the quality of landscape/streetscape adjacent to the Waterside Shops. The new landscape/streetscape would be truly transformative and would benefit the public in a number of ways, including without limitation a significantly improved aesthetic; a pedestrian-friendly, walkable corridor; job creation incident to the installation and maintenance of the subject landscape/streetscape; direct and indirect economic benefits to the businesses in this corridor and their respective customers; and a benefit from increased tourism incident to the patronage of the nearby businesses as well as the Hotel.

CLOSING THE INTERSECTION OF
TRAIL BOULEVARD WITH PINE RIDGE ROAD

WHEREAS, the Board of County Commissioners of Collier County, Florida, pursuant to petitioner's request and the authority granted in Chapter 336.09 and 336.10, Florida Statutes, and upon their own motion, have considered the closing of a portion of a road or alley hereinafter described; and

WHEREAS, the notice of public hearing to consider such closing was published according to the statute in such cases made and provided; and such public hearing was held on the 21st of June, 1977 by this Board; and

WHEREAS, it appears to be in the public interest that such portion of street be closed.

NOW, THEREFORE, BE IT RESOLVED that the following described portion of street is hereby closed:

> Access to the south end of the street known as Trail Boulevard will be closed where it intersects with the street known as Pine Ridge Road (SR-896), as recorded in PB3, page 24; Section 10, T49S, R25E.

BE IT FURTHER RESOLVED THAT the Clerk to the Board is hereby directed to have notice of the adoption of this Resolution advertised one time within 30 days of this date; and this Resolution and proof of publication of notice of adoption hereof be recorded in the official records of Collier County with notation to be entered upon the plat if same be within a recorded plat.

Commissioner Wimer offered the foregoing Resolution and moved its adoption, seconded by Commissioner Wenzel and upon roll call the vote was:

AYES: Commissioners Wimer, Wenzel, Pistor, Brown and Archer

NAYS: None

ABSENT AND NOT VOTING: None

Done and ordered this 12th day of July, 1977.

BOARD OF COUNTY COMMISSIONERS
COLLIER COUNTY, FLORIDA

ATTEST:

July 12, 1977

RESOLUTION RE CLOSING OF INTERSECTION OF TRAIL DRIVE AND PINE RIDGE ROAD, NORTH NAPLES - ADOPTED

Assistant County Engineer Barksdale stated that the proposed resolution is being presented for formal adoption pursuant to action taken by the Board June 21, 1977 regarding the closing of the intersection of Trail Drive and Pine Ridge Road, North Naples.

Commissioner Wimer moved, seconded by Commissioner Wenzel and carried by unanimous vote, that the following resolution regarding closing the aforementioned intersection be adopted:

*

H. Authorization to Advertise

1. Petition R-77-11-C by petitioner Joe Townsend requesting rezoning from "RM-1A" Residential Multiple Family to "CPC" General Retail

Assistant County Engineer Clifford Barksdale referred to a blueprint of the intersection in question and explained that the purpose for closing Trail Drive onto Pine Ridge Road is for the redesigning of the intersection, in accord with the following DOT recommendations:

1. Closing the frontage road, Trail Drive onto Pine Ridge Road.
2. Constructing an opening onto Trail Drive with turning lanes opposite the firt median break north of the Pine Ridge Road intersection.

Mr. Mike Zewalk, North Naples Civic Association, spoke in support of the closing of the aforesaid intersection.

There being no further parties registered to speak, Commissioner Wenzel moved, seconded by Commissioner Wimer and carried by unanimous vote, that the public hearing be closed.

Commissioner Wenzel moved that the request by the Department of Transportation and the Engineering Department regarding the closing of the intersection of Trail Drive with Pine Ridge Road, North Naples, be granted. The motion was seconded by Commissioner Wimer and carried by unanimous vote.

County Attorney Pickworth advised that the provisions of Chapter 336.60 Florida Statutes outlines the procedures for such project and the steps which have to be taken. Mr. Barksdale noted that staff will be made aware of the provisions.

RESOLUTION CREATING TAYLOR ROAD IMPROVEMENT DISTRICT FOR TAYLOR ROAD, ON THE NORTH SIDE OF PINE RIDGE ROAD, EAST OF PINE RIDGE MIDDLE SCHOOL ADOPTED; ENGINEERING DEPARTMENT AUTHORIZED TO PREPARE PLANS AND SPECIFICATIONS, AND TO ADVERTISE FOR BIDS

Legal notice having been published in the Naples Daily News on May 31, 1977, as evidenced by Affidavit of Publication filed with the Clerk, public hearing was held to consider a proposed resolution and petition for the creation of Taylor Road Improvement District consisting of that portion of Taylor Road from Pine Ridge Road north to join existing blacktop in J. C. Industrial Park for approximately 2,639 linear feet.

Assistant County Engineer Clifford Barksdale noted that the petition received contains eleven signatures, representing 50% plus 1 of the total property owners. He said that the cost estimate of the project

Avenue, N. across from Naples Park.

Petitioner Michael Miceli was present and asked that the petition referred to above be withdrawn.

Commissioner Wenzel moved, seconded by Commissioner Wimer and carried by unanimous vote, that Petition R-77-8-C be withdrawn as requested by the Petitioner.

PETITION V-77-11-C BY CAPTAIN WILLIAM O'CONNELL REQUESTING A VARIANCE TO THE MINIMUM REQUIREMENT OF A DUPLEX UNIT FROM 750 SQUARE FEET FOR LOTS 8, 9, 10, and 11, GOODLAND HEIGHTS - WITHDRAWN AT THE REQUEST OF PETITIONER

Legal notice having been published in the Marco Island Eagle on June 2, 1977, as evidenced by Affidavit of Publication filed with the Clerk, public hearing was held to consider Petition V-77-11-C by Captain William O'Connell requesting a variance to the minimum requirement of a duplex unit from 750 square feet for Lots 8, 9, 10, and 11, Goodland Heights.

Following County Manager Cunningham's statement that the Petitioner has requested that the petition be withdrawn, Commissioner Wenzel moved, seconded by Commissioner Wimer and carried by unanimous vote, that Petition V-77-11-C referred to above be withdrawn.

Re: 7-11 Located at 5320 Tamiami Trail N., Naples, FL 34108
Vacation of Trail Blvd.

To Whom it May Concern:

This Firm represents Waterside Hotel Development, LLC, and PJM & Sons Hospitality, LLC, with respect to their application for a vacation of the right-of-way of Trail Blvd. in front of 5380 Trail Blvd. and 5400 Trail Blvd.

The McCabe family, under PJM & Sons Hospitality, who played a critical role in the revitalization of 5th Avenue South in Naples, are asking for your support of a 5-star boutique hotel and Trail Blvd. revitalization project. PJM & Sons recently purchased the two south parcels of 5400 Trail Blvd. and 5380 Trail Blvd. The overarching goal of the property and development intent of Trail Blvd. is to build a destination 5-star boutique hotel and to improve the commercial district of Trail Blvd. from 7-11 to Ridge Drive.

Our client is seeking your support for the County vacation of the 80' Trail Blvd. right-of-way for the 300 linear foot frontage of the 5-star hotel development site. Such vacation will have no effect on current transportation circulation, preserving all means of ingress and egress to and from 7-11, Trail Blvd., US 41, and Pine Ridge Estates. If granted, PJM & Sons will donate and manage via a landscape agreement the entire Trail Blvd. landscaping from 7-11 to Ridge Drive, adding new landscaping, curb cuts, sidewalks, lamps, and other streetscape elements to enhance the commercial district of Trail Blvd. Such enhancements will have no impact on parking or access to property owners along Trail Blvd. and will be a significant improvement, creating a more attractive commercial district on the east side of US 41.

Our client is working with County and State transportation to also add a deceleration lane along US 41 and improve the present bus stop to promote safer and more functional ingress and egress. Attached are renderings of the hotel project, as well as a conceptual landscape/streetscape plan for Trail Blvd. Please note this is not supporting any specific plan, rather supporting the concept of the overall vacation and revitalization intent. Given the vacation from the County, PJM & Sons will continue an open dialogue with property owners along Trail Blvd. with all landscape plans for feedback and a mutually agreeable design.

Please review the materials which showcase the boutique hotel and Trail Blvd. landscape concept, and if you do not object, we would appreciate your signed Letter of No Objection of the vacation and revitalization project. Our client firmly believes this will be transformative for the area.

Sincerely,

DAVIES DUKE, PLLC

EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that _____, a _____ corporation, whose address is _____, ("Grantor"), in consideration of One Dollar and other valuable considerations paid to Grantor by **PEOPLES GAS SYSTEM**, **INC**., a Florida corporation, P.O. Box 2562, Tampa, Florida 33601 ("Company"), receipt whereof is hereby acknowledged, has given and granted unto the Company, its successors and assigns, a perpetual easement over and the right to enter upon the land in _____ County, Florida, described as follows:

See Exhibit "A" attached hereto and by reference made a part hereof ("Easement Parcel")

together with the right of ingress and egress to and from the same, and all rights therein and all privileges thereon which are or may be necessary or convenient for the full use and enjoyment of such easement, which is for the purposes of placing, constructing, operating, maintaining, repairing, replacing on and removing from said land, installations described as follows:

Underground gas line and aboveground and underground necessary appurtenances thereto, including without limitation telecommunications equipment, risers, and pipeline markers ("Facilities").

The width of the Easement (the "Easement Area") shall be ten (10) feet lying five (5) feet on each side of the centerline of the Facilities as installed or to be constructed.

The aforesaid rights and privileges granted shall include the right and privilege to root prune or remove any and all deep rooted vegetation upon said Easement Area and upon the Grantor's lands adjacent to said land, wherever the Company may deem it necessary or desirable to do so for the protection of said installations.

Company shall promptly repair any damage to the Easement Area, or any other property not owned by Company, caused by Company exercising its rights under this agreement, including ground cover, planting, roadways, driveways, sidewalks, and parking areas.

Grantor reserves the right to install minor landscaping, irrigation and/or fencing within the Easement parcel provided that it does not and will not directly interfere with the Company's Facilities, does not change grade, and does not cause water impoundment. Grantor further acknowledges that under the "Underground Facility Damage Prevention and Safety Act" (ch. 556 Fla. Stat.), that Grantor is obligated to notify "Sunshine State One-Call of Florida, Inc." of its intent to engage in excavation or demolition prior to commencing any work and that this notification system shall provide member operations an opportunity to identify and locate, if applicable, their underground Facilities prior to said excavation or demolition. In the event Grantor fails to notify as set forth above, Grantor may be held responsible for costs and expenses incurred due to damage of Company's Facilities.

The Company agrees, at the sole expense of Grantor, to relocate its Facilities, over, under and upon subject parcel

upon the request of Grantor, and the vacated portion of this easement being released and conveyed back to Grantor and the site of the relocated Facilities being conveyed and included in this easement grant as though it had been included ab initio.

Company, at its option and in its sole discretion, may remove those underground portions of the Facilities that should be removed and purge and cap any portions of abandoned Facilities to be left in place.

The Company agrees to amend the Easement Area at such time as Grantor provides to Company a survey of the natural gas facilities contemplated herein and a specific legal description of the revised easement area acceptable to the Company.

The terms "Grantor" and "Company" herein employed shall be construed to include the words "heirs, executors, administrators and assigns" and "successors and assigns" of the respective parties hereto, wherever the context so admits or requires. This Grant of Easement constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof. This Grant of Easement may not be changed, altered or modified except by an instrument in writing signed by the party against whom enforcement of such change would be sought. This Grant of Easement shall be binding upon the parties hereto and their respective successors and assigns.

Grantor warrants to Company that it is duly formed, validly existing and in good standing under the laws of its state of formation, and Grantor has all requisite right, power, and authority to enter into this Easement, Grantor owns the Easement Parcel, and no consent of any other person is required to render this Easement a valid and binding instrument.

IN WITNESS WHEREOF, the Grantor has executed this Grant of Easement this _____ day of _____, 20__.

Dear Neighbor,

The McCabe family, under PJM & Sons' Hospitality, who played a critical role in the revitalization of 5th Ave., are asking for your support of a 5-Star boutique Hotel and Trail BLVD revitalization project. PJM & Sons' recently purchased the two south parcels of 5400 Trail BLVD & 5380 Trail BLVD. The overarching goal of the property and development intent of Trail BLVD is to build a destination 5-star Boutique hotel and to improve the commercial district of Trail BLVD from 7/11 to Ridge Drive.

PJM & Sons' Hospitality is seeking your support for the county vacation of the 80' Trail BLVD right-of-way for the 300 linear foot frontage of the 5-star hotel development site. Such vacation will have no effect on current transportation circulation, preserving all means of ingress and egress to and from 7/11, Trail BLVD, 41, and Pine Ridge Estates. If granted, PJM & Sons will donate and manage via a landscape agreement the entire Trail BLVD landscaping from 7/11 to Ridge drive, adding new landscaping, curb cuts, sidewalks, lamps, and other streetscape elements to enhance the commercial district of Trail BLVD. Such enhancements will have no impact on parking or access to property owners along Trail BLVD. and will be a significant improvement, creating a more attractive commercial district on the East side of 41.

PJM & Sons is working with County and State transportation to also add a deceleration lane along 41 and improve the present bus stop to promote safer and more functional ingress and egress. Attached are renderings of the hotel project, as well as a conceptual landscape/streetscape plan for Trail BLVD. Please note this is not supporting any specific plan, rather supporting the concept of the overall vacation and revitalization intent. Given the vacation from the county, PJM & Sons' will form an open dialogue with property owners along Trail BLVD. with all landscape plans for feedback and a mutually agreeable design.

Please review the materials which showcase the boutique hotel and Trail BLVD landscape concept, and if you agree, we would appreciate your signed endorsement of the vacation and revitalization project. I firmly believe this will be transformative for the area.

Subject: Letter of No Objection – Vacation of Portion of Right-of-Way (Trail Boulevard)
5380-5400 Trail Blvd, Naples, FL 34108

Dear Mr. Davies,

The City of Naples Utilities Department is in receipt of your letter dated June 29, 2023 requesting:

The vacation of a certain portion of a right-of-way located adjacent to the above-referenced properties, as depicted in the attached exhibit.

The Utilities Department has reviewed the exhibit, and has confirmed that there are no existing City-owned water, sanitary sewer, or reclaimed water facilities located within that portion of the right-of-way that is proposed to be vacated.

The above referenced properties are connected to the City's sanitary sewer system on the south side of Pine Ridge Road, via a private lift station and sanitary forcemain. However, these properties are physically located outside of the City's water and sewer service area. If re-development of the above referenced properties is to occur in the future, and a connection to the Collier County Water-Sewer District is feasible, the City would seek to have the private sewer connection disconnected from the City's sanitary sewer system.

This correspondence serves as our formal **Letter of No Objection** to the above referenced right-of-way vacation. If you have any questions or require any additional information, please contact this office at 239-213-4713.

Sincerely,

Michelle Baines

RE: PL20240002006 Letter of No Objection - Vacation of Right
5380-5400 Trail Blvd., Naples, FL 34108

Dear Noel J. Davies,

We have reviewed your request for vacation at the above address:

PLAT BOOK 3 PAGE 24

In response to your request to vacate a portion of approximately 0.55 acres of land platted right of way, as described on the plat book 3, page 24, located along Trail Boulevard, adjacent to lot 25 through 30, block A, Pine Ridge Subdivision to the west of the properties Located at 5380 Trail Boulevard and 5400 Trail Boulevard with Parcel IDs 67180880002 and 67180840000.

The Collier County Road, Bridge and Stormwater Maintenance Division (RBSM) has reviewed your request for a vacation as per PL20240002006 and has no objection to the vacation of the 80'Wx 300'L ROW on Trail Blvd on the following conditions.

- In exchange for this vacation RBSM Division will retain XXX (WHEREVER AREA) from the end of the vacation point as the northeast corner of the intersection of Pine Ridge and US 41. A donation from the applicant to the public that also includes the transformative improvements on The Right of Way of the given area. It would include hardscaping, lush landscaping, new curbing, upgraded sidewalks and sidewalk lighting to create a pedestrian friendly revival of this portion of Trail Boulevard. Further, the Right of Way Improvements contemplate additional green space, heavily landscaped median islands and a significant reduction of impervious area.

  Response: *The County will retain Trail Blvd. from the end of the vacation point.*

- The applicant shall provide a two-way access easement to the County over the vacate area.

  Response: *The County will retain an access easement, a draft of which has been submitted and also shared with Robert Bosch.*

- All improvements shall be made in accordance with County Standards.

  Response: *Acknowledged.*

- The Collier County will not assume maintenance responsibility for roadways, pavers, curbing, sidewalk, landscaping, and drainage easements.

  Response: *Please see attached draft Landscape Maintenance Agreement.*

- The applicant commits that no structures will be constructed within the to be vacated area, rather, lush landscaping and state of the art hardscaping will be provided. The applicant shall not disrupt any existing utilities in the to be vacated area; current utilities will be granted replacement easements from the applicant.

  Response: *Applicant commits that no buildings will be constructed within the area to be vacated.*

RE: 5380-5400 Trail Blvd, Naples

To Whom It May Concern:

As Sheriff I directed staff to research the above styled request from the standpoint of public safety. This review included pulling records related to calls for service, traffic crashes and enforcement actions needed to maintain good order in the affected area. The data reveals that this small section of roadway is responsible for an inordinate number of calls for service.

Previously my legal staff reviewed the request for a letter of "No Objection" for the above described project with a vacation as described in your letter of June 28, 2023. In addition to the issuance of the requested letter of "No Objection" I would now like to go on record as recommending the vacation of this section of Trail Boulevard for the purpose of improving public safety in this area.

If I can be of further assistance in reaching a decision in this matter I stand ready to assist.

Sincerely,

Kevin J. Rambosk, Sheriff

Re: 7-11 Located at 5320 Tamiami Trail N., Naples, FL 34108
Vacation of Trail Blvd.

To Whom it May Concern:

This Firm represents Waterside Hotel Development, LLC, and PJM & Sons Hospitality, LLC, with respect to their application for a vacation of the right-of-way of Trail Blvd. in front of 5380 Trail Blvd. and 5400 Trail Blvd.

The McCabe family, under PJM & Sons Hospitality, who played a critical role in the revitalization of 5th Avenue South in Naples, are asking for your support of a 5-star boutique hotel and Trail Blvd. revitalization project. PJM & Sons recently purchased the two south parcels of 5400 Trail Blvd. and 5380 Trail Blvd. The overarching goal of the property and development intent of Trail Blvd. is to build a destination 5-star boutique hotel and to improve the commercial district of Trail Blvd. from 7-11 to Ridge Drive.

Our client is seeking your support for the County vacation of the 80' Trail Blvd. right-of-way for the 300 linear foot frontage of the 5-star hotel development site. Such vacation will have no effect on current transportation circulation, preserving all means of ingress and egress to and from 7-11, Trail Blvd., US 41, and Pine Ridge Estates. If granted, PJM & Sons will donate and manage via a landscape agreement the entire Trail Blvd. landscaping from 7-11 to Ridge Drive, adding new landscaping, curb cuts, sidewalks, lamps, and other streetscape elements to enhance the commercial district of Trail Blvd. Such enhancements will have no impact on parking or access to property owners along Trail Blvd. and will be a significant improvement, creating a more attractive commercial district on the east side of US 41.

Our client is working with County and State transportation to also add a deceleration lane along US 41 and improve the present bus stop to promote safer and more functional ingress and egress. Attached are renderings of the hotel project, as well as a conceptual landscape/streetscape plan for Trail Blvd. Please note this is not supporting any specific plan, rather supporting the concept of the overall vacation and revitalization intent. Given the vacation from the County, PJM & Sons will continue an open dialogue with property owners along Trail Blvd. with all landscape plans for feedback and a mutually agreeable design.

Please review the materials which showcase the boutique hotel and Trail Blvd. landscape concept, and if you do not object, we would appreciate your signed Letter of No Objection of the vacation and revitalization project. Our client firmly believes this will be transformative for the area.

Sincerely,

DAVIES DUKE, PLLC

RE: No Objection to Vacation of Right of Way at 5380-5400 Trail Blvd., Naples, Florida, 34108 Trail Blvd., adjacent to Lots 25 through 30, Block A, Pine Ridge Subdivision, Plat Book 3, Page 24

Dear Catherine,

In response to your request of proposed vacation of a portion of the right-of-way at 5380-5400 Trail Blvd., Naples, Florida, adjacent to Lots 25 through 30, Block A, Pine Ridge Subdivision, Plat Book 3, Page 24, as presented on the print sent to this office; LUMEN does not object provided Customer is willing to fund any relocation cost of all facilities and furnish any new easements/right of way that may be needed.

LUMEN has **5-buried copper entrance cables (3-25 pair cables, 1-50 pair cable, and 1-100 pair cable) located in the right of way with working customer services,** and there is no other access to serve these customers. LUMEN, therefore, does not want to relinquish right of way rights, unless Customer is willing to fund relocation cost of all facilities and furnish any new easements/right of way that maybe needed.

If you have any questions, please contact Bill Paul 727-449-3544 or bill.paul@lumen.com.

RESOLUTION 2021-_243

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, AMENDING RESOLUTION 2006-160, AS AMENDED, IN ORDER TO AMEND THE POLICIES AND PROCEDURES FOR: 1) THE CLOSING AND VACATION OF ROAD RIGHTS-OF-WAY; 2) THE VACATION AND ANNULMENT OF PLATS OR PORTIONS OF PLATS OF SUBDIVIDED LAND; AND 3) THE EXTINGUISHMENT OF PUBLIC EASEMENTS CONVEYED BY SEPARATE INSTRUMENT RECORDED IN THE PUBLIC RECORDS (CONVEYANCES OTHER THAN ON A SUBDIVISION PLAT) ON PLATTED OR UNPLATTED LAND, EXCEPT FOR PUBLIC ROADS, OR THE EXCHANGE OF REAL PROPERTY.

WHEREAS, the Board of County Commissioners of Collier County, Florida ("Board"), pursuant to sections 125.01, 125.37, 177.101, 336.09 and 336.10, Florida Statutes, Collier County Ordinance No. 2004-31, as amended, and the Collier County Land Development Code, is authorized to grant or deny vacations and annulments of plats of subdivided land, road rights-of-way, alleyways, and public dedicated easements conveyed by separate instrument recorded in the public records, and exchange of real property; and

WHEREAS, the Board, on July 25, 2006, adopted Resolution 2006-160, which superseded and replaced Resolution 1998-465, establishing the policies and procedures previously established for the above; and

WHEREAS, the Board, on September 10, 2013, adopted Resolution 2013-166, which amended Resolution 2006-160, to further amend the policies and procedures previously established for the above; and

WHEREAS, the Board desires to further amend the policies and procedures for: 1) closing and vacation of road rights-of-way; 2) vacation and annulment of plats or portions of plats of subdivided land; and 3) extinguishment of public easements conveyed by separate instrument records in the public records (conveyances other than on a subdivision plat) on platted or unplatted land, except for public roads, and exchange of real property.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

1. This Resolution amends Resolution No. 2006-160, as amended, as set forth in the following Attachments.

2. The policies and procedures for the closing and vacation of road rights-of-way are amended and set forth in Attachment "A", incorporated herein and made part of this Resolution.

3. The policies and procedures for the vacation and annulment of plats or portions of plats of subdivided land are amended and set forth in Attachment "B", incorporated herein and made part of this Resolution.

4. The policies and procedures for the extinguishment of public easements conveyed by separate instrument records in the public records (conveyances other than on a subdivision plat) on platted or unplatted land, except for public roads, or the exchange of real property, are amended and set forth in Attachment "C", incorporated herein and made a part of this Resolution.

BE IT ALSO RESOLVED that the Clerk be directed to record this Resolution in the Public Records of Collier County, Florida.

THIS RESOLUTION ADOPTED after motion, second, and majority vote favoring same this 14th day of December, 2021.

POLICY AND PROCEDURE ON THE CLOSING AND VACATION OF ROAD RIGHT-OF-WAY

A. AUTHORITY: –Sections 336.09 and 336.10, Florida Statutes.

B. POLICY: When a request is in the interest of the general public welfare or where no public detriment is established and when said request does not invade or violate individual property rights and otherwise qualifies under ~~S~~section 336.09, Florida Statutes, the Board of County Commissioners (BCC) may:

1. Vacate, abandon, discontinue and close any existing public or private street, alleyway, road, highway, or other place used for travel, or any portion thereof, other than a state or federal highway, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith.

2. Renounce and disclaim any right of the County and the public in and to any land, or interest therein, acquired by purchase, gift, devise, dedication or prescription for street, alleyway, road or highway purposes, other than lands acquired for state and federal highways.

3. Renounce and disclaim any right of the County and the public in and to land, other than land constituting, or acquired for, a state or federal highway, delineated on any recorded map or plat as a street, alleyway, road, highway or other place used for vehicular travel.

C. PROCEDURE:

1. An application for the vacation of road right-of-way is to be completed along with the listed items needed for review and to be submitted to Growth Management, Development Review Division ~~/ Planning and Regulation, Engineering Services Section~~. It must be accompanied by a non-refundable application fee (refer to Growth Management, Development Services' ~~/ Planning and Regulation~~ current fee schedule for the applicable fee).

2. The petitioner must also provide:

   a) Evidence to show that the petitioner owns the fee simple title to the whole or that part of the parcel sought to be vacated (F~~EE~~ee S~~IMPLE~~imple D~~EED~~eed). If petitioner is

not the owner of the fee simple title, petitioner shall provide a statement demonstrating the reason for the request including any property or financial interest or projects affected by a granting of such request.

b) A statement explaining the general public benefit received from the proposed vacation.

c) A copy of the document which granted, conveyed or dedicated the right-of-way to the County or the public.

d) Certificate(s) showing all State and County taxes have been paid for the subject parcel if petitioner is the owner or the agent of owner of the fee simple title to the whole or part of the parcel sought to be vacated. (Available from the Collier County Tax Collector's Office, Building C-1, at the Government Center).

e) Assessment Map depicting area of proposed vacation. (Available from the Collier County Property Appraiser's Office, Radio Road).

f) List of abutting and other property owners within 250 feet of the proposed vacation to include:

(1) Name
(2) Address
(3) Zip Code
(4) Parcel Number

g) Site Plan - the site plan must be on 8 ½" X 11" paper and show all data pertinent to the proposed vacation, which shall include at least the following:

(1) Date of drawing
(2) Scale
(3) North arrow
(4) Locations and dimensions of property lines, abutting rights-of-way, easements, setbacks, off-street parking, and proposed and/or existing above and below grade structures~~, and any proposed landscaping.~~
(5) Location of proposed vacation and, if applicable, proposed dedication~~.~~

h) A sketch and ~~L~~legal description of what is to be vacated submitted on 8 ½" X 11" paper labeled in bold capital letters as EXHIBIT "A"~~. This legal description is to be accompanied by a sketch of the legal description.~~ Both the legal description and sketch are to be signed and sealed by a Florida Professional Surveyor and Mapper and have a "Prepared by" block listing the name and address of the Florida Professional Surveyor and Mapper.

i) When applicable, a copy of the recorded subdivision plat. (Available from the Clerk of Court Recording Department online or on the 2nd~~nd~~ Floor of the Collier County Courthouse).

~~i)~~j) A property ownership disclosure form listing all persons with equitable interests in the application.

~~j)~~k) "Letters of No Objection" from all pertinent utility companies or authorized users of the easement and/or dedicated public area as determined by the Growth Management, Development Review Division ~~/ Planning and Regulation~~ Administrator or ~~his~~ their designee. Such letters may include but shall not be limited to the following:

(1) Electric Company
(2) Telephone Company
(3) Cable Television Company
(4) Collier County Sheriff's Office
(5) Homeowner's Association
(6) Rescue and Fire Control District
(7) Adjacent property owners

The letter sent to the utility companies and authorized users requesting a "Letter of No Objection" shall contain the statement "I have no objection to the proposed vacation" at the bottom of the letter with a signature block directly below it.

Upon submitting the petition for approval, ~~Engineering Services~~ Development Review Division will distribute the package to the following areas for their approval or objection:~~.~~

(~~1~~8) Collier County Public Utilities Engineering & Project Management Division ~~Utilities/PUED~~
(~~2~~9) Collier County ~~Engineering Services~~Development Review Division ~~Subdivision Review~~
(~~3~~10) Collier County ~~Engineering Services~~Capital Project Planning, Impact Fees & Program Management Division – Stormwater Review
(~~4~~11) Collier County Capital Project Planning, Impact Fees & Program Management Division – Transportation ~~Department~~ Planning Review

If the petitioner is unable to get the pertinent "approvals" or Letters of No Objection~~s~~ from those listed above, then the application is deemed denied.

~~k)~~l) If a replacement easement is required by Collier County, the reviewing parties are under no obligation to accept the offered alternative. If a Petition to Vacate is premised on the grant of a replacement easement, the Board will not take action on the Petition until the instrument necessary to grant the alternative real property interest has been accepted in form and content by all reviewing parties and the County Attorney's Office, it is properly executed by the granting or conveying entity,

and delivered to the County Attorney's Office to be held in trust pending the Board's consideration of the requested vacation. If a replacement easement is required by Collier County, the following shall be submitted:

(1) A sketch and ~~L~~legal description ~~and sketch~~ of what is to be dedicated, prepared along with a current attorney's title opinion or certification by a title company and noted on the sketch, signed and sealed by a Florida Professional Surveyor and Mapper and have a "Prepared by" block listing the name and address of the Professional Surveyor and Mapper~~,~~.
(2) An attorney's title opinion or certification by a title company ~~Ownership & Encumbrance Report by a title company~~ (current)~~,~~.
(3) Executed conveyance document, and~~.~~
(4) Executed subordination documents.

3. ~~Engineering Services~~Development Review Division will review the petition application for completeness and compliance with this Resolution. ~~Engineering Services~~Development Review Division will prepare an appropriate executive summary and resolution and transmit both documents to the County Attorney's Office for approval.

   If approved as to form and legality by the County Attorney, the petition will be filed with the Clerk to the Board with a request for a time and date for a public hearing. The petition may be placed on the BCC agenda to establish a time and date for a public hearing by Resolution pursuant to ~~S~~section 336.09, Florida Statutes.

4. Once the time and date of the public hearing is~~are~~ established, the Clerk to the Board shall publish legal notice of the hearing one time in a newspaper of general circulation at least two weeks prior to the date stated therein for such hearing.

5. The petitioner and all property owners within 250 feet (and others as may be required by the ~~Engineering Services~~Development Review Division) of the requested vacation parcel shall be given notice by the Clerk to the Board; stating time, place and date of public hearing, by regular mail. If the number of property owners within two hundred fifty feet (250') exceeds twenty (20), petitioner shall incur an additional postage and handling charge of fifty cents ($.50) per additional property owner.

6. In the event that the petitioner for the property in question does not represent ~~him~~themself at the public hearing(s), they must provide a signed letter or other appropriate documentation which authorizes another specific person to represent ~~him~~them.

7. The Board of County Commissioners shall then hold a public hearing and any approved resolution by such governing body shall have the effect of vacating all requested streets and alleys which have not become highways necessary for use by the traveling public.

8. Notice of the adoption of such a resolution by the Commissioners shall be published by the Clerk to the Board one time, within 30 days following its adoption, in one issue of a newspaper of general circulation published in the County. The proof of publication of

notice of public hearing, a certified copy of the resolution, and the proof of publication of the notice of the adoption of such resolution shall be recorded by the Clerk to the Board in the Public Records of the County.

9. The processing of this petition shall coincide, where applicable, with the processing of such other platting or land use change applications proposed for the same property with regard to submissions of applications, staff reviews, reviews by advisory bodies, or the Board of County Commissioners, so that the decision on such vacation shall occur at the same meeting at which time the ~~reuse~~ application is reviewed by the Board of County Commissioners.

10. Once the application is accepted for review it will remain under review so long as a resubmittal in response to a county reviewer's comments is received within 90 days of the date on which the comments were sent to the applicant with a one time extension of an additional 90 days upon written notification. If a response is not received within this time, the application ~~for request review~~ will be considered withdrawn. Further review of the project will require a new application subject to the then current code.

(1) Sketch and ~~L~~legal description ~~and sketch~~ of what is to be dedicated, prepared along with a current attorney's title opinion or certification by a title company and noted on the sketch, signed and sealed by a Florida Professional Surveyor and Mapper and have a "Prepared by" block listing the name and address of the Professional Surveyor and Mapper~~.~~
(2) Attorney's title opinion or ~~Ownership & encumbrance Report~~certification by a title company (current)~~.~~
(3) Executed conveyance document, and~~.~~
(4) Executed subordination documents.

3. Development Review Division will review the petition for completeness and compliance with this Resolution. ~~Engineering Services~~Development Review Division will prepare an appropriate executive summary and resolution and transmit both documents to the County Attorney's Office for approval.

   If approved as to form and legality by the County Attorney, the petition will be filed with the Clerk to the Board with a request for a time and date for a public hearing.

4. Once the time and date of the agenda item is~~are~~ established, the Clerk to the Board shall publish legal notice of the hearing in not less than two weekly issues of a newspaper of general circulation in the County, pursuant to ~~S~~section 177.101, Florida~~.~~ Statutes.

5. The petitioner and all property owners within 250 feet (and others as may be required by ~~Engineering Services~~the Development Review Division) of the requested vacation parcel shall be given notice by the Clerk to the Board; stating time, place and date of the agenda item, by regular mail. If the number of property owners within two hundred fifty feet (250') exceeds twenty (20), petitioner shall incur an additional postage and handling charge of fifty cents ($.50) per additional property owner. If the County receives an objection or anticipates an objection to the vacation request, then the agenda item shall be scheduled under advertised public hearings in the BCC Agenda.

6. In the event that the owner for the property in question does not represent ~~him~~themself at the BCC meeting, they must provide a signed letter or other appropriate documentation which authorizes another specific person to represent ~~him~~them.

7. The County Commission may adopt a resolution vacating plats in whole or in part of subdivisions in the -County, returning the property covered by such plats either in whole or part into acreage.

8. A certified copy of any approved resolution shall be recorded in the public records of Collier County.

9. The processing of this petition shall coincide, where applicable, with the processing of such other platting or land use change applications proposed for the same property with regard to submissions of applications, staff reviews, reviews by advisory bodies, or the Board of County Commissioners, so that the decision on such vacation shall occur at the same meeting at which time the ~~reuse~~ application is reviewed by the Board of County Commissioners.

10. Once the application is accepted for review it will remain under review so long as a resubmittal in response to a county reviewer's comments is received within 90 days of the date on which the comments were sent to the applicant with a one time extension of an additional 90 days upon written notification. If a response is not received within this time, the application ~~for request review~~ will be considered withdrawn and cancelled. Further review of the project will require a new application subject to the then current code.

Executive Summary

Recommendation to adopt a Resolution approving amendments (appropriating carry forward, transfers, and supplemental revenue) to the Fiscal Year 2024-25 Adopted Budget. (The Budget Amendments in the attached Resolution have been reviewed and approved by the Board of County Commissioners via separate Executive Summaries.)

OBJECTIVE: That the Board of County Commissioners adopts the attached resolution and the related amendments that amend the Fiscal Year 2024-25 adopted budget in accordance with Section 129.06, Florida Statutes.

CONSIDERATIONS: Section 129.06, Florida Statutes defines how an annual budget, as adopted by the Board, can be amended. Certain budget amendments that increase the total appropriations of a fund over the adopted annual budget must be approved by resolution of the Board of County Commissioners after an advertised public hearing. Budget amendments requiring such approval include the appropriation of carry forward, interfund transfers, and supplemental revenue.

The budget amendments in the attached resolution cover Board approved items through December 10, 2024.

This is a public hearing to amend the budget for Fiscal Year 2024-25. Each of these budget amendments has been reviewed and approved by the Board of County Commissioners via separate Executive Summaries.

A summary of the attached resolution has been advertised as required in Section 129.06 Florida Statutes. The attached resolution was available for public review and inspection with the related budget amendments and executive summary at the Office of Management and Budget. The amendments and summary are included herein by reference in the resolution.

FISCAL IMPACT: The amendments and related executive summaries, which were previously considered and approved by the Board, contained their respective fiscal impact statements.

GROWTH MANAGEMENT IMPACT: There is no Growth Management Impact associated with this Executive Summary.

LEGAL CONSIDERATIONS: The County Attorney's Office has reviewed and approved the attached resolution for legal sufficiency - JAK.

RECOMMENDATIONS: To adopt the attached Resolution amending the Fiscal Year 2024-25 Adopted Budget.
