This Agreement for the Deferral of 100% of Impact Fees is entered into this 6th day of October, 2003 by and between Collier County, a political subdivision of the State of Florida, through its the Board of County Commissioners, hereinafter referred to as "COUNTY," and Habitat for Humanity of Collier County, Inc., hereinafter referred to as "OWNER," collectively stated as the "Parties."

RECITALS:

WHEREAS, Collier County Ordinance No. 2001-12, the Collier County Consolidated Impact Fee Ordinance, as amended by 2002-34, and as it may be further amended from time to time, hereinafter collectively referred to as "Impact Fee Ordinance," provides for deferrals of impact fees for new owner-occupied dwelling units qualifying as affordable housing; and

WHEREAS, OWNER has applied for a deferral of 100% of impact fees as allowed by the Impact Fee Ordinance, and a copy of said application is on file in the office of Financial Administration and Housing Department; and

WHEREAS, the County Manager, or his designee, has reviewed the OWNER'S application and has found that it complies with the requirements for an affordable housing 100% deferral of impact fees as set forth in the Impact Fee Ordinance; and

WHEREAS, an impact fee deferral agreement may be presented in lieu of payment of the requisite impact fees subject to satisfaction of all criteria in the Impact Fee Ordinance qualifying the project as eligible for an impact fee deferral; and

WHEREAS, pursuant to Section 74-201, E.1.b. of the Impact Fee Ordinance, as codified in the County's Code of Laws and Ordinances (Code of Laws), the County Manager is authorized to execute certain Impact Fee Deferral Agreements; and

WHEREAS, the Impact Fee Ordinance requires that the OWNER enter into an Agreement with the COUNTY, and

WHEREAS, by signing this Agreement, the County Manager will approve a deferral of impact fees for OWNER in support of creating Affordable Housing.

NOW, THEREFORE, in consideration of the foregoing Recitals, and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties covenant and agree as follows:

1. RECITALS INCORPORATED. The foregoing Recitals are true and correct and are incorporated by reference herein.
2. LEGAL DESCRIPTION. The legal description of the dwelling unit and its site plan (the "Dwelling Unit") is attached as Exhibit "A," and is incorporated by reference herein.
3. TERM. The term of this Agreement is for no longer than a period of fifteen (15) years commencing from the date the certificate of occupancy is issued for the Dwelling Unit. During this term the Dwelling Unit must remain as affordable housing and may only be offered for sale in accordance with the standards set forth in the Impact Fee Ordinance and this Agreement.
4. REPRESENTATIONS AND WARRANTIES. The OWNER represents and warrants the following:
    a. OWNER's household earnings will not exceed the limit for low income as defined in the Impact Fee Ordinance, and the OWNER's monthly

FOR RECORDED COPY

payments to purchase and pay for the Dwelling Unit will remain within the affordable housing guidelines established in the Impact Fee Ordinance;

b. Owner is a first-time home buyer;

c. The Dwelling Unit is, and will remain, the homestead of the OWNER or any subsequent owner;

d. OWNER is the owner of record of the Dwelling Unit, and pursuant to the Impact Fee Ordinance owes impact fees in the total amount of $13,149.98, as set forth in attached Exhibit "B," incorporated by reference; and

e. In return for the COUNTY deferring repayment of 100% of the impact fees owed by OWNER until no later than the expiration of the TERM, OWNER further covenants and agrees to comply with the affordable housing impact fee deferral qualification criteria detailed in the Impact Fee Ordinance during the term of this Agreement.

5. SUBSEQUENT TRANSFER; REPAYMENT. If OWNER sells the Dwelling Unit which is subject to the impact fee deferral to a subsequent purchaser, the Dwelling Unit shall be sold only to persons or households meeting the deferral qualifying criteria set forth in the Impact Fee Ordinance. In the case of sale or transfer by gift of the Dwelling Unit, the original OWNER shall remain liable for the impact fees deferred until said impact fees are paid in full or until the conditions set forth in the Impact Fee Ordinance and this Agreement are satisfied.

6. AFFORDABLE REQUIREMENT. The Dwelling Unit must be utilized for affordable housing as defined in the Impact Fee Ordinance during the term of this Agreement; and if the Dwelling Unit ceases to be utilized for that purpose during such period, the full amount of the deferred impact fees shall be immediately repaid to the COUNTY.

7. LIEN. Owner agrees that, commencing on the effective date of this Agreement and continuing until paid or released, the dollar amount of deferred impact fee shall constitute and be a lien on the Dwelling Unit in the amount of Thirteen Thousand

NOT CERTIFIED COPY

One Hundred Forty-Nine dollars and 98/100 ($13,149.98), as set forth in attached Exhibit "B." This lien may be foreclosed upon in the event of default under this Agreement. Provided that if the OWNER is the mortgagor, the COUNTY and OWNER agree that by, and in consideration of a suitable security collateral being provided by the OWNER to the COUNTY, then all of the COUNTY'S lien rights and interests arising under this Agreement are to be considered junior, inferior, and subordinate to each first mortgage on the Dwelling Unit. Except as elsewhere noted in this Agreement, and regardless of any foreclosure on the first mortgage or other security interest, such lien shall otherwise be superior and paramount to the interest in the Dwelling Unit of any owner, lessee, tenant, mortgagee, or other person, except that this lien shall be on parity with any lien for County taxes.

8. RELEASE OF LIEN. Upon satisfactory completion of this Agreement's requirements, including payment of the deferred impact fees, the COUNTY shall, at the expense of the COUNTY, record any necessary documentation evidencing such payment, including, but not limited to, a release of lien.

9. BINDING EFFECT. This Agreement shall run with the land and be binding upon the Parties to this Agreement, their heirs, successors, and assigns

10. RECORDING. This Agreement shall be recorded by COUNTY at the expense of COUNTY in the Official Records of Collier County, Florida, within sixty (60) days after execution of this Agreement by the County Manager.

11. DEFAULT. OWNER shall be in default of this Agreement and the impact fees immediately deemed to be delinquent and in default in accordance with Code of Laws Section 74-501 of the codified Impact Fee Ordinance if:

    a. OWNER fails to sell the Dwelling Unit in accordance with the affordable housing standards and qualification criteria established in the Impact Fee Ordinance, and thereafter, fails to pay the impact fees due plus an additional 10% delinquency fee and any interest due from the date that those impact fees would otherwise have become due as set forth in Code

of Laws Section 74-501, B. within thirty (30) days of mailing of written notice of said non-compliance, or

b. OWNER continues to violate any of the affordable housing qualification criteria in the Impact Fee Ordinance for a period of fifteen (15) days after mailing of written notice of the violation.

12. REMEDIES. The following remedies are cumulative with any other right or remedy available to the COUNTY:

a. Should the OWNER of the property: (1) fail to comply with the said qualification criteria at any time during the fifteen (15) year term; or (2) violate any provisions of this Agreement, then the dollar amount of impact fees deferred shall be paid in full by OWNER to the COUNTY within thirty (30) days of written notification of said violation.

b. Should the OWNER otherwise be in default of this Agreement, and the default is not cured within ninety (90) days after mailing of written notice to the OWNER, the COUNTY may bring a civil action to enforce the Agreement.

c. In addition, the lien may be foreclosed, or otherwise enforced by the COUNTY, by action or suit in law or equity including the foreclosure of a mortgage on real property. The COUNTY shall be entitled to recover all fees and costs, including attorneys fees, plus interest at the statutory rate for judgments calculated on a calendar day basis until paid.

AGREEMENT FOR DEFERRAL OF 100% OF COLLIER COUNTY IMPACT FEES FOR SINGLE-FAMILY AFFORDABLE HOUSING DWELLING

This Agreement for the Deferral of 100% of Impact Fees is entered into this 6th day of October, 2003 by and between Collier County, a political subdivision of the State of Florida, through its the Board of County Commissioners, hereinafter referred to as "COUNTY," and Habitat for Humanity of Collier County, Inc., hereinafter referred to as "OWNER," collectively stated as the "Parties."

RECITALS:

WHEREAS, Collier County Ordinance No. 2001-12, the Collier County Consolidated Impact Fee Ordinance, as amended by 2002-34, and as it may be further amended from time to time, hereinafter collectively referred to as "Impact Fee Ordinance," provides for deferrals of impact fees for new owner-occupied dwelling units qualifying as affordable housing; and

WHEREAS, OWNER has applied for a deferral of 100% of impact fees as allowed by the Impact Fee Ordinance, and a copy of said application is on file in the office of Financial Administration and Housing Department; and

WHEREAS, the County Manager, or his designee, has reviewed the OWNER'S application and has found that it complies with the requirements for an affordable housing 100% deferral of impact fees as set forth in the Impact Fee Ordinance; and

WHEREAS, an impact fee deferral agreement may be presented in lieu of payment of the requisite impact fees subject to satisfaction of all criteria in the Impact Fee Ordinance qualifying the project as eligible for an impact fee deferral; and

WHEREAS, pursuant to Section 74-201, E.1.b. of the Impact Fee Ordinance, as codified in the County's Code of Laws and Ordinances (Code of Laws), the County Manager is authorized to execute certain Impact Fee Deferral Agreements; and

WHEREAS, the Impact Fee Ordinance requires that the OWNER enter into an Agreement with the COUNTY, and

WHEREAS, by signing this Agreement, the County Manager will approve a deferral of impact fees for OWNER in support of creating Affordable Housing.

NOW, THEREFORE, in consideration of the foregoing Recitals, and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties covenant and agree as follows:

1. RECITALS INCORPORATED. The foregoing Recitals are true and correct and are incorporated by reference herein.
2. LEGAL DESCRIPTION. The legal description of the dwelling unit and its site plan (the "Dwelling Unit") is attached as Exhibit "A," and is incorporated by reference herein.
3. TERM. The term of this Agreement is for no longer than a period of fifteen (15) years commencing from the date the certificate of occupancy is issued for the Dwelling Unit. During this term the Dwelling Unit must remain as affordable housing and may only be offered for sale in accordance with the standards set forth in the Impact Fee Ordinance and this Agreement.
4. REPRESENTATIONS AND WARRANTIES. The OWNER represents and warrants the following:
    a. OWNER's household earnings will not exceed the limit for low income as defined in the Impact Fee Ordinance, and the OWNER's monthly

SCANNED

payments to purchase and pay for the Dwelling Unit will remain within the affordable housing guidelines established in the Impact Fee Ordinance;

b. Owner is a first-time home buyer;

c. The Dwelling Unit is, and will remain, the homestead of the OWNER or any subsequent owner;

d. OWNER is the owner of record of the Dwelling Unit, and pursuant to the Impact Fee Ordinance owes impact fees in the total amount of $13,149.98, as set forth in attached Exhibit "B," incorporated by reference; and

e. In return for the COUNTY deferring repayment of 100% of the impact fees owed by OWNER until no later than the expiration of the TERM, OWNER further covenants and agrees to comply with the affordable housing impact fee deferral qualification criteria detailed in the Impact Fee Ordinance during the term of this Agreement.

5. SUBSEQUENT TRANSFER; REPAYMENT. If OWNER sells the Dwelling Unit which is subject to the impact fee deferral to a subsequent purchaser, the Dwelling Unit shall be sold only to persons or households meeting the deferral qualifying criteria set forth in the Impact Fee Ordinance. In the case of sale or transfer by gift of the Dwelling Unit, the original OWNER shall remain liable for the impact fees deferred until said impact fees are paid in full or until the conditions set forth in the Impact Fee Ordinance and this Agreement are satisfied.

6. AFFORDABLE REQUIREMENT. The Dwelling Unit must be utilized for affordable housing as defined in the Impact Fee Ordinance during the term of this Agreement; and if the Dwelling Unit ceases to be utilized for that purpose during such period, the full amount of the deferred impact fees shall be immediately repaid to the COUNTY.

7. LIEN. Owner agrees that, commencing on the effective date of this Agreement and continuing until paid or released, the dollar amount of deferred impact fee shall constitute and be a lien on the Dwelling Unit in the amount of Thirteen Thousand

NOT RECORDED

One Hundred Forty-Nine dollars and 98/100 ($13,149.98), as set forth in attached Exhibit "B." This lien may be foreclosed upon in the event of default under this Agreement. Provided that if the OWNER is the mortgagor, the COUNTY and OWNER agree that by, and in consideration of a suitable security collateral being provided by the OWNER to the COUNTY, then all of the COUNTY'S lien rights and interests arising under this Agreement are to be considered junior, inferior, and subordinate to each first mortgage on the Dwelling Unit. Except as elsewhere noted in this Agreement, and regardless of any foreclosure on the first mortgage or other security interest, such lien shall otherwise be superior and paramount to the interest in the Dwelling Unit of any owner, lessee, tenant, mortgagee, or other person, except that this lien shall be on parity with any lien for County taxes.

8. RELEASE OF LIEN. Upon satisfactory completion of this Agreement's requirements, including payment of the deferred impact fees, the COUNTY shall, at the expense of the COUNTY, record any necessary documentation evidencing such payment, including, but not limited to, a release of lien.

9. BINDING EFFECT. This Agreement shall run with the land and be binding upon the Parties to this Agreement, their heirs, successors, and assigns

10. RECORDING. This Agreement shall be recorded by COUNTY at the expense of COUNTY in the Official Records of Collier County, Florida, within sixty (60) days after execution of this Agreement by the County Manager.

11. DEFAULT. OWNER shall be in default of this Agreement and the impact fees immediately deemed to be delinquent and in default in accordance with Code of Laws Section 74-501 of the codified Impact Fee Ordinance if:

    a. OWNER fails to sell the Dwelling Unit in accordance with the affordable housing standards and qualification criteria established in the Impact Fee Ordinance, and thereafter, fails to pay the impact fees due plus an additional 10% delinquency fee and any interest due from the date that those impact fees would otherwise have become due as set forth in Code

NOT OFFICIAL DOCUMENT

of Laws Section 74-501, B. within thirty (30) days of mailing of written notice of said non-compliance, or

b. OWNER continues to violate any of the affordable housing qualification criteria in the Impact Fee Ordinance for a period of fifteen (15) days after mailing of written notice of the violation.

12. REMEDIES. The following remedies are cumulative with any other right or remedy available to the COUNTY:

a. Should the OWNER of the property: (1) fail to comply with the said qualification criteria at any time during the fifteen (15) year term; or (2) violate any provisions of this Agreement, then the dollar amount of impact fees deferred shall be paid in full by OWNER to the COUNTY within thirty (30) days of written notification of said violation.

b. Should the OWNER otherwise be in default of this Agreement, and the default is not cured within ninety (90) days after mailing of written notice to the OWNER, the COUNTY may bring a civil action to enforce the Agreement.

c. In addition, the lien may be foreclosed, or otherwise enforced by the COUNTY, by action or suit in law or equity including the foreclosure of a mortgage on real property. The COUNTY shall be entitled to recover all fees and costs, including attorneys fees, plus interest at the statutory rate for judgments calculated on a calendar day basis until paid.

Executive Summary

Recommendation to approve and authorize the Chairman to sign an Assumption Agreement assigning all rights, duties, benefits, and obligations to Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company, concerning Agreement #18-7432-CE, "Professional Services Library Civil Engineering Category".

OBJECTIVE: To assign all rights, duties, benefits and obligations concerning Agreement No. 18-7432-CE to Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company.

CONSIDERATIONS: On February 25, 2020, Agenda Item No. 16.E.7, the Board awarded Agreement No. 18-7432-CE, "Professional Services Library Civil Engineering Category" to Robau and Associates, LLC for civil engineering services (the "Agreement").

Effective September 12, 2024, Robau and Associates, LLC merged with Bowman Gulf Coast, LLC. Bowman Gulf Coast, LLC is registered to transact business in Florida and represents and warrants that it is now the successor in interest to the above Agreement entered into with the County. Staff obtained documentation of the merger, along with other necessary business documents from Bowman Gulf Coast LLC, which have been reviewed and accepted by the County Attorney's Office.

Staff is recommending approval of the attached Assumption Agreement with the surviving entity, "Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company," assigning all rights, duties, benefits, and obligations under the Agreement, including any amendments thereto.

FISCAL IMPACT: There is no fiscal impact associated with this action.

GROWTH MANAGEMENT IMPACT: There is no growth management impact associated with this action.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. - CJS

RECOMMENDATIONS: To approve an Assumption Agreement assigning all rights, duties, benefits, and obligations to Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company under Agreement #18-7432-CE, "Professional Services Library Civil Engineering Category" and authorize the Chairman to sign the attached Agreement.

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that:

a. You agree in a written contract or agreement to include as an additional insured on this Coverage Part; and

b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement's schedule;

is an insured, but:

a. Only with respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and

b. Only as described in Paragraph **(1)**, **(2)** or **(3)** below, whichever applies:

(1) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the written contract or agreement applies;

(2) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; or

(3) If neither Paragraph **(1)** nor **(2)** above applies:

(a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; and

(b) Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether

© 2017 The Travelers Indemnity Company. All rights reserved.

this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section **III** – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

(1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

(b) Supervisory, inspection, architectural or engineering activities.

(2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

(1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

(a) How, when and where the "occurrence" or offense took place;

(b) The names and addresses of any injured persons and witnesses; and

(c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

(2) If a claim is made or "suit" is brought against the additional insured:

(a) Immediately record the specifics of the claim or "suit" and the date received; and

(b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.

(3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

(4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph **4.**, Other Insurance, of Section **IV** – Commercial General Liability Conditions.

© 2017 The Travelers Indemnity Company. All rights reserved.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – WRITTEN CONTRACTS (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and

b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section **III** – Limits Of Insurance.

d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.

e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph **4.a.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

3. The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

© 2008 The Travelers Companies, Inc.

i. How, when and where the "occurrence" or offense took place;

ii. The names and addresses of any injured persons and witnesses; and

iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:

i. Immediately record the specifics of the claim or "suit" and the date received; and

ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.

4. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

a. After the signing and execution of the contract or agreement by you;

b. While that part of the contract or agreement is in effect; and

c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

XTEND ENDORSEMENT FOR ARCHITECTS, ENGINEERS AND SURVEYORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to this Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. Non-Owned Watercraft – 75 Feet Long Or Less

B. Who Is An Insured – Unnamed Subsidiaries

C. Who Is An Insured – Retired Partners, Members, Directors And Employees

D. Who Is An Insured – Employees And Volunteer Workers – Bodily Injury To Co-Employees, Co-Volunteer Workers And Retired Partners, Members, Directors And Employees

E. Who Is An Insured – Newly Acquired Or Formed Limited Liability Companies

F. Blanket Additional Insured – Controlling Interest

G. Blanket Additional Insured – Mortgagees, Assignees, Successors Or Receivers

H. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Premises

I. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Operations

J. Incidental Medical Malpractice

K. Medical Payments – Increased Limit

L. Amendment Of Excess Insurance Condition – Professional Liability

M. Blanket Waiver Of Subrogation – When Required By Written Contract Or Agreement

N. Contractual Liability – Railroads

PROVISIONS

A. NON-OWNED WATERCRAFT – 75 FEET LONG OR LESS

1. The following replaces Paragraph **(2)** of Exclusion **g.**, **Aircraft, Auto Or Watercraft**, in Paragraph **2.** of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

(2) A watercraft you do not own that is:

(a) 75 feet long or less; and

(b) Not being used to carry any person or property for a charge;

2. The following replaces Paragraph **2.e.** of **SECTION II – WHO IS AN INSURED**:

e. Any person or organization that, with your express or implied consent, either uses or is responsible for the use of a watercraft that you do not own that is:

(1) 75 feet long or less; and

(2) Not being used to carry any person or property for a charge;

B. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any of your subsidiaries, other than a partnership or joint venture, that is not shown as a Named Insured in the Declarations is a Named Insured if:

a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

a. Before you maintained an ownership interest of more than 50% in such subsidiary; or

b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph **1.** of Section **II** – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

C. WHO IS AN INSURED – RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph **2.** of **SECTION II – WHO IS AN INSURED**:

Any person who is your retired partner, member, director or "employee" that is performing services for you under your direct supervision, but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, no such retired partner, member, director or "employee" is an insured for:

(1) "Bodily injury":

(a) To you, to your current partners or members (if you are a partnership or joint venture), to your current members (if you are a limited liability company) or to your current directors;

(b) To the spouse, child, parent, brother or sister of that current partner, member or director as a consequence of Paragraph **(1)(a)** above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph **(1)(a)** or **(b)** above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a)**, **(b)**, **(c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your retired partners, members, directors or "employees", other than a doctor. Any such retired partners, members, directors or "employees" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Personal injury":

(a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current or retired members (if you are a limited liability company), to your other current or retired directors or "employees" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph **(2)(a)** above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph **(2)(a)** or **(b)** above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

(3) "Property damage" to property:

(a) Owned, occupied or used by; or

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your retired partners, members or directors, your current or retired "employees" or "volunteer workers", any current partner or member (if you are a partnership or joint venture), or any current member (if you are a limited liability company) or current director.

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

D. WHO IS AN INSURED – EMPLOYEES AND VOLUNTEER WORKERS – BODILY INJURY TO CO-EMPLOYEES, CO-VOLUNTEER WORKERS AND RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

Paragraphs **(1)(a)**, **(b)** and **(c)** above do not apply to "bodily injury" to a current or retired co-"employee" while in the course of the co-"employee's" employment by you or performing duties related to the conduct of your business, or to "bodily injury" to your other "volunteer workers" or retired partners, members or directors while performing duties related to the conduct of your business.

E. WHO IS AN INSURED – NEWLY ACQUIRED OR FORMED LIMITED LIABILITY COMPANIES

The following replaces Paragraph **3.** of **SECTION II – WHO IS AN INSURED**:

3. Any organization you newly acquire or form, other than a partnership or joint venture, and of which you are the sole owner or in which you maintain an ownership interest of more than 50%, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only:

(1) Until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, if you do not report such organization in writing to us within 180 days after you acquire or form it; or

(2) Until the end of the policy period, when that date is later than 180 da ys after you acquire or form such organization, if you report such organization in writing to us within 180 days after you acquire or form it;

b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

For the purposes of Paragraph **1.** of Section **II** – Who Is An Insured, each such organization will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

F. BLANKET ADDITIONAL INSURED – CONTROLLING INTEREST

1. The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that has financial control of you is an insured with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" that arises out of:

a. Such financial control; or

b. Such person's or organization's ownership, maintenance or use of premises leased to or occupied by you.

The insurance provided to such person or organization does not apply to structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

2. The following is added to Paragraph **4.** of **SECTION II – WHO IS AN INSURED**:

This paragraph does not apply to any premises owner, manager or lessor that has financial control of you.

G. BLANKET ADDITIONAL INSURED – MORTGAGEES, ASSIGNEES, SUCCESSORS OR RECEIVERS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that is a mortgagee, assignee, successor or receiver and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to its liability as mortgagee, assignee, successor or receiver for "bodily injury", "property damage" or "personal and advertising injury" that:

a. Is "bodily injury" or "property damage" that occurs, or is "personal and advertising injury" caused by an offense that is committed,

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

subsequent to the signing of that contract or agreement; and

b. Arises out of the ownership, maintenance or use of the premises for which that mortgagee, assignee, successor or receiver is required under that contract or agreement to be included as an additional insured on this Coverage Part.

The insurance provided to such mortgagee, assignee, successor or receiver is subject to the following provisions:

a. The limits of insurance provided to such mortgagee, assignee, successor or receiver will be the minimum limits that you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.

b. The insurance provided to such person or organization does not apply to:

(1) Any "bodily injury" or "property damage" that occurs, or any "personal and advertising injury" caused by an offense that is committed, after such contract or agreement is no longer in effect; or

(2) Any "bodily injury", "property damage" or "personal and advertising injury" arising out of any structural alterations, new construction or demolition operations performed by or on behalf of such mortgagee, assignee, successor or receiver.

H. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO PREMISES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any governmental entity that has issued a permit or authorization with respect to premises owned or occupied by, or rented or loaned to, you and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of the existence, ownership, use, maintenance, repair, construction, erection or removal of any of the following for which that governmental entity has issued such permit or authorization: advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, elevators, street banners or decorations.

I. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or

b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

J. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph **b.** of the definition of "occurrence" in the **DEFINITIONS** Section:

b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a)**, **(b)**, **(c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide:

(a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician, paramedic, athletic trainer, audiologist, dietician, nutritionist,

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph **5.** of **SECTION III – LIMITS OF INSURANCE**:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph **2.**, **Exclusions**, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

Sale Of Pharmaceuticals

"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the **DEFINITIONS** Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section **II** – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph **7.** of **SECTION III – LIMITS OF INSURANCE**:

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage **A** or Coverage **B**.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

N. CONTRACTUAL LIABILITY – RAILROADS

1. The following replaces Paragraph **c.** of the definition of "insured contract" in the **DEFINITIONS** Section:

c. Any easement or license agreement;

2. Paragraph **f.(1)** of the definition of "insured contract" in the **DEFINITIONS** Section is deleted.

VIRGINIA BUSINESS AUTO COVERAGE EXTENSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. BROAD FORM NAMED INSURED

B. BLANKET ADDITIONAL INSURED

C. EMPLOYEE HIRED AUTO

D. EMPLOYEES AS INSURED

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

G. WAIVER OF DEDUCTIBLE – GLASS

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

J. PERSONAL EFFECTS

K. AIRBAGS

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

M. BLANKET WAIVER OF SUBROGATION

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph **c.** in **A.1.**, **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Auto Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section **II**.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph **b.** in **B.5.**, **Other Insurance**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

© 2021 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph **A.2.a.(2)**, of **SECTION II – LIABILITY COVERAGE** :

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph **A.2.a.(4)**, of **SECTION II – LIABILITY COVERAGE** :

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph **(5)** in Paragraph **B.7.**, **Policy Period, Coverage Territory**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

(i) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

(ii) Neither you nor any other involved "insured" will make any settlement without our consent.

(iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

(iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph **C.**, Limits Of Insurance, of SECTION **II** – COVERED AUTOS LIABILITY COVERAGE.

(v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph **C.**, Limits Of Insurance, of SECTION **II** – COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.

© 2021 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

(c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph **D.**, **Deductible**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph **A.4.b.**, **Loss Of Use Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

However, the most we will pay for any expenses for loss of use is $65 per day, to a maximum of $750 for any one "accident".

I. PHYSICAL DAMAGE — TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph **A.4.a.**, **Transportation Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

We will pay up to $50 per day to a maximum of $1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL EFFECTS

The following additional coverage is added to Paragraph **A.4.**, **Coverage Extensions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Effects

We will pay up to $400 for "loss" to wearing apparel and other personal effects which are:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

This Personal Effects limit does not apply to "loss" to the covered "auto" or its equipment.

No deductibles apply to this Personal Effects coverage.

K. AIRBAGS

The following is added to Paragraph **B.3.**, **Exclusions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Exclusion **3.a.** does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs **A.1.b.** and **A.1.c.**, but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;

b. The airbags are not covered under any warranty; and

c. The airbags were not intentionally inflated.

We will pay up to a maximum of $1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph **A.2.a.**, of **SECTION IV – BUSINESS AUTO CONDITIONS** :

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

(a) You (if you are an individual);

(b) A partner (if you are a partnership);

(c) A member (if you are a limited liability company);

(d) An executive officer, director or insurance manager (if you are a corporation or other organization); or

© 2021 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

(e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following is added to Paragraph **A.5.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph **A.1.c.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph **B.5.**, **Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Regardless of the provisions of paragraph **a.** and paragraph **d.** of this part **5. Other Insurance,** this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

POLICY NUMBER: UB-6J317115-24-43-G

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit any one not named in the Schedule.

SCHEDULE

DESIGNATED PERSON:

DESIGNATED ORGANIZATION:

ANY PERSON OR ORGANIZATION FOR WHICH THE INSURED HAS AGREED BY WRITTEN CONTRACT EXECUTED PRIOR TO LOSS TO FURNISH THIS WAIVER.

Any person or organization for which the employer has agreed by written contract, executed prior to loss, may execute a waiver of subrogation. However, for purposes of work performed by the employer in Missouri, this waiver of subrogation does not apply to any construction group of classifications as designated by the waiver of right to recover from others (subrogation) rule in our manual.

ASSUMPTION AGREEMENT

This Assumption Agreement is made and entered into on this _____ of _____, 2024 by and between **Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company** ("**Bowman Gulf Coast**") and **Collier County**, a political subdivision of the State of Florida ("County"), (collectively the "Parties").

WHEREAS, on February 25, 2020 (Agenda Item No. 16.E.7), the County awarded Agreement No. 18-7432-CE, "Professional Services Library Civil Engineering Category," to Robau and Associates, LLC ("Robau Associates"), which is attached hereto as Exhibit "A" (the "Agreement"); and

WHEREAS, on September 12, 2024, Robau and Associates, LLC merged with and into Bowman Gulf Coast LLC d/b/a Robau, a Bowman Company with Bowman Gulf Coast being the surviving entity of the merger as documented in the Articles of Merger and Agreement and Plan of Merger filed with the State, and attached hereto as Exhibit "B"; and

WHEREAS, Federal Contract Provisions and Assurances shall apply to the Agreement and shall take precedence over the terms of the Agreement, as reflected in attached Exhibit "C"; and

WHEREAS, Bowman Gulf Coast, hereby represents to Collier County that by virtue of the merger it is the successor in interest in relation to the Agreement; and

WHEREAS, the Parties wish to formalize Bowman Gulf Coast's assumption of rights and obligations under the Agreement effective as of the date first above written.

NOW THEREFORE, IN CONSIDERATION of the mutual promises in this Assumption Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties, it is agreed as follows:

1. Bowman Gulf Coast accepts and assumes all rights, duties, benefits, and obligations of Robau Associates under the Agreement, and subsequent amendments executed under the Agreement, including all existing and future obligations to perform under the Agreement.

2. The Parties hereby reaffirm and ratify each of the terms and conditions in the Agreement.

3. Bowman Gulf Coast will promptly deliver to County evidence of insurance consistent with the requirements of the Agreement.

4. Bowman Gulf Coast will promptly notify the County of any changes required to Key Personnel or Qualified License Professional identified in the Agreement.

CAO

5. Further supplements to, or modifications of, the Agreement shall be approved in writing by both Parties.

6. Notice required under the Agreement to be sent to Bowman Gulf Coast shall be directed to:

Bowman Gulf Coast LLC
d/b/a Robau, a Bowman Company
Emilio Robau, PE
2770 Horseshoe Drive S. #7
Naples, FL 34104
(239) 204-4322; ext. 3556
Emilio.Robau@bowman.com

7. The County hereby consents to Bowman Gulf Coast's assumption of the Agreement in order to continue the services provided under Agreement. No waivers of performance or extensions of time to perform are granted or authorized. The County will treat Bowman Gulf Coast as it would have Robau Associates for all purposes under the Agreement. Except as provided herein, all other terms and conditions of the Agreement remain in full force and effect.

PROFESSIONAL SERVICES AGREEMENT
(FIXED TERM CONTINUING CONTRACT)

☒ **CCNA** ☐ ~~**NON-CCNA**~~

Contract # 18-7432-CE

for

"Professional Services Library Civil Engineering Category"

THIS AGREEMENT is made and entered into this 25th day of February, 2020 by and between the Board of County Commissioners for Collier County, ~~Florida~~, a political subdivision of the State of Florida (hereinafter referred to as the "COUNTY") and Robau and Associates, LLC, authorized to do business in the State of Florida, whose business address is 2770 Horseshoe Drive S. Suite 7 Naples, Florida 34104 (hereinafter referred to as the "CONSULTANT" and/or "CONTRACTOR").

WITNESSETH:

WHEREAS, the COUNTY desires to obtain the CONSULTANT's services expeditiously when a need arises in connection with a Collier County project; and

☒ **WHEREAS,** Section 287.055, Florida Statutes, Consultant's Competitive Negotiation Act, "CCNA", makes provisions for a fixed term contract with a firm to provide professional services to a political subdivision, such as the County; and

☒ **WHEREAS,** the COUNTY has selected CONSULTANT in accordance with the provisions of Section 287.055, Florida Statutes, to provide professional services on a fixed term basis as directed by the COUNTY for such projects and tasks as may be required from time to time by the COUNTY.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties hereto agree as follows:

ARTICLE ONE
CONSULTANT'S RESPONSIBILITY

1.1. From time to time upon the written request or direction of the COUNTY as hereinafter provided, CONSULTANT shall provide to the COUNTY professional services (hereinafter the "Services") as herein set forth. The term "Services" includes all Additional Services authorized by written Amendment or Change Order as hereafter provided.

1.2. CONSULTANT acknowledges and agrees that services under this Agreement are to be requested by the COUNTY on an as-needed basis only, and COUNTY makes no representation or guarantee to CONSULANT that the COUNTY will utilize CONSUTLANT'S services exclusively or at all.

1.3 All Services to be performed by the CONSULTANT pursuant to this Agreement shall be in conformance with the scope of services, which shall be described in a Work Order issued pursuant to the procedures described herein. The form of the Work Order is set forth in attached Schedule A. Reference to the term "Work Order" herein, with respect to authorization of Services, includes all written Amendments or Change Orders to any particular Work Order. The CONSULTANT acknowledges and agrees that each individual Work Order shall not exceed $200,000 unless otherwise approved in writing by the Board of County Commissioners. ■ Work order assignments for CCNA contracts shall be made in accordance with the current Procurement Ordinance, as amended.

1.4. ■ (Multi-Award) SELECTION OF CONSULTANT FOR WORK ORDERS. All CONSULTANTS subject to this Agreement, including CONSULTANT, shall be placed on a rotation list for professional service, as listed below.

1.4.1. Professional Services Library Rotation

a. Work assignments within each service category are awarded on a rotational basis by the Procurement Division.

b. For each service category, the Procurement Service Division will place qualifying firms in the Professional Services Library in the order they are ranked, with the highest scoring firm placed in the first position in the rotation.

c. As each work assignment is identified the next firm in the rotation will be offered the opportunity to negotiate that work assignment with the COUNTY's Contract Administrative Agent/Project Manager.

d. Should a firm decline a work assignment, or be unable to reach a satisfactory fee negotiation with the COUNTY within a reasonable time frame, the COUNTY will contact the next firm on the list until the work assignment is successfully negotiated.

e. Firms will have the option of rejecting one work assignment within each service category within a twelve (12) month period without penalty. A second work assignment rejection within any twelve (12) month period will cause the firm to be skipped in the rotation. A firm who rejects three (3) work assignments (or is unable to satisfactorily negotiate 3 work assignments) in any twelve (12) month period may be removed from the service category.

f. Firms wishing to reject a work assignment for any reason must complete a Work Assignment Rejection Notification Form. A copy of this completed form must be provided to the Procurement Division by the County's Contract Administrative Agent/Project Manager.

g. Once a full rotation through all firms in a service category is complete, a method that attempts to impart an equitable distribution of work among selected firms will be based on prior dollars awarded; with the firm having received the least amount of dollars being considered for the next work assignment.

1.4.1.1 Professional Services Library – Direct Selection. For work assignments requiring unique experience or knowledge, including past experience on another phase of the project, the County's Contract Administrative Agent/Project Manager may formally request permission to forego the rotation and select a specific firm. This request will require the completion of a Work Assignment Direct Select Form, which requires the approval of both a Division Director and the Procurement Services Director. Firms that are directly selected for a work assignment as a result of this process shall be passed on their next scheduled turn in the rotation.

1.5. All Services must be authorized in writing by the COUNTY in the form of a Work Order. The CONSULTANT shall not provide any Services to the COUNTY unless and to the extent they are required in a written Work Order. Any Services provided by CONSULTANT without a written Work Order shall be at CONSULTANT's own risk and the COUNTY shall have no liability for such Services.

1.6. As the COUNTY identifies certain Services it wishes CONSULTANT to provide pursuant to the terms of this Agreement, the COUNTY shall request a proposal from CONSULTANT for such Services, said proposal to be in compliance with the terms of this Agreement. If the parties reach an agreement with respect to such Services, including, but not limited to the scope, compensation and schedule for performance of those Services, a Work Order shall be prepared which incorporates the terms of the understanding reached by the parties with respect to such Services; and if both parties are in agreement therewith, they shall jointly execute the Work Order. Upon execution of a Work Order as aforesaid, CONSULTANT agrees to promptly provide the Services required thereby, in accordance with the terms of this Agreement and the subject Work Order.

1.7. It is mutually understood and agreed that the nature, amount and frequency of the Services shall be determined solely by the COUNTY and that the COUNTY does not represent or guarantee to CONSULTANT that any specific amount of Services will be requested or required of CONSULTANT pursuant to this Agreement.

1.8. The CONSULTANT shall have no authority to act as the agent of the COUNTY under this Agreement or any Work Order, or to obligate the COUNTY in any manner or way.

1.9. All duly executed Work Orders (including all written Amendments or Change Orders thereto) are hereby incorporated into and made a part of this Agreement by reference.

1.10. The CONSULTANT agrees to obtain and maintain throughout the period of this Agreement all such licenses as are required to do business in the State of Florida and in Collier County, Florida, including, but not limited to, all licenses required by the respective state boards and other governmental agencies responsible for regulating and licensing the professional services to be provided and performed by the CONSULTANT pursuant to this Agreement.

1.11. The CONSULTANT agrees that, when the services to be provided hereunder relate to a professional service which, under Florida Statutes, requires a license, certificate of authorization or other form of legal entitlement to practice such services, it shall employ and/or retain only qualified personnel to provide such services to the COUNTY.

1.12. The CONSULTANT designates Emilio J. Robau, PE a qualified licensed professional to serve as the CONSULTANT's project coordinator (hereinafter referred to as the "Project Coordinator"). The Project Coordinator is authorized and responsible to act on behalf of the CONSULTANT with respect to directing, coordinating and administering all aspects of the services to be provided and performed under this Agreement. In each Work Order CONSULTANT will designate a qualified licensed professional to serve as CONSULTANT's project coordinator for the Services to be provided under that Work Order (hereinafter referred to as the "Project Coordinator"). The Project Coordinator is authorized and responsible to act on behalf of the CONSULTANT with respect to directing, coordinating and administering all aspects of the Services to be provided and performed under the Work Order. Further, the Project Coordinator has full authority to bind and obligate the CONSULTANT on all matters arising out of or relating to the Work Order. The CONSULTANT agrees that the Principal in Charge and the Project Coordinators shall devote whatever time is required to satisfactorily manage the services to be provided and performed by the CONSULTANT under the Work Order. CONSULTANT further agrees that the Principal in Charge and Project Coordinators shall not be removed by CONSULTANT without the COUNTY's prior written approval, and if so removed must be immediately replaced with a person acceptable to the COUNTY.

1.13. The CONSULTANT agrees, within fourteen (14) calendar days of receipt of a written request from the COUNTY to promptly remove and replace the Project Coordinator, or any other personnel employed or retained by the CONSULTANT, or any subconsultants or subcontractors or any personnel of any such subconsultants or subcontractors engaged by the CONSULTANT to provide and perform services or work pursuant to the requirements of this Agreement, or any applicable Work Order, said request may be made with or without cause. Any personnel so removed must be immediately replaced with a person acceptable to the COUNTY.

1.14. The CONSULTANT represents to the COUNTY that it has expertise in the type of professional services that will be performed pursuant to this Agreement and has extensive experience with projects similar to the Project required hereunder. The CONSULTANT agrees that all services to be provided by CONSULTANT pursuant to this Agreement shall be subject to the COUNTY's review and approval and shall be in accordance with the generally accepted standards of professional practice in the State of Florida, as well as in accordance with all applicable laws, statutes, including but not limited to ordinances, codes, rules, regulations and requirements of any governmental agencies, and the Florida Building Code where applicable, which regulate or have jurisdiction over the Services to be provided and performed by CONSULTANT hereunder, the Local Government Prompt Payment Act (218.735 and 218.76 F.S.), as amended, and the Florida Public Records Law Chapter 119, including specifically those contractual requirements at F.S. § 119.0701(2)(a)-(b) as stated as follows:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Communication and Customer Relations Division
3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8383

The Contractor must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify the COUNTY in writing. Failure by the Contractor to comply with the laws referenced herein shall constitute a breach of this Agreement and the COUNTY shall have the discretion to unilaterally terminate this Agreement immediately.

1.15. In the event of any conflicts in these requirements, the CONSULTANT shall notify the COUNTY of such conflict and utilize its best professional judgment to advise the COUNTY regarding resolution of each such conflict. The COUNTY's approval of the design documents in no way relieves CONSULTANT of its obligation to deliver complete and accurate documents necessary for successful construction of the Project.

1.16. The COUNTY reserves the right to deduct portions of the (monthly) invoiced (task) amount for the following: Tasks not completed within the expressed time frame, including required deliverables, incomplete and/or deficient documents, failure to comply with local, state and/or federal requirements and/or codes and ordinances applicable to CONSULTANT's performance of the work as related to the project. This list is not deemed to be all-inclusive, and the COUNTY reserves the right to make sole determination regarding deductions. After notification of deficiency, if the CONSULTANT fails to correct the deficiency within the specified timeframe, these funds would be forfeited by the CONSULTANT. The COUNTY may also deduct or charge

the CONSULTANT for services and/or items necessary to correct the deficiencies directly related to the CONSULTANT's non-performance whether or not the COUNTY obtained substitute performance.

1.17. The CONSULTANT agrees not to divulge, furnish or make available to any third person, firm or organization, without the COUNTY's prior written consent, or unless incident to the proper performance of the CONSULTANT's obligations hereunder, or in the course of judicial or legislative proceedings where such information has been properly subpoenaed, any non-public information concerning the services to be rendered by CONSULTANT hereunder, and CONSULTANT shall require all of its employees, agents, subconsultants and subcontractors to comply with the provisions of this paragraph. CONSULTANT shall provide the COUNTY prompt written notice of any such subpoenas.

1.18. As directed by the COUNTY, all plans and drawings referencing a specific geographic area must be submitted in an AutoCAD DWG or MicroStation DGN format on a CD or DVD, drawn in the Florida State Plane East (US Feet) Coordinate System (NAD 83/90). The drawings should either reference specific established Survey Monumentation, such as Certified Section Corners (Half or Quarter Sections are also acceptable), or when implemented, derived from the RTK (Real-Time Kinematic) GPS Network as provided by the COUNTY. Information layers shall have common naming conventions (i.e. right-of-way - ROW, centerlines - CL, edge-of-pavement - EOP, etc.), and adhere to industry standard CAD specifications.

ARTICLE TWO
ADDITIONAL SERVICES OF CONSULTANT

2.1. If authorized in writing by the COUNTY through an Amendment or Change Order to a Work Order, CONSULTANT shall furnish or obtain from others Additional Services beyond those Services originally authorized in the Work Order. The agreed upon scope, compensation and schedule for Additional Services shall be set forth in the Amendment or Change Order authorizing those Additional Services. With respect to the individuals with authority to authorize Additional Services under this Agreement, such authority will be as established in the COUNTY's Procurement Ordinance and Procedures in effect at the time such services are authorized. Except in an emergency endangering life or property, any Additional Services must be approved in writing via an Amendment or Change Order to the subject Work Order prior to starting such services. The COUNTY will not be responsible for the costs of Additional Services commenced without such express prior written approval. Failure to obtain such prior written approval for Additional Services will be deemed: (i) a waiver of any claim by CONSULTANT for such Additional Services and (ii) an admission by CONSULTANT that such Work is not additional but rather a part of the Services originally required of CONSULTANT under the subject Work Order.

2.2. If the COUNTY determines that a change in a Work Order is required because of the action taken by CONSULTANT in response to an emergency, an Amendment or Change Order shall be issued to document the consequences of the changes or variations, provided that CONSULTANT has delivered written notice to the COUNTY of the emergency within forty-eight (48) hours from when CONSULTANT knew or should have known of its occurrence. Failure to provide the forty-eight (48) hour written notice noted above, waives CONSULTANT's right it otherwise may have had to seek an adjustment to its compensation or time of performance under the subject Work Order.

ARTICLE THREE
THE COUNTY'S RESPONSIBILITIES

3.1. The COUNTY shall designate in writing a project manager to act as the COUNTY's representative with respect to the services to be rendered under this Agreement (hereinafter referred to as the "Project Manager"). The Project Manager shall have authority to transmit instructions, receive information, interpret and define the COUNTY's policies and decisions with respect to CONSULTANT's services for the Project. However, the Project Manager is not authorized to issue any verbal or written orders or instructions to the CONSULTANT that would have the effect, or be interpreted to have the effect, of modifying or changing in any way whatever:

a. The scope of services to be provided and performed by the CONSULTANT as set forth in the Work Order;
b. The time the CONSULTANT is obligated to commence and complete all such services as set forth in the Work Order; or
c. The amount of compensation the COUNTY is obligated or committed to pay the CONSULTANT as set forth in the Work Order.

3.2. The Project Manager shall:

a. Review and make appropriate recommendations on all requests submitted by the CONSULTANT for payment for services and work provided and performed in accordance with this Agreement;
b. Provide all criteria and information requested by CONSULTANT as to the COUNTY's requirements for the Services specified in the Work Order, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations;
c. Upon request from CONSULTANT, assist CONSULTANT by placing at CONSULTANT's disposal all available information in the COUNTY's possession pertinent to the Services specified in the Work Order, including existing drawings, specifications, shop drawings, product literature, previous reports and any other data relative to the subject Work Order;
d. Arrange for access to and make all provisions for CONSULTANT to enter the site (if any) set forth in the Work Order to perform the Services to be provided by CONSULTANT under the subject Work Order; and
e. Provide notice to CONSULTANT of any deficiencies or defects discovered by the COUNTY with respect to the Services to be rendered by CONSULTANT hereunder.

ARTICLE FOUR
TIME

4.1. Each Work Order will have a time schedule ("Schedule") for the performance of the Services required under the subject Work Order. Said Schedule shall be in a form and content satisfactory to the COUNTY. Services to be rendered by CONSULTANT shall be commenced, performed and completed in accordance with the Work Order and the Schedule. Time is of the essence with respect to the performance of the Services under each Work Order.

4.2. Should CONSULTANT be obstructed or delayed in the prosecution or completion of the Services as a result of unforeseeable causes beyond the control of CONSULTANT, and not due to its own fault or neglect, including but not restricted to acts of nature or of public enemy, acts of government or of the COUNTY, fires, floods, epidemics, quarantine regulations, strikes or lock-outs, then CONSULTANT shall notify the COUNTY in writing within five (5) working days after commencement of such delay, stating the specific cause or causes thereof, or be deemed to have waived any right which CONSULTANT may have had to request a time extension for that specific delay.

4.3. Unless otherwise expressly provided in the Work Order, no interruption, interference, inefficiency, suspension or delay in the commencement or progress of CONSULTANT's Services from any cause whatsoever, including those for which COUNTY may be responsible in whole or in part, shall relieve CONSULTANT of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. CONSULTANT's sole remedy against the COUNTY will be the right to seek an extension of time to the Schedule; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as claims based on late completion.

4.4. Should the CONSULTANT fail to commence, provide, perform or complete any of the Services to be provided hereunder in a timely manner, in addition to any other rights or remedies available to the COUNTY hereunder, the COUNTY at its sole discretion and option may withhold any and all payments due and owing to the CONSULTANT under this Agreement (including any and all Work Orders) until such time as the CONSULTANT resumes performance of its obligations hereunder in such a manner so as to reasonably establish to the COUNTY's satisfaction that the CONSULTANT's performance is or will shortly be back on schedule.

4.5. In no event shall any approval by the COUNTY authorizing CONSULTANT to continue performing Work under any particular Work Order or any payment issued by the COUNTY to CONSULTANT be deemed a waiver of any right or claim the COUNTY may have against CONSULTANT for delay or any other damages hereunder.

4.6. The period of service shall be from the date of execution of this Agreement through five (5) year(s) from that date, or until such time as all outstanding Work Orders issued prior to the expiration of the Agreement period have been completed. The COUNTY may, at its discretion and with the consent of the CONSULTANT, renew the Agreement under all of the terms and conditions contained in this Agreement for one (1) additional one (1) year(s) periods. The COUNTY shall give the CONSULTANT written notice of the COUNTY's intention to renew the Agreement term prior to the end of the Agreement term then in effect.

4.7. The County Manager, or his designee, may, at his discretion, extend the Agreement under all of the terms and conditions contained in this Agreement for up to one hundred and eighty (180) days. The County Manager, or his designee, shall give the CONSULTANT written notice of the COUNTY's intention to extend the Agreement term prior to the end of the Agreement term then in effect.

ARTICLE FIVE
COMPENSATION

5.1. Compensation and the manner of payment of such compensation by the COUNTY for Services rendered hereunder by CONSULTANT shall be as prescribed in each Work Order. The Project Manager, or designee, reserves the right to request proposals from this agreement utilizing any of the following Price Methodologies:

Lump Sum (Fixed Price): A firm fixed total price offering for a project; the risks are transferred from the COUNTY to the CONSULTANT; and, as a business practice there are no hourly or material invoices presented, rather, the CONSULTANT must perform to the satisfaction of the COUNTY's Project Manager before payment for the fixed price contract is authorized.

Time and Materials: The COUNTY agrees to pay the contractor for the amount of labor time spent by the CONSULTANT's employees and subcontractors to perform the work (number of hours times hourly rate), and for materials and equipment used in the project (cost of materials plus the contractor's mark-up). This methodology is generally used in projects in which it is not possible to accurately estimate the size of the project, or when it is expected that the project requirements would most likely change. As a general business practice, these contracts include back-up documentation of costs; invoices would include number of hours worked and billing rate by position (and not company (or subcontractor) timekeeping or payroll records), material or equipment invoices, and other reimbursable documentation for the project.

5.2. The hourly rates as set forth and identified in Schedule B, Attachment 1, Rate Schedule, which is attached hereto, shall apply only to projects procured under the Time and Materials pricing methodology specified in paragraph 5.1 above. ■ **Grant Funded**: The hourly rates as set forth and identified in Schedule B, Attachment 1, Rate Schedule, which is attached hereto, are for purposes of providing estimate(s), as required by the grantor agency.

ARTICLE SIX
OWNERSHIP OF DOCUMENTS

6.1. Upon the completion or termination of each Work Order, as directed by the COUNTY, CONSULTANT shall deliver to the COUNTY copies or originals of all records, documents, drawings, notes, tracings, plans, MicroStation or AutoCAD files, specifications, maps, evaluations, reports and other technical data, other than working papers, prepared or developed by or for CONSULTANT under the applicable Work Order ("Project Documents"). The COUNTY shall specify whether the originals or copies of such Project Documents are to be delivered by CONSULTANT. The CONSULTANT shall be solely responsible for all costs associated with delivering to the COUNTY the Project Documents. The CONSULTANT, at its own expense, may retain copies of the Project Documents for its files and internal use.

6.2. Notwithstanding anything in this Agreement to the contrary and without requiring the COUNTY to pay any additional compensation, CONSULTANT hereby grants to the COUNTY a nonexclusive, irrevocable license in all of the Project Documents for the COUNTY's use with respect to the applicable authorized project or task. The CONSULTANT warrants to the COUNTY that it has full right and authority to grant this license to the COUNTY. Further, CONSULTANT

consents to the COUNTY's use of the Project Documents to complete the subject project or task following CONSULTANT's termination for any reason or to perform additions to or remodeling, replacement or renovations of the subject project or task. The CONSULTANT also acknowledges the COUNTY may be making Project Documents available for review and information to various third parties and hereby consents to such use by the COUNTY.

ARTICLE SEVEN
MAINTENANCE OF RECORDS

7.1. The CONSULTANT will keep adequate records and supporting documentation which concern or reflect its services hereunder. The records and documentation will be retained by CONSULTANT for a minimum of five (5) years from (a) the date of termination this Agreement or (b) the date of the Work Order is completed, whichever is later, or such later date as may be required by law. The COUNTY, or any duly authorized agents or representatives of the COUNTY, shall, free of charge, have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above, or such later date as may be required by law; provided, however, such activity shall be conducted only during normal business hours.

ARTICLE EIGHT
INDEMNIFICATION

8.1. To the maximum extent permitted by Florida law, CONSULTANT shall defend, indemnify and hold harmless the COUNTY, its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of CONSULTANT or anyone employed or utilized by the CONSULTANT in the performance of this Agreement. This indemnification obligation shall not be construed to negate, abridge or reduce any other rights or remedies which otherwise may be available to an indemnified party or person described in this paragraph.

This section does not pertain to any incident arising from the sole negligence of Collier County.

8.1.1. The duty to defend under this Article 8 is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the CONSULTANT, the COUNTY and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to CONSULTANT. The CONSULTANT's obligation to indemnify and defend under this Article 8 will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the COUNTY or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

8.1.2 To the extent that the Agreement that the work pertains to is a "Professional Services Contract" as defined in Section 725.08(3), Florida Statutes, and the CONSULTANT is a "Design Professional" as defined in Section 725.08(4), Florida Statutes, the indemnification provided herein shall be limited as provided in Section 725.08(1) & (2), Florida Statutes.

ARTICLE NINE
INSURANCE

9.1. The CONSULTANT shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in SCHEDULE C to this Agreement.

9.2. All insurance shall be from responsible companies duly authorized to do business in the State of Florida.

9.3. All insurance policies required by this Agreement shall include the following provisions and conditions by endorsement to the policies:

9.3.1. All insurance policies, other than the Business Automobile policy, Professional Liability policy, and the Workers Compensation policy, provided by CONSULTANT to meet the requirements of this Agreement shall name Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR, Collier County Government, as an additional insured as to the operations of CONSULTANT under this Agreement and shall contain a severability of interests' provisions.

9.3.2. Companies issuing the insurance policy or policies shall have no recourse against the COUNTY for payment of premiums or assessments for any deductibles which all are at the sole responsibility and risk of CONSULTANT.

9.3.3. All insurance coverages of CONSULTANT shall be primary to any insurance or self-insurance program carried by the COUNTY, and the "Other Insurance" provisions of any policies obtained by CONSULTANT shall not apply to any insurance or self-insurance program carried by COUNTY.

9.3.4. The Certificates of Insurance, which are to be provided in an Occurrence Form patterned after the current I.S.O. form with no limiting endorsements, must reference and identify this Agreement.

9.3.5. All insurance policies shall be fully performable in Collier County, Florida, and shall be construed in accordance with the laws of the State of Florida.

9.4. The CONSULTANT, its subconsultants and the COUNTY shall waive all rights against each other for damages covered by insurance to the extent insurance proceeds are paid and received by the COUNTY, except such rights as they may have to the proceeds of such insurance held by any of them.

9.5. All insurance companies from whom CONSULTANT obtains the insurance policies required hereunder must meet the following minimum requirements:

9.5.1. The insurance company must be duly licensed and authorized by the Department of Insurance of the State of Florida to transact the appropriate insurance business in the State of Florida.

9.5.2. The insurance company must have a current A. M. Best financial rating of "Class VI" or higher.

ARTICLE TEN
SERVICES BY CONSULTANT'S OWN STAFF

10.1. The services to be performed hereunder shall be performed by CONSULTANT's own staff, unless otherwise authorized in writing by the COUNTY. The employment of, contract with, or use of the services of any other person or firm by CONSULTANT, as independent consultant or otherwise, shall be subject to the prior written approval of the COUNTY. No provision of this Agreement shall, however, be construed as constituting an agreement between the COUNTY and any such other person or firm. Nor shall anything in this Agreement be deemed to give any such party or any third party any claim or right of action against the COUNTY beyond such as may then otherwise exist without regard to this Agreement.

10.2. Attached to each Work Order shall be a Schedule that lists all of the key personnel CONSULTANT intends to assign to perform the Services required under that Work Order. Such personnel shall be committed to the project or task specified in the Work Order in accordance with the percentages noted in the attached Schedule. CONSULTANT shall also identify in that Schedule each subconsultant and subcontractor it intends to utilize with respect to the subject Work Order. All personnel, subconsultants and subcontractors identified in the Schedule shall not be removed or replaced without the COUNTY's prior written consent.

10.3. The CONSULTANT is liable for all the acts or omissions of its subconsultants or subcontractors. By appropriate written agreement, the CONSULTANT shall require each subconsultant or subcontractor, to the extent of the Services to be performed by the subconsultant or subcontractor, to be bound to the CONSULTANT by the terms of this Agreement and any subsequently issued Work Order, and to assume toward the CONSULTANT all the obligations and responsibilities which the CONSULTANT, by this Agreement and any subsequently issued Work Order, assumes toward the COUNTY. Each subconsultant or subcontract agreement shall preserve and protect the rights of the COUNTY under this Agreement, and any subsequently issued Work Order, with respect to the Services to be performed by the subconsultant or subcontractor so that the subconsulting or subcontracting thereof will not prejudice such rights. Where appropriate, the CONSULTANT shall require each subconsultant or subcontractor to enter into similar agreements with its sub-subconsultants or sub-subcontractors.

10.4. The CONSULTANT acknowledges and agrees that the COUNTY is a third-party beneficiary of each contract entered into between CONSULTANT and each subconsultant or subcontractor, however nothing in this Agreement shall be construed to create any contractual relationship between the COUNTY and any subconsultant or subcontractor. Further, all such contracts shall provide that, at the COUNTY's discretion, they are assignable to the COUNTY upon any termination of this Agreement.

ARTICLE ELEVEN
WAIVER OF CLAIMS

11.1. The CONSULTANT's acceptance of final payment for Services provide under any Work Order shall constitute a full waiver of any and all claims, except for insurance company subrogation claims, by it against the COUNTY arising out of the Work Order or otherwise related to those Services, and except those previously made in writing in accordance with the terms of this Agreement and identified by CONSULTANT in its final invoice for the subject Work Order as

unsettled. Neither the acceptance of CONSULTANT's Services nor payment by the COUNTY shall be deemed to be a waiver of any of COUNTY's rights against CONSULTANT.

ARTICLE TWELVE
TERMINATION OR SUSPENSION

12.1. This Agreement is a fixed term contract for the professional services of CONSULTANT. It is agreed that either party hereto shall at any and all times have the right and option to terminate this Agreement by giving to the other party not less than thirty (30) days prior written notice of such termination. Upon this Agreement being so terminated by either party hereto, neither party hereto shall have any further rights or obligations under this Agreement subsequent to the date of termination, except that Services specified to be performed under a previously issued Work Order, shall proceed to completion under the terms of this Agreement.

12.2. The CONSULTANT shall be considered in material default of this Agreement and such default will be considered cause for the COUNTY to terminate this Agreement and any Work Orders in effect, in whole or in part, as further set forth in this section, for any of the following reasons: (a) CONSULTANT's failure to begin Services under any particular Work Order within the times specified under that Work Order, or (b) CONSULTANT's failure to properly and timely perform the Services to be provided hereunder or as directed by the COUNTY, or (c) the bankruptcy or insolvency or a general assignment for the benefit of creditors by CONSULTANT or by any of CONSULTANT's principals, officers or directors, or (d) CONSULTANT's failure to obey any laws, ordinances, regulations or other codes of conduct, or (e) CONSULTANT's failure to perform or abide by the terms and conditions of this Agreement and any Work Orders in effect, or (f) for any other just cause. The COUNTY may so terminate this Agreement and any Work Orders in effect, in whole or in part, by giving the CONSULTANT seven (7) calendar days written notice of the material default.

12.3. If, after notice of termination of this Agreement as provided for in paragraph 12.1 above, it is determined for any reason that CONSULTANT was not in default, or that its default was excusable, or that the COUNTY otherwise was not entitled to the remedy against CONSULTANT provided for in paragraph 12.2, then the notice of termination given pursuant to paragraph 12.2 shall be deemed to be the notice of termination provided for in paragraph 12.4, below, and CONSULTANT's remedies against the COUNTY shall be the same as and be limited to those afforded CONSULTANT under paragraph 12.4 below.

12.4. Notwithstanding anything herein to the contrary (including the provisions of paragraph 12.1 above), the COUNTY shall have the right to terminate this Agreement and any Work Orders in effect, in whole or in part, without cause upon seven (7) calendar days written notice to CONSULTANT. In the event of such termination for convenience, CONSULTANT's recovery against the COUNTY shall be limited to that portion of the fee earned through the date of termination, for any Work Orders so cancelled, together with any retainage withheld and any costs reasonably incurred by CONSULTANT that are directly attributable to the termination, but CONSULTANT shall not be entitled to any other or further recovery against the COUNTY, including, but not limited to, anticipated fees or profits on Services not required to be performed. CONSULTANT must mitigate all such costs to the greatest extent reasonably possible.

12.5. Upon termination and as directed by the COUNTY, the CONSULTANT shall deliver to the COUNTY all original papers, records, documents, drawings, models, and other material set forth and described in this Agreement, including those described in Article 6, that are in CONSULTANT's possession or under its control arising out of or relating to this Agreement or any Work Orders.

12.6. The COUNTY shall have the power to suspend all or any portions of the Services to be provided by CONSULTANT hereunder upon giving CONSULTANT two (2) calendar days prior written notice of such suspension. If all or any portion of the Services to be rendered hereunder are so suspended, the CONSULTANT's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in Article Four herein.

12.7. In the event (i) the COUNTY fails to make any undisputed payment to CONSULTANT within forty-five (45) days after such payment is due as set forth in the Work Order or such other time as required by Florida's Prompt Payment Act or (ii) the COUNTY otherwise persistently fails to fulfill some material obligation owed by the COUNTY to CONSULTANT under this Agreement or subsequently issued Work Order, and (ii) the COUNTY has failed to cure such default within fourteen (14) days of receiving written notice of same from CONSULTANT, then CONSULTANT may stop its performance under the subject Work Order until such default is cured, after giving the COUNTY a second fourteen (14) days written notice of CONSULTANT's intention to stop performance under the applicable Work Order. If the Services are so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the CONSULTANT or its subconsultant or subcontractor or their agents or employees or any other persons performing portions of the Services under contract with the CONSULTANT, the CONSULTANT may terminate the subject Work Order by giving written notice to the COUNTY of CONSULTANT's intent to terminate that Work Order. If the COUNTY does not cure its default within fourteen (14) days after receipt of CONSULTANT's written notice, CONSULTANT may, upon fourteen (14) additional days' written notice to the COUNTY, terminate the subject Work Order and recover from the COUNTY payment for Services performed through the termination date, but in no event shall CONSULTANT be entitled to payment for Services not performed or any other damages from the COUNTY.

ARTICLE THIRTEEN
TRUTH IN NEGOTIATION REPRESENTATIONS

13.1. The CONSULTANT warrants that CONSULTANT has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement and that CONSULTANT has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONSULTANT, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement or any subsequent Work Order.

13.2. ■ **CCNA Projects:** In accordance with provisions of Section 287.055, (5)(a), Florida Statutes, the CONSULTANT agrees to execute the required Truth-In-Negotiation Certificate, attached hereto and incorporated herein as Schedule D, certifying that wage rates and other factual unit costs supporting the compensation for CONSULTANT's services to be provided under this Agreement and each subsequent Work Order issued hereafter, if any, are accurate, complete and current at the time of the Agreement or such subsequent Work Order. The CONSULTANT agrees that the original price as set forth in each subsequent issued Work Order, if any, and any

additions thereto shall be adjusted to exclude any significant sums by which the COUNTY determines the price as set forth in the Work Order was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such adjustments shall be made within one (1) year following the end of the subject Work Order.

ARTICLE FOURTEEN
CONFLICT OF INTEREST

14.1. CONSULTANT represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder. CONSULTANT further represents that no persons having any such interest shall be employed to perform those services.

ARTICLE FIFTEEN
MODIFICATION

15.1. No modification or change in this Agreement shall be valid or binding upon either party unless in writing and executed by the party or parties intended to be bound by it.

15.2. In the event that the need for changes to the Services under a Work Order may arise during the course of the work, the associated tasks may be modified at the request of the Project Manager or his designee. Written authorization from the Project Manager will be required in accordance with the Procurement Ordinance, as amended, and Procedures. For any changes that exceed an existing Work Order amount, the Work Order shall be modified to reflect the increase prior to any related Services being performed.

15.3. All duly executed modifications to Work Orders (including all written modifications or Changes thereto) are hereby incorporated into and made a part of this Agreement by reference.

ARTICLE SIXTEEN
NOTICES AND ADDRESS OF RECORD

16.1. All notices required or made pursuant to this Agreement to be given by the CONSULTANT to the COUNTY shall be in writing and shall be delivered by hand, email, or by United States Postal Service Department, first class mail service, postage prepaid, addressed to the following the COUNTY's address of record:

Board of County Commissioners for Collier County, Florida

Division Director:	Sandra Herrera
Division Name:	Procurement Services Division
Address:	3295 Tamiami Trail East
	Naples, Florida 34112-4901
Administrative Agent/PM:	Evelyn Colon
Telephone:	(239) 252-2667
E-Mail(s):	Evelyn.Colon@colliercountyfl.gov

16.2. All notices required or made pursuant to this Agreement to be given by the COUNTY to the CONSULTANT shall be made in writing and shall be delivered by hand, email or by the United States Postal Service Department, first class mail service, postage prepaid, addressed to the following CONSULTANT's address of record:

Company Name:	Robau and Associates, LLC
Address:	2770 Horseshoe Drive S. Suite 7
	Naples, Florida 34104
Authorized Agent:	Emilio J. Robau, Managing Member
Attention Name & Title:	
Telephone:	(239) 206-8000
E-Mail(s):	ejr@robau-designs.com

16.3. Either party may change its address of record by written notice to the other party given in accordance with requirements of this Article.

ARTICLE SEVENTEEN
MISCELLANEOUS

17.1. The CONSULTANT, in representing the COUNTY, shall promote the best interests of the COUNTY and assume towards the COUNTY a duty of the highest trust, confidence, and fair dealing.

17.2. No modification, waiver, suspension or termination of the Agreement or of any terms thereof shall impair the rights or liabilities of either party.

17.3. This Agreement is not assignable, or otherwise transferable in whole or in part, by CONSULTANT without the prior written consent of the COUNTY.

17.4. Waivers by either party of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this Agreement.

17.5. The headings of the Articles, Schedules, Parts and Attachments as contained in this Agreement are for the purpose of convenience only and shall not be deemed to expand, limit or change the provisions in such Articles, Schedules, Parts and Attachments.

17.6. This Agreement, including the referenced Schedules and Attachments hereto, constitutes the entire agreement between the parties hereto and shall supersede, replace and nullify any and all prior agreements or understandings, written or oral, relating to the matter set forth herein, and any such prior agreements or understanding shall have no force or effect whatever on this Agreement.

17.7. Unless otherwise expressly noted herein, all representations and covenants of the parties shall survive the expiration or termination of this Agreement.

17.8. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

17.9. The terms and conditions of the following Schedules attached hereto are by this reference incorporated herein:

Schedule A WORK ORDER
Schedule B RATE SCHEDULE
Schedule C INSURANCE
Schedule D **CCNA Projects**: TRUTH IN NEGOTIATION CERTIFICATE
Schedule E Other: Federal Contract Provisions and Assurances
Solicitation # 18-7432-CE, including all Attachment(s), Exhibit(s) and Addendum/
Consultant's Proposal

17.10. ■ **Grant Funded Projects:** In the event of any conflict between or among the terms of any of the Contract Documents and/or the COUNTY's Board approved Executive Summary, the terms of the Agreement shall take precedence over the terms of all other Contract Documents, except the terms of any Supplemental Grant Conditions shall take precedence over the Agreement. To the extent any conflict in the terms of the Contract Documents cannot be resolved by application of the Supplemental Conditions, if any, or the Agreement, the conflict shall be resolved by imposing the more strict or costly obligation under the Contract Documents upon the CONSULTANT at the COUNTY's discretion.

17.11. **Applicability.** Sections corresponding to any checked box (■) expressly apply to the terms of this Agreement.

ARTICLE EIGHTEEN
APPLICABLE LAW

18.1. This Agreement shall be governed by the laws, rules, and regulations of the State of Florida, and by such laws, rules and regulations of the United States as made applicable to services funded by the United States government. Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

ARTICLE NINETEEN
SECURING AGREEMENT/PUBLIC ENTITY CRIMES

19.1. The CONSULTANT warrants that CONSULTANT has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement and that CONSULTANT has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONSULTANT, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement. ☑ At the time this Agreement is executed, CONSULTANT shall sign and deliver to the COUNTY the Truth-In-Negotiation Certificate identified in Article 13 and attached hereto and made a part hereof as Schedule D. The CONSULTANT's compensation as set forth in each subsequently issued Work Order, if any, shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.

The CONSULTANT's compensation as set forth in each subsequently issued Work Order, if any, shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.

19.2. By its execution of this Agreement, CONSULTANT acknowledges that it has been informed by the COUNTY of and is in compliance with the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

> "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list."

ARTICLE TWENTY
DISPUTE RESOLUTION

20.1. Prior to the initiation of any action or proceeding permitted by this Agreement to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation. The negotiation shall be attended by representatives of CONSULTANT with full decision-making authority and by the COUNTY's staff person who would make the presentation of any settlement reached during negotiations to the COUNTY for approval. Failing resolution, and prior to the commencement of depositions in any litigation between the parties arising out of this Agreement, the parties shall attempt to resolve the dispute through Mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The mediation shall be attended by representatives of CONSULTANT with full decision-making authority and by the COUNTY's staff person who would make the presentation of any settlement reached at mediation to the COUNTY's board for approval. Should either party fail to submit to mediation as required hereunder, the other party may obtain a court order requiring mediation under section 44.102, Fla. Stat.

20.2. Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

ARTICLE TWENTY-ONE
IMMIGRATION LAW COMPLIANCE

21.1. By executing and entering into this agreement, the CONSULTANT is formally acknowledging without exception or stipulation that it is fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the CONSULTANT to comply with the laws referenced herein shall constitute a breach of this agreement and the COUNTY shall have the discretion to unilaterally terminate this Agreement immediately.

(signature page to follow)

IN WITNESS WHEREOF, the parties hereto have executed this Professional Services Agreement the day and year first written above.

SCHEDULE A

WORK ORDER
Contract 00-0000 "Name of Contract"
Contract Expiration Date: _____, 20_____

This Work Order is for professional (describe) services for work known as:

Project Name:
Project No:

The work is specified in the proposal dated , 20_____ which is attached hereto and made a part of this Work Order. In accordance with Terms and Conditions of the Agreement referenced above, this Work Order is assigned to: Name of Firm

Scope of Work: As detailed in the attached proposal and the following:

* Task I -
* Task II
* Task III

Schedule of Work: Complete work within days from the date of the Notice to Proceed which is accompanying this Work Order. The Consultant agrees that any Work Order that extends beyond the expiration date of Agreement # 00-0000 will survive and remain subject to the terms and conditions of that Agreement until the completion or termination of this Work Order.

Compensation: In accordance with the Agreement referenced above, the County will compensate the Firm in accordance with following method(s): ☐Negotiated Lump Sum (NLS) ☐Lump Sum Plus Reimbursable Costs (LS+RC) ☐Time & Material (T&M) (established hourly rate – Schedule A) ☐Cost Plus Fixed Fee (CPFF), (define which method will be used for which tasks) as provided in the attached proposal.

Task I	$
Task II	$
Task III	$
TOTAL FEE	$

PREPARED BY: _____ _____
Name and Title Date

APPROVED BY: _____ _____
(Dept Name) , Division Director Date

APPROVED BY: _____ _____
type name, Department Head Date

By the signature below, the Firm (including employees, officers and/or agents) certifies, and hereby discloses, that, to the best of their knowledge and belief, all relevant facts concerning past, present, or currently planned interest or activity (financial, contractual, organizational, or otherwise) which relates to the proposed work; and bear on whether the Firm has a potential conflict have been fully disclosed.

Additionally, the Firm agrees to notify the Procurement Director, in writing within 48 hours of learning of any actual or potential conflict of interest that arises during the Work Order and/or project duration.

ACCEPTED BY: (Firm Name)

SCHEDULE B
BASIS OF COMPENSTATION

1. SERVICES

B.1.1. As the COUNTY identifies certain Services it wishes CONSULTANT to provide pursuant to the terms of this Agreement, the COUNTY shall request a proposal from CONSULTANT for such Services, said proposal to be in compliance with the terms of this Agreement. If the parties reach an agreement with respect to such Services, including, but not limited to the scope, compensation and schedule for performance of those Services, a Work Order shall be issued which incorporates the terms of the understanding reached by the parties with respect to such Services.

B.1.1.1. The COUNTY may request that CONSULTANT in writing advise the COUNTY of (i) the estimated time of CONSULTANT's personnel and the estimated fees thereof for the proposed work to be specified in the Work Order; and (ii) the estimated charge to the COUNTY for the reimbursable expenses applicable to the contemplated Services to be performed by CONSULTANT under the proposed Work Order. CONSULTANT shall promptly supply such estimate to the COUNTY based on CONSULTANT's good faith analysis.

B.1.2. All Services to be performed by CONSULTANT pursuant to this Agreement shall be in conformance with the scope of services, which shall be described in a Work Order issued pursuant to the procedures described herein. Reference to the term Work Order herein, with respect to authorization of Services, includes all written Work Order Modifications or Amendments.

B.1.3. All Services must be authorized in writing by the COUNTY in the form of a Work Order. CONSULTANT shall not provide any Services to the COUNTY unless and to the extent they are required in a written Work Order. Any Services provided by CONSULTANT without a written Work Order shall be at CONSULTANT's own risk and the COUNTY shall have no liability for such Services.

B.1.4. Upon issuance of a Work Order as aforesaid, CONSULTANT agrees to promptly provide the Services required thereby, in accordance with the terms of this Agreement and the subject Work Order.

2. COMPENSATION TO CONSULTANT

B.2.1. Payments for Basic Services and Additional Basic Services as set forth herein or the Work Order shall be made upon presentation of the CONSULTANT's invoice approved by the COUNTY.

B.2.2. Payments will be made for services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-payment under the legal doctrine of "laches" as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this Agreement.

B.2.3. For the Services provided for in this Agreement, the COUNTY agrees to make payments to CONSULTANT based upon CONSULTANT's Direct Labor Costs and Reimbursable Expenses or as a Lump Sum.

B.2.4. ■ Time and Material Fees: Direct Labor Costs mean the actual salaries and wages (basic, premium and incentive) paid to CONSULTANT's personnel, with respect to this Agreement, including all indirect payroll related costs and fringe benefits, all in accordance with and not in excess of the rates set forth in the Attachment 1 to this Schedule B. With each monthly Application for Payment, CONSULTANT shall submit detailed time records, and any other documentation reasonably required by the COUNTY, regarding CONSULTANT's Direct Labor Costs incurred at the time of billing, to be reviewed and approved by the COUNTY. There shall be no overtime pay without the COUNTY's prior written approval.

B.2.4.1. For Additional Services provided pursuant to Article 2 of the Agreement, if any, the COUNTY agrees to pay CONSULTANT a negotiated total fee and Reimbursable Expenses based on the services to be provided and as set forth in the Amendment authorizing such Additional Services. The negotiated fee shall be based upon the rates specified in Attachment 1 to this Schedule B and all Reimbursable Expenses shall comply with the provision of Section B.3.4.1 below. There shall be no overtime pay on Additional Services without the COUNTY's prior written approval.

B.2.4.2. Notwithstanding anything herein to the contrary, in no event may CONSULTANT's monthly billings, on a cumulative basis, exceed the sum determined by multiplying the applicable not to exceed task(s) limits by the percentage the COUNTY has determined CONSULTANT has completed such task as of that particular monthly billing.

B.2.5. ■ Lump Sum Fees: The fees noted in the Work Order shall constitute the lump sum amount to be paid to CONSULTANT for the performance of the Services. CONSULTANT shall submit to the COUNTY as part of its monthly invoice a progress report reflecting the status, in terms of the total work effort estimated to be required for the completion of the Services authorized under the Work Order and any then-authorized Additional Services, as of the last day of the subject monthly billing cycle. Among other things, the report shall show all Service items and the percentage complete of each item. There shall be no overtime pay without the COUNTY's prior written approval.

B.2.6. For Additional Services provided pursuant to Article 2 of the Agreement, the COUNTY agrees to pay CONSULTANT a negotiated total fee and Reimbursable Expenses based on the services to be provided and as set forth in the Amendment authorizing such Additional Services. The negotiated fee shall be based upon the rates specified in Attachment 1 to this Schedule B and all Reimbursable Expenses shall comply with the provisions of Section 3 below. There shall be no overtime pay on Services or Additional Services without COUNTY's prior written approval.

B.2.7. Unless specific rates have been established in Attachment 1, attached to this Schedule B, CONSULTANT agrees that, with respect to any subconsultant or subcontractor to be utilized by CONSULTANT for a particular Work Order or Additional Services, CONSULTANT shall be limited to a maximum markup of five percent (5%) on the fees and expenses associated with such subconsultants and subcontractors.

B.2.8. The CONSULTANT agrees to furnish to the COUNTY, after the end of each calendar month, or as specified in the Work Order, statement of charges for the Services performed and rendered by CONSULTANT during that time period, and for any the COUNTY authorized reimbursable expenses as herein below defined, incurred and/or paid by CONSULTANT during that time period. The monthly statement shall be in such form and supported by such documentation as may be required by the COUNTY. Notwithstanding anything herein to the contrary, the CONSULTANT shall submit no more than one (1) invoice per month for both Basic Services and Additional Services. Invoices shall be reasonably substantiated, identify the services rendered and must be submitted in a form and manner required by the COUNTY.

B.2.9. Invoices not properly prepared (mathematical errors, billing not reflecting actual work done, no signature, etc.) shall be returned to CONSULTANT for correction. Invoices shall be submitted on CONSULTANT's letterhead and must include the Purchase Order Number and Project name and shall not be submitted more than one time monthly.

B.2.10. Notwithstanding anything in the Agreement to the contrary, CONSULTANT acknowledges and agrees that in the event of a dispute concerning payments for Services performed under this Agreement, CONSULTANT shall continue to perform the Services required of it under this Agreement, as directed by the COUNTY, pending resolution of the dispute provided that the COUNTY continues to pay to CONSULTANT all amounts that the COUNTY does not dispute are due and payable.

3. REIMBURSABLE EXPENSES

B.3.1. Payments for Additional Services of CONSULTANT as defined in Section 2 hereinabove and for reimbursable expenses will be made monthly upon presentation of a detailed invoice with supporting documentation.

B.3.2. The CONSULTANT shall obtain the prior written approval of the COUNTY before incurring any reimbursable expenses, and absent such prior approval, no expenses incurred by CONSULTANT will be deemed to be a reimbursable expense.

B.3.3. The COUNTY agrees to reimburse CONSULTANT for all necessary and reasonable reimbursable expenses incurred or paid by CONSULTANT in connection with CONSULTANT's performance of the Services, at its direct cost with no markup; to the extent such reimbursement is permitted in the Work Order and in accordance with Section 112.061, F.S., or as set forth in this Agreement. Reimbursable expenses shall be invoiced for the expenditures incurred by the CONSULTANT as stated below.

5.3.3.1. Cost for reproducing documents that exceed the number of documents described in this Agreement and postage and handling of Drawings and Specifications including duplicate sets at the completion of each Work Order for the COUNTY's review and approval.

5.3.3.2. Travel expenses reasonably and necessarily incurred with respect to Project related trips, to the extent such trips are approved by the COUNTY. Such expenses, if approved by the COUNTY, may include coach airfare, standard accommodations and meals, all in accordance with Section 112.061, F.S. Further, such expenses, if approved by the COUNTY, may include mileage for trips that are from/to destinations outside of Collier or Lee Counties. Such trips within Collier and Lee Counties are expressly excluded

5.3.3.3. Expense of overtime work requiring higher than regular rates approved in advance and in writing by the COUNTY.

5.3.3.4. Permit Fees required by the Project.

5.3.3.5. Expense of models for the COUNTY's use.

5.3.3.6. Fees paid for securing approval of authorities having jurisdiction over the Work Order required under the applicable Work Order.

5.3.3.7. Other items on request and approved in writing by the COUNTY.

5.3.4. The CONSULTANT shall bear and pay all overhead and other expenses, except for authorized reimbursable expenses, incurred by CONSULTANT in the performance of the Services.

5.3.5. Records of Reimbursable Expenses shall be kept on a generally recognized accounting basis.

SCHEDULE B - ATTACHMENT 1

Survey Crew - 3 man	$185
Survey Crew - 4 man	$218
Senior Architect	$177
Architect	$148

The above hourly rates are applicable to Time and Materials task(s) only. The above list may not be all inclusive. Hourly rates for additional categories required to provide particular .project services shall be mutually agreed upon by the County and firm, in writing, on a project by project basis, as needed, and will be set forth in the Work Order agreed upon by the parties.

■ **Grant Funded**: The above hourly rates are for purposes of providing estimate(s), as required by the grantor agency.

SCHEDULE C
INSURANCE COVERAGE

1. The amounts and types of insurance coverage shall conform to the following minimum requirements with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If CONSULTANT has any self-insured retentions or deductibles under any of the below listed minimum required coverages, CONSULTANT must identify on the Certificate of Insurance the nature and amount of such self-insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be CONSULTANT's sole responsibility.

2. The insurance required by this Agreement shall be written for not less than the limits specified herein or required by law, whichever is greater.

3. Coverages shall be maintained without interruption from the date of commencement of the services until the date of completion and acceptance of the Project by the COUNTY or as specified in this Agreement, whichever is longer.

4. Certificates of insurance acceptable to the COUNTY shall be filed with the COUNTY within ten (10) calendar days after Notice of Award is received by CONSULTANT evidencing the fact that CONSULTANT has acquired and put in place the insurance coverages and limits required hereunder. In addition, certified, true and exact copies of all insurance policies required shall be provided to the COUNTY, on a timely basis, if requested by the COUNTY. Such certificates shall contain a provision that coverages afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days prior written notice has been given to the COUNTY. CONSULTANT shall also notify the COUNTY, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverages or limits received by CONSULTANT from its insurer, and nothing contained herein shall relieve CONSULTANT of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by CONSULTANT hereunder, CONSULTANT shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

5. All insurance coverages of the CONSULTANT shall be primary to any insurance or self-insurance program carried by the COUNTY applicable to this Project.

6. The acceptance by the COUNTY of any Certificate of Insurance does not constitute approval or agreement by the COUNTY that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of this Agreement.

7. CONSULTANT shall require each of its subconsultants to procure and maintain, until the completion of the subconsultant's services, insurance of the types and to the limits specified in this Section except to the extent such insurance requirements for the subconsultant are expressly waived in writing by the COUNTY.

8. Should at any time the CONSULTANT not maintain the insurance coverages required herein, the COUNTY may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the CONSULTANT for such coverages purchased. If CONSULTANT fails to reimburse the COUNTY for such costs within thirty (30) days after demand,

the COUNTY has the right to offset these costs from any amount due CONSULTANT under this Agreement or any other agreement between the COUNTY and CONSULTANT. The COUNTY shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the COUNTY to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Agreement.

9. If the initial, or any subsequently issued Certificate of Insurance expires prior to the completion of the services required hereunder or termination of the Agreement, the CONSULTANT shall furnish to the COUNTY, in triplicate, renewal or replacement Certificate(s) of Insurance not later than three (3) business days after the renewal of the policy(ies). Failure of the Contractor to provide the COUNTY with such renewal certificate(s) shall be deemed a material breach by CONSULTANT and the COUNTY may terminate the Agreement for cause.

10. **WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY.**

Required by this Agreement? ■ Yes ☐ No

Workers' Compensation and Employers' Liability Insurance shall be maintained by the CONSULTANT during the term of this Agreement for all employees engaged in the work under this Agreement in accordance with the laws of the State of Florida. The amounts of such insurance shall not be less than:

a. Worker's Compensation - Florida Statutory Requirements

b. Employers' Liability - The coverage must include Employers' Liability with a minimum limit of $ 1,000,000 for each accident.

The insurance company shall waive all claims rights against the COUNTY and the policy shall be so endorsed.

11. **United States Longshoreman's and Harbor Worker's Act** coverage shall be maintained where applicable to the completion of the work. Required by this Agreement? ☐ Yes ■ No

12. **Maritime Coverage (Jones Act)** shall be maintained where applicable to the completion of the work.

Required by this Agreement? ☐ Yes ■ No

13. **COMMERCIAL GENERAL LIABILITY.**

Required by this Agreement? ■ Yes ☐ No

A. Commercial General Liability Insurance, written on an "occurrence" basis, shall be maintained by the CONSULTANT. Coverage will include, but not be limited to, Bodily Injury, Property Damage, Personal Injury, Contractual Liability for this Agreement, Independent Contractors, Broad Form Property Damage including Completed Operations and Products and Completed Operations Coverage. Products and Completed Operations coverage shall be

maintained for a period of not less than five (5) years following the completion and acceptance by the COUNTY of the work under this Agreement. Limits of Liability shall not be less than the following:

Coverage shall have minimum limits of $ 1,000,000 Per Occurrence, $ 2,000,000 aggregate.

B. The General Aggregate Limit shall apply separately to this Project and the policy shall be endorsed using the following endorsement wording. "This endorsement modifies insurance provided under the following: Commercial General Liability Coverage Part. The General Aggregate Limit under LIMITS OF INSURANCE applies separately to each of your projects away from premises owned by or rented to you." Applicable deductibles or self-insured retentions shall be the sole responsibility of CONSULTANT. Deductibles or self-insured retentions carried by the CONSULTANT shall be subject to the approval of the Risk Management Director or his/her designee.

14. Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR, Collier County Government shall be listed as the Certificate Holder and included as an "Additional Insured" on the Insurance Certificate for Commercial General Liability where required. The insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Contractor's policy shall be endorsed accordingly. Contractor shall ensure that all subcontractors comply with the same insurance requirements that the Contractor is required to meet.

15. **Watercraft Liability** coverage shall be carried by the CONSULTANT or the SUBCONSULTANT in limits of not less than the Commercial General Liability limit shown in subparagraph (1) above if applicable to the completion of the Services under this Agreement.

Required by this Agreement? ☐ Yes ■ No

16. **Aircraft Liability** coverage shall be carried by the CONSULTANT or the SUBCONSULTANT in limits of not less than $5,000,000 each occurrence if applicable to the completion of the Services under this Agreement.

Required by this Agreement? ☐ Yes ■ No

17. **AUTOMOBILE LIABILITY INSURANCE.**

Required by this Agreement? ■ Yes ☐ No

Business Auto Liability: Coverage shall have minimum limits of $ 1,000,000 Per Occurrence, Combined Single Limit for Bodily Injury Liability and Property Damage Liability. This shall include: Owned Vehicles, Hired and Non-Owned Vehicles and Employee Non-The ownership.

18. **TECHNOLOGY ERRORS and OMISSIONS INSURANCE.**

Required by this Agreement? ☐ Yes ■ No

Technology Errors and Omissions Insurance: Coverage shall have minimum limits of $_____Per Occurrence.

19. **CYBER INSURANCE.**

Required by this Agreement? ☐ Yes ■ No

Cyber Insurance: Coverage shall have minimum limits of $_____Per Occurrence.

20. **UMBRELLA LIABILITY.**

A. Umbrella Liability may be maintained as part of the liability insurance of the CONSULTANT and, if so, such policy shall be excess of the Employers' Liability, Commercial General Liability, and Automobile Liability coverages required herein and shall include all coverages on a "following form" basis.

B. The policy shall contain wording to the effect that, in the event of the exhaustion of any underlying limit due to the payment of claims, the Umbrella policy will "drop down" to apply as primary insurance.

21. **PROFESSIONAL LIABILITY INSURANCE.**

Required by this Agreement? ■ Yes ☐ No

A. **Professional Liability:** Shall be maintained by the CONSULTANT to ensure its legal liability for claims arising out of the performance of professional services under this Agreement. CONSULTANT waives its right of recovery against COUNTY as to any claims under this insurance. Such insurance shall have limits of not less than $ 1,000,000 each claim and aggregate.

B. Any deductible applicable to any claim shall be the sole responsibility of the CONSULTANT. Deductible amounts are subject to the approval of the COUNTY.

C. The CONSULTANT shall continue this coverage for this Project for a period of not less than five (5) years following completion and acceptance of the Project by the COUNTY.

D. The policy retroactive date will always be prior to the date services were first performed by CONSULTANT or the COUNTY, and the date will not be moved forward during the term of this Agreement and for five years thereafter. CONSULTANT shall promptly submit Certificates of Insurance providing for an unqualified written notice to the COUNTY of any cancellation of coverage or reduction in limits, other than the application of the aggregate limits provision. In addition, CONSULTANT shall also notify the COUNTY by certified mail, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverages or limits received by CONSULTANT from its insurer. In the event of more than a twenty percent (20%) reduction in the aggregate limit of any policy, CONSULTANT shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy. CONSULTANT shall promptly submit a certified, true copy of the policy and any endorsements issued or to be issued on the policy if requested by the COUNTY.

22. VALUABLE PAPERS INSURANCE.

In the sole discretion of the COUNTY, CONSULTANT may be required to purchase valuable papers and records coverage for plans, specifications, drawings, reports, maps, books, blueprints, and other printed documents in an amount sufficient to cover the cost of recreating or reconstructing valuable papers or records utilized during the term of this Agreement.

23. PROJECT PROFESSIONAL LIABILITY.

A. If the COUNTY notifies CONSULTANT that a project professional liability policy will be purchased, then CONSULTANT agrees to use its best efforts in cooperation with THE COUNTY and the COUNTY's insurance representative, to pursue the maximum credit available from the professional liability carrier for a reduction in the premium of CONSULTANT's professional liability policy. If no credit is available from CONSULTANT's current professional policy underwriter, then CONSULTANT agrees to pursue the maximum credit available on the next renewal policy, if a renewal occurs during the term of the project policy (and on any subsequent professional liability policies that renew during the term of the project policy). CONSULTANT agrees that any such credit will fully accrue to the COUNTY. Should no credit accrue to the COUNTY, the COUNTY and CONSULTANT, agree to negotiate in good faith a credit on behalf of the COUNTY for the provision of project-specific professional liability insurance policy in consideration for a reduction in CONSULTANT's self-insured retention and the risk of uninsured or underinsured consultants.

B. The CONSULTANT agrees to provide the following information when requested by the COUNTY or the COUNTY's Project Manager:

1. The date the professional liability insurance renews.
2. Current policy limits.
3. Current deductibles/self-insured retention.
4. Current underwriter.
5. Amount (in both dollars and percent) the underwriter will give as a credit if the policy is replaced by an individual project policy.
6. Cost of professional insurance as a percent of revenue.
7. Affirmation that the design firm will complete a timely project errors and omissions application.

C. If the COUNTY elects to purchase a project professional liability policy, CONSULTANT to be insured will be notified and the COUNTY will provide professional liability insurance, naming CONSULTANT and its professional subconsultants as named insureds.

END OF SCHEDULE C

☐ this schedule is applicable

SCHEDULE D

TRUTH IN NEGOTIATION CERTIFICATE

In compliance with the Consultants' Competitive Negotiation Act, Section 287.055, Florida Statutes, Robau and Associates, LLC *(company's name)* hereby certifies that wages, rates and other factual unit costs supporting the compensation for the services of the CONSULTANT to be provided under the Professional Services Agreement, concerning "Professional Services Library Civil Engineering Category "project is accurate, complete and current as of the time of contracting.

SCHEDULE E

Other: Federal Contract Provisions and Assurances
(Description)

☒ following this page (pages 1 through 9)

☐ this schedule is not applicable

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

FEDERAL EMERGENCY MANAGEMENT AGENCY
PUBLIC ASSISTANCE

This project activity is funded in whole or in part by the Federal Government, or an Agency thereof. Federal Law requires that the Applicant's contracts relating to the project include certain provisions.

Per uniform requirements of federal awards (2 CFR Part 200.23) the definition of CONTRACTOR is an entity that receives a contract (including a purchase order).

Compliance with Federal Law, Regulations and Executive Orders: The Sub-Recipient (County) agrees to include in the subcontract that (i) the subcontractor is bound by the terms of the Federally-Funded Subaward and Grant Agreement, (ii) the subcontractor is bound by all applicable state and Federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

Specifically, the Contractor shall be responsible for being knowledgeable and performing any and all services under this contract in accordance with the following governing regulations along with any and all other relevant Federal, State, and local laws, regulations, codes and ordinances:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- 44 C.F.R. Part 206
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- FEMA Public Assistance Program and Policy Guide, 2017 (in effect for incidents declared on or after April 1, 2017)

Reporting: The contractor will provide any information required to comply with the grantor agency requirements and regulations pertaining to reporting. It is important that the contractor is aware of the reporting requirements of the County, as the Federal or State granting agency may require the contractor to provide certain information, documentation, and other reporting in order to satisfy reporting requirements to the granting agency.

Access to Records: (1) The contractor agrees to provide the County, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the contract.

DHS Seal, Logo, and Flags: The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval.

No Obligation by Federal Government: The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

Program Fraud and False or Fraudulent Statements or Related Acts: The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

Energy Efficiency Standards: The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

Termination: Should the Contractor be found to have failed to perform his services in a manner satisfactory to the County as per this Agreement, the County may terminate said Agreement for cause; further the County may terminate this Agreement for convenience with a thirty (30) day written notice. The County shall be sole judge of non-performance. In the event that the County terminates this Agreement, Contractor's recovery against the County shall be limited to that portion of the Agreement Amount earned through the date of termination. The Contractor shall not be entitled to any other or further recovery against the County, including, but not limited to, any damages or any anticipated profit on portions of the services not performed.

Rights to Inventions Made Under a Contract or Agreement: If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the County wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the County must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Changes: See Standard Purchase Order Terms and Conditions.

Procurement of Recovered Materials (§200.322) (Over $10,000): (1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA designated items unless the product cannot be acquired (i) Competitively within a timeframe providing for compliance with the contract performance schedule; (ii) Meeting contract performance requirements; or (iii) At a reasonable price. (2) Information about this requirement is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program

Suspension and Debarment: (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. (3) This certification is a material representation of fact relied upon by the County. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms §200.321 (a) The Solicitor must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible. (b) Affirmative steps must include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

(6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

Equal Employment Opportunity Clause (§60-1.4): Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4.

During the performance of this contract, the contractor agrees as follows:

I. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment, or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

II. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

III. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

IV. The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

V. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

VI. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

VII. In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

VIII. The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) (over $100,000): Where applicable, all contracts awarded by the solicitor in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5).

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

Administrative, Contractual, or Legal Remedies (over $150,000): Unless otherwise provided in this contract, all claims, counter-claims, disputes and other matters in question between the local government and the contractor, arising out of or relating to this contract, or the breach of it, will be decided by arbitration, if the parties mutually agree, or in a Florida court of competent jurisdiction.

Clean Air Act and Federal Water Pollution Control Act: (over $150,000) (1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* (2) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 *et seq.* (3) The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. (4) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352 (as amended) (over $100,000): Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

State Provisions

Convicted Vendor and Discriminatory Vendors List Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

Lobbying: No funds received pursuant to this Agreement may be expended for lobbying the Legislature, the judicial branch or any state agency.

Inspector General Cooperation: The Parties agree to comply with Section 20.055(5), Florida Statutes, for the inspector general to have access to any records, data and other information deemed necessary to carry out his or her duties and incorporate into all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

Record Retention - The contractor shall maintain and retain sufficient records demonstrating its compliance with the terms of the Agreement for a period of at least five (5) years after final payment is made and shall allow the County, FDEM, or its designee's access to such records upon request.

EXHIBIT I
FEDERAL CONTRACT PROVISIONS AND ASSURANCES

Acknowledgement of Terms, Conditions, and Grant Clauses

Certification
If the vendor subcontracts any of the work required under this Agreement, a copy of the signed subcontract must be available to the Department for review and approval. The vendor agrees to include in the subcontract that (1) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Department and Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law. The recipient shall document in the quarterly report the subcontractor's progress in performing its work under this agreement. For each subcontract, the Recipient shall provide a written statement to the Department as to whether the subcontractor is a minority vendor as defined in Section 288.703, Fla. Stat.

On behalf of my firm, I acknowledge, the grant requirements identified in this document.

LOBBYING CERTIFICATION
(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

BOWMAN CONSULTING GROUP LTD.
BOWMAN GULF COAST LLC
ROBAU AND ASSOCIATES, LLC
AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER (together with Exhibits and Schedules hereto the "Agreement") dated this 21st day of August 2024 (the "Execution Date"), by and among **BOWMAN CONSULTING GROUP LTD.**, a Delaware corporation ("Bowman"), **BOWMAN GULF COAST LLC,** a Florida limited liability company and wholly-owned subsidiary of Bowman ("Bowman Sub"), **ROBAU and ASSOCIATES, LLC,** a Florida limited liability company (the "Merged Company"), and **EMILIO J. ROBAU** (the "Member"). Capitalized terms used and not otherwise defined in this Agreement have the meanings set forth in Section 1.3 below.

WITNESSETH

WHEREAS, the Merged Company is engaged in the business of providing civil engineering design, permitting, consulting, and project management services from its office in Naples, Florida (the "Business");

WHEREAS, the Member owns all of the issued and outstanding membership interests in the Merged Company (the "Merged Company Membership Interests");

WHEREAS, Bowman is the sole manager and sole member of Bowman Sub and as such is the sole owner of Bowman Sub;

WHEREAS, the Board of Managers and Member of the Merged Company have determined that the merger of Merged Company with and into Bowman Sub is in the best interests of the Merged Company and the Member and they have approved the merger in accordance with applicable Florida law and accordingly have agreed to effect the merger provided for herein upon the terms, and subject to the conditions set forth herein;

WHEREAS, Bowman and Bowman Sub, have determined that the merger of Merged Company with and into Bowman Sub is in the best interests of Bowman, Bowman Sub and the Merged Company and they have approved the merger in accordance with applicable Florida law and accordingly have agreed to effect the merger provided for herein upon the terms and subject to the conditions set forth herein;

WHEREAS, the parties intend that: (a) the Merged Company will merge with and into Bowman Sub in a forward triangular merger (the "Merger" or the "Transaction"); and (b) Bowman Sub will be the surviving entity of the Merger. When the Merger is effective the Member of Merged Company will receive a combination of capital stock of Bowman, cash, and Bowman's promissory note, all as more fully set forth herein. Each of these events will be subject to and carried out pursuant to the terms and conditions of this Agreement and Articles of Merger substantially in the form of Exhibit A and the applicable provisions of Florida law;

CAO

WHEREAS, the Merger is intended to be treated for Federal income tax purposes as a tax-free reorganization pursuant to the provisions of Section 368(a)(1)(A) of the Internal Revenue Code of 1986, as amended (the "Code"), by virtue of the provisions of Section 368(a)(1)(A) of the Code and specifically as a forward triangular merger as provided for in Section 368(a)(2)(D) of the Code;

WHEREAS, Bowman, Bowman Sub, the Member, and the Merged Company desire to make certain representations and warranties and other agreements in connection with the Transaction; and

WHEREAS, as a condition of Closing hereunder the Member shall be required to execute documents regarding his employment and post-employment activities, including a Non-Solicitation, Non-Competition and Non-Disclosure Agreement described herein.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as follows:

Article 1
DEFINITIONS

1.1 Certain Matters of Construction. A reference to an Article, Section, Exhibit or Schedule shall mean an Article of a Section in or Exhibit or Schedule to, this Agreement unless otherwise expressly stated. The titles and headings herein are for reference purposes only and shall not in any manner limit the construction of this Agreement which shall be considered as a whole. The words "include," "includes" and "including" when used herein shall be deemed in each case to be followed by the words "without limitation."

1.2 Cross References. The following terms defined elsewhere in this Agreement in the Sections set forth below shall have the respective meanings therein defined:

Term	*Definition*

1.3 Certain Definitions. As used herein, the following terms shall have the following meanings:

Accounting Principles: shall mean GAAP, and to the extent there is a departure from GAAP by the Merged Company then Accounting Principles shall mean sound and consistent accounting practices, principles, policies, procedures, classifications, judgments, valuations and estimates.

Accounts Receivable: shall mean amounts owed to the Merged Company by its customers and evidenced by invoices which reflect only services rendered through the Closing Date, are dated no later than the Closing Date, and that are transmitted to customers in the Ordinary Course of Business no later than five (5) Business Days after the Closing Date.

Accrued Assumed Payroll: shall mean wages due to Merged Company employees as of the Closing Date, incurred in the Ordinary Course of Business plus the employer portion of payroll taxes due thereon, and subject to the following limitations (A) Accrued Assumed Payroll shall not exceed two (2) weeks/ eighty (80) hours of wages and payroll taxes and shall not include employer or employee share of payroll taxes, 401K, insurance, or related

CAO

items not yet remitted with respect to prior payrolls, (B) Accrued Assumed Payroll shall not include any obligation to pay accrued bonus or other incentive payments above base compensation rates; and (c) Accrued Assumed Payroll shall not include the employer portion of payroll taxes that was deferred under the CARES Act. A schedule of such Accrued Assumed Payroll as of or about August 19, 2024 is set forth on Schedule 4.6.1(c).

Accrued Assumed PTO: shall mean accrued vacation, holiday and sick leave for each employee of the Merged Company hired by Bowman as of the Closing Date (other than for Member, for whom there shall be no Accrued Assumed PTO) all incurred in the Ordinary Course of Business, and not to exceed eighty (80) hours per employee.

Accrued Retained Payroll: shall mean any amount for any reason owed Merged Company employees as of the Closing Date that is not Accrued Assumed Payroll.

Accrued Retained PTO: shall mean accrued vacation, holiday and sick leave, (i) for each employee of the Merged Company hired by Bowman as of the Closing Date (other than for Member) that exceeds eighty (80) hours per employee, (ii) for each employee of the Merged Company who is not hired by Bowman; and (iii) for Member, whether more or less than eighty (80) hours.

Advance Billed Amount: shall mean the dollar amount, if any, by which amounts contained on invoices issued prior to the Closing Date reflect contractual billing milestones greater than the dollar amount of services actually rendered through the Closing Date, including without limitation amounts determined pursuant to the application of ASC Topic 606 issued by the Financial Accounting Standards Board.

Affiliate: with respect to any Person, any Person which, directly or indirectly, controls, is controlled by, or is under common control with, such Person.

Assumed Liabilities: shall mean the sum of Accrued Assumed Payroll, Accrued Assumed PTO, Trade Accounts Payable, and Client Prepayments, as set forth on the Closing Date Balance Sheet.

Average Stock Price: shall mean the average (mean) closing price of Bowman's common stock on Nasdaq for the twenty (20) trading days prior to the Closing Date, weighted by volume for each such trading day.

Backlog: shall mean the value of work to be performed after the Closing Date on behalf of Merged Company clients pursuant to client contracts.

Bowman Material Adverse Effect: any materially adverse change in or effect on the financial condition, business, operations, assets, properties, results of operations or prospects of Bowman; *provided, however*, that none of the following shall be deemed, either alone or in combination, to constitute, and there shall not be taken into account in determining whether there has been a Bowman Material Adverse Effect any adverse effect arising from or attributable or relating to: (a) any natural disaster or any acts of terrorism, sabotage, military action or war or any escalation or worsening thereof; (b) any event,

CAO

occurrence, development or state of circumstances disclosed in or incorporated by reference in the exhibits or schedules attached to this Agreement; (c) the taking of any action or failure to act contemplated by this Agreement or with the written consent of Merged Company; (d) any conditions which abate or are cured by Bowman prior to Closing such that there no longer is a Bowman Material Adverse Effect, or (e) epidemic outbreak (including COVID-19).

Bowman Transaction Expenses: means all fees, costs, expenses and obligations (including any attorneys', accountants', consultants', financial advisory, brokers', investment bankers', and finder's fees) incurred by or otherwise approved by Bowman or Bowman Sub in connection with any of the following that remain unpaid as of the Closing Date: (i) the due diligence conducted by Bowman or Bowman Sub in connection with the transaction contemplated by this Agreement; (ii) the structuring, negotiation or consummation of the Transaction contemplated by this Agreement and the Transaction documents, including the preparation and review of this Agreement (including the disclosure schedules), and the Transaction documents; (iii) the preparation and submission of any filing or notice required to be made or given in connection with the transactions contemplated by this Agreement and obtaining any consent required to be obtained in connection with the Transaction; or (iv) transaction bonuses, discretionary bonuses, change-of-control payments, severance payments, phantom equity payouts, "stay put" or other compensatory amounts payable to any employee, independent contractor, director or other service provider of Bowman as a result of the Transaction (including the employer-paid portion of any employment or payroll Taxes that become payable in connection with payment thereof).

Breach: any breach of, or any inaccuracy in, any representation or warranty or any breach of, or failure to perform or comply with, any covenant or obligation, in or of this Agreement, or any event which with the passing of time or the giving of notice, or both, would constitute such a breach, inaccuracy or failure.

Business Day: any day other than (a) Saturday or Sunday or (b) any other day on which banks in Florida are permitted or required to be closed.

Client Prepayments: shall mean payments received in the Ordinary Course of Business by the Merged Company from its clients in the form of retainers and other prepayments against fees to be earned, as identified on the Closing Date Balance Sheet.

COBRA: the provisions of Section 4980B of the Code and Part 6 of Title I of ERISA.

Commercial Software: those Merged Company assets that consist of packaged commercial software programs generally available to the public through retail dealers or authorized resellers in computer software or directly from the manufacturer which have been licensed to the Merged Company and which are used in the Business but are in no way a component of or incorporated in or specifically required to develop any of the Merged Company's products and related trademarks, and technology.

CAO

Computer Hardware: shall mean the computer, information technology, and data processing equipment owned by the Merged Company.

Encumbrances: shall mean all options, proxies, voting trusts, voting agreements, judgments, pledges, charges, escrows, rights of first refusal or first offer, transfer restrictions, liens, claims, mortgages, security interests, indentures, equities, covenants, rights of way, and other encumbrances of every kind and nature whatsoever, including any arrangements or obligations to create any such encumbrance, whether arising by agreement, operation of law or otherwise.

Environmental Claim: any actual notice alleging potential liability (including, without limitation, potential liability for investigatory costs, cleanup costs, response or remediation costs, natural resources damages, property damages, personal injuries, fines or penalties) arising out of, based on or resulting from (a) the presence, or release of any Materials of Environmental Concern at any location, operated by or under the control of the Merged Company, or (b) circumstances forming the basis of any violation, or alleged violation, of any Environmental Law.

Environmental Law: any and all Federal, state or local statutes, regulations and ordinances relating to the protection of public health, safety or the environment.

ERISA: the Employee Retirement Income Security Act of 1974, as amended.

ERISA Affiliate: with respect to a party, any member (other than that party) of a controlled group of corporations, group of trades or businesses under common control or affiliated service group that includes that party (as defined for purposes of Section 414(b), (c) and (m) of the Code).

FLSA: shall mean the Fair Labor Standards Act of 1938 (29 U.S.C. 201, et seq.) as amended.

Fundamental Representations and Warranties: in the case of the Member those representations and warranties contained in Sections 3.1, 3.2, 3.4, 3.5, and 4.1 (a), (b) and (d); and in the case of Bowman and Bowman Sub those representations and warranties contained in Sections 5.1, 5.2, 6.1, and 6.2.

GAAP: generally accepted accounting principles for financial reporting in the United States, applied on a consistent basis.

Governing Documents: with respect to any particular entity, (a) if a corporation, the articles or certificate of incorporation and the bylaws; (b) if a general partnership, the partnership agreement and any statement of partnership; (c) if a limited partnership, the limited partnership agreement and the certificate of limited partnership; (d) if a limited liability company, the articles of organization and operating agreement; (e) if another type of Person, any other charter or similar document adopted or filed in connection with the creation, formation or organization of the Person; (f) all equity-holders' agreements, voting agreements, voting trust agreements, joint venture agreements, registration rights

CAO

agreements or other agreements or documents relating to the organization, management or operation of any Person or relating to the rights, duties and obligations of the equity-holders of any Person; and (g) any amendment or supplement to any of the foregoing.

Governmental Entity: any governmental or public body or authority of the Federal government of the United States, or of any state, municipality, or other political subdivision located therein.

Indebtedness: shall mean: (a) the aggregate principal amount of, and accrued interest and prepayment penalties, premiums or breakage fees with respect to, all debt for borrowed money of Merged Company and all obligations of Merged Company evidenced by notes, debentures, bonds or similar instruments; (b) all obligations of Merged Company in respect of deferred purchase price for property or services, including capital leases, conditional sale agreements and other title retention agreements ((but excluding current trade payables and compensation expenses incurred in the Ordinary Course of Business); (c) all obligations of Merged Company under conditional sale or other title retention agreements; (d) all obligations of Merged Company in respect of letters of credit, acceptances or similar obligations and any reimbursement agreements with respect thereto; (e) all obligations of Merged Company under interest rate cap agreements, interest rate swap agreements, foreign currency exchange contracts or other hedging contracts (including breakage costs with respect thereto); (f) all obligations of Merged Company in respect of capitalized leases; (g) all obligations of Merged Company in respect of transaction bonuses, change-in-control payments, severance rights, deferred compensation payments, withdrawal liability under multiemployer plans and similar obligations triggered by the Transaction contemplated herein; and (h) any guaranty by Merged Company of the obligations of any Person with respect to any obligations of the type described in clauses (a) through (g).

Key Employees: shall mean the following employees of the Merged Company: Matthew DeFrancesco.

Knowledge of the Member or Member's Knowledge: shall mean the current actual knowledge of the Member after having conducted a reasonable inquiry.

Knowledge of Bowman: shall mean the current actual knowledge of Gary Bowman, Michael Bruen, Bruce Labovitz, Robert Hickey, and Timothy Vaughn after having conducted a reasonable inquiry.

[redacted]

Losses: shall mean all actions, lawsuits, proceedings, hearings, investigations, charges, complaints, Third Party Claims, demands, injunctions, judgments, Orders, liabilities, decrees, rulings, dues, obligations, Taxes, liens, assessments, levies, losses, lost profits, diminution in value, fines, penalties, damages, costs, fees and expenses, including reasonable and documented attorneys', accountants', investigators', and experts' fees and expenses incurred by any Indemnified Party in investigating or defending any of the foregoing or in connection with the enforcement of the Indemnified Party's rights under this Agreement or any agreement entered into in connection herewith, but excluding in each case indirect, special or consequential damages or punitive damages except to the extent awarded or finally determined in a third party claim. For purposes of determining the amount of Loss, the amount of any Loss shall first be reduced by any insurance proceeds received in respect thereof (in each case net of costs of recovery).

Materials of Environmental Concern: petroleum and its by-products and any and all other substances or constituents to the extent that they are regulated by, or form the basis of liability under, any Environmental Law.

[redacted]

Maximum Fundamental Indemnity Amount: shall mean the total amount of Merger Consideration paid or payable under this Agreement.

Merged Company Material Adverse Effect: any materially adverse change in or effect on the financial condition, Business, operations, Merged Company assets, properties, results of operations or prospects of the Merged Company; *provided, however*, that none of the following shall be deemed, either alone or in combination, to constitute, and there shall not be taken into account in determining whether there has been a Merged Company Material Adverse Effect: any adverse effect arising from or attributable or relating to: (a) any natural disaster or any acts of terrorism, sabotage, military action or war or any escalation or worsening thereof; (b) any event, occurrence, development or state of circumstances disclosed in or incorporated by reference in the exhibits or schedules attached to this Agreement; (c) the taking of any action or failure to act contemplated by this Agreement or with the written consent of Bowman; (d) any conditions which abate or are cured by the Merged Company prior to Closing such that there no longer is a Merged Company Material Adverse Effect; or (e) epidemic outbreak (including COVID-19).

Merged Company Transaction Expenses: means all fees, costs, expenses and obligations (including any attorneys', accountants', consultants', financial advisory, brokers', investment bankers', and finder's fees) incurred by or otherwise approved by the Member, the Merged Company in connection with any of the following that remain unpaid as of the Closing Date: (i) the due diligence conducted by the Merged Company or the Member in connection with the transaction contemplated by this Agreement; (ii) the structuring, negotiation or consummation of the Transaction contemplated by this Agreement and the Transaction documents, including the preparation and review of this Agreement (including the disclosure schedules), and the Transaction documents; (iii) the preparation and submission of any filing or notice required to be made or given in connection with the

CAO

Transaction and obtaining any consent required to be obtained in connection with the Transaction; or (iv) Transaction bonuses, discretionary bonuses, change-of-control payments, severance payments, phantom equity payouts, "stay put" or other compensatory amounts payable to any employee, independent contractor, director or other service provider of the Merged Company as a result of the Merger (including the employer-paid portion of any employment or payroll Taxes that become payable in connection with payment thereof).

[redacted]

Naples Lease: shall mean the lease between 2770 SHD7, LLC as Landlord and Merged Company as tenant for 2770 Horseshoe Drive S, Suite 7, Naples, Florida 34104.

Order: any order, injunction, judgment, decree, ruling, assessment or arbitration award of any Governmental Entity or arbitrator.

Ordinary Course of Business: an action taken by a Person will be deemed to have been taken in the Ordinary Course of Business only if that action: is consistent in all material respects in nature, scope and magnitude with the past practices of such Person and is taken in the ordinary course of the normal, day-to-day operations of such Person; does not require authorization by the board of managers or members of such Person (or by any Person or group of Persons exercising similar authority) and does not require any other separate or special authorization of any nature; and is similar in all material respects in nature, scope and magnitude to actions customarily taken, without any separate or special authorization, in the ordinary course of the normal, day-to-day operations of other Persons that are in the same line of business as such Person.

Permitted Encumbrances: (a) Encumbrances on personal property leased under operating leases disclosed to Bowman, (b) Encumbrances for taxes not yet due and payable, and (c) such imperfections or minor defects of title, easements, rights-of-way and other similar restrictions (if any) as are insubstantial in character, amount or extent, do not materially detract from the value or interfere with the present or proposed use of the properties or assets of the party subject thereto or affected thereby, and do not otherwise adversely affect or impair the business or operations of such party.

Person: an individual, a corporation, an association, a limited liability company, a partnership, a limited liability partnership, an estate, a trust, a Governmental Entity, and any other entity or organization.

Prepaid Expenses: shall be a prepaid expense as defined by GAAP.

Subsidiary (or Subsidiaries): means with respect to any Person (the "Owner"), any corporation or other Person of which securities or other interests having the power to elect a majority of that corporation's or other person's board of directors or similar governing body, or otherwise having the power to direct the business and policies of that corporation or other Person (other than securities or other interests having such power only upon the

happening of a contingency that has not occurred), are held by the Owner and/or one or more of its Subsidiaries.

Taxes: means all taxes, levies and other assessments, including all income, sales, use, goods and services, value added, capital, capital gains, net worth, transfer, profits, withholding, payroll, employer health, excise, real property and personal property taxes, and any other taxes, assessments or similar charges in the nature of a tax, including unemployment insurance payments and workers compensation premiums, together with any installments with respect thereto, and any interest, fines and penalties, imposed by any Governmental Entity (including federal, state, municipal and foreign Governmental Entities), and whether disputed or not.

Tax Returns: means all returns, declarations, reports, statements and other documents filed or required to be filed in respect of Taxes, and the term Tax Return means any one of the foregoing Tax Returns.

Third Party Claim: shall mean any claim against any Indemnified Party by a Person that is not a party to this Agreement.

Trade Accounts Payable: shall mean amounts owed by the Merged Company to third-party vendors incurred in the Ordinary Course of Business, but obligations to subcontractors and subconsultants shall be included in Trade Accounts Payable only if (i) the associated invoice from the Merged Company to the Merged Company client has been issued on or before the Closing Date and is reflected in Accounts Receivable, and (ii) the subcontractor or subconsultant is on a "pay if paid" basis. For purposes of clarity Trade Accounts Payable shall not include Merged Company Transaction Expenses.

Work in Process: shall mean the aggregate value of services performed and earned by the Merged Company for its clients through the Closing Date but in the Ordinary Course of Business is not yet invoiced to its clients nor reflected in Accounts Receivable, all as determined pursuant to the Accounting Principles.

Working Capital: shall mean the dollar amount of Accounts Receivable less the dollar amount of Assumed Liabilities.

Article 2
THE PLAN OF MERGER

2.1 The Merger.

Subject to and upon the terms and conditions of this Agreement and the Articles of Merger, and on the basis of the representations, warranties, covenants, and agreements herein contained, at the closing of the Transaction contemplated by this Agreement (the "Closing") and conditioned upon all of the conditions precedent to Closing contained in Article 9 below being met or waived, the Merged Company will merge with and into Bowman Sub in accordance with the applicable provisions of Florida law. The Closing shall take place at the offices of Bowman in Reston,

CAO

Virginia, or remotely by exchange of documents and signatures (or their electronic counterparts), on August 21, 2024 (the "Closing Date"). If all of the conditions to the obligations of the parties to consummate the transactions contemplated hereby, including those contained in Article 7 below have not been satisfied by August 21, 2024, then Bowman and Merged Company shall each have the unilateral right to extend the Closing Date for ten (10) additional days through September 6, 2024, and Bowman, Bowman Sub, Merged Company and Member shall use reasonable and good faith efforts to timely satisfy such conditions. The Closing shall be effective as of 11:59 p.m. on the Closing Date. The Merger shall become effective once Articles of Merger have been filed by Bowman with the Florida Department of State on the Closing Date. On the Closing Date (i) the Merged Company will merge with and into Bowman Sub, which will be the Surviving Entity and the separate existence of the Merged Company will thereupon cease; (ii) the Governing Documents of Bowman Sub as of the Closing Date will remain the Governing Documents of the surviving entity; (iii) the board of manager and officers of the Merged Company immediately prior to the Closing Date will resign; and (iv) the Merger will, from and after the Closing Date, have all of the effects and consequences provided by applicable law. As a result of the Merger Bowman Sub will own all of the assets of the Merged Company's Business (the "Merged Company Assets"), subject only to the Assumed Liabilities and excluding the assets identified on Schedule 2.2(b). The Merged Company Assets shall include:

(a) All contracts, contract rights, service agreements, employment relationships and business relationships related to the Business.

(b) All past, present and prospective customers, customer lists, list of prospective customers, files and records and rights under contracts, goodwill (including all trade names, the Merged Company name, domain names and telephone numbers) and all other intangible assets (including advertising, trade secrets, trademarks, and copyrights) related to the Business.

(c) All Accounts Receivable generated in connection with the Business through the Closing Date and all Work in Process through the Closing Date.

(d) All technology used, licensed or created by the Merged Company in connection with the Business.

(e) All fixed assets of Merged Company used in connection with the Businesses including without limitation computer hardware and software, computer systems, furniture, fixtures, vehicles, machinery, plant or other equipment, and survey equipment.

(f) All supplies, and inventory.

(g) All security deposits made by Merged Company and Client Prepayments included in Working Capital. All intangible assets and intellectual property of the Merged Company or otherwise related to any of the items in this Section 2.1, including documents, computer and digital files, records, information, and intellectual property rights (including rights to works made for hire by Merged Company employees and independent contractors), all trademarks, copyrights, goodwill (including any trade names, the name "Robau and Associates,

CAO

LLC", "Robau and Associates" or similar names related to the Business and associated goodwill), the website address ("url") for www.robau-designs.com and any other url owned by the Merged Company, and all website content included therein or associated therewith, all technology used, licensed to or created by Merged Company or otherwise related to the Business, all rights to telephone and fax numbers, and to all Merged Company project history and all other intangible assets derived from or otherwise related to the Business or in any way related to any of the other items in this Section 2.1.

(h) All documents, computer files, records and information related to the items specified in (a) through (g) above.

2.2 Pre-Closing Distributions by Member.

Prior to Closing, Member may distribute from the Merged Company:

(a) The Merged Company's cash on hand, cash equivalents, and marketable securities.

(b) Personal assets and personal use vehicles of the Member as agreed upon by the Member and Bowman and set forth on Schedule 2.2(b).

2.3 Capital Structure of the Constituent Companies and Bowman.

(a) Merged Company. The Merged Company is a Florida limited liability company. The Member is the sole owner and member of Merged Company.

(b) Bowman Sub. Bowman Sub is a Florida limited liability company whose sole member and Manager is Bowman.

(c) Bowman. Bowman is a Delaware corporation, the authorized capitalization of which consists of 30,000,000 authorized shares of common stock par value of $.01 per share, of which 16,597,220 shares are outstanding as of June 30, 2024, and 5,000,000 authorized shares of preferred stock par value of $.01 per share, of which -0- are issued and outstanding as of the date hereof.

2.4 Exchange of Stock and Merger Consideration.

2.4.1 Merger Consideration. Upon the Closing Date of the Merger, the membership interests of the Merged Company shall be cancelled and retired and converted into the right to receive the Merger Consideration set forth in the Article 2. The Merger Consideration to be issued and paid to the Member and shall include and consist of the Stock Consideration, the Cash Consideration, and the Promissory Note.

2.4.2 Bowman Stock Consideration. Upon the Closing Date of the Merger, Bowman shall issue to the Member [redacted]

CAO

[redacted]The Member shall execute the Lock-Up Agreement in the form attached hereto as Exhibit B, it being understood and agreed that issuance of shares of capital stock of Bowman under this Article 2 shall be conditioned upon execution of the Lock-Up Agreement by the Member. [redacted]

(b) Accounts Receivable Adjustment. During the one (1) year period beginning on the Closing Date Bowman will use commercially reasonable efforts to collect Accounts Receivable and shall provide to the Member a final report within sixty (60) days of such one-year period of the results of its collection activities, and quarterly reports within sixty (60) days of the end of each calendar quarter. [redacted] ollowing any adjustment pursuant to this Section 2.4.4(b) Bowman shall continue to use commercially reasonable efforts in accordance with its standard practice to collect any such uncollected Accounts Receivable, and any amounts thereafter collected shall be added, without interest, to the next payment due under

CAO

the Promissory Note. By agreeing to perform services and make efforts to collect Accounts Receivable neither Bowman nor Bowman Sub shall be deemed in any manner to guarantee the collection of Accounts Receivable and shall not be liable for any outside costs of collection such as collection agencies or legal fees. The adjustment set forth in this Section 2.4.4(b) shall be the first adjustment with respect to Accounts Receivable and the indemnification provisions of Section 7.2 shall not apply with respect to Accounts Receivable unless and until the adjustment set forth herein exceeds the then principal balance of the Promissory Note.

2.5 Additional Actions. If, at any time after the Closing Date, any further action is necessary or desirable to carry out the purposes of this Agreement or to vest, perfect or confirm in Bowman title to or ownership or possession of the Business Assets acquired pursuant to this Agreement, the Member, Bowman Sub and Bowman will in their name and in the name of their respective corporations or otherwise take, and will take, all such lawful and necessary action, so long as such action is consistent with this Agreement. The Member shall have reasonable access to the documents, files and records referred to in Section 2.1 above for purposes of litigation, responding to claims, and similar needs.

2.6 Closing Date Balance Sheet; Closing Date Income Sheet.

Within the later to occur of (i) thirty (30) days after the Closing Date or (ii) the last day of the calendar quarter during which the Closing Date occurs, the Member shall deliver to Bowman the Merged Company's general ledger and such other accounting information reasonably requested by Bowman to produce a Closing Date Balance Sheet and Closing Date Income Statement in accordance with GAAP. The general ledger and other accounting information shall be current as of the Closing Date, and if prior to the Closing Date the Merged Company's financial records did not comply with GAAP, such general ledger and other accounting information shall be prepared and delivered in accordance with the Accounting Principles. Within ninety (90) days after receipt of all such information Bowman shall prepare and deliver to the Member a Closing Date Balance Sheet reflecting assets and liabilities on the Closing Date (including all amounts necessary to compute Working Capital hereunder) and a Closing Date Income Statement reflecting actual financial performance during the period from January 1, 2024 through the Closing Date. The Closing Date Balance Sheet shall include a schedule listing by client, project, vendor, and dollar amount the Work in Process, Backlog, Accounts Receivable, and Assumed Liabilities on the Closing Date. Within ten (10) Business Days after the receipt of such Closing Date Balance Sheet, the Member will propose to Bowman any changes to such Closing Date Balance Sheet and its schedule(s) (and in the event no such changes are proposed in writing to Bowman within such time period, Member will be deemed to have agreed to, and accepted, the Closing Date Balance Sheet and its schedule(s)). The Member and Bowman will endeavor in good faith to resolve any differences with respect to the Closing Date Balance Sheet and its schedule(s) within ten (10) Business Days after Bowman's receipt of written notice of objection from the Member, unless extended by mutual agreement of Bowman and the Member. If the Member and Bowman are unable to timely resolve differences with respect to the Closing Date Balance Sheet and/or any amount related thereto then either Bowman or the Member may invoke the Disputed Accounting Matter provisions in Section 11.8 below with respect to such determination.

CAO

Article 3
REPRESENTATIONS AND WARRANTIES OF THE MEMBER

The Member hereby makes the following representations and warranties to Bowman and Bowman Sub:

3.1 Capacity; Power and Authority.

The Member has the full power and authority, to execute and perform this Agreement and all the other Transaction documents to be executed or delivered by the Member in connection with the Transaction contemplated by this Agreement, including without limitation the Non-Solicitation, Non-Competition and Non-Disclosure Agreement. No other proceedings are necessary on the part of Member to authorize the execution, delivery and performance of this Agreement and the other Transaction documents by the Member and the consummation by the Member of the Transaction contemplated herein and therein.

3.2 Enforceability.

This Agreement has been duly authorized, executed and delivered by the Member and constitutes a legal, valid and binding agreement of the Member, enforceable against the Member in accordance with its terms, except to the extent enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency and creditors' rights and by the availability of injunctive relief, specific performance and other equitable remedies. At the Closing, the Transaction documents to be executed and delivered by the Member will be duly executed and delivered by the Member and will constitute valid and binding obligations of the Member, enforceable in accordance with their terms, except to the extent enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency and creditors' rights and by the availability of injunctive relief, specific performance and other equitable remedies.

3.3 Consents; Non-contravention.

Member does not need to give any notice to, make any filing with, or obtain any authorization, consent, order or approval of any Person in connection with the Member execution and delivery of this Agreement and the other Transaction documents or the consummation of the Transaction contemplated herein and therein. Neither the execution, delivery and performance of this Agreement and the other Transaction documents, nor the consummation of the transactions contemplated herein and therein: (a) will conflict with, result in a breach of, or constitute a default or an event creating rights of acceleration, termination, modification or cancellation or a loss of rights under, any unsatisfied material contract to which either of the Member is a party, subject or otherwise bound; (b) will, to the Knowledge of the Member, violate any law or order to which Member or any of Member's assets or businesses is subject or otherwise bound; or (c) will, to the Knowledge of the Member, result in the creation or imposition of any Encumbrance upon any of the assets or businesses of a Member.

CAO

3.4 No Acquisitions.

Except for this Agreement, no Member is a party to or bound by any agreement, undertaking or commitment with respect to any purchase, sale, share exchange, merger, reorganization, consolidation or similar transaction involving the Merged Company Membership Interests.

3.5 Title to Merged Company Membership Interests; Capitalization.

No Person other than the Member owns or possesses any equity securities or rights to acquire equity securities of the Merged Company, or any equity appreciation rights, phantom equity interest., or similar equity based-rights with respect to the Merged Company. The Member does not have any agreements or understandings with respect to the sale or issuance of any equity securities of the Merged Company. The Member holds of record and owns beneficially all of the issued and outstanding equity interests of the Merged Company.

3.6 Litigation.

There is no litigation, arbitration, action, suit, judgment, order, injunction, proceeding or investigation pending or, to the Knowledge of Member, threatened against the Member with respect to the Transaction contemplated by this Agreement or which would reasonably be excepted to have a material impact on the ability of the Member to consummate the Transaction contemplated by this Agreement.

3.7 Investment Representations and Warranties.

(a) The Bowman Stock Consideration is being obtained by the Member for his own respective account for investment purposes, and not with a view toward or for offer or resale in connection with any distribution thereof, or with any present intention of offering, distributing, or selling. The Member acknowledges that the Bowman Stock Consideration has not been registered under the securities laws of any jurisdiction, including the U.S. Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (the "Securities Act"), or any state securities laws, and agrees that the Bowman Stock Consideration may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of unless the Bowman Stock Consideration is registered under any such laws or unless an exemption from such registration is available under such laws.

(b) The Member (either alone or together with their advisor) (i) has had access to and continues to have access to information from Bowman concerning Bowman and the Member's investment, (ii) has had the opportunity to discuss the business of Bowman with the management of Bowman, including the opportunity to ask questions of and receive answers from Bowman and (ii) has had the opportunity to obtain any and all additional information necessary to verify the accuracy of information that the Member deems relevant to make an informed investment decision as to the acquisition of the Bowman Stock Consideration.

(c) The Member (either alone or together with their advisor) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of its investment in the Bowman Stock Consideration and is capable of bearing

CAO

the economic risks of such investment. The Member is an Accredited Investor as defined in Rule 501 of Regulation D promulgated under the Securities Act.

(d) The Member agrees that the Bowman Stock Consideration shall bear the following restrictive legend:

> "THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT'), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. THE SECURITIES MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR (2) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE STATE SECURITIES LAWS AND THE SECURITIES LAWS OF OTHER JURISDICTIONS, AND IN THE CASE OF A TRANSACTION EXEMPT FROM REGISTRATION, UNLESS BOWMAN HAS RECEIVED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH TRANSACTION DOES NOT REQUIRE REGISTRATION UNDER THE SECURITIES ACT AND SUCH APPLICABLE LAWS."

Article 4
REPRESENTATIONS AND WARRANTIES OF THE MEMBER WITH RESPECT TO THE MERGED COMPANY

The Member hereby makes the following representations and warranties to Bowman and Bowman Sub with respect to the Merged Company:

4.1 Organization, Authority for Agreement; Enforceability.

(a) The Merged Company is a limited liability company duly formed, validly existing and in good standing under the laws of the state of Florida, with the requisite power to own, operate and lease its properties and to carry on the Business as now being conducted. On the Closing Date the Merged Company shall have no subsidiaries. The Merged Company has qualified as a foreign corporation, and is in good standing, under the laws of all jurisdictions where the nature of its business or the nature or location of its assets require such qualification.

(b) The Merged Company is duly licensed in each jurisdiction in which it conducts business and in which it is required to be licensed. During the past three calendar years and during the current year, the Member has not received any correspondence from any Governmental Entity having jurisdiction over the Merged Company which, after any applicable cure period or reasonable period of time to address, could reasonably be expected to lead to a Merged Company Material Adverse Effect. For clarity, "correspondence from any Governmental Entity," as used in the preceding sentence, does not refer to correspondences from a Governmental Entity if written in their capacity as a client of the Merged Company.

CAO

(c) The Merged Company has the requisite power and authority to enter into this Agreement and to consummate the Transaction contemplated hereby to the extent of its obligations hereunder. This Agreement has been approved by the Merged Company's board of managers and Member as required by the Merged Company's Governing Documents and applicable law, and the Person executing this document on behalf of the Merged Company has been validly authorized to do so. This Agreement will not violate any provision of the Merged Company's Governing Documents.

(d) This Agreement has been duly authorized, executed and delivered by the Merged Company and constitutes a legal, valid and binding agreement of the Merged Company, enforceable against the Member in accordance with its terms, except to the extent enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency and creditors' rights and by the availability of injunctive relief, specific performance and other equitable remedies. At the Closing, the Transaction documents to be executed and delivered by the Merged Company will be duly executed and delivered by the Merged Company and will constitute valid and binding obligations of the Merged Company, enforceable in accordance with their terms, except to the extent enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency and creditors' rights and by the availability of injunctive relief, specific performance and other equitable remedies.

4.2 Compliance with Governing Documents and Applicable Law.

The Merged Company has all requisite licenses, permits and certificates from all Governmental Entities (collectively, "Permits") necessary to conduct the Business as currently conducted, and to own, lease and operate its properties in the manner currently held and operated. All of the Merged Company's Permits are in full force and effect. All personnel of the Merged Company who are required to be licensed are duly licensed by the appropriate Governmental Entity.

4.3 Litigation and Investigations.

4.3.1 Except as set forth on Schedule 4.3 there is (a) no investigation by any Governmental Entity with respect to the Merged Company pending or, to the Knowledge of the Member, threatened, nor has any Governmental Entity indicated to the Merged Company an intention to conduct the same; (b) there is no claim, action, suit, arbitration or proceeding pending or, to the Knowledge of the Member, threatened against or involving the Merged Company, or any of its respective assets or properties, at law or in equity, that, if adversely determined, would have a Merged Company Material Adverse Effect or would prevent or materially delay the consummation of the transactions contemplated hereby; and (c) there are no judgments, decrees, injunctions or Orders of any Governmental Entity or arbitrator outstanding against the Merged Company.

4.3.2 Merged Company has not received any notice alleging a breach by Merged Company of any Client Contract which anticipates provision of services after the Closing Date or a claim of back-charge or similar offset with respect to any such Client Contract.

CAO

4.3.2 There is no bankruptcy proceeding currently filed with the Merged Company as debtor or debtor in possession, and to the Knowledge of the Member none is contemplated or threatened. With respect to any matter described on Schedule 4.3, the Merged Company has given proper and timely notice to its applicable insurance carrier(s) and such carrier(s) have not denied coverage or issued a reservation of rights letter except as set forth on Schedule 4.3.

4.3.4 Notwithstanding that a matter is listed on Schedule 4.3, the Member warrants and represents that neither Bowman Sub, nor Bowman shall have any liability with respect to such matter after the Closing Date, and should either Bowman or Merged Company sustain a Loss with respect to such matter the Bowman Indemnified Parties shall be entitled to indemnification hereunder.

4.4 No Broker's or Finder's Fees.

The Merged Company is not obligated to pay any fee or commission to any broker, finder, financial advisor or intermediary in connection with the transactions contemplated by this Agreement which is, or could become, an obligation of Bowman Sub or Bowman.

4.5 Condition.

To the Knowledge of the Member all material facilities, equipment and personal property owned by the Merged Company and regularly used in the Business are in good operating condition and repair, ordinary wear and tear excepted.

4.6 Financial Statements and Backlog.

4.6.1 The Merged Company has previously furnished Bowman with accurate and complete copies of: the balance sheet and income statement of the Merged Company as of (i) December 31, 2019, (ii) December 31, 2020, (iii) December 31, 2021, (iv) December 31, 2022, and (v) December 31, 2023 and year to date through July 31, 2024 (collectively the "Merged Company Financial Statements"). The Merged Company Financial Statements (including any related notes) fairly present in all material respects the financial position and operations of the Merged Company as of the dates thereof, and (ii) each of the Merged Company Financial Statements (including any related notes) are prepared in accordance with the Accounting Principles. Except as set forth on Schedule 4.6.1, the Merged Company has no Indebtedness other than that which is fully reflected or provided for as a liability on, or disclosed in the notes to, the balance sheets included in the Merged Company Financial Statements. The Merged Company Indebtedness at Closing shall consist only of the Assumed Liabilities. After the Closing Date neither the Merged Company, Bowman Sub, nor Bowman shall be liable for any of the following obligations (the "Excluded Obligations):

(a) Obligations of the Merged Company for Taxes of any type; or for or with respect to any ERISA or Merged Company Plans for any period up to and including the Closing Date, and specifically including any Taxes resulting from the Transaction.

CAO

(b) Obligations of the Merged Company for any Merged Company Transaction Expenses.

(c) Obligations of the Merged Company relating to employees or former employees of the Merged Company for any reason, except for Accrued Assumed Payroll and Accrued Assumed PTO set forth on Schedule 4.6.1(c).

(d) Obligations of the Merged Company for any claims, investigations, lawsuits or violations of law for any period ending on or before the Closing Date.

(e) Obligations to clients for any actions or failures to act, errors, omissions, negligence or willful misconduct by the Merged Company, or any Merged Company employee or agent for any period ending on or before the Closing Date.

(f) Obligations secured by one or more Pre-Closing Distributions by Member set forth on Schedule 2.2(b).

(g) Obligations to employees of Merged Company for bonuses or other incentive compensation for any period prior to the Closing Date, including without limitation 2023 or any partial period of 2024.

(h) Any other Indebtedness of the Merged Company that is not an Assumed Liability.

4.6.2 Attached hereto as Schedule 4.6.2 is a listing of the Merged Company's Backlog by client, project, and projected dollar value of services to be performed as of August 18, 2024. The Member represents and warrants that to the Knowledge of the Member such Backlog is expected to be performed and invoiced in the Ordinary Course of Business, except as otherwise set forth on Schedule 4.6.2, or except as may be modified by the respective client in accordance with the applicable Client Contract after the Closing Date.

4.7 No Encumbrances.

Except as set forth on Schedule 4.7, on the Closing Date, the Merged Company assets shall not be subject to any Encumbrances other than the Permitted Encumbrances.

4.8 Tax Matters.

4.8.1 The Merged Company have timely filed, or will prepare and file, all federal, state, local and foreign income, information and other Tax Returns that were required to be filed by it on or prior to the Closing Date. No material issues have been raised by or, to the Member's Knowledge, are currently pending with any Governmental Authority with respect to any such Tax. No extension of time to file any such Tax Return has been requested from or granted by any Governmental Entity.

4.8.2 The Merged Company has timely paid all Taxes imposed upon the Merged Company or for which the Merged Company is liable, whether to Governmental Entities or other

CAO

Persons (such as, for example, under tax allocation agreements), with respect to all taxable periods or portions of periods ending on or before the Closing Date, taking extensions into account, other than Taxes that are not yet due and payable and Taxes that are being contested in good faith by the Merged Company. The unpaid Taxes of the Merged Company that are not yet due and payable do not exceed the reserve for Tax liability (excluding any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth or included in the Closing Date Balance Sheet, as adjusted for the passage of time through the Closing Date, in accordance with the past practices of the Merged Company.

4.8.3 The Merged Company has not been the subject of any tax audit or tax investigation by any Governmental Entity with respect to any taxable periods or portions of periods ending on or before the Closing Date. No claim has ever been made by any Governmental Entity in a jurisdiction where the Merged Company does not file Tax Returns that the Merged Company is or may be subject to taxation by that jurisdiction, and the Merged Company is not subject to taxation in any jurisdiction other than the jurisdictions in which the Merged Company has been operating.

4.8.4 All Taxes required to be withheld by or on behalf of the Merged Company in connection with amounts paid or owing to any employee, independent contractor, creditor or other Person have been properly withheld, and all such Taxes either have been duly and timely paid to the proper Governmental Entities, in circumstances where such Taxes have not yet become due and payable, have been set aside in segregated accounts to be paid to the proper Governmental Entity, and the Merged Company has maintained complete, correct and up-to-date records that comply with all applicable Tax Laws with respect to such withholdings.

4.8.5 The Merged Company is not a party to or bound by any tax indemnity agreement, tax sharing agreement, tax allocation agreement or any similar arrangement for the sharing of Tax liabilities or benefits. The Merged Company is not liable to pay, reimburse or indemnify any Person (including a tax authority) in respect of the Tax liability of another Person, whether or not as a consequence of such third person failing to discharge such liability.

4.8.6 The Merged Company has not agreed to make, nor is it required to make , any adjustment under Section 481(a) of the Code by reason of a change in accounting method or otherwise.

4.9 Employee Benefit Plans.

4.9.1 List of Plans. The Merged Company maintains and will retain a correct and complete list of any and all pension, profit sharing, retirement, deferred compensation, welfare, legal services, medical, dental or other employee benefit or health insurance plans, life insurance or other death benefit plans, disability, stock option, stock purchase, stock compensation, bonus, vacation pay, severance pay and other similar plans, programs or agreements, and every material written personnel policy, relating to any persons employed by the Merged Company or in which any person employed by the Merged Company is eligible to participate and which is currently maintained or that was maintained at any time in the last five calendar years by the Merged Company or any ERISA Affiliate (collectively, the "Merged Company Plans"). A Schedule of the

CAO

Merged Company Plans, if any, maintained by the Merged Company on the date hereof and the five (5) years prior hereto is attached hereto as Schedule 4.9.

4.9.2 ERISA. The Merged Company Plans, if any, are in compliance in all material respects with ERISA. Neither the Merged Company nor any ERISA Affiliate of the Merged Company, nor any of their directors, officers, employees or agents, nor any trustee or administrator of any trust created under the Merged Company Plans, has engaged in or been a party to any "prohibited transaction" as defined in Section 4975 of the Code and Section 406 of ERISA which could subject the Merged Company or its Affiliates, directors or employees or the Merged Company Plans or the trusts relating thereto or any party dealing with any of the Merged Company Plans or trusts to any tax or penalty on "prohibited transactions" imposed by Section 4975 of the Code.

4.9.3 Plan Determinations. The form of each Merged Company Plan intended to qualify under Section 401(a) of the Code has been determined by the Internal Revenue Service to so qualify, and the trusts created thereunder have been determined to be exempt from tax under Section 501(a) of the Code; and, to the Knowledge of the Member, nothing has occurred since the date of any such determination which might cause the loss of such qualification or exemption. With respect to each Merged Company Plan which is a qualified profit sharing plan, all employer contributions accrued prior to the Closing under the Merged Company Plan terms and applicable law have been made.

4.9.4 Funding. Except as set forth on Schedule 4.9:

(a) all contributions, premiums or other payments due or required to be made to the Merged Company Plans, if any, as of the date hereof have been made as of the date hereof and will be made as of the Closing Date;

(b) there are no actions, liens, suits or claims (other than routine claims for benefits) pending or, to the Knowledge of the Member, threatened with respect to any Merged Company Plan;

(c) to the Knowledge of the Member each Merged Company Plan that is a "group health plan" (as defined in Section 607(1) of ERISA), if any, has been operated at all times in substantial compliance with the provisions of COBRA and any applicable, similar state law; and

(d) with respect to any Merged Company Plan that is qualified under Section 401(k) of the Code, individually and in the aggregate, no event has occurred, and to the Knowledge of the Member, there exists no condition or set of circumstances in connection with which the Merged Company could be subject to any liability (except liability for benefits claims and funding obligations payable in the Ordinary Course of Business) that is reasonably likely to have a Merged Company Material Adverse Effect under ERISA, the Code or any other applicable law.

CAO

(e) Notwithstanding that a matter is listed on any Schedule 4.9 the Merged Company and Member warrant and represent that Bowman or Bowman Sub shall not have any liability to any party with respect to such matter or plan.

4.10 Employment-Related Matters; Compliance with Laws.

4.10.1 The Merged Company has heretofore delivered to Bowman a list (the "Employee List") dated as of August 1, 2024 containing the name of each employee of the Merged Company and each such employee's position, starting employment date, annual salary or hourly rate, and whether the Merged Company deems such Employee an Exempt Employee or a Non-Exempt Employee. The Employee List is correct and complete as of the date of the Employee List. The Merged Company is not a party to any collective bargaining agreement or other contract or agreement with any labor organization or other representative of any of the employees of the Merged Company. The Merged Company has properly classified its employees as exempt or non-exempt under the FLSA and has complied with minimum wage, overtime pay, recordkeeping, youth employment and requirements of the FLSA. All salaries, wages, vacation pay, bonuses, commissions and other compensation due from the Merged Company to the employees of the Merged Company before the most recent Merged Company payroll date before the Closing Date have been paid.

4.10.2 Except for those matters set forth on Schedule 4.10.2, and those for matters which, individually or in the aggregate, would not have a Merged Company Material Adverse Effect, there are no present actions or activities, or actions or activities by the Merged Company, or any circumstances, conditions, events or incidents, with respect to its employment of any person that could reasonably form the basis of any employment related claim against the Merged Company. The Merged Company funds its payroll not less frequently than bi-monthly. No third party has asserted any claim, or, to the Knowledge of the Member, has any reasonable basis to assert any valid claim, against the Merged Company that either the continued employment by, or association with, the Merged Company of any of the present officers or employees of, or consultants to, the Merged Company contravenes any agreements or laws applicable to unfair competition, trade secrets or proprietary information.

4.11 Environmental Compliance.

4.11.1 Environmental Laws. Except for matters which, individually or in the aggregate, would not have a Merged Company Material Adverse Effect, (a) the Merged Company is in compliance with all applicable Environmental Laws in effect on the date hereof; (b) the Merged Company has not received any written communication that alleges that the Merged Company is not in compliance in all material respects with all applicable Environmental Laws in effect on the date hereof; (c) to the Knowledge of the Member, there are no existing circumstances that may prevent or interfere with the Merged Company's compliance in the future with all currently applicable Environmental Laws; (d) all material Permits and other governmental authorizations currently held by the Merged Company pursuant to the Environmental Laws are in full force and effect, to the Knowledge of the Member the Merged Company is in compliance with all of the terms of such Permits and authorizations, and no other Permits or authorizations are required by the Merged Company for the conduct of the Business on the date hereof; and (e) the

CAO

management, handling, storage, transportation, treatment, and disposal by the Merged Company of all Materials of Environmental Concern has been in compliance with all applicable Environmental Laws.

4.11.2 Environmental Claims. There is no Environmental Claim pending or, to the Knowledge of the Member, threatened against or involving the Merged Company or against any person or entity whose liability for any Environmental Claim the Merged Company has or may have retained or assumed either contractually or by operation of law.

4.11.3 No Basis for Claims. Except for matters which, individually or in the aggregate, would not have a Merged Company Material Adverse Effect there are no past or present actions or activities by the Merged Company, or to the Knowledge of the Member, any existing circumstances, conditions, events or incidents, including the storage, treatment, release, emission, discharge, disposal or arrangement for disposal of any Material of Environmental Concern, whether or not by the Merged Company, that could reasonably form the basis of any Environmental Claim against the Merged Company or against any person or entity whose liability for any Environmental Claim the Merged Company may have retained or assumed either contractually or by operation of law, including, without limitation, the storage, treatment, release, emission, discharge, disposal or arrangement for disposal of any Material of Environmental Concern or any other contamination or other hazardous condition, related to the premises at any time occupied by the Merged Company.

4.12 Leases and Compliance with Laws.

4.12.1 Office Lease. Schedule 4.12.1 sets forth as of the date hereof each lease of real property to which the Merged Company is a party, by location, start date, end date of term (not including any unexercised extensions) and current monthly rent (including all taxes, insurance, maintenance and similar fees related thereto). The Merged Company has provided Bowman with true, accurate and complete copies of the Office Lease and any operating or capital leases related to the Business, and the Merged Company's obligations under such leases shall be fully paid up to the Closing Date. The Office Lease is in full force and effect and are binding and enforceable against each of the parties thereto in accordance with its respective terms. Except as set forth on Schedule 4.12.1, neither the Merged Company nor, to the Knowledge of the Member, any other party to an Office Lease, has committed a material breach or default under any Office Lease, nor has there occurred any event that with the passage of time or the giving of notice or both would constitute such a breach or default, nor, to the Knowledge of the Member, are there any facts or circumstances that would reasonably indicate that the Merged Company is likely to be in material breach or default thereunder. All leasehold improvements and fixtures, or parts thereof, used by the Merged Company in the conduct of its business are in good operating condition and repair, ordinary wear and tear excepted, and are insured with coverage that is usual and customary for similar properties and similar businesses or are required, pursuant to the terms of the Office Lease, to be insured by third parties. Other than pursuant to the Office Lease the Merged Company is not the lessee under any leases of real property, and is not the owner of any real property.

4.12.2 Compliance with Laws. Except as set forth on Schedule 4.12.2 and excepting out the professional services provided by the Merged Company, the Merged Company and each of

CAO

its properties and assets that it owns, and to Member's Knowledge it properties and assets that it leases, are and have at all times since January 1, 2019 been in compliance in all material respects with all applicable federal, state, local and foreign laws, rules, regulations, policies, rulings, zoning or other classifications, interpretations, guidelines, circulars, judgments, Orders, decrees or other directives of any kind of any Governmental Authority, agency or instrumentality and are not currently and have not since January 1, 2019 been charged with, received any notice of or, to the Member's Knowledge, been under or threatened with any investigation or audit with respect to, any alleged default under, violation of or nonconformity with any laws.

4.13 Agreements, Contracts and Commitments.

4.13.1 Merged Company Agreements. Merged Company has supplied Bowman with true and complete copies of, or provided access to, all contracts and purchase orders for any of the Merged Company's ongoing professional services projects [redacted] and as of the Closing Date such ongoing projects have not been "pre-billed" in any material amount, and to the Knowledge of Member, the amount of remaining contracted fee to be invoiced bears the same proportion to the total original contracted fee as the amount of services remaining to complete each project bears to the total originally contracted services. Except as set forth on Schedule 4.13.1, to the Knowledge of Member no client with a professional services contract [redacted] will terminate such contract as a result of the Transaction. The Merged Company has provided to Bowman prior to Closing true and accurate copies of, or access to, the following agreements to which the Merged Company is a party, if applicable:

(a) any bonus, deferred compensation, pension, severance, profit-sharing, stock option, employee stock purchase or retirement plan, contract or arrangement or other employee benefit plan or arrangement, where there remains after the date hereof obligations to be performed by the Merged Company;

(b) any employment agreement with any present or former employee, officer, member or consultant where there remains after the date hereof obligations to be performed by the Merged Company;

(c) any agreement for personal services or employment with the Merged Company with a term of service or employment specified in the agreement or any agreement for personal services which extends beyond the Closing Date;

(d) any agreement of guarantee or indemnification given by the Merged Company in an amount that is material to the Merged Company taken as a whole, where there remains after the date hereof obligations to be performed by the Merged Company;

(e) any agreement or commitment containing a covenant limiting or purporting to limit the freedom of the Merged Company to compete with any Person in any geographic area or to engage in any line of business that continues during any time after the Closing;

CAO

(f) any lease other than the Office Leases or operating leases related to the Business under which the Merged Company is lessee that involves, [redacted] or is material to the conduct of the Business of the Merged Company, and where there remains after the date hereof obligations to be performed by the Merged Company;

(g) any joint venture, teaming or profit-sharing agreement, where there remains after the date hereof obligations to be performed by the Merged Company;

(h) any non-disclosure agreement, confidentiality agreement or similar agreement (redacted if necessary to comply with the terms of such agreement) executed in connection with any proposed or potential sale of assets, sale of stock, merger, or similar transaction which agreement does or may impose obligations or restrictions upon Merged Company, and which continue after the Closing, if such proposed transaction did not occur;

(i) any loan or credit agreements providing for the extension of credit to the Merged Company or any instrument evidencing or related in any way to indebtedness incurred in the acquisition of companies or other entities or indebtedness for borrowed money by way of direct loan, sale of debt securities, purchase money obligation, conditional sale, guarantee, or [redacted], where there remains after the date hereof obligations to be performed by the Merged Company; and

(j) any agreement not described above that was not made in the Ordinary Course of Business and that is material to the financial condition, business, operations, assets, results of operations or prospects of the Merged Company, and where there remains after the date hereof obligations to be performed by the Merged Company.

4.13.2 Validity. As of the date hereof and as of the Closing Date, all contracts, leases, instruments, licenses and other agreements required to be provided to Bowman pursuant to Section 4.13.1 above are valid and in full force and effect, the Merged Company has not, nor, to the Knowledge of the Member, has any other party thereto, breached any provision of, or defaulted under the terms of any such contract, lease, instrument, license or other agreement, except for any breaches or defaults that, in the aggregate, would not be expected to have a Merged Company Material Adverse Effect or have been cured or waived, and, as of the date hereof, the Merged Company has not received any "notice to cure" or a similar notice from any Governmental Entity requesting performance under any contract, instrument or other agreement between the Merged Company and such Governmental Entity. Schedule 4.13.2 further identifies any contracts which require third party consent in order to transfer such contracts to Bowman.

4.13.3 Standard of Care. To the Knowledge of the Member the Merged Company has performed its professional services in accordance with the standard of care identified in the applicable Merged Company professional services agreement, or if no standard of care is so identified in the professional services agreement, in accordance with the ordinary and reasonable

care usually exercised by one in the same profession, on the same type of project, at the same time and place, under similar circumstances and conditions.

4.13.4 Advance Billed Amount. On the Closing Date there shall be no Advance Billed Amount with respect to any then current contract with a client.

4.14 Intellectual Property, Commercial Software and Cyber Security.

4.14.1 The term "Intellectual Property Assets" means all intellectual property owned or licensed (as licensor or licensee) by Merged Company in which Merged Company has a proprietary interest, including: (a) Merged Company's name, all assumed fictional business names, trade names, registered and unregistered trademarks, service marks and applications (collectively, "Marks"); (b) all patents, patent applications and inventions and discoveries that may be patentable (collectively, "Patents"); (c) all registered and unregistered copyrights in both published works and unpublished works (collectively, "Copyrights"); (d) all know-how, trade secrets, confidential or proprietary information, customer lists, Software, technical information, data, process technology, plans, drawings and blue prints (collectively, "Trade Secrets"); and (e) all rights in internet web sites and internet domain names presently used by Merged Company (collectively "Domain Names"). The Merged Company is the owner or licensee of all right, title and interest in and to each of the Intellectual Property Assets, free and clear of all Encumbrances other than Permitted Encumbrances, and has the right to use without payment to a third party all of the Intellectual Property Assets, other than in respect of Commercial Software licenses listed in Schedule 4.14.

4.14.2 Schedule 4.14 sets forth as of the date hereof all Commercial Software. The Commercial Software has been acquired and used by the Merged Company on the basis of and in accordance with a valid license from the manufacturer or the dealer authorized to distribute such Commercial Software, free and clear of any claims or rights of any third parties. As of the date hereof the Merged Company is not in material breach of any of the terms and conditions of any such license and has not been infringing upon any rights of any third parties in connection with its acquisition or use of the Commercial Software, and the Merged Company has fully paid licenses and renewals to all Commercial Software that resides on Merged Company owned Computer Hardware.

4.14.3 There have been no actions threatened or commenced by any third persons regarding the Merged Company's treatment of personal information. There have not been any security breaches of any personal information or client information in the possession of the Merged Company. The Merged Company has supplied Bowman with copies of reports for all vulnerability assessments, penetration testing, vendor audits (together with any remedial measures taken, incident response plans, and incident reports for the period beginning January 1, 2019, through the Closing Date.

4.14.4 The Merged Company is in compliance with all cybersecurity and data privacy provisions with respect to all of its contracts with its clients and applicable law. Attached hereto as Schedule 4.14.4 is a list of all cybersecurity incidents with respect to the Merged

CAO

Company that since January 1, 2019 have been reported to an insurance carrier, a client, a law enforcement agency or a state attorney general.

4.15 Insurance Contracts.

Schedule 4.15 hereto lists all contracts of insurance and indemnity in force at the date hereof with respect to the Merged Company (the "Merged Company Insurance Contracts"). As of the Closing Date, all of the Merged Company Insurance Contracts are in full force and effect, with no default thereunder by the Merged Company which could permit the insurer to deny payment of claims thereunder. The Merged Company has not received or given a notice of cancellation with respect to any of the Merged Company Insurance Contracts.

4.16 Banking.

No misrepresentation or omission of a material fact was made by Merged Company or the Member in connection with the application, administration or repayment of any Paycheck Protection Program loan. Schedule 4.16 hereto shows the names and locations of all banks and trust companies in which the Merged Company has accounts or safety deposit boxes and, with respect to each account or safety deposit box, the names of all persons authorized to draw thereon or to have access thereto.

4.17 Distributions.

Since January 1, 2023, and except as expressly permitted by Section 2.2 hereof, the Merged Company has not distributed any of the following of its assets other than in the Ordinary Course of Business:

(a) Contracts, contract rights, service agreements, employment relationships and business relationships related to the Business.

(b) Lists of past, present and prospective customers, lists of prospective customers, files and records and rights under contracts, goodwill (including all trade names, the Merged Company name, domain names and telephone numbers) and all other intangible assets (including advertising, trade secrets, trademarks, and copyrights) related to the Business.

(c) Accounts Receivable or Work in Process generated in connection with the Business.

(d) Any technology used, licensed or created by the Merged Company in connection with the Business.

(e) Any fixed assets of Merged Company used in connection with the Businesses including without limitation computer hardware and software, computer systems, furniture, fixtures, vehicles, machinery, plant or other equipment, and survey equipment.

(f) Any supplies, and inventory.

CAO

(g) Any security deposits or prepayments made by Merged Company.

(h) Any intangible assets and intellectual property of the Merged Company or otherwise related to any of the items in this Section 2.1, including documents, computer and digital files, records, information, and intellectual property rights (including rights to works made for hire by Merged Company employees and independent contractors), all trademarks, copyrights, goodwill (including any trade names, the name "Robau and Associates", or similar names related to the Business and associated goodwill), the website address ("url") for www.robau-designs.com and any other url owned by the Merged Company, and all website content included therein or associated therewith, all technology used, licensed to or created by Merged Company or otherwise related to the Business, all rights to telephone and fax numbers, and to all Merged Company project history and all other intangible assets derived from or otherwise related to the Business or in any way related to any of the other items in this Section 4.17.

(i) Any documents, computer files, records and information related to the items specified in (a) through (h) above

4.18 Disclosure and Independent Investigation. No representation or warranty of the Member in this Agreement and contains or will contain any untrue statement of a material fact, or omit a material fact necessary to make a statement in this Agreement not misleading. The Member represents and warrants that he has made his own independent investigation and analysis to his satisfaction regarding Bowman and Bowman Sub.

4.19 Payment of Accrued Retained Payroll and Accrued Retained PTO.

At or prior to Closing the Merged Company shall pay to its employees all Accrued Retained Payroll and Accrued Retained PTO.

Article 5
REPRESENTATIONS AND WARRANTIES OF BOWMAN WITH RESPECT TO BOWMAN SUB

Bowman Sub makes the following representations and warranties to the Member:

5.1 Status of Bowman Sub.

Bowman Sub is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Florida, with the requisite corporate power to own, operate and lease its properties and to carry on its business as now being conducted. Bowman Sub is treated as a corporation for federal tax purposes.

5.2 Authority for Agreement.

Bowman Sub has the power and authority to enter into this Agreement and to consummate the transactions contemplated hereby to the extent of its obligations hereunder. The Managers and officers of Bowman Sub executing this document are validly authorized to do so.

5.3 Litigation and Investigations.

Except as set forth on Schedule 5.3 there is (a) no investigation by any Governmental Entity with respect to Bowman Sub pending or, to the Knowledge of Bowman, threatened, nor has any Governmental Entity indicated to Bowman Sub an intention to conduct the same; (b) there is no claim, action, suit, arbitration or proceeding pending or, to the Knowledge of Bowman, threatened against or involving Bowman Sub, or any of its assets or properties, at law or in equity, that, if adversely determined, would have a Bowman Material Adverse Effect or would prevent or materially delay the consummation of the Transaction contemplated hereby; and (c) there are no judgments, decrees, injunctions or orders of any Governmental Entity or arbitrator outstanding against Bowman Sub. There is no bankruptcy proceeding currently filed with Bowman Sub as debtor or debtor in possession, and to the Knowledge of Bowman none is contemplated or threatened.

5.4 No Broker's or Finder's Fees.

Bowman Sub has not become obligated to pay any fee or commission to any broker, finder, financial advisor or intermediary in connection with the transactions contemplated by this Agreement which is or could become an obligation of the Member.

5.5 Tax Returns.

Bowman Sub has prepared and filed on a timely basis with all appropriate Governmental Entities all returns in respect of Taxes that it is required to file on or prior to the Closing taking extensions into account, and has paid in full all Taxes due on or before Closing.

5.6 Disclosure and Independent Investigation.

No representation or warranty of Bowman Sub in this Agreement and contains or will contain any untrue statement of a material fact, or omit a material fact necessary to make a statement in this Agreement not misleading. Bowman Sub represents and warrants that it has made its own independent investigation and analysis regarding the Merged Company. Bowman Sub has conducted its investigation to its satisfaction.

Article 6
REPRESENTATIONS AND WARRANTIES OF BOWMAN

Bowman makes the following representations and warranties to the Member:

6.1 Status of Bowman.

Bowman is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, with the requisite corporate power to own, operate and lease its properties and to carry on its business as now being conducted. Bowman is registered, licensed, qualified as a foreign entity or otherwise qualified to do business and is in good standing in each jurisdiction in which the failure to so qualify would have a Bowman Material Adverse Effect.

CAO

6.2 Authority for Agreement.

Bowman has the corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby to the extent of its obligations hereunder. The officers of Bowman executing this document are validly authorized to do so.

6.3 Litigation and Investigations.

Except as set forth on Schedule 6.3 there is (a) no investigation by any Governmental Entity with respect to Bowman pending or, to the Knowledge of Bowman, threatened, nor has any Governmental Entity indicated to Bowman an intention to conduct the same; (b) there is no claim, action, suit, arbitration or proceeding pending or, to the Knowledge of Bowman, threatened against or involving Bowman, or any of its assets or properties, at law or in equity, that, if adversely determined, would have a Bowman Material Adverse Effect or would prevent or materially delay the consummation of the transactions contemplated hereby; and (c) there are no judgments, decrees, injunctions or orders of any Governmental Entity or arbitrator outstanding against Bowman. There is no bankruptcy proceeding currently filed with Bowman as debtor or debtor in possession, and to the Knowledge of Bowman none is contemplated or threatened.

6.4 No Broker's or Finder's Fees.

Bowman has not become obligated to pay any fee or commission to any broker, finder, financial advisor or intermediary in connection with the Transaction contemplated by this Agreement which is or could become an obligation of the Merged Company or the Member.

6.5 Bowman Financial Statements.

The audited balance sheets and income statements of Bowman as of December 31, 2021 and 2022, and the unaudited balance sheet and income statements for the period ended March 31, 2024 are available at https://www.sec.gov/edgar. Collectively, the balance sheets and income statements referred to in the immediately preceding sentence are sometimes referred to herein as the "Bowman Financial Statements". Each of the Bowman Financial Statements (including any related notes) fairly presents in all material respects the financial position and operations of Bowman as of its date, in each case (and except as noted therein) in accordance with GAAP, and in the case of the unaudited balance sheet and income statement for the period ended March 31, 2024, subject to year-end and audit adjustments.

6.6 Tax Returns.

Bowman has prepared and filed on a timely basis with all appropriate Governmental Entities all returns in respect of Taxes that it is required to file on or prior to the Closing taking extensions into account, and has paid in full all Taxes due on or before Closing.

CAO

6.7 SEC Filings.

Bowman has filed with, or furnished to, the Securities and Exchange Commission all reports, schedules, forms, statements, prospectuses, registration statements and other documents required to be filed or furnished by Bowman (collectively, together with any exhibits and schedules thereto and other information incorporated therein, "Bowman SEC Documents"). As of its filing date (and as of the date of any amendment), each Bowman SEC Document complied as to form in all material respects with the applicable requirements of the 1933 Act and the 1934 Act, as the case may be.

6.8 Disclosure and Independent Investigation.

No representation or warranty of Bowman in this Agreement and contains or will contain any untrue statement of a material fact, or omit a material fact necessary to make a statement in this Agreement not misleading. Bowman represents and warrants that it has made its own independent investigation and analysis regarding the Merged Company. Bowman has conducted its investigation to its satisfaction

Article 7
ADDITIONAL AGREEMENTS

7.1 Expenses.

As between the parties hereto, the Member shall be responsible for the Merged Company Transaction Expenses, and Bowman shall be responsible for Bowman Transaction Expenses.

7.2 Indemnification.

7.2.1 Indemnification for Bowman's Benefit. Subject to the terms of this Section 7.2 (including without limitation the claims periods of Section 7.2.7), Bowman and its directors, officers, employees, representatives, successor and assigns (collectively the "Bowman Indemnified Parties") shall be entitled to payment and reimbursement from the Member for the full amount of Losses suffered, incurred or paid by any Bowman Indemnified Party:

(i) resulting or arising from any misrepresentation or inaccuracy in, or breach of this Agreement, any representation, warranty, or covenant by the Member in this Agreement or any Exhibits or Schedules hereto or the certificates delivered by them pursuant to this Agreement;

(ii) resulting or arising from any Indebtedness or the Merged Company (other than an Assumed Liability) or the Merged Company Transaction Expenses that was not paid or satisfied in full at or before the Closing; or

(iii) resulting or arising from any Taxes arising out of or relating to any Pre-Closing Tax Period or Pre-Closing Straddle Period of the Merged Company;

(iv) resulting or arising from any matter set forth on Schedule 4.3, Schedule 4.9, Schedule 4.10.2, or Schedule 4.12.2;

(v) resulting or arising from any Excluded Obligation; or

(vi) resulting or arising from Pre-Closing Professional Liability Claims.

7.2.2 Indemnification for Member's Benefit. Subject to the terms of this Section 7.2 (including without limitation the claims periods of Section 7.2.7), the Member and Member's representatives, successors and assigns (collectively, the "Member Indemnified Parties") shall be entitled to payment and reimbursement from Bowman for the full amount of Losses suffered, incurred or paid by any Member Indemnified Party:

(i) resulting or arising from any misrepresentation or inaccuracy in, or breach of this Agreement or any representation, warranty or covenant made by Bowman or Bowman Sub in this Agreement or any Exhibits or Schedules hereto or the certificates delivered by Bowman or Bowman Sub pursuant to this Agreement; or

(ii) resulting or arising from any Assumed Liability;

(iii) resulting or arising from any Taxes arising out of or relating to any Post-Closing Tax Period or Post-Closing Straddle Period of the Merged Company; or

(iv) resulting or arising from Post-Closing Professional Liability Claims.

7.2.3 Right of Set-Off. Amounts due to Bowman Indemnified Parties shall be reduced by any applicable insurance proceeds received by Bowman, and any remaining balance shall first be made by a set off of the amount of any claim for indemnification or payment of Losses to which Bowman Indemnified Parties are entitled under this Agreement against any amounts payable by Bowman pursuant to the Promissory Note. Thereafter, amounts for indemnification owed to Bowman Indemnified Parties shall be the personal obligation of the Member (subject to any cap).

7.2.4 Limits on Indemnification. Notwithstanding anything to the contrary contained herein, except in the case of fraud, criminal activity, willful misconduct or breach of a Fundamental Representation and Warranty, (a) the Member shall not be required to indemnify and hold harmless Bowman Indemnified Parties in the aggregate for Losses that exceed the Maximum Indemnity Amount; (b) the Member shall not be required to indemnify and hold harmless Bowman Indemnified Parties until the aggregate value of the Losses exceeds the Minimum Indemnity Amount, provided that once the Minimum Indemnity Amount has been met, the indemnity obligation shall be the full amount of Losses, but subject to the Maximum Indemnity Amount and the Maximum Fundamental Indemnity Amount, as the case may be, and as provided in this Section 7.2; (c) Bowman shall not be required to indemnify and hold harmless the Member Indemnified Parties in the aggregate for Losses that exceed the Maximum Indemnity Amount; or (d) Bowman shall not be required to indemnify and hold harmless the Member Indemnified Parties until the aggregate value of the Losses exceeds the Minimum Indemnity Amount, provided that once the Minimum Indemnity Amount has been met, the indemnity obligation shall be the full amount of

CAO

Losses, but subject to the Maximum Indemnity Amount and the Maximum Fundamental Indemnity Amount, as the case may be and as provided in this Section 7.2. Notwithstanding anything to the contrary contained herein, in the case of a breach of any of the Fundamental Representations and Warranties, (a) the Member shall not be required to indemnify and hold harmless Bowman Indemnified Parties in the aggregate for Losses more than the Maximum Fundamental Indemnity Amount; and (b) Bowman shall not be required to indemnify and hold harmless the Member Indemnified Parties in the aggregate for Losses more than the Maximum Fundamental Indemnity Amount.

7.2.5 Claims for Indemnification. Upon obtaining knowledge of any facts, claim or demand which has given rise to, or could reasonably give rise to, a claim for indemnification hereunder (referred to herein as an "Indemnification Claim"), the party seeking indemnification (the "Indemnified Party") shall give timely written notice of such facts, claim or demand ("Notice of Claim") to the party or parties from whom indemnification is sought (the "Indemnifying Party"). So long as the Notice of Claim is given by the Indemnified Party in the Claims Period specified in Section 7.2.7, and subject to the applicable statute of limitations, no failure or delay by the Indemnified Party in the giving of a Notice of Claim shall reduce or otherwise affect the Indemnified Party's right to indemnification except to the extent that the Indemnifying Party has been prejudiced thereby.

7.2.6 Participation in Defense by Indemnifying Party. In the event of a claim or demand asserted by a third party (a "Third Party Claim"), the Indemnifying Party, shall have the right, but not the obligation, exercisable by written notice to the Indemnified Party within ten (10) days of the date of the Notice of Claim concerning the commencement or assertion of any Third Party Claim, to control, the defense of such Third Party Claim at the Indemnifying Party's sole cost and expense. The Indemnified Party shall not settle such Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

7.2.7 Claims Period. Any claim for indemnification under Section 7.2 must be asserted by written notice on or before the expiration of the applicable survival period for such claim as set forth in Article 10 of this Agreement. All claims tendered and pending on such applicable date shall continue until resolved, subject to the applicable statute of limitations.

7.2.8 Effect of Investigation. The representations, warranties and covenants of the Indemnifying Party, and the Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its representatives); provided, however, no Indemnifying Party shall be liable to any Indemnified Party for damages based upon or arising out of any inaccuracy or breach of any representation or warranty that the Indemnified Party or any of its representatives knew is or was inaccurate.

7.2.9 Treatment for Tax Purposes. All indemnification payments pursuant to this Section 7.2 shall be treated as adjustments to the Purchase Price for all Tax purposes unless otherwise required by applicable Law.

7.2.10 Materiality. Notwithstanding anything contained herein to the contrary, for purposes of determining whether the Minimum Indemnity Amount has been met, each representation and warranty in this Agreement or any certificate delivered at the Closing shall be read without regard and without giving effect to any materiality qualifier contained in such representation or warranty which has the effect of making such representation and warranty less likely to be breached (as if such word or words were deleted from such representation and warranty).

7.2.11 Losses for Which Professional Liability Insurance Coverage Exists. Notwithstanding anything to the contrary in this Agreement, after the Closing Date, losses with respect to claims arising from professional services provided on or prior to the Closing Date ("Pre-Closing Professional Liability Claims") for which there exists professional liability insurance shall be borne by Member (and the Bowman Indemnified Parties shall be entitled to indemnification hereunder). Losses with respect to claims arising from professional services provided after the Closing Date ("Post-Closing Professional Liability Claims") shall be borne by Bowman (and the Member Indemnified Parties shall be entitled to indemnification hereunder). Deductibles for claims arising from services performed both before and after the Closing Date shall be equitably divided among Member and Bowman in proportion to the claims made.

7.2.12 No Right of Contribution. No party to this Agreement shall have any right of contribution against the Merged Company with respect to any obligation of the Bowman Indemnifying Parties to indemnify the Bowman Indemnified Parties.

7.3 Public Disclosure.

Except as otherwise required by law, any press release or other public disclosure of information regarding the proposed Transaction (including the negotiations with respect to the Transaction and the terms and existence of this Agreement) shall be developed by Bowman, subject to the Member's review and approval, not to be unreasonably withheld, conditioned or delayed.

7.4 Further Assurances.

Subject to terms and conditions herein provided and to the fiduciary duties of the board of directors, board of managers, and officers or representatives of any party, each of the Parties agrees to use its commercially reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective this Agreement and the Transaction contemplated hereby. In case at any time any further action, including, without limitation, the obtaining of waivers and consents under any agreements, material contracts or leases and the execution and delivery of any licenses or sublicenses for any software, is necessary, proper or advisable to carry out the purposes of this Agreement, the proper officers and directors or representatives of each Party to this Agreement are hereby directed and authorized to use commercially reasonable efforts to effectuate all required action. Each party agrees to use its best reasonable efforts to effect the novation of each Material Contract that may require novation under its terms or under applicable laws or regulations, and further agrees to provide all documentation necessary to effect each such novation,

including, without limitation, all instruments, certifications, requests, legal opinions, audited financial statements, and other documents required by any Governmental Entity.

7.5 Professional Liability Coverage.

Prior to or effective with the Closing Date Merged Company shall purchase at its cost and expense, an error and omissions extended reporting period, or "tail policy" for a period of three (3) years with coverage limits and deductibles the same as the coverage limits and deductibles in the Merged Company's current professional liability policy ("Tail Policy"), and Bowman shall reimburse Member for one-half (1/2) of such premium amount (the "Tail Policy Adjustment").

7.6 Termination of Merged Company Plans.

It is understood that none of the Merged Company Plans are being merged or combined with any ERISA or other benefit plan of Bowman or Bowman Sub, and that the Member shall, as a condition of Closing, elect to terminate any Merged Company Plans simultaneously with Closing and all costs and fees in connection therewith shall be deemed a Merged Company Transaction Expense.

Article 8
POST-CLOSING UNDERTAKINGS AND OBLIGATIONS

In order to induce the Merged Company and the Member to enter into the within Merger Agreement, Bowman covenants that it will fulfill and perform the undertakings and obligations set forth in this Article 8. Bowman acknowledges that the Member is relying on Bowman's affirmative undertakings in entering into this Merger Agreement. In order to induce Bowman and Bowman Sub to enter into the within Merger Agreement, the Member covenants that he will fulfill and perform the undertakings and obligations set forth in this Article 8. The Member acknowledges that Bowman and Bowman Sub are relying on the Member's affirmative undertakings in entering into this Merger Agreement. The undertakings and obligations of this Article 8 shall expressly survive Closing.

8.1 Employees; Payment of Accrued Assumed PTO.

8.1.1 Prior to the Closing Date, Bowman shall make an offer of employment to all Merged Company employees (the "Employees"), which shall be deemed to be effective commencing on the day after the Closing Date. The offer of employment to be made to each Employee shall include remuneration which is not less than the current rate of remuneration paid to such Employee just prior to the Closing Date. The Member shall use commercially reasonable efforts to induce Merged Company employees to accept employment with Bowman.

8.1.2 Accrued Assumed PTO for Merged Company employees retained by Bowman shall be assumed by Bowman. After the Closing Date Merged Company exempt employees retained by Bowman or Bowman Sub will be subject to Bowman's individual leave policy whereby leave for sickness, vacation and holidays is approved based upon factors which do not include any accrued leave balance, and their Accrued Assumed PTO shall be paid to them in regular payroll installments beginning with the first payroll two (2) months after the Closing Date. Non-exempt Employees of Merged Company retained by Bowman or Bowman Sub will accrue leave post-Closing pursuant to Bowman's stated policy, as the same may be changed from time to

CAO

time, and their Accrued Assumed PTO shall roll over to Bowman's non-exempt employee leave policy.

8.2 Preparation and Filing of Tax Returns and Related Matters.

The Member shall prepare or cause to be prepared and file or cause to be filed all Tax Returns of the Merged Company for all taxable periods ending on or prior to the Closing Date. If requested in writing by Bowman, the Member shall allow Bowman's employee or independent tax advisor to review and comment on each such income Tax Return prepared or caused to be prepared by the Member (to the extent such income Tax Return could affect any obligation of Bowman or Bowman Sub) at Bowman' sole cost and expense. The Member shall consider in good faith all reasonable comments of Bowman or its tax advisor with respect to such income Tax Returns prior to filing. Immediately upon written demand from Bowman, the Member shall reimburse Bowman for all Taxes of the Merged Company for any Tax period ending on or before the Closing Date (a "Pre-Closing Tax Period") and for Member' portion (as determined below) of all Taxes of the Merged Company for any period that straddles the Closing Date (a "Straddle Period"). Bowman shall not be authorized to amend any Tax Returns of the Merged Company for any taxable periods ending on or prior to the Closing Date. Bowman shall be responsible for all Taxes of the Merged Company for any Tax period that begins after the Closing Date (a "Post-Closing Tax Period") and for its portion (as determined below) of all Taxes of Merged Company for any Straddle Period. With respect to any Straddle Period, the Taxes attributable to such Straddle Period shall be apportioned between the period of the Straddle Period that begins on the first day of the Straddle Period and ends on the Closing Date (the "Pre-Closing Straddle Period"), which portion shall be the responsibility of the Member, and the period of the Straddle Period that begins on the day after the Closing Date and ends on the last day of the Straddle Period ("Post-Closing Straddle Period"), which portion shall be the responsibility of Bowman. The portion of the Tax allocated to the Pre-Closing Straddle Period shall (a) in the case of any ad valorem or similar property Taxes, be deemed to be the amount of such Tax for the entire Taxable period multiplied by a fraction the numerator of which is the number of days in the Taxable period ending on the Closing Date and the denominator of which is the number of days in the entire Taxable period; and (b) in the case of any other Taxes, be deemed equal to the amount that would be payable if the relevant Taxable period ended on the Closing Date. The portion of the Tax allocated to the Post-Closing Straddle Period shall equal the balance of the Tax attributable to the Straddle Period. Bowman and the Member shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the preparation and filing of any Tax Return or claim for refund and any audit, litigation or other proceeding with respect to the Merged Company's Taxes. Upon request, Bowman and the Member shall provide each other with the information that either party is required to report pursuant to the Code.

Article 9
CONDITIONS PRECEDENT

9.1 Conditions Precedent to the Obligations of Each Party.

The obligations of the parties hereto to effect the Transaction shall be subject to the fulfillment at or prior to the Closing of the following conditions, any of which conditions may be waived in writing prior to Closing by the party for whose benefit such condition is imposed:

9.1.1 No Illegality. There shall not have been any action taken, and no statute, rule or regulation shall have been enacted, by any state, federal or other government agency since the Execution Date of this Agreement that would prohibit or materially restrict the Transaction or any other material transaction contemplated hereby.

9.1.2 No Injunction. No injunction or restraining or other order issued by a court of competent jurisdiction that prohibits or materially restricts the consummation of the Transaction contemplated hereby shall be in effect (each party agreeing to use all reasonable efforts to have any injunction or other order immediately lifted), and no action or proceeding shall have been commenced or threatened in writing seeking any injunction or restraining or other order that seeks to prohibit, restrain, invalidate or set aside consummation of the Transaction contemplated hereby.

9.1.3 Approvals of Transaction. This Agreement shall have been approved by the Merged Company, Bowman and Bowman Sub, and to the extent required by applicable law and their respective Governing Documents.

9.2 Conditions Precedent to Obligation of Bowman and Bowman Sub to Consummate the Transaction.

The obligation of Bowman and Bowman Sub to consummate the Transaction shall be subject to the fulfillment at or prior to the Closing of the following additional conditions, any of which conditions may be waived in writing by Bowman or Bowman Sub prior to Closing:

9.2.1 Representations and Warranties. The representations and warranties of the Member contained in Articles 3 and 4 and elsewhere in this Agreement shall be true and correct in all material respects on and as of the Closing Date, except for changes contemplated by this Agreement and except for those representations and warranties which address matters only as of a particular date (which shall remain true and correct as of such date), with the same force and effect as if made on and as of the Closing Date, except in all such cases, for such breaches, inaccuracies or omissions of such representations and warranties which have neither had nor reasonably would be expected to have a Merged Company Material Adverse Effect; and the Member shall have delivered to Bowman a certificate to that effect, dated the Closing Date and signed by the Member. The Merged Company shall have fully paid and satisfied all of the Excluded Obligations.

9.2.2 Agreements and Covenants. The Merged Company and Member shall have performed in all material respects all of their respective agreements and covenants set forth herein that are required to be performed at or prior to the Closing Date and no Merged Company Material Adverse Effect shall have occurred.

9.2.3 Certificate of Good Standing. The Merged Company shall deliver a Certificate of Good Standing issued by the Florida Department of State not earlier than 30 days prior to the Closing Date.

9.2.4 Closing Documents. The Member shall have delivered to Bowman the Merged Company closing certificates described hereafter in this paragraph and such other closing

CAO

documents as Bowman shall reasonably request. The Merged Company closing certificates, dated as of the Closing Date, duly executed by the secretary of the Merged Company, shall certify as to (i) the signing authority, incumbency and specimen signature of the signatories of this Agreement and other documents signed on behalf of the Merged Company in connection herewith, and (ii) the resolutions adopted by the board of managers and Member of the Merged Company authorizing and approving the execution, delivery and performance of this Agreement and the other documents executed in connection herewith and the consummation of the transactions contemplated hereby and thereby and state that such resolutions have not been modified, amended, revoked or rescinded and remain in full force and effect.

9.2.5 Third Party Consents. Except for professional services contracts, all required third party consents or approvals shall have been obtained by the Merged Company and shall be effective and shall not have been suspended, revoked, or stayed by action of any such third party.

9.2.6 Diligence Review. Bowman and its accountants and attorneys shall have conducted a diligence investigation of all matters related to the business of the Merged Company deemed relevant by Bowman or its accountants and attorneys to such diligence investigation, and the results of such diligence investigation shall have been satisfactory to Bowman.

9.2.7 Agreements with Member and Employees. The Member shall have entered into written an Employment Agreement and Non-Solicitation, Non-Competition and Non-Disclosure Agreement with Bowman in the respective form attached as Exhibits E and F. The Member acknowledges that absent his execution of the Non-Solicitation, Non-Competition and Non-Disclosure Agreement Bowman and Bowman Sub would not enter into this Agreement and Bowman would not pay the Merger Consideration hereunder. The Merged Company's Key Employees listed on Schedule 9.2.7 shall have entered into written Employment Letters, Non-Solicitation and Non-Disclosure Agreements and Restricted Stock Award Agreements in the form attached as Exhibit G. Also set forth on Schedule 9.2.7 is a schedule of the dollar amount of Bowman common stock to be issued to each Key Employee at Closing, the number of shares to be determined by dividing the dollar amount for each recipient by the Average Stock Price and rounding up to the nearest whole share. The common stock issued to the Key Employees shall be issued pursuant to Bowman's 2021 Omnibus Equity Incentive Plan, and shall be subject to vesting and other restrictions as set forth in the Restricted Stock Award Agreements. The Member shall have entered into the Subordination Agreement in the form attached hereto as Exhibit D and the Lock-Up Agreement in the for attached hereto as Exhibit B. Substantially all employees of Merged Company offered post-Closing employment by Bowman shall have accepted employment with Bowman.

9.2.8 Office Lease. Except as may be waived in writing by Bowman, Bowman shall have obtained any required consent from the Merged Company's current landlord of the Naples Lease.

9.2.9 No Material Adverse Change. There shall not have occurred any event that gives rise to a Merged Company Material Adverse Effect.

CAO

9.2.10 Professional Liability Coverage. The Merged Company shall have taken steps required of it pursuant to Section 7.5.

9.3 Conditions Precedent for Member and Merged Company.

The obligations of the Merged Company and the Member to consummate the Transaction shall be subject to the fulfillment at or prior to the Closing of the following additional conditions, any of which may be waived in writing by the Merged Company or the Member prior to Closing:

9.3.1 Representations and Warranties. The representations and warranties of Bowman and Bowman Sub contained in this Agreement shall be true and correct in all material respects on and as of the Closing Date, except for changes contemplated by this Agreement and except for those representations and warranties which address matters only as of a particular date (which shall remain true and correct as of such date), with the same force and effect as if made on and as of the Closing Date, except in all such cases, for such breaches, inaccuracies or omissions of such representations and warranties which have neither had nor reasonably would be expected to have a Bowman Material Adverse Effect; and Bowman shall have delivered to the Merged Company and Member a certificate to that effect, dated the date of the Closing and signed on behalf of Bowman by the Secretary of Bowman.

9.3.2 Agreements and Covenants. Bowman and Bowman Sub shall have performed in all material respects all of their agreements and covenants set forth herein that are required to be performed at or prior to the Closing Date and no Bowman Material Adverse Effect shall have occurred. Bowman shall have executed each of the Employment Letters, Non-Competition and Non-Disclosure Agreements Non-Solicitation and Non-Disclosure Agreements, and Restricted Stock Award Agreements referred to in Section 9.2.7 above.

9.3.3 Certificate of Good Standing. Bowman Sub shall have delivered its Certificate of Good Standing issued by the Florida Department of State not earlier than 30 days prior to the Closing Date, and Bowman shall have delivered its Certificate of Good Standing issued by the Delaware Secretary of State not earlier than 30 days prior to the Closing Date.

9.3.4 Tender of Merger Consideration. Bowman shall have tendered to the Member the Merger Consideration pursuant to the provisions of Section 2.4. hereof.

9.3.5 Closing Documents. Bowman and Bowman Sub shall have delivered to the Member, the Merged Company the Bowman and Bowman Sub closing certificates described in this Agreement and such other closing documents as Member and Merged Company shall reasonably request. The Bowman and Bowman Sub closing certificates, dated as of the Closing Date, duly executed by the secretary of Bowman and Bowman Sub, shall certify as to (i) the signing authority, incumbency and specimen signature of the signatories of this Agreement and other documents signed on behalf of Bowman and Bowman Sub in connection herewith, and (ii) the authorization and approval by the board of directors and Bowman and Bowman Sub of the execution, delivery and performance of this Agreement and the other documents executed in connection herewith and the consummation of the transactions contemplated hereby and thereby

CAO

and state that such approval has not been modified, amended, revoked or rescinded and remains in full force and effect.

Article 10
SURVIVAL OF REPRESENTATIONS

10.1 The Member's Representations.

All representations and warranties made by the Member in this Agreement, or any certificate or other writing delivered by the Merged Company pursuant hereto or in connection herewith shall survive the Closing and any investigation at any time made by or on behalf of Bowman and shall terminate on the date which is 24 months after the Closing Date; except that (i) claims related to Fundamental Representations and Warranties shall terminate on the date which is 36 months after the Closing Date, and (ii) Indemnified Party claims tendered and pending on either such date shall continue until resolved, but such claim shall be made in a competent court of jurisdiction within the applicable statute of limitations. The covenants made by the Merged Company or the Member in this Agreement or any certificate or other writing delivered by the Merged Company or the Member pursuant hereto or in connection herewith shall survive the Closing.

10.2 Bowman's Representations.

All representations and warranties made by Bowman and Bowman Sub in this Agreement or any certificate or other writing delivered by Bowman, Bowman Sub or any of their respective Affiliates pursuant hereto or in connection herewith shall survive the Closing and any investigation at any time made by or on behalf of the Merged Company or the Member shall terminate on the date that is 24 months after the Closing Date; except that (i) claims related to Fundamental Representations and Warranties shall terminate on the date which is 36 months after the Closing Date, and (ii) Indemnified Party claims tendered and pending on either such date shall continue until resolved. The covenants made by Bowman and Bowman Sub in this Agreement or any certificate or other writing delivered by Bowman, Bowman Sub and their respective Affiliates pursuant hereto or in connection herewith shall survive the Closing.

Article 11
OTHER PROVISIONS

11.1 Notices.

All notices and other communications hereunder shall be in writing and shall be deemed given if delivered by hand sent via a reputable nationwide courier service or mailed by registered or certified mail (return receipt requested) to the parties at the following addresses (or at such other address for a party as shall be specified by like notice) and shall be deemed given on the date on which so hand-delivered or on the third business day following the date on which so mailed or sent:

CAO

To Bowman and Bowman Sub (and to the Merged Company after Closing):

Bowman Consulting Group Ltd.
12355 Sunrise Valley Drive; Suite 520
Reston, VA 20191
Attention: Robert A. Hickey, Chief Legal Officer

To the Member (or to the Merged Company before Closing):

Robau and Associates, LLC
2770 Horseshoe Drive S, Suite 7
Naples, Florida 34104
Attention: Emilio J. Robau

11.2 Entire Agreement.

Unless otherwise herein specifically provided, this Agreement and the documents and instruments and other agreements among the Parties hereto as contemplated by or referred to herein constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof, including the Letter of Intent and the Confidentiality Agreement. Each Party hereto acknowledges that, in entering this Agreement and completing the Transaction contemplated hereby, such Party is not relying on any representation, warranty, covenant or agreement not expressly stated in this Agreement or in the agreements among the Parties contemplated by or referred to herein. This Agreement shall inure only to the benefit of the Parties hereto and their respective successors and assigns. Notwithstanding any other provisions to the contrary herein, except with respect to such successors and assigns, this Agreement is not intended and shall not be construed for the benefit of any third party or any person not a signatory hereto.

11.3 Assignability.

This Agreement is not intended to confer upon any person other than the Parties hereto any rights or remedies hereunder, except as otherwise expressly provided herein. Neither this Agreement nor any of the rights and obligations of the Parties hereunder shall be assigned or delegated, whether by operation of law or otherwise, without the written consent of all Parties hereto.

CAO

11.4 Validity.

The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement, each of which shall remain in full force and effect.

11.5 Specific Performance.

The Parties hereto acknowledge that damages alone may not adequately compensate a Party for violation by another party of this Agreement. Accordingly, in addition to all other remedies that may be available hereunder or under applicable law, any Party shall have the right to any equitable relief that may be appropriate to remedy a breach or threatened breach by any other Party hereunder, including the right to enforce specifically the terms of this Agreement by obtaining injunctive relief in respect of any violation or non-performance hereof.

11.6 Governing Law.

This Agreement shall take effect and shall be construed as a contract under the laws of the State of Florida without giving effect to the conflict of law principles thereof. Each of the parties hereto (i) irrevocably submits to the exclusive jurisdiction and venue of the state and Federal Courts in the State of Florida, Collier County, in any action arising out of or in any way connected to this Agreement, (ii) agrees that all claims in such action may be decided only in such courts, (iii) waives, to the fullest extent they may effectively do so, the defense of an inconvenient forum, and (iv) consents to the service of process, summons, notice or other document by mail to such party's address set forth in Section 11.1. A final judgment in any such action shall be conclusive and may be enforced in other jurisdictions.

11.7 Custody of Merged Company Corporate Records.

Bowman shall not destroy any minute books, stock records and corporate seals of the Merged Company before the seventh (7th) anniversary of the Closing, or later is any pending matter requires the preservation of records, and only after giving of sixty (60) days prior notice to the Member of its intention to do so; provided, however, that the Member shall have access to such books and records, from time to time, as is reasonably necessary after Closing during regular business hours and upon reasonable notice.

11.8 Disputed Accounting Matters.

If the Member and Bowman are unable to come to an agreement as to the determination of Promissory Note adjustments under Section 2.4.4 or the Closing Date Balance Sheet, within the time period specified with respect thereto, either Bowman or the Member may, by notice to the other party, designate such issue as a "Disputed Accounting Matter" to be resolved as provided herein. The resolution of a Disputed Accounting Matter shall be made by a nationally or regionally recognized accounting firm agreed to by the parties, provided such accounting firm has not provided accounting services to either party during the prior five (5) years (the "Independent Accountants"), who shall apply principles, policies and practices consistent with GAAP and this Agreement, or if the parties cannot agree upon by the parties, by BDO USA LLP (if BDO USA

CAO

LLP has not provided accounting services to either party during the prior five (5) years). If a Disputed Accounting Matter is submitted to the Independent Accountants for resolution, (i) Member and Bowman shall furnish or cause to be furnished to the Independent Accountants such work papers and other documents and information relating to the disputed issues as the Independent Accountants may request and are available to that party or its agents and shall be afforded the opportunity to present to the Independent Accountants any material relating to the Disputed Accounting Matter and to discuss the issue(s) with the Independent Accountants; (ii) the determination by the Independent Accountants, shall be set forth in a Notice to be delivered to both Member and Bowman within thirty (30) Business Days of the submission of the Disputed Accounting Matter to the Independent Accountants, (iii) such determination by the Independent Accountants shall be final, binding and conclusive on the parties and shall be used in the calculation of any amounts due hereunder; and (iv) Member and Bowman will each bear fifty percent (50%) of the fees and costs of the Independent Accountants for such determination.

11.9 Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

EXHIBIT I: FEDERAL CONTRACT PROVISIONS AND ASSURANCES

Following this page

CAO

FEDERAL EMERGENCY MANAGEMENT AGENCY
PUBLIC ASSISTANCE

The supplemental conditions contained in this section are intended to cooperate with, to supplement, and to modify the general conditions and other specifications. In cases of disagreement with any other section of this contract, the Supplemental Conditions shall govern. This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract.

Pursuant uniform requirements of federal awards (2 CFR Part 200.23) the definition of CONTRACTOR is an entity that receives a Contract / Purchase Order.

Compliance with Federal Law, Regulations and Executive Orders: The Sub-Recipient (County) agrees to include in the subcontract that (i) the subcontractor is bound by the terms of the Federally-Funded Subaward and Grant Agreement, (ii) the subcontractor is bound by all applicable state and Federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

Specifically, the Contractor shall be responsible for being knowledgeable and performing any and all services under this contract in accordance with the following governing regulations along with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- 44 C.F.R. Part 206
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- FEMA Public Assistance Program and Policy Guide

Access to Records: The contractor agrees to provide the County, the Florida Department of Emergency Management, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the contract. (4) In compliance with section 1225 of the Disaster Recovery Act of 2018, the County and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

Affirmative Socioeconomic Steps: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

Changes: To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allowable, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable.

DHS Seal, Logo, and Flags: The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval. The contractor shall include this provision in any subcontracts.

Domestic Preference for Procurements: As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section: "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

License and Delivery of Works Subject to Copyright and Data Rights: The Contractor grants to the County, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, the Contractor will identify such data and grant to the County or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the County data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the County.

No Obligation by Federal Government: The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

CAO

Prohibition on Covered Telecommunications Equipment or Services:
(a) Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy, #405-143-1 Prohibitions on Expending FEMA Award Funds forcovered Telecommunications Equipment or Services As used in this clause –

(b) Prohibitions.

(1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

(2) Unless an exception in paragraph (c) of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

(i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
(iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Exceptions.

(1) This clause does not prohibit contractors from providing — (i). A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or (ii). Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to: (i). Covered telecommunications equipment or services that: I. Are not used as a substantial or essential component of any system; and ii. Are not used as critical technology of any system. (ii). Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d)Reporting requirement.

(1) In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause: (i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer

CAO

number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended. (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph(e), in all subcontracts and other contractual instruments.

Program Fraud and False or Fraudulent Statements or Related Acts: The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

Rights to Inventions Made Under a Contract or Agreement: Exempt from FEMA Public Assistance Funding

Suspension and Debarment: (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. (3) This certification is a material representation of fact relied upon by the County. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Procurement of Recovered Materials (§200.323) (Over $10,000): In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage:

https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Termination for Cause and Convenience (over $10,000): See Standard Purchase Order and/or Contract Terms and Conditions

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352 (as amended) (over $100,000): Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

CAO

Contractors must sign and submit a certification to the County with each bid or offer exceeding $100,000. See Certifications and Assurances and the end of this document.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) (over $100,000): Where applicable, all contracts awarded by the solicitor in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5).

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The County or FEMA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 "Further Compliance with the Contract Work Hours and Safety Standards Act.

(1) The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
(2) Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

CAO

Clean Air Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Administrative, Contractual, or Legal Remedies (over $250,000): Unless otherwise provided in this contract, all claims, counter-claims, disputes and other matters in question between the local government and the contractor, arising out of or relating to this contract, or the breach of it, will be decided by arbitration, if the parties mutually agree, or in a Florida court of competent jurisdiction.

CONSTRUCTION ACTIVITIES
Equal Employment Opportunity Clause (§60-1.4): Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor

union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part an the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Davis Bacon Act: Exempt under FEMA Public Assistance Funding

Copeland Anti-Kickback Act: Exempt under FEMA Public Assistance Funding

CAO

Compliance with Federal Law, Regulations, And Executive Orders and Acknowledgement of Federal Funding

Certification

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

If the Contractor subcontracts any of the work required under this Agreement, a copy of the signed subcontract must be available to the County for review and approval. The Contractor agrees to include in the subcontract that (1) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the County and the Grantor Agency harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law. The County may document in the quarterly report the Contractor's progress in performing its work under this agreement.

On behalf of my firm, I acknowledge, the grant requirements identified in this document.

LOBBYING CERTIFICATION
(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

Executive Summary

Recommendation to ratify and authorize payments related to work performed by subcontractor Cladding Systems, Inc., that occurred prior to the issuance of Payment and Performance bond being in place between Cladding Systems, Inc., and O-A-K/Florida, Inc., d/b/a Owen-Ames-Kimball Company, for the Main Campus Upgrades under Agreement No. 21-7883-ST. (Fund (3018), Project 50214)

OBJECTIVE: To approve payments to O-A-K/Florida, Inc., d/b/a Owen-Ames-Kimball Company, for subcontractor work provided prior to the Payment and Performance Bond being in place between subcontractor and O-A-K/Florida, Inc., under Agreement No. 21-7883-ST.

CONSIDERATIONS: On May 10, 2022 (Agenda Item No. 16.C.4), the County entered into Construction Manager At Risk ("CMAR") Agreement No. 21-7883-ST (the "Agreement") with the Construction Manager to manage and coordinate the construction of the Main Campus Upgrades, which include the surtax approved New Chiller Plant Building and the Underground Chilled Water Mains.

On January 9, 2024 (Agenda Item 11. G), the Parties entered into a First Amendment to the Agreement (the "First Amendment") to include the Construction Phase scope, provide for a total Guaranteed Maximum Price ("GMP") to be paid to the Construction Manager in the amount of Seventeen Million Six Hundred Forty-Eight Thousand Six Hundred and Eighty-Nine Dollars and Ninety-Seven Cents ($17,648,689.97), and establish the Contract Time for the Work.

On June 25, 2024 (Agenda Item 16.F.1), the Parties entered into a Second Amendment to the Agreement (the "Second Amendment") to conform the insurance requirements in Exhibits E -1(1) and E-2(1) to the Board approved Guaranteed Maximum Price and associated schedule of values with no increase in cost or time under the Agreement, and ratify and authorize payments related to work performed by subcontractor Nauti Electric, Inc., that occurred prior to the issuance of a bond being in place between Nauti Electric and O-A-K.

The Agreement requires the Construction Manager to provide a Payment and Performance Bond covering the full contract amount. This bond was supplied upon contract approval and has ensured full coverage since work commenced. The Agreement also stipulates that subcontractors must provide Payment and Performance Bonds to the Construction Manager. However, the County may waive this requirement, as it is already protected by the Construction Manager's Bond for the entire project cost. Waiving additional bonds in certain cases can result in cost savings for the County.

Cladding Systems, Inc., a subcontractor of the Construction Manager, assumed work previously assigned to another subcontractor but began work before providing a bond. This subcontractor bond has since been issued, and the project has remained fully bonded through the Construction Manager's bond to the County. Therefore, staff recommends the Board ratify and authorize any past or future payments for work performed by Cladding Systems, Inc., prior to the issuance of its bond to the Construction Manager.

FISCAL IMPACT: Funding for the payments is available and encumbered by Purchase Order 4500229878 under the Infrastructure Sales Tax Fund (3018), Project 50214.

GROWTH MANAGEMENT IMPACT: There is no impact on the Growth Management Plan related to this action.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATIONS: To ratify and authorize payments related to work performed by subcontractor Cladding Systems, Inc., that occurred prior to the issuance of a bond being in place between Cladding Systems, Inc., and O-A-K/Florida, Inc., d/b/a Owen-Ames-Kimball Company, for the Main Campus Upgrades under Agreement No. 21-7883-ST. (Fund (3018), Project 50214)

CONSTRUCTION MANAGER AT RISK AGREEMENT

THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, a political subdivision of the State of Florida ("Owner"), hereby contracts with **O-A-K/FLORIDA, INC. d/b/a OWEN-AMES-KIMBALL COMPANY, whose mailing address is 5100 Tamiami Trail N, Suite 103, Naples, FL 34103** ("Construction Contractor"), a Florida corporation, to perform all work ("Work") in connection with the management and construction of that certain construction of **21-7883-ST MAIN CAMPUS UPGRADES (MCU)** ("Project"), located at **Collier County Government Center Main Campus, 3301 Tamiami Trail E., Naples, FL 34112** said Work being set forth in the plans and specifications being prepared by Matern Professional Engineering, Inc., the Architect and/or Engineer of Record ("Design Professional") and all other Contract Documents hereafter specified.

Owner and Construction Contractor, for the consideration herein set forth, agree as follows:

Section 1. Contract Documents

A. The Contract Documents consist of this Agreement, the Exhibits described in Section 8 hereof, and any duly executed and issued addenda, Change Orders, Construction Change Directives, Field Orders, and amendments relating thereto. Further, the term Contract Documents shall include all plans and specifications for the construction of the Project ("Construction Documents") being prepared by Design Professional, but only after said Construction Documents have been completed by Design Professional and approved in writing by Owner. All of the foregoing Contract Documents are sometimes referred to herein as the "Contract".

B. Owner shall furnish Construction Contractor with one (1) sealed copy and one (1) reproducible set of the Construction Documents. Any additional copies of Construction Documents, required by Construction Contractor for execution of the Work, shall be made by Construction Contractor from its reproducible set at Construction Contractor's sole cost and expense. The reproducible set of the Construction Documents shall be returned to Owner upon final acceptance of the Work or termination of the Contract, whichever occurs first. Provided, however, Owner is furnishing Construction Contractor a reproducible set of Construction Documents for Construction Contractor's convenience and such furnishing by Owner shall not be deemed to be a waiver by Owner or Design Professional of any copyright, patent or license they may have with respect to the Construction Documents. All such copyrights, patents and licenses hereby being expressly reserved by Owner and Design Professional.

Section 2. Scope of Work

The Work to be provided by Construction Contractor pursuant to this Contract shall be performed essentially in two phases, as described in Owner's request for proposals for the Work (the "RFP"). Those phases being Pre-Construction Phase Services and Construction Phase Services. At the discretion of Owner, those two phases may overlap. Further, the Work shall be performed in accordance with the scope of work contained in the RFP, which is attached hereto

as Exhibit N and incorporated herein by reference, and the schedule of values contained in the RFP, which is attached hereto as Exhibit O and incorporated herein by reference.

A. **Pre-Construction Phase Services.** Construction Contractor shall review and comment upon the Construction Documents being developed by Design Professional. The scope of that review shall include, but not be limited to, reviewing those various documents for value engineering and constructability. As the Construction Documents are developed by Design Professional through the various design phases set forth in the Design Professional Services Agreement between Design Professional and Owner ("Design Agreement"), Construction Contractor shall provide Owner with detailed construction cost estimates with respect to those documents. Construction Contractor agrees to attend any, and all design and preconstruction conferences and to otherwise assist and cooperate with Design Professional with respect to the design of the Project. Construction Contractor shall provide all other services during the Pre-Construction Phase of the Project as set forth in the Contract Documents.

B. **Construction Phase Services.** After the Construction Documents have been sufficiently completed by Design Professional and approved by Owner for all of the Work (or such portions thereof as may be designated by Owner in writing), and Owner and Construction Contractor have agreed in writing upon the guaranteed maximum price to be paid Construction Contractor and the Contract Time for the Work (or designated portions thereof) as hereafter provided, Construction Contractor shall furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely and fully perform and complete in a good and workmanlike manner the construction of the Work (or designated portions thereof) in accordance with all of the terms and conditions of the Contract Documents. Notwithstanding anything herein to the contrary, as and to the extent expressly directed and authorized by Owner in writing, Construction Contractor shall commence to construct those portions of the Work designated by Owner even though the guaranteed maximum price and/or Contract Time for the entire Work has not yet been agreed to by the parties, so long as they have agreed in writing upon the compensation to be paid Construction Contractor and the performance time for such portion of the Work.

Section 3. Relationship of Parties

A. Construction Contractor accepts the relationship of trust and confidence established by this Agreement. Construction Contractor covenants with Owner to cooperate with Design Professional; to utilize Construction Contractor's best skill, efforts, and judgment in furthering the interest of Owner; to furnish efficient business administration and supervision; to furnish at all times an adequate supply of workers and materials; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of Owner. Further, Construction Contractor acknowledges that (i) it has represented to Owner that it has specific expertise in the planning, management, and construction of projects similar to the nature, character, and components of this Project, and (ii) such representation is a material inducement to Owner to enter into this Contract.

B. Wherever the terms of this Contract refer to some action, consent, or approval (excluding approvals of Change Orders, Construction Change Directive, or amendments to the

Contract) to be provided by Owner or some notice, report or document is to be provided to Owner, such reference to "Owner" shall mean Owner, Owner's staff, or Owner's designee (to the extent such designee has been expressly authorized by Owner in writing), unless otherwise stated herein.

C. Owner may utilize the services of a Program Manager to assist it with the management of the design and construction of the Project. In the event Owner does utilize the services of a Program Manager with respect to this Project, Owner shall notify Construction Contractor in writing of such decision and the Program Manager shall be deemed to be an Owner designee as referenced in Paragraph B above. Further, to the extent Construction Contractor is required to name Owner as an additional insured under any insurance policy to be maintained by Construction Contractor pursuant to the terms of the Contract Documents, Construction Contractor shall cause the Program Manager to also be named as an additional insured party under all such policies. The Program Manager shall be Owner's representative with respect to the Project, with authority to transmit instructions, receive information, and interpret and define Owner's policies and decisions with respect to the Work. Owner may utilize the services of a Project Manager or any representative designated by Owner from time to time ("Owner's Representative") to assist Owner with the management of the design and construction of the Project. In the event Owner does utilize the services of a Project Manager or Owner's Representative with respect to this Project, Owner shall notify Construction Contractor in writing of such decision and the Project Manager or Owner's Representative, as applicable, shall be deemed to be an Owner designee as referenced in Paragraph B above. Further, to the extent Construction Contractor is required to name Owner as an additional insured under any insurance policy to be maintained by Construction Contractor pursuant to the terms of the Contract Documents, Construction Contractor shall cause the Program Manager or Owner's Representative, as applicable, to also be named as an additional insured party under all such policies. In the event Owner does utilize the services of a Project Manager, the Project Manager shall be deemed Owner's Representative with respect to the Project and is designated to do all things necessary to properly administer the terms and conditions of this Agreement on behalf of Owner, including, without limitation, transmitting instructions, receiving and dispensing materials and information relative to the Project, interpreting and defining Owner's policies and decisions with respect to the Work, and issuing Owner approvals as necessitated during the Project.

The Project Manager or Owner's Representative, as applicable, will be responsible for the following tasks as related to the Project:

1. Examine reports, sketches, drawings, estimates, proposals, and other documents presented by the Construction Contractor, for the purpose of issuance of those approvals necessary to support preparation and submission of invoices by the Construction Contractor.

2. Provide instructions, receipt of information, interpretation and definition of Owner's policies and decisions with respect to design, construction, materials, and other matters pertinent to the work covered by this Agreement.

3. Provide review and written confirmation of all documents and payment requests.

Notwithstanding anything herein to the contrary, the Project Manager or Owner's Representative, as applicable, shall be responsible for the review of any Change Orders on behalf of Owner. Understanding that all Change Orders must be processed in accordance with Collier County Procurement Ordinance in effect at that time. Any Change Orders with a total sum in excess of 10% of the Board approved contract award, and/or as otherwise mandated pursuant to the Procurement Ordinance shall require the review and approval of the Board of County Commissioners of Collier County, Florida.

D. Construction Contract Manager at Risk (CMAR) hereby designates Edwin Clawson as its Project Manager, with full authority to bind and obligate Construction Contractor on all matters arising out of or relating to the Work or the Contract Documents. Construction Contractor agrees that the Project Manager shall devote whatever time is required to satisfactorily manage the Work and further agrees that the Project Manager shall not be removed or replaced by Construction Contractor without Owner's prior approval, which approval shall not be unreasonably withheld.

Section 4. Contract Amount

In consideration of the full and faithful performance by Construction Contractor of the covenants in this Contract, Owner agrees to pay, or cause to be paid, to Construction Contractor the following amounts (herein "Contract Amount"), in accordance with the terms of this Contract:

A. **Pre-Construction Phase Services.** For all Pre-Construction Phase Services, including, but not limited to, providing value engineering services, reviewing Construction Documents for constructability, assisting and meeting with Design Professional during the various design phases, and preparing cost estimates, Construction Contractor shall receive the fixed amount of **$70,595.00** as the total lump sum compensation for its services. Monthly installment payment of the total lump sum compensation shall be based upon the percent completion of the designated portion of the Pre-Construction Services for each particular month and Owner's receipt of Construction Contractor's written invoice for such payment, said invoice to be in a form reasonably acceptable to Owner. Any remaining final invoice for completed Pre-Construction Services shall be submitted: (i) before the GMP Amendment is executed for the entire Work, or (ii) the parties fail to reach agreement on the GMP Amendment and Owner elects to terminate this Contract as provided in section 4.B hereafter, whichever occurs first.

B. **Construction Phase.** With respect to the Construction Phase Services to be provided by Construction Contractor hereunder, Owner shall reimburse Construction Contractor for the Cost of the Work (as that term is defined hereafter), and pay Construction Contractor a fixed Construction Management Fee of **five percent (5%)** of the estimated Cost of the Work, as that estimate is established at the time the GMP is initially set by the parties. The Construction Management Fee shall be Construction Contractor's total compensation for all overhead not reimbursable as Cost of the Work under Section 5.A. below, as well as Construction Contractor's total profit for Construction Phase Services. Construction Contractor agrees to provide Owner with a guaranteed maximum price proposal for the total sum of the Construction Management Fee plus the Cost of the Work within 60 days after the Construction Documents in Owner's opinion are sufficiently completed by Design Professional and approved in writing by Owner.

The guaranteed maximum price proposal shall be based upon the previous cost estimates provided by Construction Contractor as required hereunder. Further, the proposal shall be broken down into the categories and level of detail required by Owner. Construction Contractor agrees that all of its books, records and files, with respect to its development of the guaranteed maximum price proposal, shall be open to Owner for review and copying. The final guaranteed maximum price shall be mutually agreed upon by Owner and Construction Contractor and shall be set forth in the GMP Amendment ("GMP"). The form for GMP Amendment is attached hereto as Exhibit K. Construction Contractor shall provide a detailed breakdown acceptable to Owner of its guaranteed maximum price proposal, as well as for the GMP. For each line item in the GMP, Construction Contractor shall develop and maintain a written report which identifies and explains all variances and deviations from the bid amount originally submitted for that line item, to the final line item price incorporated into the GMP. Construction Contractor guarantees that in no event shall the Construction Management Fee and the total Cost of the Work exceed the GMP, as the GMP may be adjusted pursuant to the terms herein for Change Orders and Construction Change Directives. In the event Construction Contractor and Owner fail to reach an agreement on the GMP, Owner may elect to terminate this Contract. In the event of any such termination, Construction Contractor shall be entitled to receive that portion of the Contract Amount attributable to the Pre-Construction Phase Services earned through the date of termination plus that portion of any earned compensation associated with any Construction Phase Services provided, to the extent such services were expressly approved in advance and in writing by Owner; but Construction Contractor shall not be entitled to any further or additional compensation from Owner, including but not limited to damages or lost profits on portions of the Work not performed.

Section 5. Cost of the Work

A. **Costs to be Reimbursed.** The term Cost of the Work shall mean all costs necessarily and reasonably incurred by Construction Contractor in the proper performance of the Construction Phase Services portion of the Work. Such costs shall be at rates not higher than the standard paid at the place of the Project except with the prior written consent of Owner only after Construction Contractor has provided sufficient support in writing that exceptional circumstances exist, which justify the payment of rates higher than the standard. The Cost of the Work shall include only those items set forth below in this subsection A:

1. **Labor Costs**.

   a. Wages of construction workers directly employed by Construction Contractor to perform the construction of the Work at the Project site or, with Owner's written agreement, at off-site workshops. Costs to be reimbursed will be the actual wages paid to the individuals performing the work.

   b. Wages or salaries of Construction Contractor's supervisory and administrative personnel who are stationed at the Project site with Owner's written agreement.

c. Wages and salaries of Construction Contractor's supervisory and administrative personnel engaged at factories, workshops or on the road in expediting the production or transportation of materials or equipment required for the Work, but only for that portion of their time required for the Work and only with Owner's written agreement as in subsection A.1.b above.

2. **Subcontract Costs.** Payments made by Construction Contractor to subcontractors and for professional consulting services in accordance with the requirements of the applicable written subcontracts.

3. **Cost of Materials and Equipment Incorporated into the Completed Construction**.

a. Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction.

b. Costs of materials described in subsection A.3.a, above, in excess of those actually installed but required to provide reasonable allowance for waste and for spoilage. Unused excess materials, if any, shall be handed over to Owner at the completion of the Work or, at Owner's option, shall be sold by Construction Contractor; amounts realized, if any, from such sales, shall be credited to Owner as a deduction from the Costs of the Work.

4. **Costs of other materials and equipment, temporary facilities, and related items**.

a. Costs, including transportation, installation, maintenance, dismantling and removal, of materials, supplies, temporary facilities (including project field offices, furniture and fixtures), temporary utilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by Construction Contractor at the Project site and fully consumed in the performance of the Work; and costs less salvage value on such items if not fully consumed, whether sold to others or retained by Construction Contractor.

b. Rental charges, at standard industry rates for the area, for temporary facilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by Construction Contractor at the Project site, whether rented from Construction Contractor or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rates and quantities of all equipment rented, whether from Construction Contractor or others, shall be subject to Owner's prior written approval.

c. Cost of removal and proper disposal of debris from the Project site.

d. Costs of postage and parcel delivery charges, internet and telephone service at the Project site, and reasonable petty cash expenses of the Project site office.

e. That portion of the reasonable travel and subsistence expenses of Construction Contractor's personnel, assigned to the Project site, incurred while traveling outside of the Collier County area in discharge of duties connected with the Work, provided all of such expenses and charges shall be subject to the prior written approval of Owner and Section 112.061 of the Florida Statutes governing payments by the State for travel expenses.

5. **Miscellaneous Costs**.

a. That portion of any separate premiums for (i) bonds directly attributable to this Contract and (ii) any additional insurance coverages which are purchased by Construction Contractor, with Owner's prior written approval, beyond the level of coverage specified herein.

b. Sales, use or similar taxes imposed by a governmental authority which are related to the Work and for which Construction Contractor is liable.

c. Fees and assessments for the building permit and for other permits, licenses and inspections for which Construction Contractor is required by the Contract Documents to pay.

d. Fees of testing laboratories for tests required by the Contract Documents, except those related to defective or nonconforming Work for which reimbursement is excluded pursuant to the terms of this Contract.

e. Royalties and license fees paid for the use of a particular design, process or product required by the Contract Documents.

f. Deposits lost for causes other than Construction Contractor's fault or negligence.

g. Legal, mediation and arbitration costs, other than those arising from disputes between Owner and Construction Contractor, reasonably incurred by Construction Contractor in performance of the Work and with Owner's prior written consent, said consent to be given or denied in Owner's sole discretion.

h. Costs reasonably incurred in repairing or correcting damage or nonconforming Work executed by Construction Contractor, or its subcontractors or suppliers, provided that such damage or nonconforming Work was not caused by (i) the negligence or failure to fulfill a specific responsibility of Construction Contractor to Owner set forth in the Contract Documents, or (ii) Construction Contractor's foremen, engineers, superintendents or other supervisory, administrative or managerial personnel, or (iii) the failure of Construction Contractor's personnel to supervise adequately those portions of the Work to be performed by Construction Contractor's subcontractors or suppliers, and only to the extent that the cost of repair or correction is not recoverable by Construction Contractor from (i) insurance or bonds, (ii) any of the subcontractors or suppliers, or (iii) some other appropriate source.

6. **Other Costs.** Other costs incurred in performance of the Work if and to the extent approved in advance in writing by Owner.

B. **Costs Not To Be Reimbursed.** The Cost of the Work shall not include the following items:

1. Salaries and other compensation of Construction Contractor's personnel stationed at Construction Contractor's principal office or offices other than the Project site office.

2. Expenses of Construction Contractor's principal office and offices other than the Project site office.

3. Overhead and general expenses, except as may be expressly included in subsection A above.

4. Construction Contractor's capital expenses, including interest on Construction Contractor's capital employed for the Work.

5. Rental costs of machinery and equipment, except as specifically provided in subsection A.4.b above.

6. Except as expressly provided in subsection A.5.h. above, costs due to the fault or negligence of Construction Contractor, subcontractors, anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, costs for the correction of damaged, defective, or nonconforming Work, disposal and replacement of materials and equipment incorrectly ordered or supplied, and making good damage to property not forming part of the Work.

7. Any costs not specifically and expressly described in subsection A above.

8. Costs which would cause the GMP to be exceeded (as the GMP may be adjusted pursuant to the terms herein for Change Order and Construction Change Directive).

C. **Discounts, Rebates and Refunds**.

1. Cash discounts obtained on payments made by Construction Contractor shall accrue to Owner if (i) before making the payment, Construction Contractor included them in an application for payment and received payment therefor from Owner, or (ii) Owner has deposited funds with Construction Contractor with which to make payments; otherwise, cash discounts shall accrue to Construction Contractor. Trade discounts, rebates, refunds and amounts received from sales of surplus materials and equipment shall accrue to Owner, and Construction Contractor shall make provisions so that they can be secured.

2. Amounts which accrued to Owner in accordance with the provisions of subsection C.1. above shall be credited to Owner as a deduction from the Cost of the Work.

Section 6. Bonds

A. Within ten (10) business days after the GMP is agreed to by Owner and Construction Contractor, Construction Contractor shall provide Owner with Performance and Payment Bonds, in the form prescribed in Exhibits C and D, in the amount of 100% of the total sum of the GMP, the costs of which are to be paid by Construction Contractor. The Performance and Payment Bonds must comply with the following provisions and must be otherwise acceptable to Owner:

1. The Bonds must be underwritten by a surety company which has a currently valid Certificate of Authority issued by the State of Florida, Department of Insurance, authorizing it to write surety bonds in the State of Florida.

2. The surety company shall have currently valid Certificate of Authority issued by the United States Department of Treasury under Sections 9304 to 9308 of Title 31 of the United States Code.

3. The surety company shall be in full compliance with the provisions of the Florida Insurance Code.

4. The surety company shall have at least twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued.

5. The Bonds must be fully performable in Florida, with service and venue in Collier County, Florida.

6. If the GMP exceeds $500,000.00, the surety company shall also comply with the following provisions:

a. The surety company shall have at least the following minimum ratings in the latest issue of Best's Key Rating Guide:

CONTRACT	POLICYHOLDER'S RATING	REQUIRED FINANCIAL RATING
$ 500,000 to 1,000,000	A	CLASS IV
1,000,000 to 2,500,000	A	CLASS V
2,500,000 to 5,000,000	A	CLASS VI
5,000,000 to 10,000,000	A	CLASS VII
10,000,000 to 25,000,000	A	CLASS VIII
25,000,000 to 50,000,000	A	CLASS IX
50,000,000 to 75,000,000	A	CLASS X

b. The surety company shall not expose itself to any loss on any one risk in an amount exceeding ten (10) percent of its surplus to policyholders, provided:

(1) Any risk or portion of any risk being reinsured shall be deducted in determining the limitation of the risk as prescribed in this section. These minimum requirements shall apply to the reinsuring carrier providing authorization or approval by the State of Florida, Department of Insurance to do business in this state have been met.

(2) In the case of a surety insurance company, in addition to the deduction for reinsurance, the amount assumed by any co-surety, the value of any surety deposited, pledged or held subject to the consent of the surety and for the protection of the surety shall be deducted.

B. If the surety for any bond furnished by Construction Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, Construction Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the minimum requirements noted above and Owner's approval.

C. In accordance with the requirements of Section 255.05(1)(a), Florida Statutes, Construction Contractor shall record within 5 days in the Public Records of Collier County, Florida, a copy of the Performance and Payment Bonds. Construction Contractor shall deliver within 10 days to Owner evidence, reasonably acceptable to Owner, of the recording of said Bonds. The delivery of such evidence is a condition precedent to Owner's obligation to make any progress payments to Construction Contractor hereunder.

Section 7. Contract Time and Liquidated Damages

A. Time is of the essence in the performance of the Work under this Contract. The "Pre-Construction Commencement Date" shall be established in a Notice to Proceed to be issued by Owner. Construction Contractor shall commence the Pre-Construction Phase Services portion of the Work within five (5) calendar days after the Pre-Construction Phase Commencement Date. Any Work performed by Construction Contractor prior to the Pre-Construction Phase Commencement Date shall be at the sole risk of Construction Contractor. The "Construction Phase Commencement Date" shall be established in the GMP Amendment. Construction Contractor shall commence the Construction Phase Services portion of the Work within five (5) calendar days after the Construction Phase Commencement Date, which shall be established in a Construction Phase Commencement Notice to Proceed to be issued by Owner. No portion of the Work, with respect to the Construction Phase Services to be provided hereunder, shall be performed prior to the Construction Phase Commencement Notice to Proceed, unless expressly approved in advance by Owner in writing. The total period of time beginning with the Construction Phase Commencement Date and ending on the date of Substantial Completion of the Work is referred to hereafter as the "Contract Time". The Contract Time is set forth with more specificity in Paragraph B below.

B. Because the Work is to be completed in two phases, the timely completion of the first phase is critical to the timely completion of the second phase and, therefore, completion of the entire Project. Accordingly, Construction Contractor agrees to provide the Pre-Construction Phase Services in accordance with the design schedule established pursuant to the terms of the Design Agreement. With respect to the Construction Phase Services, the GMP Amendment shall include the date that portion of the Work associated with the Construction Phase Services must be substantially completed by Construction Contractor. That Substantial Completion date shall be established in terms of calendar days after the Construction Phase Commencement Date. In the event Construction Contractor and Owner fail to reach an agreement on the Contract Time and the Substantial Completion date, Owner may elect to terminate this Contract. In the event of any such termination, Construction Contractor shall be entitled to receive that portion of the Contract Amount attributable to the Pre-Construction Phase Services earned to the date of termination plus that portion of any earned compensation associated with any Construction Phase Services provided, to the extent such services were expressly approved in advance and in writing by Owner; but Construction Contractor shall not be entitled to any further or additional compensation from Owner, including but not limited to damages or lost profits on portions of the Work not performed. Substantial Completion of the Work shall be achieved when the Work has been completed to the point where Owner can occupy or utilize the Work for its intended purpose. Design Professional shall certify the date Substantial Completion of the Work is achieved. If Owner has designated portions of the Work to be turned over to Owner prior to Substantial Completion of the entire Work, Design Professional shall certify the date as to when Substantial Completion of such designated portions of the Work have been achieved. The entire Work shall be fully completed and ready for final acceptance by Owner within sixty (60) calendar days after the Substantial Completion date, or within sixty (60) calendar days after Construction Contractor's receipt of the punch list, whichever date occurs last.

C. Owner and Construction Contractor recognize that, since time is of the essence for this Contract, Owner will suffer financial loss if the Work associated with the Construction

Phase is not substantially completed within the time specified in the GMP Amendment, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify, because this is a public construction project that will, when completed, benefit the public and enhance the delivery of valuable services to the public, in Collier County, Florida. It is hereby agreed that it is appropriate and fair that Owner receive liquidated damages from Construction Contractor, if Construction Contractor fails to achieve Substantial Completion of the Work within the required Contract Time. Should Construction Contractor fail to substantially complete the Work within the required time period, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, that sum specified in the GMP Amendment for each calendar day thereafter until Substantial Completion is achieved. Construction Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of Owner's actual damages at the time of contracting if Construction Contractor fails to substantially complete the Work in a timely manner.

D. When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the laws of Florida, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday. The term "business day" as used herein shall mean all days of the week excluding Saturdays, Sundays and all legal holidays observed by Owner.

Section 8. Exhibits Incorporated

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Supplemental Terms and Conditions
Exhibit C:	Form of Payment Bond
Exhibit D:	Form of Performance Bond
Exhibit E:	Insurance Requirements
Exhibit F:	Form of Release and Affidavit
Exhibit G:	Form of Construction Contractor Application for Payment
Exhibit H:	Form of Change Order
Exhibit I:	Master Project Schedule Milestones
Exhibit J:	Construction Contractor's Staffing Schedule
Exhibit K:	GMP Amendment to Agreement Between Owner and Construction Contractor
Exhibit L:	Truth-In-Negotiation Certificate
Exhibit M:	Final Payment Checklist
Exhibit N:	Scope of Work
Exhibit O:	Schedule of Values

Section 9. Notices

A. All notices required or made pursuant to this Contract by Construction Contractor to Owner shall be in writing and may be given either (i) by mailing same by United States mail with proper postage affixed thereto, certified, return receipt requested, or (ii) by sending same by Federal Express, UPS or other nationally recognized mail or package delivery service, or (iii) by hand delivery to the appropriate address as herein provided. Notices required hereunder shall be directed to the following address:

COLLIER COUNTY
3335 Tamiami Trail E, Naples, FL 34112
ATTENTION: John McCormick
Email and Phone: John.McCormick@Colliercountyfl.gov; 239-252-8380

B. All notices required or made pursuant to this Contract by Owner to Construction Contractor shall be made in writing and may be given either (i) by mailing same by United States mail with proper postage affixed thereto, certified, return receipt requested, or (ii) by sending same by Federal Express, UPS or other nationally recognized mail or package delivery service, or (iii) by hand delivery to the appropriate address as herein provided. Notices required hereunder shall be directed to the following address:

O-A-K/FLORIDA, INC. d/b/a OWEN-AMES-KIMBALL COMPANY
5100 Tamiami Trail N, Suite 103, Naples, FL 34103
ATTENTION: Matthew Zwack, President
Email and Phone: Mzwack@oakfl.com; 239-561-4141 (O); 239-462-7978 (C)

ATTENTION: Ellen Bisogno, Project Director
Email and Phone Ebisogno@oakfl.com; 239-304-9746 (O); 239-225-5108 (C)

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 10. Modification

No modification or amendment to the Contract shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 11. Successors and Assigns

Subject to other provisions hereof, the Contract shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Contract.

Section 12. Governing Law

The Contract shall be interpreted under and its performance governed by the laws of the State of Florida.

Section 13. No Waiver

The failure of Owner to enforce at any time or for any period of time any one or more of the provisions of the Contract shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 14. Entire Agreement

Each of the parties hereto agrees and represents that the Contract comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated, and superseded by the Contract.

Section 15. Severability

Should any provision of the Contract be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 16. Construction

Unless the context of this Contract otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Contract refer to this Contract as a whole and not to any particular provision of this Contract, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Contract and have had the opportunity to be advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Contract shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

Section 17. Public Records

Construction Contractor shall keep all records and supporting documentation, which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Contract or the date the Project is completed or such longer period as may be required by law, whichever is later, pursuant to Florida Public Records Law Chapter 119 and comply with specifically those contractual requirements in 119.0701(2)(a)-(b) as follows:

IF THE CONSTRUCTION CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRUCTION CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Division of Communications, Government and Public Affairs

3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8999
Email: PublicRecordRequest@colliercountyfl.gov

The Construction Contractor must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.

2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Construction Contractor does not transfer the records to the public agency.

4. Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Construction Contractor or keep and maintain public records required by the public agency to perform the service. If the Construction Contractor transfers all public records to the public agency upon completion of the Contract, the Construction Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Construction Contractor keeps and maintains public records upon completion of the Contract, the Construction Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

If the Construction Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Construction Contractor in conjunction with this Contract, then the Owner may, without prejudice to any right or remedy and after giving the Construction Contractor seven (7) days written notice, during which period Construction Contractor still fails to allow access, terminate the employment of the Construction Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Construction Contractor, and may finish the Project by whatever method it may deem expedient. In such case, the Construction Contractor shall not be entitled to receive any further payment until the Project is finished nor shall it be relieved from its continuing obligations hereunder.

Section 18. E-Verify

The Owner shall consider Construction Contractor's employment of unauthorized aliens a violation of section 274A(e) of the Immigration and Nationalization Act, as may be amended. Such violation shall be cause for unilateral cancellation of this Contract.

Immigration and E-Verify: By executing and entering into this Contract, the Construction Contractor is formally acknowledging without exception or stipulation that it is fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the Construction Contractor to comply with the laws referenced herein shall constitute a breach of this Contract and the Owner shall have the discretion to unilaterally terminate this Contract immediately.

Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States including the requirements set forth in Florida Statute, §448.095.

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program is to be used for formal Invitations to Bid ("ITB") and Request for Proposals ("RFP") including professional services and construction services.

The only exceptions to the program:

- Commodity based procurement where no services are provided.
- Where the requirement for the affidavit is waived by the Board of County Commissioners.

Contractors / Bidders are required to enroll in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Contractor's/bidder's proposal. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. The Construction Contractor is also required to provide the Collier County Procurement Services Division an executed affidavit certifying that it shall comply with the E-Verify Program.

Additionally, the Construction Contractor shall require all subcontracted contractors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: http://www.dhs.gov/E-Verify. It shall be the Construction Contractor's responsibility to familiarize themselves with all rules and regulations governing this program.

Construction Contractor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained herein. Failure by the Construction Contractor to comply with the laws referenced herein shall constitute a breach of the Contract and the Owner shall have the discretion to unilaterally terminate said Contract immediately.

[REMAINDER OF PAGE LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto, have each, respectively, by an authorized person or agent, have executed this Agreement on the date and year first written above.

EXHIBIT A
GENERAL TERMS AND CONDITIONS

1. INTENT OF CONTRACT DOCUMENTS

1.1 It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for in the Contract Documents. If the Contract Documents include words or terms that have a generally accepted technical or industry meaning, then such words or terms shall be interpreted to have such standard meaning unless otherwise expressly noted in the Contract Documents. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein. Provided, however, in the event the standard specification, manual, code, law or regulation is changed after the GMP Amendment has been executed by the parties, Construction Contractor shall be entitled to a Change Order equitably adjusting the Contract Amount and/or Contract Time to the extent such change materially impacts the Contract Time and/or Contract Amount.

1.2 If during the performance of the Work Construction Contractor discovers a conflict, error or discrepancy in the Contract Documents, Construction Contractor immediately shall report same to Design Professional in writing, and before proceeding with the Work affected thereby, shall obtain a written interpretation or clarification from Design Professional. Prior to commencing each portion of the Work, Construction Contractor shall first take all necessary field measurements and verify the applicable field conditions. After taking such measurements and verifying such conditions, Construction Contractor shall carefully compare such measurements and conditions with the requirements of the Contract Documents, taking into consideration all other relevant information known to Construction Contractor, for the purpose of identifying and bringing to Owner's attention all conflicts or discrepancies with the Contract Documents.

1.3 Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Contract Document provisions, Construction Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon Construction Contractor, as determined by Owner. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

CAO

2. INVESTIGATION AND UTILITIES

2.1 Construction Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, legal disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Construction Contractor to acquaint itself with any applicable conditions shall not relieve Construction Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Construction Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Construction Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Construction Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Construction Contractor shall be responsible for properly shoring, supporting, and protecting all Utilities at all times during the course of the Work.

2.3 If during the performance of the Work, Construction Contractor or any subcontractor, sub-subcontractor, agent, employee or anyone else for whom Construction Contractor is legally liable, causes a disruption to any Utilities service to other facilities or customers within the Project area, Construction Contractor shall take all actions necessary and required to immediately restore such Utilities service. If Construction Contractor fails to take such immediate actions Owner shall have the right to take whatever actions it deems necessary and required to immediately restore the disrupted services, and all costs incurred by Owner as a result thereof shall be reimbursed to Owner by Construction Contractor within five (5) business days of written demand for same from Owner.

3. SCHEDULE.

3.1 Construction Contractor shall prepare and provide the various schedules set forth in Exhibit B to the Agreement. Said schedules shall include but not be limited to an overall progress schedule for the Project which not only includes the Pre-Construction Phase and Construction Phase Services to be provided by Construction Contractor hereunder, but also shall include Design Professional's performance schedules ("Master Project Schedule").

3.2 The Master Project Schedule and all other schedules required hereunder shall be updated by Construction Contractor as often as is specified in Exhibit B to the Agreement. The Master Project Schedule and all updates to it shall be subject to Owner's and Design Professional's review and comment. Construction Contractor's submittal of a satisfactory Master

Project Schedule and updates thereto and Owner's acceptance of same shall be a condition precedent to Owner's obligation to pay Construction Contractor.

4. PROGRESS PAYMENTS.

4.1 Construction Contractor's monthly Applications for Payment shall be in such form and contain such detail and backup as Owner reasonably may require. Prior to submitting its first monthly Application for Payment, Construction Contractor shall submit to Owner and Design Professional, for their review and approval, a Schedule of Values based upon the lump sum compensation to be paid Construction Contractor for Pre-Construction Phase Services hereunder. After its approval by Owner, that Schedule of Values shall be used as the basis for Construction Contractor's monthly Applications for Payment with respect to Pre-Construction Phase Services. The first Application for Payment shall be submitted no earlier than thirty (30) days after the Pre-Construction Phase Commencement Date. The approved Schedule of Values shall be updated to reflect current Change Orders and Construction Change Directives and submitted each month to Design Professional along with a completed and notarized copy of the Application for Payment form attached to the Agreement as Exhibit G.

4.2 At the time it submits its GMP proposal to Owner, Construction Contractor also shall submit to Owner and Design Professional, for their review, a revised Schedule of Values based upon the GMP proposal; all in C.S.I. format, listing the major elements of the Work and the dollar value for each element. That revised Schedule of Values, as further revised to reflect the final negotiated GMP amount and as approved by Owner, will be attached to the GMP Amendment and shall be used as the basis for Construction Contractor's monthly Applications for Payment thereafter. This revised Schedule of Values shall be updated for the current month Change Orders and Construction Change Directives and submitted each month to Design Professional along with a completed and notarized copy of the Application for Payment form attached to the Agreement as Exhibit G.

4.3 If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that Owner has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect Owner's interest therein, all of which shall be subject to Owner's satisfaction. Owner has the discretion whether or not to pay for such unincorporated materials.

4.4 Construction Contractor shall submit its monthly Application for Payment to Design Professional on or before the 25th day of each month for Work performed during the previous month. Invoices received after the 25th day of each month shall be considered for payment as part of the next month's application. Within seven (7) calendar days after receipt of each Application for Payment, Design Professional shall submit to Owner a Certificate for Payment in the amount recommended by Design Professional as being due and owing Construction Contractor. Owner shall pay Construction Contractor that portion of Design Professional's Certificate for Payment which Owner approves as being due and owing Construction Contractor within thirty (30) calendar days of Owner's receipt of the Certificate for Payment.

4.5 Owner shall withhold retainage on the gross amount of each monthly progress payment in the amount of five percent (5%), as permitted by Section 218.735, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 218.735, Florida Statutes. Any reduction in retainage below the maximum amount set forth in Section 218.735, Florida Statutes, shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until final payment is due unless otherwise agreed to by the Owner in accordance with Section 255.077, Florida Statutes. Any interest earned on retainage shall accrue to the benefit of the Owner. Provided, however, nothing in this Section 4.5 shall preclude or limit the Owner's right to withhold payment as otherwise permitted by the terms of the Contract Documents or as permitted by law.

4.6 Monthly payments to Construction Contractor shall in no way imply approval or acceptance of Construction Contractor's work.

4.7 Each Application for Payment shall be accompanied by a Release and Affidavit, in the form attached to the Agreement as Exhibit F, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested on have been paid in full through the previous month's Application for Payment. Additionally, Construction Contractor shall provide appropriate waivers and releases of lien/claims against the bonds from all subcontractors and suppliers. Owner shall not be required to make payment until and unless these affidavits are furnished by Construction Contractor. Further, if Construction Contractor is withholding any portion of a payment to any subcontractor for any labor, services, or materials for which Owner has paid Construction Contractor, Construction Contractor agrees to refund such money to Owner.

5. PAYMENTS WITHHELD

5.1 Design Professional shall review each Application for Payment submitted by Construction Contractor and shall make recommendations to Owner as to the proper amounts, if any, which may be owed Construction Contractor under the Application for Payment. Design Professional's payment recommendation shall be evidenced by a Certificate for Payment issued by Design Professional to Owner. All Certificates for Payment are subject to Owner's review and approval. Both Design Professional and Owner shall have the right to refuse to certify or approve for payment any amounts, or portions thereof, requested by Construction Contractor in an Application for Payment, or rescind any amount previously certified and approved in a Certificate for Payment, and Owner may withhold any payments otherwise due Construction Contractor under this Contract or any other agreement between Owner and Construction Contractor, to the extent it is reasonably necessary, to protect Owner from any expense, cost or loss attributable to: (a) defective or deficient Work not properly remedied in accordance with the terms of the Contract Documents; (b) the filing or reasonable evidence indicating the probable filing of third party claims against Owner attributable to the fault or neglect of Construction Contractor; (c) Construction Contractor's failure to make timely and proper payments to all subcontractors and suppliers; (d) reasonable evidence that the remaining Work cannot be completed for the unpaid Contract Amount balance; (e) reasonable evidence indicating that the remaining Work cannot be completed within the remaining Contract Time; (f) Construction Contractor's failure to satisfactorily prosecute the Work in accordance with the requirements of the Contract Documents;

or (g) any other material breach of the requirements of the Contract Documents by Construction Contractor. Owner shall have the right, but not the obligation, to take any corrective action Owner deems appropriate to cure any of the above noted items, at Construction Contractor's expense, if such items are not cured by Construction Contractor to Owner's reasonable satisfaction within three (3) days after Construction Contractor's receipt of written notice from Owner.

6. FINAL PAYMENT

6.1 Owner shall make final payment to Construction Contractor within sixty (60) calendar days after the Work is finally accepted by Owner in accordance with Paragraph 23.2 herein, provided that Construction Contractor first, and as an explicit condition precedent to the accrual of Construction Contractor's right to final payment, shall have furnished Owner with a properly executed and notarized final release (conditioned only upon receipt of final payment) in the form of the Release and Affidavit attached to the Agreement as Exhibit F, as well as, a duly executed checklist in the form of the Final Payment Checklist attached to the Agreement as Exhibit M, copy of the surety's consent to final payment, appropriate waivers and releases of lien/claims against the bonds from all subcontractors and suppliers, and such other documentation that may be required by the Contract Documents or Owner.

6.2 Construction Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Construction Contractor against Owner arising out of this Contract or otherwise relating to the Project, except those identified in writing by Construction Contractor as unsettled in the final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Construction Contractor hereunder or to the recovery of damages for defective Work not discovered by Owner or Design Professional at the time of final inspection.

7. SUBMITTALS AND SUBSTITUTIONS

7.1 Construction Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Construction Contractor shall submit all such materials at its own expense and in such form and manner as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof. Construction Contractor shall also carefully review and certify for accuracy and completeness all shop drawings and other submittals and then forward the same to Design Professional for review and action. Design Professional will transmit them back to Construction Contractor who will then issue the submittals to the affected subcontractor for fabrication or revision. Construction Contractor shall maintain a suspense control system to promote the expeditious handling of shop drawings and all other submittals. Construction Contractor shall request Design Professional to make interpretations of the drawings or specifications requested of it by the subcontractors. Construction Contractor shall advise Design Professional in writing which submittals or requests for clarification have the greatest urgency; the purpose being to enable Design Professional to prioritize requests coming from Construction Contractor. Construction Contractor shall advise Owner and Design Professional in writing when timely response is not occurring on any of the above.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner and Design Professional if sufficient information is submitted by Construction Contractor to allow Owner and Design Professional to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Construction Contractor. All such requests, to the extent possible, should be submitted by Construction Contractor to Design Professional prior to the setting of the GMP.

7.3 If Construction Contractor wishes to furnish or use a substitute item of material or equipment, Construction Contractor shall make application to Design Professional for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Construction Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with Owner for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by Design Professional in evaluating the proposed substitute. Design Professional may require Construction Contractor to furnish at Construction Contractor's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by Contract Documents, Construction Contractor may furnish or utilize a substitute means, method, technique, sequence or procedure of construction acceptable to Design Professional, if Construction Contractor submits sufficient information to allow Design Professional to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by Design Professional shall be the same as those provided herein for substitute materials and equipment.

7.5 Design Professional shall be allowed a reasonable time within which to evaluate each proposed substitute. Design Professional and Owner shall be the sole judges of the acceptability of any substitute. No substitute shall be ordered, installed or utilized without Owner's and Design Professional's prior written acceptance which shall be evidenced by either a Change Order or an approved submittal. Owner may require Construction Contractor to furnish at Construction Contractor's expense a special performance guarantee or other surety with respect to any substitute. If Owner rejects the proposed substitute, at Owner's discretion, Owner may require Construction Contractor to reimburse Owner for the charges of Design Professional and Design Professional's consultants for evaluating the proposed substitute.

8. PRE-CONSTRUCTION PHASE SERVICES

Construction Contractor shall provide the following review and commentary services, in addition to any other Pre-Construction Phase Services required by the terms of this Contract:

8.1 Review, Recommendations and Warranty: Construction Contractor shall familiarize itself thoroughly with the evolving architectural, civil, mechanical, plumbing, electrical and structural plans and specifications and shall follow the development of design from Schematic Pre-Construction Phase through Construction Documents Phase (as those phases are defined in the Design Agreement). Construction Contractor shall make recommendations with respect to the selection of systems and materials, and cost-reducing alternatives including assistance to Design Professional and Owner in evaluating alternative comparisons versus long term cost effects. The evaluation shall address the benefits of the speed of erection and early completion of the Work. Construction Contractor shall furnish pertinent information as to the availability of materials and labor that will be required. Construction Contractor shall submit to Owner and Design Professional such comments as may be appropriate concerning construction feasibility and practicality. Construction Contractor shall call to Owner's and Design Professional's attention any defects in the design, drawings and specifications or other documents of which it is aware. Construction Contractor shall prepare estimates of the construction cost utilizing the unit quantity survey method in the CSI format. These estimates shall be performed at the completion of the Program Verification Phase and shall be called the Program Estimate, followed by a Schematic Design Estimate, which shall be followed by the Design Development Estimate, which shall be followed by a 50% Construction Document Estimate, which shall be followed by the setting of the GMP. These estimates shall be performed at or as otherwise detailed in a specific preconstruction scope attachment or exhibit.

8.2 Review Reports: Within ten (10) days after receiving the documents produced by Design Professional, Construction Contractor shall perform a specific review thereof, focused upon factors of a nature encompassed in Paragraph 8.1 above and on factors set out in Paragraphs 8.3 and 8.4 below. Within the same ten (10) day period, Construction Contractor shall submit to Owner, with copies to Design Professional, a written report covering suggestions or recommendations previously submitted, additional suggestions or recommendations as Construction Contractor may deem appropriate, and all actions taken by Design Professional with respect to same, any comments Construction Contractor may deem to be appropriate with respect to separating the Work into separate subcontracts, alternative materials, and any other appropriate or required comments.

AT THE TIME THE GMP IS MUTUALLY ESTABLISHED, EXCEPT ONLY AS TO SPECIFIC MATTERS AS MAY BE IDENTIFIED IN THE GMP AMENDMENT, THE CONSTRUCTION CONTRACTOR SHALL BE DEEMED TO HAVE WARRANTED TO OWNER, WITHOUT ASSUMING ANY ARCHITECTURAL OR ENGINEERING RESPONSIBILITY, THAT THE CONSTRUCTION DOCUMENTS ARE CONSISTENT WITH EACH OTHER, PRACTICAL, FEASIBLE AND CONSTRUCTABLE. FURTHER, THE CONSTRUCTION CONTRACTOR SHALL BE DEEMED TO HAVE WARRANTED TO OWNER THAT THE WORK DESCRIBED IN THE CONSTRUCTION DOCUMENTS FOR THE VARIOUS BIDDING PACKAGES IS CONSTRUCTABLE WITHIN THE CONTRACT TIME.

8.3 Long Lead Procurement: Construction Contractor shall review the Project design for the purpose of identifying long lead procurement items (machinery, equipment, materials, and supplies) and consult with Design Professional concerning same. When each item is identified, Construction Contractor shall notify the subcontractors, Owner and Design Professional of the required procurement and schedule. Such information shall be included in the bid documents and made a part of all affected subcontracts. Construction Contractor shall keep itself informed of the progress of the respective subcontractors or suppliers, manufacturing or fabricating such items, and advise Owner and Design Professional of any problems or possible delays in delivery.

8.4 Interfacing:

8.4.1 Construction Contractor shall take such measures as are appropriate to provide that all construction requirements will be covered in the separate procurement of long lead items, the separate construction subcontractors and the general conditions items without duplication or overlap, and sequenced to maintain completion of all Work on schedule. Particular attention shall be given to provide that each bid package clearly identifies the Work included in that particular separate subcontract, its schedule for start and completion and its relationship to the other separate subcontractors.

8.4.2 Without assuming any design responsibilities of Design Professional, Construction Contractor shall include in the reports required under Paragraph 8.2 above, comments on overlap with any other separate subcontracts, omissions, lack of correlation between drawings, and any other deficiencies noted, in order that Design Professional may arrange for necessary corrections.

9. CONSTRUCTION PHASE SERVICES

Construction Contractor shall provide the following services in addition to any other Construction Phase Services required by the terms of this Contract:

9.1 Construction Contractor shall arrange for all job-site facilities as required by Owner and necessary to enable Construction Contractor and Design Professional to perform their respective duties and to accommodate any representatives of Owner which Owner may choose to have present on the job, the description of such facilities to be finalized prior to the establishment of the GMP.

9.1.1 Tangible personal property, otherwise referred to as job-site facilities, include, but are not limited to such things as trailers, toilets, typewriters, computers, and any other equipment necessary to carry on the Work. The method of acquiring such job-site facilities, which are planned to become the property of Owner at the conclusion of the Work, shall be evaluated based on their cost over the life of the Project. Owning versus leasing shall be considered by Construction Contractor, obtaining at least three (3) proposals for leasing and at least three (3) proposals for purchasing and then analyzing which is least expensive over the usable life of the item. Construction Contractor shall present its evaluation with recommendation to Owner for approval.

9.1.2 When Construction Contractor wishes to supply job-site facilities from its own equipment pool, it shall first evaluate buy versus lease as discussed in subparagraph

9.1.1 above. If leasing is found to be the least expensive approach, then it may lease such job-site facilities from its own equipment pool at a price not greater than the lowest of the three (3) lease proposals obtained.

9.1.3 For all such job-site facilities purchased, which may become the property of Owner at the conclusion of the Work, Construction Contractor shall maintain ownership responsibilities of such facilities until final acceptance of the Work. Reimbursement for cost of such equipment will be made at the conclusion of the Work at the documented purchase price. At that time, Construction Contractor shall provide Owner with a complete inventory for each unit of equipment. The inventory shall describe the equipment and identify the purchase price, serial number, model number and condition. Where said equipment has a title, said title shall be properly transferred to Owner or to its designee.

9.1.4 Construction Contractor is responsible for proper care and maintenance of all equipment while in its control. At the time of transfer to Owner, Owner may refuse acceptance of the equipment if Owner determines, in its sole discretion, that the equipment has not been properly cared for by Construction Contractor or that such acquisition would not otherwise be in the best interest of Owner. In such event, Construction Contractor will be reimbursed for such item in accordance with Section 5 of the Agreement.

9.2 Construction Contractor's administration of the Work shall include the following:

9.2.1 Maintain a log of daily activities, including manpower records, weather, delays, major decisions, etc.

9.2.2 Maintain a roster of companies on the Project with names and telephone numbers of key personnel.

9.2.3 Establish and enforce job rules governing parking, clean-up, use of facilities and worker discipline.

9.2.4 Provide labor relations management for a harmonious, productive Project.

9.3 Construction Contractor also shall provide job site administration functions during construction to assure proper documentation, including but not limited to the following:

9.3.1 Job Meetings: Conduct a preconstruction conference with each subcontractor after award of the subcontract and prior to the start of its portion of the Work. Hold weekly progress and coordination meetings, or more frequently if required by Work progress, to provide for the timely completion of the Work. In addition, Construction Contractor shall arrange and conduct regular monthly Project status meetings with Design Professional and Owner.

Construction Contractor shall use the job site meetings as a tool for the preplanning of Work and enforcing schedules, and for establishing procedures, responsibilities, and identification of authority for all parties to clearly understand. During these meetings,

Construction Contractor shall identify the party or parties responsible for following up on any problems, delay items or questions, and Construction Contractor shall note the action to be taken by such party or parties. Construction Contractor shall revisit each pending item at each subsequent meeting until resolution is achieved. Construction Contractor shall attempt to obtain from all present any problems or delaying event known to them for appropriate attention and resolution.

9.3.2 Shop Drawing Submittals/Approvals: Provide staff to review and approve shop drawings and other submittals and to implement procedures for transmittal to Design Professional of such submittals for action, and closely monitor their review process.

9.3.3 Material and Equipment Expediting: Provide staff to closely monitor material and equipment deliveries, check and follow-up on supplier commitments for all subcontractors and maintain a material and equipment expediting log.

9.3.4 Payments to Subcontractors: Develop and implement a procedure for the review, processing, and payment of applications by subcontractors for progress and final payments.

9.3.5 Document Interpretation: Refer all questions for interpretation of the Contract Documents to Design Professional in writing.

9.3.6 Reports and Project Site Documents: Record the progress of the Work. Submit written progress reports to Owner and Design Professional, including information on subcontractors' Work, and the percentage of completion. Keep a daily log available to Owner, Design Professional, and any permitting authority inspectors.

9.3.7 Subcontractors Progress: Prepare periodic punch lists for subcontractors' work including unsatisfactory or incomplete items and schedules for their completion.

9.3.8 Substantial Completion: Pursuant to the provisions of Paragraph 23.1 of these General Terms and Conditions, ascertain when the Work or designated portions thereof are ready for Design Professional's Substantial Completion inspections. From the punch lists of incomplete or unsatisfactory items prepared by Construction Contractor and reviewed and supplemented by Design Professional, prepare a schedule for their completion indicating completion dates for Owner's review.

9.3.9 Final Completion: Monitor the subcontractors' performance on the completion of the Work and provide notice to Owner and Design Professional when the Work is ready for final inspection. Secure, review and certify compliance with the Contract Documents, then transmit to Owner, through Design Professional, all required guarantees, warranties, affidavits, releases, bonds, waivers, manuals, record drawings, and maintenance books.

9.3.10 Start-Up: With Owner's personnel, direct the check-out of utilities, operations, systems, and equipment for readiness and assist in their initial start-up and testing by the subcontractors.

9.3.11 Record Drawings: Pursuant to the terms of Paragraph 10.2 hereafter, Construction Contractor shall monitor the progress of its own forces and its subcontractors on marked up field prints which shall be developed by Construction Contractor into the final record drawings.

9.4 Construction Contractor shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

9.4.1 Subcontracts and Purchase Orders

9.4.2 Subcontractor Licenses

9.4.3 Shop Drawing Submittal/Approval Logs

9.4.4 Equipment Purchase/Delivery Logs

9.4.5 Contract Drawings and Specifications with Addenda

9.4.6 Warranties and Guarantees

9.4.7 Cost Accounting Records

9.4.8 Labor Costs

9.4.9 Material Costs

9.4.10 Equipment Costs

9.4.11 Cost Proposal Request

9.4.12 Payment Request Records

9.4.13 Meeting Minutes

9.4.14 Cost-Estimates

9.4.15 Bulletin Quotations

9.4.16 Lab Test Reports

9.4.17 Insurance Certificates and Bonds

9.4.18 Contract Changes

9.4.19 Permits

9.4.20 Material Purchase Delivery Logs

9.4.21 Technical Standards

9.4.22 Design Handbooks

9.4.23 "As-Built" Marked Prints

9.4.24 Operating & Maintenance Instruction

9.4.25 Daily Progress Reports

9.4.26 Monthly Progress Reports

9.4.27 Correspondence Files

9.4.28 Transmittal Records

9.4.29 Inspection Reports

9.4.30 Bid/Award Information

9.4.31 Bid Analysis and Negotiations

9.4.32 Punch Lists

9.4.33 PMIS Schedule and Updates

9.4.34 Suspense (Tickler) Files of Outstanding Requirements

9.4.35 Policy and Procedure Manual

The Project files and records shall be available at all times to Owner and Design Professional or their designees for reference, review or copying.

9.5 Construction Contractor shall provide the following services with respect to the Work, to facilitate the smooth, successful, and timely occupancy of the Project by Owner:

9.5.1 Construction Contractor shall provide consultation and Project management to facilitate Owner's occupancy of the Project and provide transitional services to place the Work "on line" in such conditions as will satisfy Owner's operations requirements. The services include Construction Contractor's coordination of the delivery of Owner supplied furniture, fixtures, and equipment for the Project.

9.5.2 Construction Contractor shall catalog operational and maintenance requirements of equipment to be operated by maintenance personnel and convey these to Owner in such a manner as to promote their usability. Construction Contractor shall provide Owner's operations and maintenance personnel with operations and maintenance training with respect to the equipment and systems being provided as part of the Work. This training may be video taped by Owner for subsequent presentation to Owner's operations and maintenance personnel.

9.5.3 Construction Contractor shall secure required guarantees and warranties, and shall assemble and deliver same to Owner in the manner required by Owner.

10. DAILY REPORTS, RECORD CONTRACT DOCUMENTS AND MEETINGS

10.1 Construction Contractor shall prepare, maintain, and submit to Design Professional and Owner, for their review and approval, the various logs, reports, and schedules set forth in Exhibit B to the Agreement. Construction Contractor's complete performance of its obligation to prepare, maintain and submit those logs, reports, and schedules is a condition precedent to Owner's obligation hereunder to make any payments to Construction Contractor. These logs, reports and schedules shall not constitute nor take the place of any notice required to be given by Construction Contractor to Owner or Design Professional pursuant to the Contract Documents.

10.2 Construction Contractor shall maintain in a safe place at the Project site one record copy and one permit set of the Contract Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Construction Change Directive and Field Orders, as well as all written interpretations and clarifications issued by Design Professional, in good order and annotated to show all changes made during construction. The record Contract Documents shall be continuously updated by Construction Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Construction Change Directive and Field Orders, and all concealed and buried installations of piping, conduit, and utility services. Construction Contractor shall certify the accuracy of the updated record Contract Documents. As a condition precedent to Owner's obligation to pay Construction Contractor, Construction Contractor shall provide evidence, satisfactory to Owner and Design Professional, that Construction Contractor is fulfilling its obligation to continuously update the record Contract Documents. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the record Contract Documents as to depth and in relationship to not less than two (2) permanent features (e.g., interior or exterior wall faces). The record Contract Documents shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in red. The record Contract Documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to Owner and Design Professional for reference. Upon completion of the Work and as a condition precedent to Construction Contractor's entitlement to final payment, the record Contract Documents, samples and shop drawings shall be delivered to Design Professional by Construction Contractor for Owner.

10.3 Construction Contractor shall advise Owner, its representatives and Design Professional of their requested or required participation in any meeting or inspection giving each at least one week written notice unless such notice is made impossible by conditions beyond Construction Contractor's fault and control, in which case at least 48 hours prior written notice must be given.

11. CONTRACT TIME AND TIME EXTENSIONS

16C4

11.1 Construction Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Construction Contractor or anyone for whom Construction Contractor is liable. Unless expressly noted otherwise in the Contract Documents, Construction Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents, and the coordination of Owner's suppliers and contractors as set forth in Section 14 herein.

11.2 Should Construction Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Construction Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulation, strikes, lockouts, unusually severe weather conditions by comparison with the ten-year Collier County, Florida, average not reasonably anticipatable, Construction Contractor shall notify Owner and Design Professional in writing within seven (7) calendar days after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Construction Contractor may have had to request a time extension.

11.2.1 Owner shall have the right, at any time, whether or not Construction Contractor is behind schedule, to order Construction Contractor to accelerate its Work. In the event that Owner orders Construction Contractor to accelerate its Work and Construction Contractor (i) is not behind schedule and (ii) believes that acceleration will increase the cost of performance, Construction Contractor, shall be required to submit a Claim for increase pursuant to Section 13 of this Agreement. Any such claim shall be based exclusively and solely on actual and direct increased field costs associated with the acceleration.

11.3 If Construction Contractor encounters on the Project site any materials reasonably believed by Construction Contractor to be petroleum or petroleum related products or other hazardous or toxic substances which have not been rendered harmless, Construction Contractor immediately shall (i) stop Work in the area affected and (ii) report the condition to Owner in writing. If the Work is so stopped and hazardous material is found, the Work in the affected area shall not thereafter be resumed except by Change Order. Any such Change Order shall include, but not be limited to, an adjustment to the Contract Time as appropriate. If no hazardous material is found after the Work is stopped, no Change Order is required to resume the Work in the affected area. Further, if the hazardous material was generated or caused by Construction Contractor or any of its employees, agents, subcontractors, or material suppliers, no Change Order will be required for an adjustment in the Contract Time and Construction Contractor shall indemnify Owner and hold Owner harmless for any costs incurred by Owner with respect to such hazardous material.

11.4 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which

Owner and Design Professional may be responsible, in whole or in part, shall relieve Construction Contractor of its duty to perform or give rise to any right to damages or additional compensation from Owner. Construction Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Construction Contractor's sole remedy, if any, against Owner will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

11.5 In no event shall any approval by Owner authorizing Construction Contractor to continue performing Work under this Agreement or any payment issued by Owner to Construction Contractor be deemed a waiver of any right or claim Owner may have against Construction Contractor for delay damages hereunder.

12. CHANGES IN THE WORK

12.1 Owner shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, but in no event more than fourteen (14) days after its receipt of such notification (unless Owner has agreed in writing to a longer period of time), Construction Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or for minor changes ordered by Design Professional, no addition or changes to the Work shall be made except upon written order of Owner, and Owner shall not be liable to Construction Contractor for any increased compensation or adjustment to the Contract Time without such written order. No officer, employee or agent of Owner is authorized to direct any extra or changed work orally.

12.2 A Change Order, in the form attached as Exhibit H to the Agreement, shall be prepared by Construction Contractor, reviewed by Design Professional and Owner, and executed promptly by the parties after an agreement is reached between Construction Contractor and Owner concerning the requested changes. Construction Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount and Contract Time shall be adjusted in the Change Order in the manner as Owner and Construction Contractor shall mutually agree.

12.3 If Owner and Construction Contractor are unable to agree on a Change Order for the requested change, Construction Contractor shall, nevertheless, promptly perform the change as directed by Owner in a written Construction Change Directive. In that event, the Contract Amount and Contract Time shall be adjusted as directed by Owner. If Construction Contractor disagrees with Owner's adjustment determination, Construction Contractor must make a claim pursuant to Section 13 of these General Conditions or else be deemed to have waived any claim it might otherwise have had on that matter.

12.4 In the event a requested change is approved by Owner which results in either an increase or decrease to the Contract Amount, a Change Order shall be issued which increases or decreases the GMP by the amount of Construction Contractor's actual and reasonable direct Cost of the Work (including bond premiums). In the event such change Work is performed by

subcontractors or sub-subcontractors, a maximum ten percent (10%) markup shall be permitted for all overhead and profit on those subcontractors and sub-subcontractors' direct labor, material, and actual equipment costs. Work performed directly by the Construction Contractor shall not be entitled to any mark-up for Change Order work.

12.5 Owner shall have the right to conduct an audit of Construction Contractor's books and records, as well as those of its subcontractors and suppliers, to verify the accuracy of Construction Contractor's claim with respect to Construction Contractor's costs associated with any Change Order or Construction Change Directive.

12.6 Design Professional may direct Construction Contractor to make nonmaterial changes to the Work, so long as such changes do not require or result in any adjustment to the Contract Amount, Contract Time or Project quality, and are generally within the scope of the Work. All such changes must be evidenced by a written order from Design Professional to Construction Contractor, with a copy to Owner. Construction Contractor shall comply with all such orders.

13. CLAIMS AND DISPUTES

13.1 The term "Claim" as used herein shall mean any and all demands made by one party hereunder against the other party, whether such demand be for money, time or the assertion of any right or obligation that arises out of the Contract Documents.

13.2 Initial notice of Claims by Construction Contractor shall be made in writing to Owner and Design Professional within seven (7) calendar days after the first day of the event giving rise to such Claim or else Construction Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to Owner and Design Professional within thirty (30) calendar days after the occurrence of the event, unless Owner grants additional time in writing, or else Construction Contractor shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Paragraph 12.4 hereof.

13.3 Construction Contractor shall proceed diligently with its performance as directed by Owner, regardless of any pending Claim, unless otherwise agreed to by Owner in writing. Owner shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

13.4 Prior to the initiation of any action or proceeding permitted by this Contract to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Failing resolution, and prior to the commencement of depositions in any litigation between the parties with respect to the Project, the parties shall attempt to resolve the dispute through mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. Should either party fail to submit to mediation as required hereunder, the other party may request a court of law to order mediation under Florida Statutes Section 44.102.

13.5 Any litigation between Owner and Construction Contractor (which term for the purposes of this subparagraph shall include Construction Contractor's surety), whether arising out

of any Claim or arising out of the Contract or any breach thereof, shall be brought, maintained and pursued only in the appropriate State courts of the State of Florida; and Owner and Construction Contractor each hereby waive and renounce any and all rights and options which they, or either of them, have or might have to bring or maintain any such litigation or action in the Federal Court system of the United States or in any United States Federal District Court. Venue of any such litigation between Owner and Construction Contractor shall lie and be only in the appropriate State courts of the State of Florida in and for Collier County, Florida. Construction Contractor consents and submits to the jurisdiction of any such court and agrees to accept service of process from the State of Florida in any matter to be submitted to any such court.

14. OTHER WORK

14.1 Owner may perform other work related to the Project at the site by Owner's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, written notice thereof will be given to Construction Contractor prior to starting any such other work. If Construction Contractor believes that such performance will involve additional expense to Construction Contractor or require additional time, Construction Contractor shall send written notice of that fact to Owner and Design Professional within seven (7) calendar days of being notified of the other work. If Construction Contractor fails to send the above required seven (7) calendar days' notice, Construction Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

14.2 Construction Contractor shall afford each utility owner and other contractor who is a party to such a direct contract (or Owner, if Owner is performing the additional work with Owner's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Construction Contractor shall do all cutting, fitting, and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Construction Contractor shall be responsible for all damage to the work of others caused by the performance of its Work. Further, Construction Contractor shall not in any way cut or alter the work of others without first receiving the written consent of that other person and Design Professional.

14.3 If any part of Construction Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or Owner), Construction Contractor shall inspect and promptly report to Design Professional in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Such report must be made within seven (7) calendar days of the time Construction Contractor first became aware of the delay, defect or deficiency or by the scheduled commencement of Construction Contractor's dependent Work, whichever occurs first. Construction Contractor's failure to report within the allotted time will constitute an acceptance of the other work as fit and proper for integration with Construction Contractor's Work.

15. INSURANCE

15.1 Construction Contractor shall procure and maintain insurance as identified in Exhibit E to the Agreement.

16. WAIVER OF SUBROGATION

16.1 Owner and Construction Contractor waive all rights of subrogation against each other, Design Professional, the Program Manager (if any), and the board members, directors, officers, agents, employees, subconsultants and subcontractors of any of them, for damages or injuries caused by perils covered by any insurance maintained by a party hereunder, to the extent such damages or injuries are covered by such insurance, except no party hereto waives any rights they may have to the proceeds of such insurance held by another party. Construction Contractor shall require similar waivers from all its subcontractors.

16.2 If any policies of insurance referred to in this Section require an endorsement to provide any waiver of subrogation referenced above, the owners of such policies will cause them to be so endorsed.

17. INDEMNIFICATION

17.1 To the maximum extent permitted by Florida law, Construction Contractor shall defend, indemnify and hold harmless Owner and its officers and employees from any and all liabilities, claims, damages, penalties, demands, judgments, actions, proceedings, losses or costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, whether resulting from any claimed breach of this Agreement by Construction Contractor or from personal injury, property damage, or loss of use thereof, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Construction Contractor or anyone employed or utilized by the Construction Contractor in the performance of this Agreement.

17.2 The duty to defend under this Article 17 is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Construction Contractor, Owner and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to Construction Contractor. Construction Contractor's obligation to indemnify and defend under this Article 17 will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the Owner or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

18. CLEANUP AND PROTECTIONS

18.1 Construction Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. If Construction Contractor fails to keep the Project site clean, Owner has the right, after providing a twenty-four (24) hour written notice, to perform any required clean up and to backcharge Construction Contractor for the costs of such clean up. At the completion of the Work, Construction Contractor shall remove all debris, rubbish, and waste materials from and about the Project site, as well as all tools, appliances,

construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by Owner.

18.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Construction Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Construction Contractor to condition at least equal to that existing at the time of Construction Contractor's commencement of the Work.

19. ASSIGNMENT

19.1 Construction Contractor shall not assign this Contract or any part thereof, without the prior consent in writing of Owner. If Construction Contractor does, with approval, assign this Contract or any part thereof, it shall require that its assignee be bound to it and to assume toward Construction Contractor all of the obligations and responsibilities that Construction Contractor has assumed toward Owner.

20. PERMITS, LICENSES AND TAXES

20.1 All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Construction Contractor. Permits and licenses to be acquired by Construction Contractor with the assistance of Design Professional include, but are not limited to, building, site and utility permits, as well as all Health Department (DER) permits required for the construction or relocation of Collier County water and/or sanitary sewer lines and facilities, to the extent such water and/or sewer work is included in this Contract. If Construction Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Construction Contractor shall bear all costs arising therefrom. Construction Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work. All costs incurred by Construction Contractor with respect to performing its obligations under this Paragraph 20.1 shall be considered a direct cost item and shall be considered reimbursable as Cost of the Work as provided for in the Agreement. Owner shall fully cooperate with Construction Contractor where necessary.

20.2 Construction Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. Additionally, Construction Contractor shall comply with and fully implement the sales tax savings program with respect to the Work, as set forth below in Paragraph 20.3.

20.3 Sales Tax Savings and Direct Purchase Program. Construction Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. No markup shall be applied to sales tax. Construction Contractor shall comply with and fully implement the sales tax savings program with respect to the Work, as set forth in Paragraph 20.3.1 below.

20.3.1 Notwithstanding anything herein to the contrary, because Owner is exempt from sales tax and may wish to generate sales tax savings for the Project, Owner reserves the right to make direct purchases of various construction materials and equipment

included in the Work ("Direct Purchase"). Owner shall prepare purchase orders to vendors selected by Construction Contractor, for execution by Owner, on forms provided by Owner. Construction Contractor shall allow two (2) weeks for execution of all such purchase orders by Owner. Construction Contractor represents and warrants that it will use its best efforts to cooperate with Owner in implementing this sales tax savings program in order to maximize cost savings for the Project. Adjustments to the Contract Amount will be made by appropriate Change Orders for the amounts of each Owner Direct Purchase, plus the saved sales taxes. A Change Order shall be processed promptly before each Direct Purchase, or group of similar or related Direct Purchases, unless otherwise mutually agreed upon between Owner and Construction Contractor. With respect to all Direct Purchases by Owner, Construction Contractor shall remain responsible for coordinating, ordering, inspecting, accepting delivery, storing, handling, installing, warranting and quality control for all Direct Purchases. Notwithstanding anything herein to the contrary, Construction Contractor expressly acknowledges and agrees that all Direct Purchases shall be included within and covered by Construction Contractor's warranty to Owner to the same extent as all other warranties provided by Construction Contractor pursuant to the terms of the Contract Documents. In the event Owner makes a demand against Construction Contractor with respect to any Direct Purchase and Construction Contractor wishes to make claim against the manufacturer or supplier of such Direct Purchase, upon request from Construction Contractor Owner shall assign to Construction Contractor any and all warranties and Contract rights Owner may have from any manufacturer or supplier of any such Direct Purchase by Owner.

20.3.2 Construction Contractor represents and warrants that it is aware of its statutory responsibilities for sales tax under Chapter 212, Florida Statutes, and for its responsibilities for Federal excise taxes. Owner is exempt from the payment of Florida Sales Tax under F.S. Chapter 212 and can provide the Construction Contractor a copy of its Certificate of Exemption upon request.

20.3.3 The GMP shall only include those taxes that are legally enacted at the time the GMP is established and are the lawful responsibility of the Owner.

20.3.4 Any and all administrative costs incurred by the Construction Contractor to administer the purchase in the name of the Owner shall be considered to be included in the GMP as part of the staff cost included in the General Conditions. No addition shall be added to the Contract Amount because of the service provided by Construction Contractor in the purchase of property, materials, etc., in the name of the Owner.

20.3.5 The Owner's sales tax savings program shall be administered in accordance with the terms and conditions provided herein. Construction Contractor's contracts with trade subcontractors shall include the provisions for the Owner's sales tax savings program.

20.3.6 Construction Contractor shall be responsible for negotiating, coordinating production schedules with vendor(s), inspecting, accepting delivery, storing, handling, installing, and quality control for the materials/equipment purchased hereunder. Without limiting the generality of the foregoing, the purchase of material/equipment by Owner

shall not amend, alter or modify the obligations of Construction Contractor under this Agreement with respect to scheduling, inspecting, accepting deliveries, storing, handling, installing and quality control of the direct purchase materials/equipment.

20.3.7 Within sixty (60) days of Construction Contractor and Owner agreeing on the GMP, Construction Contractor shall provide Owner's Representative with a written list of vendors, materials/equipment, quantities and costs for items which Construction Contractor proposes Owner purchase directly pursuant to the terms hereof. Construction Contractor shall select qualified vendors as part of the GMP/trade package review process for all such direct purchase materials/equipment.

20.3.8 Owner's Representative will review the list provided by Construction Contractor and inform Construction Contractor of the acceptability of individual items and of Owner's intention to proceed or not proceed with direct purchases. If Owner intends to proceed with direct purchases, Construction Contractor will provide a revised list (if necessary) to the Owner's Representative's satisfaction and shall assist Owner's staff, designees, and key personnel in preparing and issuing purchase orders for the direct purchase items.

20.3.9 Purchase orders for direct purchase items shall be prepared by Owner and issued directly to the vendor(s) within two (2) weeks after request from Construction Contractor.

20.3.10 Before the issuance of each purchase order for material/equipment, the Construction Contractor shall issue a corresponding deductive Change Order(s) reducing the GMP by an amount equal to the cost of the material/equipment, including sales tax, included in the original GMP and to avoid project delays, such deductive Change Orders will not require approval by the Board of County Commissioners.

20.3.11 Construction Contractor will quantify ordering, coordinate submittals, fabrication and delivery of all direct purchase items. Construction Contractor will inspect, receive, and store all direct purchase items at the Project site. Upon inspection and possession by the Construction Contractor, the direct purchase items shall be deemed incorporated into the Project and become the full responsibility of the Construction Contractor.

20.3.12 Owner's Representative will have each vendor forward to Construction Contractor a duplicate invoice for direct purchases. Upon receipt of such invoice, Construction Contractor shall promptly review and approve or reject (with reason in writing for such rejection). The Construction Contractor will document receipt of goods received within five (5) business days to Owner.

20.3.13 Title to any materials/equipment purchased pursuant to the terms hereof shall vest in the Owner upon receipt from a vendor. Owner shall bear risk of loss for any materials purchased pursuant to the terms hereof commencing upon delivery of the materials to the Owner by the vendor and terminating when the materials/equipment are incorporated into the Project. Upon incorporation into the Project of such materials,

Construction Contractor shall bear sole cost and responsibility for remedy of defective materials or damage during the course of construction.

20.3.14 Owner shall obtain such insurance as the Owner deems necessary, at the Owner's sole cost and expense, to insure the Owner for the full replacement cost of any materials purchased by the Owner pursuant to the terms hereof until such materials are incorporated in the Project.

20.3.15 Construction Contractor shall be entitled to a Construction Contractor's Fee for the value of all direct purchase materials and equipment purchased by Owner under this Paragraph 20.3, plus any General Conditions costs and insurance premiums associated therewith.

20.3.16 Upon incorporation into the Project by Construction Contractor, all direct purchase materials equipment purchased by Owner pursuant to this Paragraph 20.3 shall be subject to and covered by the insurance, bonds and warranties provided by Construction Contractor to Owner under this Agreement and all warranties provided under purchase orders.

20.3.17 Nothing contained within this Paragraph 20.3 shall create or be construed as creating a partnership between the Owner and Construction Contractor or to constitute the Construction Contractor as an agent of the Owner.

21. TERMINATION FOR DEFAULT

21.1 Construction Contractor shall be considered in material default of the Contract and such default shall be considered cause for Owner to terminate the Contract, in whole or in part, as further set forth in this Article, if Construction Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by Owner or Design Professional or as provided for in the approved Master Project Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work contrary to the requirements of the Contract; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) fails to promptly pay its subcontractors and suppliers; or (11) materially breaches any other provision of the Contract Documents.

21.2 If Owner determines that Construction Contractor is in default under this Contract, Owner shall notify Construction Contractor in writing of Construction Contractor's default(s). If Owner determines that Construction Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Construction Contractor of said written notice, then Owner, at its option, without releasing or waiving its rights and remedies against Construction Contractor's sureties and without prejudice to any other right or remedy it

CAO

may be entitled to hereunder or by law, may terminate Construction Contractor's right to proceed under the Contract, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Construction Contractor, take assignments of any of Construction Contractor's subcontracts and purchase orders that Owner may designate, and complete all or any portion of Construction Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose. In making either the initial determination that Construction Contractor is in default under this Contract or the subsequent determination that Construction Contractor has failed to satisfactorily cure its default, Owner may rely solely upon Design Professional's certification to Owner that in Design Professional's opinion Construction Contractor is in default or has failed to satisfactorily cure its default.

21.3 If Owner deems any of the foregoing remedies necessary, Construction Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Work is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the unpaid balance of the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Construction Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by Owner to complete the Work, Construction Contractor shall not be entitled to any portion of such excess, except for the unpaid portion of the Construction Management Fee earned and the Cost of Work incurred prior to Construction Contractor's right to continue performance under this Contract being terminated. Any amounts to be paid to Owner by Construction Contractor pursuant to this Paragraph 21.3 shall be certified by Design Professional, upon application, and this obligation for payment shall survive termination of the Contract.

21.4 The liability of Construction Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder. Further, in the event Owner has exercised its right to terminate due to Construction Contractor's default, Construction Contractor shall be prohibited from bidding or otherwise seeking additional work from Owner in accordance with Owner's then current debarment policy.

21.5 If, after notice of termination of Construction Contractor's right to proceed pursuant to this Article, it is determined for any reason that Construction Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Construction Contractor provided herein, then such termination shall be deemed a termination for Owner's convenience and Construction Contractor's remedies against Owner shall be the same as and limited to those afforded Construction Contractor under Paragraph 22.1 below.

22. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

22.1 Owner shall have the right to terminate this Contract without cause upon seven (7) calendar days written notice to Construction Contractor. In the event of such termination for convenience, Construction Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Construction Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

22.2 Owner shall have the right to suspend all or any portions of the Work upon giving Construction Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Construction Contractor's sole and exclusive remedy shall be to seek an extension to the Contract Time in accordance with the procedures set forth in the Contract Documents. In no event shall Construction Contractor be entitled to any additional compensation or damages except as otherwise expressly provided for in the Contract Documents. Provided, however, if the ordered suspension exceeds ninety (90) calendar days, Construction Contractor shall have the right to terminate the Contract with respect to that portion of the Work which is subject to the ordered suspension.

23. COMPLETION

23.1 When the entire Work (or any portion thereof designated in writing by Owner) is ready for its intended use, Construction Contractor shall notify Owner and Design Professional in writing that the entire Work (or such designated portion) is substantially complete and request that Design Professional issue a Certificate of Substantial Completion (or Certificate of Partial Substantial Completion). Said written notice from Construction Contractor shall include a proposed punch list of all items of Work to be completed or corrected by Construction Contractor. Within a reasonable time thereafter, Owner, Construction Contractor and Design Professional shall make an inspection of the Work (or designated portion thereof) to determine the status of completion. If Owner and Design Professional do not consider the Work (or designated portion) substantially complete, Design Professional shall notify Construction Contractor in writing giving the reasons therefor. In such case, Construction Contractor shall pay the costs of all additional Substantial Completion inspections. If Owner and Design Professional consider the Work (or designated portion) substantially complete, Design Professional shall prepare and deliver to Construction Contractor a Certificate of Substantial Completion (or Certificate of Partial Substantial Completion) which shall fix the date Substantial Completion for the entire Work (or designated portion thereof) is actually achieved by Construction Contractor and include a final punch list of items to be completed or corrected by Construction Contractor before final payment. Such final punch list shall be in compliance with the Contract Documents and all applicable laws. Accordingly, Design Professional shall provide the final punch list to Construction Contractor within seven calendar days after Construction Contractor has achieved Substantial Completion. Construction Contractor acknowledges and agrees that the failure to include any corrective work or pending items not yet completed on the punch list does not alter the responsibility of Construction Contractor to complete all the Work required under this Contract and does not waive Owner's right to demand completion of the item pursuant to the Contract Documents prior to or after final payment. Additionally, if this Agreement involves Work on more than one building or

structure, or involves a multi-phased Project, a punch list shall be developed in accordance with the timelines set forth in this paragraph for each building, structure, or phase of the Project. Owner shall have the right to exclude Construction Contractor from the Work and Project site (or designated portion thereof) after the date of Substantial Completion (or Partial Substantial Completion), but Owner shall allow Construction Contractor reasonable access to complete or correct items on the final punch list.

23.2 When Construction Contractor believes it has fully performed all of the Work, including all punch list items, Construction Contractor shall deliver to Owner a written affidavit from Construction Contractor certifying that all Work has been completed in accordance with the requirements of the Contract Documents. That written affidavit shall be delivered to Owner by Construction Contractor at the same time it submits its final Application for Payment. After receipt of such affidavit, the final Application for Payment and all other documents required for Project close-out, Design Professional and Owner shall promptly inspect the Work to determine if all of the Work has been completed and is ready for final acceptance by Owner. If Owner and Design Professional determine Construction Contractor has completed the entire Work, Design Professional shall promptly issue a final Certificate for Payment, stating that, to the best of its knowledge, information and belief, and on the basis of its observations and inspections: (i) all of the Work has been completed in accordance with the requirements of the Contract Documents; (ii) the final balance due Construction Contractor, as noted in the final Certificate for Payment, is due and payable; and (iii) all conditions precedent to Construction Contractor's entitlement to final payment have been satisfied. Neither the final payment nor the retainage shall become due and payable until Construction Contractor submits: (1) the final Release and Affidavit in the form attached to the Agreement as Exhibit F, along with waivers and releases of lien/claims against bonds from all subcontractors and suppliers, (2) consent of surety to final payment, and (3) if required by Owner, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by Owner. Owner reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though Design Professional may have issued its recommendations. Unless and until Owner is completely satisfied, neither the final payment nor the retainage shall become due and payable.

24. WARRANTY

24.1 Construction Contractor shall obtain and assign to Owner all express warranties given to Construction Contractor by any subcontractors or by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project. Construction Contractor expressly warrants to Owner that all materials and equipment to be incorporated into the Work shall be new unless otherwise specified. Further, Construction Contractor expressly warrants to Owner that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Construction Contractor further warrants to Owner that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. Further, any special warranty to be provided will be in such form as is acceptable to Owner and shall not include any exclusions, exceptions or modifications except to the extent approved by Owner in its sole discretion. In addition to all other rights and remedies available to Owner at law

or in equity, including any implied warranties Owner may be entitled to as a matter of law, Construction Contractor expressly warrants to Owner that it shall promptly correct, upon receipt of written notice from Owner, any portion of the Work which is found to be defective or otherwise not in conformance with the requirements of the Contract Documents. In the event that any defective or non-conforming work is deemed by Owner in its sole discretion to present an immediate threat to safety or security, Owner shall be entitled to correct and fix such defective or non-conforming portions of the Work, and Construction Contractor shall reimburse Owner for all costs and expenses incurred by Owner in performing such Work. This obligation to correct defective or nonconforming Work shall run for a period of one year (or such longer period of time as may otherwise be specified in the Contract Documents) commencing from the date Substantial Completion is achieved. With respect to the correction of any defective or nonconforming Work, Construction Contractor shall be liable for all damage to any part of the Work itself and to any adjacent property which is caused by such corrective work. Construction Contractor shall conduct, jointly with Owner and Design Professional, a warranty inspection at six (6) months and eleven (11) months after the date Substantial Completion is achieved. Construction Contractor's warranty excludes remedy for damage or defect caused by Owner's abuse, modifications not performed by Construction Contractor, improper or insufficient maintenance by Owner (unless such maintenance was performed in accordance with the directions from Construction Contractor), improper operation by Owner (unless such operations were performed in accordance with the directions from Construction Contractor), or normal wear and tear under normal usage.

25. TESTS AND INSPECTIONS

25.1 Owner, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection, and testing. Construction Contractor shall provide proper, safe conditions for such access. Construction Contractor shall provide Design Professional and Owner's Uniform Building Construction Inspector with timely prior written notice (at least 48 hours) of the readiness of the Work for all required inspections, tests or approvals.

25.2 If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Construction Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish Design Professional the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to Owner and Design Professional.

25.3 If any Work that is to be inspected, tested or approved pursuant to the Contract Documents is covered without such inspection, testing or approval having been satisfactorily obtained by Construction Contractor and without obtaining the written concurrence from Design Professional, such Work must, if requested by Design Professional, be uncovered for observation. Such uncovering shall be at Construction Contractor's expense unless Construction Contractor has given Design Professional 48 hours written notice of Construction Contractor's intention to cover the same and has requested written concurrence by Design Professional and Design Professional has not acted with reasonable promptness to respond to such notice and request. If any Work is covered contrary to written directions from Design Professional, such Work must, if

requested by Design Professional, be uncovered for Design Professional's observation, and be replaced at Construction Contractor's sole expense.

25.4 Owner shall charge to Construction Contractor and may deduct from any payments due Construction Contractor all engineering and inspection expenses incurred by Owner in connection with any overtime work unless such overtime work was expressly requested by Owner and Construction Contractor was on schedule. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday or holidays.

25.5 Neither observations by Design Professional or Owner, nor inspections, tests or approvals by others shall relieve Construction Contractor from Construction Contractor's obligations to perform the Work in accordance with the Contract Documents.

25.6 Construction Contractor is responsible, without reimbursement from Owner, for re-inspection fees and costs, to the extent such re-inspections are due to the fault or neglect of Construction Contractor.

25.7 Construction Contractor shall only use a certified independent testing and balancing services contractor to perform "Test and Balance" (T&B) services for this project. The T&B contractor shall be completely independent of the Construction Contractor's mechanical and ventilating subcontractor(s). Construction Contractor shall be responsible for coordinating mechanical/ventilating (HVAC) work, including HVAC control systems and T&B work.

25.8 T&B Submittal Requirement: Completed T&B report shall be delivered by Construction Contractor to Owner at Substantial Completion.

25.9 In addition to all other inspection obligations of Construction Contractor under the Contract Documents, Construction Contractor shall provide structural inspections on threshold buildings pursuant to a structural inspection plan prepared by the Design Professional. The term "threshold building" as used herein shall have the meaning prescribed in the Florida Building Code. The purpose of the structural inspection plan is to provide specific inspection requirements, procedures and schedules so the building's structure can be adequately inspected for compliance with the applicable Contract Documents. Inspection of the shoring and reshoring for conformance with the shoring and reshoring plans is also required. The threshold building inspection shall be performed by a threshold inspector, certified by the State of Florida, and approved by Owner. Construction Contractor shall promptly provide to Owner and Design Professional copies of all threshold building inspection reports.

26. DEFECTIVE WORK

26.1 Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by Owner or Design Professional, Construction Contractor shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by Owner or Design Professional, remove it from the site and replace it with non-defective Work. Construction Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited

to fees and charges of engineers, architects, attorneys, and other professionals) made necessary thereby, and shall hold Owner and Design Professional harmless for same.

26.2 If Owner or Design Professional consider it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others, Construction Contractor, at Design Professional's or Owner's request, shall uncover, expose or otherwise make available for observation, inspection or tests as Owner or Design Professional may require, that portion of the Work in question, furnishing all necessary labor, material, and equipment. If it is found that such Work is defective, Construction Contractor shall bear all direct, indirect, and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and Owner shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Construction Contractor shall be allowed an increase in the Contract Amount and/or an extension to the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

26.3 Owner shall have the right to order Construction Contractor to stop all or any portion of the Work if at any time Owner reasonably determines that Construction Contractor's performance of the Work is not in compliance with the requirements of the Contract Documents. Such noncompliance shall include, but is not limited to, Construction Contractor's failure to provide adequate labor, materials or equipment to satisfactorily maintain the various Project schedules (including the Master Project Schedule). This right to stop the Work shall be exercised, if at all, solely for Owner's benefit and nothing herein shall be construed as obligating Owner to exercise this right for the benefit of Construction Contractor or any other person.

26.4 Should Owner determine, at its sole opinion, it is in Owner's best interest to accept defective Work, Owner may do so. Construction Contractor shall bear all direct, indirect and consequential costs attributable to Owner's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If Owner accepts such defective Work after final payment, Construction Contractor shall promptly pay Owner an appropriate amount determined by Owner to adequately compensate Owner for its acceptance of the defective Work.

26.5 If Construction Contractor fails, within a reasonable time after the written notice from Owner or Design Professional, to correct defective Work or to remove and replace rejected defective Work as required by Owner or Design Professional, or if Construction Contractor fails to perform the Work in accordance with the Contract Documents, or if Construction Contractor fails to comply with any of the provisions of the Contract Documents, Owner may, after seven (7) days' written notice to Construction Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, Owner may exclude Construction Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Construction Contractor's services related thereto, take possession of Construction Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which Owner

has paid Construction Contractor but which are stored elsewhere. Construction Contractor shall allow Owner, Design Professional and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable Owner to exercise the rights and remedies under this Paragraph. All direct, indirect and consequential costs of Owner in exercising such rights and remedies shall be charged against Construction Contractor, and a Change Order or a Construction Change Directive shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of Construction Contractor's defective Work. Construction Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by Owner of Owner's rights and remedies hereunder.

27. SUPERVISION AND CONSTRUCTION CONTRACTOR'S REPRESENTATIVE

27.1 Construction Contractor is responsible for supervising, coordinating and performing the Work with such care and skill as would be provided by a contractor with extensive and special expertise in the type of work required under the Contract Documents. Construction Contractor is responsible for completing the Work so that it complies accurately and completely with the requirements of the Contract Documents. Construction Contractor shall keep on the Work at all times during its progress a competent resident representative who shall not be replaced without prior written notice to Owner and Design Professional except under extraordinary circumstances. The representative shall have authority to act on behalf of Construction Contractor. All communications given to the representative shall be as binding as if given to Construction Contractor. Owner shall have the right to direct Construction Contractor to remove and replace its Project representative or any other employee of Construction Contractor or any employee of any subcontractor from this Project, with or without cause.

27.2 Construction Contractor shall maintain sufficient off-site support staff, and competent full time staff at the Project site authorized to act on behalf of Construction Contractor to coordinate, inspect and provide general direction of the Work and progress of the subcontractors. Construction Contractor shall provide no less than those personnel during the respective phases of construction that are set forth in Exhibit J to the Agreement. Construction Contractor shall not change any of those persons identified in Exhibit J unless mutually agreed to in writing by Owner and Construction Contractor. In such case, Owner shall have the right to approve the replacement personnel.

27.3 Construction Contractor shall establish and maintain lines of authority for its personnel, and shall provide this information to Owner and all other affected parties, such as the code inspectors of any permitting authority, the subcontractors, and Design Professional. Owner and Design Professional may attend meetings between Construction Contractor and its subcontractors; however, such attendance is optional and shall not diminish either the authority or responsibility of Construction Contractor to administer the subcontracts.

27.4 Construction Contractor shall be responsible to Owner for the acts and omissions of its employees and agents and its subcontractors, their agents and employees, and all other

persons performing any of the Work or supplying materials under a contract to Construction Contractor. Construction Contractor shall develop and maintain a program, acceptable to Owner and Design Professional, to assure quality control of the Work. Construction Contractor shall supervise the Work of all subcontractors, providing instructions to each when their portion of the Work does not conform to the requirements of the Contract Documents and Construction Contractor shall continue to exert its influence and control over each subcontractor to ensure that corrections are made in a timely manner so as to not affect the efficient progress of the Work. Should a disagreement occur between Construction Contractor and Design Professional over the acceptability of the Work, Owner, in its sole discretion, shall have the right to determine the acceptability.

27.5 Construction Contractor shall not employ on this Project any person who has been convicted of a felony or misdemeanor-level criminal charge regarding sexual abuse or misconduct, nor permit any subcontractor to assign any employee of it to this Project who has been convicted of a felony or misdemeanor-level criminal charge regarding sexual abuse or misconduct.

28. PROTECTION OF WORK

28.1 Construction Contractor shall fully protect the Work and adjacent property from loss or damage and shall bear the cost of any such loss or damage until Substantial Completion is achieved. If Construction Contractor or anyone for whom Construction Contractor is legally liable is responsible for any loss or damage to the Work, or other work or materials of Owner or Owner's separate contractors, Construction Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Construction Contractor.

28.2 Construction Contractor shall ascertain what temporary enclosures, if any, of building areas, including existing facilities, should be provided for and may be provided as a practical matter, in order to assure orderly progress of the Work and to protect and secure the Work and existing facilities, in periods when extreme weather conditions are likely to be experienced.

28.3 Construction Contractor shall not permit any unsafe loading of any structure at the Project site, nor shall Construction Contractor subject any part of the Work or adjacent property to any forces that will endanger it.

28.4 Construction Contractor shall not disturb any benchmark established by Owner with respect to the Project. If Construction Contractor, or its subcontractors, agents or anyone for whom Construction Contractor is legally liable, disturbs Owner's benchmarks, Construction Contractor shall immediately notify Owner and Design Professional. Owner shall have the benchmarks reestablished and Construction Contractor shall be liable for all costs incurred by Owner associated therewith.

29. EMERGENCIES

29.1 Construction Contractor shall take immediate action to prevent injury to any person or damage to any property (including the Work and any adjacent property) which

otherwise might arise from an emergency event at the Project site. Construction Contractor shall give Design Professional written notice within forty-eight (48) hours after the occurrence of the emergency, if Construction Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby. If Design Professional determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Construction Contractor fails to provide the forty-eight (48) hour written notice noted above, Construction Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time. Construction Contractor is obligated to promptly report in writing to Owner all accidents relating to the Work that result in any personal injury or property damage.

30. USE OF PREMISES

30.1 At all times during the performance of the Work, Construction Contractor shall keep all of its operations, (including, but not limited to, the use and storage of all equipment and materials), within the Project site or such other areas as may be permitted by the Contract Documents. Construction Contractor shall not use the Project site in any manner that is unreasonably burdensome or otherwise inconsistent with Owner's interest. Construction Contractor is responsible for any damage to any such area, or to the owner or occupant thereof, or any areas contiguous thereto, resulting from the performance of the Work.

30.2 Except as required by the Contract Documents or otherwise required in order for Construction Contractor to satisfy its safety and security obligations under the Contract Documents, Construction Contractor shall not erect or install, nor shall it permit any of its subcontractors, suppliers, subconsultants or any other party for whom it is legally responsible to erect or install, any signage upon the Project site or any other property of Owner, unless such signage has been expressly approved in writing by Owner, which approval may be withheld by Owner in its sole discretion.

30.3 Construction Contractor acknowledges that Work may be performed at a particular Project site where Owner simultaneously is conducting and continuing its operations upon the same site. In such event, Construction Contractor shall coordinate its Work so as to cause no unreasonable interference with or disruption to Owner's operations.

30.4 Owner may take early occupancy of all or any portions of the Work, at Owner's election, by designating in writing to Construction Contractor the specific portions of the Work to be occupied and the date such occupancy shall commence. If any such specific early occupancy was not expressly identified at the time the GMP was established and such early occupancy negatively impacts Construction Contractor's cost or time of performance, Construction Contractor shall be entitled to an equitable adjustment to the Contract Amount and the Contract Time, all in accordance with the other terms and conditions of the Contract Documents.

31. SAFETY

31.1 Construction Contractor is responsible for the safety and protection of all persons and property on or about the Project site during the progress of the Work. Further, it is

Construction Contractor's responsibility to protect from damage or loss all material and equipment to be incorporated into the Work which may be stored off the Project site. Construction Contractor shall develop and implement, in accordance with the requirements of the Contract Documents, (including those contained within the various documents identified in Exhibit E to the Agreement), a safety plan for the Work.

31.2 Construction Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of Owner and any public body having jurisdiction over the Work, including all of their safety codes, laws, ordinances, rules, and regulations. Construction Contractor shall notify owners of adjacent property and of any underground structures or improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Construction Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by Owner has occurred.

31.3 At all times during the performance of the Work at the Project site, Construction Contractor shall have designated, and located on a full time basis at the Project site, a qualified individual whose responsibility shall be to monitor and enforce Construction Contractor's safety program at the Project site. Construction Contractor hereby designates its superintendent as that safety representative. Construction Contractor may designate by written notice to Owner another individual, reasonably acceptable to Owner, who shall be Construction Contractor's safety representative at the Project site.

31.4 Alcohol, drugs, and all illegal substances are strictly prohibited on any Owner property. All employees of Construction Contractor, as well as those of all subcontractors and those of any other person or entity for whom Construction Contractor is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any Owner property. Further, Employees shall not bring on to any Owner property any gun, rifle or other firearm, or explosives of any kind.

31.5 Construction Contractor acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing Owner facility. In such event, Construction Contractor shall comply with the following:

31.5.1 All Owner facilities are smoke free. Smoking is strictly prohibited;

31.5.2 All Employees shall be provided an identification badge by Construction Contractor. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must sign in and out with Construction Contractor each day;

31.5.3 Construction Contractor shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of Owner's property without Owner's expressed prior written consent;

31.5.4 All Employees are prohibited from distributing any papers or other materials upon Owner's property, and are strictly prohibited from using any of Owner's telephones or other office equipment;

31.5.5 All Employees shall at all times comply with OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct and facility regulations issued by Owner's officials onsite, as said regulations may be changed from time to time;

31.5.6 All Employees shall enter and leave Owner's facilities only through the ingress and egress points identified in the site utilization plan approved by Owner or as otherwise designated, from time to time, by Owner in writing;

31.5.7 When requested, Construction Contractor shall cooperate with any ongoing Owner investigation involving personal injury, economic loss or damage to Owner's facilities or personal property therein;

31.5.8 The Employees may not solicit, distribute or sell products while on Owner's property. Friends, family members or other visitors of the Employees are not permitted on Owner's property; and

31.5.9 At all times Construction Contractor shall adhere to Owner's safety and security regulations, and shall comply with all security requirements at Owner's facilities, as said regulations and requirements may be modified or changed by Owner from time to time.

32. PROJECT MEETINGS

32.1 Prior to the commencement of Work, Construction Contractor shall attend a preconstruction conference with Owner and Design Professional and others as appropriate to discuss the Master Project Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, Construction Contractor shall attend any and all meetings convened by Owner or Design Professional with respect to the Project, when directed to do so by Owner or Design Professional. Construction Contractor shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by Owner or Design Professional.

33. MATERIAL SAFETY DATA SHEET

33.1 If any chemicals, materials, or products containing toxic substances, as defined by 29 C.F.R. 1910, Subpart Z or any local, state or federal statutes or regulations, are contained in the products used on site or incorporated into the construction by Construction Contractor or any of its subcontractors, Construction Contractor shall provide to Design Professional and Owner a Material Safety Data Sheet at the time of each delivery or prior to each new use of such product.

34. AUDITING RIGHTS

34.1 Construction Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of three (3) years from the date of termination of this Contract or the date the Project is completed, whichever is later or such longer period of time as may be required by law. Construction Contractor shall require all of its

subcontractors to likewise retain all of their Project records and supporting documentation. Owner, and any duly authorized agents or representatives of Owner, shall be provided access to all such records and supporting documentation at any and all times during normal business hours upon request by Owner. Further, Owner, and any duly authorized agents or representatives of Owner, shall have the right to audit, inspect and copy all of Construction Contractor's and any subcontractor's Project records and documentation as often as they deem necessary and Construction Contractor shall cooperate in any audit, inspection, or copying of the documents. These access, inspection, copying and auditing rights shall survive the termination of this Contract.

34.2 If at any time, Owner conducts such an audit of Construction Contractor's records and documentation and finds that Construction Contractor overcharged Owner, Construction Contractor shall pay to Owner the Overcharged Amount which is defined as the total aggregate overcharged amount together with interest thereon (such interest to be established at the rate of 12% annum). If the Overcharged Amount is equal to or greater than $10,000.00, Construction Contractor shall pay to Owner the Overcharged Amount and the Audit Amount which is defined as the total aggregate of Owner's reasonable audit costs incurred as a result of its audit of Construction Contractor. Owner may recover the Overcharged Amount and the Audit Amount, as applicable, from any amount due or owing Construction Contractor with regard to the Project or under any other agreement between Construction Contractor and Owner. If such amounts owed Construction Contractor are insufficient to cover the Overcharged Amount and Audit Amount, as applicable, then Construction Contractor hereby acknowledges and agrees that it shall pay such remaining amounts to Owner within seven (7) business days of its receipt of Owner's invoice for such remaining amounts. In no event shall the Overcharged Amount or the Audit Amount be deemed a reimbursable Cost of the Work.

34.3 This Article 34, including all access, inspection, copying, auditing, reimbursement and repayment rights shall survive the termination of this Contract.

35. COMPLIANCE WITH LAWS

35.1 Construction Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, administrative orders, regulations and requirements applicable to the Project, including but not limited to those dealing with safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Construction Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify Owner and Design Professional in writing.

35.2 For federally funded projects, Construction Contractor must comply with all federal rules and regulations including but not limited to those defined in the Davis Bacon Wage Rate Act.

36. SUBCONTRACTS

36.1 Construction Contractor shall review the design and shall determine how it desires to divide the sequence of construction activities. Construction Contractor will determine the breakdown and composition of bid packages for award of subcontracts, based on the current

Master Project Schedule, and shall supply a copy of that breakdown and composition to Owner and Design Professional for their review and approval. Construction Contractor shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

36.2 A subcontractor is any person or entity who is performing, furnishing, supplying or providing any portion of the Work pursuant to a contract with Construction Contractor. Construction Contractor shall be solely responsible for and have control over the subcontractors. Construction Contractor shall negotiate all Change Orders, Construction Change Directive, Field Orders and Request for Proposals, with all affected subcontractors and shall review the costs of those proposals and advise Owner and Design Professional of their validity and reasonableness, acting in Owner's best interest, prior to requesting approval of each Change Order from Owner.

36.3 When Construction Contractor submits its guaranteed maximum price proposal to Owner, Construction Contractor also shall submit to Owner a list of the names, addresses, licensing information and phone numbers of the subcontractors Construction Contractor intends to use for each portion of the Work, as well as identifying in writing those portions of the Work it intends to perform with its own employees. The list identifying each subcontractor cannot be modified, changed, or amended without prior written approval from Owner. Any and all work to be self-performed by Construction Contractor must be approved in writing by Owner in its sole discretion prior to commencement of such work. Construction Contractor shall continuously update that subcontractor list, so that it remains current and accurate throughout the entire performance of the Work. Construction Contractor shall not enter into a subcontract with any subcontractor, if Owner reasonably objects to that subcontractor. Construction Contractor shall not be required to contract with anyone it reasonably objects to. As part of the Project document file to be maintained by Construction Contractor at the Project site, Construction Contractor shall keep on file a copy of the license for every subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts between Construction Contractor and its subcontractors shall be in writing and are subject to Owner's approval. Further, all subcontracts shall (1) require each subcontractor to be bound to Construction Contractor to the same extent Construction Contractor is bound to Owner by the terms of the Contract Documents, as those terms may apply to the portion of the Work to be performed by the subcontractor, (2) provide for the assignment of the subcontracts from Construction Contractor to Owner at the election of Owner upon termination of Construction Contractor, (3) provide that Owner will be an additional indemnified party of the subcontract, (4) provide that Owner will be an additional insured on all insurance policies required to be provided by the subcontractor except workers' compensation, (5) assign all warranties directly to Owner, (6) identify Owner as an intended third-party beneficiary of the subcontract, and (7) incorporate Exhibit E into all of its subcontracts (and require similar incorporation into all sub-subcontracts). Construction Contractor shall make available to each proposed subcontractor, prior to the execution of the subcontract, copies of the Contract Documents to which the subcontractor will be bound by this Paragraph 36.3 and identify to the subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Contract Documents. Each subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

36.4 The subcontractor must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., general concrete forming and placement, masonry, mechanical, plumbing, electrical and roofing) included in the subcontract. In addition, the subcontractor shall assign and name a qualified employee for scheduling direction for its work. The supervisory employees of the subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

36.5 Unless otherwise expressly agreed to by Owner in writing, all subcontracts shall provide:

36.5.1 On all subcontracts where the bid exceeds $200,000, the Construction Contractor shall require subcontractors to provide a 100% performance bond and a 100% labor and material payment bond from a surety company authorized to do business in the State of Florida by the Department of Insurance. If the Construction Contractor wishes to award subcontracts to subcontractors unable to supply this bonding, it may request special authorization to do so. Upon providing justifiable background information, such authorization shall not be unreasonably withheld. Construction Contractor shall include in the GMP the value applied to all subcontract values to cover the cost of subcontractor bonds, or at the option of the Construction Contractor, the use of Subcontractor Default Insurance (SDI) acceptable to the Owner. If a subcontractor is used that cannot qualify for Construction Contractor's SDI Program, that subcontractor will be required to provide bonds as stipulated above. For those subcontractors not enrolled in SDI, the actual cost of the subcontractor bonds shall be charged to the Project and the SDI cost will not apply.

36.5.2 On all subcontracts where the bid exceeds $200,000.00, each subcontractor must submit a completed experience questionnaire and financial statement. The subcontractor's financial condition must demonstrate that adequate fixed and liquid assets and equipment are available to properly perform the subcontract.

36.5.3 Subcontractor experience - The subcontractor must have successfully completed no less than two projects of similar size and complexity within the last five years.

36.5.4 LIMITATION OF REMEDIES - No Damages For Delay

That the subcontractor's exclusive remedy for delays in the performance of the contract caused by events beyond its control, including delays claimed to be caused by Owner or Design Professional or attributable to Owner or Design Professional and including claims based on breach of contract or negligence, shall be an extension of its contract time.

In the event of a change in the work, the subcontractor's claim for adjustments in the contract sum are limited exclusively to its actual costs for such changes plus no more than 10% for overhead and profit.

The subcontract shall require the subcontractor expressly agree that the foregoing constitute its sole and exclusive remedies for delays and changes in the Work and thus eliminate any other remedies for claim for increase in the subcontract price, damages, losses or additional compensation. Further, Construction Contractor shall incorporate terms of Paragraph 11.4 in all of its subcontracts and require all subcontractors to similarly incorporate such terms into their sub-subcontracts.

36.5.5 Each subcontract shall require that any claims by subcontractor for delay or additional cost must be submitted to Construction Contractor within the time and in the manner in which Construction Contractor must submit such claims to Owner, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

37. MARKET ANALYSIS AND SOLICITATION OF BIDS

37.1 The purpose of this Paragraph is to insure that Construction Contractor makes a genuine effort to stimulate subcontractor interest in the Project and maximize participation of potential qualified subcontractors in the bidding process. At all times Owner shall have access to and the right to require copies of all correspondence, records, files and other bid documents (including all bid responses) with respect to the bidding process. Further, Construction Contractor shall notify Owner of the date, time and place of all bid openings and Owner shall have the right to attend any and all such bid openings. All bid openings shall be conducted in Collier County, Florida. Finally, Construction Contractor shall develop in writing subcontract bidding procedures for Owner's review and approval. Once those procedures have been approved by Owner, Construction Contractor shall not deviate from such procedures without obtaining Owner's prior written consent.

37.1.1 Construction Contractor shall monitor conditions in the construction market to identify factors that will or may affect costs and time for completing the Work; Construction Contractor shall make an analysis as necessary to (i) determine and report on availability of labor, materials, equipment, potential bidders, and possible impact of any shortages or surpluses of labor or material, and (ii) in light of such determination, make recommendations and take action as may be appropriate with respect to long lead procurement, separation of construction into bid packages, sequencing of Work, use of alternative materials, equipment or methods, other economics in design or construction, and other matters that will promote cost savings and completion within the Contract Time.

37.1.2 Within thirty (30) days after execution of this Contract, Construction Contractor shall submit a written "Construction Market Analysis and Prospective Bidders Report" setting out recommendations and providing information as to prospective bidders. As various bid packages are prepared for bidding, Construction Contractor shall submit to Owner and Design Professional a list of potential bidders for their review and approval. Construction Contractor shall be responsible for promoting and encouraging bid competition.

37.1.3 Construction Contractor shall carry out an active program of stimulating interest of qualified subcontractors in bidding on the Work and of familiarizing those bidders with the requirements of this Project.

37.2 Solicitation of Bids.

37.2.1 Construction Contractor shall prepare invitations for bids, or requests for proposal when applicable (collectively referred to herein as "bids"), for all procurements of long lead items, materials and services, and for subcontractor contracts. Such invitations for bids shall be prepared in accordance with the following guidelines. Award of bid shall be given to the lowest, qualified, responsive vendor. In the event that the Construction Contractor determines the lowest, qualified, responsive vendor should not be Awarded the bid, written justification shall be provided to, and approved by, the Owner prior to awarding an alternate qualified, responsive, vendor.

(1) Contracts not exceeding $15,000 may be entered into by the Construction Contractor with the firm, which submits the lowest responsive and responsible verbal bid. The Construction Contractor shall obtain a minimum of three (3) verbal bids. These quotations shall be entered on a bid tabulation sheet and a copy of such bid tabulation shall be sent to the Owner, Design Professional and to each firm. The successful bid shall be confirmed by written contract or purchase order to the firm defining the scope and quality of work to be provided.

(2) Contracts exceeding $15,000 but not exceeding $50,000 may be entered into by the Construction Contractor with the firm who is qualified and submits the lowest responsive and responsible bid. The Construction Contractor shall request at least three (3) firms to submit sealed written bids based on approved plans and specifications. The bids shall be entered on a bid tabulation sheet and shall be furnished to the Owner, Design Professional and to each firm. The successful bid shall be confirmed by written contract or purchase order to the firm defining the scope and quality of work to be provided.

(3) Contracts exceeding $50,000 but not exceeding $200,000 may be entered into by the Construction Contractor with the firm who is qualified and submits the lowest responsible and responsive bid. The Construction Contractor shall advertise these projects at least once with the last advertisement appearing at least ten (10) calendar days prior to the established bid opening date. These bids shall be based on approved plans and specifications. The bids shall be entered on a bid tabulation sheet and shall be furnished to the Owner, Design Professional and to each firm. The written bids shall be submitted to the owner and to the Design Professional for approval. The successful bid shall be confirmed by written contract or purchase order to the firm defining the scope and quality of work to be provided. Should the Construction Contractor receive less than three (3) bids/proposals, it may proceed only if the Design Professional certifies to the Owner that the recommended pricing is reasonable, and representative of the market and the Owner agrees.

(4) Contracts exceeding $200,000 shall be treated the same as described under item (3) above, except that the advertisement shall run for at least thirty (30) days prior to the established bid opening and at least five (5) days prior to any scheduled pre-bid conference. In obtaining bids, the Construction Contractor shall seek to ensure that its award practices provide fair and equitable opportunities for vendors/contractors to responds to Owner's needs.

(5) Site utilities may be acquired at market rates from the entity(ies) providing such in the service area.

(6) Bidding shall not be required for change order work with subcontractors that the Construction Contractor is already under subcontract.

(7) Construction Contractor hereby discloses that it has a relationship to the following entities: None. Owner acknowledges that these entities are not disqualified from the subcontractor bidding process or from being awarded a subcontract solely because of this relationship.

37.2.2 As part of such preparation, the Construction Contractor shall review the specifications and drawings prepared by the Design Professional. Ambiguities, conflicts or lack of clarity of language, use of illegally restrictive requirements, and any other defects in the specifications or in the drawings noted by the Construction Contractor shall be brought to the attention of Owner's Representative and Design Professional in written form.

37.2.3 For each separate construction subcontract, the Construction Contractor shall, unless waived by Owner, conduct a pre-bid conference with prospective bidders, the Design Professional and Owner's Representative. In the event questions are raised which require an interpretation of the bidding documents or otherwise indicate a need for clarification or correction of the invitation to bid (or other solicitation mechanism), the Construction Contractor shall transmit these to the Design Professional and upon receiving clarification or correction in writing shall prepare an addendum to the bidding document, and issue same to all of the prospective bidders.

37.2.4 The Construction Contractor shall establish a qualification procedure for applicable subcontract trades.

37.2.5 Prior to awarding any subcontract for an amount over $25,000, the Construction Contractor shall conduct a pre-award conference with the lowest responsive qualified bidder after the receipt of subcontractor bids. The Design Professional and the Owner's Representative shall be invited to all such meetings. At the pre-award meeting, the Construction Contractor and prospective subcontractor shall review all aspects of the scope of the work to assess the capability of the subcontractor to fulfill the needs of the Project including the subcontractor qualification information required above. Subjects covered may include schedule, manufacturers used in bidding the work, manpower, supervisory personnel, value engineering suggestions, etc. Within forty-eight (48) hours of the pre-award conference, the Construction Contractor shall decide whether to accept

or reject the lowest responsive bidder and to enter into the same process with the next lowest bidder. The Construction Contractor shall make sure that the Design Professional and the Owner are in agreement with the Construction Contractor when choosing not to accept the lowest bidder due to his professional opinion that the low bidder will not be able to meet the quality desired, schedule, or other factors identified by the Construction Contractor. The GMP approved in this contract will reflect that the parties agree with the selection of subcontractors.

38. PARTNERING

38.1 Construction Contractor, prior to commencement of the Construction Phase Services, shall prepare and submit for Owner's approval a proposed Partnering Program for the Project. The Partnering Program shall contain, at a minimum, procedures for the enhancement of communication and cooperation between Owner, Construction Contractor, Design Professional, separate contractors, inspectors and other consultants and subcontractors on the Project, as well as procedures for the speedy and efficient resolution of problems and disagreements during construction. Upon approval by Owner, the Partnering Program shall be implemented and coordinated by Construction Contractor throughout the remainder of the Project.

39. SECURING AGREEMENT

39.1 Construction Contractor warrants that Construction Contractor has not employed or retained any company or person, other than a bona fide employee working solely for Construction Contractor, to solicit or secure this Contract and that Construction Contractor has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Construction Contractor, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Contract. At the time this Contract is executed, Construction Contractor shall sign and deliver to Owner the Truth-in-Negotiation Certificate attached hereto and made a part hereof as Exhibit L. Construction Contractor's compensation shall be adjusted to exclude any sums by which Owner determines the compensation was increased due to inaccurate, incomplete, or non-current wage rates or other factual unit costs.

40. PUBLIC ENTITY CRIMES

40.1 By its execution of this Agreement, Construction Contractor acknowledges that it has been informed by OWNER of the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

> "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a

period of 36 months from the date of being placed on the convicted vendor list."

41. EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION/MWBE/LDB AND APPRENTICESHIP PROGRAM

41.1 In performing all services to be provided hereunder, Construction Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. Construction Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such actions shall include, but not be limited to, the following: (i) employment, upgrading, demotion or transfer; (ii) recruitment or recruitment advertising; (iii) layoff or termination; (iv) rates of pay or other forms of compensation; and (v) selection for training, including apprenticeship. Construction Contractor shall post in conspicuous places, available to all employees and applicants for employment notices setting forth the terms of this Equal Employment Opportunity Non-Discrimination Clause and stating that all qualified candidates will receive consideration for employment without regard to race, color, religion, sex or national origin.

42. CHANGED CONDITIONS

42.1 Notwithstanding anything in the Contract Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (ii) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, and which reasonably should not have been discovered by Construction Contractor as part of its scope of site investigative services required pursuant to the terms of the Contract Documents, then Construction Contractor shall provide Owner with prompt written notice thereof before conditions are disturbed and in no event later than seven (7) calendar days after first observance of such conditions. Owner and Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in Construction Contractor's cost of, or time required for, performance of any part of the Work, Owner will acknowledge and agree to an equitable adjustment to the Contract Amount or Contract Time, or both, for such Work. If Owner determines that the conditions at the site are not materially different from those indicated in the Contract Document or not of an unusual nature or should have been discovered by Construction Contractor as part of its investigative services, and that no change in the terms of the Contract is justified, Owner shall so notify Construction Contractor in writing, stating its reasons. Claims by Construction Contractor in opposition to such determination by Owner must be made within seven (7) calendar days after Construction Contractor's receipt of Owner's written determination notice. If Owner and Construction Contractor cannot agree on an adjustment to the Contract Amount or Contract Time, the dispute resolution procedure set forth in the Contract Documents shall be complied with by the parties.

END OF GENERAL TERMS AND CONDITIONS

EXHIBIT B
SUPPLEMENTAL TERMS AND CONDITIONS

The following Supplemental Terms and Conditions hereby amend, modify and supersede in the event of a conflict the terms of the Agreement and the General Terms and Conditions attached thereto as Exhibit A.

A. Construction Contractor shall provide Owner, its representatives and Design Professional with copies of a Policy and Procedure Manual (total number of copies not to exceed 5) developed and updated in accordance with the following requirements:

1. Upon execution of the Agreement, and if required by Owner's Representative, Construction Contractor shall develop a draft of the comprehensive Policy and Procedure Manual describing the services to be provided by Construction Contractor per the Contract Documents. This shall provide a plan for the control, direction, coordination and evaluation of the Work performed throughout the Project; the Project organization including identification of key personnel, responsibilities of Construction Contractor, Owner and Design Professional; Workflow diagrams; and strategy for bidding and subcontracting the Work. Owner shall have the right to review the Policy and Procedure Manual and to approve its content and format. The Policy and Procedure Manual may be updated as necessary throughout the Pre-Construction and Construction Phases, but substantive changes will not be made without Owner's prior written concurrence. An electronic copy of the Policy and Procedure Manual and any updates shall be submitted to Owner and Design Professional, with one hard copy being maintained on the work site. In developing the Policy and Procedure Manual, Construction Contractor shall coordinate and consult with Owner and Design Professional. The initial manual shall be submitted to Owner for approval.

2. Contents of Policy and Procedure Manual: The Policy and Procedure Manual shall describe in detail the procedures for executing the Work and the organizations participating. The Policy and Procedure Manual shall include, as a minimum, the following sections:

   2.1 Project Definition: The known characteristics of the Project and sub-projects shall be described in general terms which will provide the participants a basic understanding of the Project and sub-projects.

   2.2 Project Goals: The schedule, budget, physical, technical and other objectives for the Project shall be defined.

   2.3 Project Strategy: A narrative description of the Project delivery methods which shall be utilized to accomplish the Project goals.

2.4 Project Work Plan: A matrix display of the Work to be performed by Construction Contractor, as well as the services and items to be furnished by Design Professional and Owner during each phase of the Project.

2.5 Project Organization: A summary organization chart showing the interrelationships between Owner, Construction Contractor and Design Professional, and other supporting organizations and permitting review agencies. Detailed charts, one each for Construction Contractor and Design Professional, showing organizational elements participating in the Project shall be included.

2.6 Responsibility Performance Chart: A detailed matrix showing the specific responsibilities and interrelationships of Owner, Design Professional, and Construction Contractor. The Responsibility Performance Chart shall indicate major responsibility, and minor responsibility, for each specific task required to deliver the Project. Construction Contractor shall develop a similar chart for the personnel within its own organization who are assigned to the Project, as well as for Design Professional's and Owner's personnel assigned to the Project from data supplied by them.

2.7 Flow Diagrams: These charts shall display the flow of information and the decision process for the review and approval of shop drawings and submittals, progress, and change orders.

2.8 Written Procedure: The Construction Contractor will provide written procedures for communications and coordination required between Construction Contractor, Design Professional and Owner throughout the Project. Procedures shall cover such items as correspondence, minutes, reports, inspections, team meetings, technical reviews, design reviews, and other necessary communications.

2.9 Emergency Contact List: A complete list of the names, company affiliation and emergency contact phone numbers (both day and night) for all key Project personnel from Owner, Construction Contractor and Design Professional, as well as from all subcontractors, subconsultants and suppliers of any of them. This list shall be continuously updated by Construction Contractor throughout the Project duration, with Construction Contractor distributing a copy of all updates to Owner and Design Professional.

3. This Policy and Procedure Manual shall be completed and submitted to Design Professional and Owner for their review and Owner's approval as

a condition precedent to payment by Owner to Construction Contractor for any services provided in the Construction Phase under this Contract.

4. This Policy and Procedure Manual is merely an amplification and clarification of this Contract. Any conflicts between the Policy and Procedure Manual and this Contract shall be governed by the latter.

B. Construction Contractor shall utilize the County's online Project Management Information System ("PMIS"), (Procore) and utilize all tools including Requests for Information (RFIs), Submittals, Daily Log, Photos, Drawings, Specification, Meetings, Schedule, Transmittals, Inspections, Incidents, Budget, Documents and Directory, and other tools as required by Collier County. The Construction Contractor will be given full access to Procore and will be responsible for managing the RFI and Submittal workflows, document management, drawing meeting management and all other project management tools to ensure an efficient project. The Construction Contractor will be able to invite subcontractors to the project to ensure full participation. This system shall be in place for both the Pre-Construction Phase and Construction Phase services pursuant to this Contract.

1. General:

1.1 The reports, documents, and data to be provided shall represent an accurate assessment of the current status of the Project and of the Work remaining to be accomplished and it shall provide a sound basis for identifying variances and problems and for making management decisions.

1.2 The above reports shall be submitted at least on a monthly basis, if requested by Owner.

2. Narrative Reporting Subsystem.

2.1 Construction Contractor shall prepare written reports as described hereunder utilizing Collier County's Procore system.

2.2 The Narrative Reporting Subsystem shall include the following reports:

2.2.1 Monthly Executive Summary which provides an overview of current issues and pending decisions, future developments and expected achievements, and any problems or delays, including code violations found by any permitting authority.

2.2.2 Monthly Cost Narrative describing the current construction cost estimate status of the Project.

2.2.3 A Monthly Scheduling Narrative summarizing the current status of the overall Master Project Schedule and an

explanation of all variances from the plan. This report shall include an analysis of the various Project subschedules, a description of the critical path, and other analyses as necessary to compare planned performance with actual performance.

2.2.4 Monthly Accounting Narrative describing the current cost and payment status for the entire Project. This report shall relate current encumbrances and expenditures to the budget allocations. An explanation for all variances shall be provided.

2.2.5 A Monthly Construction Progress Report during the Construction Phase summarizing the Work of the various subcontractors. This report shall include information from the weekly job site meetings as applicable such as general conditions, long lead supplies, current deliveries, safety and labor relations, programs, permits, construction problems and recommendations, and plans for the succeeding month.

2.2.6 Daily Construction Diary during the Construction Phase describing events and conditions on the site.

2.3 The Reports outlined in subparagraphs 2.2.1 through 2.2.5 above shall be bound with applicable computer schedule reports and submitted monthly during Design and Construction Phases and shall be current through the end of the preceding month. Copies shall be delivered to Owner and Design Professional. A copy of the complete diary shall be submitted to Owner at the conclusion of the Project in either a hard copy or electronic copy format, as requested by Owner.

3. Schedule Control Subsystem.

3.1 Master Project Schedule: Prior to the submittal of its first application for payment, Construction Contractor shall submit to Owner and Design Professional for their review and approval a Master Project Schedule covering the planning and design approvals, construction, and Owner occupancy of the Project. This schedule shall conform to the format outlined in Paragraph 3.4 below. This schedule shall serve as the framework for the subsequent development of all detailed schedules and shall be updated monthly by Construction Contractor throughout the Project. Within fifteen (15) calendar days of Construction Contractor's submittal, Owner and Design Professional shall review the schedule and provide Construction Contractor a written list of corrections needed to approve the schedule. Construction

Contractor must make all corrections and resolve all comments within thirty (30) calendar days after its receipt of Owner's and Design Professional's comments. If the schedule is not approved within said thirty (30) calendar days, Owner and Design Professional will withhold all Contract payments until the schedule is approved. The acceptance of the schedule by Owner and Design Professional in no way attests to the validity of the assumptions, logic constraints, dependency relationships, resource allocations, manpower and equipment, and any other aspect of the proposed schedule. Construction Contractor is and shall remain solely responsible for the planning and execution of all Work in order to meet Project milestones or Contract completion dates.

3.2 Construction Schedule: Construction Contractor shall prepare and submit to Owner and Design Professional, for their review and approval, a Construction Schedule. This schedule shall conform to the format outlined in Paragraph 3.4 below. The approved Construction Schedule shall be attached to the GMP Amendment. The Construction Schedule shall be integrated into the Master Project Schedule.

3.2.1 Following development and approval of the Construction Schedule as aforesaid, Construction Contractor shall, at the end of each calendar month occurring thereafter during the period of time required to finally complete the Project, or at such earlier intervals as circumstances may require, update and/or revise the Construction Schedule which shall be submitted to Owner in duplicate. No additional compensation will be due Construction Contractor for making such updates. Failure of Construction Contractor to update, revise, and submit the Construction Schedule as aforesaid shall be sufficient grounds for Owner to find Construction Contractor in substantial default hereunder and that sufficient cause exists to terminate the Contract or to withhold payment to Construction Contractor until a schedule or schedule update acceptable to Owner is submitted.

3.3 Construction Contractor shall prepare and incorporate into the schedule database, at the required intervals, the following schedules:

3.3.1 Pre-Bid Schedules (Subnetworks): Construction Contractor shall prepare a construction schedule for that portion of the Work encompassed in each bid package. The schedule shall be sufficiently detailed as to be suitable for inclusion in the bid package as a framework for subcontract

completion by the successful bidder. It shall show the interrelationships between the Work of the successful bidder and that of other subcontractors, and shall establish milestones keyed to the Master Project Schedule.

3.3.2 Subcontractor Construction Schedules (Subnetworks): Upon the award of each subcontract, Construction Contractor shall jointly with the subcontractor, develop a schedule which is more detailed than the pre-bid schedule included in the bid packages, taking into account the work schedule of the other subcontractors. The subcontractor's construction schedule shall include as many activities as necessary to make the schedule an effective tool for construction planning and for monitoring the performance of the subcontractor. The subcontractor's construction schedule also shall show pertinent activities for material purchase orders, manpower supply, shop drawing schedules and material delivery schedules.

3.3.3 Occupancy Schedule: Construction Contractor shall jointly develop with Design Professional and Owner a detailed plan, inclusive of punch lists, final inspections, maintenance training and turn-over procedures, to be used for ensuring accomplishment of a smooth and phased transition from construction to Owner occupancy. The Occupancy Schedule shall be produced and updated monthly from its inception through final Owner occupancy and shall be integrated into the Master Project Schedule.

3.4 Schedule Format: The Master Project Schedule and the Construction Schedule shall be planned and recorded with a Critical Path Method (CPM) schedule in the form of an activity-on-node diagram. All activity-on-node diagrams shall include the Activity Identification, Activity Description, and the type of relationship between activities, including any lead or lag time, as well as being cost loaded. Further, both the Master Project Schedule and the Construction Schedule shall incorporate and be based upon the Project milestone dates set forth in Exhibit I to the Agreement.

3.4.1 If requested by Owner or Design Professional, Construction Contractor shall furnish any information needed to justify the reasonableness of activity duration. Such information shall include, but not be limited to, estimated activity manpower, anticipated quantities, and production rates.

3.4.2 Procurement shall be identified with at least two (2) activities: fabrication and delivery. Construction Contractor shall insure that all Work activities that require a submittal are preceded by the appropriate submittal and approval activities.

3.4.3 Only contractual constraints shall be shown in the schedule logic. No other restraints are allowed unless approved in writing by Owner or Design Professional. This disallowance of constraints includes the use of any mandatory start or finish dates selected by Construction Contractor.

3.4.4 Activities shall be identified by codes to reflect the responsible party for the accomplishment of each activity (only one party per activity), the Phase/Stage of the Project for each activity, and the Area/Location of each activity

3.4.5 The construction time for the Work, or any milestone, shall not exceed the specified Contract Time. Logic or activity durations shall be revised in the event that any milestone or Contract completion date is exceeded in the schedule.

3.4.6 Float is defined as the amount of time between when an activity "can start" (the early start) and when an activity "must start" (the late start). It is understood by Owner and Construction Contractor that float is a shared commodity, not for the exclusive use or financial benefit of either party. Either party has the full use of the float until it is depleted.

3.4.7 The CPM schedules must be compatible with Procore It is Construction Contractor's responsibility to ascertain the software compatibility with Owner or Design Professional.

3.4.8 Initial Schedule Submittal Requirements:

3.4.8.1 Predecessor/Successor Sort

3.4.8.2 Total Float/Early Start Sort

3.4.8.3 Responsibility/Early Start Sort

3.4.8.4 Area/Early Start Sort

3.4.8.5 Logic Diagram: Upon request of Owner, Produce diagram with not more than 100 activities per ANSI D (24-inch x 36-inch) size sheet. Insure each sheet includes title, match data

or diagram correlation, and key to identify all components used in the diagram.

3.4.8.6 Narrative discussing general approach to completion of the Work.

3.4.9 Schedule Update Requirements: Construction Contractor shall update the schedules monthly to show actual, current progress. The schedule updates shall be submitted within seven (7) calendar days of the data dates. The updates shall include:

3.4.9.1 Dates of activities' actual starts and completions.

3.4.9.2 Percent of Work remaining for activities started but not completed as of the update date.

3.4.9.3 Narrative report including a listing of monthly progress, the activities that define the critical path and any changes to the path of critical activities from the previous update, sources of delay, any potential problems, requested logic changes, and Work planned for the next month.

3.4.9.4 Predecessor/Successor Sort

3.4.9.5 Total Float/Early Start Sort

3.4.9.6 Responsibility/Early Start Sort

3.4.9.7 Area/Early Start Sort

3.4.9.8 Upon request of Owner, Fragnet of logic diagram for all requested logic changes.

3.4.9.9 Updated logic diagram as required by Owner. At a minimum, Owner shall require a final logic diagram at the end of the Work showing the planned and actual starts and completions.

3.4.9.10 A bar chart comparison of the updated schedule to the initial schedule. This diagram shall show actual and planned performance dates for all completed activities.

3.4.9.11 All update information shall be an accurate representation of the actual Work progress.

3.5 Recovery Schedule: If the initial schedule or any current updates fail to reflect the Work's actual plan or method of operation, or a contractual milestone date is more than fifteen (15) days behind, Owner may require that a recovery schedule for completion of the remaining Work be submitted. The Recovery Schedule must be submitted within seven (7) calendar days of Owner's request. The Recovery Schedule shall describe in detail Construction Contractor's plan to complete the remaining Work by the required Contract milestone date. The Recovery Schedule submitted shall meet the same requirements as the original Construction Schedule. The narrative submitted with the Recovery Schedule should describe in detail all changes that have been made to meet the Contract milestone dates.

3.6 Change Orders: When a Change Order is proposed, Construction Contractor must identify all logic and/or schedule changes as a result of the Change Order. The logic and/or schedule changes required by the Change Order will be considered incidental to Construction Contractor's work. No separate payment will be made.

3.7 Cost Control Subsystem: The operation of this subsystem shall provide sufficient timely cost data and detail to permit Construction Contractor to control and adjust the Project requirements, needs, materials, equipment and systems by building and site elements so that the Work will be completed at a cost which, together with the Construction Management Fee, will not exceed the GMP. Requirements of this subsystem include submissions at the following phases of the Project:

3.8 Pre-Construction Phase Estimates; and

3.9 At establishment of the GMP.

4. Project Accounting Subsystem: This subsystem shall enable Construction Contractor to plan effectively and Owner to monitor and control the funds available for the Project, cash flow, costs, Change Orders, Construction Change Directives, payments, and other major financial factors by comparison of budget, estimate, total commitment, amounts invoiced, and amounts payable, and also enable Owner to stay informed as to the overall Project status. All reports to be generated as part of this subsystem shall be consistent with the Project Funding Schedule (if any). This subsystem will be produced and updated monthly and includes the following reports:

4.1 Costs Status Report representing the budget, estimate, and base commitment (awarded subcontracts and purchase orders) for any given subcontract or budget line item. It shall show approved

Change Orders and Construction Change Directive for each subcontract which when added to the base commitment will become the total commitment. Pending Change Orders also will be shown to produce the total estimated probable cost to complete the Work.

4.2 A Payment Status Report showing the value in place (both current and cumulative), the amount invoiced (both current and cumulative), and the balance remaining. A summary of this report shall accompany each pay request.

4.3 A Detailed Status Report showing the complete activity history of each item in the Project accounting structure and includes an earned value graph. It shall include the budget, estimate, and base commitment figures for each subcontract. It shall give the Change Order history, including Change Order numbers, description, proposed and approved dollar amounts. It also shall show all pending or rejected Change Orders.

4.4 A Cash Flow Diagram showing the projected accumulation of cash payments against the Project. Cash flow projections shall be generated for anticipated monthly payments as well as cumulative payments.

4.5 A Job Ledger shall be maintained as necessary to supplement the operation of the Project accounting subsystem. The job ledger will be used to provide construction cost accountability for general conditions work, on-site reimbursable expenses, and costs requiring accounting needs.

END OF SUPPLEMENTAL TERMS AND CONDITIONS

EXHIBIT C
FORM OF PAYMENT BOND

BOND NO._____

PUBLIC PAYMENT BOND

KNOW ALL MEN BY THESE PRESENTS: That _____ as Principal, and _____, as Surety, located at _____ (Business Address) are held and firmly bound to _____, as Obligee in the sum of ($_____) for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the ____ day of _____, 20__, with Obligee for _____

in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

Promptly makes payment to all claimants as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, services, materials or supplies, used directly or indirectly by Principal in the prosecution of the Work provided for in the Contract, then this bond is void; otherwise, it remains in full force.

Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Surety's obligation under this Bond.

The provisions of this bond are subject to the time limitations of Section 255.05(2). In no event will the Surety be liable in the aggregate to claimants for more than the penal sum of this Payment Bond, regardless of the number of suits that may be filed by claimants.

IN WITNESS WHEREOF, the above parties have executed this instrument this ____ day of _____, 2022, the name of each party being affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

EXHIBIT D
FORM OF PERFORMANCE BOND

BOND NO._____

PUBLIC PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That _____ as Principal, and _____, as Surety, located at _____ _____ (Business Address) are held and firmly bound to _____, as Obligee in the sum of _____ ($_____) for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the _____ day of _____ _____, 20___, with Obligee for _____.

in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, expenses, costs and attorneys' fees, including appellate proceedings, that Obligee sustains because of any default by Principal under the Contract, including, but not limited to, all delay damages, whether liquidated or actual, incurred by Obligee; and

3. Performs the guarantee of all Work and materials furnished under the Contract for the time specified in the Contract,

then this bond is void; otherwise, it remains in full force.

Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Surety's obligation under this Bond.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other Work to be performed hereunder, or the specifications referred to therein shall in anyway affect its obligations under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to Work or to the specifications.

This instrument shall be construed in all respects as a common law bond. It is expressly understood that the time provisions and statute of limitations under Section 255.05, Florida Statutes, shall not apply to this bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penal sum of this Performance Bond regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this ____ day of _____, 20___, the name of each party being affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

EXHIBIT E
INSURANCE REQUIREMENTS

(1) During the term of the Contract, the Construction Contractor shall provide, pay for, and maintain, with companies satisfactory to the Owner, the types of insurance described herein. All insurance shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies registered with the State of Florida. The insurance coverage and limits required must be evidenced by properly executed Certificates of Insurance on an ACORD or equivalent form. The Certificates must be signed by an authorized representative of the insurance company/companies shown on the certificates with proof that he/she is an authorized representative thereof. In addition, copies of all insurance policies required shall be provided to the Owner, on a timely basis, if requested by the Owner. These certificates and policies shall contain provisions that thirty (30) days written notice by registered or certified mail, facsimile or e-mail shall be given the Owner of any cancellation, intent not to renew, or reduction in the policies' coverage. Construction Contractor also shall notify Owner, in a like manner, within forty-eight (48) hours after receipt by the Construction Contractor of the respective notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Construction Contractor from its insurer, and nothing contained herein shall relieve Construction Contractor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy, the Construction Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

(2) All insurance policies required by the Contract shall include the following provisions and conditions by endorsement to the policies:

(a) The term "Board of County Commissioners of Collier County, Florida" shall include Collier County, Florida, a political subdivision of the State of Florida and all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and offices thereof and individual members and employees thereof in their official capacity, and/or while acting on behalf of Collier County, Florida.

(b) All insurance policies provided by Construction Contractor to meet the requirements of this Agreement shall name the Board of County Commissioners of Collier County, Florida, as that name is defined in (2)(a) above, as an additional insured as to the operations of the Construction Contractor under the Contract and shall contain a severability of interests provision.

(c) Companies issuing the insurance policy or policies shall have no recourse against Owner for payment of premiums or assessments for any deductibles, which all are at the sole responsibility and risk of Construction Contractor.

(d) All insurance coverage of the Construction Contractor shall be primary to any insurance or self-insurance program carried by the Owner applicable to the Project, and the "Other Insurance" provisions of any policies obtained by Construction Contractor shall not apply to any insurance or self-insurance program carried by Owner applicable to the Project.

(3) The acceptance by the Owner of any Certificate of Insurance for the Project evidencing the insurance coverage and limits required in the Contract does not constitute approval or agreement by the Owner that the insurance requirements have been met or that the insurance policies shown on the Certificates of Insurance are in compliance with the requirements of the Contract.

(4) No work shall commence at the Project site unless and until the required Certificates of Insurance are received and the written Notice to Proceed is issued to the Construction Contractor by the Owner.

(5) Before starting and until acceptance of the work by Owner, Construction Contractor shall procure and maintain insurance of the types and to the limits specified below. Construction Contractor shall require each of its subcontractors to procure and maintain, until the completion of that subcontractor's work, insurance of the types and to the limits specified below, unless such insurance requirement for the subcontractor is expressly waived in writing by the Owner. The following limits are applicable for only the Preconstruction Phase. The Construction Phase of the Project will require additional Insurance Requirements and will be set forth in the GMP Amendment.

INSURANCE TYPE	REQUIRED LIMITS
1. Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Government Statutory Limits and Requirements. Policy must include Employers' Liability with a limit of $1,000,000 each accident.
2. Commercial General Patterned after	Bodily Injury & Property Damage Liability the current I.S.O. Occurrence Form. $2,000,000 Single Limit Per Occurrence
3. Automobile Liability	$1,000,000 Each Occurrence Owned/Non-owned/Hired Automobile Included
4. Other Insurance as indicated below:	
a) Professional Liability	$1,000,000, if required by the Contract Documents
b) Pollution Insurance	$2,000,000, if required by the Contract Documents
c) Umbrella Coverage	$5,000,00, per occurence

5. The Owner must purchase and maintain Builder's Risk property insurance for the duration of the construction project. The cost of this insurance shall be included in the GMP proposal.

6. Construction Contractor shall be solely responsible to parties with whom it shall deal in carrying out the terms of the Contract and shall indemnify and hold the Owner harmless against all claims arising from the negligent acts, errors or omissions of consultant by third parties. Construction Contractor shall carry professional liability insurance in an amount not less than $1,000,000, but only if the Contract Documents and Project require the Construction Contractor to provide professional architectural, design or engineering services to Owner.

7. Construction Contractor shall ensure that all subcontractors comply with the same insurance requirements that it is required to meet. Construction Contractor shall provide Owner with certificates of insurance meeting the required insurance provisions.

8. Owner must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for all policies other than Workers' Compensation and/or Professional Liability using Additional Insured Endorsement ISO Form CG 20 10 11 85 or if not available, ISO Forms CG 20 10 10 01 and CG 20 37 10 01 or if not available, their equivalent acceptable to Owner.

9. The Collier County Board of County Commissioners shall be named as the Certificate Holder.

NOTE--The "Certificate Holder" should read as follows:
Collier County
Board of County Commissioners
Naples, Florida

10. No County Division, Department, or individual name should appear on the Certificate. No other format will be acceptable.

11. Thirty (30) Days Cancellation Notice is required.

12. The Certificate must state the Project Number/Solicitation Number and Title of the Project.

13. Owner's Insurance: No additional insurance provided.

(6) If any insurance provided pursuant to the Contract expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by the Owner, copies of the renewal policies, shall be furnished to Owner thirty (30) days prior to the date of expiration.

(7) Should at any time the Construction Contractor not maintain the insurance coverage required in the Contract, the Owner may cancel the Contract or at its sole discretion shall be authorized to purchase such coverage and charge the Construction Contractor for such coverage purchased. If Construction Contractor fails to reimburse Owner for such costs within thirty (30) days after demand, Owner has the right to offset these costs from any

amount due Construction Contractor under the Contract. The Owner shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage purchased or the insurance company/companies used. The decision of the Owner to purchase such insurance coverage shall in no way be construed to be a waiver of its rights under the Contract.

(8) Construction Contractor shall submit within twenty-four (24) hours to Owner and Design Professional a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Construction Contractor under the Contract Documents.

(9) The Owner shall be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy except deductibles as agreed to by the Owner in obtaining Builder's Risk Property Insurance. The payment of such deductible shall be the sole responsibility of the Construction Contractor and/or subcontractor providing such insurance.

EXHIBIT F
RELEASE AND AFFIDAVIT

STATE OF FLORIDA)
COUNTY OF _____)

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

(1) In accordance with the Contract Documents and in consideration of $_____ paid, _____ ("Construction Contractor") releases and waives for itself and its subcontractors, materialmen, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against The Board County Commissioners of Collier County, Florida, a political subdivision of the State of Florida ("Owner") relating in any way to the performance of the Agreement between Construction Contractor and Owner, dated _____, 20__, for the period from _____ to _____.

(2) Construction Contractor certifies for itself and its subcontractors, materialmen, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which Owner might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Construction Contractor agrees to indemnify, defend and save harmless Owner from all demands or suits, actions, claims of liens or other charges filed or asserted against Owner arising out of the performance by Construction Contractor of the Work covered by this Release and Affidavit.

(4) Construction Contractor certifies that it has paid all its subcontractors and materialmen in full all amounts owed them from any previous payments received by Construction Contractor from Owner and has not withheld any such amounts. In the event Construction Contractor withholds any unpaid amounts due to its subcontractors and/or materialmen from the payment it receives from Owner with respect to the Application for Payment referenced in paragraph 5 below, Construction Contractor agrees to immediately refund all such unpaid amounts to Owner.

(5) This Release and Affidavit is given in connection with Construction Contractor's [monthly/final] Application for Payment No._____.

GMP AMENDMENT TO AGREEMENT BETWEEN OWNER AND CONSTRUCTION CONTRACTOR

AMENDMENT NO. 1 TO AGREEMENT BETWEEN OWNER AND CONSTRUCTION CONTRACTOR FOR _____
AGREEMENT NO. _____

Pursuant to Sections 4B and 7A of the Agreement, dated _____, between The Board of County Commissioners of Collier County, Florida ("Owner") and _____ _____ ("Construction Contractor"), with respect to the construction of the Owner's _____ ("Project"), the Owner and Construction Contractor hereby agree to amend and modify the Agreement by this Amendment and establish a Guaranteed Maximum Price and Contract Time for all the Work as set forth below:

ARTICLE 1
SCOPE OF WORK

The scope of the Work consists of the construction of a _____ _____, in accordance with the Agreement, this Amendment and the other Contract Documents listed as Attachments 1 through ___ below, which are hereby incorporated into and made a part of the Amendment by this reference:

Attachment No.	Description	Pages	Date
1.	List of Drawings, Specifications, and Addendums	___ through ___	_____
2.	Schedule of Values	___ through ___	_____
3.	Itemized General Condition Expenses	___ through ___	_____
4.	List of Alternates	___ through ___	_____
5.	Assumptions and Clarifications	___ through ___	_____
6.	Completion Schedule	___ through ___	_____
7.	List of Subcontractors and Major Suppliers	___ through ___	_____

8.	Allowance	___ through ___	_____
9.	Key Personnel	___ through ___	_____

ARTICLE 2
GUARANTEED MAXIMUM PRICE

2.1 Construction Contractor's Guaranteed Maximum Price ("GMP") for the Work, including the estimated Cost of the Work as defined in Section 5 of the Agreement and Construction Contractor's Fee as defined in Section 4 of the Agreement, is _____ ($_____).

2.2 The GMP includes material that may be purchased directly by the Owner ("Owner Direct Purchases"). The estimated value of materials that may be purchased directly by the Owner is _ ($_____). Construction Contractor will initially process one (1) deductive Change Order under this Agreement for the entire estimated amount of Owner Direct Purchases, inclusive of sales taxes. Prior to final payment, a final reconciliation of the Owner Direct Purchases against the GMP will be performed and such deductive Change Order will be prepared for the Owner's review and execution.

2.3 The Construction Contractor's Fee for the entire Work anticipated on this Project is hereby established as a lump sum amount of _____ ($_____), said lump sum amount is included within the above noted GMP.

2.4 The General Condition expenses for the entire Work anticipated on this Project are hereby established as a lump sum amount of _____ ($_____), said lump sum amount is included within the above noted GMP. The items included as General Condition expenses are listed in the List of Itemized General Conditions attached hereto and incorporated herein as Attachment No. ____. Except as said lump sum amount for General Condition expenses may be expressly adjusted by Change Order or Construction Change Directive, Construction Contractor acknowledges and agrees that Owner shall have no liability for any General Condition expenses beyond payment of the above noted lump sum amount and Construction Contractor agrees that it shall not be entitled to receive any additional compensation from Owner for the General Conditions beyond the above lump sum amount.

2.5 Monthly installment payment of the Construction Contractor's Fee and the General Condition expenses shall be based upon the percent completion of the designated portion of the Work for each particular month.

2.6 In order to efficiently and timely address any unknown or unanticipated conditions that are within the scope of the required Work and are otherwise reimbursable without duplication as a Cost of the Work, but excluding all items that are to be reimbursed under the lump sum General Condition expense amount noted in paragraph 2.4 above, the parties have agreed to establish a contingency within the GMP in an amount not-to-exceed amount of _____ ($_____). Contingency funds shall

be used to cover costs that may result from incomplete design and unanticipated costs that arise during construction that are not identified by the construction documents. Construction Contractor shall not proceed with any portion of the Work which it intends to charge against this contingency without first obtaining Owner's express written authorization to proceed. The Construction Contractor acknowledges and agrees that any work which is to be charged against the contingency allowance that does not receive such prior written approval from the Owner shall be deemed to be part of Construction Contractor's basic Work compensated within the GMP and not chargeable against the Owner's Contingency Allowance. The Owner reserves the right, at its sole discretion, to withhold its consent on contingency expenditures. Further, any contingency expenditures become part of the Contract Documents and are incorporated by reference herein. Unused contingency remaining at the end of the job will be credited from the guaranteed maximum price. Construction Contractor has no entitlement to any portion of any unused contingency.

2.7 The parties have agreed to establish an allowance within the GMP for _____ in the amount of _____ ($ _____). Construction Contractor shall not proceed with any portion of the Work associated with the aforesaid allowance ("Allowance Work") without first obtaining Owner's express written authorization to proceed with said Allowance Work. Allowance Amounts are reflected in Attachments _____ through _____.

2.8 Pursuant to Exhibit A, Paragraph 12.4 of the Agreement, if at the time final payment is made to Construction Contractor the total Cost of the Work has been increased by approved Change Orders in an amount causing the original GMP as set forth in this Amendment to be exceeded by more than _____ ($_____), then Construction Contractor shall be entitled to an increase in the Construction Contractor's Fee in the amount of _____ (_____%) of the amount exceeding the sum of _____ ($_____) plus that original GMP amount.

2.9 Construction Contractor recognizes that this Contract includes work for trench excavation in excess of five feet deep. Construction Contractor acknowledges the requirements set forth in Section 553.63 of the Florida Statutes titled Trench Safety Act. Construction Contractor certifies that the required trench safety standards will be in effect during the period of construction of the Project and Construction Contractor agrees to comply with all such required trench safety standards.

2.9.1 The amount of _____ dollars ($_____) has been separately identified for the cost of compliance with the required trench safety standards; said amount is included within the GMP.

ARTICLE 3

CONTRACT TIME

3.1 The Construction Phase Commencement Date for the Work is _____. The total period of time beginning with the Construction Phase Commencement Date through the date required for Substantial Completion of the Work is _____ (

_____) days ("Contract Time"). THE SUBSTANTIAL COMPLETION DATE IS THEREFORE ESTABLISHED AS _____.

3.2 Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Contractor's responsibility to complete the Work within the Contract Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement in the amount of $_____ shall be assessed against Construction Contractor for each calendar day Construction Contractor fails to achieve Substantial Completion for the Designated Work within the Contract Time.

ARTICLE 4

MISCELLANEOUS

4.1 Except as expressly modified herein, the terms and conditions of the Agreement remain unchanged. In the event of a conflict between the terms of this Amendment and those of the Agreement, Owner and Construction Contractor agree that the terms of this Amendment shall prevail and control.

EXHIBIT N
SCOPE OF WORK

Task 1 - Design Phase Activities

OBJECTIVE

The objective shall be to assist the Owner and the design consultant in the timely delivery and successful completion of design and design related services necessary to initiate construction of all elements associated with the CMAR 21-7883-ST Main Campus Upgrade Project. The overriding objective of the CMAR is to assist the Owner and the design consultant in keeping this project on schedule, under budget and fully coordinated with all parties.

DESCRIPTION

The scope of this project is to provide the Owner preconstruction reviews, constructability analyses, cost estimating, general condition/construction contract management and construction management services (referred to in the basic agreement as Construction Manager At Risk) for the planned construction of the CMAR 21-7883-ST Main Campus Upgrade Project.

During the design phase, the CMAR will lend its construction expertise to the Project Team potentially comprised of the Owner retained Architect/Engineer (A/E) and its subconsultants, as well as Owner staff. The goal of the CMAR is to work jointly with the design consultant to present to the Owner project estimates at various stages of the project that achieve the best product for the available project funds and is completed within Owner time guidelines.

The CMAR will provide estimating, constructability review, construction activity planning, scheduling, complete project pricing services, provide for the necessary construction management and related services;

The CMAR may cross-utilize funds from the various tasks assigned to accomplish the overall purpose and goal of this Agreement provided CMAR has obtained prior written approval from the Owner. The Owner shall review the need for such request and the impact on other assigned tasks. In doing so, the Owner retains the right to add, delete or modify any task outlined in the Scope of Services.

BASIC SERVICES

The CMAR will provide the services necessary to accomplish the Objective and Description outlined above. These services will include, but not be limited to:

a. Facilitate design meetings as needed. Document and provide meeting minutes.
b. Review and provide comments on project scope, disclosed information about existing conditions at the project location, initial permitting assessment, design approach and design scope of services, Total Project Budget and Master Schedule information.

c. Attend all Owner Board and Committee meetings in which items of business pertinent to the project are presented. Address or provide presentations to the BCC when necessary.
d. Prepare quantity-takeoff-based estimates of probable construction cost. As a minimum, these estimates shall include an estimate of general conditions costs, expected trade-by-trade costs, CMR fees for construction phase services, and any other project contingencies.
e. Lead constructability efforts with the Project Team as needed to affect both adherence to budgetary requirements as may be possible and to investigate improvements in project program through design modifications.
f. Review all design documents for the purpose of supplementing the design team primary responsibility for compliance with applicable laws, rules, codes, design standards, and ordinances. Utilize expertise to identify code issues within the documents.
g. Provide recommendations of the timing of the release of the drawings and specifications taking into consideration such factors as time of performance, availability of labor, as well as Owner's occupancy requirements, etc. Recommend when applicable any necessary fast-track approaches or early award packages for certain bid elements.

Deliverables:

1. Provide constructability reviews at the 30%, 60%, 90% and 100% design phase.
2. Provide probable construction cost estimates at the 30%, 60%, 90% and 100% design phase.
3. Provide value engineering review at the 30%, 60%, 90%, and 100% design phase.

Task 2 - Bid Management Activities:

OBJECTIVE

The objective shall be to assist the Owner in receiving and reviewing Bids for the work necessary to complete construction of all elements associated with the CMAR 21-7883-ST Main Campus Upgrade Project.

DESCRIPTION

The scope of this project is to provide the Owner outsourced procurement, general condition/construction contract management and construction management services (referred to in the basic agreement as Construction Manager At Risk) for the planned construction of the CMAR 21-7883-ST Main Campus Upgrade Project.

During the bidder solicitation phase activities, the CMAR will lend its construction expertise to the Project Team potentially comprised of the Owner retained Architect/Engineer (A/E) and its subconsultants, as well as Owner staff.

The CMAR may cross-utilize funds from the various tasks assigned to accomplish the overall purpose and goal of this Agreement provided CMAR has obtained prior written approval from the Owner. The Owner shall review the need for such request and the impact on other assigned tasks. In doing so, the Owner retains the rights to add, delete or modify any task outlined in the Scope of Services.

CAO

BASIC SERVICES

a. The CMAR shall conduct all bid Management Activities in conformance with the Agreement.
b. In accordance with the submitted bid phase activities receive bids for trade packages.
c. During the course of bid phase activities, receive all addenda from the A/E and forward to applicable bidders.
d. Subsequent to receipt of subtrade bids, review all bids received and prepare a tabulation of all subtrade bids received.
e. Meet with the Project Team to review bids received and finalize trade contractor selections. The Project Team will evaluate and analyze the bids in which any areas of discrepancy will be addressed with the particular subcontractor bidder prior to final selection.
f. The CMAR will award to the low subtrade bid unless otherwise authorized by the Owner in writing. If requesting to award to other than the lowest subtrade bid, a written justification and request must be provided to the Owner.
g. Based on trade bids received, the CMAR will provide a Project Final Price proposal that addresses both cost and time or performance. The Project Final Price will include the sum of all subtrade construction work and the negotiated services necessary to successfully construct the project.

Task 3- Fee Summary:

The fee for pre-construction services is a lump sum amount distributed as follows:

Task 1 – Design Phase Activities	$51,820.00
Task 2 – Bid Management Activities	$18,775.00
Task 3 Total Lump Sum Amount	**$70,595.00**

Included within the professional services fee is the cost of all travel within 60 miles of Collier County, long distance telephone calls, facsimiles, technology including software and hardware usage, postage, delivery services, and other direct expenses.

EXCLUSIONS:

Not included in this scope of work is construction related activities.
Not included in this scope of work is any design or engineering related activities.
Not included in this scope of work is any subconsultant work (i.e., survey / utility locates, soil testing, etc.)

FIRST AMENDMENT TO AGREEMENT #21-7883-ST

FOR

MAIN CAMPUS UPGRADES (MCU)

THIS FIRST AMENDMENT, made and entered into on this 9 day of January 2024, by and between **O-A-K/Florida, Inc. d/b/a Owen-Ames-Kimball Company** (the "Construction Manager") and **Collier County**, a political subdivision of the State of Florida, (the "Owner") (collectively, the "Parties"):

WHEREAS, on May 10, 2022 (Agenda Item No. 16.C.4), the County entered into Construction Manager At Risk (CMAR) Agreement No. #21-7883-ST, "Main Campus Upgrades (MCU)" (the "Agreement"), with the Construction Manager to provide CMAR services to manage and coordinate the construction of the Main Campus Upgrades, which include the surtax approved New Chiller Plant Building K and the Underground Chilled Water Mains; and

WHEREAS, the preconstruction services in the amount of $70,595, and a fee of five percent (5%) of the then yet to be determined Guaranteed Maximum Price (GMP) proposal for construction services were approved under the Agreement; and

WHEREAS, the Parties wish to amend the Agreement to include Construction Phase scope and associated attachments, and provide for a total Guaranteed Maximum Price to be paid to Construction Contractor in the amount of Seventeen Million Six Hundred Forty-Eight Thousand Six Hundred and Eighty-Nine Dollars and Ninety-Seven Cents ($17,648,689.97), and to establish the Contract Time for the Work; and

WHEREAS, pursuant to Section 6. Bonds, within ten (10) business days after the GMP is agreed to by Owner and Construction Contractor, the Construction Contractor shall provide Owner with Performance and Payment Bonds, in the form prescribed in Exhibits C and D of the Agreement in the amount of 100% of the total sum of the GMP; and

WHEREAS, further the County wishes to update the County Notices detail, include insurance requirements for the Construction Phase, and Construction Manager's Staffing Schedule details.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, it is agreed by the Parties as follows:

1. The above recitals are hereby incorporated into this First Amendment as if fully set forth herein.

2. Section 9. Notices of the Agreement for all notices required or made pursuant to this Contract by Construction Manager to Owner is hereby updated as follows:

   Collier County, 3335 Tamiami Trail, East, Naples, Florida 34112
   Attention: Tim Rygiel, Project Manager II

Email and Phone: Timothy.Rygiel@colliercountyfl.gov / (239) 252-8380

3. Exhibit E-2 Construction Phase Insurance Requirements for the Construction Phase is hereby attached hereto this First Amendment.

4. Exhibit J Construction Manager's Staffing Schedule is hereby attached hereto this First Amendment.

5. Exhibit K, the GMP Amendment Attachment is hereby attached to this First Amendment.

6. All other terms and conditions of the Agreement shall remain the same.

Signature page to follow

IN WITNESS WHEREOF, the Parties have executed this Amendment on the date and year first written above by an authorized person or agent.

EXHIBIT E-2
CONSTRUCTION PHASE
INSURANCE REQUIREMENTS

(1) During the term of the Contract, the Construction Manager shall provide, pay for, and maintain, with companies satisfactory to the Owner, the types of insurance described herein. All insurance shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies registered with the State of Florida. The insurance coverage and limits required must be evidenced by properly executed Certificates of Insurance on an ACORD or equivalent form. The Certificates must be signed by an authorized representative of the insurance company/companies shown on the certificates with proof that he/she is an authorized representative thereof. In addition, copies of all insurance policies required shall be provided to the Owner, on a timely basis, if requested by the Owner. These certificates and policies shall contain provisions that thirty (30) days written notice by registered or certified mail, facsimile or e-mail shall be given the Owner of any cancellation, intent not to renew, or reduction in the policies' coverage. Construction Manager also shall notify Owner, in a like manner, within forty-eight (48) hours after receipt by the Construction Manager of the respective notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Construction Manager from its insurer, and nothing contained herein shall relieve Construction Manager of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy, the Construction Manager shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

(2) All insurance policies required by the Contract shall include the following provisions and conditions by endorsement to the policies:

(a) The term "Board of County Commissioners of Collier County, Florida" shall include Collier County, Florida, a political subdivision of the State of Florida and all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and offices thereof and individual members and employees thereof in their official capacity, and/or while acting on behalf of Collier County, Florida.

(b) All insurance policies provided by Construction Manager to meet the requirements of this Agreement shall name the Board of County Commissioners of Collier County, Florida, as that name is defined in (2)(a) above, as an additional insured as to the operations of the Construction Manager under the Contract and shall contain a severability of interests provision.

(c) Companies issuing the insurance policy or policies shall have no recourse against Owner for payment of premiums or assessments for any deductibles, which all are at the sole responsibility and risk of Construction Manager.

(d) All insurance coverage of the Construction Manager shall be primary to any insurance or self-insurance program carried by the Owner applicable to the Project, and the "Other Insurance" provisions of any policies obtained by Construction Manager shall not apply to any insurance or self-insurance program carried by Owner applicable to the Project.

(3) The acceptance by the Owner of any Certificate of Insurance for the Project evidencing the insurance coverage and limits required in the Contract does not constitute approval or agreement by the Owner that the insurance requirements have been met or that the insurance policies shown on the Certificates of Insurance are in compliance with the requirements of the Contract.

(4) No work shall commence at the Project site unless and until the required Certificates of Insurance are received and the written Notice to Proceed is issued to the Construction Manager by the Owner.

(5) Before starting and until acceptance of the work by Owner, Construction Manager shall procure and maintain insurance of the types and to the limits specified below. Construction Manager shall require each of its subcontractors to procure and maintain, until the completion of that subcontractor's work, insurance of the types and to the limits specified below, unless such insurance requirement for the subcontractor is expressly waived in writing by the Owner.

	INSURANCE TYPE	REQUIRED LIMITS
1.	Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Government Statutory Limits and Requirements. Policy must include Employers' Liability with a limit of $1,000,000 each accident.
2.	Commercial General	Bodily Injury & Property Damage Liability Patterned after the current I.S.O. Occurrence Form. $2,000,000 Single Limit Per Occurrence; $3,000,000 aggregate for Bodily Injury Liability and Property Damage Liability. The General Aggregate Limit shall be endorsed to apply per project. This shall include Premises and Operations; Independent Contractors; Products and Completed Operations and Contractual Liability.
3.	Automobile Liability	$1,000,000 Each Occurrence Owned/Non-owned/Hired Automobile Included
4.	Other Insurance as indicated below:	
	a) Professional Liability	$1,000,000, if required by the Contract Documents
	b) Pollution Insurance	$2,000,000, if required by the Contract Documents

CAO

c) Umbrella Coverage $5,000,000, per occurrence

5. The Owner must purchase and maintain Builder's Risk property insurance for the duration of the construction project. The cost of this insurance shall be included in the GMP proposal.

6. Construction Manager shall be solely responsible to parties with whom it shall deal in carrying out the terms of the Contract and shall indemnify and hold the Owner harmless against all claims arising from the negligent acts, errors or omissions of consultant by third parties. Construction Manager shall carry professional liability insurance in an amount not less than $1,000,000, but only if the Contract Documents and Project require the Construction Manager to provide professional architectural, design or engineering services to Owner.

7. Construction Manager shall ensure that all subcontractors comply with the same insurance requirements that it is required to meet. Construction Manager shall provide Owner with certificates of insurance meeting the required insurance provisions.

8. Owner must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for all policies other than Workers' Compensation and/or Professional Liability using Additional Insured Endorsement ISO Form CG 20 10 11 85 or if not available, ISO Forms CG 20 10 10 01 and CG 20 37 10 01 or if not available, their equivalent acceptable to Owner.

9. The Collier County Board of County Commissioners shall be named as the Certificate Holder.

NOTE--The "Certificate Holder" should read as follows:
Collier County
Board of County Commissioners
Naples, Florida

10. No County Division, Department, or individual name should appear on the Certificate. No other format will be acceptable.

11. Thirty (30) Days Cancellation Notice is required.

12. The Certificate must state the Project Number/Solicitation Number and Title of the Project.

13. Owner's Insurance: No additional insurance provided.

(6) If any insurance provided pursuant to the Contract expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by the Owner, copies of the renewal policies, shall be furnished to Owner thirty (30) days prior to the date of expiration.

(7) Should at any time the Construction Manager not maintain the insurance coverage required in the Contract, the Owner may cancel the Contract or at its sole discretion shall be authorized to purchase such coverage and charge the Construction Manager for such coverage purchased. If Construction Manager fails to reimburse Owner for such costs within thirty (30) days after demand, Owner has the right to offset these costs from any amount due Construction Manager under the Contract. The Owner shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage purchased or the insurance company/companies used. The decision of the Owner to purchase such insurance coverage shall in no way be construed to be a waiver of its rights under the Contract.

(8) Construction Manager shall submit within twenty-four (24) hours to Owner and Design Professional a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Construction Manager under the Contract Documents.

(9) The Owner shall be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy except deductibles as agreed to by the Owner in obtaining Builder's Risk Property Insurance. The payment of such deductible shall be the sole responsibility of the Construction Manager and/or subcontractor providing such insurance.

GMP AMENDMENT TO AGREEMENT BETWEEN OWNER AND CONSTRUCTION CONTRACTOR

GMP ATTACHMENT TO AMENDMENT NO. 1 TO AGREEMENT BETWEEN OWNER AND CONSTRUCTION CONTRACTOR FOR THE MAIN CAMPUS UPGRADES (MCU) NEW CHILLER PLANT BUILIDNG K, UNDERGROUND CHILLED WATER MAINS, JAIL GENERATOR AND PLATFORM PROJECT

AGREEMENT NO. 21-7883-ST

Pursuant to Sections 4B and 7A of the Agreement, dated May 10, 2022, between The Board of County Commissioners of Collier County, Florida ("Owner") and **O-A-K Florida, Inc. d/b/a Owen-Ames-Kimball Company** ("Construction Contractor"), with respect to the construction of the Owner's Main Campus Upgrades (MCU) New Chiller Plant Building K, Underground Chilled Water Mains, Jail Generator and Platform ("Project"), the Owner and Construction Contractor hereby agree to amend and modify the Agreement by this Amendment and establish a Guaranteed Maximum Price and Contract Time for all the Work as set forth below:

ARTICLE 1

SCOPE OF WORK

The scope of the work consists of the renovation of the existing central energy plant located in Building K, addition of a new chilled water pump room, renovation of the existing ice farm enclosure for the installation of two new Collier County supplied generators, construction of a Thermal Energy Storage tank, new underground chilled water piping from the new pump room and Thermal Energy Storage tank, all associated demolition and site work in accordance with the Agreement, this Amendment and the other Contract Documents listed as Attachments 1 through 9 below, which are hereby incorporated into and made a part of the Amendment by this reference:

Attachment No.	Description	Pages	Date
1.	List of Drawings, Specifications, and Addendums	2 through 13	10-26
2.	Schedule of Values	14 through 17	10-26
3.	Itemized General Condition Expenses	18 through 19	10-26
4.	List of Alternates	20	10-26
5.	Assumptions and Clarifications	21	10-26
6.	Completion Schedule	22 through 24	10-26
7.	List of Subcontractors and Major Suppliers	25	10-26
8.	Allowance	26	10-26
9.	Key Personnel	27	10-26

ARTICLE 2
GUARANTEED MAXIMUM PRICE

2.1 Construction Contractor's Guaranteed Maximum Price ("GMP") for the Work, including the estimated Cost of the Work as defined in Section 5 of the Agreement and Construction Contractor's Fee as defined in Section 4 of the Agreement, is seventeen million, six hundred forty-eight thousand, six hundred eighty-nine dollars and ninety-seven cents ($17,648,689.97).

2.2 Omitted.

2.3 The Construction Contractor's Fee for the entire Work anticipated on this Project is hereby established as a lump sum amount of **eight hundred forty thousand, four hundred thirteen dollars and eighty-one cents ($840,413.81)**, said lump sum amount is included within the above noted GMP.

2.4 The General Condition expenses for the entire Work anticipated on this Project are hereby established as a lump sum amount of **one million, one hundred fifty-eight thousand, eight hundred dollars ($1,158,800.00)**, said lump sum amount is included within the above noted GMP. The items included as General Condition expenses are listed in the List of Itemized General Conditions attached hereto and incorporated herein as Attachment No.3. Except as said lump sum amount for General Condition expenses may be expressly adjusted by Change Order or Construction Change Directive, Construction Contractor acknowledges and agrees that Owner shall have no liability for any General Condition expenses beyond payment of the above noted lump sum amount and Construction Contractor agrees that it shall not be entitled to receive any additional compensation from Owner for the General Conditions beyond the above lump sum amount.

2.5 Monthly installment payment of the Construction Contractor's Fee and the General Condition expenses shall be based upon the percent completion of the designated portion of the Work for each particular month.

2.6 In order to efficiently and timely address any unknown or unanticipated conditions that are within the scope of the required Work and are otherwise reimbursable without duplication as a Cost of the Work, but excluding all items that are to be reimbursed under the lump sum General Condition expense amount noted in paragraph 2.4 above, the parties have agreed to establish a contingency within the GMP in an amount not-to-exceed amount of **four hundred eighty-one thousand, two hundred fifty-nine dollars and two cents ($481,259.02)**. Contingency funds shall be used to cover costs that may result from incomplete design and unanticipated costs that arise during construction that are not identified by the construction documents. Construction Contractor shall not proceed with any portion of the Work which it intends to charge against this contingency without first obtaining Owner's express written authorization to proceed. The Construction Contractor acknowledges and agrees that any work which is to be charged against the contingency allowance that does not receive such prior written approval from the Owner shall be deemed to be part of Construction Contractor's basic Work compensated within the GMP and not chargeable against the Owner's Contingency Allowance. The Owner reserves the right, at its sole discretion, to withhold its consent on contingency expenditures. Further, any contingency expenditures become part of the Contract Documents and are incorporated by reference herein. Unused contingency remaining at the end of the job will be credited from the guaranteed maximum price. Construction Contractor has no entitlement to any portion of any unused contingency.

2.7 The parties have agreed to establish an allowance within the GMP for subsurface investigation and stucco general labor, as reflected on the schedule of values, in the amount of **eighty-two thousand five hundred dollars ($82,500)**. Construction Contractor shall not proceed with any portion of the Work associated with the aforesaid allowance ("Allowance Work") without first obtaining Owner's express written authorization to proceed with the said Allowance Work. Allowance Amounts are reflected in Attachment 8.

2.8 Omitted

2.9 Construction Contractor recognizes that this Contract includes work for trench excavation in excess of five feet deep. Construction Contractor acknowledges the requirements set forth in Section 553.63 of the Florida Statutes titled Trench Safety Act. Construction Contractor certifies that the required trench safety standards will be in effect during the period of construction of the Project and Construction Contractor agrees to comply with all such required trench safety standards.

2.9.1 The amount of **seven hundred fifty dollars ($750)** has been separately identified for the cost of compliance with the required trench safety standards; said amount is included within the GMP.

ARTICLE 3

CONTRACT TIME

3.1 The Construction Phase Commencement Date for the Work will begin upon issuance of a Notice to Proceed (NTP). The total period of time beginning with the Construction Phase Commencement Date through the date required for Substantial Completion of the Work is **four hundred twenty-five (425) days** ("Contract Time").

3.2 Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Contractor's responsibility to complete the Work within the Contract Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement in the amount of **seven thousand four hundred seventy-five dollars ($7,475)** shall be assessed from Construction Contractor for each calendar day Construction Contractor fails to achieve Substantial Completion for the Designated Work within the Contract Time.

ARTICLE 4

MISCELLANEOUS

4.1 Except as expressly modified herein, the terms and conditions of the Agreement remain unchanged. In the event of a conflict between the terms of this Amendment and those of the Agreement, Owner and Construction Contractor agree that the terms of this Amendment shall prevail and control.

ATTACHMENT 2 - SCHEDULE OF VALUES

COLLIER COUNTY - NEW CHILLER PLANT BUILDING K

PROJECT: COLLIER COUNTY - NEW CHILLER PLANT BUILDING K			
LOCATION: 3335 Tamiami Trail East, Naples, FL 34112		DATE:	10.26.23
ARCH/ENG: Matern Engineering / RG Architects Inc.			
ESTIMATOR: PRECON Team			
PLANS DATE: 7/12/23, 7/18/23, 9/12/23	PROJECT SIZE	SF	8,232

DIVISIONS	BIDDER / QTY		COST ($)
DIV 01 00 00: GENERAL CONDITIONS			
General Conditions	Owen-Ames-Kimball		$688,250.00
General Requirements	Owen-Ames-Kimball		$470,550.00
DIV 01 74 23 - FINAL CLEANING:			
Cleaning of entire new addition including all equipment, electrical room and all equipment,	Pristine Cleaning		$10,344.40
washing epoxy floors, Storefront and Sidewalk Washing.	Included		
Spiff Cleaning prior to Tenant Occupancy	Included		
DIV 02 00 00: EXISTING CONDITIONS			
02 20 00 - Surveying	Q Grady Minor		$34,280.00
02 30 00 - Subsurface Investigation	Allowance		$7,500.00
02 32 16 - Materials Testing	H2R Corp		$34,550.00
02 41 00 - Selective Demolition	Wildcat Demolition		$115,525.00
Pump Room Slab removal & chain-link fence, railings, ramps, sidewalk	Included		
DIV 03 30 00: CONCRETE & MASONRY			
Concrete & Masonry for pumproom, flood walls, roof curbs	Commercial Concrete Systems		$1,009,271.64
CIP Walls, Housekeeping Pads	Included		
03 41 13 - Precast Concrete Hollow Core Planks - Supply and Install	American Precast LLC		$32,475.00
DIV 05: METALS			
05 12 00 - STRUCTURAL STEEL:			
Structural Steel, Decking, Columns, Beams, base plates, steel flanges, supports.	East Coast Metal Structures		$411,912.00
Shop Drawings, Anchor Bolts, Embeds	Included		
05 70 00 - DECORATIVE METALS:			
Aluminum Railings, Ship ladder, Guardrails, Handrails, wall mounted rails, Grating, catwalk	East Coast Metal Structures		$118,898.00
Steel Bollards, shop drawings, included.	Included		

CAO

DIV 06: CARPENTRY			
ROUGH & FINISHED CARPENTRY:	Lee Drywall, Inc		$166,011.73
Plywood sheathing, temporary guardrails at existing bldg. & new addition.	Included		
Temp. guardrails at new pump room roof, temp guardrails at sump pits in new pump room.	Included		
Miscellaneous Carpentry (temporary doors, temp walls, temp locks)	Included		
Installation of doors, and associated hardware.	Included		
Slushing HM door frames onto CMU walls.	Included		
DIV 07: THERMAL & MOISTURE PROTECTION			
Dampproofing new foundation walls	Included		
Dampproofing new CMU walls	Included		
Weather Barrier behind metal panel	Included		
Bentonite Clay Water Proofing	Included		
Weather Barrier at openings of new Pump Room	Included		
Waterproofing below grade at exterior surfaces of the pipe pit, per 14-S301	Included		
Combined Dampproofing and Waterproofing package	Service Contracting Solutions		$21,829.00
DIV 07: ROOFING			
Single Ply (Kee) Roofing System with LWIC	Crowther Roofing and Sheetmetal		$325,865.75
Expansion joints, roof blocking, tie into existing building, flashing, drains, coping caps	Included		
Lightning Protection Pads	Crowther Roofing and Sheetmetal		$5,481.00
Temporary mod-bit roofing over concrete deck.	Crowther Roofing and Sheetmetal		$58,895.38
DIV 07: WALL & CEILING PANELS			
07 42 13.A01 - ACM Wall Paneling system	Cladding Systems, Inc		$119,200.00
Reynobond, 0.20 Aluminum skins, 4mm thick, fire rated core, route and return rainscreen system (per #FL11794), manufacturer's standard 2-coat colors.	Included		
All clips, hat channels at 16"OC, shop drawings and sales taxes, freight.	Included		
07 84 00 - FIRESTOPPING			
Firestopping for block walls, MEP penetrations to fire-rated walls.	Wall Systems Contractors		$5,605.00
07 92 00 - JOINT SEALANTS:			
Joint Sealants at CMU to CMU joints	included		
Joint Sealants at Miscellaneous Locations	included		
Joint Sealants at new louvers	included		
Joint Sealants at windows	included		
Joint Sealants at new CMU to Exposes Structure	included		
Joint Sealants Stucco to Metal Panels	included		
Joint Sealants at Control Joints	included		
Combined Joint Sealants Package	Service Contracting Solutions		$17,312.00
07 95 13 - Expansion Control System	Service Contracting Solutions		$4,024.00
DIV 08: OPENINGS			
08 10 00 - Doors, Frames & Hardware Supply	Pinnacle Door and Hardware		$97,300.00
08 80 00 - Glass & Glazing	Precision Glass Solutions inc.		$41,220.00

Owen-Ames-Kimball Company

239-561-4141

DIV 09: FINISHES			
09 20 00 - STUCCO			
Full Stucco replacement of existing building and generator enclosure (demo & new work)	Lee Drywall		$239,278.00
Stucco for new Addition (wall between new addition and existing building alleyway)	Lee Drywall		$60,574.25
Exterior scaffolding around new and existing building for stucco and painting work.	Lee Drywall		$63,836.20
Stucco General Labor to be tracked by CM	Allowance		$75,000.00
09 30 00 - FLOOR LEVELING & EPOXY FINISHES			
Grinding off exiting finishes	Quality Carpet & Flooring		$19,459.51
Applying a homogeneous layer of floor leveling compound throughout chiller room, pump room, and proposed electrical room prior to application of flooring finishes.	Quality Carpet & Flooring		$86,424.49
PAINTING:	Service Contracting Solutions		$87,967.00
Interior exposed structures, ceilings, walls Painting (pump room, chiller room, electrical room)	included		
Exterior painting of all new stucco finishes (building K and gen. enclosure)	included		
DIV 10: SPECIALTIES			
10 00 00 - SPECIALTIES:			
Fire Extinguisher and Cabinets	Crowther Specialties		$2,530.00
10 14 00 - Signage	I2 Visual		$5,308.00
ADA Compliant Room Id restroom, and project signs	Included		
10 71 13.43.A02 - PERFORATED ALUMINUM PANELS:			
Aluminum Fixed Sunscreens and associated attachments, engineering, finishes	Perfection Architectural Systems		$217,388.00
Manufacturer - Perfection's Aluminum Canopy System			
10 71 19 - FLOOD PANEL SYSTEM			
Materials	Orange Flood Control, LLC		$47,508.00
Installation, engineering, bathtub testing	Orange Flood Control, LLC		$72,760.00
10 73 16 - PROTECTIVE COVERS	Perfection Architectural Systems		$42,365.00
Includes Centria BR5-36 Panels	included		
2"x4" Frame, 8" Gutters, Aluminum Pipes, 1.5"x6"x0.78" Self-mating Rigid Roll Lock for Suspended Canopies	included		
DIV 22 00 00: PLUMBING			
Complete Plumbing Package	B&I Contractors, Inc		$127,162.00
DIV 23 00 00: HVAC			
Complete HVAC Package, including BIM Coordination	B&I Contractors, Inc		$3,984,000.00
Stainless Steel Piping under TES Tank	B&I Contractors, Inc		$7,752.00
23 71 13 - Thermal Storage Tank	The CROM Corporation		$2,719,433.00
DIV 26: ELECTRICAL			
ELECTRICAL:			
Electrical Package, including lightning protection system	Nauti Electric Inc.		$2,370,287.50
All Low Voltage Systems	Nauti Electric Inc.		$68,752.50
Tank Lighting	Nauti Electric Inc.		$60,000.00

Owen-Ames-Kimball Company

239-561-4141

DIV 31: EARTHWORK			
SITEWORK:	Pavement Maintenance		$897,565.87
Mobilization & General Requirements	Included		
Earthwork	Included		
Site Concrete	Included		
Asphalt Repair	Included		
31 23 00 - Vibratory Soils Modification	Earth Teck		$143,000.00
Termite Control/ Soil Treatment	Northwest Exterminating		$3,046.20
DIV 32: EXTERIOR IMPROVEMENTS			
Landscape & Irrigation	Big Tree, Inc.		$114,795.00
DIV 33: UTILITIES			
UNDERGROUNG UTILITIES:	Strickler Brothers	LS	$729,475.00
Mobilization & General Requirements	included		
Storm Drainage	included		
Water Utilities	included		
Fire Utilities	included		
Sanitary Sewerage Utilities	included		
	Subtotal		**$16,041,967.42**
	General Liability insurance	0.5%	$80,209.84
	Pollution Insurance	0.000269	$4,315.29
	Bldg. Permit fees	0.5%	$80,209.84
	Builder's Risk Insurance	0.0%	$0.00
	P & P Bond	0.75%	$120,314.76
	Contingency	3.0%	$481,259.02
	Subtotal		**$16,808,276.16**
	CM Fee	5.0%	$840,413.81
	TOTAL		**$17,648,689.97**

COLLIER COUNTY - NEW CHILLER PLANT BUILDING K

PROJECT: COLLIER COUNTY - NEW CHILLER PLANT BUILDING K
LOCATION: 3335 Tamiami Trail East, Naples, FL 34112
ARCH/ENG: Matern Engineering
ESTIMATOR: Fred Doster / Abel Natali / Pablo Ferreira
PLANS DATE: 7/12/23, 7/18/23, 9/12/23

Cost Associated with Trench Safety Act = $750. Included in base bid
Major Dewatering not included
Firepump not included
Rock Excavation not included
Removal/Replacement of Unsuitable Soils not included
Temporary Water Costs for Construction Use is by Owner
Temporary Electric Cost for Construction Use is By Owner
Davis Bacon Wage rates not included
Solar Panels are not included
Crane System not included
FPL transformers & primary feeders not included
Design Fees not included
Impact Fees not included
Fire Sprinkler System not included
Commissioning not included
Furnishing of Chillers, Generators, & Switchgear (By Owner)
Temporary Chillers Furnished by owner
Coping Cap replacement under the existing screen wall supports is not included
Builder's Risk Insurance By Owner

SECOND AMENDMENT TO AGREEMENT #21-7883-ST

FOR

MAIN CAMPUS UPGRADES (MCU)

THIS SECOND AMENDMENT, made and entered into on this 25th day of June 2024, by and between **O-A-K/Florida, Inc. d/b/a Owen-Ames-Kimball Company** (the "Construction Manager" or "Construction Contractor") and **Collier County**, a political subdivision of the State of Florida, (the "County" or "Owner") (collectively, the "Parties"):

WHEREAS, on May 10, 2022 (Agenda Item No. 16.C.4), the County entered into Construction Manager At Risk (CMAR) Agreement No. #21-7883-ST "Main Campus Upgrades (MCU)" (the "Agreement") with Construction Manager for CMAR services to manage and coordinate the construction of the Main Campus Upgrades, which include the surtax approved New Chiller Plant Building K and the Underground Chilled Water Mains; and

WHEREAS, on January 9, 2024 (Agenda Item 11.G), the Parties entered into a First Amendment to the Agreement (the "First Amendment") to include the Construction Phase scope, provide for a total Guaranteed Maximum Price ("GMP") to be paid to Construction Manager in the amount of Seventeen Million Six Hundred Forty-Eight Thousand Six Hundred and Eighty-Nine Dollars and Ninety-Seven Cents ($17,648,689.97), and establish the Contract Time for the Work; and

WHEREAS, the Schedule of Values included as Attachment 2 to the First Amendment, which established the agreed upon GMP, included a line item for reimbursement for the costs for General Liability, Pollution, and Builder's Risk Insurance coverages that conflicts with the terms set forth in Exhibit E-1(1) of the Agreement and Exhibit E-2(1) of the First Amendment, which both state in part : "During the term of the Contract, the Construction Contractor shall provide, pay for, and maintain, with companies satisfactory to the Owner, the types of insurance described herein."; and

WHEREAS, the Parties do not dispute that the GMP agreed upon by the Parties included reimbursement to the Construction Manager for the aforementioned identified insurances coverages under the Agreement and wish to conform the language in Exhibit E-1(1) of the Agreement and Exhibit E-2(1) of the First Amendment to eliminate the conflicting terms as set forth below.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, it is agreed by the Parties as follows:

1. The above recitals are hereby incorporated into this Second Amendment as if fully set forth herein.

2. The first sentence of Exhibit E-1(1), Insurance Requirements of the Agreement and Exhibit E-2(1) of the First Amendment are each hereby revised as follows:

   During the term of the Contract, the Construction Contractor shall provide, pay for (subject to being reimbursed by Owner for those agreed upon insurance coverages listed in the GMP

CAO

Schedule of Values as set forth in the First Amendment to the Agreement), and maintain, with companies satisfactory to the Owner, the types of insurance described herein.

3. All other terms and conditions of the Agreement shall remain the same.

Executive Summary

Recommendation to approve an Interlocal Agreement between the Board of County Commissioners and North Collier Fire Control and Rescue District for the use of Mobility VPNs.

OBJECTIVE: Establish an Interlocal Agreement between the Board and North Collier Fire Control and Rescue District for using Mobility VPNS to optimize connections, providing security and mobile productivity by maintaining connectivity with the Collier County Dispatch system.

CONSIDERATIONS: A reliable connection with the Collier County Dispatch system is critical for the timely delivery of services and the safety of first responders. Connectivity throughout the county varies as responders move in and out of wireless coverage areas and various networks. Access to VPN and, as a result, reliable connectivity is critical to selecting the closest, most appropriate resource and exchanging information between the field and the dispatch center.

FISCAL IMPACT: The cost of the cradle point hardware and startup software is not anticipated to exceed $30,000. Funding for this project was budgeted and is available within EMS Operating fund (4050). This is a one-time cost and no recurring costs are anticipated.

GROWTH MANAGEMENT IMPACT: This action has no Growth Management impact.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires a majority vote for approval. -SAA

RECOMMENDATIONS: The Board of County Commissioners approve the Interlocal Agreement between the Board of County Commissioners and North Collier Fire Control and Rescue District for the use of Mobility VPNs.

PREPARED BY: Bruce Gastineau, Chief, Collier County EMS

ATTACHMENTS:

1. Interlocal Agreement NCFD mobility VPN

INTERLOCAL AGREEMENT FOR THE USE of MOBILITY VPNS BETWEEN NORTH COLLIER FIRE CONTROL AND RESCUE DISTRICT AND BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY

This interlocal agreement ("Agreement") is entered into by and between the NORTH COLLIER FIRE CONTROL AND RESCUE DISTRICT, an independent special district of the State of Florida created under Chapter 2015-191, Laws of Florida (the "District"), and BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, ("Partnering Agency"), a political subdivision of the State of Florida (hereinafter referred to as the "County") with the District and Partnering Agency, individually known as the "Party".

WHEREAS, Section 191.008, Florida Statutes, authorizes the District to establish and maintain emergency medical and rescue response services and acquire and maintain rescue, medical, and other emergency equipment; and

WHEREAS, the Partnering Agency has all powers of self-government as prescribed by Florida Statutes, including the provision of emergency medical services; and

WHEREAS, the District and Partnering Agency presently maintain and operate emergency service departments, with firefighting, rescue, and emergency medical equipment; and

WHEREAS, Section 163.01, Florida Statutes, authorizes local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with

CAO

geographic, economic, population, and other factors influencing the needs and development of local communities; and

WHEREAS, the District has entered into a service agreement with Absolute Secure Access ("Company") through Insight Public Sector (the service agreement and invoice collectively, the "Service Agreement", attached as Exhibit A), whereby Company deploys a mobile virtual private network ("VPN") solution to support the District's first responders and provides security and mobile productivity by maintaining and optimizing connections to the Collier County dispatch system as District users move in and out of wireless coverage areas and across various networks; and

WHEREAS, the VPN is a shareable system, meaning additional licenses and VPN client software may be acquired to allow other government agencies to utilize; and

WHEREAS, the Partnering Agency has expressed a desire to acquire VPNs and associated software under the District's Service Agreement and to be designated as a "user"; and

WHEREAS, the District is amendable to allowing the Partnering Agency to acquire licenses through the District's Service Agreement if the Partnering Agency also agrees to use the District's anti-virus software ("AV") and its virus detection and response services ("MOR") as any breaches of the system could be detrimental to the District, Partnering Agency, and other governmental entities; and

WHEREAS, due to the VPN being a closed system with high security, the Partnering Agency will also be required to utilize the VPN client software; and

WHEREAS, the Parties recognize that the District has or will have agreements related to the AV and MOR as well as other companies associated with the purchase of

CAO

the VPNs and VPN client software, including Insight Public Sector ("Associated Agreements") with other companies ("Associated Businesses"); and

WHEREAS, the Parties agree that the District, who is contractually obligated to the Company, is the sole contact person between the Company and the District related to the Service Agreement and all communications to the Company regarding changes must be made through the District; and

WHEREAS, the Parties agree that the District who is contractually obligated under the Associated Agreements to the Associated Businesses, is the sole contact person between the Associated Businesses and the District related to the Associated Agreements and all communications to the Associated Businesses regarding changes must be made through the District; and

WHEREAS, the Partnering Agency recognizes that the District may enter into contracts with other governmental entities related to the Service Agreement; and

WHEREAS, the Parties agree that the District will have the authority to make VPN server configurations but that the District will accommodate any request from the Partnering Agency as long as the District determines that such change will not impact the District or other government agencies; and

WHEREAS, the Parties believe it is mutually advantageous and in the interest of the public health, safety, and welfare of its citizens and visitors to enter into this Agreement, as set forth herein and desire to define their respective responsibilities hereunder.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations herein, the Parties agree as follows:

CAO

1. Recitals. The recitals in the foregoing whereas clauses above are true and correct and are incorporated by reference in this Agreement.

2. Purpose and Scope. This Agreement is entered into between the Parties in accordance with the provisions of Section 163.01, Florida Statutes, to establish and provide for acquiring the VPNs, VPN client software, AV, and MOR (collectively the VPN, VPN client software, AV, and MOR are the "Software") by the Partnering Agency, in accordance with and subject to the terms and conditions set forth herein.

3. Term of Agreement. The term of this Agreement shall commence on the date a fully executed copy of this Agreement is filed pursuant to Paragraph 23 below with the Clerk of the Circuit Court in Collier County, Florida ("Effective Date") and continue through June 30, 2025 unless earlier terminated as provided below. The Agreement will automatically renew for four (4) additional one (1) year terms ("Renewal Term") unless a Party provides written notice to the other Party of its intent to terminate at least ninety (90) days prior to the renewal of the Agreement.

4. District Responsibilities. During the Term or any Renewal Term of this Agreement:

a. The District shall serve as the liaison between the Partnering Agency and the Company or Associated Businesses, if necessary. The Partnering Agency does not have the authority to make any changes to the Software.

b. The District shall ensure that the Software updates and revisions ' are communicated to the Partnering Agency on a timely basis.

c. Upon receiving a request from the Partnering Agency to revise the Software, the District will submit such request to the Company or

CAO

Associated Businesses and work with the Company or Associated Businesses to implement such change as long as the District determines that the requested change does not impact the District or other governmental entities utilizing the Software.

d. The District shall obtain and provide 3 (three) VPN licenses and associated AV and MOR licenses, if necessary, to the Partnering Agency for the use of the Software unless the number of VPN licenses is amended through the Partnering Agency requesting a revised number of licenses. The Parties agree that individual components of the Software may not require a license for the Partnering Agency.

e. The District shall be responsible for the District's use of the Software, including the use of the Software by District users.

f. The District shall appoint a designated employee for the District to coordinate with the Partnering Agency's designated employee.

5. Partnering Agency Responsibilities. During the Term or any Renewal Term of this Agreement:

a. The Partnering Agency shall designate a single employee that will have the authority to revise the number of VPN licenses or to propose revisions to the Software. The Partnering Agency shall notify the District in writing the name of the designated employee, which may be changed upon the Partnering Agency providing written notification to the District. If the Partnering Agency is requesting support or other services and needs to

CAO

communicate with the Company or Associated Businesses, the Partnering Agency will work in conjunction with the District to facilitate such communications, which may include having the District participate in the initial communication and all or some subsequent communications with the Company or Associated Businesses. The District may in writing elect to allow the Partnering Agency to communicate with the Company or Associated Businesses on a specific support or other services issue without the District's participation.

b. The only manner in which the Partnering Agency may revise its number of VPN licenses is to notify the District in writing at least ten (10) business days prior of it desires to change the number of VPN licenses it has been provided by the District to the Software under this Agreement.

c. The Partnering Agency shall be responsible for its use of the Software, including the use of the Software by the Partnering Agency's users.

d. As set forth in more detail in Paragraph 6 herein below, the Partnering Agency shall annually pay for the cost per license, which includes the VPN, VPN client software, the AV, and the MOR associated with the number of VPN licenses provided to the Partnering Agency ("Annual Software Fees") in accordance with Paragraph 4.d. or as subsequently amended.

e. If the District incurs any additional support fees or other fees as a result of the Partnering Agency's activities, the Partnering Agency will be responsible for such fees.

CAO

f. The Partnering Agency and its users will timely comply with requirements related to use, confidentiality, and non-disclosure of the Service Agreement.

g. The Partnering Agency shall download uploads and revisions that are provided by the District within five (5) days of receipt.

6. Payment.

a. Initial Term. The Parties agree that the Annual Software Fees is $150.83 during the initial term, which consists of $118.58 for the VPN license and VPN client software, $27.59 for AV, and $4.66 for MOR , for each VPN license. The number of VPN licenses provided to the Partnering Agency in accordance with Paragraph 4.d., or as subsequently amended, shall be charged to the Partnering Agency and such fees will not be prorated. Notwithstanding, if the Company and/or Associated Businesses prorate the fees during the initial term, then the Partnering Agency's fees shall correspondingly be prorated. Within thirty (30) days of the launch of the Software, the District shall bill the Partnering Agency, who shall then remit payment to the District within fifteen (15) days of receipt.

b. Renewal Term.

i. The Parties acknowledge that the Annual Software Fees may be increased by the Company and/or Associated Businesses during a Renewal Term of this Agreement. The District shall notify the Partnering Agency of any increase in the Annual Software Fees upon notification by the Company and/or Associated Businesses.

CAO

ii. For each Renewal Term, the Partnering Agency shall be billed the Annual Software Fees by the District based on the number of VPN licenses provided to the Partnering Agency in accordance with Paragraph 4.d., or as subsequently amended. No later than July 15 of a Renewal Term, the District shall bill the Annual Software Fees to the Partnering Agency, who shall then remit payment to the District within fifteen (15) days of receipt.

c. Change in User Licenses.

i. If the Partnering Agency increases the number of VPN licenses provided to it in accordance with Paragraph 4.d., or as subsequently amended, the District shall bill the Partnering Agency the increased Annual Software Fees upon receipt of an invoice from the Company and/or Associated Businesses, and the Partnering Agency shall remit payment to the District within fifteen (15) days of receipt.

ii. If a Partnering Agency decreases the number of VPN licenses provided to it in accordance with Paragraph 4.d., or as subsequently amended, the District shall provide any credit to the Partnering Agency that the District receives from the Company and/or Associated Businesses due to the reduction in licenses within fifteen (15) days of receipt.

CAO

d. Support Fees. If the Partnering Agency requires support from the Company and/or Associated Businesses that are outside of the Service Agreement for its own needs, the Partnering Agency is solely responsible for such fees. The District shall bill the Partnering Agency the support fees upon receipt of an invoice from the Company and/or Associated Businesses, and the Partnering Agency shall remit payment to the District within fifteen (15) days of receipt. If the District requires support from the Company and/or Associated Businesses that are outside of the Service Agreement and for its own needs, then the District is solely responsible for such fees.

e. Other Fees. If the Partnering Agency adds features or additional services to the VPN license or associated license(s), the Partnering Agency is solely responsible for such fees. The District shall bill the Partnering Agency the additional fees upon receipt of an invoice from the Company and/or Associated Businesses, and the Partnering Agency shall remit payment to the District within fifteen (15) days of receipt.

f. Survival. The obligation to pay under this Paragraph 6 survives the termination or expiration of this Agreement.

7. Insurance. Each Party shall maintain adequate insurance coverage to protect its own interests and obligations under this Agreement.

8. Notices. Any and all notices, requests, or other communications relating to this Agreement or the performance required herein must be given in writing and transmitted by hand delivery, mail delivery service, US Mail, or electronic mail addressed as follows:

CAO

To District:	North Collier Fire Control and Rescue District Attention: Fire Chief Eloy Ricardo 1885 Veterans Park Dr. Naples, Florida 34109
Email:	ericardo@northcollierfire.com
With copy to:	ebocock@northcollierfire.com
To Partnering Agency:	BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA 8075 Lely Cultural Parkway, Suite: #267 Naples, FL 34113
Email:	Juan.Camps@colliercountyfl.gov
With copy to:	Charles.Kammerer@colliercountyfl.gov

A Party may revise who and where notification shall be provided to by providing the other Party, in writing of such changes, without further amendment to this Agreement.

9. Noncompliance or Default. In the event of noncompliance with any of the terms or conditions of this Agreement, a Party shall provide the noncompliant Party with written notice stating the noncompliance. In the event the noncompliant Party fails to remedy any noncompliance within ten (10) days from the date of receipt of the written notice, the noncompliance shall constitute a default where the notifying Party may immediately terminate this Agreement. The District shall remove the Partnering Agency from the Software immediately upon the failure to remedy any noncompliance as provided for in this paragraph.

10. Termination. Except when a default has occurred, as provided in Paragraph 9, a Party may terminate this Agreement by providing ninety (90) days advance written notice to the other Party. In addition, this Agreement shall automatically terminate if the Service

CAO

Agreement is terminated by the District or the Company. In addition, if a Partnering Agency's governing board did not authorize the costs owed under this Agreement in its annual budget, the Partnering Agency shall provide notice of termination in accordance with this paragraph.

11. Compliance with Applicable Law. The Parties will each comply with all applicable federal, state, and local laws, rules, regulations, and guidelines related to their performance under this Agreement.

12. Sovereign Immunity. Nothing in this Agreement shall be deemed a waiver of immunity limits of liability or sovereign immunity of either the District or Partnering Agency pursuant to Chapter 768, Florida Statutes, and any amendment thereto, or other statute or law. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim, which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law. This paragraph shall survive the termination or expiration of this Agreement.

13. Non-Appropriation. The District's obligation to provide Software under this Agreement and the Partnering Agency's obligation to pay for the Software is subject to the respective governing board authorizing the costs in its annual budget. A Party shall notify the other Party if its respective governing board did not authorize the costs owed under this Agreement in its annual budget within ten (10) days of the adoption of its budget and comply with Paragraph 10.

14. Dispute Resolution: Remedies: Attorney's Fees. Before the commencement of any legal proceedings, in the event that the Parties disagree regarding interpretation of this Agreement, or the fulfillment of obligations required hereunder, the Parties must

CAO

meet, within thirty (30) days of written request by either Party (the "Initial Meeting"). The District's Fire Chief and the Partnering Agency's Fire Chief shall be in attendance at the Initial Meeting. Should the dispute not be resolved within thirty (30) days of the Initial Meeting, the Chair of the District's Board of Fire Commissioners and the Chair of the Partnering Agency's governing board shall meet within thirty (30) days in an effort to resolve the dispute (the "Secondary Meeting"). If the dispute is still not resolved within thirty (30) days of the Secondary Meeting, the Parties shall initiate the conflict resolution procedure provided in Chapter 164, Florida Statutes. Should the dispute still not be resolved within thirty (30) days of the dispute resolution procedure provided in Chapter 164, Florida Statutes, the Parties may then pursue any other legal remedies. This Agreement may be enforced in any manner authorized by law and does not preclude any Party from seeking judicial or administrative remedies for violation of the terms and conditions of this Agreement. Each Party shall bear its own costs and attorney's fees related to this matter.

15. Governing Law. This Agreement shall be governed by and construed under the laws of the State of Florida. The Parties agree that venue lies in Collier County, Florida. If any term, covenant, or condition of this Agreement or the application thereof to any person or circumstances will, to any extent, be deemed lawfully invalid or unenforceable, the remainder of this Agreement or the application of such term, covenant, or condition to persons or circumstances other than those as to which it is held to be invalid or unenforceable, will not be effected thereby and each term, covenant, and condition of this Agreement will be valid and enforced to the fullest extent permitted by law.

CAO

16. Severability. If any term, covenant, or condition of this Agreement or the application thereof to any person or circumstances will, to any extent, be deemed lawfully invalid or unenforceable, the remainder of this Agreement or the application of such term, covenant, or condition to persons or circumstances other than those as to which it is held to be invalid or unenforceable, will not be affected thereby and each term, covenant, and condition of this Agreement will be valid and enforced to the fullest extent permitted by law.

17. Authorizations. The Parties represent that the individuals who have signed this Agreement have the actual legal power, right, and authority to enter into this Agreement and bind each respective Party.

18. Binding Effect. This Agreement will be binding upon and inure to the benefit of the Parties and their successors and assigns.

19. Assignment. No Party shall assign this Agreement without the express prior written consent of the other Parties.

20. Waiver and Default. No waiver of any default shall constitute a waiver of any other default or breach, whether of the same or other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by a Party shall give the other Party any contractual right by custom, estoppel, or otherwise.

21. Entire Agreement. This Agreement constitutes the entire agreement between the Parties and, unless otherwise provided herein, may be amended only in writing, signed by all Parties.

22. Counterparts. The Parties may execute this Agreement in counterparts.

CAO

23. Filing. Upon execution, this Agreement shall be filed by the District with the Clerk of the Circuit Court of Collier County, Florida, in accordance with the requirements of Section 163.01(11), Florida Statutes.

ABSOLUTE SOFTWARE, INC. END-USER LICENSE AGREEMENT FOR NETMOTION MOBILITY, NETMOTION MOBILE IQ AND, NETMOTION MOBILE IQ FOR SPLUNK

IMPORTANT - READ CAREFULLY BEFORE REGISTERING, INSTALLING OR USING THE SOFTWARE:

This Absolute Software, Inc. End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Absolute Software, Inc. ("NetMotion") for the enclosed NetMotion Software products, which includes computer software object code, source code, and associated documentation ("Software"). The terms of this EULA apply to your use of the Software, whether your use is (i) time- limited for "evaluation" purposes ("Evaluation License"); (ii) a subscription for a time period certain ("Subscription License"); (iii) a subscription for a time period certain utilizing NetMotion hosting services ("Subscription Hosted License"); or (iv) a long-term ("Permanent License"). The Software also includes any updates and supplements to the original Software provided to you by NetMotion during the term of your license. Any Third-Party Software provided along with the Software that so requires is licensed to you under the terms of that license agreement as more fully described below.

BY INSTALLING, COPYING, DOWNLOADING, ACCESSING OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA. IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, DO NOT USE OR INSTALL THE SOFTWARE. IF YOU HAVE PURCHASED THE SOFTWARE, PROMPTLY RETURN THE SOFTWARE AND ALL ACCOMPANYING MATERIALS WITH PROOF OF PURCHASE TO YOUR PLACE OF PURCHASE FOR A REFUND.

1. SOFTWARE LICENSE

The Software is confidential and protected by United States and international patent and copyright laws and treaties, as well as other intellectual property laws and treaties. The Software is licensed to you, not sold, and NetMotion, its suppliers, and licensors retain and reserve all rights not expressly granted herein.

2. LICENSE GRANT

2.1 NetMotion Invoice. The Terms contained in the invoice issued by NetMotion or its authorized Resellers, and in any purchase order issued by you and accepted by NetMotion (hereinafter collectively, "NetMotion Invoice"), are hereby incorporated by reference solely for the purpose of identifying the quantity and type of client and server licenses and modules purchased, the level of maintenance and support to be provided, the rate at which such products and services shall be paid, the payment terms applicable to the licensing of such Software and services, and any express mutually agreed modifications to the terms of this Agreement. The NetMotion Invoice to you identifies which of the following License Grants apply to you:

2.2 Grant of Evaluation License. NetMotion grants you a limited, royalty-free, non- transferable, non-exclusive, license to install and use the Software as an integrated product provided that you comply with the terms and conditions of this EULA. At the conclusion of the evaluation period, you shall be permitted to elect to receive either a Subscription License, Subscription Hosted License, or a Permanent License, whereupon, upon payment by you to NetMotion or its authorized Reseller as provided herein, this EULA shall continue to apply to you in full force and effect with respect to the license you have selected.

2.3 Grant of Subscription License. Upon receipt of payment by NetMotion or its authorized Resellers, as provided herein, if the NetMotion Invoice indicates that you are receiving a Subscription License, NetMotion grants you a limited, royalty-bearing, non-transferable, non-exclusive, revocable license to install and use the Software as an integrated product provided that you comply with the terms and conditions of this EULA. The Subscription License shall run for the time period set forth in the NetMotion Invoice (hereinafter "Subscription Term") and shall be renewable as set forth therein. If you do not purchase a renewal for your Subscription License prior to the expiration of the Subscription Term, your Subscription License will automatically terminate, and this EULA shall no longer apply. If you wish to reinstate your expired Subscription License, you will be required to agree to the then-current EULA and/or you may be subject to the payment of additional fees and expenses.

CAO

2.4 Grant of Subscription Hosted License. Upon receipt of payment by NetMotion or its authorized Resellers, as provided herein, if the NetMotion Invoice indicates that you are receiving a Subscription Hosted License, NetMotion grants you a limited, non-transferable, non-exclusive, revocable license (i) to install and use the client component of the Software on your authorized End-User device(s) as an integrated product provided that you comply with the terms and conditions of this EULA and (ii) to use the NetMotion hosting services (hereinafter NetMotion Host Services") in conjunction with authorized End-User device(s). You acknowledge that at no time shall you be entitled to download, distribute, copy, modify, install or otherwise redistribute the server component of the Software.

The Subscription Hosted License shall run for the time period set forth in the NetMotion Invoice (hereinafter "Subscription Term") and shall be renewable as set forth therein. If you do not purchase a renewal for your Subscription Hosted License prior to the expiration of the Subscription Term, your Subscription Hosted License will automatically terminate, and this EULA shall no longer apply. If you wish to reinstate your terminated Subscription Hosted License, then you will be required to agree to the then- current EULA and/or you may be subject to the payment of additional fees and expenses.

Upon expiration of the Subscription Term or termination of the Subscription Hosted License, NetMotion reserves the right to deny access to the NetMotion Host Services and to withhold, remove and/or discard, delete or destroy any content or data stored on the host server without notice to you.

2.5 Grant of Permanent License. Upon receipt by NetMotion or its authorized Resellers of payment, as provided herein, if the NetMotion Invoice indicates that you are receiving a Permanent License, NetMotion grants you a perpetual, fully paid-up, non-transferable, non-exclusive, worldwide (subject to applicable export restrictions) limited license to install and use the Software as an integrated product for internal business purposes, provided that you comply with the terms and conditions of this EULA.

2.6 Grant of Source Code License for Mobile IQ App for Splunk. The Mobile IQ App for Splunk includes certain proprietary source code files that are confidential and licensed for internal business use only. If you have a license to install and use Mobile IQ App for Splunk, you may modify the source code files. However, after any such modification, the source code files will not be supported by NetMotion or be covered by any warranty under the license agreement. The source code licensed to you under this Section 2.6, is a limited, non-transferable, revocable license to install and use the modified source code files for the duration of the software licensed to you to use Mobile IQ for Splunk. The source code license granted in this Section 2.6 does not grant you any ownership or perpetual rights in the modified source code files and you shall not sell, lease, share or transfer the source code files to any other party.

2.7 Installation and Use of Server Component. Unless you are operating under the Subscription Hosted License, you may install and use one copy of the server component of the Software on each Server(s) you are licensed to use. For purposes of this EULA, "Server" means any computer on which the server component of the Software is installed or used. You acknowledge that, if you are operating under the Subscription Hosted License, at no time shall you be entitled to download, distribute, copy, modify, install or otherwise redistribute the server component of the Software.

2.8 Installation and Use of Client Component. You may install the number of copies of the client component of the Software for which you have obtained a license on devices solely for your internal use only.

2.9 Access to Database. You agree to provide NetMotion access to the Software data subject to the terms and conditions set forth in Section 16.

2.10 Reservation of Rights. NetMotion, its suppliers and licensors reserve all rights not expressly granted to you under this EULA.

3. LIMITATIONS

3.1 Limitations on Use, Modifying, Copying, Publishing and Redistributing. The Software is solely licensed to you as an integrated product for use in your internal business. NetMotion and its suppliers and licensors

retain all rights, title, interest and ownership of the Software, and all modifications and copies thereof, including all copyrights, proprietary rights, and other intellectual property rights therein. Except as expressly provided in this EULA, you may not, nor permit others to modify, separate out, embed within other products, make copies, publish for others to copy, or redistribute the Software or the printed materials accompanying the Software for any purpose outside the scope of this Agreement. You may, if licensed hereunder, make copies of the Software only for archival and backup purposes and one copy of electronic documentation accompanying the Software for each license you have acquired for the Software. You must include all applicable copyright notices and other proprietary rights legends that come with the Software, unaltered and unobscured, in any copies you make. You may keep the original media, if any, on which NetMotion provided the Software solely for backup or archival purposes. If the original media is required to use the Software, you may make one copy of the Software solely for backup or archival purposes. You shall not provide copies of the Software, or any portion thereof, whether integrated or standalone, to any third party.

3.2 Limitations on Reverse Engineering, Decompiling and Disassembly. The Software in both object code and source code form includes valuable and confidential trade secret information of NetMotion and its licensors. You may not disclose or modify the Software or make derivative works thereof, reverse engineer, decompile, or disassemble the Software or otherwise attempt to gain access to the source code for the Software, except and only to the extent expressly permitted by the terms of this EULA and applicable law notwithstanding this limitation.

3.3 Limitations on Transfer. You may not rent, lease, sell, sublicense, lend or otherwise transfer or assign your rights or obligations under this EULA to any person or entity without the prior written consent of NetMotion. Such consent may be conditioned on the payment of additional license fees or the imposition of additional transfer restrictions.

4. TERMINATION

4.1 Term of Agreement. The term of this Agreement shall commence on the date on which you accept this EULA and shall continue until the respective license terminates or is revoked and terminated as provided herein.

4.2 Evaluation License. If you have received an Evaluation License, your license to such version of the Software will terminate the date the Evaluation License times out or expires.

4.3 Subscription License. If you have received a Subscription License or a Subscription Hosted License, your subscription to the Software will automatically terminate at the end of the Subscription Term unless you have renewed the subscription before the expiration of the Subscription Term. With respect to the Subscription Hosted License, upon termination or expiration of the Subscription Term, NetMotion reserves the right to deny you access to the NetMotion Host Services and to withhold, remove and/or discard, delete or destroy any content stored on the host server without notice to you.

4.4 Termination. If you violate any term of this EULA, NetMotion may revoke and terminate the license and rights granted hereunder in this EULA without waiving any other rights.

4.5 Effect of Termination. If your license terminates or is revoked and terminated for any reason, this EULA automatically terminates and you must immediately cease using and destroy all copies of the Software and other confidential information, if any, of NetMotion or its licensors, and, on request of NetMotion, certify said destruction. All amounts paid by you to NetMotion or its authorized Resellers prior to termination shall be non-refundable. No termination of this Agreement shall in any way affect the rights, duties or obligations of either you or NetMotion which have accrued prior to the date of such termination.

5. CONFIDENTIALITY

5.1 Definition. "Confidential Information" means any information, technical data, or know-how marked or considered confidential or proprietary by either party to this EULA disclosed by a party ("Discloser") to the other party ("Recipient") in connection with the use or provision of the Software that is either marked confidential or would reasonably be considered as confidential under the circumstances. Despite the foregoing, Confidential Information does not include information that: (a) is or becomes public through no fault of the Recipient; (b) the Recipient already lawfully knew; (c) was rightfully given to the Recipient by an unaffiliated third party without restriction on

CAO

disclosure; or (d) was independently developed by the Recipient without reference to the Discloser's Confidential Information.

5.2 Restrictions on Disclosure and Use. The Recipient will: (a) protect the Discloser's Confidential Information using commercially reasonable efforts; (b) use the Discloser's Confidential Information only as permitted by this EULA; and (c) not disclose the Discloser's Confidential Information without the Discloser's prior consent, except to those persons who need to those affiliates, employees and professional advisors who have a need to know it and have agreed in writing to keep it confidential on terms comparable to those un this Section. The Recipient may disclose the Discloser's Confidential Information when and to the extent required by law or legal process, but only after Recipient, if permitted by law, uses reasonable efforts to notify the Discloser before disclosure of Discloser's Confidential Information.

6. SAFEGUARDS/AUDIT RIGHTS

You agree to: (i) implement internal safeguards to prevent any unauthorized copying, distribution, modification or use of the Software; (ii) provide NetMotion written certification of the number of copies of the Software installed or used on request, and (iii) to allow NetMotion to audit your premises and systems for compliance with this EULA during regular business hours. NetMotion will pay for the cost of the audit unless the audit shows a discrepancy in the number of copies of the Software used over the licenses you have acquired, in which event, you shall pay for the cost of the audit.

7. INDEMNITY

7.1 Your Indemnity Obligation to NetMotion. You hereby agree to indemnify and hold harmless NetMotion from and against any claim, action, proceeding, loss, liability, judgment, penalty, obligation, damage or cost, including attorneys's fees, which arise from or relate to (1) your breach of any obligation set forth in this EULA and (2) your negligent act(s) or omission(s). You will undertake at your cost the defense of any claim, suit or proceeding with counsel reasonably acceptable to NetMotion. NetMotion reserves the right to participate in the defense of the claim, suit, or proceeding at NetMotion's expense, with counsel of NetMotion's choosing.

7.2 NetMotion's Indemnity Obligation to You. NetMotion shall, at its cost and expense, defend and/or settle any claim brought against you by an unaffiliated third party alleging that your use of the NetMotion Service infringes or violates any third party's patent, trademark or copyright rights. However, you must (1) provide NetMotion with prompt written notice of any such claim; (2) agree to give NetMotion sole control of the defense and settlement of the claim; and (3) provide reasonable cooperation and assistance to NetMotion, at NetMotion's expense. NetMotion shall not be required to indemnify you in the event of any unauthorized modification or use of the Software by you under this EULA.

8. EXPORT LAWS; FOREIGN CORRUPT PRACTICES

You acknowledge that the Software is of U.S. origin. You agree to comply with all applicable international and national laws that apply to the Software, including the US Export Administration Regulations (15 CFR, Parts 730-774), as well as end- user, end-use and destination restrictions issued by U.S. and other governments. The Software contains encryption and cannot be exported outside the United States or Canada without a U.S. Commerce Department export license or applicable license exception. You agree that you will not directly or indirectly export, re-export or import the Software (or portions thereof) other than to Canada, without first obtaining an export license or determining that a license exception is authorized and applicable and notifying NetMotion in writing of such export. You further agree that you will avoid any activity that violates U.S. or local laws, including the U.S. Foreign Corrupt Practices Act.

9. U.S. GOVERNMENT RESTRICTED RIGHTS

The Software is commercial computer software and documentation developed exclusively at private expense, and in all respects is proprietary data belonging solely to NetMotion. If the Software is acquired by or on behalf of agencies or units of the Department of Defense (DoD), then, pursuant to DoD FAR Supplement Sections 227.7201 through 227.7202 and its successors (48 C.F.R. 227.7201-227.7202) the Government's right to use,

CAO

reproduce or disclose the Software is subject to the restrictions of this EULA. If the Software is acquired by or on behalf of civilian agencies of the United States Government, then, pursuant to FAR Sections 2.101 and 12.212 and its successors (48 C.F.R. 2.101 and 48 C.F.R. 12.212), the Government's right to use, reproduce or disclose the Software is subject to the restrictions of this EULA.

10. GOVERNING LAW AND ATTORNEYS' FEES

Without regard to the conflict of laws rules, this EULA is governed by the laws of the State of Washington, USA, and specifically excludes the United Nations Convention on Contracts for the International Sale of Goods. In any action or suit to enforce any right or remedy under this EULA or to interpret any provision of this EULA, the prevailing party will be entitled to recover its costs, including reasonable attorneys' fees.

11. LIMITED WARRANTY

11.1 Warranty. For a period of ninety (90) days from the date of shipment or download from NetMotion of the Software, NetMotion warrants that (a) the unmodified Software will perform substantially in accordance with the accompanying written materials when used as directed, and (b) the media upon which the Software is delivered will be free of defects. This Limited Warranty is void if failure of the Software has resulted from modification, accident, abuse, or misapplication.

11.2 Limited Disclaimer. With respect to the Subscription Hosted License, you understand that, from time to time, the hosting services MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS. NETMOTION IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS.

12. EXCLUSIVE REMEDY AND DISCLAIMER OF WARRANTIES

Your exclusive remedy with respect to any breach of the Limited Warranty is, at NetMotion's option, either repair or replacement of the non-conforming Software or return of the pro- rata price you paid for the non-conforming Software. You must return all non-conforming Software to NetMotion with your proof of purchase to be entitled to this remedy. Outside the United States, neither these remedies nor any product support services offered by NetMotion are available without proof of your purchase from an authorized international source. TO THE FULL EXTENT PERMITTED BY LAW, NETMOTION AND ITS LICENSORS DISCLAIM ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, WITH REGARD TO THE SOFTWARE.

13. LIMITATION OF LIABILITY

NETMOTION AND ITS LICENSORS WILL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR PERSONAL INJURY, LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS OR CONFIDENTIAL INFORMATION, LOSS OF PRIVACY, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF NETMOTION OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY CASE, THE ENTIRE LIABILITY OF NETMOTION AND ITS LICENSORS UNDER THIS AGREEMENT AND LIMITED WARRANTY SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE THAT CAUSES THE DAMAGE.

14. THIRD PARTY SOFTWARE

The Software may contain or be distributed with software code or products from third parties ("Third Party Software"). NetMotion has secured all necessary rights from such third parties to use, distribute and sublicense such Third-Party Software in conjunction with the Software. Any Third-Party Software so requiring, is sub-licensed to you under the terms of that Third-Party Software license. The terms of any such Third-Party Software license apply

CAO

only to the specific software code or product of the named third-party and do not extend to any other portion of the Software licensed by NetMotion or other third-party intellectual property, including trademarks. In any event, the disclaimer of warranty and limitation of liability provisions of this EULA shall apply to all of the Software. Applicable Third-Party Software licenses are available at https://netmotionsoftware.com/legal-and-copyright/.

15. ENTIRE AGREEMENT

This EULA constitutes the entire agreement between you and NetMotion with respect to your right to use the Software, and replaces all other agreements or representations, whether written or oral. Terms contained in the invoice(s) issued by NetMotion or its authorized Resellers, and in any purchase order issued by you and accepted by NetMotion or its authorized Resellers, are hereby incorporated by reference solely for the purpose of identifying the quantity and type of client and server licenses and modules purchased, the level of maintenance and support to be provided, the rate at which such products and services shall be paid and the payment terms applicable to the licensing of such Software and services. The terms of this EULA cannot be modified by any terms in any printed forms used by the parties in performing the EULA and can only be modified by express written agreement and consent of both parties as set forth in the applicable NetMotion Invoice. If any part of this EULA is held to be unenforceable as written, it will be enforced to the maximum extent allowed by applicable law and will not affect the enforceability of any other part. The original of this EULA is in English. If it is translated into another language, the English language version shall prevail.

16. PRIVACY

16.1 Information Collected. The Software collects network, performance, and usage information from licensed devices within an End-User's mobile deployment. The types of personally identifiable information collected vary by the type of device and may include but are not limited to device names, logged-in username, phone number, adapter serial number, and application names, correlated with location information. For a complete list of information collected, consult the applicable product documentation. The information is collected from each licensed device and transmitted via a secure connection to the respective servers operated by the Customer and/or NetMotion, as applicable.

16.2 Your Use of Information Collected. You understand the Software is capable of permitting you to use the information identified in Section 16.1 to determine when and where a device has been used, and may also be used to display maps that show traces, coverage, connections, network performance and other collected information plotted for one or more devices during a specified time- period. You further understand and acknowledge that licensed devices contribute information that are individually identifiable and that correspond to the actual date and time of data generation, enabling review and analysis of collected information.

16.3 Privacy and Access to the Information. Access to personally identifiable information collected and stored in the Software is only by authorized users via log-in controlled by username and password. Username and password accounts are established by End-User's Software administrator(s). PDF files, KML location files, and image files containing personally identifiable information and map information can be configured, exported and saved by an authorized Software user or administrator. These features are provided by the Software to allow End-Users to analyze, document and archive the information. These files contain no inherent encryption and contain personally identifiable information and you agree to take reasonable precautions to properly secure the personally identifiable information in accordance with End-User's privacy information policies and applicable state and federal laws.

16.4 Privacy and commitment to security. The Software employs physical, electronic, and administrative controls to enable End-Users to safeguard and prevent unauthorized access to the information collected.

16.5 NetMotion's Access and Use of Information. You understand and acknowledge that NetMotion may access and use the information collected as described in Section 16.1 of this EULA as follows:

a. To perform routine maintenance, technical support or help, troubleshooting, debugging of the Software, quality control checks, product development, research leading to new product offerings, and the like, during the term of this EULA; and

CAO

b. NetMotion may use the information collected by the Software as described in Section 16.1 for one or more of the purposes set forth in Section 16 and may share such information with unrelated third parties, provided however, that NetMotion shall not disclose personally identifiable information to unrelated third parties, unless required by court order, law, regulation or the like.

c. Privacy notice. The NetMotion online privacy statement is available at https://www.netmotionsoftware.com/privacy.

CAO

Executive Summary

Recommendation to award Construction Invitation to Bid ("ITB") No. 24-8278, "Hurricane Ian Repairs – Clam Pass Parking Lot Wall," to Capital Contractors, LLC., in the amount of $129,750, approve an owner's allowance of $5,200 for potential unforeseen conditions, and authorize the Chairman to sign the attached Agreement.

OBJECTIVE: Approval to award ITB No. 24-8278 to Capital Contractors, LLC to repair damage caused by Hurricane Ian to the Clam Pass Parking Lot Wall.

CONSIDERATIONS: The parking lot wall of Clam Pass Park experienced flooding and wind damage during Hurricane Ian. The scope of the Hurricane Ian Repairs Clam Pass Parking Lot Wall project includes replacing the damaged wall panels and the metal gate and grading and planting areas where fill loss occurred. The contractor must fully restore the wall and its immediate surroundings to their pre-storm condition.

On July 19, 2024, the Procurement Services Division issued ITB No. 24-8278, "Hurricane Ian Repairs - Clam Pass Parking Lot Wall." The County received two bids by the September 18, 2024, deadline, as summarized below:

Company Name	City	County	ST	Bid Amount	Responsive/ Responsible
Capital Contractors, LLC	Naples	Collier	FL	$129,750	Yes/Yes
Douglas N. Higgins, Inc	Naples	Collier	FL	$242,380	Yes/Yes

Staff reviewed the two bids and found both bidders responsive and responsible, with Capital Contractors, LLC ("Capital") as the lowest, responsive, and responsible bidder. Staff recommends awarding the attached Agreement to Capital in the low bid amount of $129,750. In addition to the bid amount, staff is allocating $5,200 as an Owner's Allowance to be utilized for unforeseen conditions encountered during construction, which will be included in the Purchase Order. Use of the allowance will be as directed by the County, with proper supporting documentation to be submitted by the contractor for any additional work that is authorized and completed.

The County's engineering consultant, Taylor Engineering, Inc., evaluated the bids and determined that Capital met all the qualifications required for this project. Capital submitted the lowest, most responsive, and most responsible bid. Therefore, staff recommends that the attached Agreement be awarded to Capital for the total contract amount of $129,750, plus the Owner's Allowance of $5,200, which will be used as directed by the County only if necessary.

FISCAL IMPACT: Funding in the amount of $134,950.00 is available within the Disaster Fund (1813), Project 50280.

GROWTH MANAGEMENT IMPACT: There is no Growth Management Impacts associated with this Executive Summary.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATIONS: To award ITB No. 24-8278, "Hurricane Ian Repairs – Clam Pass Parking Lot Wall," to Capital Contractors, LLC., in the amount of $129,750, approve an owner's allowance of $5,200, and authorize the Chairman to sign the attached Agreement.

RE: Design Entity Letter of Recommended Award
Solicitation No. 24-8278 Hurricane Ian Repairs – Clam Pass Parking Lot Wall

Dear Ms. Iglesias:

Bids were received for the above-referenced project by Collier County on September 18, 2024. Taylor Engineering (EOR) has completed our review of the bid submitted by the lowest bidder for this project, and we are pleased to provide the following award recommendation.

The scope of the Hurricane Ian Repairs – Clam Pass Parking Lot Wall project includes replacing the damaged wall panels, replacing the metal gate, and grading and planting areas where fill loss occurred during Hurricane Ian.

Collier County Procurement's review of the bid tabulations determined that the apparent low bidder is Capital Contractors, LLC with a bid of $129,750.00. Taylor Engineering was provided with the Bid Schedule for Capital Contractors, LLC. Capital Contractors, LLC bid is approximately 18% higher than the Engineer's Opinion of Probable Construction Cost (OPC) of $110,000.00. The Contractor's bid for the manufacturing and installation of wall sections exceeded the Engineer's estimate. The wall consists of prefabricated reinforced concrete elements which are pre-engineered and installed by a specialty fabricator. For this reason, cost data for materials, fabrication, and installation (labor) were scarce and the limited number suppliers hindered competitive bid pricing. However, given the current market volatility, the Engineer deems this cost acceptable for the project.

References were provided, and the completed Vendor Reference Check Logs for each reference are attached hereto. The project references provided by Capital Contractors, LLC were all contacted, and Taylor Engineering determined the references contain sufficient relevant experience with similar projects to demonstrate the required successful experience to complete the project.

Capital Contractors, LLC has been authorized to transact business in the State of Florida since 2017. Capital Contractors, LLC is registered with the Florida Department of Business and Professional Regulation as a Construction Business, which is registered as current and active.

Collier County has worked successfully with Capital Contractors, LLC on several previous projects. Based on their experience with Collier County, favorable performance reviews and adequate licensing, Capital Contractors, LLC is a qualified firm to conduct the requested work. Based on the above information, Taylor Engineering recommends Capital Contractors, LLC be awarded the Hurricane Ian Repairs – Clam Pass Parking Lot Wall project in the amount of $129,750.00.

Should there be any questions, please feel free to contact our office.

Sincerely,

Jake Sydnor, PE
Project Manager, Waterfront Engineer

Notice of Recommended Award

Solicitation: 24-8278	Title: Hurricane Ian Repairs - Clam Pass Parking Lot Wall

Due Date and Time: September 18th, 2024, at 3:00 PM EST

Respondents:

Company Name	City	County	State	Final Ranking	Responsive/Responsible
Capital Contractors, LLC	Naples	Collier	FL	$129,750.00	Yes/Yes
Douglas N. Higgins, Inc.	Naples	Collier	FL	$242,380.00	Yes/Yes

Utilized Local Vendor Preference: Yes ☐ No ☐ N/A

Recommended Vendor(s) For Award:
On July 19, 2024, the Procurement Services Division issued Construction Invitation to Bid (ITB) No. 24-8278, "Hurricane Ian Repairs - Clam Pass Parking Lot Wall", to two thousand ninety-three (2,093) vendors. The ITB was advertised for a total of sixty-one (61) days. Five hundred and nine-nine (599) vendors viewed the bid package, and the County received two (2) bids by the September 18, 2024, submission deadline.

Staff reviewed the bids received. Both bidders were deemed responsive and responsible. Staff determined that Capital Contractors, LLC, is the lowest responsive and responsible bidder.

Staff recommends the contract be awarded to Capital Contractors, LLC, the lowest responsive and responsible bidder, for the total bid amount of $129,750.00. In addition to the total bid amount, staff has allocated $5,200.00 in Owner's Allowance, for Owner's use as directed.

This proposal solicitation document is prepared in a Microsoft Word format (Rev 8/22/2017). Any alterations to this document made by the Vendor may be grounds for rejection of proposal, cancellation of any subsequent award, or any other legal remedies available to the Collier County Government.

Collier County
Procurement Services Division

INVITATION TO BID - COUNTY BID NO. 24-8278
Hurricane Ian Repairs - Clam Pass Parking Lot Wall

Sealed bids for the construction of Hurricane Ian Repairs - Clam Pass Parking Lot Wall will be received electronically until **3:00 P.M. LOCAL TIME**, on the **4th** day of **September, 2024 on the County's on-line bidding system:** https://procurement.opengov.com. All bids will be publicly opened and read aloud. Any bids received after the time and date specified will not be accepted and shall be returned unopened to the Bidder. The anticipated project budget is: $96,500.00.

A non-mandatory pre-bid conference shall be held at the Clam Pass Park, 465 Seagate Dr, Naples, FL 34103, at **10 a.m. LOCAL TIME** on the **29th** day of **July, 2024**, at which time all prospective Bidders may have questions answered regarding the Bidding Documents for this Project.

Bids shall be received on line by the Bid Date of September 4, 2024. No bid shall be considered unless it is made on unaltered Bid forms which are included in the Bidding Documents. One contract will be awarded for all Work. Bidding Documents may be examined on the Collier County Procurement Services Division Online Bidding System website: https://procurement.opengov.com. Copies of the Bidding Documents may be obtained only from the denoted website. Bidding Documents obtained from sources other than the Collier County Procurement Services Division website may not be accurate or current.

Each bid shall be accompanied by a certified or cashier's check or a Bid Bond in an amount not less than five percent (5%) of the total Bid to be retained as liquidated damages in the event the Successful Bidder fails to execute the Agreement and file the required bonds and insurance within ten (10) calendar days after the receipt of the Notice of Award. The Successful Bidder acknowledges and agrees that it shall execute the Agreement in the form attached hereto and incorporated herein.

The Successful Bidder shall be required to furnish the necessary Payment and Performance Bonds, as prescribed in the General Conditions of the Contract Documents. All Bid Bonds, Payment and Performance Bonds, Insurance Contracts and Certificates of Insurance shall be either executed by or countersigned by a licensed resident agent of the surety or insurance company having its place of business in the State of Florida. Further, the said surety or insurance company shall be duly licensed and qualified to do business in the State of Florida. Attorneys-in-fact that sign Bid Bonds or Payment and Performance Bonds must file with each bond a certified and effective dated copy of their Power of Attorney.

In order to perform public work, the Successful Bidder shall, as applicable, hold or obtain such contractor's and business licenses, certifications and registrations as required by State statutes and County ordinances. Before a contract will be awarded for the Work contemplated herein, the Owner shall conduct such investigations as it deems necessary to determine the performance record and ability of the apparent low Bidder to perform the size and type of work specified in the Bidding Documents. Upon request, the Bidder shall submit such information as deemed necessary by the Owner to evaluate the Bidder's qualifications.

The Successful Bidder shall be required to finally complete all Work within **One Hundred and Eighty (180)** calendar days from and after the Commencement Date specified in the Notice to Proceed. The final completion days includes substantial completion days of **One Hundred and Fifty (150)** calendar days, with an additional **Thirty (30)** calendar days to final completion. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, **One Hundred and Three Dollars** (**$103.00**) for each calendar day thereafter until Substantial Completion is achieved. Unless otherwise specified, work will be limited to the hours of 7:00 a.m. to 7:00 p.m., Monday through Friday. The Owner reserves the right to reject all Bids or any Bid not conforming to the intent and purpose of the Bidding Documents, and to postpone the award of the contract for a period of time which, however, shall not extend beyond one hundred eighty (180) days from the bid opening date without the consent of the Successful Bidder.

BOARD OF COUNTY COMMISSIONERS, COLLIER COUNTY, FLORIDA

Director, Procurement Services Division

FORM 1 - BID RESPONSE FORM

BOARD OF COUNTY COMMISSIONERS
COLLIER COUNTY, FLORIDA

Hurricane Ian Repairs - Clam Pass Parking Lot Wall
BID NO. 24-8278

Full Name of Bidder_____

Main Business Address_____

Place of Business_____

Telephone No. _____Fax No._____

State Contractor's License #_____

State of Florida Certificate of Authority Document Number_____

Federal Tax Identification Number_____

DUNS # _____ CCR# _____ Cage Code _____

To: BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA
(hereinafter called the Owner)

The undersigned, as Bidder declares that the only person or parties interested in this Bid as principals are those named herein, that this Bid is submitted without collusion with any other person, firm or corporation; that it has carefully examined the location of the proposed Work, the proposed form of Agreement and all other Contract Documents and Bonds, and the Contract Drawings and Specifications.

Bidder proposes, and agrees if this Bid is accepted, Bidder will execute the Agreement included in the Bidding Documents, to provide all necessary machinery, tools, apparatus and other means of construction, including utility and transportation services necessary to do all the Work, and furnish all the materials and equipment specified or referred to in the Contract Documents in the manner and time herein prescribed and according to the requirements of the Owner as therein set forth, furnish the Contractor's Bonds and Insurance specified in the General Conditions of the Contract, and to do all other things required of the Contractor by the Contract Documents, and that it will take full payment the sums set forth in the following Bid Schedule:

Unit prices shall be provided in no more than two decimal points, and in the case where further decimal points are inadvertently provided, rounding to two decimal points will be conducted by Procurement Services Division staff.

Upon notification that its Bid has been awarded, the Successful Bidder will execute the Agreement form attached to the Bidding Documents within ten (10) calendar days and deliver the Surety Bond or Bonds and Insurance Certificates as required by the Contract Documents. The bid security attached is to become the property of the Owner in the event the Agreement, Insurance Certificates and Bonds are not executed and delivered to Owner within the time above set forth, as liquidated damages, for the delay and additional expense to the Owner, it being recognized that, since time is of the essence, Owner will suffer financial loss if the Successful Bidder fails to execute and deliver to Owner the required Agreement, Insurance Certificates and Bonds within the required time period. In the event of such failure, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. It is hereby agreed that it is appropriate and fair that Owner receive liquidated damages from the Successful Bidder in the event it fails to execute and deliver the Agreement, Insurance Certificates, and Bonds as required hereunder. The Successful Bidder hereby expressly waives and relinquishes any right which it may have to seek to characterize the

above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of Owner's actual damages at the time of bidding if the Successful Bidder fails to execute and deliver the Agreement, Insurance Certificates, and Bonds in a timely manner.

Upon receipt of the signed and approved agreement and Purchase Order, the undersigned proposes to commence work at the site within five (5) calendar days from the commencement date stipulated in the written Notice to Proceed unless the Project Manager, in writing, subsequently notifies the Contractor of a modified (later) commencement date. The undersigned further agrees to substantially complete all work covered by this Bid within **One Hundred and Fifty (150)** consecutive calendar days, computed by excluding the commencement date and including the last day of such period, and to be fully completed to the point of final acceptance by the Owner within **Thirty (30)** consecutive calendar days after Substantial Completion, computed by excluding commencement date and including the last day of such period.

Acceptance and acknowledged by an Authorize Agent

FORM 4 - LIST OF MAJOR SUBCONTRACTORS

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE

The undersigned states that the following is a list of the proposed subcontractors for the major categories outlined in the requirements of the Bid specifications.

The undersigned acknowledges its responsibility for ensuring that the Subcontractors for the major categories listed herein are "qualified" (as defined in Ordinance 2017-08 and Section 15 of Instructions to Bidders) and meet all legal requirements applicable to and necessitated by the Contract Documents, including, but not limited to proper licenses, certifications, registrations and insurance coverage. The Owner reserves the right to disqualify any Bidder who includes non-compliant or non-qualified Subcontractors in its bid offer. Further, the Owner may direct the Successful Bidder to remove/replace any Subcontractor, at no additional cost to Owner, which is found to be non-compliant with this requirement either before or after the issuance of the Award of Contract by Owner. (Attach additional sheets as needed). Further, the undersigned acknowledges and agrees that promptly after the Award of Contract, and in accordance with the requirements of the Contract Documents, the Successful Bidder shall identify all Subcontractors it intends to use on the Project. The undersigned further agrees that all Subcontractors subsequently identified for any portion of work on this Project must be qualified as noted above.

Major Category of Work	Subcontractor and Address

FORM 8 - INSURANCE AND BONDING REQUIREMENTS

The Vendor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth in FORM 8 of this solicitation. The Vendor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work.

The County and the Vendor waive against each other and the County's separate Vendors, Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Vendor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Vendors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts.

Collier County shall be responsible for purchasing and maintaining its own liability insurance.

Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or, the specific solicitation number and title.

The General Liability Policy provided by Vendor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Vendor under this solicitation and shall contain a severability of interests provisions.

The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth in FORM 8 with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Vendor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Vendor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Vendor's sole responsibility.

Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer.

The Vendor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Vendor. The Vendor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Vendor from its insurer and nothing contained herein shall relieve Vendor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Vendor hereunder, Vendor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Vendor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Vendor for such coverage(s) purchased. If Vendor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Vendor under this Agreement or any other agreement between the County and Vendor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Vendor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Vendor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

Collier County Florida
Insurance and Bonding Requirements

Insurance / Bond Type	Required Limits
1. ☒ Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Federal Government Statutory Limits and Requirements Evidence of Workers' Compensation coverage or a Certificate of Exemption issued by the State of Florida is required. Entities that are formed as Sole Proprietorships shall not be required to provide a proof of exemption. An application for exemption can be obtained online at https://apps.fldfs.com/bocexempt/
2. ☒ Employer's Liability	**$_1,000,000__** single limit per occurrence
3. ☒ Commercial General Liability (Occurrence Form) patterned after the current ISO form	Bodily Injury and Property Damage **$_1,000,000____**single limit per occurrence, $2,000,000 aggregate for Bodily Injury Liability and Property Damage Liability. The General Aggregate Limit Shall be endorsed to apply per project. This shall include Premises and Operations; Independent Contractors; Products and Completed Operations and Contractual Liability.
4. ☒ Indemnification	To the maximum extent permitted by Florida law, the Contractor/Vendor shall defend, indemnify and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor/ Vendor or anyone employed or utilized by the Contractor/Vendor in the performance of this Agreement.
5. ☒ Automobile Liability	**$_1,000,000_____** Each Occurrence; Bodily Injury & Property Damage, Owned/Non-owned/Hired; Automobile Included
6. ☐ Other insurance as noted:	☐ Watercraft **$** _____ Per Occurrence ☐ United States Longshoreman's and Harborworker's Act coverage shall be maintained where applicable to the completion of the work. **$** _____ Per Occurrence ☐ Maritime Coverage (Jones Act) shall be maintained where applicable to the completion of the work. **$** _____ Per Occurrence ☐ Aircraft Liability coverage shall be carried in limits of not less than $5,000,000 each occurrence if applicable to the completion of the Services under this Agreement. **$** _____ Per Occurrence ☐ Pollution **$** _____ Per Occurrence ☐ Professional Liability **$** _____ Per claim & in the aggregate ☐ Project Professional Liability **$**_____ Per Occurrence ☐ Valuable Papers Insurance **$**_____ Per Occurrence ☐ Cyber Liability **$**_____ Per Occurrence ☐ Technology Errors & Omissions **$**_____ Per Occurrence

7. ☒ Bid bond — Shall be submitted with proposal response in the form of certified funds, cashiers' check or an irrevocable letter of credit, a cash bond posted with the County Clerk, or proposal bond in a sum equal to 5% of the cost proposal. All checks shall be made payable to the Collier County Board of County Commissioners on a bank or trust company located in the State of Florida and insured by the Federal Deposit Insurance Corporation.

8. ☒ Performance and Payment Bonds — For projects in excess of $200,000, bonds shall be submitted with the executed contract by Proposers receiving award, and written for 100% of the Contract award amount, the cost borne by the Proposer receiving an award. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall be rated as "A-" or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

9. ☒ Vendor shall ensure that all subcontractors comply with the same insurance requirements that he is required to meet. The same Vendor shall provide County with certificates of insurance meeting the required insurance provisions.

10. ☒ Collier County must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for Commercial General Liability where required. This insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Vendor's policy shall be endorsed accordingly.

11. ☒ The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

12. ☒ **On all certificates, the Certificate Holder must read:** Collier County Board of Commissioners, 3295 Tamiami Trail East, Naples, FL 34112

13. ☒ **Thirty (30) Days Cancellation Notice** required.

14. Collier County shall procure and maintain Builders Risk Insurance on all construction projects where it is deemed necessary. Such coverage shall be endorsed to cover the interests of Collier County as well as the Contractor. Premiums shall be billed to the project and the Contractor shall not include Builders Risk premiums in its project proposal or project billings. All questions regarding Builder's Risk Insurance will be addressed by the Collier County Risk Management Division.

GG – 6/7/24

Vendor's Insurance Acceptance

By submission of the bid Vendor accepts and understands the insurance requirements of these specifications, agrees to maintain these coverages through the duration of the agreement and/or work performance period, and that the evidence of insurability may be required within five (5) days of notification of recommended award of this solicitation.

Collier County
Procurement Services Division

FORM 9 – CONFLICT OF INTEREST AFFIDAVIT

The Vendor certifies that, to the best of its knowledge and belief, the past and current work on any Collier County project affiliated with this solicitation does not pose an organizational conflict as described by one of the three categories below:

Biased ground rules – The firm has not set the "ground rules" for affiliated past or current Collier County project identified above (e.g., writing a procurement's statement of work, specifications, or performing systems engineering and technical direction for the procurement) which appears to skew the competition in favor of my firm.

Impaired objectivity – The firm has not performed work on an affiliated past or current Collier County project identified above to evaluate proposals / past performance of itself or a competitor, which calls into question the contractor's ability to render impartial advice to the government.

Unequal access to information – The firm has not had access to nonpublic information as part of its performance of a Collier County project identified above which may have provided the contractor (or an affiliate) with an unfair competitive advantage in current or future solicitations and contracts.

In addition to this signed affidavit, the contractor / vendor must provide the following:

1. All documents produced as a result of the work completed in the past or currently being worked on for the above-mentioned project; and,
2. Indicate if the information produced was obtained as a matter of public record (in the "sunshine") or through non-public (not in the "sunshine") conversation (s), meeting(s), document(s) and/or other means.

Failure to disclose all material or having an organizational conflict in one or more of the three categories above be identified, may result in the disqualification for future solicitations affiliated with the above referenced project(s).

By the signature below, the firm (employees, officers and/or agents) certifies, and hereby discloses, that, to the best of their knowledge and belief, all relevant facts concerning past, present, or currently planned interest or activity (financial, contractual, organizational, or otherwise) which relates to the project identified above has been fully disclosed and does not pose an organizational conflict.

FORM 10 – VENDOR DECLARATION STATEMENT

BOARD OF COUNTY COMMISSIONERS
Collier County Government Complex
Naples, Florida 34112

Dear Commissioners:

The undersigned, as Vendor declares that this response is made without connection or arrangement with any other person and this proposal is in every respect fair and made in good faith, without collusion or fraud. The Vendor hereby declares the instructions, purchase order terms and conditions, requirements, and specifications/scope of work of this solicitation have been fully examined and accepted.

The Vendor agrees, if this solicitation submittal is accepted, to execute a Collier County document for the purpose of establishing a formal contractual relationship between the firm and Collier County, for the performance of all requirements to which the solicitation pertains. The Vendor states that the submitted is based upon the documents listed by the above referenced Solicitation**. Further, the vendor agrees that if awarded a contract for these goods and/or services, the vendor will not be eligible to compete, submit a proposal, be awarded, or perform as a sub-vendor for any future associated with work that is a result of this awarded contract.**

FORM 11- IMMIGRATION AFFIDAVIT CERTIFICATION

This Affidavit is required and should be signed, notarized by an authorized principal of the firm and submitted with formal solicitation submittals. Further, Vendors are required to be enrolled in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Vendor's bid. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company which will be produced at the time of the submission of the Vendor's bid or within five (5) day of the County's Notice of Recommend Award.

FAILURE TO EXECUTE THIS AFFIDAVIT CERTIFICATION AND SUBMIT WITH VENDOR'S PROPOSAL/BID MAY DEEM THE VENDOR NON-RESPONSIVE.

Collier County will not intentionally award County contracts to any Vendor who knowingly employs unauthorized alien workers, constituting a violation of the employment provision contained in 8 U.S.C. Section 1324 a(e) Section 274A(e) of the Immigration and Nationality Act ("INA").

Collier County may consider the employment by any Vendor of unauthorized aliens a violation of Section 274A (e) of the INA. Such Violation by the recipient of the Employment Provisions contained in Section 274A (e) of the INA shall be grounds for unilateral termination of the contract by Collier County.

Vendor attests that they are fully compliant with all applicable immigration laws (specifically to the 1986 Immigration Act and subsequent Amendment(s)) that it is aware of and in compliance with the requirements set forth in Florida Statutes §448.095, and agrees to comply with the provisions of the Memorandum of Understanding with E-Verify and to provide proof of enrollment in The Employment Eligibility Verification System (E-Verify), operated by the Department of Homeland Security in partnership with the Social Security Administration at the time of submission of the Vendor's proposal/bid.

FORM 12 - BIDDERS CHECKLIST

IMPORTANT: No bid shall be considered unless it is made on unaltered Bid forms which are included in the Bidding Documents. Please read carefully, sign in the spaces indicated and return with your Bid. FAILURE TO PROVIDED THE BID DOCUMENTS MAY BE GROUNDS TO DEEM YOU NON-RESPONSIVE/NON-RESPONSIBLE.

Bidder should check off each of the following items as the necessary action is completed:

1. The Bid has been signed.
2. The Bid prices offered have been reviewed.
3. The price extensions and totals have been checked.
4. Bid Schedule has been completed and attached.
5. Any required drawings, descriptive literature, etc. have been included.
6. Any delivery information required is included.
7. The following on-line standard documents have been reviewed and accepted in BidSync:
    a. Construction bid instructions form
    b. Construction services agreement
    c. Purchase order terms and conditions
8. All of the following bid forms have been completed and signed:
    a. Bid Form (Form 1)
    b. Contractors Key Personnel (Form 2)
    c. Material Manufacturers (Form 3)
    d. List of Major Subcontractors (Form 4)
    e. Statement of Experience (Form 5)
    f. Trench Safety Act (Form 6)
    g. Bid Bond Form (Form 7)
    h. Insurance and Bonding Requirements (Form 8)
    i. Conflict of Interest Affidavit (Form 9)
    j. Vendor Declaration Statement (Form 10)
    k. Immigration Law Affidavit Certification (Form 11) MUST be signed and attached with your submittal.
    l. Signed Grant Provisions and Assurances package in its entirety, if applicable, are executed and should be included with your submittal.
9. Copies of required information have been attached
    a. Business tax Receipt (Collier County Businesses Only)
    b. Company's E-Verify profile page or memorandum of understanding
    c. Certificate of Authority to Conduct Business in State of Florida (sunbiz.org)
    d. Any required professional licenses – valid and current (myfloridalicense.com)
    (ie: General Contractors license, Underground Utility and Excavation, Builders, Trade Contractors, etc., as applicable, requested and/or required.)
    Required: State of Florida General Contractor License. All subcontractors to be licensed in the state of Florida for their respective trade or Building Contractor.
    e. Vendor W-9 Form
10. If required, the amount of Bid bond has been checked, and the Bid bond or cashier's check has been submitted.
11. Any addenda have been signed and acknowledgement form attached and included.
12. The Bid will be uploaded in time to be received no later than the specified opening date and time, otherwise the Bid cannot be considered.

EXHIBIT B-1: PUBLIC PAYMENT BOND

Hurricane Ian Repairs - Clam Pass Parking Lot Wall

Bond No.
Contract No. 24-8278

KNOW ALL MEN BY THESE PRESENTS: That _____ _____, as Principal, and _____, as Surety, located at _____ (Business Address) are held and firmly bound to _____ as Obligee in the sum of _____ ($_____) for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the ____ day of _____ 20 , with Obligee for _____ in _____ accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to herein as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

Promptly makes payment to all claimants as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials or supplies, used directly or indirectly by Principal in the prosecution of the work provided for in the Contract, then this bond is void; otherwise it remains in full force.

Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Sureties obligation under this Bond.

The provisions of this bond are subject to the time limitations of Section 255.05(2). In no event will the Surety be liable in the aggregate to claimants for more than the penal sum of this Payment Bond, regardless of the number of suits that may be filed by claimants.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____ 20 , the name of each party being affixed and these presents duly signed by its under-signed representative, pursuant to authority of its governing body.

EXHIBIT B-2: PUBLIC PERFORMANCE BOND

Hurricane Ian Repairs - Clam Pass Parking Lot Wall

Bond No._____
Contract No. 24-8278

KNOW ALL MEN BY THESE PRESENTS: That _____ _____, as Principal, and _____ _____, as Surety, located at _____ (Business Address) are held and firmly bound to _____, as Obligee in the sum of _____ ($_____) for the payment whereof we bond ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the _____ day of _____, 20 , with Obligee for _____ in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to herein as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract, including, but not limited to, all delay damages, whether liquidated or actual, incurred by Obligee; and

3. Performs the guarantee of all work and materials furnished under the Contract for the time specified in the Contract, then this bond is void; otherwise it remains in full force. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Sureties obligation under this Bond.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligations under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond. It is expressly understood that the time provisions and statute of limitations under Section 255.05, Florida Statutes, shall not apply to this bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penal sum of this Performance Bond regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____, 20 , the name of each party being affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

CONSTRUCTION AGREEMENT

THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, ("County" or "Owner") hereby contracts with **Capital Contractors, LLC** ("Contractor") of **9010 Strada Stell Ct., Suite 108, Naples, FL 34109,** a **Florida Limited Liability Company**, authorized to do business in the State of Florida, to perform all work ("Work") in connection with **Hurricane Ian Repairs - Clam Pass Parking Lot Wall,** Invitation to Bid No. **24-8278 ("Project"),** as said Work is set forth in the Plans and Specifications prepared by **Taylor Engineering, Inc.,** the Engineer and/or Architect of Record ("Design Professional") and other Contract Documents hereafter specified.

Owner and Contractor, for the consideration herein set forth, agree as follows:

Section 1. Contract Documents.

A. The Contract Documents consist of this Agreement, the Exhibits described in Section 6 hereof, the Legal Advertisement, the Bidding Documents and any duly executed and issued addenda, Change Orders, Work Directive Changes, Field Orders, and amendments relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents including the Agreement sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement" and sometimes as the "Contract"). A copy of the Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. Owner shall furnish to the Contractor one reproducible set of the Contract Documents and the appropriate number of sets of the Construction Documents, signed and sealed by the Design Professional, as are reasonably necessary for permitting.

Section 2. Scope of Work.

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good and workmanlike manner the Work required by the Contract Documents.

Section 3. Contract Amount.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of Owner, Owner agrees to pay, or cause to be paid, to Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement: **One Hundred Twenty-Nine Thousand Seven Hundred and Fifty Dollars ($129,750.00**). The amount of **Five Thousand Two Hundred Dollars ($5,200.00) has been allocated as an Owner's Allowance.** Any allowance dollar amount that has been included in the Contractor's Bid Schedule amount is not a guaranteed portion of the aforementioned Contract Amount but rather is only eligible for reimbursement by the Owner if and subject to whether a specific dollar amount of the allowance is expressly authorized by the Owner and formally agreed upon and memorialized by the Parties in writing (the "Owner's Allowance"). Any dollar portion of an Owner's Allowance that is not authorized by the Owner and memorialized by the Parties in writing, via Change Order, shall not be eligible for reimbursement/payment by the Owner as part of a Payment Application submitted by the Contractor.

Section 4. Bonds.

A. If applicable, the Contractor shall provide Performance and Payment Bonds, in the form prescribed in Exhibit B-1 and B-2, in the amount of 100% of the Contract Amount, plus any approved allowance as provided in Section 3, the costs of which are to be paid by Contractor. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall meet the requirements of the Department of the Treasury Fiscal Service, "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsurance Companies" circular. This circular may be accessed via the web at https://fiscal.treasury.gov/surety-bonds/list-certified-companies.html. Should the Contract Amount be less than $500,000, the requirements of Section 287.0935, F.S. shall govern the rating and classification of the surety.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Contractor shall, within five (5) calendar days thereafter, substitute at its cost and expense another bond and surety, both of which shall be subject to the Owner's approval.

Section 5. Contract Time and Liquidated Damages.

A. Time of Performance.
Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the written Notice to Proceed to be issued by the Project Manager, as hereinafter defined. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. Contractor shall achieve Substantial Completion within **One Hundred and Fifty (150)** calendar days from the Commencement Date (herein "Contract Time"). The date of Substantial Completion of the Work (or designated portions thereof) is the date certified by the Design Professional when construction is sufficiently complete, in accordance with the Contract Documents, so Owner can occupy or utilize the Work (or designated portions thereof) for the use for which it is intended, as more particularly defined herein at Section 16, Defined Terms. Contractor shall achieve Final Completion within **Thirty (30)** calendar days after the date the Punch List is delivered to the Contractor. Final Completion shall occur when the Agreement is completed in its entirety, is accepted by the Owner as complete and is so stated by the Owner as completed. As used herein and throughout the Contract Documents, the phrase "Project Manager" refers to the Owner's duly authorized representative and shall mean the Department Administrator or Division Director, as applicable, acting directly or through duly authorized representatives.

B. Liquidated Damages in General.
Owner and Contractor recognize that, since time is of the essence for this Agreement, Owner will suffer financial loss if Contractor fails to achieve Substantial Completion within the time specified above, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, **One Hundred and Three ($103.00)** for each calendar day thereafter until Substantial Completion is achieved. Further, in the event Substantial Completion is reached, but the Contractor fails to reach Final Completion within the required time period, Owner shall also be entitled to assess, and Contractor shall be liable for all actual damages incurred by Owner as a result of Contractor

failing to timely achieve Final Completion. The Project shall be deemed to be substantially completed on the date specified by the Project Manager (or at his/her direction, the Design Professional) as memorialized in the Certificate of Substantial Completion issued pursuant to the terms hereof, and as more particularly defined herein at Section 16, Defined Terms. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the Owner's actual damages at the time of contracting if Contractor fails to Substantially or Finally Complete the Work within the required time periods.

C. Computation of Time Periods.
When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

D. Determination of Number of Days of Default.
For all contracts, the Owner will count default days in calendar days.

E. Right of Collection.
The Owner has the right to apply any amounts due Contractor under this Agreement or any other agreement between Owner and Contractor, as payment on such liquidated damages due under this Agreement in Owner's sole discretion. Notwithstanding anything herein to the contrary, Owner retains its right to liquidated damages due under this Agreement even if Contractor, at Owner's election and in its sole discretion, is allowed to continue and to finish the Work, or any part of it, after the expiration of the Contract Time including granted time extensions.

F. Completion of Work by Owner.
In the event Contractor defaults on any of its obligations under the Agreement and Owner elects to complete the Work, in whole or in part, through another contractor or its own forces, the Contractor and its surety shall continue to be liable for the liquidated damages under the Agreement until Owner achieves Substantial and Final Completion of the Work, as more particularly defined herein at Section 16, Defined Terms. Owner will not charge liquidated damages for any delay in achieving Substantial or Final Completion as a result of any unreasonable action or delay on the part of the Owner.

G. Final Acceptance by Owner.
The Owner shall consider the Agreement complete when the Contractor has completed in its entirety all of the Work and the Owner has accepted all of the Work and notified the Contractor in writing that the Work is complete. Once the Owner has approved and accepted the Work, Contractor shall be entitled to final payment in accordance with the terms of the Contract Documents.

H. Recovery of Damages Suffered by Third Parties.
Contractor shall be liable to Owner to the extent Owner incurs damages from a third party as a result of Contractor's failure to fulfill all of its obligations under the Contract Documents. Owner's recovery of any delay related damages under this Agreement through the liquidated damages does not preclude Owner from recovering from Contractor any other non-delay related damages that may be owed to it arising out of or relating to this Agreement.

Section 6. Exhibits Incorporated.

Exhibits Incorporated: The following documents are expressly agreed upon, attached hereto, and made a part of this Agreement for Solicitation **#24-8278 Hurricane Ian Repairs - Clam Pass Parking Lot Wall** .

Section 7. Notices

A. All notices required or made pursuant to this Agreement by the Contractor to the Owner shall be deemed duly served if delivered by U.S. Mail or E-mail, addressed to the following:

Collier County Board of County Commissioners, FL
c/o Facilities Management Division
3335 Tamiami Trail East, Suite 101
Naples, FL 34112
Attn: Michael Levy, Project Manager II

Phone: 239-252-4047
Email: michael.levy@colliercountyfl.gov

B. All notices required or made pursuant to this Agreement by Owner to Contractor shall be made in writing and shall be deemed duly served if delivered by U.S. Mail, or E-mail, addressed to the following:

Capital Contractors, LLC
9010 Strada Stell Court, Suite 108
Attn: Adam Ahmad, Managing Member
Phone: 239-273-8894
Email: adam.ahmad@capitalengr.com

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 8. PUBLIC ENTITY CRIMES.

8.1 By its execution of this Contract, Construction Contractor acknowledges that it has been informed by Owner of the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

> "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

Section 9. Modification.

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 10. Successors and Assigns.

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

Section 11. Governing Law.

The Agreement shall be interpreted under, and its performance governed by the laws of the State of Florida.

Section 12. No Waiver.

The failure of the Owner to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 13. Entire Agreement.

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated, and superseded by the Agreement.

Section 14. Severability.

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 15. Change Order Authorization.

The Project Manager shall have the authority on behalf of the Owner to execute all Change Orders and Work Directive Changes to the Agreement to the extent provided for under the Owner's Procurement Ordinance, as amended, and the terms of the Contract Documents.

Section 16. Construction.

(i) Any doubtful or ambiguous language contained in this Agreement shall not be construed against the party who physically prepared this Agreement. The rule sometimes referred to as "fortius contra proferentum" (pursuant to which ambiguities in a contractual term which appears on its face to have been inserted for the benefit of one of the parties shall be construed against the benefited party) shall not be applied to the construction of this Agreement.

(ii) Defined Terms: The following Defined Terms used in the Agreement shall be understood to be defined as expressly set forth below. Other terms referenced in the Agreement shall be understood as they may separately be defined herein or if not so defined shall be understood consistent with their natural and ordinary meaning.

(a) "Application for Payment" shall mean the form provided by the Owner that is to be used by the Contractor in requesting a progress or final payment and which is to include such supporting documentation as is required by the Contract Documents.

(b) "Construction Project" shall mean a Project, funded by Owner funds that involves the process of building, altering, repairing, improving, or demolishing any public structure or building, or other public improvements of any kind to any real property owned or under the control of the Owner, which Work is being performed under a Construction Contract.

(c) "Construction Services" shall mean all labor and materials to be provided by Contractor in connection with the construction, alteration, repair, demolition, reconstruction, or any other improvements to real property. Construction Services also means Work.

(d) "Contract" or "Contract Documents" shall refer to those documents described in Section 1, subsection A of the Agreement.

CAO

(e) "Defective" shall mean an adjective which, when modifying the Work, refers to Work that is unsatisfactory, faulty, deficient or otherwise does not conform to the Contract Documents.

(f) "Department" shall mean the Department or Division initiating and managing the Project on behalf of the Owner.

(g) "Director" shall mean the Director or Administrator of the Department or Division initiating and managing the Project on behalf of the Owner.

(h) "Final Acceptance" shall mean acceptance of the Work by the Owner as evidenced by the signature of the Project Manager or Design Professional upon the Certificate of Final Completion form, Exhibit F-2. Final Acceptance shall be deemed to have taken place only if and when such signature is affixed to such certificate. The Certificate of Final Completion shall be signed only after the Project Manager has assurance by tests, inspection, or otherwise that all of the provisions of the Contract Documents have been carried out, including completion of the Punch List form, Exhibit F-3.

(i) "Professional" or "Design Professional" shall mean the professional architectural/engineering firm designated to perform the design, Construction Engineering and Inspection ("CEI") services, by an existing agreement, or resident in-house Owner engineering services for the Work. At times, Owner staff may perform the design for the Work in-house and shall be considered the Professional in relation to the Work or a particular portion of the Work.

(j) "Project" shall mean the total construction, of which the Work to be provided under the Contract Documents may be the whole or a part as indicated elsewhere in the Contract Documents.

(k) "Project Manager" shall mean an individual employed by the Owner and assigned to manage and administer the Project which is the subject of the Contract Documents.

(l) "Proper Invoice" shall mean an invoice that conforms with all statutory requirements and all requirements specified in the Contract Documents.

(m) "Punch List" shall mean the approved list of incomplete and/or deficient Work that shall be completed by the Contractor after Substantial Completion but before the Final Acceptance can be certified by the Project Manager. The Punch List enumerates the items required to render complete, satisfactory and acceptable all Work by the Contractor. The Punch List is developed by the Contractor, Owner and Professional (if any) in accordance with the provisions of the Contract and within the time frames required therein. The Punch List essentially includes items of a minor nature; major items must be completed before Substantial Completion and cannot be considered to be Punch List work.

(n) "Schedule of Values" shall mean a schedule showing all activities of the Work subdivided into component parts in sufficient detail to serve as the basis for measuring quantities in place and/or calculating amounts for progress payments during construction. The Schedule of Values shall be satisfactory in form and substance to the Project Manager.

(o) "Substantial Completion" shall mean the status of completion of the Work which, in the opinion of the Project Manager as evidenced by a definitive Certificate of Substantial Completion, is complete in accordance with the Contract Documents, except for minor outstanding items listed on the Punch List. Substantial Completion includes, but is not limited to, the following occurring: (1) the Work can be safely utilized for the purposes for which it was intended; (2) all regulatory agency requirements are satisfied, including occupancy permits, operating certificates and similar releases, (3) all operational testing has successfully occurred; (4) all required training has successfully occurred; (5) all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports, test logs, operational manuals, etc.) have been provided by the Contractor and accepted by the Owner, and permit acceptance by permitting agencies, if applicable, see Exhibit F-1.

(p) "Work" shall mean the Work to be performed under this Agreement and shall consist of furnishing all tools, equipment, materials, supplies, and manufactured articles and for furnishing all transportation and services, including fuel, power, water, and essential communications, and for the performance of all labor, work, or other operations required for the fulfillment of the Agreement in strict accordance with the Specifications, schedules, Drawings, and other Contract Documents as herein defined, all of which are made a part hereof, and including such detailed sketches as may be furnished by the Professional from time to time during construction in explanation of said Contract Documents. The Work shall be complete, and all work, materials, and services not expressly shown or called for in the Contract Documents, which may be necessary for the complete and proper construction of the Work in good faith, shall be performed, furnished, and installed by the Contractor as though originally so specified or shown, at no increase in cost to the Owner.

(q) "Written Directive" shall mean a written directive and also referred to as work directive, as required by in Exhibit H, Section 10.1, in the form that appears in Exhibit E-2 that is issued to a Contractor from Owner in instances where the parties cannot agree on price and/or costs associated with work arising from differing, unforeseen or emergency site conditions and the work in question is part of the "critical path" of the contract schedule. A written directive should ultimately be followed up with an agreed upon Change Order. A verbal Work Directive may only be issued in extraordinary emergencies when necessary to protect and promote the public interest, which shall be followed up with a written Work Directive within five (5) business days.

Section 17. Order of Precedence

In the event of any conflict between or among the terms of any of the Contract Documents, the terms of the Construction Agreement and the General Terms and Conditions shall take precedence over the terms of all other Contract Documents, except the terms of any Supplemental Conditions shall take precedence over the Construction Agreement and the General Terms and Conditions. To the extent any conflict in the terms of the Contract Documents including the Owner's Board approved Executive Summary cannot be resolved by application of the Supplemental Conditions, if any, or the Construction Agreement and the General Terms and Conditions, the conflict shall be resolved by imposing the more strict or costly obligation under the Contract Documents upon the Contractor at Owner's discretion.

Federal Tax Identification Number 37-1858650

DUNS # 081181106 CCR# _____ Cage Code _____

To: BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA
(hereinafter called the Owner)

The undersigned, as Bidder declares that the only person or parties interested in this Bid as principals are those named herein, that this Bid is submitted without collusion with any other person, firm or corporation; that it has carefully examined the location of the proposed Work, the proposed form of Agreement and all other Contract Documents and Bonds, and the Contract Drawings and Specifications.

Bidder proposes, and agrees if this Bid is accepted, Bidder will execute the Agreement included in the Bidding Documents, to provide all necessary machinery, tools, apparatus and other means of construction, including utility and transportation services necessary to do all the Work, and furnish all the materials and equipment specified or referred to in the Contract Documents in the manner and time herein prescribed and according to the requirements of the Owner as therein set forth, furnish the Contractor's Bonds and Insurance specified in the General Conditions of the Contract, and to do all other things required of the Contractor by the Contract Documents, and that it will take full payment the sums set forth in the following Bid Schedule:

Unit prices shall be provided in no more than two decimal points, and in the case where further decimal points are inadvertently provided, rounding to two decimal points will be conducted by Procurement Services Division staff.

Upon notification that its Bid has been awarded, the Successful Bidder will execute the Agreement form attached to the Bidding Documents within ten (10) calendar days and deliver the Surety Bond or Bonds and Insurance Certificates as required by the Contract Documents. The bid security attached is to become the property of the Owner in the event the Agreement, Insurance Certificates and Bonds are not executed and delivered to Owner within the time above set forth, as liquidated damages, for the delay and additional expense to the Owner, it being recognized that, since time is of the essence, Owner will suffer financial loss if the Successful Bidder fails to execute and deliver to Owner the required Agreement, Insurance Certificates and Bonds within the required time period. In the event of such failure, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. It is hereby agreed that it is appropriate and fair that Owner receive liquidated damages from the Successful Bidder in the event it fails to execute and deliver the Agreement, Insurance Certificates, and Bonds as required hereunder. The Successful Bidder hereby expressly waives and relinquishes any right which it may have to seek to characterize the

CAO

above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of Owner's actual damages at the time of bidding if the Successful Bidder fails to execute and deliver the Agreement, Insurance Certificates, and Bonds in a timely manner.

Upon receipt of the signed and approved agreement and Purchase Order, the undersigned proposes to commence work at the site within five (5) calendar days from the commencement date stipulated in the written Notice to Proceed unless the Project Manager, in writing, subsequently notifies the Contractor of a modified (later) commencement date. The undersigned further agrees to substantially complete all work covered by this Bid within **One Hundred and Fifty (150)** consecutive calendar days, computed by excluding the commencement date and including the last day of such period, and to be fully completed to the point of final acceptance by the Owner within **Thirty (30)** consecutive calendar days after Substantial Completion, computed by excluding commencement date and including the last day of such period.

Acceptance and acknowledged by an Authorize Agent

FORM 4 - LIST OF MAJOR SUBCONTRACTORS

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE

The undersigned states that the following is a list of the proposed subcontractors for the major categories outlined in the requirements of the Bid specifications.

The undersigned acknowledges its responsibility for ensuring that the Subcontractors for the major categories listed herein are "qualified" (as defined in Ordinance 2017-08 and Section 15 of Instructions to Bidders) and meet all legal requirements applicable to and necessitated by the Contract Documents, including, but not limited to proper licenses, certifications, registrations and insurance coverage. The Owner reserves the right to disqualify any Bidder who includes non-compliant or non-qualified Subcontractors in its bid offer. Further, the Owner may direct the Successful Bidder to remove/replace any Subcontractor, at no additional cost to Owner, which is found to be non-compliant with this requirement either before or after the issuance of the Award of Contract by Owner. (Attach additional sheets as needed). Further, the undersigned acknowledges and agrees that promptly after the Award of Contract, and in accordance with the requirements of the Contract Documents, the Successful Bidder shall identify all Subcontractors it intends to use on the Project. The undersigned further agrees that all Subcontractors subsequently identified for any portion of work on this Project must be qualified as noted above.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 18TH day of SEPTEMBER, 2024.

FORM 8 - INSURANCE AND BONDING REQUIREMENTS

The Vendor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth in FORM 8 of this solicitation. The Vendor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work.

The County and the Vendor waive against each other and the County's separate Vendors, Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Vendor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Vendors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts.

Collier County shall be responsible for purchasing and maintaining its own liability insurance.

Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or, the specific solicitation number and title.

The General Liability Policy provided by Vendor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Vendor under this solicitation and shall contain a severability of interests provisions.

The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth in FORM 8 with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Vendor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Vendor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Vendor's sole responsibility.

Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer.

The Vendor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Vendor. The Vendor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Vendor from its insurer and nothing contained herein shall relieve Vendor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Vendor hereunder, Vendor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Vendor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Vendor for such coverage(s) purchased. If Vendor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Vendor under this Agreement or any other agreement between the County and Vendor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Vendor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Vendor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

Collier County

Procurement Services Division

FORM 9 – CONFLICT OF INTEREST AFFIDAVIT

The Vendor certifies that, to the best of its knowledge and belief, the past and current work on any Collier County project affiliated with this solicitation does not pose an organizational conflict as described by one of the three categories below:

Biased ground rules – The firm has not set the "ground rules" for affiliated past or current Collier County project identified above (e.g., writing a procurement's statement of work, specifications, or performing systems engineering and technical direction for the procurement) which appears to skew the competition in favor of my firm.

Impaired objectivity – The firm has not performed work on an affiliated past or current Collier County project identified above to evaluate proposals / past performance of itself or a competitor, which calls into question the contractor's ability to render impartial advice to the government.

Unequal access to information – The firm has not had access to nonpublic information as part of its performance of a Collier County project identified above which may have provided the contractor (or an affiliate) with an unfair competitive advantage in current or future solicitations and contracts.

In addition to this signed affidavit, the contractor / vendor must provide the following:

1. All documents produced as a result of the work completed in the past or currently being worked on for the above-mentioned project; and,
2. Indicate if the information produced was obtained as a matter of public record (in the "sunshine") or through non-public (not in the "sunshine") conversation (s), meeting(s), document(s) and/or other means.

Failure to disclose all material or having an organizational conflict in one or more of the three categories above be identified, may result in the disqualification for future solicitations affiliated with the above referenced project(s).

By the signature below, the firm (employees, officers and/or agents) certifies, and hereby discloses, that, to the best of their knowledge and belief, all relevant facts concerning past, present, or currently planned interest or activity (financial, contractual, organizational, or otherwise) which relates to the project identified above has been fully disclosed and does not pose an organizational conflict.

Naples, Florida 34112

Dear Commissioners:

The undersigned, as Vendor declares that this response is made without connection or arrangement with any other person and this proposal is in every respect fair and made in good faith, without collusion or fraud. The Vendor hereby declares the instructions, purchase order terms and conditions, requirements, and specifications/scope of work of this solicitation have been fully examined and accepted.

The Vendor agrees, if this solicitation submittal is accepted, to execute a Collier County document for the purpose of establishing a formal contractual relationship between the firm and Collier County, for the performance of all requirements to which the solicitation pertains. The Vendor states that the submitted is based upon the documents listed by the above referenced Solicitation. **Further, the vendor agrees that if awarded a contract for these goods and/or services, the vendor will not be eligible to compete, submit a proposal, be awarded, or perform as a sub-vendor for any future associated with work that is a result of this awarded contract.**

IN WITNESS WHEREOF, WE have hereunto subscribed our names on this 18th day of September, 2024 in the County of Collier, in the State of Florida.

FORM 11- IMMIGRATION AFFIDAVIT CERTIFICATION

This Affidavit is required and should be signed, notarized by an authorized principal of the firm and submitted with formal solicitation submittals. Further, Vendors are required to be enrolled in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Vendor's bid. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company which will be produced at the time of the submission of the Vendor's bid or within five (5) day of the County's Notice of Recommend Award.

FAILURE TO EXECUTE THIS AFFIDAVIT CERTIFICATION AND SUBMIT WITH VENDOR'S PROPOSAL/BID MAY DEEM THE VENDOR NON-RESPONSIVE.

Collier County will not intentionally award County contracts to any Vendor who knowingly employs unauthorized alien workers, constituting a violation of the employment provision contained in 8 U.S.C. Section 1324 a(e) Section 274A(e) of the Immigration and Nationality Act ("INA").

Collier County may consider the employment by any Vendor of unauthorized aliens a violation of Section 274A (e) of the INA. Such Violation by the recipient of the Employment Provisions contained in Section 274A (e) of the INA shall be grounds for unilateral termination of the contract by Collier County.

Vendor attests that they are fully compliant with all applicable immigration laws (specifically to the 1986 Immigration Act and subsequent Amendment(s)) that it is aware of and in compliance with the requirements set forth in Florida Statutes §448.095, and agrees to comply with the provisions of the Memorandum of Understanding with E-Verify and to provide proof of enrollment in The Employment Eligibility Verification System (E-Verify), operated by the Department of Homeland Security in partnership with the Social Security Administration at the time of submission of the Vendor's proposal/bid.

Collier County Business Tax 2021/2022 Renewal Notice					BTX# 170281
If Paid By Please Pay	Sep 30, 2021 30.00	Oct 31, 2021 33.00	Nov 30, 2021 34.50	Dec 31, 2021 36.00	Jan 31, 2022 45.50

****IMPORTANT REMINDER** RENEW YOUR CONTRACTORS LICENSE BEFORE SEPTEMBER 30TH OF EACH YEAR**

NOTICE - PLEASE READ CAREFULLY*** Anytime your location changes, you will need to notify the Business Tax, Zoning Dept., Fire Dept. or Health Dept. to make sure you conform to all applicable restrictions. If your commercial location has changed and you are in the unincorporated part of Collier County, you must obtain a new zoning certificate from the Planning Dept. and a new fire inspection before it can be changed on your Business Tax Receipt. Planning Dept. phone number is (239) 252-5603. Contact the Fire Dept. in your district.

If there is a change in ownership, you will be required to provide the following:

- Bill of Sale for proof of ownership
- Copy of Fictitious name registration or Article of Incorporation paper
- Copy of State License (if applicable)
- Previous owners Business Tax Receipt
- Transfer fees
- A new fire inspection is required if the location is commercial. Contact the Fire Department in your district and submit the yellow copy of inspection with your paperwork. If your change of location is in the City of Naples, please call (239) 213-1800 and if Marco Island, call (239) 389-5000.

Renewal Period: July 1 to September 30, 10% Penalty October 1, Additional 5% penalty per month beginning November 1. Maximum 25% penalty, plus a collection fee not to exceed $10.00

Please Retain this portion for your records

Renewal payments postmarked after September 30th are subject to penalty.

If you are no longer in business, you must cancel your tax in writing.

In addition to other penalties provided by law, a 25% penalty of the license amount shall be imposed on any person engaged in any new business, occupation or profession without first paying your Collier County Business Tax.

Make any corrections to your renewal notice below. (address, misspellings, etc.)

E-Verify

E-VERIFY IS A SERVICE OF DHS AND SSA

Company ID Number: 1774103

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR E-VERIFY EMPLOYER AGENTS

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and CAPITAL CONTRACTORS, LLC (E-Verify Employer Agent). The purpose of this agreement is to set forth terms and conditions which the E-Verify Employer Agent will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the E-Verify Employer Agent, the Employer, DHS, and the Social Security Administration (SSA).

The Employer is not a party to this MOU; however, this MOU contains a section titled Responsibilities of the Employer. This section is provided to inform E-Verify Employer Agents acting on behalf of the Employer of the responsibilities and obligations their clients are required to meet. The Employer is bound by these responsibilities through signing a separate MOU during their enrollment as a client of the E-Verify Employer Agent. The E-Verify program requires an initial agreement between DHS and the E-Verify Employer Agent as part of the enrollment process. After agreeing to the MOU as set forth herein, completing the tutorial, and obtaining access to E-Verify as an E-Verify Employer Agent, the E-Verify Employer Agent will be given an opportunity to add a client once logged into E-Verify. All parties, including the Employer, will then be required to sign and submit a separate MOU to E-Verify. The responsibilities of the parties remain the same in each MOU.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF E-VERIFY EMPLOYER AGENT

1. The E-Verify Employer Agent agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the E-Verify Employer Agent representatives who will be accessing information under E-Verify and shall update them as needed to keep them current.

2. The E-Verify Employer Agent agrees to become familiar with and comply with the E-Verify User Manual and provide a copy of the most current version of the E-Verify User Manual to the Employer so that the Employer can become familiar with and comply with E-Verify policy and procedures. The E-Verify Employer Agent agrees to obtain a revised E-Verify User Manual as it becomes available and to provide a copy of the revised version to the Employer no later than 30 days after the manual becomes available.

3. The E-Verify Employer Agent agrees that any person accessing E-Verify on its behalf is trained on the most recent E-Verify policy and procedures.

4. The E-Verify Employer Agent agrees that any E-Verify Employer Agent Representative who will perform employment verification cases will complete the E-Verify Tutorial before that individual initiates any cases.

   a. The E-Verify Employer Agent agrees that all E-Verify Employer Agent representatives will take the refresher tutorials initiated by the E-Verify program as a condition of continued use of E-Verify, including any tutorials for Federal contractors, if any of the Employers represented by the E-Verify Employer Agent is a Federal contractor.

   b. Failure to complete a refresher tutorial will prevent the E-Verify Employer Agent and Employer from continued use of E-Verify.

5. The E-Verify Employer Agent agrees to grant E-Verify access only to current employees who need E-Verify access. The E-Verify Employer Agent must promptly terminate an employee's E-Verify access if the employee is separated from the company or no longer needs access to E-Verify.

6. The E-Verify Employer Agent agrees to obtain the necessary equipment to use E- Verify as required by the E-Verify rules and regulations as modified from time to time.

7. The E-Verify Employer Agent agrees to, consistent with applicable laws, regulations, and policies, commit sufficient personnel and resources to meet the requirements of this MOU.

8. The E-Verify Employer Agent agrees to provide its clients with training on E-Verify processes, policies, and procedures. The E-Verify Employer Agent also agrees to provide its clients with ongoing E-Verify training as needed. E-Verify is not responsible for providing training to clients of E-Verify Employer Agents.

9. The E-Verify Employer Agent agrees to provide the Employer with the notices described in Article II.B.1 below.

10. The E-Verify Employer Agent agrees to create E-Verify cases for the Employer it represents in accordance with the E-Verify Manual, the E-Verify Web-Based Tutorial and all other published E-Verify rules and procedures. The E-Verify Employer Agent will create E-Verify cases using information provided by the Employer and will immediately communicate the response back to the Employer. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the E-Verify Employer Agent's attempting, in good faith, to make inquiries on behalf of the Employer during the period of unavailability.

11. When the E-Verify Employer Agent receives notice from a client company that it has received a contract with the FAR clause, then the E-Verify Employer Agent must update the company's E-Verify profile within 30 days of the contract award date.

12. If data is transmitted between the E-Verify Employer Agent and its client, then the E-Verify Employer Agent agrees to protect personally identifiable information during transmission to and from the E-Verify Employer Agent.

13. The E-Verify Employer Agent agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@uscis.dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

14. The E-Verify Employer Agent agrees to fully cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, including permitting DHS, SSA, their contractors and other agents, upon reasonable notice, to review Forms I-9, employment records, and all records pertaining to the E-Verify Employer Agent's use of E-Verify, and to interview it and its employees regarding the use of E-Verify, and to respond in a timely and accurate manner to DHS requests for information relating to their participation in E-Verify.

15. The E-Verify Employer Agent shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The E-Verify Employer Agent shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify Employer Agent services and any claim to that effect is false.

16. The E-Verify Employer Agent shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

17. The E-Verify Employer Agent agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the E-Verify Employer Agent's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

18. The E-Verify Employer Agent understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the E-Verify Employer Agent may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF THE EMPLOYER

The E-Verify Employer Agent shall ensure that the E-Verify Employer Agent and the Employers represented by the E-Verify Employer Agent carry out the following responsibilities. It is the E-Verify Employer Agent's responsibility to ensure that its clients are in compliance with all E-Verify policies and procedures.

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer shall become familiar with and comply with the most recent version of the E-Verify User Manual. The Employer will obtain the E-Verify User Manual from the E-Verify Employer Agent.

4. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

   a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 1-888-464-4218.

   b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

5. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

6. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

   a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 4 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person,

the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

7. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

8. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

9. The Employer must use E-Verify (through its E-Verify Employer Agent) for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

10. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps
(see Article III.B below) to contact DHS with information necessary to resolve the challenge.

11. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance
(indicating the need for additional time for the government to resolve a case), or the finding of a photo

mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

12. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

13. The Employer agrees that it will use the information it receives from E-Verify (through its E-Verify Employer Agent) only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

14. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@uscis.dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

15. The Employer acknowledges that the information it receives through the E-Verify Employer Agent from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

16. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify (whether directly or through their E-Verify Employer Agent), which includes permitting DHS, SSA, their contractors and other agents, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

17. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

18. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

19. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

20. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

C. RESPONSIBILITIES OF FEDERAL CONTRACTORS

The E-Verify Employer Agent shall ensure that the E-Verify Employer Agent and the Employers represented by the E-Verify Employer Agent carry out the following responsibilities if the Employer is a federal contractor or becomes a Federal contractor. The E-Verify Employer Agent should instruct the client to keep the E-Verify Employer Agent informed about any changes or updates related to federal contracts. It is the E-Verify Employer Agent's responsibility to ensure that its clients are in compliance with all E-Verify policies and procedures.

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not reverify the employee through E-Verify.

   a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of

contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.B.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of the Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

D. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer (through the E-Verify Employer Agent) against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides (through the E-Verify Employer Agent) through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the E-Verify Employer Agent.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the E-Verify Employer Agent.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

E. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer (through the E-Verify Employer Agent) to conduct, to the extent authorized by this MOU

   a. Automated verification checks on alien employees by electronic means, and

   b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the E-Verify Employer Agent with operational problems associated with its participation in E-Verify. DHS agrees to provide the E-Verify Employer Agent names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the E-Verify Employer Agent with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train E-Verify Employer Agents on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require E-Verify Employer Agents to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer (through the E-Verify Employer Agent) a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the E-Verify Employer Agent's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides (through the E-Verify Employer Agent), and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

The E-Verify Employer Agent shall ensure that the E-Verify Employer Agent and the Employers represented by the E-Verify Employer Agent carry out the following responsibilities. It is the E-Verify Employer Agent's responsibility to ensure that its clients are in compliance with all E-Verify policies and procedures.

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the tentative nonconfirmation notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer (through the E-Verify Employer Agent) within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

   a. Scanning and uploading the document, or

   b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer (though the E-Verify Employer Agent) within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer or the E-Verify Employer Agent for verification services performed under this MOU. The E-Verify Employer Agent is responsible for providing equipment needed to make inquiries. To access E-Verify, an E-Verify Employer Agent will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The E-Verify Employer Agent may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties. In addition, any Employer represented by the E-Verify Employer Agent may voluntarily terminate its MOU upon giving DHS 30 days' written notice.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the E-Verify Employer Agent's participation in E-Verify, with or without notice, at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the E-Verify Employer Agent or the Employer, or a failure on the part of either party to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An E-Verify Employer Agent for an Employer that is a Federal contractor may terminate this MOU for that Employer when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the E-Verify Employer Agent must provide written notice to DHS. If the E-Verify Employer Agent fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The E-Verify Employer Agent agrees that E-Verify is not liable for any losses, financial or otherwise, if the E-Verify Employer Agent or the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the E-Verify Employer Agent, its agents, officers, or employees.

C. The E-Verify Employer Agent may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sub-license, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability where from, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The E-Verify Employer Agent understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the E-Verify Employer Agent and DHS respectively. The E-Verify Employer Agent understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer or the E-Verify Employer Agent, as the case may be, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the E-Verify Employer Agent. If you have any questions, contact E-Verify at 1-888-464-4218.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Capital Contractors, LLC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☒ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ S

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
9010 Strada Stell Ct, Suite 108

Requester's name and address (optional)

6 City, state, and ZIP code
Naples, Florida 34109

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
___ - ___ - ____

or

Employer identification number
37-1858650

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ _____ Date ▶ 9/3/20

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

EXHIBIT B-3: INSURANCE REQUIREMENTS

(Following This Page)

EXHIBIT B-3: INSURANCE REQUIREMENTS

The Contractor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth herein. The Contractor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work. The County and the Contractor waive against each other and the County's separate Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Contractor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Contractors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts. Collier County shall be responsible for purchasing and maintaining its own liability insurance. Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or the specific solicitation number/contract number and title. The General Liability Policy provided by Contractor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Contractor under this solicitation and shall contain a severability of interests provisions. The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth herein with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Contractor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Contractor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Contractor's sole responsibility. Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer. The Contractor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Contractor. The Contractor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Contractor from its insurer and nothing contained herein shall relieve Contractor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Contractor hereunder, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Contractor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Contractor for such coverage(s) purchased. If Contractor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Contractor under this Agreement or any other agreement between the County and Contractor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents. If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Contractor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Contractor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

Collier County Florida
Insurance and Bonding Requirements

Insurance / Bond Type	Required Limits
1. ☒ Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Federal Government Statutory Limits and Requirements Evidence of Workers' Compensation coverage or a Certificate of Exemption issued by the State of Florida is required. Entities that are formed as Sole Proprietorships shall not be required to provide a proof of exemption. An application for exemption can be obtained online at https://apps.fldfs.com/bocexempt/
2. ☒ Employer's Liability	**$_1,000,000__** single limit per occurrence
3. ☒ Commercial General Liability (Occurrence Form) patterned after the current ISO form	Bodily Injury and Property Damage **$_1,000,000____**single limit per occurrence, $2,000,000 aggregate for Bodily Injury Liability and Property Damage Liability. The General Aggregate Limit Shall be endorsed to apply per project. This shall include Premises and Operations; Independent Contractors; Products and Completed Operations and Contractual Liability.
4. ☒ Indemnification	To the maximum extent permitted by Florida law, the Contractor/Vendor shall defend, indemnify and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor/ Vendor or anyone employed or utilized by the Contractor/Vendor in the performance of this Agreement.
5. ☒ Automobile Liability	**$_1,000,000_____** Each Occurrence; Bodily Injury & Property Damage, Owned/Non-owned/Hired; Automobile Included
6. ☐ Other insurance as noted:	☐ Watercraft $ _____ Per Occurrence ☐ United States Longshoreman's and Harborworker's Act coverage shall be maintained where applicable to the completion of the work. $ _____ Per Occurrence ☐ Maritime Coverage (Jones Act) shall be maintained where applicable to the completion of the work. $ _____ Per Occurrence ☐ Aircraft Liability coverage shall be carried in limits of not less than $5,000,000 each occurrence if applicable to the completion of the Services under this Agreement. $ _____ Per Occurrence ☐ Pollution $ _____ Per Occurrence ☐ Professional Liability $ _____ Per claim & in the aggregate ☐ Project Professional Liability $_____ Per Occurrence ☐ Valuable Papers Insurance $_____ Per Occurrence ☐ Cyber Liability $_____ Per Occurrence ☐ Technology Errors & Omissions $_____ Per Occurrence

CAO

7. ☒ Bid bond — Shall be submitted with proposal response in the form of certified funds, cashiers' check or an irrevocable letter of credit, a cash bond posted with the County Clerk, or proposal bond in a sum equal to 5% of the cost proposal. All checks shall be made payable to the Collier County Board of County Commissioners on a bank or trust company located in the State of Florida and insured by the Federal Deposit Insurance Corporation.

8. ☒ Performance and Payment Bonds — For projects in excess of $200,000, bonds shall be submitted with the executed contract by Proposers receiving award, and written for 100% of the Contract award amount, the cost borne by the Proposer receiving an award. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall be rated as "A-" or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

9. ☒ Vendor shall ensure that all subcontractors comply with the same insurance requirements that he is required to meet. The same Vendor shall provide County with certificates of insurance meeting the required insurance provisions.

10. ☒ Collier County must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for Commercial General Liability where required. This insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Vendor's policy shall be endorsed accordingly.

11. ☒ The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

12. ☒ **On all certificates, the Certificate Holder must read:** Collier County Board of Commissioners, 3295 Tamiami Trail East, Naples, FL 34112

13. ☒ **Thirty (30) Days Cancellation Notice** required.

14. Collier County shall procure and maintain Builders Risk Insurance on all construction projects where it is deemed necessary. Such coverage shall be endorsed to cover the interests of Collier County as well as the Contractor. Premiums shall be billed to the project and the Contractor shall not include Builders Risk premiums in its project proposal or project billings. All questions regarding Builder's Risk Insurance will be addressed by the Collier County Risk Management Division.

GG – 6/7/24

Vendor's Insurance Acceptance

By submission of the bid Vendor accepts and understands the insurance requirements of these specifications, agrees to maintain these coverages through the duration of the agreement and/or work performance period, and that the evidence of insurability may be required within five (5) days of notification of recommended award of this solicitation.

EXHIBIT H: GENERAL TERMS AND CONDITIONS

1. INTENT OF CONTRACT DOCUMENTS.

1.1 It is the intent of the Contract Documents to describe a functionally complete Project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization, or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in effect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2 If before or during the performance of the Work Contractor discovers a conflict, error or discrepancy in the Contract Documents, Contractor immediately shall report same to the Project Manager in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the Project Manager; said interpretation or clarification from the Project Manager may require Contractor to consult directly with Design Professional or some other third party, as directed by Project Manager. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3 Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the Project Manager. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

2. INVESTIGATION AND UTILITIES.

2.1 Subject to Section 2.3 below, Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Sub-Section 2.2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Contractor shall be responsible for properly shoring, supporting, and protecting all Utilities at all times during the course of the Work. The Contractor is responsible for coordinating all other utility work so as to not interfere with the prosecution of the Work (except those utilities to be coordinated by the Owner as may be expressly described elsewhere in the Contract Documents).

2.3 Notwithstanding anything in the Contract Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (ii) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, and which reasonably should not have been discovered by Contractor as part of its scope of site investigative services required pursuant to the terms of the Contract Documents, then Contractor shall provide Owner with prompt written notice thereof before conditions are disturbed and in no event later than three (3) calendar days after first observance of such conditions. Owner and Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in Contractor's cost of, or time required for, performance of any part of the Work, Owner will acknowledge and agree to an equitable adjustment to Contractor's compensation or time for performance, or both, for such Work. If Owner determines that the conditions at the site are not materially different from those indicated in the Contract Documents or not of an unusual nature or should have been discovered by Contractor as part of its investigative services, and that no change in the terms of the Agreement is justified, Owner shall so notify Contractor in writing, stating its reasons. Claims by Contractor in opposition to such determination by Owner must be made within seven (7) calendar days after Contractor's receipt of Owner's written determination notice. If Owner and Contractor cannot agree on an adjustment to Contractor's cost or time of performance, the dispute resolution procedure set forth in the Contract Documents shall be complied with by the parties.

3. SCHEDULE.

3.1 The Contractor, within ten (10) calendar days after the Board's award of the Agreement, shall prepare and submit to Project Manager, for their review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule shall relate to all Work required by the Contract Documents and shall utilize the Critical Path method of scheduling and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

3.2 The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the Project Manager's review and approval. Contractor shall submit the updates to the Progress Schedule with its monthly Applications for Payment noted below. The Project Manager's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the Owner's obligation to pay Contractor.

3.3 All work under this Agreement shall be performed in accordance with the requirements of all Collier County Noise Ordinances then in effect. Unless otherwise specified, work will generally be

limited to the hours of 7 a.m. to 7 p.m., Monday through Saturday. No work shall be performed outside the specified hours without the prior approval of the Project Manager.

4. PROGRESS PAYMENTS.

4.1 At least ten (10) days prior to submitting the monthly Application for Payment, the Contractor shall submit to the Project Manager a final Schedule of Values. The Schedule of Values shall be satisfactory in form and substance to the Project Manager and shall subdivide the Work into component parts in sufficient detail to serve as the basis for measuring quantities in place and calculating amounts for the Contractor's monthly progress payments during construction. Further, it shall include the list of its Subcontractors and materialmen submitted with its Bid showing the work and materials involved and the dollar amount of each subcontract and purchase order. Contractor acknowledges and agrees that any modifications to the list of Subcontractors submitted with Contractor's Bid and any subsequently identified Subcontractors are subject to Owner's prior written approval.

Unsupported or unreasonable allocation of the Contract Price to any one activity shall be justification for rejection of the Schedule of Values. The Contractor shall not submit an unbalanced Schedule of Values which provides for overpayment to the Contractor on activities that would be performed first. The Schedule of Values shall be revised and resubmitted until acceptable to the Project Manager. Once the schedule has been accepted by the Project Manager, the Owner reserves the right (at its option) throughout the Contract to require that the Contractor honor a particular price contained in the Schedule of Values, if the activity pertaining to it is being deleted or modified. Upon approval of the Schedule of Values by the Project Manager, it shall be incorporated into the form of Application for Payment attached to the Agreement as Exhibit D and shall be used as the basis for the Contractor's monthly Applications for Payment. The schedule shall be updated and submitted each month along with a completed copy of the Application for Payment form signed by the Contractor's authorized representative.

4.2 The first Application for Payment shall be submitted no earlier than thirty (30) days after the Commencement Date, and monthly thereafter, but not more often than once a month or prior to substantial completion being met. Notwithstanding anything herein to the contrary, if approved by Owner in its sole discretion, Contractor may submit its invoice for any required Payment and Performance Bonds prior to the first Application of Payment provided that Contractor has furnished Owner certified copies of the receipts evidencing the premium paid by Contractor for the bonds.

4.3 Unless expressly approved by Owner in advance and in writing, said approval at Owner's sole discretion, Owner is not required to make any payment for materials or equipment that have not been incorporated into the Project. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the Owner in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the Owner has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect Owner's interest therein, all of which shall be subject to the Owner's satisfaction. Thereafter, with each Application for Payment, Contractor also shall complete and submit to Owner as part of its Application for Payment, the Stored Materials Record form attached hereto and made a part hereof as Exhibit D-3.

4.4 Contractor shall submit its monthly Application for Payment to the Project Manager or his or her designee, as directed by Owner (which designee may include the Design Professional). Within twenty (20) business days after the date of each Application for Payment is stamped as received, and within the timeframes set forth in Section 218.735 F.S., the Project Manager, or Design Professional, shall either: (1) Indicate its approval of the requested payment; (2) indicate its approval of only a portion of the requested payment, stating in writing its reasons therefor; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. Payments of proper invoices shall be processed in accordance with Section 218.735, F.S. and the terms of the Contract Documents.

4.5 In the event of a total denial by Owner and return of the Application for Payment by the Project Manager, the Contractor may make the necessary corrections and re-submit the Application for Payment. The Owner shall, within ten (10) business days after the Application for Payment is stamped and received and after Project Manager approval of an Application for Payment, pay the Contractor the amounts so approved.

4.6 Owner shall withhold retainage on the gross amount of each monthly progress payment in the amount of five percent (5%), as permitted by Section 255.078, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 255.078, Florida Statutes. Any reduction in retainage below the maximum amount set forth in Section 255.078, Florida Statutes shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until final payment is due unless otherwise agreed to by the Owner in accordance with Florida Statute 255.078. Any interest earned on retainage shall accrue to the benefit of the Owner.

4.7 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's Work.

4.8 Each Application for Payment, subsequent to the first pay application, shall be accompanied by a Release and Affidavit, in the form attached as Exhibit C, acknowledging Contractor's receipt of payment in full for all materials, labor, equipment and other bills that are then due and payable by Owner with respect to the current Application for Payment. Further, to the extent directed by Owner and in Owner's sole discretion, Contractor shall also submit a Release and Affidavit from each Subcontractor, sub-subcontractor, or supplier in the form attached as Exhibit C acknowledging that each Subcontractor, sub-subcontractor, or supplier has been paid in full through the previous month's Application for Payment. The Owner shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.9 Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule.

4.10 Notwithstanding anything in the Contract Documents to the contrary, Contractor acknowledges and agrees that in the event of a dispute concerning payments for Work performed under this Agreement, Contractor shall continue to perform the Work required of it under this Agreement pending resolution of the dispute provided that Owner continues to pay Contractor all amounts that Owner does not dispute are due and payable.

4.11 Payments will be made for services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-

payment under the legal doctrine of "laches" as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this agreement.

4.12 The Owner may, at its discretion, use VISA/MASTER card credit network as a payment vehicle for goods and/or services purchased as a part of this contract. The Owner may not accept any additional surcharges (credit card transaction fees) as a result of using the Owner's credit card for transactions relating to this agreement.

5. PAYMENTS WITHHELD.

5.1 The Project Manager may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections that reveal non-compliance with the Contract Documents. The Project Manager may nullify the whole or any part of any approval for payment previously issued and Owner may withhold any payments otherwise due Contractor under this Agreement or any other agreement between Owner and Contractor, to such extent as may be necessary in the Owner's opinion to protect it from loss because of:

(a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents by Contractor.

5.2 If any conditions described in 5.1. are not remedied or removed, Owner may, after three (3) days written notice, rectify the same at Contractor's expense. Provided however, in the event of an emergency, Owner shall not be required to provide Contractor any written notice prior to rectifying the situation at Contractor's expense. Owner also may offset against any sums due Contractor the amount of any liquidated or non-liquidated obligations of Contractor to Owner, whether relating to or arising out of this Agreement or any other agreement between Contractor and Owner.

5.3 In instances where the Contractor may owe debts (including, but not limited to taxes or other fees) to Collier County and the contractor has not satisfied nor made arrangement to satisfy these debts, the County reserves the right to off-set the amount owed to the County by applying the amount owed to the vendor or contractor for services performed of for materials delivered in association with a contract.

5.4 If a subcontractor is a related entity to the Contractor, then the Contractor shall not mark-up the subcontractor's fees. A related entity shall be defined as any Parent or Subsidiary of the Company and any business, corporation, partnership, limited liability company or other entity in which the Company or a Parent or a Subsidiary of the Company holds any ownership interest, directly or indirectly.

6. FINAL PAYMENT.

6.1 Owner shall make Final Payment to Contractor in accordance with Section 218.735, F.S. and the terms of the Contract Documents after the Work is finally inspected and accepted by Project Manager as set forth with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to Final Payment, shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as, a duly executed copy of the Surety's consent to Final Payment and such other

documentation that may be required by the Contract Documents and the Owner. Prior to release of Final Payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Acceptance and Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G.

6.2 Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner if sufficient information is submitted by Contractor to allow the Owner to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Contractor and all such requests must be submitted by Contractor to Project Manager within thirty (30) calendar days after Notice to Proceed is received by Contractor, unless otherwise mutually agreed in writing by Owner and Contractor.

7.3 If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the Project Manager for acceptance thereof, certifying that the proposed substitute shall adequately perform the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with Owner for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the Project Manager in evaluating the proposed substitute. The Project Manager may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the Project Manager, if Contractor submits sufficient information to allow the Project Manager to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the Project Manager shall be the same as those provided herein for substitute materials and equipment.

7.5 The Project Manager shall be allowed a reasonable time within which to evaluate each proposed substitute and, if need be, to consult with the Design Professional. No substitute will be ordered, installed or utilized without the Project Manager's prior written acceptance which shall be evidenced by a Change Order, a Work Directive Change, a Field Order or an approved Shop Drawing. The Owner may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute. The Project Manager will record time required by the Project Manager and the Project Manager's consultants in evaluating substitutions proposed by Contractor and making changes in the Contract Documents occasioned thereby. Whether or not the Owner accepts a proposed substitute, Contractor shall reimburse Owner for the charges of the Design Professional and the Design Professional's consultants for evaluating each proposed substitute.

8. DAILY REPORTS, SIGNED AND SEALED AS-BUILTS AND MEETINGS.

8.1 Unless waived in writing by Owner, Contractor shall complete and submit to Project Manager on a weekly basis a daily log of the Contractor's work for the preceding week in a format approved by the Project Manager. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

8.1.1 Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;

8.1.2 Soil conditions which adversely affect the Work;

8.1.3 The hours of operation by Contractor's and Sub-Contractor's personnel;

8.1.4 The number of Contractor's and Sub-Contractor's personnel present and working at the Project site, by subcontract and trade;

8.1.5 All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

8.1.6 Description of Work being performed at the Project site;

8.1.7 Any unusual or special occurrences at the Project site;

8.1.8 Materials received at the Project site;

8.1.9 A list of all visitors to the Project

8.1.10 Any problems that might impact either the cost or quality of the Work or the time of performance.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to Owner pursuant to the Contract Documents.

8.2 Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Work Directive Changes and Field Orders, as well as all written interpretations and clarifications issued by the Design Professional, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit, and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to the Project Manager or Design Professional for reference. Upon completion of the Work and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to Project Manager by Contractor for Owner.

8.3 Contractor shall keep all records and supporting documentation, which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, or such longer period as may be required by law, whichever is later, pursuant to Florida Public Records Law Chapter 119 and comply with specifically those contractual requirements in 119.0701(2)(a)-(b) as follows:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Division of Communications, Government and Public Affairs
3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8999
Email: PublicRecordRequest@colliercountyfl.gov

The Contractor must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. CONTRACT TIME AND TIME EXTENSIONS.

9.1 Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents, and the coordination of Owner's suppliers and contractors as set forth in Paragraph 12.2. herein.

9.2 Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of Nature or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulation, strikes or lockouts, Contractor shall notify the Owner in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which Owner may be responsible, in whole or in part, shall relieve Contractor of its duty to perform or give rise to any right to damages or additional compensation from Owner. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against Owner will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4 In no event shall any approval by Owner authorizing Contractor to continue performing Work under this Agreement or any payment issued by Owner to Contractor be deemed a waiver of any right or claim Owner may have against Contractor for delay damages hereunder.

10. CHANGES IN THE WORK.

10.1 Owner shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of Owner in the form of a Work Directive, Exhibit E-2, and Owner shall not be liable to the Contractor for any increased compensation without such

written order. No officer, employee or agent of Owner is authorized to direct any extra or changed work orally. Any alleged changes must be approved by Owner in writing prior to starting such items. Owner will not be responsible for the costs of any changes commenced without Owner's express prior written approval. Failure to obtain such prior written approval for any changes will be deemed: (i) a waiver of any claim by Contractor for such items and (ii) an admission by Contractor that such items are in fact not a change but rather are part of the Work required of Contractor hereunder.

10.2 A Change Order, in the form attached as Exhibit E to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and Owner concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount and Contract Time shall be adjusted in the Change Order in the manner as Owner and Contractor shall mutually agree.

10.3 If Owner and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by Owner in a written Work Directive. In that event, the Contract Amount and Contract Time shall be adjusted as directed by Owner. If Contractor disagrees with the Owner's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4 In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above. No markup shall be placed on sales tax, shipping or subcontractor markup.

10.5 Owner, or any duly authorized agents or representatives of the County, shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Payment Application, Change Order or Work Directive Change.

10.6 The Project Manager shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount or an extension to the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

10.7 Any modifications to this Contract shall be in compliance with the County Procurement Ordinance, as amended and the terms of the Contract Documents in effect at the time such modifications are authorized.

11. CLAIMS AND DISPUTES.

11.1 Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and

matters in question between Owner and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2 Claims by the Contractor shall be made in writing to the Project Manager within forty-eight (48) hours from when the Contractor knew or should have known of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the Project Manager within fifteen (15) calendar days after the occurrence of the event, unless the Owner grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3 The Contractor shall proceed diligently with its performance as directed by the Owner, regardless of any pending Claim, action, suit, or administrative proceeding, unless otherwise agreed to by the Owner in writing. Owner shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

12. OTHER WORK.

12.1 Owner may perform other work related to the Project at the site by Owner's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, written notice thereof will be given to Contractor prior to starting any such other work. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to Owner and Design Professional within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2 Contractor shall afford each utility owner and other contractor who is a party to such a direct contract (or if Owner is performing the additional work with Owner's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting, and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work and will only cut or alter their work with the written consent of the Project Manager and the others whose work will be affected. The duties and responsibilities of Contractor under this paragraph are for the benefit of such utility owners and other Contractors to the extent that there are comparable provisions for the benefit of Contractor in said direct contracts between Owner and such utility owners and other contractors.

12.3 If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or Owner), Contractor shall inspect and promptly report to Project Manager in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

13. INDEMNIFICATION AND INSURANCE.

13.1 To the maximum extent permitted by Florida law, the Contractor shall defend, indemnify, and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses

and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement.

13.2 The duty to defend under this Article 13 is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Contractor, Owner, and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to Contractor. Contractor's obligation to indemnify and defend under this Article 13 will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the Owner or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

13.3 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in the Insurance and Bonding Requirements form Exhibit B-3 to the Agreement. Further, the Contractor shall at all times comply with all of the terms, conditions, requirements and obligations set forth under Exhibit B-3.

14. COMPLIANCE WITH LAWS.

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify Project Manager in writing. To the extent any law, rule, regulation, code, statute, or ordinance requires the inclusion of certain terms in this Agreement in order for this Agreement to be enforceable, such terms shall be deemed included in this Agreement. Notwithstanding anything in the Contract Documents to the contrary, it is understood and agreed that in the event of a change in any applicable laws, ordinances, rules or regulations subsequent to the date this Agreement was executed that increases the Contractor's time or cost of performance of the Work, Contractor is entitled to a Change Order for such increases, except to the extent Contractor knew or should have known of such changes prior to the date of this Agreement.

14.2 By executing and entering into this agreement, the Contractor is formally acknowledging without exception or stipulation that it is fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the Contractor to comply with the laws referenced herein shall constitute a breach of this agreement and the County shall have the discretion to unilaterally terminate this agreement immediately.

14.3 Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States, including the requirements set forth in Florida Statute, §448.095.

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program will be used for Collier County formal Invitations to Bid (ITB) and Request for Proposals (RFP) including professional services and construction services.

Contractors / Bidders are required to enroll in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Contractor's/bidder's proposal. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. Contractors are also required to provide the Collier County Procurement Services Division an executed affidavit certifying they shall comply with the E-Verify Program. The affidavit is attached to the solicitation documents. **If the Bidder/Contractor does not comply with providing both the acceptable E-Verify evidence and the executed affidavit the bidder's / Contractor's proposal may be deemed non-responsive.**
Additionally, Contractors shall require all subcontracted Contractors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: http://www.dhs.gov/E-Verify. It shall be the Contractor's responsibility to familiarize themselves with all rules and regulations governing this program.

Contractor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained within this affidavit. Failure by the awarded firm(s) to comply with the laws referenced herein or the provisions of this affidavit shall constitute a breach of the award agreement and the County shall have the discretion to unilaterally terminate said agreement immediately.

15. CLEANUP AND PROTECTIONS.

15.1 Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surplus materials, and shall leave the Project site clean and ready for occupancy by Owner.

15.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Subject to the Section 2.3 above, any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

16. ASSIGNMENT.

16.1 Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of Owner. Any attempt to assign or otherwise transfer this Agreement, or any part herein, without the Owner's consent, shall be void. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward Owner.

17. PERMITS, LICENSES AND TAXES.

17.1 Pursuant to Section 218.80, F.S., Owner will pay for all Collier County permits and fees, including license fees, permit fees, impact fees or inspection fees applicable to the Work through an internal budget transfer(s). Contractor is not responsible for paying for permits issued by Collier County, but Contractor is responsible for acquiring all permits. Owner may require the Contractor to deliver internal budget transfer documents to applicable Collier County agencies when the Contractor is acquiring permits. Owner will not be obligated to pay for any permits obtained by Subcontractors.

17.2 All permits, fees and licenses necessary for the prosecution of the Work which are not issued by Collier County shall be acquired and paid for by the Contractor.

17.3 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

18. TERMINATION FOR DEFAULT.

18.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for Owner to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the Project Manager or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2 Owner shall notify Contractor in writing of Contractor's default(s). If Owner determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice or such longer period of time as may be consented to by Owner in writing and in its sole discretion, then Owner, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose.

18.3 If Owner deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All moneys expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorneys' fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the Owner to complete the Work, such excess

shall be paid to the Contractor. The amount to be paid to the Contractor or Owner, as the case may be, shall be approved by the Project Manager, upon application, and this obligation for payment shall survive termination of the Agreement.

18.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Contractor provided herein, then the termination will be deemed a termination for convenience and Contractor's remedies against Owner shall be the same as and limited to those afforded Contractor under Section 19 below.

18.6 In the event (i) Owner fails to make any undisputed payment to Contractor within thirty (30) days after such payment is due or Owner otherwise persistently fails to fulfill some material obligation owed by Owner to Contractor under this Agreement, and (ii) Owner has failed to cure such default within fourteen (14) days of receiving written notice of same from Contractor, then Contractor may stop its performance under this Agreement until such default is cured, after giving Owner a second fourteen (14) days written notice of Contractor's intention to stop performance under the Agreement. If the Work is so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the Contractor or its Subcontractors or their agents or employees or any other persons performing portions of the Work under contract with the Contractor or any Subcontractor, the Contractor may terminate this Agreement by giving written notice to Owner of Contractor's intent to terminate this Agreement. If Owner does not cure its default within fourteen (14) days after receipt of Contractor's written notice, Contractor may, upon fourteen (14) additional days' written notice to the Owner, terminate the Agreement and recover from the Owner payment for Work performed through the termination date, but in no event shall Contractor be entitled to payment for Work not performed or any other damages from Owner.

19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

19.1 Owner shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2 Owner shall have the right to suspend all or any portions of the Work upon giving Contractor not less than two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exdusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds six (6) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

20. COMPLETION.

Substantial Completion and Development of the Punch List

20.1 Substantial Completion is as defined in the Defined Terms section of this Agreement. When the Contractor believes Substantial Completion has been achieved, it shall certify in writing to the Project Manager that the Project is Substantially Complete in accordance with the Contract Documents and request the Project Manager to inspect the Work and to issue a Certificate of Substantial Completion. Prior to making such a request the Contractor must:

a) Complete all Work necessary for the safe, proper and complete use or operation of the Project as intended, including: all regulatory agency requirements are satisfied, including occupancy permits; operating certificates and similar releases; all operational testing has successfully occurred; all required training has successfully occurred; all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports test logs, operational manuals, etc.) have been provided by Contractor and accepted by Owner.

b) Prepare a Contractor-generated punch list (i.e., a list of all items required to render the Project complete, satisfactory, and acceptable, for submission with the request for inspection and issuance of a certificate of Substantial Completion), which shall include and list separately the estimated cost to complete each remaining unfinished item included on the list with an explanation as to the basis for those costs, substantiated by the Schedule of Values, subject to the Owner's final review and approval as stated below.

c) Upon receipt of the request from the Contractor, the Project Manager, assisted by the Professional, if any, and other Owner personnel, as appropriate, shall review the request, the Work and the Contractor-generated Punch List to determine whether the Work is ready for Substantial Completion inspection. If this review fails to support Substantial Completion inspection, the Project Manager shall so notify the Contractor citing the reasons for rejection. If the Project Manager and Professional (if any) determine the Work is ready for Substantial Completion inspection, the following procedures will be followed:

1. The Project Manager will, within a reasonable time, schedule, and conduct inspection(s) of the Work with the Professional (if any), other Owner personnel as required, and the Contractor for the purpose of formally reviewing the status of completion of the Work, the readiness of the Project for use and the Contractor-generated Punch List. A copy of the Contractor-generated punch list will be provided to all participants and any additional items noted during the inspection will be added to the list. The Project Manager, the Professional, their representatives and other Owner representatives will review the Work and the Contractor-generated punch list to assure all deficiencies are noted on a final document (Exhibit F-3 Punch List Form). The Punch List must include all items required to render the Project complete, satisfactory and acceptable. If Project Manager and Contractor disagree on whether an item belongs on the Punch List, the Project Manager has the final say on whether the item is included or not. The Punch List shall be finalized and issued to the Contractor by the Owner within the time frames indicated below.

2. If upon completion of the inspection(s) the Owner does not consider the Project Substantially Complete, the Project Manager will notify the Contractor in writing giving reasons why the Project is not Substantially Complete.

3. If, upon completion of the inspection(s), the Owner considers the Project Substantially Complete, the Project Manager shall prepare a Certificate of Substantial Completion to establish the date for Substantial Completion as the date of the completed inspection(s). The Certificate of Substantial Completion shall be approved by the Owner upon the signature of both the Project Manager and the Professional and shall be issued to the Contractor. The Certificate shall fix the date of Substantial Completion.

4. Substantial Completion cannot occur until all conditions necessary for safe and proper use, occupancy, maintenance, and operations are in place.

20.2 Time Frames for Issuance of the Punch List

(a) The Owner shall issue the Punch List to the Contractor within the time frames described below, provided that the Contractor has completed its obligations in providing a proper contractor-generated Punch List prior to the Substantial Completion inspection.

(b) For construction estimated to cost less than ten million dollars ($10,000,000.00), the Punch List must be finalized within thirty (30) Days after the Substantial Completion date.

(c) For construction projects estimated to cost more than ten million dollars ($10,000,000.00), the Punch List must be finalized and issued within forty-five (45) Days after the Substantial Completion date.

(d) For construction projects involving more than one building or structure or multiple phases, the Punch List must be prepared for each building, structure or phase within thirty (30) Days of the Substantial Completion date of a particular building, structure or phase if it is estimated to cost less than ten million dollars ($10,000,000.00) or within forty-five (45) Days if it is estimated to cost more than ten million dollars ($10,000,000.00).

(e) If the development of the Punch List takes the full amount of time designated (or a portion thereof) and includes a tentative punch-list based upon the above dollar amount thresholds, the delivery of the Punch List of items shall be delivered by the Owner no later than five (5) business days thereafter. Within twenty (20) business days after the delivery of the Punch List to the Contractor, the Owner must pay the Contractor the remaining contract balance owed, that includes all retainage previously withheld by Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List. At the same time the Owner delivers the Punch List Contractor shall submit a payment application requesting that Owner pay the Contractor the remaining contract balance owed including all retainage previously held by Owner less an

amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List.

(f) The failure to include any corrective work or pending items not yet completed on the Punch List does not alter the responsibility of Contractor to complete all the construction services purchased pursuant to the Contract Documents.

(g) Owner shall have the right to exclude Contractor from the Work and Project site (or designated portion thereof) after the date of Substantial Completion, but Owner shall allow Contractor reasonable access to complete or correct items on the Punch List. The Project Manager, shall coordinate with the Contractor the return of any surplus assets, including materials, supplies, and equipment.

20.3 Completion of Punch List Work and Release of Remaining Contract Balance

(a) Upon completion of the Punch List Work, the Contractor shall certify in writing to the Project Manager that all Punch List Work has been completed in accordance with the Contract Documents and request the Project Manager to inspect the Work and to approve Punch List completion. If, in the Project Manager's opinion, the Work is not ready for such inspection, the Project Manager will so inform the Contractor, giving reasons for such opinion. If the Project Manager is satisfied that an inspection is warranted, the Project Manager will, within a reasonable time, schedule and conduct inspection(s) of the facility with representatives of the Owner's user department, the Professional (if any), and the Contractor, for the purpose of formally reviewing the completion of Punch List Work. If the Project Manager and the Contractor disagree on whether an item remains incomplete, the Project Manager has the final say on whether the item is complete or not.

(b) If, upon completion of the inspection(s) the Owner does not consider the Punch List Work complete, the Project Manager will notify the Contractor in writing giving specific reasons why the Punch List Work is not complete.

(c) Upon completion of all items on the Punch List, the Contractor may submit a Payment Request for the remaining amount withheld by the Owner. If a good-faith dispute exists as to whether one or more items identified on the list have been completed pursuant to the Contract Documents, the Owner may continue to withhold an amount not to exceed one hundred and fifty percent (150%) of the total costs to complete such items. This remaining balance of retainage may be requested by the Contractor in its Application for Final Payment after Final Acceptance of the Work by Owner (Exhibit F-2 Certificate of Final Completion).

(d) All items that require correction under the Contract Documents and that are identified after the preparation and delivery of the Punch List shall remain the obligation of the Contractor.

(e) Warranty Items may not affect the Final Payment of retainage pursuant to Section 218.735(7)(f), Florida Statutes.

(f) If the Owner fails to comply with its responsibilities to assist in developing the Punch List within the time frame applicable to the Project (as described above), the Contractor may submit a request for all remaining retainage withheld by the Owner. The Owner need not pay or process any payment request for retainage if Contractor has, in whole or part, failed to cooperate with the Owner in development of the Punch List or failed to perform its contractual responsibilities with regard to development of the Punch List. Additionally, the Owner does not have to pay or release any amounts that are the subject of a good-faith dispute, the subject of a claim brought pursuant to Section 255.05, Florida Statutes, or otherwise the subject of a claim or demand by the Owner or Contractor.

20.4 Final Completion

(a) Upon written notice from the Contractor that the Project is complete, the Project Manager shall schedule a final inspection with the Contractor, the Design Professional, and any other personnel requested by the Project Manager. The Project Manager shall notify the Contractor in writing of any Work this inspection reveals to be defective, or otherwise not in accordance with the Contract Documents. The Contractor shall immediately take such action as may be necessary to remedy such defects and bring the Project into full compliance with the Contract Documents and then request another inspection.

(b) Final Completion of the Work shall be achieved by the Contractor when all the Work required under the Contract Documents has been satisfactorily completed, including all Punch List work, and specifically as noted in the Specifications section.

(c) After the Project Manager has determined that all Work has been completed, the Project Manager will issue a Certificate of Final Completion Exhibit F-2 for the Work.

20.5 Application for Final Payment

After the Certificate of Final Completion, Exhibit F-2 for the Work has been issued by the Project Manager, the Contractor may make Application for Final Payment following the procedure for progress payments. As an explicit condition precedent to the accrual of Contractor's right to Final Payment, Contractor shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as a duly executed copy of the Surety's consent to Final Payment and such other documentation that may be required by the Contract Documents, including but not limited to:

(1) Receipt of Contractor's Final Application for Payment.
(2) The Release and Affidavit in the form attached as Exhibit C.
(3) Consent of surety to Final Payment.
(4) Receipt of the Final Payment Check list, Exhibit G-1.
(5) If required by Owner, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by Owner.

Prior to release of Final Payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G-1.

20.6 Approval of Final Payment

(a) If, on the basis of the Project Manager's observations and review of Work during Construction, final inspection, and review of the Application for Final Payment (all as required by the Contract Documents), the Project Manager is satisfied that the Work has been completed and the Contractor has fulfilled all of its obligations under the Contract Documents, the Project Manager will, within ten (10) days after receipt of the Application for Final Payment, indicate in writing that the entire remaining balance is found to be due and payable to the Contractor and approve payment. Otherwise, the Project Manager will return the Application to the Contractor, indicating in writing the reason for refusing to approve for Final Payment, in which case the Contractor will make the necessary corrections and resubmit the Application. Owner reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though the Design Professional may have issued its recommendations.

(b) Contractor's acceptance of Final Payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

(c) The Contractor's obligation to perform the Work and complete the Project in accordance with the Contract Documents shall be absolute. Neither approval of any progress or Final Payment, the issuance of a Certificate of Substantial Completion, any payment by the Owner to the Contractor under the Contract Documents, any use or occupancy of the Project or any part thereof by the Owner, the issuance of a Final Completion, any act of acceptance by the Owner, any failure to do so, nor any correction of defective Work by the Owner shall constitute an acceptance of Work not in accordance with the Contract Documents.

21. WARRANTY.

21.1 Contractor shall obtain and assign to Owner all express warranties given to Contractor or any subcontractors by any subcontractor or material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to Owner that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to Owner that all materials and equipment furnished under the Contract

Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after Substantial Completion, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from Owner. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work which may be damaged as a result of such replacement or repair. Further, in the event of an emergency, Owner may commence to correct any defective Work, without prior notice to Contractor, at Contractor's expense. These warranties are in addition to those implied warranties to which Owner is entitled as a matter of law.

21.2 No later than 30 days prior to expiration of the warranty, the Project Manager, or another representative of the Owner, shall conduct an inspection of the warranted work to verify compliance with the requirements of the Agreement. The Contractor's Representative shall be present at the time of inspection and shall take remedial actions to correct any deficiencies noted in the inspection. Failure of the Contractor to correct the cited deficiencies shall be grounds for the Owner to disqualify the Contractor from future bid opportunities with the Owner, in addition to any other rights and remedies available to Owner.

22 TESTS AND INSPECTIONS.

22.1 Owner, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide Project Manager with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2 If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish Project Manager the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the Project Manager.

22.3 Contractor is responsible, without reimbursement from Owner, for re-inspection fees and costs; to the extent such re-inspections are due to the fault or neglect of Contractor.

22.4 If any Work that is to be inspected, tested or approved is covered without written concurrence from the Project Manager, such work must, if requested by Project Manager, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given Project Manager timely notice of Contractor's intention to cover the same and Project Manager has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from Project Manager, such Work must, if requested by Project Manager, be uncovered for Project Manager's observation, and be replaced at Contractor's sole expense.

22.5 The Owner shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by Owner in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday, or holidays.

22.6 Neither observations nor other actions by the Project Manager or Design Professional nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

23. DEFECTIVE WORK.

23.1 Work not conforming to the requirements of the Contract Documents or any warranties made or assigned by Contractor to Owner shall be deemed defective Work. If required by Project Manager, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or if the defective Work has been rejected by Project Manager, remove it from the site and replace it with non-defective Work. Contractor shall bear all direct, indirect, and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys, and other professionals) made necessary thereby, and shall hold Owner harmless for same.

23.2 If the Project Manager considers it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others and such Work is not otherwise required to be inspected or tested, Contractor, at Project Manager's request, shall uncover, expose or otherwise make available for observation, inspection or tests as Project Manager may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect, and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys, and other professionals), and Owner shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension to the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3 If any portion of the Work is defective, or if Contractor fails to supply sufficient skilled workers, suitable materials or equipment or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, Project Manager may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated. The right of Project Manager to stop the Work shall be exercised, if at all, solely for Owner's benefit and nothing herein shall be construed as obligating the Project Manager to exercise this right for the benefit of Design Engineer, Contractor, or any other person.

23.4 Should the Owner determine, at its sole opinion, it is in the Owner's best interest to accept defective Work, the Owner may do so. Contractor shall bear all direct, indirect, and consequential costs attributable to the Owner's evaluation of and determination to accept defective Work. If such determination is rendered prior to Final Payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents, and reflecting an appropriate decrease in the Contract Amount. If the Owner accepts such defective Work after Final Payment, Contractor shall promptly pay Owner an appropriate amount to adequately compensate Owner for its acceptance of the defective Work.

23.5 If Contractor fails, within a reasonable time after the written notice from Project Manager, to correct defective Work or to remove and replace rejected defective Work as required by Project Manager or Owner, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, Owner may, after seven (7) days written notice to Contractor, correct and remedy any such deficiency. Provided, however, Owner shall not be required to give notice to Contractor in the event

of an emergency. To the extent necessary to complete corrective and remedial action, Owner may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which Owner has paid Contractor but which are stored elsewhere. Contractor shall allow Owner, Design Professional and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable Owner to exercise the rights and remedies under this paragraph. All direct, indirect, and consequential costs of Owner in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect, and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal, or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by Owner of Owner's rights and remedies hereunder.

24. SUPERVISION AND SUPERINTENDENTS.

24.1 Contractor shall plan, organize, supervise, schedule, monitor, direct and control the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall be subject to Owner's approval and not be replaced without prior written notice to Project Manager except under extraordinary circumstances. The superintendent shall be employed by the Contractor and be the Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. Owner shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause. Attached to the Agreement as Exhibit A-3 is a list identifying Contractor's Project Superintendent and all of Contractor's key personnel who are assigned to the Project; such identified personnel shall not be removed without Owner's prior written approval, and if so removed must be immediately replaced with a person acceptable to Owner.

24.2 Contractor shall have a competent superintendent on the project at all times whenever Contractor's work crews, or work crews of other parties authorized by the Project Manager are engaged in any activity whatsoever associated with the Project. Should the Contractor fail to comply with the above condition, the Project Manager shall, at his discretion, deduct from the Contractor's monthly pay estimate, sufficient moneys to account for the Owner's loss of adequate project supervision, not as a penalty, but as liquidated damages, separate from the liquidated damages described in Section 5.B, for services not rendered.

25. PROTECTION OF WORK.

25.1 Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor or any one for whom Contractor is legally liable for is responsible for any loss or damage to the Work, or other work or materials of Owner or Owner's separate contractors, Contractor shall be charged with the same, and any moneys necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2 Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

25.3 Contractor shall not disturb any benchmark established by the Owner or Design Professional with respect to the Project. If Contractor, or its subcontractors, agents, or anyone for whom Contractor is legally liable, disturbs the Owner or Design Professional's benchmarks, Contractor shall immediately notify Project Manager and Design Professional. The Owner or Design Professional shall re-establish the benchmarks and Contractor shall be liable for all costs incurred by Owner associated therewith.

26. EMERGENCIES.

26.1 In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from Owner or Design Professional is obligated to act to prevent threatened damage, injury, or loss. Contractor shall give Project Manager written notice within forty-eight (48) hours after Contractor knew or should have known of the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby. If the Project Manager determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

27. USE OF PREMISES.

27.1 Contractor shall maintain all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28. SAFETY.

28.1 Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

28.1.1 All employees on or about the project site and other persons and/or organizations who may be affected thereby;

28.1.2 All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3 Other property on Project site or adjacent thereto, including trees, shrubs, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation, or replacement in the Contract Documents.

28.2 Contractor shall comply with all applicable codes, laws, ordinances, rules, and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury, or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by Owner has occurred.

All new electrical installations shall incorporate NFPA 70E Short Circuit Protective Device Coordination and Arc Flash Studies where relevant as determined by the engineer.

All electrical installations shall be labeled with appropriate NFPA 70E arch flash boundary and PPE Protective labels.

28.3. Contractor shall designate a responsible representative located on a full-time basis at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by Contractor to Owner.

28.4 Alcohol, drugs and all illegal substances are strictly prohibited on any Owner property. All employees of Contractor, as well as those of all subcontractors and those of any other person or entity for whom Contractor is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any Owner property. Further, Employees shall not bring on to any Owner property any gun, rifle or other firearm, or explosives of any kind.

28.5 Contractor acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing Owner facility. In such event, Contractor shall comply with the following:

28.5.1 All Owner facilities are smoke free. Smoking is strictly prohibited;

28.5.2 All Employees shall be provided an identification badge by Contractor. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must log in and out with the Contractor each day;

28.5.3 Contractor shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of Owner's property without Owner's expressed prior written consent;

28.5.4 All Employees are prohibited from distributing any papers or other materials upon Owner's property, and are strictly prohibited from using any of Owner's telephones or other office equipment;

28.5.5 All Employees shall at all times comply with the OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct

and facility regulations issued by Owner's officials onsite, as said regulations may be changed from time to time;

28.5.6 All Employees shall enter and leave Owner's facilities only through the ingress and egress points identified in the site utilization plan approved by Owner or as otherwise designated, from time to time, by Owner in writing;

28.5.7 When requested, Contractor shall cooperate with any ongoing Owner investigation involving personal injury, economic loss or damage to Owner's facilities or personal property therein;

28.5.8 The Employees may not solicit, distribute, or sell products while on Owner's property. Friends, family members or other visitors of the Employees are not permitted on Owner's property; and

28.5.9 At all times, Contractor shall adhere to Owner's safety and security regulations, and shall comply with all security requirements at Owner's facilities, as said regulations and requirements may be modified or changed by Owner from time to time.

29. PROJECT MEETINGS.

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference with the Project Manager, Design Professional, and others as appropriate to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the Project Manager with respect to the Project, when directed to do so by Project Manager or Design Professional. The Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the Project Manager.

30. VENDOR PERFORMANCE EVALUATION.

Owner has implemented a Vendor Performance Evaluation System for all contracts awarded in excess of $25,000. To this end, vendors will be evaluated on their performance upon completion/termination of this Agreement.

31. MAINTENANCE OF TRAFFIC POLICY.

For all projects that are conducted within a Collier County Right-of-Way, the Contractor shall provide and erect Traffic Control Devices as prescribed in the current edition of the Manual On Uniform Traffic Control Devices (MUTCD), where applicable on local roadways and as prescribed in the Florida Department of Transportation's Design Standards (DS), where applicable on state roadways. These projects shall also comply with Collier County's Maintenance of Traffic Policy, #5807, incorporated herein by reference. Copies are available through Risk Management and/or Procurement Services Division and is available on-line at colliergov.net/purchasing.

The Contractor will be responsible for obtaining copies of all required manuals, MUTCD, FDOT Roadway & Traffic Design Standards Indexes, or other related documents, so to become familiar with their requirements. Strict adherence to the requirements of the Maintenance of Traffic ("MOT") policy will be enforced under this Contract.

All costs associated with the Maintenance of Traffic shall be included on the line item on the bid page. If MOT is required, MOT is to be provided within ten (10) days of receipt of Notice to Proceed.

32. SALES TAX SAVINGS AND DIRECT PURCHASE.

32.1 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. No markup shall be applied to sales tax. Additionally, as directed by Owner and at no additional cost to Owner, Contractor shall comply with and fully implement the sales tax savings program with respect to the Work, as set forth in section 32.2 below.

32.2 Notwithstanding anything herein to the contrary, because Owner is exempt from sales tax and may wish to generate sales tax savings for the Project, Owner reserves the right to make direct purchases of various construction materials and equipment included in the Work ("Direct Purchase"). Contractor shall prepare purchase orders to vendors selected by Contractor, for execution by Owner, on forms provided by Owner. Contractor shall allow two weeks for execution of all such purchase orders by Owner. Contractor represents and warrants that it will use its best efforts to cooperate with Owner in implementing this sales tax savings program in order to maximize cost savings for the Project. Adjustments to the Contract Amount will be made by appropriate Change Orders for the amounts of each Owner Direct Purchase, plus the saved sales taxes. A Change Order shall be processed promptly after each Direct Purchase, or group of similar or related Direct Purchases, unless otherwise mutually agreed upon between Owner and Contractor. With respect to all Direct Purchases by Owner, Contractor shall remain responsible for coordinating, ordering, inspecting, accepting delivery, storing, handling, installing, warranting and quality control for all Direct Purchases. Notwithstanding anything herein to the contrary, Contractor expressly acknowledges and agrees that all Direct Purchases shall be included within and covered by Contractor's warranty to Owner to the same extent as all other warranties provided by Contractor pursuant to the terms of the Contract Documents. In the event Owner makes a demand against Contractor with respect to any Direct Purchase and Contractor wishes to make claim against the manufacturer or supplier of such Direct Purchase, upon request from Contractor Owner shall assign to Contractor any and all warranties and Contract rights Owner may have from any manufacturer or supplier of any such Direct Purchase by Owner.

32.3 Bidder represents and warrants that it is aware of its statutory responsibilities for sales tax under Chapter 212, Florida Statutes, and for its responsibilities for Federal excise taxes.

33. SUBCONTRACTS.

33.1 Contractor shall review the design and shall determine how it desires to divide the sequence of construction activities. Contractor will determine the breakdown and composition of bid packages for award of subcontracts, based on the current Project Milestone Schedule, and shall supply a copy of that breakdown and composition to Owner and Design Professional for their review and approval prior to submitting its first Application for Payment. Contractor shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

33.2 A Subcontractor is any person or entity who is performing, furnishing, supplying, or providing any portion of the Work pursuant to a contract with Contractor. Contractor shall be solely responsible for and have control over the Subcontractors. Contractor shall negotiate all Change Orders, Work Directive Changes, Field Orders and Requests for Proposal, with all affected Subcontractors and

shall review the costs of those proposals and advise Owner and Design Professional of their validity and reasonableness, acting in Owner's best interest, prior to requesting approval of any Change Order from Owner. All Subcontractors performing any portion of the Work on this Project must be "qualified" as defined in Collier County Ordinance 2013-69, meaning a person or entity that has the capability in all respects to perform fully the Agreement requirements with respect to its portion of the Work and has the integrity and reliability to assure good faith performance.

33.3 In addition to those Subcontractors identified in Contractor's bid that were approved by Owner, Contractor also shall identify any other Subcontractors, including their addresses, licensing information and phone numbers, it intends to utilize for the Project prior to entering into any subcontract or purchase order and prior to the Subcontractor commencing any work on the Project. The list identifying each Subcontractor cannot be modified, changed, or amended without prior written approval from Owner. Any and all Subcontractor work to be self-performed by Contractor must be approved in writing by Owner in its sole discretion prior to commencement of such work. Contractor shall continuously update that Subcontractor list, so that it remains current and accurate throughout the entire performance of the Work.

33.4 Contractor shall not enter into a subcontract or purchase order with any Subcontractor, if Owner reasonably objects to that Subcontractor. Contractor shall not be required to contract with anyone it reasonably objects to. Contractor shall keep on file a copy of the license for every Subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts and purchase orders between Contractor and its Subcontractors shall be in writing and are subject to Owner's approval. Further, unless expressly waived in writing by Owner, all subcontracts and purchase orders shall (1) require each Subcontractor to be bound to Contractor to the same extent Contractor is bound to Owner by the terms of the Contract Documents, as those terms may apply to the portion of the Work to be performed by the Subcontractor, (2) provide for the assignment of the subcontract or purchase order from Contractor to Owner at the election of Owner upon termination of Contractor, (3) provide that Owner will be an additional indemnified party of the subcontract or purchase order, (4) provide that Owner, Collier County Government, will be an additional insured on all liability insurance policies required to be provided by the Subcontractor except workman's compensation and business automobile policies, (5) assign all warranties directly to Owner, and (6) identify Owner as an intended third-party beneficiary of the subcontract or purchase order. Contractor shall make available to each proposed Subcontractor, prior to the execution of the subcontract, copies of the Contract Documents to which the Subcontractor will be bound. Each Subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

33.5 Each Subcontractor performing work at the Project Site must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., general concrete forming and placement, masonry, mechanical, plumbing, electrical and roofing) included in its subcontract or purchase order. In addition, the Subcontractor shall assign and name a qualified employee for scheduling direction for its portion of the Work. The supervisory employees of the Subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The Subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

33.6 Unless otherwise expressly waived by Owner in writing, all subcontracts and purchase orders shall provide:

33.6.1 That the Subcontractor's exclusive remedy for delays in the performance of the subcontract or purchase order caused by events beyond its control, including delays claimed to be caused by Owner or Design Professional or attributable to Owner or Design Professional and including claims based on breach of contract or negligence, shall be an extension of its contract time.

33.6.2 In the event of a change in the work, the Subcontractor's claim for adjustments in the contract sum are limited exclusively to its actual costs for such changes plus no more than 10% for overhead and profit.

33.6.3 The subcontract or purchase order, as applicable, shall require the Subcontractor to expressly agree that the foregoing constitute its sole and exclusive remedies for delays and changes in the Work and thus eliminate any other remedies for claim for increase in the contract price, damages, losses or additional compensation. Further, Contractor shall require all Subcontractors to similarly incorporate the terms of this Section 33.6 into their sub-subcontracts and purchase orders.

33.6.4 Each subcontract and purchase order shall require that any claims by Subcontractor for delay or additional cost must be submitted to Contractor within the time and in the manner in which Contractor must submit such claims to Owner, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

34. CONSTRUCTION SERVICES.

34.1 Contractor shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

34.1.1	Subcontracts and Purchase Orders
34.1.2	Subcontractor Licenses
34.1.3	Shop Drawing Submittal/Approval Logs
34.1.4	Equipment Purchase/Delivery Logs
34.1.5	Contract Drawings and Specifications with Addenda
34.1.6	Warranties and Guarantees
34.1.7	Cost Accounting Records
34.1.8	Labor Costs
34.1.9	Material Costs
34.1.10	Equipment Costs
34.1.11	Cost Proposal Request
34.1.12	Payment Request Records
34.1.13	Meeting Minutes
34.1.14	Cost-Estimates
34.1.15	Bulletin Quotations
34.1.16	Lab Test Reports
34.1.17	Insurance Certificates and Bonds
34.1.18	Contract Changes
34.1.19	Permits
34.1.20	Material Purchase Delivery Logs
34.1.21	Technical Standards
34.1.22	Design Handbooks
34.1.23	"As-Built" Marked Prints
34.1.24	Operating & Maintenance Instruction

34.1.25	Daily Progress Reports
34.1.26	Monthly Progress Reports
34.1.27	Correspondence Files
34.1.28	Transmittal Records
34.1.29	Inspection Reports
34.1.30	Punch Lists
34.1.31	PMIS Schedule and Updates
34.1.32	Suspense (Tickler) Files of Outstanding Requirements

The Project files and records shall be available at all times to Owner and Design Professional or their designees for reference, review or copying.

34.2 Contractor Presentations

At the discretion of the County, the Contractor may be required to provide a brief update on the Project to the Collier County Board of County Commissioners, "Board", up to two (2) times per contract term. Presentations shall be made in a properly advertised Public Meeting on a schedule to be determined by the County Manager or his designee. Prior to the scheduled presentation date, the Contractor shall meet with appropriate County staff to discuss the presentation requirements and format. Presentations may include, but not be limited to, the following information: Original contract amount, project schedule, project completion date and any changes to the aforementioned since Notice to Proceed was issued.

35. SECURITY.

The Contractor is required to comply with County Ordinance 2004-52, as amended. Background checks are valid for five (5) years and the Contractor shall be responsible for all associated costs. If required, Contractor shall be responsible for the costs of providing background checks by the Collier County Facilities Management Division for all employees that shall provide services to the County under this Agreement. This may include, but not be limited to, checking federal, state and local law enforcement records, including a state and FBI fingerprint check, credit reports, education, residence and employment verifications and other related records. Contractor shall be required to maintain records on each employee and make them available to the County for at least four (4) years.

All of Contractor's employees and subcontractors must wear Collier County Government Identification badges at all times while performing services on County facilities and properties. Contractor ID badges are valid for one (1) year from the date of issuance and can be renewed each year at no cost to the Contractor during the time period in which their background check is valid, as discussed below. All technicians shall have on their shirts the name of the contractor's business.

The Contractor shall immediately notify the Collier County Facilities Management Division via e-mail (DL-FMOPS@colliercountyfl.gov) whenever an employee assigned to Collier County separates from their employment. This notification is critical to ensure the continued security of Collier County facilities and systems. Failure to notify within four (4) hours of separation may result in a deduction of $500 per incident.

CCSO requires separate fingerprinting prior to work being performed in any of their locations. This will be coordinated upon award of the contract. If there are additional fees for this process, the Contractor is responsible for all costs.

36. VENUE.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exdusive jurisdiction on all such matters.

37. VALUE ENGINEERING.

All projects with an estimated cost of $10 million or more shall be reviewed for consideration of a Value Engineering (VE) study conducted during project development. A "project" shall be defined as the collective contracts, which may include but not be limited to: design, construction, and construction, engineering and inspection (CEI) services. Additionally, any project with an estimated construction value of $2 million or more may be reviewed for VE at the discretion of the County.

38. ABOVEGROUND/UNDERGROUND TANKS.

38.1 The contractor shall ensure compliance with all NFPA regulations: specifically 110 & 30/30A; FDEP chapter 62 regulations: specifically 761, 762, 777, and 780; 376 & 403 Florida Statutes; and STI, UL, PEI, ASME, NACE, NLPA, NIST & API referenced standards pertaining to the storage of hazardous materials and petroleum products.

38.2 The contractor shall notify the Solid & Hazardous Waste Management Department (SHWMD) prior to the installation, removal, or maintenance of any storage tank, including day tanks for generators, storing / will be storing petroleum products or hazardous materials. The contractor shall provide a 10 day and 48-hour notice to SHWMD 239-252-2508 prior to commencement.

The contractor shall provide the plans pertaining to the storage tank systems containing hazardous materials / petroleum products to the SHWMD prior to plans submittal to a permitting entity and then SHWMD must approve the plans prior to contractor's submittal for permitting.

39. STANDARDS OF CONDUCT: PROJECT MANAGER, SUPERVISOR, EMPLOYEES.

The Contractor shall employ people to work on Owner's projects who are neat, clean, well-groomed and courteous. Subject to the Americans with Disabilities Act, Contractor shall supply competent employees who are physically capable of performing their employment duties. The Owner may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and whose continued employment on Owner's projects is not in the best interest of the County.

40. DISPUTE RESOLUTION.

A. Prior to the initiation of any action or proceeding permitted by this Agreement to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation. The negotiation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person who would make the presentation of any settlement reached during negotiations to Owner for approval. Failing resolution, and prior to the commencement of depositions in any litigation between the parties arising out of this Agreement, the parties shall attempt to resolve the dispute through Mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The mediation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person or designee who would make the presentation of any settlement reached at mediation to Owner's Board for approval. Should either party fail to

submit to mediation as required hereunder, the other party may obtain a court order requiring mediation under Section 44.102, Fla. Stat.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

EXHIBIT I: SUPPLEMENTAL TERMS AND CONDITIONS

☒ Attached hereto, following this page

☐ Not Applicable

FEDERAL EMERGENCY MANAGEMENT AGENCY
PUBLIC ASSISTANCE

The supplemental conditions contained in this section are intended to cooperate with, to supplement, and to modify the general conditions and other specifications. In cases of disagreement with any other section of this contract, the Supplemental Conditions shall govern. This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract.

Pursuant uniform requirements of federal awards (2 CFR Part 200.23) the definition of CONTRACTOR is an entity that receives a Contract / Purchase Order.

Compliance with Federal Law, Regulations and Executive Orders: The Sub-Recipient (County) agrees to include in the subcontract that (i) the subcontractor is bound by the terms of the Federally-Funded Subaward and Grant Agreement, (ii) the subcontractor is bound by all applicable state and Federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

Specifically, the Contractor shall be responsible for being knowledgeable and performing any and all services under this contract in accordance with the following governing regulations along with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- 44 C.F.R. Part 206
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- FEMA Public Assistance Program and Policy Guide

CAO

Access to Records: The contractor agrees to provide the County, the Florida Department of Emergency Management, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the contract. (4) In compliance with section 1225 of the Disaster Recovery Act of 2018, the County and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

Affirmative Socioeconomic Steps: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

Changes: To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allowable, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable.

DHS Seal, Logo, and Flags: The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval. The contractor shall include this provision in any subcontracts.

Domestic Preference for Procurements: As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section: "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

License and Delivery of Works Subject to Copyright and Data Rights: The Contractor grants to the County, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, the Contractor will identify such data and grant to the County or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the County data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the County.

No Obligation by Federal Government: The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

Prohibition on Covered Telecommunications Equipment or Services:
(a) Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy, #405-143-1 Prohibitions on Expending FEMA Award Funds forcovered Telecommunications Equipment or Services As used in this clause –

(b) Prohibitions.

(1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

(2) Unless an exception in paragraph (c) of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

(i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
(iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Exceptions.

(1) This clause does not prohibit contractors from providing — (i). A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or (ii). Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to: (i). Covered telecommunications equipment or services that: i. Are not used as a substantial or essential component of any system; and ii. Are not used as critical technology of any system. (ii). Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d)Reporting requirement.

(1) In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause: (i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer

CAO

number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended. (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph(e), in all subcontracts and other contractual instruments.

Program Fraud and False or Fraudulent Statements or Related Acts: The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

Rights to Inventions Made Under a Contract or Agreement: Exempt from FEMA Public Assistance Funding

Suspension and Debarment: (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. (3) This certification is a material representation of fact relied upon by the County. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Procurement of Recovered Materials (§200.323) (Over $10,000): In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage:

https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Termination for Cause and Convenience (over $10,000): See Standard Purchase Order and/or Contract Terms and Conditions

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352 (as amended) (over $100,000): Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

Contractors must sign and submit a certification to the County with each bid or offer exceeding $100,000. See Certifications and Assurances and the end of this document.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) (over $100,000): Where applicable, all contracts awarded by the solicitor in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5).

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The County or FEMA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 "Further Compliance with the Contract Work Hours and Safety Standards Act.

(1) The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
(2) Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

CAO

Clean Air Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Administrative, Contractual, or Legal Remedies (over $250,000): Unless otherwise provided in this contract, all claims, counter-claims, disputes and other matters in question between the local government and the contractor, arising out of or relating to this contract, or the breach of it, will be decided by arbitration, if the parties mutually agree, or in a Florida court of competent jurisdiction.

CONSTRUCTION ACTIVITIES
Equal Employment Opportunity Clause (§60-1.4): Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor

union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part an the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Davis Bacon Act: Exempt under FEMA Public Assistance Funding

Copeland Anti-Kickback Act: Exempt under FEMA Public Assistance Funding

CAO

Compliance with Federal Law, Regulations, And Executive Orders and Acknowledgement of Federal Funding

Certification

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

If the Contractor subcontracts any of the work required under this Agreement, a copy of the signed subcontract must be available to the County for review and approval. The Contractor agrees to include in the subcontract that (1) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the County and the Grantor Agency harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law. The County may document in the quarterly report the Contractor's progress in performing its work under this agreement.

On behalf of my firm, I acknowledge, the grant requirements identified in this document.

LOBBYING CERTIFICATION
(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

Executive Summary

Recommendation to award Invitation to Bid ("ITB") No. 24-8284, "Caxambas Hurricane Ian Permanent Fuel Tank Installation" to Don Wood Inc., in the amount of $667,164.00, approve an Owners Allowance of $123,504.00 for potential unforeseen conditions, and authorize the Chairman to sign the attached Agreement (Project No. 50280).

OBJECTIVE: Approval to award an Invitation to Bid to build a new permanent fuel system at Caxambas Park.

CONSIDERATIONS: This project involves installing a new permanent fuel system at Caxambas Park. Hurricane Ian destroyed the previous permanent fuel system. The new fuel system will include a new above-ground REC-90 fuel tank, two credit card-capable fuel dispensers, a Feeder-Root fuel management system, new conduit and related work for fuel, low voltage, electrical lines, a new point-of-sale system, and all related site work.

On July 12, 2024, the Procurement Services Division issued ITB No. 24-8284, "Caxambas Hurricane Ian Permanent Fuel Tank Installation." The County received three bids by the September 18, 2024, submission deadline, as summarized below:

Respondents:					
Company Name	City	County	State	Base Bid	Responsive/ Responsible
Don Wood, Inc.	Orlando	Orange	FL	$667,164	Yes/Yes
Douglas N. Higgins, Inc.	Naples	Collier	FL	$871,178	Yes/Yes
Capital Contractors, LLC	Naples	Collier	FL	$1,185,525	Yes/Yes

Staff reviewed the bids received and found all three bidders responsive and responsible, with Don Wood, Inc. ("Don Wood") as the lowest, responsive, and responsible bidder. Staff recommends the attached agreement be awarded to Don Wood for the total bid amount of $667,164.00. In addition, staff has allocated $123,504 as an Owner's Allowance for unforeseen site conditions that might be encountered during construction and asks that the amount be approved as part of the Purchase Order issued to commence the work. Use of the allowance will be as directed by the County, with proper supporting documentation to be submitted by the contractor for any additional allowance work that is authorized and completed.

The County's engineering consultant, LJA Engineering, Inc. ("LJA"), contacted many of Don Wood's project references and determined that Don Wood has sufficient relevant experience with similar projects to demonstrate that they possess the required experience to complete the project successfully. The low bid for this project is approximately 8% higher than the LJA's Engineer's Opinion of a Probable Construction Cost of $617,520.

Don Wood, Inc., is a Florida corporation formed in 1967, and is registered with the Florida Department of Business and Professional Regulation as a Construction Business and a Certified Pollutant Storage Contractor with current active registrations.

LJA Engineering, Inc. and staff recommend that Don Wood, Inc. be awarded the Caxambas Hurricane Ian Permanent Fuel Tank Installation Project as set forth above.

FISCAL IMPACT: Funding in the amount of $790,668 is available in the FEMA Grants Fund (1813), Project 50280 (Hurricane Ian). Partial FEMA reimbursement is anticipated less any insurance proceeds.

GROWTH MANAGEMENT IMPACT: There is no Growth Management impact associated with this Executive Summary.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATIONS: Recommendation that the board award ITB No. 24-8284, "Caxambas Hurricane Ian Permanent Fuel Tank Installation," to Don Wood Inc., in the amount of $667,164.00, approve an Owners Allowance of $123,504.00, and authorize the Chairman to sign the attached Agreement (Project No. 50280).

Notice of Recommended Award

Solicitation: 24-8284	Title: Caxambas Hurricane Ian Permanent Fuel Tank Installation

Due Date and Time: September 18th, 2024, at 3:00 PM EST

Respondents:

Company Name	City	County	State	Bid Amount	Responsive/Responsible
Don Wood, Inc.	Orlando	Orange	FL	$667,164.00	Yes/Yes
Douglas N. Higgins, Inc.	Naples	Collier	FL	$871,178.00	Yes/Yes
Capital Contractors, LLC	Naples	Collier	FL	$1,185,525.00	Yes/Yes

Utilized Local Vendor Preference: Yes ☐ No ☐ N/A

Recommended Vendor(s) For Award:
On July 12, 2024, the Procurement Services Division issued Construction Invitation to Bid (ITB) No. 24-8284, Caxambas Hurricane Ian Permanent Fuel Tank Installation, to two thousand and seventy-three (2,073) vendors. Six hundred and sixty-three vendors (663) viewed the bid package, and the County received three (3) bids by the September 18, 2024, submission deadline.

Staff reviewed the bids received. All three (3) bidders were deemed responsive /responsible. Staff determined that Don Wood, Inc., is the lowest responsive and responsible bidder.

Staff recommends the contract be awarded to Don Wood, Inc., the lowest responsive and responsible bidder, based on the award of the Base Bid with Alternates for the total bid amount of $667,164.00. In addition to the total bid amount, staff has allocated $123,504.00 in Owner's Allowance, for Owner's use as directed.

CONSTRUCTION AGREEMENT

THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, ("County" or "Owner") hereby contracts with **Don Wood, Inc.** ("Contractor") of **6501 Old Winter Garden Rd, Orlando, Florida 32835** a **Florida Profit Corporation**, authorized to do business in the State of Florida, to perform all work ("Work") in connection with **Caxambas Hurricane Ian Permanent Fuel Tank Installation,** Invitation to Bid No. **24-8284 ("Project"),** as said Work is set forth in the Plans and Specifications prepared by **LJA Engineering, Inc.,** the Engineer and/or Architect of Record ("Design Professional") and other Contract Documents hereafter specified.

Owner and Contractor, for the consideration herein set forth, agree as follows:

Section 1. Contract Documents.

A. The Contract Documents consist of this Agreement, the Exhibits described in Section 6 hereof, the Legal Advertisement, the Bidding Documents and any duly executed and issued addenda, Change Orders, Work Directive Changes, Field Orders, and amendments relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents including the Agreement sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement" and sometimes as the "Contract"). A copy of the Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. Owner shall furnish to the Contractor one reproducible set of the Contract Documents and the appropriate number of sets of the Construction Documents, signed and sealed by the Design Professional, as are reasonably necessary for permitting.

Section 2. Scope of Work.

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good and workmanlike manner the Work required by the Contract Documents.

Section 3. Contract Amount.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of Owner, Owner agrees to pay, or cause to be paid, to Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement: **Six Hundred Sixty-seven Thousand One Hundred Sixty-four Dollars ($667,164.00**). The amount of **One Hundred Twenty-three Thousand Five Hundred and Four Dollars ($123,504.00) has been allocated as an Owner's Allowance.** Any allowance dollar amount that has been included in the Contractor's Bid Schedule amount is not a guaranteed portion of the aforementioned Contract Amount but rather is only eligible for reimbursement by the Owner if and subject to whether a specific dollar amount of the allowance is expressly authorized by the Owner and formally agreed upon and memorialized by the Parties in writing (the "Owner's Allowance"). Any dollar portion of an Owner's Allowance that is not authorized by the Owner and memorialized by the Parties in writing, via Change Order, shall not be eligible for reimbursement/payment by the Owner as part of a Payment Application submitted by the Contractor.

Section 4. Bonds.

A. If applicable, the Contractor shall provide Performance and Payment Bonds, in the form prescribed in Exhibit B-1 and B-2, in the amount of 100% of the Contract Amount, plus any approved allowance as provided in Section 3, the costs of which are to be paid by Contractor. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall meet the requirements of the Department of the Treasury Fiscal Service, "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsurance Companies" circular. This circular may be accessed via the web at https://fiscal.treasury.gov/surety-bonds/list-certified-companies.html. Should the Contract Amount be less than $500,000, the requirements of Section 287.0935, F.S. shall govern the rating and classification of the surety.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Contractor shall, within five (5) calendar days thereafter, substitute at its cost and expense another bond and surety, both of which shall be subject to the Owner's approval.

Section 5. Contract Time and Liquidated Damages.

A. Time of Performance.
Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the written Notice to Proceed to be issued by the Project Manager, as hereinafter defined. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. Contractor shall achieve Substantial Completion within **Two Hundred Thirty (230)** calendar days from the Commencement Date (herein "Contract Time"). The date of Substantial Completion of the Work (or designated portions thereof) is the date certified by the Design Professional when construction is sufficiently complete, in accordance with the Contract Documents, so Owner can occupy or utilize the Work (or designated portions thereof) for the use for which it is intended, as more particularly defined herein at Section 16, Defined Terms. Contractor shall achieve Final Completion within **Thirty (30)** calendar days after the date the Punch List is delivered to the Contractor. Final Completion shall occur when the Agreement is completed in its entirety, is accepted by the Owner as complete and is so stated by the Owner as completed. As used herein and throughout the Contract Documents, the phrase "Project Manager" refers to the Owner's duly authorized representative and shall mean the Department Administrator or Division Director, as applicable, acting directly or through duly authorized representatives.

B. Liquidated Damages in General.
Owner and Contractor recognize that, since time is of the essence for this Agreement, Owner will suffer financial loss if Contractor fails to achieve Substantial Completion within the time specified above, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, **Four Hundred Eighty-three Dollars and Twenty-eight Cents ($483.28)** for each calendar day thereafter until Substantial Completion is achieved. Further, in the event Substantial Completion is reached, but the Contractor fails to reach Final Completion within the required time period, Owner shall also be entitled to assess, and Contractor shall be liable for all actual damages

incurred by Owner as a result of Contractor failing to timely achieve Final Completion. The Project shall be deemed to be substantially completed on the date specified by the Project Manager (or at his/her direction, the Design Professional) as memorialized in the Certificate of Substantial Completion issued pursuant to the terms hereof, and as more particularly defined herein at Section 16, Defined Terms. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the Owner's actual damages at the time of contracting if Contractor fails to Substantially or Finally Complete the Work within the required time periods.

C. Computation of Time Periods.
When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

D. Determination of Number of Days of Default.
For all contracts, the Owner will count default days in calendar days.

E. Right of Collection.
The Owner has the right to apply any amounts due Contractor under this Agreement or any other agreement between Owner and Contractor, as payment on such liquidated damages due under this Agreement in Owner's sole discretion. Notwithstanding anything herein to the contrary, Owner retains its right to liquidated damages due under this Agreement even if Contractor, at Owner's election and in its sole discretion, is allowed to continue and to finish the Work, or any part of it, after the expiration of the Contract Time including granted time extensions.

F. Completion of Work by Owner.
In the event Contractor defaults on any of its obligations under the Agreement and Owner elects to complete the Work, in whole or in part, through another contractor or its own forces, the Contractor and its surety shall continue to be liable for the liquidated damages under the Agreement until Owner achieves Substantial and Final Completion of the Work, as more particularly defined herein at Section 16, Defined Terms. Owner will not charge liquidated damages for any delay in achieving Substantial or Final Completion as a result of any unreasonable action or delay on the part of the Owner.

G. Final Acceptance by Owner.
The Owner shall consider the Agreement complete when the Contractor has completed in its entirety all of the Work and the Owner has accepted all of the Work and notified the Contractor in writing that the Work is complete. Once the Owner has approved and accepted the Work, Contractor shall be entitled to final payment in accordance with the terms of the Contract Documents.

H. Recovery of Damages Suffered by Third Parties.
Contractor shall be liable to Owner to the extent Owner incurs damages from a third party as a result of Contractor's failure to fulfill all of its obligations under the Contract Documents. Owner's recovery of any delay related damages under this Agreement through the liquidated damages does not preclude Owner from recovering from Contractor any other non-delay related damages that may be owed to it arising out of or relating to this Agreement.

CAO

Section 6. Exhibits Incorporated.

Exhibits Incorporated: The following documents are expressly agreed upon, attached hereto, and made a part of this Agreement for Solicitation **#24-8284 Caxambas Hurricane Ian Permanent Fuel Tank Installation**.

Email:kirkcolvin@donwoodinc.com

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 8. PUBLIC ENTITY CRIMES.

8.1 By its execution of this Contract, Construction Contractor acknowledges that it has been informed by Owner of the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

> "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

Section 9. Modification.

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 10. Successors and Assigns.

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

Section 11. Governing Law.

The Agreement shall be interpreted under, and its performance governed by the laws of the State of Florida.

Section 12. No Waiver.

The failure of the Owner to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 13. Entire Agreement.

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated, and superseded by the Agreement.

Section 14. Severability.

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 15. Change Order Authorization.

The Project Manager shall have the authority on behalf of the Owner to execute all Change Orders and Work Directive Changes to the Agreement to the extent provided for under the Owner's Procurement Ordinance, as amended, and the terms of the Contract Documents.

Section 16. Construction.

(i) Any doubtful or ambiguous language contained in this Agreement shall not be construed against the party who physically prepared this Agreement. The rule sometimes referred to as "fortius contra proferentum" (pursuant to which ambiguities in a contractual term which appears on its face to have been inserted for the benefit of one of the parties shall be construed against the benefited party) shall not be applied to the construction of this Agreement.

(ii) Defined Terms: The following Defined Terms used in the Agreement shall be understood to be defined as expressly set forth below. Other terms referenced in the Agreement shall be understood as they may separately be defined herein or if not so defined shall be understood consistent with their natural and ordinary meaning.

(a) "Application for Payment" shall mean the form provided by the Owner that is to be used by the Contractor in requesting a progress or final payment and which is to include such supporting documentation as is required by the Contract Documents.

(b) "Construction Project" shall mean a Project, funded by Owner funds that involves the process of building, altering, repairing, improving, or demolishing any public structure or building, or other public improvements of any kind to any real property owned or under the control of the Owner, which Work is being performed under a Construction Contract.

(c) "Construction Services" shall mean all labor and materials to be provided by Contractor in connection with the construction, alteration, repair, demolition, reconstruction, or any other improvements to real property. Construction Services also means Work.

(d) "Contract" or "Contract Documents" shall refer to those documents described in Section 1, subsection A of the Agreement.

(e) "Defective" shall mean an adjective which, when modifying the Work, refers to Work that is unsatisfactory, faulty, deficient or otherwise does not conform to the Contract Documents.

(f) "Department" shall mean the Department or Division initiating and managing the Project on behalf of the Owner.

(g) "Director" shall mean the Director or Administrator of the Department or Division initiating and managing the Project on behalf of the Owner.

(h) "Final Acceptance" shall mean acceptance of the Work by the Owner as evidenced by the signature of the Project Manager or Design Professional upon the Certificate of Final Completion form, Exhibit F-2. Final Acceptance shall be deemed to have taken place only if and when such signature is affixed to such certificate. The Certificate of Final Completion shall be signed only after the Project Manager has assurance by tests, inspection, or otherwise that all of the provisions of the Contract Documents have been carried out, including completion of the Punch List form, Exhibit F-3.

(i) "Professional" or "Design Professional" shall mean the professional architectural/engineering firm designated to perform the design, Construction Engineering and Inspection ("CEI") services, by an existing agreement, or resident in-house Owner engineering services for the Work. At times, Owner staff may perform the design for the Work in-house and shall be considered the Professional in relation to the Work or a particular portion of the Work.

(j) "Project" shall mean the total construction, of which the Work to be provided under the Contract Documents may be the whole or a part as indicated elsewhere in the Contract Documents.

(k) "Project Manager" shall mean an individual employed by the Owner and assigned to manage and administer the Project which is the subject of the Contract Documents.

(l) "Proper Invoice" shall mean an invoice that conforms with all statutory requirements and all requirements specified in the Contract Documents.

CAO

(m) "Punch List" shall mean the approved list of incomplete and/or deficient Work that shall be completed by the Contractor after Substantial Completion but before the Final Acceptance can be certified by the Project Manager. The Punch List enumerates the items required to render complete, satisfactory and acceptable all Work by the Contractor. The Punch List is developed by the Contractor, Owner and Professional (if any) in accordance with the provisions of the Contract and within the time frames required therein. The Punch List essentially includes items of a minor nature; major items must be completed before Substantial Completion and cannot be considered to be Punch List work.

(n) "Schedule of Values" shall mean a schedule showing all activities of the Work subdivided into component parts in sufficient detail to serve as the basis for measuring quantities in place and/or calculating amounts for progress payments during construction. The Schedule of Values shall be satisfactory in form and substance to the Project Manager.

(o) "Substantial Completion" shall mean the status of completion of the Work which, in the opinion of the Project Manager as evidenced by a definitive Certificate of Substantial Completion, is complete in accordance with the Contract Documents, except for minor outstanding items listed on the Punch List. Substantial Completion includes, but is not limited to, the following occurring: (1) the Work can be safely utilized for the purposes for which it was intended; (2) all regulatory agency requirements are satisfied, including occupancy permits, operating certificates and similar releases, (3) all operational testing has successfully occurred; (4) all required training has successfully occurred; (5) all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports, test logs, operational manuals, etc.) have been provided by the Contractor and accepted by the Owner, and permit acceptance by permitting agencies, if applicable, see Exhibit F-1.

(p) "Work" shall mean the Work to be performed under this Agreement and shall consist of furnishing all tools, equipment, materials, supplies, and manufactured articles and for furnishing all transportation and services, including fuel, power, water, and essential communications, and for the performance of all labor, work, or other operations required for the fulfillment of the Agreement in strict accordance with the Specifications, schedules, Drawings, and other Contract Documents as herein defined, all of which are made a part hereof, and including such detailed sketches as may be furnished by the Professional from time to time during construction in explanation of said Contract Documents. The Work shall be complete, and all work, materials, and services not expressly shown or called for in the Contract Documents, which may be necessary for the complete and proper construction of the Work in good faith, shall be performed, furnished, and installed by the Contractor as though originally so specified or shown, at no increase in cost to the Owner.

(q) "Written Directive" shall mean a written directive and also referred to as work directive, as required by in Exhibit H, Section 10.1, in the form that appears in Exhibit E-2 that is issued to a Contractor from Owner in instances where the parties cannot agree on price and/or costs associated with work arising from differing, unforeseen or emergency site conditions and the work in question is part of the "critical path" of the contract schedule. A written directive should ultimately be followed up with an agreed upon Change Order. A verbal Work Directive may only

CAO

be issued in extraordinary emergencies when necessary to protect and promote the public interest, which shall be followed up with a written Work Directive within five (5) business days.

Section 17. Order of Precedence

In the event of any conflict between or among the terms of any of the Contract Documents, the terms of the Construction Agreement and the General Terms and Conditions shall take precedence over the terms of all other Contract Documents, except the terms of any Supplemental Conditions shall take precedence over the Construction Agreement and the General Terms and Conditions. To the extent any conflict in the terms of the Contract Documents including the Owner's Board approved Executive Summary cannot be resolved by application of the Supplemental Conditions, if any, or the Construction Agreement and the General Terms and Conditions, the conflict shall be resolved by imposing the more strict or costly obligation under the Contract Documents upon the Contractor at Owner's discretion.

FORM 1 - BID RESPONSE FORM

BOARD OF COUNTY COMMISSIONERS
COLLIER COUNTY, FLORIDA

Caxambas Hurricane Ian Permanent Fuel Tank Installation
BID NO. 24-8284

Full Name of Bidder Don Wood Inc.

Main Business Address 6501 Old Winter Garden Rd. Orlando, FL 32835

Place of Business 6501 Old Winter Garden Rd. Orlando, FL 32835

Telephone No. 407-293-0891 Fax No. _____

State Contractor's License # PCC1256984 & CGC1522696

State of Florida Certificate of Authority Document Number 315614

Federal Tax Identification Number 59-1167805

DUNS # _____ CCR# _____ Cage Code _____

To: BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA
(hereinafter called the Owner)

The undersigned, as Bidder declares that the only person or parties interested in this Bid as principals are those named herein, that this Bid is submitted without collusion with any other person, firm or corporation; that it has carefully examined the location of the proposed Work, the proposed form of Agreement and all other Contract Documents and Bonds, and the Contract Drawings and Specifications.

Bidder proposes, and agrees if this Bid is accepted, Bidder will execute the Agreement included in the Bidding Documents, to provide all necessary machinery, tools, apparatus and other means of construction, including utility and transportation services necessary to do all the Work, and furnish all the materials and equipment specified or referred to in the Contract Documents in the manner and time herein prescribed and according to the requirements of the Owner as therein set forth, furnish the Contractor's Bonds and Insurance specified in the General Conditions of the Contract, and to do all other things required of the Contractor by the Contract Documents, and that it will take full payment the sums set forth in the following Bid Schedule:

Unit prices shall be provided in no more than two decimal points, and in the case where further decimal points are inadvertently provided, rounding to two decimal points will be conducted by Procurement Services Division staff.

Upon notification that its Bid has been awarded, the Successful Bidder will execute the Agreement form attached to the Bidding Documents within ten (10) calendar days and deliver the Surety Bond or Bonds and Insurance Certificates as required by the Contract Documents. The bid security attached is to become the property of the Owner in the event the Agreement, Insurance Certificates and Bonds are not executed and delivered to Owner within the time above set forth, as liquidated damages, for the delay and additional expense to the Owner, it being recognized that, since time is of the essence, Owner will suffer financial loss if the Successful Bidder fails to execute and deliver to Owner the required Agreement, Insurance Certificates and Bonds within the required time period. In the event of such failure, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. It is hereby agreed that it is appropriate and fair that Owner receive liquidated damages from the Successful Bidder in the event it fails to execute and deliver the Agreement, Insurance Certificates, and Bonds as required hereunder. The Successful Bidder hereby expressly waives and relinquishes any right which it may have to seek to characterize the

above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of Owner's actual damages at the time of bidding if the Successful Bidder fails to execute and deliver the Agreement, Insurance Certificates, and Bonds in a timely manner.

Upon receipt of the signed and approved agreement and Purchase Order, the undersigned proposes to commence work at the site within five (5) calendar days from the commencement date stipulated in the written Notice to Proceed unless the Project Manager, in writing, subsequently notifies the Contractor of a modified (later) commencement date. The undersigned further agrees to substantially complete all work covered by this Bid within **two hundred and thirty (230)** consecutive calendar days, computed by excluding the commencement date and including the last day of such period, and to be fully completed to the point of final acceptance by the Owner within **thirty (30)** consecutive calendar days after Substantial Completion, computed by excluding commencement date and including the last day of such period.

Acceptance and acknowledged by an Authorize Agent

Luis Diaz	Construction Superintendent
Luis Diaz	Project Manager

FORM 3 - MATERIAL MANUFACTURERS

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE

All Bidders shall confirm by signature that they will provide the manufacturers and materials outlined in this Bid specifications, including compliance with Florida Statute 255.20 to provide lumber, timber and other forest products produced and manufactured in the State of Florida as long as the price, fitness and quality are equal. Exceptions (when equals are acceptable) may be requested by completing the Material Manufacturer Exception List below. If an exception for a manufacturer and/or material is proposed and listed below and is not approved by Engineer/Project Manager, Bidder shall furnish the manufacturer named in the specification. Acceptance of this form does not constitute acceptance of material proposed on this list.

Complete and sign section A OR B.

Section A (Acceptance of all manufactures and materials in Bid specifications)

On behalf of my firm, I confirm that we will use all manufacturers and materials as specifically outlined in the Bid specifications.

FORM 4 - LIST OF MAJOR SUBCONTRACTORS

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE

The undersigned states that the following is a list of the proposed subcontractors for the major categories outlined in the requirements of the Bid specifications.

The undersigned acknowledges its responsibility for ensuring that the Subcontractors for the major categories listed herein are "qualified" (as defined in Ordinance 2017-08 and Section 15 of Instructions to Bidders) and meet all legal requirements applicable to and necessitated by the Contract Documents, including, but not limited to proper licenses, certifications, registrations and insurance coverage. The Owner reserves the right to disqualify any Bidder who includes non-compliant or non-qualified Subcontractors in its bid offer. Further, the Owner may direct the Successful Bidder to remove/replace any Subcontractor, at no additional cost to Owner, which is found to be non-compliant with this requirement either before or after the issuance of the Award of Contract by Owner. (Attach additional sheets as needed). Further, the undersigned acknowledges and agrees that promptly after the Award of Contract, and in accordance with the requirements of the Contract Documents, the Successful Bidder shall identify all Subcontractors it intends to use on the Project. The undersigned further agrees that all Subcontractors subsequently identified for any portion of work on this Project must be qualified as noted above.

	Major Category of Work	Subcontractor and Address
1.	Electrical	
2.	Mechanical	
3.	Plumbing	
4.	Site Work	
5.	Identify other subcontractors that represent more than 10% of price or that affect the critical path of the schedule	NA, no subcontractors

Date: 09/09/2024

FORM 7 - BID BOND

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE/NON-RESPONISBLE

KNOW ALL MEN BY THESE PRESENTS, that we Don Wood, Inc. (herein after called the Principal) and Merchants National Bonding, Inc., (herein called the Surety), a corporation chartered and existing under the laws of the State of Iowa with its principal offices in the city of Des Moines and authorized to do business in the State of Florida are held and firmly bound unto the Collier County Board of County Commissioners (hereinafter called the Owner), in the full and just sum of Five percent of amount bid---------- dollars ($ ----------5%----------) good and lawful money of the United States of America, to be paid upon demand of the Owner, to which payment well and truly to be made, the Principal and the Surety bind themselves, their heirs, and executors, administrators, and assigns, jointly and severally and firmly by these presents.

Whereas, the Principal is about to submit, or has submitted to the Owner, a Bid for furnishing all labor, materials, equipment and incidentals necessary to furnish, install, and fully complete the Work on the Project known as **Bid No. 24-8284 Caxambas Hurricane Ian Permanent Fuel Tank Installation.**

NOW, THEREFORE, if the Owner shall accept the Bid of the PRINCIPAL and the PRINCIPAL shall enter into the required Agreement with the Owner and within ten days after the date of a written Notice of Award in accordance with the terms of such Bid, and give such bond or bonds in an amount of 100% the total Contract Amount as specified in the Bidding Documents or Contract Documents with good and sufficient surety for the faithful performance of the Agreement and for the prompt payment of labor, materials and supplies furnished in the prosecution thereof or, in the event of the failure of the PRINCIPAL to enter into such Agreement or to give such bond or bonds, and deliver to Owner the required certificates of insurance, if the PRINCIPAL shall pay to the OBLIGEE the fixed sum of $ Five percent of amount bid noted above as liquidated damages, and not as a penalty, as provided in the Bidding Documents, then this obligation shall be null and void, otherwise to remain in full force and effect.

IN TESTIMONY Thereof, the Principal and Surety have caused these presents to be duly signed and sealed this 11th day of September, 2024 .

MERCHANTS BONDING COMPANY™

POWER OF ATTORNEY

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Cheryl A Foley; Emily J Golecki; Jeffrey W Reich; Kim E Niv; Lisa A Roseland; Nathan K Reich; Robert P OLinn; Sarah K OLinn; Sonja Amanda Floree Harris; Susan L Reich; Teresa L Durham

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and April 27, 2024 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015 and amended on April 27, 2024.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 29th day of July , 2024 .

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

The following is added to Paragraph **c.** in **A.1., Who Is An Insured,** of **SECTION II – COVERED AUTOS LIABILITY COVERAGE** in the **BUSINESS AUTO COVERAGE FORM** and Paragraph **e.** in **A.1., Who Is An Insured,** of **SECTION II – COVERED AUTOS LIABILITY COVERAGE** in the **MOTOR CARRIER COVERAGE FORM**, whichever Coverage Form is part of your policy:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph **A.1.c., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

   This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph **B.5., Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

   Regardless of the provisions of paragraph a. and paragraph **d.** of this part **5. Other Insurance,** this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

FORM 9 – CONFLICT OF INTEREST AFFIDAVIT

The Vendor certifies that, to the best of its knowledge and belief, the past and current work on any Collier County project affiliated with this solicitation does not pose an organizational conflict as described by one of the three categories below:

Biased ground rules – The firm has not set the "ground rules" for affiliated past or current Collier County project identified above (e.g., writing a procurement's statement of work, specifications, or performing systems engineering and technical direction for the procurement) which appears to skew the competition in favor of my firm.

Impaired objectivity – The firm has not performed work on an affiliated past or current Collier County project identified above to evaluate proposals / past performance of itself or a competitor, which calls into question the contractor's ability to render impartial advice to the government.

Unequal access to information – The firm has not had access to nonpublic information as part of its performance of a Collier County project identified above which may have provided the contractor (or an affiliate) with an unfair competitive advantage in current or future solicitations and contracts.

In addition to this signed affidavit, the contractor / vendor must provide the following:

1. All documents produced as a result of the work completed in the past or currently being worked on for the above-mentioned project; and,
2. Indicate if the information produced was obtained as a matter of public record (in the "sunshine") or through non-public (not in the "sunshine") conversation (s), meeting(s), document(s) and/or other means.

Failure to disclose all material or having an organizational conflict in one or more of the three categories above be identified, may result in the disqualification for future solicitations affiliated with the above referenced project(s).

By the signature below, the firm (employees, officers and/or agents) certifies, and hereby discloses, that, to the best of their knowledge and belief, all relevant facts concerning past, present, or currently planned interest or activity (financial, contractual, organizational, or otherwise) which relates to the project identified above has been fully disclosed and does not pose an organizational conflict.

FORM 10 – VENDOR DECLARATION STATEMENT

BOARD OF COUNTY COMMISSIONERS
Collier County Government Complex
Naples, Florida 34112

Dear Commissioners:

The undersigned, as Vendor declares that this response is made without connection or arrangement with any other person and this proposal is in every respect fair and made in good faith, without collusion or fraud. The Vendor hereby declares the instructions, purchase order terms and conditions, requirements, and specifications/scope of work of this solicitation have been fully examined and accepted.

The Vendor agrees, if this solicitation submittal is accepted, to execute a Collier County document for the purpose of establishing a formal contractual relationship between the firm and Collier County, for the performance of all requirements to which the solicitation pertains. The Vendor states that the submitted is based upon the documents listed by the above referenced Solicitation. **Further, the vendor agrees that if awarded a contract for these goods and/or services, the vendor will not be eligible to compete, submit a proposal, be awarded, or perform as a sub-vendor for any future associated with work that is a result of this awarded contract.**

IN WITNESS WHEREOF, WE have hereunto subscribed our names on this 9 day of September, 2024 in the County of Orange, in the State of Florida.

FORM 11- IMMIGRATION AFFIDAVIT CERTIFICATION

This Affidavit is required and should be signed, notarized by an authorized principal of the firm and submitted with formal solicitation submittals. Further, Vendors are required to be enrolled in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Vendor's bid. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company which will be produced at the time of the submission of the Vendor's bid or within five (5) day of the County's Notice of Recommend Award.

FAILURE TO EXECUTE THIS AFFIDAVIT CERTIFICATION AND SUBMIT WITH VENDOR'S PROPOSAL/BID MAY DEEM THE VENDOR NON-RESPONSIVE.

Collier County will not intentionally award County contracts to any Vendor who knowingly employs unauthorized alien workers, constituting a violation of the employment provision contained in 8 U.S.C. Section 1324 a(e) Section 274A(e) of the Immigration and Nationality Act ("INA").

Collier County may consider the employment by any Vendor of unauthorized aliens a violation of Section 274A (e) of the INA. Such Violation by the recipient of the Employment Provisions contained in Section 274A (e) of the INA shall be grounds for unilateral termination of the contract by Collier County.

Vendor attests that they are fully compliant with all applicable immigration laws (specifically to the 1986 Immigration Act and subsequent Amendment(s)) that it is aware of and in compliance with the requirements set forth in Florida Statutes §448.095, and agrees to comply with the provisions of the Memorandum of Understanding with E-Verify and to provide proof of enrollment in The Employment Eligibility Verification System (E-Verify), operated by the Department of Homeland Security in partnership with the Social Security Administration at the time of submission of the Vendor's proposal/bid.

E-Verify

E-VERIFY IS A SERVICE OF DHS AND SSA

Company ID Number: 1793153

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and DON WOOD INC (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

   a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

   a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

   b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the anti-discrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

   a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps
(see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance
(indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@uscis.dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin

E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case.

The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

   a. Scanning and uploading the document, or

   b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

DON WOOD, INC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☑ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) N/A

Exemption from FATCA reporting code (if any) N/A

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

6501 OLD WINTER GARDEN ROAD

Requester's name and address (optional)

6 City, state, and ZIP code

ORLANDO, FL 32835

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			-			-				

or

Employer identification number

5	9	-	1	1	6	7	8	0	5

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here | **Signature of U.S. person** ▶ [signature] | **Date** ▶ 1-17-24

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Addendum #2

Date: July 30, 2024

From: Matthew Webster, Procurement Strategist

To: Interested Bidders

Subject: Addendum #2 Solicitation # 24-8284 Caxambas Hurricane Ian Permanent Fuel Tank Installation

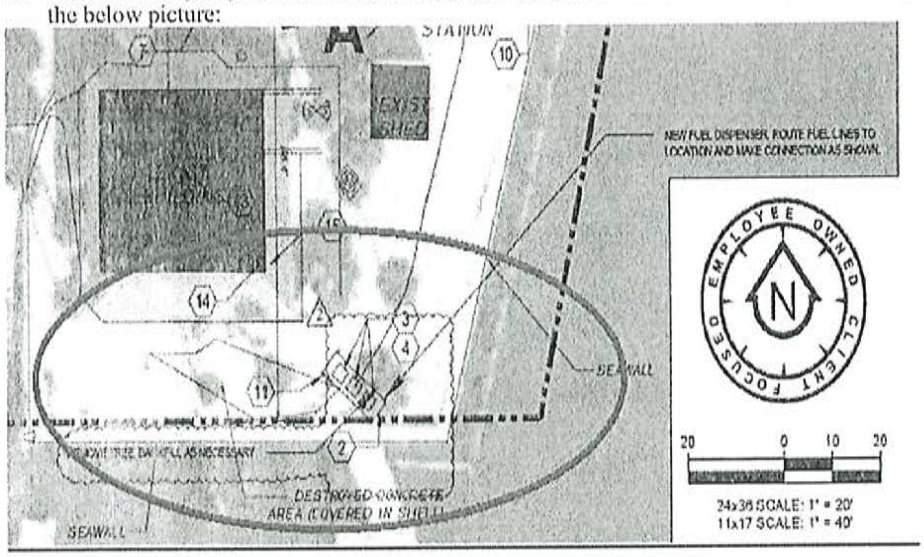
The following clarifications are issued as an addendum:

CHANGE 1- ~~Attachment D - 24-8284 - Exhibit M - CAXAMBAS CIVIL PLANS~~ is being replaced by **Attachment D - 24-8284 - Exhibit M - CAXAMBAS CIVIL PLANS Rev. 1**

Summary of Changes:

A. Addition to Sheet Key Notes
   - 18. Contractor to provide location of underground & above ground facilities via certified survey per 62.761 & 762

B. Relocated the pump location to agree with MEP plans as shown on Sheet 2 of the drawing and in the below picture:



CHANGE 2- ~~Attachment F - 24-8284 - Exhibit M - FUEL TANK PERMIT SET~~ is being replaced by **Attachment F - 24-8284 - Exhibit M – FUEL TANK PERMIT SET Rev. 1**

Summary of Changes:

F-1:
-Revised notes to indicate different size fuel lines.

-Revised notes for different length of hose at hose reels.
-Revised notes for a different transition sump.
-Added fuel line leak detection and that leak detection shall send signal to audible/visual alarm.
-Removed Note 27 from general notes (nozzle is no longer automatic closing type with latch open device).

F-2:
-Revised specification notes to modify dispenser to allow for 2 users at same time, utilizing multiple hose reels.
-Updated fuel line size references.
-Otherwise just re-worded specification notes for clarification.

F-3:
-Added reference to the line leak detection that is part of the Veeder Root system.

F-4:
-Updated elevation detail for Pressure Vacuum vent instead of atmospheric.
-Changed reference of the transition sump to be grade level.
-Added notes for the link leak detection as well as the pressure relief valve and tubing downstream of the solenoid valve.

F-5:
-Removed future dispenser and relocated other dispenser closer to fuel dock.
-Added second hose reel at dispenser.
-Updated fuel line sizing and routing from tank to dispenser.

CHANGE 3 - ~~Attachment C - 24-8284 - Exhibit M – CAXAMBAS ELECTRICAL~~ is being replaced by **Attachment C - 24-8284 - Exhibit M – CAXAMBAS ELECTRICAL Rev. 1**

Summary of Changes:

E-3:
-Shifted power for relocated dispenser.
-Removed power for future dispenser.

CHANGE 4 - ~~Attachment E - 24-8284 - Exhibit M – CAXAMBAS TANK STRUCTURAL~~ is being replaced by **Attachment E - 24-8284 - Exhibit M – CAXAMBAS STRUCTURAL Rev. 1**

Summary of Changes:

S2.0:
-Revised size of concrete pad at dispenser for additional hose reel.

Addendum #5

Date: August 15, 2024

From: Rita Iglesias, Procurement Strategist

To: Interested Bidders

Subject: Addendum #5 Solicitation #24-8284 Caxambas Hurricane Ian Permanent Fuel Tank Installation

This Addendum has been issued for the following items identifying clarifications, changes, deletions, and/or additions to the original solicitation documents and bid schedule for the above referenced solicitation:

Change 1:
Replace Fuel Drawings F-1, F-2, F-5 in supporting document "24-8464 Exhibit M – FUEL TANK PERMIT SET Rev.2". The changes to the documents are identified as "Key Notes" and/or circled.

Fuel Drawings

F-1:
-Revised fuel line sizes from 1-1/2" to 2".
F-2:
-Added note for tank finishes to be applied in an environmentally controlled environment.
F-5:
-Adjusted keynote in regard to the new Veeder root system replacement.
-Adjusted fuel line size from 1-1/2" to 2".

Change 2:
Added supplemental specifications for fuel tank finish/primer.

Now attached in Documents section.

Opengov Q&A:

Question 3: The plans are calling for a 10,000 Gallon tank made By Highland Tank. UL2085 is a specification by the "STI" Steel Tank Institute which has several licensed tank manufacturers that build these tanks based on their specification.

Are you wanting exclusively the tank made by Highland tank Manufacturer, or will you accept any licensed Tank Manufacturer that can build the tank. Please clarify.

Answer: Please refer to section 7 of exhibit H to the Construction Services Agreement.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner if sufficient information is submitted by Contractor to allow the Owner to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Contractor and all such requests must be submitted by Contractor to Project Manager within thirty (30) calendar days after Notice to Proceed is received by Contractor, unless otherwise mutually agreed in writing by Owner and Contractor.

Question 4: On page 3 of the plans you sent, Section A.3.e. calls for Continuous Statistical Leak Detection (CSLD) for line leak detection. While our system(Omntec)will provide EPA LLD compliance, we should not quote CSLD for the probes. That CSLD is generally used in UST's especially in C-Store applications where they want the probes constantly searching for tank leaks. Due to thermal expansion and contraction variables, both CSLD and VLD are not recommended for AST's. It will cause a failing report every time due to thermal conditions resulting in fuel variation. Omntec EMLLD (Electro mechanical line leak detection) will be perfect for this site. This varies slightly from the spec, but this is a system that will work much better than pressure, being that the line transitions from above ground to underground. Will the Omntec Fuel Management System be acceptable?

Answer: Please refer to section 7 of exhibit H to the Construction Services Agreement. (See answer to Question #3)

Question 5: The plans call for as 100-foot hoses, it does not specify the diameter, do you want 3/4" or 1" diameter, please clarify.

Answer: Per FDEP Rec-90 is not high flow for this location. It is ¾" nozzle.

Question 6: We would like to ask if you will accept the following Manufacturers for this project as equals.

1) Fuel Monitoring Controls Package= Omntec Tank Monitoring Systems https://www.omntec.com
2) Below Grade Fuel Piping= Omegaflex Doubletrac Flexible fuel piping https://www.doubletrac.net/slider/doubletrac
3) Transition Sump="PCI" Petroleum Containment Inc. https://www.petroleum-containment.com
4) Dispenser Sump="PCI" Petroleum Containment Inc. https://www.petroleum-containment.com
5) Fuel Dispenser= Bennett pump Co. https://bennettpump.com

Answer: Please refer to section 7 of exhibit H to the Construction Services Agreement. (See answer to Question #3)

EXHIBIT B – 1: PUBLIC PAYMENT BOND

Bond No. 101281813 Contract No. 24-8284

KNOW ALL MEN BY THESE PRESENTS: That Don Wood, Inc. as Principal/Contractor, and Merchants National Bonding, Inc., as Surety, located at 6700 Westown Parkway, West Des Moines, IA 50266-7754/PO Box 14498, Des Moines, IA 50306-3498 (Business Address) are held and firmly bound to Collier County Board of County Commissioners as Oblige in the sum of Seven Hundred Ninety Thousand Six Hundred Sixty-Eight Dollars & 00/100 ($ 790,668.00----------), this includes allowance for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors, and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the _ day of _____, 20___ with Oblige for Caxambas Hurricane Ian Permanent Fuel Tank Installation (Project) in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof and is referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

Promptly makes payment to all claimants as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the work provided for in the contract, then this bond is void; otherwise, it remains in full force.

Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect sureties' obligation under this Bond.

The provisions of this bond are subject to the time limitations of Section 255.0592. In no event will the Surety be liable in the aggregate to claimants for more than the penal sum of this Payment Bond, regardless of the number of suits that may be filed by claimants.

IN WITNESS WHEREOF, the above parties have executed this instrument this 9th day of December, 2024, the name of undersigned representative, pursuant to authority of its governing body.

EXHIBIT B-2: PUBLIC PERFORMANCE BOND

(Following This Page)

The attached Statutory Cover Page forms and becomes a part of this bond.

Executed in 2 Counterparts

EXHIBIT B – 2: PUBLIC PERFORMANCE BOND

Bond No. 101281813 Contract No. 24-8284

KNOW ALL MEN BY THESE PRESENTS: That Don Wood, Inc. as Principal/Contractor, and Merchants National Bonding, Inc., as Surety, located at 6700 Westown Parkway, West Des Moines, IA 50266-7754/PO Box 14498, Des Moines, IA 50306-3498 (Business Address) are held and firmly bound to Collier County Board of County Commissioners as Obligee in the sum of Seven Hundred Ninety Thousand Six Hundred Sixty-Eight Dollars & 00/100 ($ 790,668.00----------), in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to herein as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs, and attorneys' fees that Obligee sustains because of any default by Principal under the Contract, including, but not limited to, all delay damages, whether liquidated or actual, incurred by Obligee; and

3. Performs the guarantee of all work and materials furnished under the Contract for the time specified in the Contract, then this bond is void; otherwise, it remains in full force. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Sureties obligation under this Bond.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligations under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond. It is expressly understood that the time provisions and statute of limitations under Section 255.05, Florida Statutes, shall not apply to this bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penal sum of this Performance Bond regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this 9th day of December, 2024, the name of each party being affixed, and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

MERCHANTS BONDING COMPANY™

POWER OF ATTORNEY

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually, **Jeffrey W. Reich**

Surety Bond #: 101281813
Principal: Don Wood, Inc.
Obligee: The Board of County Commissioners of Collier County, Florida

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and aut hority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 5th day of DECEMBER, 2024.

EXHIBIT B-3: INSURANCE REQUIREMENTS

(Following This Page)

EXHIBIT B-3: INSURANCE REQUIREMENTS

The Contractor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth herein. The Contractor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work. The County and the Contractor waive against each other and the County's separate Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Contractor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Contractors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts. Collier County shall be responsible for purchasing and maintaining its own liability insurance. Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or the specific solicitation number/contract number and title. The General Liability Policy provided by Contractor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Contractor under this solicitation and shall contain a severability of interests provisions. The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth herein with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Contractor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Contractor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Contractor's sole responsibility. Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer. The Contractor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Contractor. The Contractor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Contractor from its insurer and nothing contained herein shall relieve Contractor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Contractor hereunder, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Contractor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Contractor for such coverage(s) purchased. If Contractor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Contractor under this Agreement or any other agreement between the County and Contractor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents. If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Contractor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Contractor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

Collier County Florida
Insurance and Bonding Requirements

Insurance / Bond Type	Required Limits
1. ☒ Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Federal Government Statutory Limits and Requirements Evidence of Workers' Compensation coverage or a Certificate of Exemption issued by the State of Florida is required. Entities that are formed as Sole Proprietorships shall not be required to provide a proof of exemption. An application for exemption can be obtained online at https://apps.fldfs.com/bocexempt/
2. ☒ Employer's Liability	**$_1,000,000____** single limit per occurrence
3. ☒ Commercial General Liability (Occurrence Form) patterned after the current ISO form	Bodily Injury and Property Damage **$_1,000,000____**single limit per occurrence, $2,000,000 aggregate for Bodily Injury Liability and Property Damage Liability. The General Aggregate Limit Shall be endorsed to apply per project. This shall include Premises and Operations; Independent Contractors; Products and Completed Operations and Contractual Liability.
4. ☒ Indemnification	To the maximum extent permitted by Florida law, the Contractor/Vendor shall defend, indemnify and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor/ Vendor or anyone employed or utilized by the Contractor/Vendor in the performance of this Agreement.
5. ☒ Automobile Liability	**$_1,000,000__** Each Occurrence; Bodily Injury & Property Damage, Owned/Non-owned/Hired; Automobile Included
6. ☒ Other insurance as noted:	☐ Watercraft **$** _____ Per Occurrence ☐ United States Longshoreman's and Harborworker's Act coverage shall be maintained where applicable to the completion of the work. **$** _____ Per Occurrence ☐ Maritime Coverage (Jones Act) shall be maintained where applicable to the completion of the work. **$** _____ Per Occurrence ☐ Aircraft Liability coverage shall be carried in limits of not less than $5,000,000 each occurrence if applicable to the completion of the Services under this Agreement. **$** _____ Per Occurrence ☒ **Pollution Liability** **$ 1,000,000** Per Occurrence ☐ Professional Liability **$** _____ Per claim & in the aggregate ☐ Project Professional Liability **$**_____ Per Occurrence ☐ Valuable Papers Insurance **$**_____ Per Occurrence ☐ Cyber Liability **$**_____ Per Occurrence ☐ Technology Errors & Omissions **$**_____ Per Occurrence

7.	☒ Bid bond	Shall be submitted with proposal response in the form of certified funds, cashiers' check or an irrevocable letter of credit, a cash bond posted with the County Clerk, or proposal bond in a sum equal to 5% of the cost proposal. All checks shall be made payable to the Collier County Board of County Commissioners on a bank or trust company located in the State of Florida and insured by the Federal Deposit Insurance Corporation.
8.	☒ Performance and Payment Bonds	For projects in excess of $200,000, bonds shall be submitted with the executed contract by Proposers receiving award, and written for 100% of the Contract award amount, the cost borne by the Proposer receiving an award. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall be rated as "A-" or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

9. ☒ Vendor shall ensure that all subcontractors comply with the same insurance requirements that he is required to meet. The same Vendor shall provide County with certificates of insurance meeting the required insurance provisions.

10. ☒ Collier County must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for Commercial General Liability where required. This insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Vendor's policy shall be endorsed accordingly.

11. ☒ The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

12. ☒ **On all certificates, the Certificate Holder must read:** Collier County Board of Commissioners, 3295 Tamiami Trail East, Naples, FL 34112

13. ☒ **Thirty (30) Days Cancellation Notice** required.

14. Collier County shall procure and maintain Builders Risk Insurance on all construction projects where it is deemed necessary. Such coverage shall be endorsed to cover the interests of Collier County as well as the Contractor. Premiums shall be billed to the project and the Contractor shall not include Builders Risk premiums in its project proposal or project billings. All questions regarding Builder's Risk Insurance will be addressed by the Collier County Risk Management Division.

GG – 6/20/24

Vendor's Insurance Acceptance

By submission of the bid Vendor accepts and understands the insurance requirements of these specifications, agrees to maintain these coverages through the duration of the agreement and/or work performance period, and that the evidence of insurability may be required within five (5) days of notification of recommended award of this solicitation.

STATE OF (_____)

Before me, the undersigned authority, personally appeared _____who after being duly sworn, deposes and says:

(1) In accordance with the Contract Documents and in consideration of $_____ to be received, _____ ("Contractor") releases and waives for itself and its subcontractors, material-men, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against the Board of County Commissioners of Collier County, Florida, relating in any way to the performance of the Agreement between Contractor and Owner, dated _____, 20____ for the period from _____ to _____. This partial waiver and release is conditioned upon payment of the consideration described above. It is not effective until said payment is received in paid funds.

(2) Contractor certifies for itself and its subcontractors, material-men, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which Owner might be sued or for which a lien or a demand against any payment bond might be filed, shall be fully satisfied and paid upon Owner's payment to Contractor.

(3) Contractor agrees to indemnify, defend and save harmless Owner from all demands or suits, actions, claims of liens or other charges filed or asserted against the Owner arising out of the performance by Contractor of the Work covered by this Release and Affidavit.

(4) This Release and Affidavit is given in connection with Contractor's [monthly/final] Application for Payment No. _____.

EXHIBIT H: GENERAL TERMS AND CONDITIONS

1. INTENT OF CONTRACT DOCUMENTS.

1.1 It is the intent of the Contract Documents to describe a functionally complete Project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization, or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in effect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2 If before or during the performance of the Work Contractor discovers a conflict, error or discrepancy in the Contract Documents, Contractor immediately shall report same to the Project Manager in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the Project Manager; said interpretation or clarification from the Project Manager may require Contractor to consult directly with Design Professional or some other third party, as directed by Project Manager. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3 Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the Project Manager. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

2. INVESTIGATION AND UTILITIES.

2.1 Subject to Section 2.3 below, Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Sub-Section 2.2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Contractor shall be responsible for properly shoring, supporting, and protecting all Utilities at all times during the course of the Work. The Contractor is responsible for coordinating all other utility work so as to not interfere with the prosecution of the Work (except those utilities to be coordinated by the Owner as may be expressly described elsewhere in the Contract Documents).

2.3 Notwithstanding anything in the Contract Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (ii) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, and which reasonably should not have been discovered by Contractor as part of its scope of site investigative services required pursuant to the terms of the Contract Documents, then Contractor shall provide Owner with prompt written notice thereof before conditions are disturbed and in no event later than three (3) calendar days after first observance of such conditions. Owner and Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in Contractor's cost of, or time required for, performance of any part of the Work, Owner will acknowledge and agree to an equitable adjustment to Contractor's compensation or time for performance, or both, for such Work. If Owner determines that the conditions at the site are not materially different from those indicated in the Contract Documents or not of an unusual nature or should have been discovered by Contractor as part of its investigative services, and that no change in the terms of the Agreement is justified, Owner shall so notify Contractor in writing, stating its reasons. Claims by Contractor in opposition to such determination by Owner must be made within seven (7) calendar days after Contractor's receipt of Owner's written determination notice. If Owner and Contractor cannot agree on an adjustment to Contractor's cost or time of performance, the dispute resolution procedure set forth in the Contract Documents shall be complied with by the parties.

3. SCHEDULE.

3.1 The Contractor, within ten (10) calendar days after the Board's award of the Agreement, shall prepare and submit to Project Manager, for their review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule shall relate to all Work required by the Contract Documents and shall utilize the Critical Path method of scheduling and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

3.2 The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the Project Manager's review and approval. Contractor shall submit the updates to the Progress Schedule with its monthly Applications for Payment noted below. The Project Manager's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the Owner's obligation to pay Contractor.

3.3 All work under this Agreement shall be performed in accordance with the requirements of all Collier County Noise Ordinances then in effect. Unless otherwise specified, work will generally be

limited to the hours of 7 a.m. to 7 p.m., Monday through Saturday. No work shall be performed outside the specified hours without the prior approval of the Project Manager.

4. PROGRESS PAYMENTS.

4.1 At least ten (10) days prior to submitting the monthly Application for Payment, the Contractor shall submit to the Project Manager a final Schedule of Values. The Schedule of Values shall be satisfactory in form and substance to the Project Manager and shall subdivide the Work into component parts in sufficient detail to serve as the basis for measuring quantities in place and calculating amounts for the Contractor's monthly progress payments during construction. Further, it shall include the list of its Subcontractors and materialmen submitted with its Bid showing the work and materials involved and the dollar amount of each subcontract and purchase order. Contractor acknowledges and agrees that any modifications to the list of Subcontractors submitted with Contractor's Bid and any subsequently identified Subcontractors are subject to Owner's prior written approval.

Unsupported or unreasonable allocation of the Contract Price to any one activity shall be justification for rejection of the Schedule of Values. The Contractor shall not submit an unbalanced Schedule of Values which provides for overpayment to the Contractor on activities that would be performed first. The Schedule of Values shall be revised and resubmitted until acceptable to the Project Manager. Once the schedule has been accepted by the Project Manager, the Owner reserves the right (at its option) throughout the Contract to require that the Contractor honor a particular price contained in the Schedule of Values, if the activity pertaining to it is being deleted or modified. Upon approval of the Schedule of Values by the Project Manager, it shall be incorporated into the form of Application for Payment attached to the Agreement as Exhibit D and shall be used as the basis for the Contractor's monthly Applications for Payment. The schedule shall be updated and submitted each month along with a completed copy of the Application for Payment form signed by the Contractor's authorized representative.

4.2 The first Application for Payment shall be submitted no earlier than thirty (30) days after the Commencement Date, and monthly thereafter, but not more often than once a month or prior to substantial completion being met. Notwithstanding anything herein to the contrary, if approved by Owner in its sole discretion, Contractor may submit its invoice for any required Payment and Performance Bonds prior to the first Application of Payment provided that Contractor has furnished Owner certified copies of the receipts evidencing the premium paid by Contractor for the bonds.

4.3 Unless expressly approved by Owner in advance and in writing, said approval at Owner's sole discretion, Owner is not required to make any payment for materials or equipment that have not been incorporated into the Project. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the Owner in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the Owner has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect Owner's interest therein, all of which shall be subject to the Owner's satisfaction. Thereafter, with each Application for Payment, Contractor also shall complete and submit to Owner as part of its Application for Payment, the Stored Materials Record form attached hereto and made a part hereof as Exhibit D-3.

4.4 Contractor shall submit its monthly Application for Payment to the Project Manager or his or her designee, as directed by Owner (which designee may include the Design Professional). Within twenty (20) business days after the date of each Application for Payment is stamped as received, and within the timeframes set forth in Section 218.735 F.S., the Project Manager, or Design Professional, shall either: (1) Indicate its approval of the requested payment; (2) indicate its approval of only a portion of the requested payment, stating in writing its reasons therefor; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. Payments of proper invoices shall be processed in accordance with Section 218.735, F.S. and the terms of the Contract Documents.

4.5 In the event of a total denial by Owner and return of the Application for Payment by the Project Manager, the Contractor may make the necessary corrections and re-submit the Application for Payment. The Owner shall, within ten (10) business days after the Application for Payment is stamped and received and after Project Manager approval of an Application for Payment, pay the Contractor the amounts so approved.

4.6 Owner shall withhold retainage on the gross amount of each monthly progress payment in the amount of five percent (5%), as permitted by Section 255.078, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 255.078, Florida Statutes. Any reduction in retainage below the maximum amount set forth in Section 255.078, Florida Statutes shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until final payment is due unless otherwise agreed to by the Owner in accordance with Florida Statute 255.078. Any interest earned on retainage shall accrue to the benefit of the Owner.

4.7 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's Work.

4.8 Each Application for Payment, subsequent to the first pay application, shall be accompanied by a Release and Affidavit, in the form attached as Exhibit C, acknowledging Contractor's receipt of payment in full for all materials, labor, equipment and other bills that are then due and payable by Owner with respect to the current Application for Payment. Further, to the extent directed by Owner and in Owner's sole discretion, Contractor shall also submit a Release and Affidavit from each Subcontractor, sub-subcontractor, or supplier in the form attached as Exhibit C acknowledging that each Subcontractor, sub-subcontractor, or supplier has been paid in full through the previous month's Application for Payment. The Owner shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.9 Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule.

4.10 Notwithstanding anything in the Contract Documents to the contrary, Contractor acknowledges and agrees that in the event of a dispute concerning payments for Work performed under this Agreement, Contractor shall continue to perform the Work required of it under this Agreement pending resolution of the dispute provided that Owner continues to pay Contractor all amounts that Owner does not dispute are due and payable.

4.11 Payments will be made for services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-

payment under the legal doctrine of "laches" as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this agreement.

4.12 The Owner may, at its discretion, use VISA/MASTER card credit network as a payment vehicle for goods and/or services purchased as a part of this contract. The Owner may not accept any additional surcharges (credit card transaction fees) as a result of using the Owner's credit card for transactions relating to this agreement.

5. PAYMENTS WITHHELD.

5.1 The Project Manager may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections that reveal non-compliance with the Contract Documents. The Project Manager may nullify the whole or any part of any approval for payment previously issued and Owner may withhold any payments otherwise due Contractor under this Agreement or any other agreement between Owner and Contractor, to such extent as may be necessary in the Owner's opinion to protect it from loss because of:

(a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents by Contractor.

5.2 If any conditions described in 5.1. are not remedied or removed, Owner may, after three (3) days written notice, rectify the same at Contractor's expense. Provided however, in the event of an emergency, Owner shall not be required to provide Contractor any written notice prior to rectifying the situation at Contractor's expense. Owner also may offset against any sums due Contractor the amount of any liquidated or non-liquidated obligations of Contractor to Owner, whether relating to or arising out of this Agreement or any other agreement between Contractor and Owner.

5.3 In instances where the Contractor may owe debts (including, but not limited to taxes or other fees) to Collier County and the contractor has not satisfied nor made arrangement to satisfy these debts, the County reserves the right to off-set the amount owed to the County by applying the amount owed to the vendor or contractor for services performed of for materials delivered in association with a contract.

5.4 If a subcontractor is a related entity to the Contractor, then the Contractor shall not mark-up the subcontractor's fees. A related entity shall be defined as any Parent or Subsidiary of the Company and any business, corporation, partnership, limited liability company or other entity in which the Company or a Parent or a Subsidiary of the Company holds any ownership interest, directly or indirectly.

6. FINAL PAYMENT.

6.1 Owner shall make Final Payment to Contractor in accordance with Section 218.735, F.S. and the terms of the Contract Documents after the Work is finally inspected and accepted by Project Manager as set forth with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to Final Payment, shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as, a duly executed copy of the Surety's consent to Final Payment and such other

documentation that may be required by the Contract Documents and the Owner. Prior to release of Final Payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Acceptance and Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G.

6.2 Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner if sufficient information is submitted by Contractor to allow the Owner to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Contractor and all such requests must be submitted by Contractor to Project Manager within thirty (30) calendar days after Notice to Proceed is received by Contractor, unless otherwise mutually agreed in writing by Owner and Contractor.

7.3 If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the Project Manager for acceptance thereof, certifying that the proposed substitute shall adequately perform the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with Owner for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the Project Manager in evaluating the proposed substitute. The Project Manager may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the Project Manager, if Contractor submits sufficient information to allow the Project Manager to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the Project Manager shall be the same as those provided herein for substitute materials and equipment.

7.5 The Project Manager shall be allowed a reasonable time within which to evaluate each proposed substitute and, if need be, to consult with the Design Professional. No substitute will be ordered, installed or utilized without the Project Manager's prior written acceptance which shall be evidenced by a Change Order, a Work Directive Change, a Field Order or an approved Shop Drawing. The Owner may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute. The Project Manager will record time required by the Project Manager and the Project Manager's consultants in evaluating substitutions proposed by Contractor and making changes in the Contract Documents occasioned thereby. Whether or not the Owner accepts a proposed substitute, Contractor shall reimburse Owner for the charges of the Design Professional and the Design Professional's consultants for evaluating each proposed substitute.

8. DAILY REPORTS, SIGNED AND SEALED AS-BUILTS AND MEETINGS.

8.1 Unless waived in writing by Owner, Contractor shall complete and submit to Project Manager on a weekly basis a daily log of the Contractor's work for the preceding week in a format approved by the Project Manager. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

8.1.1 Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;

8.1.2 Soil conditions which adversely affect the Work;

8.1.3 The hours of operation by Contractor's and Sub-Contractor's personnel;

8.1.4 The number of Contractor's and Sub-Contractor's personnel present and working at the Project site, by subcontract and trade;

8.1.5 All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

8.1.6 Description of Work being performed at the Project site;

8.1.7 Any unusual or special occurrences at the Project site;

8.1.8 Materials received at the Project site;

8.1.9 A list of all visitors to the Project

8.1.10 Any problems that might impact either the cost or quality of the Work or the time of performance.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to Owner pursuant to the Contract Documents.

8.2 Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Work Directive Changes and Field Orders, as well as all written interpretations and clarifications issued by the Design Professional, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit, and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to the Project Manager or Design Professional for reference. Upon completion of the Work and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to Project Manager by Contractor for Owner.

8.3 Contractor shall keep all records and supporting documentation, which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, or such longer period as may be required by law, whichever is later, pursuant to Florida Public Records Law Chapter 119 and comply with specifically those contractual requirements in 119.0701(2)(a)-(b) as follows:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Division of Communications, Government and Public Affairs
3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8999
Email: PublicRecordRequest@colliercountyfl.gov

The Contractor must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. CONTRACT TIME AND TIME EXTENSIONS.

9.1 Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents, and the coordination of Owner's suppliers and contractors as set forth in Paragraph 12.2. herein.

9.2 Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of Nature or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulation, strikes or lockouts, Contractor shall notify the Owner in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which Owner may be responsible, in whole or in part, shall relieve Contractor of its duty to perform or give rise to any right to damages or additional compensation from Owner. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against Owner will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4 In no event shall any approval by Owner authorizing Contractor to continue performing Work under this Agreement or any payment issued by Owner to Contractor be deemed a waiver of any right or claim Owner may have against Contractor for delay damages hereunder.

10. CHANGES IN THE WORK.

10.1 Owner shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of Owner in the form of a Work Directive, Exhibit E-2, and Owner shall not be liable to the Contractor for any increased compensation without such

written order. No officer, employee or agent of Owner is authorized to direct any extra or changed work orally. Any alleged changes must be approved by Owner in writing prior to starting such items. Owner will not be responsible for the costs of any changes commenced without Owner's express prior written approval. Failure to obtain such prior written approval for any changes will be deemed: (i) a waiver of any claim by Contractor for such items and (ii) an admission by Contractor that such items are in fact not a change but rather are part of the Work required of Contractor hereunder.

10.2 A Change Order, in the form attached as Exhibit E to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and Owner concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount and Contract Time shall be adjusted in the Change Order in the manner as Owner and Contractor shall mutually agree.

10.3 If Owner and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by Owner in a written Work Directive. In that event, the Contract Amount and Contract Time shall be adjusted as directed by Owner. If Contractor disagrees with the Owner's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4 In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above. No markup shall be placed on sales tax, shipping or subcontractor markup.

10.5 Owner, or any duly authorized agents or representatives of the County, shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Payment Application, Change Order or Work Directive Change.

10.6 The Project Manager shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount or an extension to the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

10.7 Any modifications to this Contract shall be in compliance with the County Procurement Ordinance, as amended and the terms of the Contract Documents in effect at the time such modifications are authorized.

11. CLAIMS AND DISPUTES.

11.1 Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and

matters in question between Owner and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2 Claims by the Contractor shall be made in writing to the Project Manager within forty-eight (48) hours from when the Contractor knew or should have known of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the Project Manager within fifteen (15) calendar days after the occurrence of the event, unless the Owner grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3 The Contractor shall proceed diligently with its performance as directed by the Owner, regardless of any pending Claim, action, suit, or administrative proceeding, unless otherwise agreed to by the Owner in writing. Owner shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

12. OTHER WORK.

12.1 Owner may perform other work related to the Project at the site by Owner's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, written notice thereof will be given to Contractor prior to starting any such other work. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to Owner and Design Professional within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2 Contractor shall afford each utility owner and other contractor who is a party to such a direct contract (or if Owner is performing the additional work with Owner's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting, and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work and will only cut or alter their work with the written consent of the Project Manager and the others whose work will be affected. The duties and responsibilities of Contractor under this paragraph are for the benefit of such utility owners and other Contractors to the extent that there are comparable provisions for the benefit of Contractor in said direct contracts between Owner and such utility owners and other contractors.

12.3 If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or Owner), Contractor shall inspect and promptly report to Project Manager in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

13. INDEMNIFICATION AND INSURANCE.

13.1 To the maximum extent permitted by Florida law, the Contractor shall defend, indemnify, and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses

and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement.

13.2 The duty to defend under this Article 13 is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Contractor, Owner, and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to Contractor. Contractor's obligation to indemnify and defend under this Article 13 will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the Owner or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

13.3 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in the Insurance and Bonding Requirements form Exhibit B-3 to the Agreement. Further, the Contractor shall at all times comply with all of the terms, conditions, requirements and obligations set forth under Exhibit B-3.

14. COMPLIANCE WITH LAWS.

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify Project Manager in writing. To the extent any law, rule, regulation, code, statute, or ordinance requires the inclusion of certain terms in this Agreement in order for this Agreement to be enforceable, such terms shall be deemed included in this Agreement. Notwithstanding anything in the Contract Documents to the contrary, it is understood and agreed that in the event of a change in any applicable laws, ordinances, rules or regulations subsequent to the date this Agreement was executed that increases the Contractor's time or cost of performance of the Work, Contractor is entitled to a Change Order for such increases, except to the extent Contractor knew or should have known of such changes prior to the date of this Agreement.

14.2 By executing and entering into this agreement, the Contractor is formally acknowledging without exception or stipulation that it is fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the Contractor to comply with the laws referenced herein shall constitute a breach of this agreement and the County shall have the discretion to unilaterally terminate this agreement immediately.

14.3 Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States, including the requirements set forth in Florida Statute, §448.095.

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program will be used for Collier County formal Invitations to Bid (ITB) and Request for Proposals (RFP) including professional services and construction services.

Contractors / Bidders are required to enroll in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Contractor's/bidder's proposal. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. Contractors are also required to provide the Collier County Procurement Services Division an executed affidavit certifying they shall comply with the E-Verify Program. The affidavit is attached to the solicitation documents. **If the Bidder/Contractor does not comply with providing both the acceptable E-Verify evidence and the executed affidavit the bidder's / Contractor's proposal may be deemed non-responsive.**
Additionally, Contractors shall require all subcontracted Contractors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: http://www.dhs.gov/E-Verify. It shall be the Contractor's responsibility to familiarize themselves with all rules and regulations governing this program.

Contractor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained within this affidavit. Failure by the awarded firm(s) to comply with the laws referenced herein or the provisions of this affidavit shall constitute a breach of the award agreement and the County shall have the discretion to unilaterally terminate said agreement immediately.

15. CLEANUP AND PROTECTIONS.

15.1 Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surplus materials, and shall leave the Project site clean and ready for occupancy by Owner.

15.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Subject to the Section 2.3 above, any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

16. ASSIGNMENT.

16.1 Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of Owner. Any attempt to assign or otherwise transfer this Agreement, or any part herein, without the Owner's consent, shall be void. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward Owner.

17. PERMITS, LICENSES AND TAXES.

17.1 Pursuant to Section 218.80, F.S., Owner will pay for all Collier County permits and fees, including license fees, permit fees, impact fees or inspection fees applicable to the Work through an internal budget transfer(s). Contractor is not responsible for paying for permits issued by Collier County, but Contractor is responsible for acquiring all permits. Owner may require the Contractor to deliver internal budget transfer documents to applicable Collier County agencies when the Contractor is acquiring permits. Owner will not be obligated to pay for any permits obtained by Subcontractors.

17.2 All permits, fees and licenses necessary for the prosecution of the Work which are not issued by Collier County shall be acquired and paid for by the Contractor.

17.3 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

18. TERMINATION FOR DEFAULT.

18.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for Owner to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the Project Manager or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2 Owner shall notify Contractor in writing of Contractor's default(s). If Owner determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice or such longer period of time as may be consented to by Owner in writing and in its sole discretion, then Owner, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose.

18.3 If Owner deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All moneys expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorneys' fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the Owner to complete the Work, such excess

CAO

shall be paid to the Contractor. The amount to be paid to the Contractor or Owner, as the case may be, shall be approved by the Project Manager, upon application, and this obligation for payment shall survive termination of the Agreement.

18.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Contractor provided herein, then the termination will be deemed a termination for convenience and Contractor's remedies against Owner shall be the same as and limited to those afforded Contractor under Section 19 below.

18.6 In the event (i) Owner fails to make any undisputed payment to Contractor within thirty (30) days after such payment is due or Owner otherwise persistently fails to fulfill some material obligation owed by Owner to Contractor under this Agreement, and (ii) Owner has failed to cure such default within fourteen (14) days of receiving written notice of same from Contractor, then Contractor may stop its performance under this Agreement until such default is cured, after giving Owner a second fourteen (14) days written notice of Contractor's intention to stop performance under the Agreement. If the Work is so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the Contractor or its Subcontractors or their agents or employees or any other persons performing portions of the Work under contract with the Contractor or any Subcontractor, the Contractor may terminate this Agreement by giving written notice to Owner of Contractor's intent to terminate this Agreement. If Owner does not cure its default within fourteen (14) days after receipt of Contractor's written notice, Contractor may, upon fourteen (14) additional days' written notice to the Owner, terminate the Agreement and recover from the Owner payment for Work performed through the termination date, but in no event shall Contractor be entitled to payment for Work not performed or any other damages from Owner.

19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

19.1 Owner shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2 Owner shall have the right to suspend all or any portions of the Work upon giving Contractor not less than two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exdusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds six (6) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

CAO

20. COMPLETION.

Substantial Completion and Development of the Punch List

20.1 Substantial Completion is as defined in the Defined Terms section of this Agreement. When the Contractor believes Substantial Completion has been achieved, it shall certify in writing to the Project Manager that the Project is Substantially Complete in accordance with the Contract Documents and request the Project Manager to inspect the Work and to issue a Certificate of Substantial Completion. Prior to making such a request the Contractor must:

a) Complete all Work necessary for the safe, proper and complete use or operation of the Project as intended, including: all regulatory agency requirements are satisfied, including occupancy permits; operating certificates and similar releases; all operational testing has successfully occurred; all required training has successfully occurred; all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports test logs, operational manuals, etc.) have been provided by Contractor and accepted by Owner.

b) Prepare a Contractor-generated punch list (i.e., a list of all items required to render the Project complete, satisfactory, and acceptable, for submission with the request for inspection and issuance of a certificate of Substantial Completion), which shall include and list separately the estimated cost to complete each remaining unfinished item included on the list with an explanation as to the basis for those costs, substantiated by the Schedule of Values, subject to the Owner's final review and approval as stated below.

c) Upon receipt of the request from the Contractor, the Project Manager, assisted by the Professional, if any, and other Owner personnel, as appropriate, shall review the request, the Work and the Contractor-generated Punch List to determine whether the Work is ready for Substantial Completion inspection. If this review fails to support Substantial Completion inspection, the Project Manager shall so notify the Contractor citing the reasons for rejection. If the Project Manager and Professional (if any) determine the Work is ready for Substantial Completion inspection, the following procedures will be followed:

1. The Project Manager will, within a reasonable time, schedule, and conduct inspection(s) of the Work with the Professional (if any), other Owner personnel as required, and the Contractor for the purpose of formally reviewing the status of completion of the Work, the readiness of the Project for use and the Contractor-generated Punch List. A copy of the Contractor-generated punch list will be provided to all participants and any additional items noted during the inspection will be added to the list. The Project Manager, the Professional, their representatives and other Owner representatives will review the Work and the Contractor-generated punch list to assure all deficiencies are noted on a final document (Exhibit F-3 Punch List Form). The Punch List must include all items required to render the Project complete, satisfactory and acceptable. If Project Manager and Contractor disagree on whether an item belongs on the Punch List, the Project Manager has the final say on whether the item is included or not. The Punch List shall be finalized and issued to the Contractor by the Owner within the time frames indicated below.

CAO

2. If upon completion of the inspection(s) the Owner does not consider the Project Substantially Complete, the Project Manager will notify the Contractor in writing giving reasons why the Project is not Substantially Complete.

3. If, upon completion of the inspection(s), the Owner considers the Project Substantially Complete, the Project Manager shall prepare a Certificate of Substantial Completion to establish the date for Substantial Completion as the date of the completed inspection(s). The Certificate of Substantial Completion shall be approved by the Owner upon the signature of both the Project Manager and the Professional and shall be issued to the Contractor. The Certificate shall fix the date of Substantial Completion.

4. Substantial Completion cannot occur until all conditions necessary for safe and proper use, occupancy, maintenance, and operations are in place.

20.2 Time Frames for Issuance of the Punch List

(a) The Owner shall issue the Punch List to the Contractor within the time frames described below, provided that the Contractor has completed its obligations in providing a proper contractor-generated Punch List prior to the Substantial Completion inspection.

(b) For construction estimated to cost less than ten million dollars ($10,000,000.00), the Punch List must be finalized within thirty (30) Days after the Substantial Completion date.

(c) For construction projects estimated to cost more than ten million dollars ($10,000,000.00), the Punch List must be finalized and issued within forty-five (45) Days after the Substantial Completion date.

(d) For construction projects involving more than one building or structure or multiple phases, the Punch List must be prepared for each building, structure or phase within thirty (30) Days of the Substantial Completion date of a particular building, structure or phase if it is estimated to cost less than ten million dollars ($10,000,000.00) or within forty-five (45) Days if it is estimated to cost more than ten million dollars ($10,000,000.00).

(e) If the development of the Punch List takes the full amount of time designated (or a portion thereof) and includes a tentative punch-list based upon the above dollar amount thresholds, the delivery of the Punch List of items shall be delivered by the Owner no later than five (5) business days thereafter. Within twenty (20) business days after the delivery of the Punch List to the Contractor, the Owner must pay the Contractor the remaining contract balance owed, that includes all retainage previously withheld by Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List. At the same time the Owner delivers the Punch List Contractor shall submit a payment application requesting that Owner pay the Contractor the remaining contract balance owed including all retainage previously held by Owner less an

amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List.

(f) The failure to include any corrective work or pending items not yet completed on the Punch List does not alter the responsibility of Contractor to complete all the construction services purchased pursuant to the Contract Documents.

(g) Owner shall have the right to exclude Contractor from the Work and Project site (or designated portion thereof) after the date of Substantial Completion, but Owner shall allow Contractor reasonable access to complete or correct items on the Punch List. The Project Manager, shall coordinate with the Contractor the return of any surplus assets, including materials, supplies, and equipment.

20.3 Completion of Punch List Work and Release of Remaining Contract Balance

(a) Upon completion of the Punch List Work, the Contractor shall certify in writing to the Project Manager that all Punch List Work has been completed in accordance with the Contract Documents and request the Project Manager to inspect the Work and to approve Punch List completion. If, in the Project Manager's opinion, the Work is not ready for such inspection, the Project Manager will so inform the Contractor, giving reasons for such opinion. If the Project Manager is satisfied that an inspection is warranted, the Project Manager will, within a reasonable time, schedule and conduct inspection(s) of the facility with representatives of the Owner's user department, the Professional (if any), and the Contractor, for the purpose of formally reviewing the completion of Punch List Work. If the Project Manager and the Contractor disagree on whether an item remains incomplete, the Project Manager has the final say on whether the item is complete or not.

(b) If, upon completion of the inspection(s) the Owner does not consider the Punch List Work complete, the Project Manager will notify the Contractor in writing giving specific reasons why the Punch List Work is not complete.

(c) Upon completion of all items on the Punch List, the Contractor may submit a Payment Request for the remaining amount withheld by the Owner. If a good-faith dispute exists as to whether one or more items identified on the list have been completed pursuant to the Contract Documents, the Owner may continue to withhold an amount not to exceed one hundred and fifty percent (150%) of the total costs to complete such items. This remaining balance of retainage may be requested by the Contractor in its Application for Final Payment after Final Acceptance of the Work by Owner (Exhibit F-2 Certificate of Final Completion).

(d) All items that require correction under the Contract Documents and that are identified after the preparation and delivery of the Punch List shall remain the obligation of the Contractor.

(e) Warranty Items may not affect the Final Payment of retainage pursuant to Section 218.735(7)(f), Florida Statutes.

(f) If the Owner fails to comply with its responsibilities to assist in developing the Punch List within the time frame applicable to the Project (as described above), the Contractor may submit a request for all remaining retainage withheld by the Owner. The Owner need not pay or process any payment request for retainage if Contractor has, in whole or part, failed to cooperate with the Owner in development of the Punch List or failed to perform its contractual responsibilities with regard to development of the Punch List. Additionally, the Owner does not have to pay or release any amounts that are the subject of a good-faith dispute, the subject of a claim brought pursuant to Section 255.05, Florida Statutes, or otherwise the subject of a claim or demand by the Owner or Contractor.

20.4 Final Completion

(a) Upon written notice from the Contractor that the Project is complete, the Project Manager shall schedule a final inspection with the Contractor, the Design Professional, and any other personnel requested by the Project Manager. The Project Manager shall notify the Contractor in writing of any Work this inspection reveals to be defective, or otherwise not in accordance with the Contract Documents. The Contractor shall immediately take such action as may be necessary to remedy such defects and bring the Project into full compliance with the Contract Documents and then request another inspection.

(b) Final Completion of the Work shall be achieved by the Contractor when all the Work required under the Contract Documents has been satisfactorily completed, including all Punch List work, and specifically as noted in the Specifications section.

(c) After the Project Manager has determined that all Work has been completed, the Project Manager will issue a Certificate of Final Completion Exhibit F-2 for the Work.

20.5 Application for Final Payment

After the Certificate of Final Completion, Exhibit F-2 for the Work has been issued by the Project Manager, the Contractor may make Application for Final Payment following the procedure for progress payments. As an explicit condition precedent to the accrual of Contractor's right to Final Payment, Contractor shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as a duly executed copy of the Surety's consent to Final Payment and such other documentation that may be required by the Contract Documents, including but not limited to:

(1) Receipt of Contractor's Final Application for Payment.
(2) The Release and Affidavit in the form attached as Exhibit C.
(3) Consent of surety to Final Payment.
(4) Receipt of the Final Payment Check list, Exhibit G-1.
(5) If required by Owner, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by Owner.

CAO

Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after Substantial Completion, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from Owner. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work which may be damaged as a result of such replacement or repair. Further, in the event of an emergency, Owner may commence to correct any defective Work, without prior notice to Contractor, at Contractor's expense. These warranties are in addition to those implied warranties to which Owner is entitled as a matter of law.

21.2 No later than 30 days prior to expiration of the warranty, the Project Manager, or another representative of the Owner, shall conduct an inspection of the warranted work to verify compliance with the requirements of the Agreement. The Contractor's Representative shall be present at the time of inspection and shall take remedial actions to correct any deficiencies noted in the inspection. Failure of the Contractor to correct the cited deficiencies shall be grounds for the Owner to disqualify the Contractor from future bid opportunities with the Owner, in addition to any other rights and remedies available to Owner.

22 TESTS AND INSPECTIONS.

22.1 Owner, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide Project Manager with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2 If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish Project Manager the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the Project Manager.

22.3 Contractor is responsible, without reimbursement from Owner, for re-inspection fees and costs; to the extent such re-inspections are due to the fault or neglect of Contractor.

22.4 If any Work that is to be inspected, tested or approved is covered without written concurrence from the Project Manager, such work must, if requested by Project Manager, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given Project Manager timely notice of Contractor's intention to cover the same and Project Manager has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from Project Manager, such Work must, if requested by Project Manager, be uncovered for Project Manager's observation, and be replaced at Contractor's sole expense.

22.5 The Owner shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by Owner in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday, or holidays.

Prior to release of Final Payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G-1.

20.6 Approval of Final Payment

(a) If, on the basis of the Project Manager's observations and review of Work during Construction, final inspection, and review of the Application for Final Payment (all as required by the Contract Documents), the Project Manager is satisfied that the Work has been completed and the Contractor has fulfilled all of its obligations under the Contract Documents, the Project Manager will, within ten (10) days after receipt of the Application for Final Payment, indicate in writing that the entire remaining balance is found to be due and payable to the Contractor and approve payment. Otherwise, the Project Manager will return the Application to the Contractor, indicating in writing the reason for refusing to approve for Final Payment, in which case the Contractor will make the necessary corrections and resubmit the Application. Owner reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though the Design Professional may have issued its recommendations.

(b) Contractor's acceptance of Final Payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

(c) The Contractor's obligation to perform the Work and complete the Project in accordance with the Contract Documents shall be absolute. Neither approval of any progress or Final Payment, the issuance of a Certificate of Substantial Completion, any payment by the Owner to the Contractor under the Contract Documents, any use or occupancy of the Project or any part thereof by the Owner, the issuance of a Final Completion, any act of acceptance by the Owner, any failure to do so, nor any correction of defective Work by the Owner shall constitute an acceptance of Work not in accordance with the Contract Documents.

21. WARRANTY.

21.1 Contractor shall obtain and assign to Owner all express warranties given to Contractor or any subcontractors by any subcontractor or material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to Owner that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to Owner that all materials and equipment furnished under the Contract

22.6 Neither observations nor other actions by the Project Manager or Design Professional nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

23. DEFECTIVE WORK.

23.1 Work not conforming to the requirements of the Contract Documents or any warranties made or assigned by Contractor to Owner shall be deemed defective Work. If required by Project Manager, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or if the defective Work has been rejected by Project Manager, remove it from the site and replace it with non-defective Work. Contractor shall bear all direct, indirect, and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys, and other professionals) made necessary thereby, and shall hold Owner harmless for same.

23.2 If the Project Manager considers it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others and such Work is not otherwise required to be inspected or tested, Contractor, at Project Manager's request, shall uncover, expose or otherwise make available for observation, inspection or tests as Project Manager may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect, and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys, and other professionals), and Owner shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension to the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3 If any portion of the Work is defective, or if Contractor fails to supply sufficient skilled workers, suitable materials or equipment or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, Project Manager may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated. The right of Project Manager to stop the Work shall be exercised, if at all, solely for Owner's benefit and nothing herein shall be construed as obligating the Project Manager to exercise this right for the benefit of Design Engineer, Contractor, or any other person.

23.4 Should the Owner determine, at its sole opinion, it is in the Owner's best interest to accept defective Work, the Owner may do so. Contractor shall bear all direct, indirect, and consequential costs attributable to the Owner's evaluation of and determination to accept defective Work. If such determination is rendered prior to Final Payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents, and reflecting an appropriate decrease in the Contract Amount. If the Owner accepts such defective Work after Final Payment, Contractor shall promptly pay Owner an appropriate amount to adequately compensate Owner for its acceptance of the defective Work.

23.5 If Contractor fails, within a reasonable time after the written notice from Project Manager, to correct defective Work or to remove and replace rejected defective Work as required by Project Manager or Owner, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, Owner may, after seven (7) days written notice to Contractor, correct and remedy any such deficiency. Provided, however, Owner shall not be required to give notice to Contractor in the event

of an emergency. To the extent necessary to complete corrective and remedial action, Owner may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which Owner has paid Contractor but which are stored elsewhere. Contractor shall allow Owner, Design Professional and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable Owner to exercise the rights and remedies under this paragraph. All direct, indirect, and consequential costs of Owner in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect, and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal, or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by Owner of Owner's rights and remedies hereunder.

24. SUPERVISION AND SUPERINTENDENTS.

24.1 Contractor shall plan, organize, supervise, schedule, monitor, direct and control the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall be subject to Owner's approval and not be replaced without prior written notice to Project Manager except under extraordinary circumstances. The superintendent shall be employed by the Contractor and be the Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. Owner shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause. Attached to the Agreement as Exhibit A-3 is a list identifying Contractor's Project Superintendent and all of Contractor's key personnel who are assigned to the Project; such identified personnel shall not be removed without Owner's prior written approval, and if so removed must be immediately replaced with a person acceptable to Owner.

24.2 Contractor shall have a competent superintendent on the project at all times whenever Contractor's work crews, or work crews of other parties authorized by the Project Manager are engaged in any activity whatsoever associated with the Project. Should the Contractor fail to comply with the above condition, the Project Manager shall, at his discretion, deduct from the Contractor's monthly pay estimate, sufficient moneys to account for the Owner's loss of adequate project supervision, not as a penalty, but as liquidated damages, separate from the liquidated damages described in Section 5.B, for services not rendered.

25. PROTECTION OF WORK.

25.1 Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor or any one for whom Contractor is legally liable for is responsible for any loss or damage to the Work, or other work or materials of Owner or Owner's separate contractors, Contractor shall be charged with the same, and any moneys necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2 Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

25.3 Contractor shall not disturb any benchmark established by the Owner or Design Professional with respect to the Project. If Contractor, or its subcontractors, agents, or anyone for whom Contractor is legally liable, disturbs the Owner or Design Professional's benchmarks, Contractor shall immediately notify Project Manager and Design Professional. The Owner or Design Professional shall re-establish the benchmarks and Contractor shall be liable for all costs incurred by Owner associated therewith.

26. EMERGENCIES.

26.1 In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from Owner or Design Professional is obligated to act to prevent threatened damage, injury, or loss. Contractor shall give Project Manager written notice within forty-eight (48) hours after Contractor knew or should have known of the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby. If the Project Manager determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

27. USE OF PREMISES.

27.1 Contractor shall maintain all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28. SAFETY.

28.1 Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

28.1.1 All employees on or about the project site and other persons and/or organizations who may be affected thereby;

28.1.2 All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3 Other property on Project site or adjacent thereto, including trees, shrubs, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation, or replacement in the Contract Documents.

28.2 Contractor shall comply with all applicable codes, laws, ordinances, rules, and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury, or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by Owner has occurred.

All new electrical installations shall incorporate NFPA 70E Short Circuit Protective Device Coordination and Arc Flash Studies where relevant as determined by the engineer.

All electrical installations shall be labeled with appropriate NFPA 70E arch flash boundary and PPE Protective labels.

28.3. Contractor shall designate a responsible representative located on a full-time basis at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by Contractor to Owner.

28.4 Alcohol, drugs and all illegal substances are strictly prohibited on any Owner property. All employees of Contractor, as well as those of all subcontractors and those of any other person or entity for whom Contractor is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any Owner property. Further, Employees shall not bring on to any Owner property any gun, rifle or other firearm, or explosives of any kind.

28.5 Contractor acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing Owner facility. In such event, Contractor shall comply with the following:

28.5.1 All Owner facilities are smoke free. Smoking is strictly prohibited;

28.5.2 All Employees shall be provided an identification badge by Contractor. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must log in and out with the Contractor each day;

28.5.3 Contractor shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of Owner's property without Owner's expressed prior written consent;

28.5.4 All Employees are prohibited from distributing any papers or other materials upon Owner's property, and are strictly prohibited from using any of Owner's telephones or other office equipment;

28.5.5 All Employees shall at all times comply with the OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct

and facility regulations issued by Owner's officials onsite, as said regulations may be changed from time to time;

28.5.6 All Employees shall enter and leave Owner's facilities only through the ingress and egress points identified in the site utilization plan approved by Owner or as otherwise designated, from time to time, by Owner in writing;

28.5.7 When requested, Contractor shall cooperate with any ongoing Owner investigation involving personal injury, economic loss or damage to Owner's facilities or personal property therein;

28.5.8 The Employees may not solicit, distribute, or sell products while on Owner's property. Friends, family members or other visitors of the Employees are not permitted on Owner's property; and

28.5.9 At all times, Contractor shall adhere to Owner's safety and security regulations, and shall comply with all security requirements at Owner's facilities, as said regulations and requirements may be modified or changed by Owner from time to time.

29. PROJECT MEETINGS.

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference with the Project Manager, Design Professional, and others as appropriate to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the Project Manager with respect to the Project, when directed to do so by Project Manager or Design Professional. The Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the Project Manager.

30. VENDOR PERFORMANCE EVALUATION.

Owner has implemented a Vendor Performance Evaluation System for all contracts awarded in excess of $25,000. To this end, vendors will be evaluated on their performance upon completion/termination of this Agreement.

31. MAINTENANCE OF TRAFFIC POLICY.

For all projects that are conducted within a Collier County Right-of-Way, the Contractor shall provide and erect Traffic Control Devices as prescribed in the current edition of the Manual On Uniform Traffic Control Devices (MUTCD), where applicable on local roadways and as prescribed in the Florida Department of Transportation's Design Standards (DS), where applicable on state roadways. These projects shall also comply with Collier County's Maintenance of Traffic Policy, #5807, incorporated herein by reference. Copies are available through Risk Management and/or Procurement Services Division and is available on-line at colliergov.net/purchasing.

The Contractor will be responsible for obtaining copies of all required manuals, MUTCD, FDOT Roadway & Traffic Design Standards Indexes, or other related documents, so to become familiar with their requirements. Strict adherence to the requirements of the Maintenance of Traffic ("MOT") policy will be enforced under this Contract.

All costs associated with the Maintenance of Traffic shall be included on the line item on the bid page. If MOT is required, MOT is to be provided within ten (10) days of receipt of Notice to Proceed.

32. SALES TAX SAVINGS AND DIRECT PURCHASE.

32.1 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. No markup shall be applied to sales tax. Additionally, as directed by Owner and at no additional cost to Owner, Contractor shall comply with and fully implement the sales tax savings program with respect to the Work, as set forth in section 32.2 below.

32.2 Notwithstanding anything herein to the contrary, because Owner is exempt from sales tax and may wish to generate sales tax savings for the Project, Owner reserves the right to make direct purchases of various construction materials and equipment included in the Work ("Direct Purchase"). Contractor shall prepare purchase orders to vendors selected by Contractor, for execution by Owner, on forms provided by Owner. Contractor shall allow two weeks for execution of all such purchase orders by Owner. Contractor represents and warrants that it will use its best efforts to cooperate with Owner in implementing this sales tax savings program in order to maximize cost savings for the Project. Adjustments to the Contract Amount will be made by appropriate Change Orders for the amounts of each Owner Direct Purchase, plus the saved sales taxes. A Change Order shall be processed promptly after each Direct Purchase, or group of similar or related Direct Purchases, unless otherwise mutually agreed upon between Owner and Contractor. With respect to all Direct Purchases by Owner, Contractor shall remain responsible for coordinating, ordering, inspecting, accepting delivery, storing, handling, installing, warranting and quality control for all Direct Purchases. Notwithstanding anything herein to the contrary, Contractor expressly acknowledges and agrees that all Direct Purchases shall be included within and covered by Contractor's warranty to Owner to the same extent as all other warranties provided by Contractor pursuant to the terms of the Contract Documents. In the event Owner makes a demand against Contractor with respect to any Direct Purchase and Contractor wishes to make claim against the manufacturer or supplier of such Direct Purchase, upon request from Contractor Owner shall assign to Contractor any and all warranties and Contract rights Owner may have from any manufacturer or supplier of any such Direct Purchase by Owner.

32.3 Bidder represents and warrants that it is aware of its statutory responsibilities for sales tax under Chapter 212, Florida Statutes, and for its responsibilities for Federal excise taxes.

33. SUBCONTRACTS.

33.1 Contractor shall review the design and shall determine how it desires to divide the sequence of construction activities. Contractor will determine the breakdown and composition of bid packages for award of subcontracts, based on the current Project Milestone Schedule, and shall supply a copy of that breakdown and composition to Owner and Design Professional for their review and approval prior to submitting its first Application for Payment. Contractor shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

33.2 A Subcontractor is any person or entity who is performing, furnishing, supplying, or providing any portion of the Work pursuant to a contract with Contractor. Contractor shall be solely responsible for and have control over the Subcontractors. Contractor shall negotiate all Change Orders, Work Directive Changes, Field Orders and Requests for Proposal, with all affected Subcontractors and

shall review the costs of those proposals and advise Owner and Design Professional of their validity and reasonableness, acting in Owner's best interest, prior to requesting approval of any Change Order from Owner. All Subcontractors performing any portion of the Work on this Project must be "qualified" as defined in Collier County Ordinance 2013-69, meaning a person or entity that has the capability in all respects to perform fully the Agreement requirements with respect to its portion of the Work and has the integrity and reliability to assure good faith performance.

33.3 In addition to those Subcontractors identified in Contractor's bid that were approved by Owner, Contractor also shall identify any other Subcontractors, including their addresses, licensing information and phone numbers, it intends to utilize for the Project prior to entering into any subcontract or purchase order and prior to the Subcontractor commencing any work on the Project. The list identifying each Subcontractor cannot be modified, changed, or amended without prior written approval from Owner. Any and all Subcontractor work to be self-performed by Contractor must be approved in writing by Owner in its sole discretion prior to commencement of such work. Contractor shall continuously update that Subcontractor list, so that it remains current and accurate throughout the entire performance of the Work.

33.4 Contractor shall not enter into a subcontract or purchase order with any Subcontractor, if Owner reasonably objects to that Subcontractor. Contractor shall not be required to contract with anyone it reasonably objects to. Contractor shall keep on file a copy of the license for every Subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts and purchase orders between Contractor and its Subcontractors shall be in writing and are subject to Owner's approval. Further, unless expressly waived in writing by Owner, all subcontracts and purchase orders shall (1) require each Subcontractor to be bound to Contractor to the same extent Contractor is bound to Owner by the terms of the Contract Documents, as those terms may apply to the portion of the Work to be performed by the Subcontractor, (2) provide for the assignment of the subcontract or purchase order from Contractor to Owner at the election of Owner upon termination of Contractor, (3) provide that Owner will be an additional indemnified party of the subcontract or purchase order, (4) provide that Owner, Collier County Government, will be an additional insured on all liability insurance policies required to be provided by the Subcontractor except workman's compensation and business automobile policies, (5) assign all warranties directly to Owner, and (6) identify Owner as an intended third-party beneficiary of the subcontract or purchase order. Contractor shall make available to each proposed Subcontractor, prior to the execution of the subcontract, copies of the Contract Documents to which the Subcontractor will be bound. Each Subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

33.5 Each Subcontractor performing work at the Project Site must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., general concrete forming and placement, masonry, mechanical, plumbing, electrical and roofing) included in its subcontract or purchase order. In addition, the Subcontractor shall assign and name a qualified employee for scheduling direction for its portion of the Work. The supervisory employees of the Subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The Subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

33.6 Unless otherwise expressly waived by Owner in writing, all subcontracts and purchase orders shall provide:

33.6.1 That the Subcontractor's exclusive remedy for delays in the performance of the subcontract or purchase order caused by events beyond its control, including delays claimed to be caused by Owner or Design Professional or attributable to Owner or Design Professional and including claims based on breach of contract or negligence, shall be an extension of its contract time.

33.6.2 In the event of a change in the work, the Subcontractor's claim for adjustments in the contract sum are limited exclusively to its actual costs for such changes plus no more than 10% for overhead and profit.

33.6.3 The subcontract or purchase order, as applicable, shall require the Subcontractor to expressly agree that the foregoing constitute its sole and exclusive remedies for delays and changes in the Work and thus eliminate any other remedies for claim for increase in the contract price, damages, losses or additional compensation. Further, Contractor shall require all Subcontractors to similarly incorporate the terms of this Section 33.6 into their sub-subcontracts and purchase orders.

33.6.4 Each subcontract and purchase order shall require that any claims by Subcontractor for delay or additional cost must be submitted to Contractor within the time and in the manner in which Contractor must submit such claims to Owner, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

34. CONSTRUCTION SERVICES.

34.1 Contractor shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

34.1.1	Subcontracts and Purchase Orders
34.1.2	Subcontractor Licenses
34.1.3	Shop Drawing Submittal/Approval Logs
34.1.4	Equipment Purchase/Delivery Logs
34.1.5	Contract Drawings and Specifications with Addenda
34.1.6	Warranties and Guarantees
34.1.7	Cost Accounting Records
34.1.8	Labor Costs
34.1.9	Material Costs
34.1.10	Equipment Costs
34.1.11	Cost Proposal Request
34.1.12	Payment Request Records
34.1.13	Meeting Minutes
34.1.14	Cost-Estimates
34.1.15	Bulletin Quotations
34.1.16	Lab Test Reports
34.1.17	Insurance Certificates and Bonds
34.1.18	Contract Changes
34.1.19	Permits
34.1.20	Material Purchase Delivery Logs
34.1.21	Technical Standards
34.1.22	Design Handbooks
34.1.23	"As-Built" Marked Prints
34.1.24	Operating & Maintenance Instruction

34.1.25	Daily Progress Reports
34.1.26	Monthly Progress Reports
34.1.27	Correspondence Files
34.1.28	Transmittal Records
34.1.29	Inspection Reports
34.1.30	Punch Lists
34.1.31	PMIS Schedule and Updates
34.1.32	Suspense (Tickler) Files of Outstanding Requirements

The Project files and records shall be available at all times to Owner and Design Professional or their designees for reference, review or copying.

34.2 Contractor Presentations

At the discretion of the County, the Contractor may be required to provide a brief update on the Project to the Collier County Board of County Commissioners, "Board", up to two (2) times per contract term. Presentations shall be made in a properly advertised Public Meeting on a schedule to be determined by the County Manager or his designee. Prior to the scheduled presentation date, the Contractor shall meet with appropriate County staff to discuss the presentation requirements and format. Presentations may include, but not be limited to, the following information: Original contract amount, project schedule, project completion date and any changes to the aforementioned since Notice to Proceed was issued.

35. SECURITY.

The Contractor is required to comply with County Ordinance 2004-52, as amended. Background checks are valid for five (5) years and the Contractor shall be responsible for all associated costs. If required, Contractor shall be responsible for the costs of providing background checks by the Collier County Facilities Management Division for all employees that shall provide services to the County under this Agreement. This may include, but not be limited to, checking federal, state and local law enforcement records, including a state and FBI fingerprint check, credit reports, education, residence and employment verifications and other related records. Contractor shall be required to maintain records on each employee and make them available to the County for at least four (4) years.

All of Contractor's employees and subcontractors must wear Collier County Government Identification badges at all times while performing services on County facilities and properties. Contractor ID badges are valid for one (1) year from the date of issuance and can be renewed each year at no cost to the Contractor during the time period in which their background check is valid, as discussed below. All technicians shall have on their shirts the name of the contractor's business.

The Contractor shall immediately notify the Collier County Facilities Management Division via e-mail (DL-FMOPS@colliercountyfl.gov) whenever an employee assigned to Collier County separates from their employment. This notification is critical to ensure the continued security of Collier County facilities and systems. Failure to notify within four (4) hours of separation may result in a deduction of $500 per incident.

CCSO requires separate fingerprinting prior to work being performed in any of their locations. This will be coordinated upon award of the contract. If there are additional fees for this process, the Contractor is responsible for all costs.

36. VENUE.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exdusive jurisdiction on all such matters.

37. VALUE ENGINEERING.

All projects with an estimated cost of $10 million or more shall be reviewed for consideration of a Value Engineering (VE) study conducted during project development. A "project" shall be defined as the collective contracts, which may include but not be limited to: design, construction, and construction, engineering and inspection (CEI) services. Additionally, any project with an estimated construction value of $2 million or more may be reviewed for VE at the discretion of the County.

38. ABOVEGROUND/UNDERGROUND TANKS.

38.1 The contractor shall ensure compliance with all NFPA regulations: specifically 110 & 30/30A; FDEP chapter 62 regulations: specifically 761, 762, 777, and 780; 376 & 403 Florida Statutes; and STI, UL, PEI, ASME, NACE, NLPA, NIST & API referenced standards pertaining to the storage of hazardous materials and petroleum products.

38.2 The contractor shall notify the Solid & Hazardous Waste Management Department (SHWMD) prior to the installation, removal, or maintenance of any storage tank, including day tanks for generators, storing / will be storing petroleum products or hazardous materials. The contractor shall provide a 10 day and 48-hour notice to SHWMD 239-252-2508 prior to commencement.

The contractor shall provide the plans pertaining to the storage tank systems containing hazardous materials / petroleum products to the SHWMD prior to plans submittal to a permitting entity and then SHWMD must approve the plans prior to contractor's submittal for permitting.

39. STANDARDS OF CONDUCT: PROJECT MANAGER, SUPERVISOR, EMPLOYEES.

The Contractor shall employ people to work on Owner's projects who are neat, clean, well-groomed and courteous. Subject to the Americans with Disabilities Act, Contractor shall supply competent employees who are physically capable of performing their employment duties. The Owner may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and whose continued employment on Owner's projects is not in the best interest of the County.

40. DISPUTE RESOLUTION.

A. Prior to the initiation of any action or proceeding permitted by this Agreement to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation. The negotiation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person who would make the presentation of any settlement reached during negotiations to Owner for approval. Failing resolution, and prior to the commencement of depositions in any litigation between the parties arising out of this Agreement, the parties shall attempt to resolve the dispute through Mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The mediation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person or designee who would make the presentation of any settlement reached at mediation to Owner's Board for approval. Should either party fail to

submit to mediation as required hereunder, the other party may obtain a court order requiring mediation under Section 44.102, Fla. Stat.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

EXHIBIT I: SUPPLEMENTAL TERMS AND CONDITIONS

☒ Attached hereto, following this page

☐ Not Applicable

FEDERAL EMERGENCY MANAGEMENT AGENCY
PUBLIC ASSISTANCE

The supplemental conditions contained in this section are intended to cooperate with, to supplement, and to modify the general conditions and other specifications. In cases of disagreement with any other section of this contract, the Supplemental Conditions shall govern. This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract.

Pursuant uniform requirements of federal awards (2 CFR Part 200.23) the definition of CONTRACTOR is an entity that receives a Contract / Purchase Order.

Compliance with Federal Law, Regulations and Executive Orders: The Sub-Recipient (County) agrees to include in the subcontract that (i) the subcontractor is bound by the terms of the Federally-Funded Subaward and Grant Agreement, (ii) the subcontractor is bound by all applicable state and Federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

Specifically, the Contractor shall be responsible for being knowledgeable and performing any and all services under this contract in accordance with the following governing regulations along with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- 44 C.F.R. Part 206
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- FEMA Public Assistance Program and Policy Guide

CAO

Access to Records: The contractor agrees to provide the County, the Florida Department of Emergency Management, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the contract. (4) In compliance with section 1225 of the Disaster Recovery Act of 2018, the County and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

Affirmative Socioeconomic Steps: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

Changes: To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allowable, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable.

DHS Seal, Logo, and Flags: The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval. The contractor shall include this provision in any subcontracts.

Domestic Preference for Procurements: As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section: "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

License and Delivery of Works Subject to Copyright and Data Rights: The Contractor grants to the County, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, the Contractor will identify such data and grant to the County or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the County data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the County.

No Obligation by Federal Government: The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

Prohibition on Covered Telecommunications Equipment or Services:
(a) Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy, #405-143-1 Prohibitions on Expending FEMA Award Funds forcovered Telecommunications Equipment or Services As used in this clause –

(b) Prohibitions.

(1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

(2) Unless an exception in paragraph (c) of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

(i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
(iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
(iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Exceptions.

(1) This clause does not prohibit contractors from providing — (i). A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or (ii). Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to: (i). Covered telecommunications equipment or services that: i. Are not used as a substantial or essential component of any system; and ii. Are not used as critical technology of any system. (ii). Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d)Reporting requirement.

(1) In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause: (i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer

number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended. (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph(e), in all subcontracts and other contractual instruments.

Program Fraud and False or Fraudulent Statements or Related Acts: The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

Rights to Inventions Made Under a Contract or Agreement: Exempt from FEMA Public Assistance Funding

Suspension and Debarment: (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. (3) This certification is a material representation of fact relied upon by the County. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Procurement of Recovered Materials (§200.323) (Over $10,000): In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage:

https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Termination for Cause and Convenience (over $10,000): See Standard Purchase Order and/or Contract Terms and Conditions

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352 (as amended) (over $100,000): Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

Contractors must sign and submit a certification to the County with each bid or offer exceeding $100,000. See Certifications and Assurances and the end of this document.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) (over $100,000): Where applicable, all contracts awarded by the solicitor in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5).

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The County or FEMA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 "Further Compliance with the Contract Work Hours and Safety Standards Act.

(1) The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
(2) Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

GAO

Clean Air Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act (over $150,000): 1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. 2. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. 3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Administrative, Contractual, or Legal Remedies (over $250,000): Unless otherwise provided in this contract, all claims, counter-claims, disputes and other matters in question between the local government and the contractor, arising out of or relating to this contract, or the breach of it, will be decided by arbitration, if the parties mutually agree, or in a Florida court of competent jurisdiction.

CONSTRUCTION ACTIVITIES
Equal Employment Opportunity Clause (§60-1.4): Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor

union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part an the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Davis Bacon Act: Exempt under FEMA Public Assistance Funding

Copeland Anti-Kickback Act: Exempt under FEMA Public Assistance Funding

Compliance with Federal Law, Regulations, And Executive Orders and Acknowledgement of Federal Funding

Certification

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

If the Contractor subcontracts any of the work required under this Agreement, a copy of the signed subcontract must be available to the County for review and approval. The Contractor agrees to include in the subcontract that (1) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the County and the Grantor Agency harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law. The County may document in the quarterly report the Contractor's progress in performing its work under this agreement.

On behalf of my firm, I acknowledge, the grant requirements identified in this document.

LOBBYING CERTIFICATION
(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

RE: Design Entity Letter of Recommended Award
Solicitation No 24-8284 Caxambas Hurricane Ian Permanent Fuel Tank Installation

Dear Procurement Strategist:

Bids were received for the above referenced project by Collier County on September 11, 2024. LJA Engineering, Inc. (Engineer of Record) ("LJA") has completed our review of the bid submitted by the lowest bidder for this project, and we provide the following award analysis.

The scope of the Caxambas Hurricane Ian Permanent Fuel Tank Installation project is to build a new, permanent fuel system that was destroyed by Hurricane Ian. Work includes installing a new fuel system at Caxambas Park including a new above-ground Rec-90 fuel tank, two credit-card capable fuel dispensers. Veeder-Root fuel management system, new conduit and related work for fuel, low voltage, and electrical lines, a new point-of-sale system and all related site work.

The following three contractors submitted bids for consideration:

- Capital Contractors, LLC
- Don Wood, Inc.
- Douglas N. Higgins, Inc.

Collier County Procurement's review of the bid tabulations determined that the apparent low bidder is Don Wood, Inc. with a bid of $667,164.00. LJA was provided with the bid Schedule for Don Wood, Inc.. their bid is approximately 8% higher than the Engineer's Opinion of Probable Construction Cost (OPC) of $617,520.00.

References were provided, and the completed Vendor Reference Check Logs for each reference are attached hereto. The project references provided by Don Wood, Inc. were all contacted. LJA determined the references contain sufficient relevant experience with similar projects to demonstrate the required successful experience to complete the project with one exception. The MHC project was a tank painting project which is still incomplete, and the client has withheld final payment. This project is for a private client and its project management may not have been up to government standards possibly resulting in the incomplete work. This reference represents 20% of the references, 80% were acceptable.

Don Wood, Inc. is a Corporation formed in 1967 in the State of Florida and is currently active. Don Wood, Inc. is registered with the Florida Department of Business and Professional Regulation

as a Certified Pollutant Storage Contractor, which registrations are current and active. LJA Engineering, Inc. of Naples has no direct experience with Don Wood, Inc.

Based on the 80% favorable performance reviews provided on the Vendor Reference Logs and its licensing, it appears that it is a qualified firm to conduct the requested work. Based on the above information, LJA Engineering, Inc. recommends Don Wood, Inc. be awarded the Caxambas Hurricane Ian Permanent Fuel Tank Installation project in the amount of $667,164.00.

If you have any questions, please feel free to call or email me at damico@lja.com

Sincerely,

LJA ENGINEERING, INC.

Dominick J. Amico, P.E.
Senior Vice President/Project Engineer

Executive Summary

Recommendation to adopt a Resolution approving amendments (appropriating grants, donations, contributions, or insurance proceeds) to the Fiscal Year 2024-25 Adopted Budget. (The Budget Amendments in the attached Resolution have been reviewed and approved by the Board of County Commissioners via separate Executive Summaries.)

OBJECTIVE: That the Board of County Commissioners adopts the attached resolution and the related amendments that amend the Fiscal Year 2024-25 Adopted Budget in accordance with Section 129.06, Florida Statutes.

CONSIDERATIONS: Section 129.06, Florida Statutes defines how an annual budget, as adopted by the Board, can be amended. Budget amendments recognizing grants, donations, contributions, insurance proceeds, or receipts from enterprise or proprietary funds that increase the total appropriations of a fund over the adopted annual budget must be approved by resolution of the Board of County Commissioners. Also, budget amendments appropriating moneys from reserve for future construction and improvements must be approved by resolution of the Board of County Commissioners.

The budget amendments in the attached resolution cover Board approved items for the period through December 10, 2024.

The budget amendments in the attached Resolution have been reviewed and approved by the Board of County Commissioners via separate Executive Summaries.

FISCAL IMPACT: The amendments and executive summaries, which were previously considered and approved by the Board, contained their respective fiscal impact statements.

GROWTH MANAGEMENT IMPACT: There is no Growth Management Impact associated with this Executive Summary.

LEGAL CONSIDERATIONS: This item was reviewed by the County Attorney, is approved as to form and legality, and requires majority support for approval. – JAK.

RECOMMENDATIONS: That the Board adopts the attached Resolution amending the Fiscal Year 2024-25 Adopted Budget.

PREPARED BY: Christopher Johnson, Director of Corporate Financial Management Services

RESOLUTION NO. 25-

A RESOLUTION PURSUANT TO SECTION 129.06(2), FLORIDA STATUTES, TO AMEND THE BUDGET FOR THE 2024-25 FISCAL YEAR.

WHEREAS, Section 129.06(2), Florida Statutes, provides that the Board of County Commissioners (hereinafter also referred to as "Board") at any time within a fiscal year may amend a budget for that year, and provides the procedures therefore; and

WHEREAS, the Board of County Commissioners of Collier County, Florida, has received copies of budget amendments which provide for but are not limited to: revenue from grants, donations or contributions, or insurance proceeds for a designated purpose; and

WHEREAS, the Board of County Commissioners of Collier County, Florida, has received copies of budget amendments where increased receipts for enterprise or proprietary funds received for a particular purpose may be appropriated and expended for that purpose.

WHEREAS, the Board of County Commissioners of Collier County, Florida, has received copies of budget amendments where reserve for future construction and improvements are appropriated for the purposes for which the reserve was made; and

WHEREAS, the Board has determined that it is appropriate to amend the Budget for Fiscal Year 2024-25 by resolution pursuant to Section 129.06, Florida Statutes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that the budget amendments to the FY 2024-25 Budget described below are approved and hereby adopted and the FY 2024-25 Budget is so amended.

	BUDGET AMENDMENT NUMBER	INCREASE (DECREASE) RECEIPT	INCREASE (DECREASE) EXPENDITURE	INCREASE (DECREASE) RESERVES	EXPLANATION FOR APPROPRIATION

Executive Summary

Recommendation to authorize expenditures for the sole source purchase of Prolake/Keeton aerators and related materials from Keeton Industries, Inc., through a waiver from the competitive process in the amount of $250,000 per fiscal year from Keeton Industries, Inc., through Fiscal Year 2029.

OBJECTIVE: To increase the amount of available funding and annual not to exceed amount of the sole source waiver to purchase Prolake/Keeton aerators and related materials from Keeton Industries, Inc.

CONSIDERATIONS: On April 24, 2024, the County approved Waiver #25-017-WV for an amount not to exceed $25,000 per fiscal year to Keeton Industries, Inc. to purchase Prolake/Keeton aerators, equipment, and supplies for Pelican Bay lakes for Fiscal Years 2025 through 2029.
Keeton Industries solar aerators are already in place in Pelican Bay in all lakes managed by the Pelican Bay Services Division as part of its stormwater management plan. The aerators keep the water in the lakes moving so it does not become stagnant. Stagnant water breeds mosquitoes, algae and causes other potential health hazards. By purchasing from Keeton Industries directly, the County can keep its existing equipment operational. The original requested annual fiscal impact cost was based on regular maintenance. Unfortunately, multiple hurricanes in a short period of time have caused flooding of some solar aerator systems requiring replacement or repairs. Staff must use ProLake/Keeton products, sold exclusively by Keeton Industries, Inc., because other brands are not interchangeable within the water management system. The hurricane replacement costs have pushed spending well over the original approved annual fiscal year expenditure of $25,000.
Pursuant to Section Eleven, Procurement Methods, subparagraph 10 of the Collier County Procurement Ordinance 2017-08, as amended, staff requests that the Board find that it is in the best interest of the County to purchase ProLake/Keeton aerators, accessories, and related materials from Keeton Industries, Inc. as a sole source vendor for a not-to-exceed amount of $250,000 per Fiscal Year2025 through Fiscal Year 2029. Purchase Orders with the County's standard terms and conditions will be issued for purchases made through this waiver.

FISCAL IMPACT: Sufficient funding is available in the Right of Way Beautification Operating Fund (1007) for annual maintenance. If needed, funds for replacements can be accessed in the Disaster Recovery Fund (1813). County divisions shall utilize their budgets for purchases.

GROWTH MANAGEMENT IMPACT: There is no growth management impact.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATIONS: To authorize expenditures for the sole source purchase of Prolake/Keeton aerators and related materials from Keeton Industries, Inc., through a waiver from the competitive process in the amount of $250,000 per fiscal year from Keeton Industries, Inc., through Fiscal Year 2029.

Collier County

WAIVER REQUEST FORM

Instructions: The Procurement Ordinance, 17-08, as amended, Section Eleven, Procurement Methods, defines single and sole source. Complete this form for purchases greater than $3,000 and provide the supporting documentation to the Procurement Services Division. Waiver requests greater than $50,000 will require approval by the Board of County Commissioners. Complete all sections of this form *prior* to submitting it to Procurement.

Definitions:

- **Single source** refers to a procurement directed to one source because of standardization, warranty, or other factors, even though other competitive sources may be available.
- **Sole source** refers to a procurement where the selection of one particular supplier to the exclusion of all others may be based on lack of competition, proprietary technology, copyright, warranty, or a supplier's unique capability.

Disclaimer: Waivers are not active until the Procurement Director approves the request or the requested start date, ***whichever is later***. Waivers that require review by the Board of County Commissioners are not valid until Board approval is received. No purchase order requests will be processed until formal approval has been received.

Submit Waiver requests to Procurement Services via the Jira Ticketing System.

SECTION ONE

Division:	Requested Not-to-Exceed Expenditure Per FY:
Pelican Bay Services	$250,000
Vendor Corporate Name:	**Summary of Item(s)/Service(s):**
Prolake/Keeton Industries	Aerators & Accessories

SECTION TWO

☑ Sole Source ☐ Single Source ☐ One-Time Purchase ☑ Multiple Purchases

SECTION THREE

Detailed Description of Purchase. *Enter a description of the item(s) that will be purchased under this waiver.*

Keeton solar lake aeration equipment used within Pelican Bay lakes as part of the water management system.
IE. compressors, batteries, controllers, junction boxes, inverters, diffusers, tubing and solar panels

Detailed Public Purpose. *Include why this purchase is essential to County operations.*

The Keeton Industries solar lake aerators have been in use in Pelican Bay since 2013 and they keep the water in the lakes moving so it does not become stagnant. Stagnant water breeds mosquitoes, algae and causes other potential health hazards such as fish kills due to lack of oxygen in the water. By purchasing from ProLake/Keeton directly we can keep our existing equipment operational. Previous aerators were to costly in parts and labor to maintain the batteries. The current equipment is not interchangeable with other brands and runs more efficiently than other brands.

SECTION FOUR

Information Technology. *Select Yes if the products/services are related to Information Technology. If yes, provide the Purchasing Compliance Code (PCC) number or email approval from IT.*

☐ Yes ☑ No

If yes, provide the PCC number: _____

SECTION FIVE

Justification. Identify the criteria that qualifies this purchase as a sole or single source. Check all that apply (if a box is checked, make sure to provide an explanation below):

- **Sole Source**

  - ☐ **Only Authorized Vendor of Distributor**. Is this vendor the only vendor authorized to sell this product/service? If yes, explain below and provide documentation from the manufacturer confirming claims made by the distributors.
  - ☐ **No Comparable Product or Service**. Is there another vendor who can provide a similar product/service, regardless of cost, convenience, timeliness, etc.?
  - ☑ **Product Compatibility**. Does this product/service provide compatibility with existing equipment that prohibits switching to another comparable brand/vendor. If yes, provide the detailed explanation below, including what would occur if the other brand/vendor were used.
  - ☐ **Proprietary**. Is this product/service proprietary? If yes, provide a detailed explanation below on how its use is restricted by patent, copyright, or other applicable laws and provide documentation validating that claim.

- **Single Source**

  - ☐ **Standardization**. Is this product/service part of a purchase that the County has already standardized on? If yes, please provide detailed information below.
    Date of BCC Standardization: _____ BCC Agenda Item #: _____
  - ☐ **Warranty**. Is this the only vendor able to complete factory-authorized warranty services on County owned equipment? If yes, provide the documentation verifying the warranty.
  - ☐ **Geographic Territory**. Is this vendor the only vendor authorized to sell this product/service in our region? If yes, provide documentation from the manufacturer confirming those claims.
  - ☐ **Other Factors**. Any other reason not listed above. Explain below.

Explain. *How does this purchase meet the identified sole or single source criteria checked above?*

Pelican Bay currently has ProLake/Keeton Industries aerators installed in our lakes. The replacement parts are not interchangeable with other brands. After Hurricane Ian, 15 solar aerator systems had to be replaced with Keeton products in order to contain consistency within the water management system at a cost of $215,453.49. Keeping with Keeton products keeps cost down and replacement parts can be purchased instead of full replacements. If we do not purchase Keeton parts the solar aerators will not work and that will create numerous health issues in our stormwater management system.

How was the decision made to use this vendor? *Describe in detail if a formal standardization process was performed via Procurement or if there is a historical precedence established for the use of the product, please explain purchase, and use history and the current level of County investment in the product.*

The aerators were purchased in 2013 after going to bid on them. Deangelo Brothers/Aquagenix was the lowest bidder. We have $304,953 invested in the original products for lakes with in Pelican Bay. After initial investment a small amount has been spent to repair and maintain the aeration systems over the past 11 years. Deangelo Brothers/Aquagenix has gone out of business and has been assumed by another vendor. We contacted Keeton directly and we are able to purchase repair parts and accessories directly instead of through a distributor. When DeAngelo/Aquagenix went out of business there were no local distributors.

Explain why it is in the County's best interest to use this product/service rather than issuing a competitive solicitation. *What are the benefits from the continued use? Are there costs that would be incurred if a different vendor/product was used? What would occur if another brand/vendor was used?*

The products are provided by a sole source vendor. If a different product or vendor were to be used we would need to purchase all new equipment for all lakes PBSD maintains. The replacement parts and accessories are not interchangeable. Purchasing all new equipment would be cost prohibitive and a poor use of MSTBU funds when we currently have operational equipment.

Explain how the pricing compares to other vendors/products and is it considered to be fair and reasonable. *Provide information of historical use and whether pricing has increased/decreased. If sole source and no other product is available, provide the cost for addressing the needs via an alternate approach.*

The cost of compressors (one component of the aerators) was at approximately $1,000 each at installation of the system. In April 2022 the cost had risen to $1074.95. Currently compressors cost $1190.60 each. If we were to purchase all new equipment for each lake and went out to bid our costs would be well over the $304,953 of our initial purchase.

Will this purchase obligate the County to future ancillary products or services, either in terms of maintenance or standardization?

☒ **Yes** ☐ **No** If yes, explain what types.

Future maintenance and part replacement will be required. PBSD staff works diligently to reuse all parts and equipment possible and regularly checks and maintains the systems.

Does this purchase require the County to accept terms and conditions, including those contained in hyperlinks?

☐ **Yes** ☑ **No** If yes, attach documentation.

Market research and market alternatives. *When was the last time a market evaluation was performed to determine if either the technology or vendor offerings have changed? Based on the life expectancy of the product, when do you anticipate evaluating the market again? Attach a detailed market evaluation report if the complexity, duration, and dollar amount of the purchase will be a high risk to the County.*

The life expectancy of the equipment is at least 10-15 years as long as we continue to maintain and repair. After 15 years we can evaluate the market again.

SECTION SIX	
It is a felony to knowingly circumvent a competitive process for commodities or services by fraudulently specifying sole source. Florida Statute 838.22(2).

Executive Summary

Recommendation to ratify administratively approved Change Order No. 1, adding 8 days to the contract time and to use $9,582.30 from the owner's allowance for Work Directive #1 under Agreement No. 23-8120 (Purchase Order 4500229417) with DEC Contracting Group, Inc., for the "Bulk Aircraft Hangar at Marco Island Executive Airport," and authorize the Chairman to sign the attached Change Order. (Project No. 33822)

OBJECTIVE: To ratify administratively approved Change Order No. 1 and allow the contractor to invoice for having to repeat construction work on the Bulk Aircraft Hangar at Marco Island Executive Airport that was completed and inspected prior to the onset of Hurricane Milton on October 10, 2024, and was damaged due to the storm surge flooding on the construction site.

CONSIDERATIONS: On March 12, 2024 (Agenda Item 16.G.1), the Board awarded the Project to DEC Contracting Group, Inc. (the "Contractor") under Agreement No. 23-8120 (the "Agreement") to construct a 12,000 square foot bulk hangar at the Marco Island Executive Airport.

Change Order No. 1 adds eight days to the contract time and utilizes $9,582.30 of the Owner's Allowance, leaving a balance of $155,417.70 in the Owner's Allowance, with no increase to the contract amount. Change Order No. 1 is necessary as a result of several feet of Hurricane Milton storm surge, that inundated the Project's construction site resulting in stormwater damage to work that had already been completed. The damaged work included: Loss of 100% compaction for the concrete floor slab and the footings, the shifting of forms for the concrete foundation and footings, the loss of pretreatment chemicals for termite prevention, and the loss of the grading due to erosion.

None of the damage incurred was the result of a design flaw, an engineering error, or a contractor mistake. The Contractor took reasonable precautions to protect the work prior to the storm, but it could not repel the amount of flooding from the storm surge. The change order work includes re-setting concrete forms, re-grading and re-compacting the base layer materials, and re-applying the termite prevention chemicals.

This item is consistent with the Collier County Strategic Plan with a focus on Infrastructure and Asset Management and Community Development by continuing to follow a master planning process with the County's three airports. By maximizing the hangar space at the land-constrained Marco Island Executive Airport, we will help meet customer demand and enhance revenues, therefore promoting fiscal stewardship and maintaining self-sustaining airports.

The County's Procurement Services Division administratively approved Change Order No. 1, as authorized under the Procurement Ordinance, Section Nineteen, Contract Administration, Section 19, subsection 3.b on December 3, 2024.

FISCAL IMPACT: Change Order No. 1 extends the time available to Agreement 23-8120 without changing the total dollar value of the contract. Funds in the amount of $9,582.30 have already been encumbered within the owners allowance under Purchase Order 4500229417 in the Airport Authority Capital Fund (4091), Project 33822. The source of funding is fuel sales revenue.

GROWTH MANAGEMENT IMPACT: This item is consistent with Section B: Intermodal & Multimodal Transportation, Subsection 2: Aviation of the Transportation Element of the Growth Management Plan.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATIONS: That the Board ratify administratively approved Change Order No. 1, adding 8 days to the contract days of construction from 336 to 344 days and reducing the Owner's Allowance by $9,582.30 from $165,000 to $155,417.70 for Work Directive No. 1 under Agreement No. 23-8120 (Purchase Order 4500229417) with DEC Contracting Group, Inc., for the "Bulk Aircraft Hangar at Marco Island Executive Airport," and authorize the Chairman to sign the attached Change Order. (Project No. 33822)

CONSTRUCTION AGREEMENT

THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, ("Owner") hereby contracts with **DEC Contracting Group, Inc.** ("Contractor") of 1560 Matthew Drive, Ste. B, Ft. Myers, FL 33907, a Florida Profit Corporation, authorized to do business in the State of Florida, to perform all work ("Work") in connection with **"Bulk Aircraft Hangar at Marco Island Executive Airport"**, Invitation to Bid No. **23-8120** ("Project"), as said Work is set forth in the Plans and Specifications prepared by **Hole Montes, Inc.** the Engineer and/or Architect of Record ("Design Professional") and other Contract Documents hereafter specified.

Owner and Contractor, for the consideration herein set forth, agree as follows:

Section 1. Contract Documents.

A. The Contract Documents consist of this Agreement, the Exhibits described in Section 6 hereof, the Legal Advertisement, the Bidding Documents and any duly executed and issued addenda, Change Orders, Work Directive Changes, Field Orders and amendments relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents including the Agreement sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement" and sometimes as the "Contract"). A copy of the Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. Owner shall furnish to the Contractor one reproducible set of the Contract Documents and the appropriate number of sets of the Construction Documents, signed and sealed by the Design Professional, as are reasonably necessary for permitting.

Section 2. Scope of Work.

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good and workmanlike manner the Work required by the Contract Documents.

Section 3. Contract Amount.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of Owner, Owner agrees to pay, or cause to be paid, to Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement: **Three Million Sixty-Three Thousand Nine Dollars and Forty-One Cents ($3,063,009.41**).

Section 4. Bonds.

A. If applicable, the Contractor shall provide Performance and Payment Bonds, in the form prescribed in Exhibit B-1 and B-2, in the amount of 100% of the Contract Amount, the costs of which are to be paid by Contractor. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall meet the requirements of the Department of the Treasury Fiscal Service, "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsurance Companies" circular. This circular may be accessed via the web at www.fms.treas.gov/c570/c570.html#certified. Should the Contract Amount be less

than $500,000, the requirements of Section 287.0935, F.S. shall govern the rating and classification of the surety.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Contractor shall, within five (5) calendar days thereafter, substitute at its cost and expense another bond and surety, both of which shall be subject to the Owner's approval.

Section 5. Contract Time and Liquidated Damages.

A. Time of Performance.
Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the written Notice to Proceed to be issued by the Project Manager, as hereinafter defined. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. Contractor shall achieve Substantial Completion within **three hundred and thirty-six (336)** calendar days from the Commencement Date (herein "Contract Time"). The date of Substantial Completion of the Work (or designated portions thereof) is the date certified by the Design Professional when construction is sufficiently complete, in accordance with the Contract Documents, so Owner can occupy or utilize the Work (or designated portions thereof) for the use for which it is intended. Contractor shall achieve Final Completion within **thirty (30)** calendar days after the date of Substantial Completion. Final Completion shall occur when the Agreement is completed in its entirety, is accepted by the Owner as complete and is so stated by the Owner as completed. As used herein and throughout the Contract Documents, the phrase "Project Manager" refers to the Owner's duly authorized representative and shall mean the Department Administrator or Division Director, as applicable, acting directly or through duly authorized representatives.

B. Liquidated Damages in General.
Owner and Contractor recognize that, since time is of the essence for this Agreement, Owner will suffer financial loss if Contractor fails to achieve Substantial Completion within the time specified above, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, **Two Thousand Five Hundred Seventy-Nine Dollars ($2,579.00)** for each calendar day thereafter until Substantial Completion is achieved. Further, in the event Substantial Completion is reached, but the Contractor fails to reach Final Completion within the required time period, Owner shall also be entitled to assess and Contractor shall be liable for all actual damages incurred by Owner as a result of Contractor failing to timely achieve Final Completion. The Project shall be deemed to be substantially completed on the date the Project Manager (or at his/her direction, the Design Professional) issues a Certificate of Substantial Completion pursuant to the terms hereof. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the Owner's actual damages at the time of contracting if Contractor fails to Substantially or Finally Complete the Work within the required time periods.

C. Computation of Time Periods.
When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday

or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

D. Determination of Number of Days of Default.
For all contracts, regardless of whether the Contract Time is stipulated in calendar days or working days, the Owner will count default days in calendar days.

E. Right of Collection.
The Owner has the right to apply any amounts due Contractor under this Agreement or any other agreement between Owner and Contractor, as payment on such liquidated damages due under this Agreement in Owner's sole discretion. Notwithstanding anything herein to the contrary, Owner retains its right to liquidated damages due under this Agreement even if Contractor, at Owner's election and in its sole discretion, is allowed to continue and to finish the Work, or any part of it, after the expiration of the Contract Time including granted time extensions.

F. Completion of Work by Owner.
In the event Contractor defaults on any of its obligations under the Agreement and Owner elects to complete the Work, in whole or in part, through another contractor or its own forces, the Contractor and its surety shall continue to be liable for the liquidated damages under the Agreement until Owner achieves Substantial and Final Completion of the Work. Owner will not charge liquidated damages for any delay in achieving Substantial or Final Completion as a result of any unreasonable action or delay on the part of the Owner.

G. Final Acceptance by Owner.
The Owner shall consider the Agreement complete when the Contractor has completed in its entirety all of the Work and the Owner has accepted all of the Work and notified the Contractor in writing that the Work is complete. Once the Owner has approved and accepted the Work, Contractor shall be entitled to final payment in accordance with the terms of the Contract Documents.

H. Recovery of Damages Suffered by Third Parties.
Contractor shall be liable to Owner to the extent Owner incurs damages from a third party as a result of Contractor's failure to fulfill all of its obligations under the Contract Documents. Owner's recovery of any delay related damages under this Agreement through the liquidated damages does not preclude Owner from recovering from Contractor any other non-delay related damages that may be owed to it arising out of or relating to this Agreement.

Section 6. Exhibits Incorporated.

Exhibits Incorporated: The following documents are expressly agreed upon, attached hereto and made a part of this Agreement for Solicitation **#23-8120 "Bulk Aircraft Hangar at Marco Island Executive Airport"**.

B. All notices required or made pursuant to this Agreement by Owner to Contractor shall be made in writing and shall be deemed duly served if delivered by U.S. Mail, E-mail or Facsimile, addressed to the following:

DEC Contracting Group, Inc.
1560 Matthew Drive, Ste. B
Ft. Myers, FL 33907
Attn: Erika Bodenstein, Vice President
Phone: (239) 332-4322
Email: Erika@deccontracting.com

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 8. PUBLIC ENTITY CRIMES.

8.1 By its execution of this Contract, Construction Contractor acknowledges that it has been informed by Owner of the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

> "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

Section 9. Modification.

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 10. Successors and Assigns.

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

Section 11. Governing Law.

The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida.

Section 12. No Waiver.

The failure of the Owner to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 13. Entire Agreement.

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

Section 14. Severability.

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 15. Change Order Authorization.

The Project Manager shall have the authority on behalf of the Owner to execute all Change Orders and Work Directive Changes to the Agreement to the extent provided for under the Owner's procurement ordinance and policies and accompanying administrative procedures.

Section 16. Construction.

Any doubtful or ambiguous language contained in this Agreement shall not be construed against the party who physically prepared this Agreement. The rule sometimes referred to as "fortius contra proferentum" (pursuant to which ambiguities in a contractual term which appears on its face to have been inserted for the benefit of one of the parties shall be construed against the benefited party) shall not be applied to the construction of this Agreement.

Section 17. Order of Precedence

In the event of any conflict between or among the terms of any of the Contract Documents, the terms of the Construction Agreement and the General Terms and Conditions shall take precedence over the terms of all other Contract Documents, except the terms of any Supplemental Conditions shall take precedence over the Construction Agreement and the General Terms and Conditions. To the extent any conflict in the terms of the Contract Documents including the Owner's Board approved Executive Summary cannot be resolved by application of the Supplemental Conditions, if any, or the Construction Agreement and the General Terms and Conditions, the conflict shall be resolved by imposing the more strict or costly obligation under the Contract Documents upon the Contractor at Owner's discretion.

***Owner's Allowance** is for Owner Use as Directed. This Allowance will be used only at the Owner's direction to accomplish work due to unforeseen conditions and/or as directed by the Owner. Inclusion of the Allowance as part of the Contract Price is not a guarantee that the Contractor will be paid any portion or the full amount of the Allowance. Expenditures of Owner's Allowance will be made through Change Order with proper documentation of Time and Materials supporting the change.

(FOLLOWING THIS PAGE)

CAO

FORM 1 - BID RESPONSE FORM

BOARD OF COUNTY COMMISSIONERS
COLLIER COUNTY, FLORIDA

BULK AIRCRAFT HANGAR AT MARCO ISLAND EXECUTIVE AIRPORT
BID NO. 23-8120

Full Name of Bidder DEC Contracting Group, Inc.

Main Business Address 1560 Matthew Drive, Ste. B

Place of Business Ft. Myers, FL 33907

Telephone No. 239-332-4322 Fax No. 239-332-0180

State Contractor's License # CGC1526430

State of Florida Certificate of Authority Document Number P14000020944

Federal Tax Identification Number 46-4934701

DUNS # 079391270 CCR# _____ Cage Code 74UA6

To: BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA
(hereinafter called the Owner)

The undersigned, as Bidder declares that the only person or parties interested in this Bid as principals are those named herein, that this Bid is submitted without collusion with any other person, firm, or corporation; that it has carefully examined the location of the proposed Work, the proposed form of Agreement and all other Contract Documents and Bonds, and the Contract Drawings and Specifications.

Bidder proposes and agrees if this Bid is accepted, Bidder will execute the Agreement included in the Bidding Documents, to provide all necessary machinery, tools, apparatus, and other means of construction, including utility and transportation services necessary to do all the Work, and furnish all the materials and equipment specified or referred to in the Contract Documents in the manner and time herein prescribed and according to the requirements of the Owner as therein set forth, furnish the Contractor's Bonds and Insurance specified in the General Conditions of the Contract, and to do all other things required of the Contractor by the Contract Documents, and that it will take full payment the sums set forth in the following Bid Schedule:

Unit prices shall be provided in no more than two decimal points, and in the case where further decimal points are inadvertently provided, rounding to two decimal points will be conducted by Procurement Services Division staff.

Upon notification that its Bid has been awarded, the Successful Bidder will execute the Agreement form attached to the Bidding Documents within ten (10) calendar days and deliver the Surety Bond or Bonds and Insurance Certificates as required by the Contract Documents. The bid security attached is to become the property of the Owner in the event the Agreement, Insurance Certificates, and Bonds are not executed and delivered to Owner within the time above set forth, as liquidated damages, for the delay and additional expense to the Owner, it being recognized that, since time is of the essence, Owner will suffer financial loss if the Successful Bidder fails to execute and deliver to Owner the required Agreement, Insurance Certificates and Bonds within the required time period. In the event of such failure, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. It is hereby agreed that it is appropriate and fair that Owner receive liquidated damages from the Successful Bidder in the event it fails to execute and deliver the Agreement, Insurance Certificates, and Bonds as required hereunder. The Successful Bidder hereby expressly waives and relinquishes any right which it may have to seek to characterize the

above-noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of Owner's actual damages at the time of bidding if the Successful Bidder fails to execute and deliver the Agreement, Insurance Certificates, and Bonds in a timely manner.

Upon receipt of the signed and approved agreement and Purchase Order, the undersigned proposes to commence work at the site within five (5) calendar days from the commencement date stipulated in the written Notice to Proceed unless the Project Manager, in writing, subsequently notifies the Contractor of a modified (later) commencement date. The undersigned further agrees to substantially complete all work covered by this Bid within **two hundred and ten (210)** consecutive calendar days, computed by excluding the commencement date and including the last day of such period, and to be fully completed to the point of final acceptance by the Owner within **thirty (30)** consecutive calendar days after Substantial Completion, computed by excluding commencement date and including the last day of such period.

Acceptance and acknowledged by an Authorized Agent

FORM 4 - LIST OF MAJOR SUBCONTRACTORS

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE

The undersigned states that the following is a list of the proposed subcontractors for the major categories outlined in the requirements of the Bid specifications.

The undersigned acknowledges its responsibility for ensuring that the Subcontractors for the major categories listed herein are "qualified" (as defined in Ordinance 2017-08 and Section 15 of Instructions to Bidders) and meet all legal requirements applicable to and necessitated by the Contract Documents, including, but not limited to proper licenses, certifications, registrations, and insurance coverage. The Owner reserves the right to disqualify any Bidder who includes non-compliant or non-qualified Subcontractors in its bid offer. Further, the Owner may direct the Successful Bidder to remove/replace any Subcontractor, at no additional cost to Owner, which is found to be non-compliant with this requirement either before or after the issuance of the Award of Contract by Owner. (Attach additional sheets as needed). Further, the undersigned acknowledges and agrees that promptly after the Award of Contract, and in accordance with the requirements of the Contract Documents, the Successful Bidder shall identify all Subcontractors it intends to use on the Project. The undersigned further agrees that all Subcontractors subsequently identified for any portion of work on this Project must be qualified as noted above.

	Major Category of Work	Subcontractor and Address
1.	Electrical	Whidden Electric Inc. - Lehigh Acres, FL
2.	Mechanical	Breezy Cool - Delray Beach, FL
3.	Plumbing	Indigo Plumbing - Ft. Myers, FL
4.	Site Work	B-Rock Solid - Ft. Myers, FL
5.	Identify other subcontractors that represent more than 10% of price or that affect the critical path of the schedule.	Trident Building Systems - Sarasota, FL

FORM 7 - BID BOND

THIS FORM MUST BE COMPLETED OR BID MAY BE DEEMED NON-RESPONSIVE/NON-RESPONISBLE

KNOW ALL MEN BY THESE PRESENTS, that we DEC Contracting Group, Inc. (herein after called the Principal) and The Ohio Casualty Insurance Company, (herein called the Surety), a corporation chartered and existing under the laws of the State of New Hampshire with its principal offices in the city of Mahwah, NJ and authorized to do business in the State of Florida are held and firmly bound unto the Collier County Procurement (hereinafter called the Owner), in the full and just sum of Five Percent of the Amount Bid dollars ($ 5%) good and lawful money of the United States of America, to be paid upon demand of the Owner, to which payment well and truly to be made, the Principal and the Surety bind themselves, their heirs, and executors, administrators, and assigns, jointly and severally and firmly by these presents.

Whereas, the Principal is about to submit, or has submitted to the Owner, a Bid for furnishing all labor, materials, equipment, and incidentals necessary to furnish, install, and fully complete the Work on the Project known as **Bid No. 23-8120 Bulk Aircraft Hangar at Marco Island Executive Airport.**

NOW, THEREFORE, if the Owner shall accept the Bid of the PRINCIPAL and the PRINCIPAL shall enter into the required Agreement with the Owner and within ten days after the date of a written Notice of Award in accordance with the terms of such Bid, and give such bond or bonds in an amount of 100% the total Contract Amount as specified in the Bidding Documents or Contract Documents with good and sufficient surety for the faithful performance of the Agreement and for the prompt payment of labor, materials, and supplies furnished in the prosecution thereof or, in the event of the failure of the PRINCIPAL to enter into such Agreement or to give such bond or bonds, and deliver to Owner the required certificates of insurance, if the PRINCIPAL shall pay to the OBLIGEE the fixed sum of $ Five Percent of the Amount Bid (5%) noted above as liquidated damages, and not as a penalty, as provided in the Bidding Documents, then this obligation shall be null and void, otherwise to remain in full force and effect.

IN TESTIMONY Thereof, the Principal and Surety have caused these presents to be duly signed and sealed this 9th day of May, 20 23 .

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 9th day of May, 2023.

FORM 8 - INSURANCE AND BONDING REQUIREMENTS

The Vendor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth in FORM 8 of this solicitation. The Vendor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work.

The County and the Vendor waive against each other and the County's separate Vendors, Contractors, Design Consultant, Subcontractors, agents, and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Vendor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Vendors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts.

Collier County shall be responsible for purchasing and maintaining its own liability insurance.

Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or the specific solicitation number and title.

The General Liability Policy provided by Vendor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Vendor under this solicitation and shall contain a severability of interests provisions.

The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth in FORM 8 with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Vendor has any self-insured retentions or deductibles under any of the below-listed minimum required coverage, Vendor must identify on the Certificate of Insurance the nature and amount of such self-insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Vendor's sole responsibility.

Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer.

The Vendor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Vendor. The Vendor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Vendor from its insurer, and nothing contained herein shall relieve Vendor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Vendor hereunder, Vendor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Vendor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Vendor for such coverage(s) purchased. If Vendor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Vendor under this Agreement or any other agreement between the County and Vendor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Vendor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Vendor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

Collier County Florida
Insurance and Bonding Requirements

Insurance / Bond Type	Required Limits
1. ☒ Worker's Compensation	Statutory Limits of Florida Statutes, Chapter 440 and all Federal Government Statutory Limits and Requirements Evidence of Workers' Compensation coverage or a Certificate of Exemption issued by the State of Florida is required. CAO

7. ☒ Bid bond — Shall be submitted with proposal response in the form of certified funds, cashiers' check or an irrevocable letter of credit, a cash bond posted with the County Clerk, or proposal bond in a sum equal to 5% of the cost proposal. All checks shall be made payable to the Collier County Board of County Commissioners on a bank or trust company located in the State of Florida and insured by the Federal Deposit Insurance Corporation.

8. ☒ Performance and Payment Bonds — For projects in excess of $200,000, bonds shall be submitted with the executed contract by Proposers receiving award, and written for 100% of the Contract award amount, the cost borne by the Proposer receiving an award. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall be rated as "A-" or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

9. ☒ Vendor shall ensure that all subcontractors comply with the same insurance requirements that he is required to meet. The same Vendor shall provide County with certificates of insurance meeting the required insurance provisions.

10. ☒ Collier County must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for Commercial General Liability where required. This insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Vendor's policy shall be endorsed accordingly.

11. ☒ The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

12. ☒ **On all certificates, the Certificate Holder must read:** Collier County Board of Commissioners, 3295 Tamiami Trail East, Naples, FL 34112

13. ☒ **Thirty (30) Days Cancellation Notice** required.

14. Collier County shall procure and maintain Builders Risk Insurance on all construction projects where it is deemed necessary. Such coverage shall be endorsed to cover the interests of Collier County as well as the Contractor. Premiums shall be billed to the project and the Contractor shall not include Builders Risk premiums in its project proposal or project billings. All questions regarding Builder's Risk Insurance will be addressed by the Collier County Risk Management Division.

GG – 3/20/23

Vendor's Insurance Acceptance

By submission of the bid Vendor accepts and understands the insurance requirements of these specifications and that the evidence of insurability may be required within five (5) days of the award of this solicitation. The insurance submitted must provide coverage for a minimum of six (6) months from the date of award.

FORM 9 – CONFLICT OF INTEREST AFFIDAVIT

The Vendor certifies that, to the best of its knowledge and belief, the past and current work on any Collier County project affiliated with this solicitation does not pose an organizational conflict as described by one of the three categories below:

Biased ground rules – The firm has not set the "ground rules" for affiliated past or current Collier County project identified above (e.g., writing a procurement's statement of work, specifications, or performing systems engineering and technical direction for the procurement) which appears to skew the competition in favor of my firm.

Impaired objectivity – The firm has not performed work on an affiliated past or current Collier County project identified above to evaluate proposals / past performance of itself or a competitor, which calls into question the contractor's ability to render impartial advice to the government.

Unequal access to information – The firm has not had access to nonpublic information as part of its performance of a Collier County project identified above which may have provided the contractor (or an affiliate) with an unfair competitive advantage in current or future solicitations and contracts.

In addition to this signed affidavit, the contractor/vendor must provide the following:

1. All documents produced as a result of the work completed in the past or currently being worked on for the above-mentioned project; and,
2. Indicate if the information produced was obtained as a matter of public record (in the "sunshine") or through non-public (not in the "sunshine") conversation (s), meeting(s), document(s) and/or other means.

Failure to disclose all material or having an organizational conflict in one or more of the three categories above be identified, may result in the disqualification for future solicitations affiliated with the above-referenced project(s).

By the signature below, the firm (employees, officers and/or agents) certifies, and hereby discloses, that, to the best of their knowledge and belief, all relevant facts concerning past, present, or currently planned interest or activity (financial, contractual, organizational, or otherwise) which relates to the project identified above has been fully disclosed and does not pose an organizational conflict.

FORM 10 – VENDOR DECLARATION STATEMENT

BOARD OF COUNTY COMMISSIONERS
Collier County Government Complex
Naples, Florida 34112

Dear Commissioners:

The undersigned, as Vendor declares that this response is made without connection or arrangement with any other person and this proposal is in every respect fair and made in good faith, without collusion or fraud. The Vendor hereby declares the instructions, purchase order terms and conditions, requirements, and specifications/scope of work of this solicitation have been fully examined and accepted.

The Vendor agrees, if this solicitation submittal is accepted, to execute a Collier County document for the purpose of establishing a formal contractual relationship between the firm and Collier County, for the performance of all requirements to which the solicitation pertains. The Vendor states that the submitted is based upon the documents listed by the above-referenced Solicitation. **Further, the vendor agrees that if awarded a contract for these goods and/or services, the vendor will not be eligible to compete, submit a proposal, be awarded, or perform as a sub-vendor for any future associated with work that is a result of this awarded contract.**

IN WITNESS WHEREOF, WE have hereunto subscribed our names on this 23 day of May, 20 23 in the County of Lee, in the State of Florida.

FORM 11- IMMIGRATION AFFIDAVIT CERTIFICATION

This Affidavit is required and should be signed, notarized by an authorized principal of the firm and submitted with formal solicitation submittals. Further, Vendors are required to be enrolled in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Vendor's bid. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company which will be produced at the time of the submission of the Vendor's bid or within five (5) day of the County's Notice of Recommend Award.

FAILURE TO EXECUTE THIS AFFIDAVIT CERTIFICATION AND SUBMIT WITH VENDOR'S PROPOSAL/BID MAY DEEM THE VENDOR NON-RESPONSIVE.

Collier County will not intentionally award County contracts to any Vendor who knowingly employs unauthorized alien workers, constituting a violation of the employment provision contained in 8 U.S.C. Section 1324 a(e) Section 274A(e) of the Immigration and Nationality Act ("INA").

Collier County may consider the employment by any Vendor of unauthorized aliens a violation of Section 274A (e) of the INA. Such Violation by the recipient of the Employment Provisions contained in Section 274A (e) of the INA shall be grounds for unilateral termination of the contract by Collier County.

Vendor attests that they are fully compliant with all applicable immigration laws (specifically to the 1986 Immigration Act and subsequent Amendment(s)) that it is aware of and in compliance with the requirements set forth in Florida Statutes §448.095, and agrees to comply with the provisions of the Memorandum of Understanding with E-Verify and to provide proof of enrollment in The Employment Eligibility Verification System (E-Verify), operated by the Department of Homeland Security in partnership with the Social Security Administration at the time of submission of the Vendor's proposal/bid.

FORM 12 - BIDDERS CHECKLIST

IMPORTANT: No bid shall be considered unless it is made on unaltered Bid forms which are included in the Bidding Documents. Please read carefully, sign in the spaces indicated, and return with your Bid. FAILURE TO PROVIDE THE BID DOCUMENTS MAY BE GROUNDS TO DEEM YOU NON-RESPONSIVE/NON-RESPONSIBLE.

Bidder should check off each of the following items as the necessary action is completed:

1. The Bid has been signed.
2. The Bid prices offered have been reviewed.
3. The price extensions and totals have been checked.
4. Bid Schedule has been completed and attached.
5. Any required drawings, descriptive literature, etc. have been included.
6. Any delivery information required is included.
7. The following online standard documents have been reviewed and accepted in BidSync:
    a. Construction bid instructions form
    b. Construction services agreement
    c. Purchase order terms and conditions
8. All of the following bid forms have been completed and signed:
    a. Bid Form (Form 1)
    b. Contractors Key Personnel (Form 2)
    c. Material Manufacturers (Form 3)
    d. List of Major Subcontractors (Form 4)
    e. Statement of Experience (Form 5)
    f. Trench Safety Act (Form 6)
    g. Bid Bond Form (Form 7)
    h. Insurance and Bonding Requirements (Form 8)
    i. Conflict of Interest Affidavit (Form 9)
    j. Vendor Declaration Statement (Form 10)
    k. Immigration Law Affidavit Certification (Form 11) MUST be signed and attached with your submittal.
    l. Signed Grant Provisions and Assurances package in its entirety, if applicable, are executed and should be included with your submittal.
9. Copies of required information have been attached
    a. Business tax Receipt (Collier County Businesses Only)
    b. Company's E-Verify profile page or memorandum of understanding
    c. Certificate of Authority to Conduct Business in the State of Florida (sunbiz.org)
    d. Any required professional licenses – valid and current (myfloridalicense.com) (i.e., General Contractor's license, Underground Utility, and Excavation, Builders, Trade Contractors, etc., as applicable, requested, and/or required.)
    e. Vendor W-9 Form
10. If required, the amount of Bid bond has been checked, and the Bid bond or cashier's check has been submitted.
11. Any addenda have been signed and acknowledgement form is attached and included.
12. The Bid will be uploaded in time to be received no later than the specified opening date and time, otherwise, the Bid cannot be considered.

EXHIBIT A-3: CONTRACTOR'S KEY PERSONNEL ASSIGNED TO THE PROJECT

Name	Personnel Category
Brad Ninkovich	Construction Superintendent
Erika Bodenstein	Project Manager

EXHIBIT B-1: PUBLIC PAYMENT BOND

Bond No. 015221337
Contract No. 23-8120

KNOW ALL MEN BY THESE PRESENTS: That DEC Contracting Group, Inc., as Principal, and The Ohio Casualty Insurance Company, as Surety, located at 1200 MacArthur Blvd., 3rd Floor, Mahwah, NJ 07430 (Business Address) are held and firmly bound to The Board of County Commissioners of Collier County, Florida as Obligee in the sum of Three Million Sixty-Three Thousand Nine and 41/100 Dollars ($ 3,063,009.41) for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the 10 day of October 2023, with Obligee for Bulk Aircraft Hangar at Marco Island Executive Airport - Bid # 23-8120 in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to herein as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

Promptly makes payment to all claimants as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials or supplies, used directly or indirectly by Principal in the prosecution of the work provided for in the Contract, then this bond is void; otherwise it remains in full force.

Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Sureties obligation under this Bond.

The provisions of this bond are subject to the time limitations of Section 255.05(2). In no event will the Surety be liable in the aggregate to claimants for more than the penal sum of this Payment Bond, regardless of the number of suits that may be filed by claimants.

IN WITNESS WHEREOF, the above parties have executed this instrument this 6th day of September 2023, the name of each party being affixed and these presents duly signed by its under-signed representative, pursuant to authority of its governing body.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 6th day of September , 2023 .

EXHIBIT B-2: PUBLIC PERFORMANCE BOND

Bond No. 015221337
Contract No. 23-8120

KNOW ALL MEN BY THESE PRESENTS: That DEC Contracting Group, Inc., as Principal, and The Ohio Casualty Insurance Company, as Surety, located at 1200 MacArthur Blvd., 3rd Floor, Mahwah, NJ 07430 (Business Address) are held and firmly bound to The Board of County Commissioners of Collier County, Florida, as Obligee in the sum of Three Million Sixty-Three Thousand Nine and 41/100 Dollars ($3,063,009.41) for the payment whereof we bond ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally.

WHEREAS, Principal has entered into a contract dated as of the 10 day of October, 2023, with Obligee for Bulk Aircraft Hangar at Marco Island Executive Airport - Bid # 23-8120 in accordance with drawings and specifications, which contract is incorporated by reference and made a part hereof, and is referred to herein as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract, including, but not limited to, all delay damages, whether liquidated or actual, incurred by Obligee; and

3. Performs the guarantee of all work and materials furnished under the Contract for the time specified in the Contract, then this bond is void; otherwise it remains in full force. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes do not affect Sureties obligation under this Bond.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligations under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond. It is expressly understood that the time provisions and statute of limitations under Section 255.05, Florida Statutes, shall not apply to this bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penal sum of this Performance Bond regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this 6th day of September, 2023, the name of each party being affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 6th day of September , 2023 .

EXHIBIT B-3: INSURANCE REQUIREMENTS

The Contractor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth in EXHIBIT B of this solicitation. The Contractor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work.

The County and the Contractor waive against each other and the County's separate Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Contractor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Contractors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts.

Collier County shall be responsible for purchasing and maintaining its own liability insurance.

Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or, the specific solicitation number/contract number and title.

The General Liability Policy provided by Contractor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Contractor under this solicitation and shall contain a severability of interests provisions.

The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth in EXHIBIT B with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Contractor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Contractor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Contractor's sole responsibility.

Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer.

The Contractor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Contractor. The Contractor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Contractor from its insurer and nothing contained herein shall relieve Contractor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Contractor hereunder, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Contractor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Contractor for such coverage(s) purchased. If Contractor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due

Contractor under this Agreement or any other agreement between the County and Contractor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Contractor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Contractor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

EXHIBIT C: RELEASE AND AFFIDAVIT FORM

COUNTY OF (COLLIER)
STATE OF (FLORIDA)

Before me, the undersigned authority, personally appeared _____who after being duly sworn, deposes and says:

(1) In accordance with the Contract Documents and in consideration of $_____ to be received, _____ ("Contractor") releases and waives for itself and it's subcontractors, material-men, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against the Board of County Commissioners of Collier County, Florida, relating in any way to the performance of the Agreement between Contractor and Owner, dated _____,20____ for the period from _____ to _____. This partial waiver and release is conditioned upon payment of the consideration described above. It is not effective until said payment is received in paid funds.

(2) Contractor certifies for itself and its subcontractors, material-men, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which Owner might be sued or for which a lien or a demand against any payment bond might be filed, shall be fully satisfied and paid upon Owner's payment to Contractor.

(3) Contractor agrees to indemnify, defend and save harmless Owner from all demands or suits, actions, claims of liens or other charges filed or asserted against the Owner arising out of the performance by Contractor of the Work covered by this Release and Affidavit.

(4) This Release and Affidavit is given in connection with Contractor's [monthly/final] Application for Payment No. _____.

EXHIBIT H: GENERAL TERMS AND CONDITIONS

1. INTENT OF CONTRACT DOCUMENTS.

1.1 It is the intent of the Contract Documents to describe a functionally complete Project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in effect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2 If before or during the performance of the Work Contractor discovers a conflict, error or discrepancy in the Contract Documents, Contractor immediately shall report same to the Project Manager in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the Project Manager; said interpretation or clarification from the Project Manager may require Contractor to consult directly with Design Professional or some other third party, as directed by Project Manager. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3 Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the Project Manager. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

2. INVESTIGATION AND UTILITIES.

2.1 Subject to Section 2.3 below, Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Sub-Section 2.2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work. The Contractor is responsible for coordinating all other utility work so as to not interfere with the prosecution of the Work (except those utilities to be coordinated by the Owner as may be expressly described elsewhere in the Contract Documents).

2.3 Notwithstanding anything in the Contract Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (ii) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, and which reasonably should not have been discovered by Contractor as part of its scope of site investigative services required pursuant to the terms of the Contract Documents, then Contractor shall provide Owner with prompt written notice thereof before conditions are disturbed and in no event later than three (3) calendar days after first observance of such conditions. Owner and Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in Contractor's cost of, or time required for, performance of any part of the Work, Owner will acknowledge and agree to an equitable adjustment to Contractor's compensation or time for performance, or both, for such Work. If Owner determines that the conditions at the site are not materially different from those indicated in the Contract Documents or not of an unusual nature or should have been discovered by Contractor as part of its investigative services, and that no change in the terms of the Agreement is justified, Owner shall so notify Contractor in writing, stating its reasons. Claims by Contractor in opposition to such determination by Owner must be made within seven (7) calendar days after Contractor's receipt of Owner's written determination notice. If Owner and Contractor cannot agree on an adjustment to Contractor's cost or time of performance, the dispute resolution procedure set forth in the Contract Documents shall be complied with by the parties.

3. SCHEDULE.

3.1 The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to Project Manager, for their review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule shall relate to all Work required by the Contract Documents, and shall utilize the Critical Path method of scheduling and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

3.2 The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the Project Manager's review and approval. Contractor shall submit the updates to the Progress Schedule with its monthly Applications for Payment noted below. The Project Manager's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the Owner's obligation to pay Contractor.

3.3 All work under this Agreement shall be performed in accordance with the requirements of all Collier County Noise Ordinances then in effect. Unless otherwise specified, work will generally be

limited to the hours of 7 a.m. to 7 p.m., Monday through Saturday. No work shall be performed outside the specified hours without the prior approval of the Project Manager.

4. PROGRESS PAYMENTS.

4.1 Prior to submitting its first monthly Application for Payment, Contractor shall submit to Project Manager, for their review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the Project Manager, this schedule of values shall be used as the basis for the Contractor's monthly Applications for Payment. This schedule shall be updated and submitted each month along with a completed copy of the Application for Payment form signed by the Contractor's authorized representative and attached to the Agreement as Exhibit D.

4.2 Prior to submitting its first monthly Application for Payment, Contractor shall provide to the Project Manager the list of its Subcontractors and materialmen submitted with its Bid showing the work and materials involved and the dollar amount of each subcontract and purchase order. Contractor acknowledges and agrees that any modifications to the list of Subcontractors submitted with Contractor's Bid and any subsequently identified Subcontractors are subject to Owner's prior written approval. The first Application for Payment shall be submitted no earlier than thirty (30) days after the Commencement Date. Notwithstanding anything herein to the contrary, if approved by Owner in its sole discretion, Contractor may submit its invoice for any required Payment and Performance Bonds prior to the first Application of Payment provided that Contractor has furnished Owner certified copies of the receipts evidencing the premium paid by Contractor for the bonds.

4.3 Unless expressly approved by Owner in advance and in writing, said approval at Owner's sole discretion, Owner is not required to make any payment for materials or equipment that have not been incorporated into the Project. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location, and such payment and storage have been agreed to by Owner in writing, the Application for Payment also shall be accompanied by a bill of sale, invoice or other documentation warranting that the Owner has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect Owner's interest therein, all of which shall be subject to the Owner's satisfaction. Thereafter, with each Application for Payment, Contractor also shall complete and submit to Owner as part of its Application for Payment, the Stored Materials Record attached hereto and made a part hereof as Exhibit D.

4.4 Contractor shall submit its monthly Application for Payment to the Project Manager or his or her designee, as directed by Owner (which designee may include the Design Professional). After the date of each Application for Payment is stamped as received and within the timeframes set forth in Section 218.735 F.S., the Project Manager, or Design Professional, shall either: (1) Indicate its approval of the requested payment; (2) indicate its approval of only a portion of the requested payment, stating in writing its reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. Payments of proper invoices in the amounts approved shall be processed and paid in accordance with Section 218.735, F.S. and the administrative procedures established by the County's Procurement Services Division and the Clerk of Court's Finance Department respectively.

4.5 In the event of a total denial by Owner and return of the Application for Payment by the Project Manager, the Contractor may make the necessary corrections and re-submit the Application for Payment. The Owner shall, within ten (10) business days after the Application for Payment is

stamped and received and after Project Manager approval of an Application for Payment, pay the Contractor the amounts so approved.

4.6 Owner shall withhold retainage on the gross amount of each monthly progress payment in the amount of five percent (5%), as permitted by Section 255.078, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 255.078, Florida Statutes. Any reduction in retainage below the maximum amount set forth in Section 255.078, Florida Statutes, shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until final payment is due unless otherwise agreed to by the Owner in accordance with Florida Statute 255.078. Any interest earned on retainage shall accrue to the benefit of the Owner.

4.7 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's Work.

4.8 Each Application for Payment, subsequent to the first pay application, shall be accompanied by a Release and Affidavit, in the form attached as Exhibit C, acknowledging Contractor's receipt of payment in full for all materials, labor, equipment and other bills that are then due and payable by Owner with respect to the current Application for Payment. Further, to the extent directed by Owner and in Owner's sole discretion, Contractor shall also submit a Release and Affidavit from each Subcontractor, sub-subcontractor, or supplier in the form attached as Exhibit C acknowledging that each Subcontractor, sub-subcontractor or supplier has been paid in full through the previous month's Application for Payment. The Owner shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.9 Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule. Accordingly, prior to submitting its first monthly Application for Payment, Contractor shall prepare and submit for Project Manager's review and approval, a detailed Project Funding Schedule, which shall be updated as necessary and approved by Owner to reflect approved adjustments to the Contract Amount and Contract Time. No voluntary acceleration or early completion of the Work shall modify the time of payments to Contractor as set forth in the approved Project Funding Schedule.

4.10 Notwithstanding anything in the Contract Documents to the contrary, Contractor acknowledges and agrees that in the event of a dispute concerning payments for Work performed under this Agreement, Contractor shall continue to perform the Work required of it under this Agreement pending resolution of the dispute provided that Owner continues to pay Contractor all amounts that Owner does not dispute are due and payable.

4.11 Payments will be made for services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-payment under the legal doctrine of "laches" as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this agreement.

4.12 The County may, at its discretion, use VISA/MASTER card credit network as a payment vehicle for goods and/or services purchased as a part of this contract. The County may not accept any additional surcharges (credit card transaction fees) as a result of using the County's credit card for transactions relating to this solicitation

5. PAYMENTS WITHHELD.

5.1 The Project Manager may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections that reveal non-compliance with the Contract Documents. The Project Manager may nullify the whole or any part of any approval for payment previously issued and Owner may withhold any payments otherwise due Contractor under this Agreement or any other agreement between Owner and Contractor, to such extent as may be necessary in the Owner's opinion to protect it from loss because of:

(a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents by Contractor.

5.2 If any conditions described in 5.1. are not remedied or removed, Owner may, after three (3) days written notice, rectify the same at Contractor's expense. Provided however, in the event of an emergency, Owner shall not be required to provide Contractor any written notice prior to rectifying the situation at Contractor's expense. Owner also may offset against any sums due Contractor the amount of any liquidated or non-liquidated obligations of Contractor to Owner, whether relating to or arising out of this Agreement or any other agreement between Contractor and Owner.

5.3 In instances where the successful contractor may owe debts (including, but not limited to taxes or other fees) to Collier County and the contractor has not satisfied nor made arrangement to satisfy these debts, the County reserves the right to off-set the amount owed to the County by applying the amount owed to the vendor or contractor for services performed of for materials delivered in association with a contract.

5.4 If a subcontractor is a related entity to the Contractor, then the Contractor shall not mark-up the subcontractor's fees. A related entity shall be defined as any Parent or Subsidiary of the Company and any business, corporation, partnership, limited liability company or other entity in which the Company or a Parent or a Subsidiary of the Company holds any ownership interest, directly or indirectly.

6. FINAL PAYMENT.

6.1 Owner shall make final payment to Contractor in accordance with Section 218.735, F.S. and the administrative procedures established by the County's Procurement Services Division and the Clerk of Court's Finance Department after the Work is finally inspected and accepted by Project Manager as set forth with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit attached as Exhibit C, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents and the Owner. Prior to release of final payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G.

6.2 Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except

those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner if sufficient information is submitted by Contractor to allow the Owner to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Contractor and all such requests must be submitted by Contractor to Project Manager within thirty (30) calendar days after Notice of Award is received by Contractor, unless otherwise mutually agreed in writing by Owner and Contractor.

7.3 If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the Project Manager for acceptance thereof, certifying that the proposed substitute shall adequately perform the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with Owner for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the Project Manager in evaluating the proposed substitute. The Project Manager may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the Project Manager, if Contractor submits sufficient information to allow the Project Manager to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the Project Manager shall be the same as those provided herein for substitute materials and equipment.

7.5 The Project Manager shall be allowed a reasonable time within which to evaluate each proposed substitute and, if need be, to consult with the Design Professional. No substitute will be ordered, installed or utilized without the Project Manager's prior written acceptance which shall be evidenced by a Change Order, a Work Directive Change, a Field Order or an approved Shop Drawing. The Owner may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute. The Project Manager will record time required by the Project Manager and the Project Manager's consultants in evaluating substitutions proposed by Contractor and making changes in the Contract Documents occasioned thereby. Whether or not the Owner accepts a proposed substitute, Contractor shall reimburse Owner for the charges of the Design Professional and the Design Professional's consultants for evaluating each proposed substitute.

8. DAILY REPORTS, SIGNED AND SEALED AS-BUILTS AND MEETINGS.

8.1 Unless waived in writing by Owner, Contractor shall complete and submit to Project Manager on a weekly basis a daily log of the Contractor's work for the preceding week in a format approved by the Project Manager. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

8.1.1 Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;

8.1.2 Soil conditions which adversely affect the Work;

8.1.3 The hours of operation by Contractor's and Sub-Contractor's personnel;

8.1.4 The number of Contractor's and Sub-Contractor's personnel present and working at the Project site, by subcontract and trade;

8.1.5 All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

8.1.6 Description of Work being performed at the Project site;

8.1.7 Any unusual or special occurrences at the Project site;

8.1.8 Materials received at the Project site;

8.1.9 A list of all visitors to the Project

8.1.10 Any problems that might impact either the cost or quality of the Work or the time of performance.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to Owner pursuant to the Contract Documents.

8.2 Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Work Directive Changes and Field Orders, as well as all written interpretations and clarifications issued by the Design Professional, in good order and annotated to show all changes

made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to the Project Manager or Design Professional for reference. Upon completion of the Work and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to Project Manager by Contractor for Owner.

8.3 Contractor shall keep all records and supporting documentation, which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed or such longer period as may be required by law, whichever is later, pursuant to Florida Public Records Law Chapter 119 and comply with specifically those contractual requirements in 119.0701(2)(a)-(b) as follows:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Division of Communications, Government and Public Affairs
3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8999
Email: PublicRecordRequest@colliercountyfl.gov

The Contractor must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public

agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. CONTRACT TIME AND TIME EXTENSIONS.

9.1 Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material-men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents, and the coordination of Owner's suppliers and contractors as set forth in Paragraph 12.2. herein.

9.2 Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of Nature or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulation, strikes or lockouts, Contractor shall notify the Owner in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which Owner may be responsible, in whole or in part, shall relieve Contractor of its duty to perform or give rise to any right to damages or additional compensation from Owner. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against Owner will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4 In no event shall any approval by Owner authorizing Contractor to continue performing Work under this Agreement or any payment issued by Owner to Contractor be deemed a waiver of any right or claim Owner may have against Contractor for delay damages hereunder.

10. CHANGES IN THE WORK.

10.1 Owner shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of Owner, and Owner shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of Owner is authorized to direct any extra or changed work orally. Any alleged changes must be approved by Owner in writing prior to starting such items. Owner will not be responsible for the costs of any changes commenced without Owner's express prior written approval. Failure to obtain such prior written approval for any changes will be deemed: (i) a waiver of any claim by Contractor for such items and (ii) an admission by Contractor that such items are in fact not a change but rather are part of the Work required of Contractor hereunder.

10.2 A Change Order, in the form attached as Exhibit E to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and Owner concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount and Contract Time shall be adjusted in the Change Order in the manner as Owner and Contractor shall mutually agree.

10.3 If Owner and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by Owner in a written Work Directive. In that event, the Contract Amount and Contract Time shall be adjusted as directed by Owner. If Contractor disagrees with the Owner's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4 In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above. No markup shall be placed on sales tax, shipping or subcontractor markup.

10.5 Owner, or any duly authorized agents or representatives of the County, shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Payment Application, Change Order or Work Directive Change.

10.6 The Project Manager shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount or an extension to the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes may be effected by Field Order or by other written order. Such changes shall be binding on the Contractor.

10.7 Any modifications to this Contract shall be in compliance with the County procurement ordinance and policies and Administrative Procedures in effect at the time such modifications are authorized.

11. CLAIMS AND DISPUTES.

11.1 Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between Owner and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2 Claims by the Contractor shall be made in writing to the Project Manager within forty-eight (48) hours from when the Contractor knew or should have known of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the Project Manager within fifteen (15) calendar days after the occurrence of

the event, unless the Owner grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3 The Contractor shall proceed diligently with its performance as directed by the Owner, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the Owner in writing. Owner shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

12. OTHER WORK.

12.1 Owner may perform other work related to the Project at the site by Owner's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, written notice thereof will be given to Contractor prior to starting any such other work. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to Owner and Design Professional within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2 Contractor shall afford each utility owner and other contractor who is a party to such a direct contract (or Owner, if Owner is performing the additional work with Owner's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the Project Manager and the others whose work will be affected. The duties and responsibilities of Contractor under this paragraph are for the benefit of such utility owners and other Contractors to the extent that there are comparable provisions for the benefit of Contractor in said direct contracts between Owner and such utility owners and other contractors.

12.3 If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or Owner), Contractor shall inspect and promptly report to Project Manager in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

13. INDEMNIFICATION AND INSURANCE.

13.1 To the maximum extent permitted by Florida law, the Contractor shall defend, indemnify and hold harmless Collier County, its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement.

13.2 The duty to defend under this Article 13 is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Contractor, Owner and any indemnified party. The duty to defend arises immediately upon presentation of a claim by

any party and written notice of such claim being provided to Contractor. Contractor's obligation to indemnify and defend under this Article 13 will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the Owner or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

13.3 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in the Insurance and Bonding Requirements form Exhibit B-3 to the Agreement. Further, the Contractor shall at all times comply with all of the terms, conditions, requirements and obligations set forth under Exhibit B-3.

14. COMPLIANCE WITH LAWS.

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify Project Manager in writing. To the extent any law, rule, regulation, code, statute, or ordinance requires the inclusion of certain terms in this Agreement in order for this Agreement to be enforceable, such terms shall be deemed included in this Agreement. Notwithstanding anything in the Contract Documents to the contrary, it is understood and agreed that in the event of a change in any applicable laws, ordinances, rules or regulations subsequent to the date this Agreement was executed that increases the Contractor's time or cost of performance of the Work, Contractor is entitled to a Change Order for such increases, except to the extent Contractor knew or should have known of such changes prior to the date of this Agreement.

14.2 By executing and entering into this agreement, the Contractor is formally acknowledging without exception or stipulation that it is fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the Contractor to comply with the laws referenced herein shall constitute a breach of this agreement and the County shall have the discretion to unilaterally terminate this agreement immediately.

14.3 Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States, including the requirements set forth in Florida Statute, §448.095.

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program will be used for Collier County formal Invitations to Bid (ITB) and Request for Proposals (RFP) including professional services and construction services.

Contractors / Bidders are required to enroll in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the Contractor's/bidder's proposal. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. Contractors are also required to provide the Collier County Procurement Services Division an executed affidavit certifying they shall comply with the E-Verify Program. The affidavit is attached to the solicitation documents.

If the Bidder/Contractor does not comply with providing both the acceptable E-Verify evidence and the executed affidavit the bidder's / Contractor's proposal may be deemed non-responsive.
Additionally, Contractors shall require all subcontracted Contractors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: http://www.dhs.gov/E-Verify. It shall be the Contractor's responsibility to familiarize themselves with all rules and regulations governing this program.

Contractor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained within this affidavit. Failure by the awarded firm(s) to comply with the laws referenced herein or the provisions of this affidavit shall constitute a breach of the award agreement and the County shall have the discretion to unilaterally terminate said agreement immediately.

15. CLEANUP AND PROTECTIONS.

15.1 Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surplus materials, and shall leave the Project site clean and ready for occupancy by Owner.

15.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Subject to the Section 2.3 above, any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

16. ASSIGNMENT.

16.1 Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of Owner. Any attempt to assign or otherwise transfer this Agreement, or any part herein, without the Owner's consent, shall be void. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward Owner.

17. PERMITS, LICENSES AND TAXES.

17.1 Pursuant to Section 218.80, F.S., Owner will pay for all Collier County permits and fees, including license fees, permit fees, impact fees or inspection fees applicable to the Work through an internal budget transfer(s). Contractor is not responsible for paying for permits issued by Collier County, but Contractor is responsible for acquiring all permits. Owner may require the Contractor to deliver internal budget transfer documents to applicable Collier County agencies when the Contractor is acquiring permits. Owner will not be obligated to pay for any permits obtained by Subcontractors.

17.2 All permits, fees and licenses necessary for the prosecution of the Work which are not issued by Collier County shall be acquired and paid for by the Contractor.

17.3 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

18. TERMINATION FOR DEFAULT.

18.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for Owner to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the Project Manager or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2 Owner shall notify Contractor in writing of Contractor's default(s). If Owner determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice or such longer period of time as may be consented to by Owner in writing and in its sole discretion, then Owner, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose.

18.3 If Owner deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All moneys expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorneys' fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the Owner to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or Owner, as the case may be, shall be approved by the Project Manager, upon application, and this obligation for payment shall survive termination of the Agreement.

18.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore

or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Contractor provided herein, then the termination will be deemed a termination for convenience and Contractor's remedies against Owner shall be the same as and limited to those afforded Contractor under Section 19 below.

18.6 In the event (i) Owner fails to make any undisputed payment to Contractor within thirty (30) days after such payment is due or Owner otherwise persistently fails to fulfill some material obligation owed by Owner to Contractor under this Agreement, and (ii) Owner has failed to cure such default within fourteen (14) days of receiving written notice of same from Contractor, then Contractor may stop its performance under this Agreement until such default is cured, after giving Owner a second fourteen (14) days written notice of Contractor's intention to stop performance under the Agreement. If the Work is so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the Contractor or its Subcontractors or their agents or employees or any other persons performing portions of the Work under contract with the Contractor or any Subcontractor, the Contractor may terminate this Agreement by giving written notice to Owner of Contractor's intent to terminate this Agreement. If Owner does not cure its default within fourteen (14) days after receipt of Contractor's written notice, Contractor may, upon fourteen (14) additional days' written notice to the Owner, terminate the Agreement and recover from the Owner payment for Work performed through the termination date, but in no event shall Contractor be entitled to payment for Work not performed or any other damages from Owner.

19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

19.1 Owner shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2 Owner shall have the right to suspend all or any portions of the Work upon giving Contractor not less than two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds six (6) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

20. COMPLETION.

20.1 When the entire Work (or any portion thereof designated in writing by Owner) is ready for its intended use, Contractor shall notify Project Manager in writing that the entire Work (or such designated portion) is substantially complete. Within a reasonable time thereafter, Owner, Contractor and Design Professional shall make an inspection of the Work (or designated portion thereof) to determine the status of completion. If Owner, after conferring with the Design Professional, does

not consider the Work (or designated portion) substantially complete, Project Manager shall notify Contractor in writing giving the reasons therefore. If Owner, after conferring with the Design Professional, considers the Work (or designated portion) substantially complete, Project Manager shall prepare and deliver to Contractor a Certificate of Substantial Completion which shall fix the date of Substantial Completion for the entire Work (or designated portion thereof) and include a tentative punch-list of items to be completed or corrected by Contractor before final payment. Owner shall have the right to exclude Contractor from the Work and Project site (or designated portion thereof) after the date of Substantial Completion, but Owner shall allow Contractor reasonable access to complete or correct items on the tentative punch-list. The Project Manager, shall coordinate with the Contractor the return of any surplus assets, including materials, supplies, and equipment.

20.2 Upon receipt of written certification by Contractor that the Work is completed in accordance with the Contract Documents and is ready for final inspection and acceptance, Project Manager and Design Professional will make such inspection and, if they find the Work acceptable and fully performed under the Contract Documents shall promptly approve payment, recommending that, on the basis of their observations and inspections, and the Contractor's certification that the Work has been completed in accordance with the terms and conditions of the Contract Documents, that the entire balance found to be due Contractor is due and payable. Neither the final payment nor the retainage shall become due and payable until Contractor submits:

(1) Receipt of Contractor's Final Application for Payment.
(2) The Release and Affidavit in the form attached as Exhibit C.
(3) Consent of surety to final payment.
(4) Receipt of the final payment check list.
(5) If required by Owner, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by Owner.

Owner reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though the Design Professional may have issued its recommendations. Unless and until the Owner is completely satisfied, neither the final payment nor the retainage shall become due and payable.

21. WARRANTY.

21.1 Contractor shall obtain and assign to Owner all express warranties given to Contractor or any subcontractors by any subcontractor or material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to Owner that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to Owner that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after Substantial Completion, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from Owner. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work which may be damaged as a result of such replacement or repair. Further, in the event of an emergency, Owner may commence to correct any defective Work, without prior notice to Contractor, at Contractor's

expense. These warranties are in addition to those implied warranties to which Owner is entitled as a matter of law.

21.2 No later than 30 days prior to expiration of the warranty, the Project Manager, or another representative of the Owner, shall conduct an inspection of the warranted work to verify compliance with the requirements of the Agreement. The Contractor's Representative shall be present at the time of inspection and shall take remedial actions to correct any deficiencies noted in the inspection. Failure of the Contractor to correct the cited deficiencies shall be grounds for the Owner to disqualify the Contractor from future bid opportunities with the Owner, in addition to any other rights and remedies available to Owner.

22. TESTS AND INSPECTIONS.

22.1 Owner, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide Project Manager with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2 If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish Project Manager the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the Project Manager.

22.3 Contractor is responsible, without reimbursement from Owner, for re-inspection fees and costs; to the extent such re-inspections are due to the fault or neglect of Contractor.

22.4 If any Work that is to be inspected, tested or approved is covered without written concurrence from the Project Manager, such work must, if requested by Project Manager, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given Project Manager timely notice of Contractor's intention to cover the same and Project Manager has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from Project Manager, such Work must, if requested by Project Manager, be uncovered for Project Manager's observation and be replaced at Contractor's sole expense.

22.5 The Owner shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by Owner in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday or holidays.

22.6 Neither observations nor other actions by the Project Manager or Design Professional nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

23. DEFECTIVE WORK.

23.1 Work not conforming to the requirements of the Contract Documents or any warranties made or assigned by Contractor to Owner shall be deemed defective Work. If required by Project Manager,

Contractor shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or if the defective Work has been rejected by Project Manager, remove it from the site and replace it with non-defective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold Owner harmless for same.

23.2 If the Project Manager considers it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others and such Work is not otherwise required to be inspected or tested, Contractor, at Project Manager's request, shall uncover, expose or otherwise make available for observation, inspection or tests as Project Manager may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and Owner shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension to the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3 If any portion of the Work is defective, or if Contractor fails to supply sufficient skilled workers, suitable materials or equipment or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, Project Manager may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated. The right of Project Manager to stop the Work shall be exercised, if at all, solely for Owner's benefit and nothing herein shall be construed as obligating the Project Manager to exercise this right for the benefit of Design Engineer, Contractor, or any other person.

23.4 Should the Owner determine, at its sole opinion, it is in the Owner's best interest to accept defective Work, the Owner may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the Owner's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the Owner accepts such defective Work after final payment, Contractor shall promptly pay Owner an appropriate amount to adequately compensate Owner for its acceptance of the defective Work.

23.5 If Contractor fails, within a reasonable time after the written notice from Project Manager, to correct defective Work or to remove and replace rejected defective Work as required by Project Manager or Owner, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, Owner may, after seven (7) days written notice to Contractor, correct and remedy any such deficiency. Provided, however, Owner shall not be required to give notice to Contractor in the event of an emergency. To the extent necessary to complete corrective and remedial action, Owner may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which Owner has paid Contractor but which are stored elsewhere. Contractor shall allow Owner, Design Professional and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable Owner to exercise the rights and remedies under this paragraph. All direct, indirect and consequential costs

of Owner in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by Owner of Owner's rights and remedies hereunder.

24. SUPERVISION AND SUPERINTENDENTS.

24.1 Contractor shall plan, organize, supervise, schedule, monitor, direct and control the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall be subject to Owner's approval and not be replaced without prior written notice to Project Manager except under extraordinary circumstances. The superintendent shall be employed by the Contractor and be the Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. Owner shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause. Attached to the Agreement as Exhibit A-1 is a list identifying Contractor's Project Superintendent and all of Contractor's key personnel who are assigned to the Project; such identified personnel shall not be removed without Owner's prior written approval, and if so removed must be immediately replaced with a person acceptable to Owner.

24.2 Contractor shall have a competent superintendent on the project at all times whenever contractor's work crews, or work crews of other parties authorized by the Project Manager are engaged in any activity whatsoever associated with the Project. Should the Contractor fail to comply with the above condition, the Project Manager shall, at his discretion, deduct from the Contractor's monthly pay estimate, sufficient moneys to account for the Owner's loss of adequate project supervision, not as a penalty, but as liquidated damages, separate from the liquidated damages described in Section 5.B, for services not rendered.

25. PROTECTION OF WORK.

25.1 Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor or any one for whom Contractor is legally liable for is responsible for any loss or damage to the Work, or other work or materials of Owner or Owner's separate contractors, Contractor shall be charged with the same, and any moneys necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2 Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

25.3 Contractor shall not disturb any benchmark established by the Owner or Design Professional with respect to the Project. If Contractor, or its subcontractors, agents or anyone for whom Contractor is legally liable, disturbs the Owner or Design Professional's benchmarks, Contractor shall immediately notify Project Manager and Design Professional. The Owner or Design Professional

shall re-establish the benchmarks and Contractor shall be liable for all costs incurred by Owner associated therewith.

26. EMERGENCIES.

26.1 In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from Owner or Design Professional is obligated to act to prevent threatened damage, injury or loss. Contractor shall give Project Manager written notice within forty-eight (48) hours after Contractor knew or should have known of the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby. If the Project Manager determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

27. USE OF PREMISES.

27.1 Contractor shall maintain all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28. SAFETY.

28.1 Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

28.1.1 All employees on or about the project site and other persons and/or organizations who may be affected thereby;

28.1.2 All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3 Other property on Project site or adjacent thereto, including trees, shrubs, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the Contract Documents.

28.2 Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property.

Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by Owner has occurred.

All new electrical installations shall incorporate NFPA 70E Short Circuit Protective Device Coordination and Arc Flash Studies where relevant as determined by the engineer.

All electrical installations shall be labeled with appropriate NFPA 70E arch flash boundary and PPE Protective labels.

28.3. Contractor shall designate a responsible representative located on a full time basis at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by Contractor to Owner.

28.4 Alcohol, drugs and all illegal substances are strictly prohibited on any Owner property. All employees of Contractor, as well as those of all subcontractors and those of any other person or entity for whom Contractor is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any Owner property. Further, Employees shall not bring on to any Owner property any gun, rifle or other firearm, or explosives of any kind.

28.5 Contractor acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing Owner facility. In such event, Contractor shall comply with the following:

28.5.1 All Owner facilities are smoke free. Smoking is strictly prohibited;

28.5.2 All Employees shall be provided an identification badge by Contractor. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must log in and out with the Contractor each day;

28.5.3 Contractor shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of Owner's property without Owner's expressed prior written consent;

28.5.4 All Employees are prohibited from distributing any papers or other materials upon Owner's property, and are strictly prohibited from using any of Owner's telephones or other office equipment;

28.5.5 All Employees shall at all times comply with the OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct and facility regulations issued by Owner's officials onsite, as said regulations may be changed from time to time;

28.5.6 All Employees shall enter and leave Owner's facilities only through the ingress and egress points identified in the site utilization plan approved by Owner or as otherwise designated, from time to time, by Owner in writing;

28.5.7 When requested, Contractor shall cooperate with any ongoing Owner investigation involving personal injury, economic loss or damage to Owner's facilities or personal property therein;

28.5.8 The Employees may not solicit, distribute or sell products while on Owner's property. Friends, family members or other visitors of the Employees are not permitted on Owner's property; and

28.5.9 At all times, Contractor shall adhere to Owner's safety and security regulations, and shall comply with all security requirements at Owner's facilities, as said regulations and requirements may be modified or changed by Owner from time to time.

29. PROJECT MEETINGS.

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference with the Project Manager, Design Professional and others as appropriate to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the Project Manager with respect to the Project, when directed to do so by Project Manager or Design Professional. The Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the Project Manager.

30. VENDOR PERFORMANCE EVALUATION.

Owner has implemented a Vendor Performance Evaluation System for all contracts awarded in excess of $25,000. To this end, vendors will be evaluated on their performance upon completion/termination of this Agreement.

31. MAINTENANCE OF TRAFFIC POLICY.

For all projects that are conducted within a Collier County Right-of-Way, the Contractor shall provide and erect Traffic Control Devices as prescribed in the current edition of the Manual On Uniform Traffic Control Devices (MUTCD), where applicable on local roadways and as prescribed in the Florida Department of Transportation's Design Standards (DS), where applicable on state roadways. These projects shall also comply with Collier County's Maintenance of Traffic Policy, #5807, incorporated herein by reference. Copies are available through Risk Management and/or Procurement Services Division, and is available on-line at colliergov.net/purchasing.

The Contractor will be responsible for obtaining copies of all required manuals, MUTCD, FDOT Roadway & Traffic Design Standards Indexes, or other related documents, so to become familiar with their requirements. Strict adherence to the requirements of the Maintenance of Traffic ("MOT") policy will be enforced under this Contract.

All costs associated with the Maintenance of Traffic shall be included on the line item on the bid page. If MOT is required, MOT is to be provided within ten (10) days of receipt of Notice of Award.

32. SALES TAX SAVINGS AND DIRECT PURCHASE.

32.1 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. No markup shall be applied to sales tax. Additionally, as directed by Owner and at no additional cost to Owner, Contractor shall comply with and fully implement the sales tax savings program with respect to the Work, as set forth in section 32.2 below:

32.2 Notwithstanding anything herein to the contrary, because Owner is exempt from sales tax and may wish to generate sales tax savings for the Project, Owner reserves the right to make direct purchases of various construction materials and equipment included in the Work ("Direct Purchase"). Contractor shall prepare purchase orders to vendors selected by Contractor, for execution by Owner, on forms provided by Owner. Contractor shall allow two weeks for execution of all such purchase orders by Owner. Contractor represents and warrants that it will use its best efforts to cooperate with Owner in implementing this sales tax savings program in order to maximize cost savings for the Project. Adjustments to the Contract Amount will be made by appropriate Change Orders for the amounts of each Owner Direct Purchase, plus the saved sales taxes. A Change Order shall be processed promptly after each Direct Purchase, or group of similar or related Direct Purchases, unless otherwise mutually agreed upon between Owner and Contractor. With respect to all Direct Purchases by Owner, Contractor shall remain responsible for coordinating, ordering, inspecting, accepting delivery, storing, handling, installing, warranting and quality control for all Direct Purchases. Notwithstanding anything herein to the contrary, Contractor expressly acknowledges and agrees that all Direct Purchases shall be included within and covered by Contractor's warranty to Owner to the same extent as all other warranties provided by Contractor pursuant to the terms of the Contract Documents. In the event Owner makes a demand against Contractor with respect to any Direct Purchase and Contractor wishes to make claim against the manufacturer or supplier of such Direct Purchase, upon request from Contractor Owner shall assign to Contractor any and all warranties and Contract rights Owner may have from any manufacturer or supplier of any such Direct Purchase by Owner.

32.3 Bidder represents and warrants that it is aware of its statutory responsibilities for sales tax under Chapter 212, Florida Statutes, and for its responsibilities for Federal excise taxes.

33. SUBCONTRACTS.

33.1 Contractor shall review the design and shall determine how it desires to divide the sequence of construction activities. Contractor will determine the breakdown and composition of bid packages for award of subcontracts, based on the current Project Milestone Schedule, and shall supply a copy of that breakdown and composition to Owner and Design Professional for their review and approval prior to submitting its first Application for Payment. Contractor shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

33.2 A Subcontractor is any person or entity who is performing, furnishing, supplying or providing any portion of the Work pursuant to a contract with Contractor. Contractor shall be solely responsible for and have control over the Subcontractors. Contractor shall negotiate all Change Orders, Work Directive Changes, Field Orders and Requests for Proposal, with all affected Subcontractors and shall review the costs of those proposals and advise Owner and Design Professional of their validity and reasonableness, acting in Owner's best interest, prior to requesting approval of any Change Order from Owner. All Subcontractors performing any portion of the Work on this Project must be "qualified" as defined in Collier County Ordinance 2013-69, meaning a person or entity that has the capability in all respects to perform fully the Agreement requirements with respect to its portion of the Work and has the integrity and reliability to assure good faith performance.

33.3 In addition to those Subcontractors identified in Contractor's bid that were approved by Owner, Contractor also shall identify any other Subcontractors, including their addresses, licensing information and phone numbers, it intends to utilize for the Project prior to entering into any subcontract or purchase order and prior to the Subcontractor commencing any work on the Project.

The list identifying each Subcontractor cannot be modified, changed, or amended without prior written approval from Owner. Any and all Subcontractor work to be self-performed by Contractor must be approved in writing by Owner in its sole discretion prior to commencement of such work. Contractor shall continuously update that Subcontractor list, so that it remains current and accurate throughout the entire performance of the Work.

33.4 Contractor shall not enter into a subcontract or purchase order with any Subcontractor, if Owner reasonably objects to that Subcontractor. Contractor shall not be required to contract with anyone it reasonably objects to. Contractor shall keep on file a copy of the license for every Subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts and purchase orders between Contractor and its Subcontractors shall be in writing and are subject to Owner's approval. Further, unless expressly waived in writing by Owner, all subcontracts and purchase orders shall (1) require each Subcontractor to be bound to Contractor to the same extent Contractor is bound to Owner by the terms of the Contract Documents, as those terms may apply to the portion of the Work to be performed by the Subcontractor, (2) provide for the assignment of the subcontract or purchase order from Contractor to Owner at the election of Owner upon termination of Contractor, (3) provide that Owner will be an additional indemnified party of the subcontract or purchase order, (4) provide that Owner, Collier County Government, will be an additional insured on all liability insurance policies required to be provided by the Subcontractor except workman's compensation and business automobile policies, (5) assign all warranties directly to Owner, and (6) identify Owner as an intended third-party beneficiary of the subcontract or purchase order. Contractor shall make available to each proposed Subcontractor, prior to the execution of the subcontract, copies of the Contract Documents to which the Subcontractor will be bound. Each Subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

33.5 Each Subcontractor performing work at the Project Site must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., general concrete forming and placement, masonry, mechanical, plumbing, electrical and roofing) included in its subcontract or purchase order. In addition, the Subcontractor shall assign and name a qualified employee for scheduling direction for its portion of the Work. The supervisory employees of the Subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The Subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

33.6 Unless otherwise expressly waived by Owner in writing, all subcontracts and purchase orders shall provide:

33.6.1 That the Subcontractor's exclusive remedy for delays in the performance of the subcontract or purchase order caused by events beyond its control, including delays claimed to be caused by Owner or Design Professional or attributable to Owner or Design Professional and including claims based on breach of contract or negligence, shall be an extension of its contract time.

33.6.2 In the event of a change in the work, the Subcontractor's claim for adjustments in the contract sum are limited exclusively to its actual costs for such changes plus no more than 10% for overhead and profit.

33.6.3 The subcontract or purchase order, as applicable, shall require the Subcontractor to expressly agree that the foregoing constitute its sole and exclusive remedies for delays and changes in the Work and thus eliminate any other remedies for claim for increase in the contract

price, damages, losses or additional compensation. Further, Contractor shall require all Subcontractors to similarly incorporate the terms of this Section 33.6 into their sub-subcontracts and purchase orders.

33.6.4 Each subcontract and purchase order shall require that any claims by Subcontractor for delay or additional cost must be submitted to Contractor within the time and in the manner in which Contractor must submit such claims to Owner, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

34. CONSTRUCTION SERVICES.

34.1 Contractor shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

34.1.1	Subcontracts and Purchase Orders
34.1.2	Subcontractor Licenses
34.1.3	Shop Drawing Submittal/Approval Logs
34.1.4	Equipment Purchase/Delivery Logs
34.1.5	Contract Drawings and Specifications with Addenda
34.1.6	Warranties and Guarantees
34.1.7	Cost Accounting Records
34.1.8	Labor Costs
34.1.9	Material Costs
34.1.10	Equipment Costs
34.1.11	Cost Proposal Request
34.1.12	Payment Request Records
34.1.13	Meeting Minutes
34.1.14	Cost-Estimates
34.1.15	Bulletin Quotations
34.1.16	Lab Test Reports
34.1.17	Insurance Certificates and Bonds
34.1.18	Contract Changes
34.1.19	Permits
34.1.20	Material Purchase Delivery Logs
34.1.21	Technical Standards
34.1.22	Design Handbooks
34.1.23	"As-Built" Marked Prints
34.1.24	Operating & Maintenance Instruction
34.1.25	Daily Progress Reports
34.1.26	Monthly Progress Reports
34.1.27	Correspondence Files
34.1.28	Transmittal Records
34.1.29	Inspection Reports
34.1.30	Punch Lists
34.1.31	PMIS Schedule and Updates
34.1.32	Suspense (Tickler) Files of Outstanding Requirements

The Project files and records shall be available at all times to Owner and Design Professional or their designees for reference, review or copying.

34.2 Contractor Presentations

At the discretion of the County, the Contractor may be required to provide a brief update on the Project to the Collier County Board of County Commissioners, "Board", up to two (2) times per contract term. Presentations shall be made in a properly advertised Public Meeting on a schedule to be determined by the County Manager or his designee. Prior to the scheduled presentation date, the Contractor shall meet with appropriate County staff to discuss the presentation requirements and format. Presentations may include, but not be limited to, the following information: Original contract amount, project schedule, project completion date and any changes to the aforementioned since Notice to Proceed was issued.

35. SECURITY.

The Contractor is required to comply with County Ordinance 2004-52, as amended. Background checks are valid for five (5) years and the Contractor shall be responsible for all associated costs. If required, Contractor shall be responsible for the costs of providing background checks by the Collier County Facilities Management Division for all employees that shall provide services to the County under this Agreement. This may include, but not be limited to, checking federal, state and local law enforcement records, including a state and FBI fingerprint check, credit reports, education, residence and employment verifications and other related records. Contractor shall be required to maintain records on each employee and make them available to the County for at least four (4) years.

All of Contractor's employees and subcontractors must wear Collier County Government Identification badges at all times while performing services on County facilities and properties. Contractor ID badges are valid for one (1) year from the date of issuance and can be renewed each year at no cost to the Contractor during the time period in which their background check is valid, as discussed below. All technicians shall have on their shirts the name of the contractor's business.

The Contractor shall immediately notify the Collier County Facilities Management Division via e-mail (DL-FMOPS@colliercountyfl.gov) whenever an employee assigned to Collier County separates from their employment. This notification is critical to ensure the continued security of Collier County facilities and systems. Failure to notify within four (4) hours of separation may result in a deduction of $500 per incident.

CCSO requires separate fingerprinting prior to work being performed in any of their locations. This will be coordinated upon award of the contract. If there are additional fees for this process, the Contractor is responsible for all costs.

36. VENUE.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

37. VALUE ENGINEERING.

All projects with an estimated cost of $10 million or more shall be reviewed for consideration of a Value Engineering (VE) study conducted during project development. A "project" shall be defined as the collective contracts, which may include but not be limited to: design, construction, and construction, engineering and inspection (CEI) services. Additionally, any project with an estimated construction value of $2 million or more may be reviewed for VE at the discretion of the County.

38. ABOVEGROUND/UNDERGROUND TANKS.

38.1 The contractor shall ensure compliance with all NFPA regulations: specifically 110 & 30/30A; FDEP chapter 62 regulations: specifically 761, 762, 777, and 780; 376 & 403 Florida Statutes; and STI, UL, PEI, ASME, NACE, NLPA, NIST & API referenced standards pertaining to the storage of hazardous materials and petroleum products.

38.2 The contractor shall notify the Solid & Hazardous Waste Management Department (SHWMD) prior to the installation, removal, or maintenance of any storage tank, including day tanks for generators, storing / will be storing petroleum products or hazardous materials. The contractor shall provide a 10 day and 48-hour notice to SHWMD 239-252-2508 prior to commencement.

The contractor shall provide the plans pertaining to the storage tank systems containing hazardous materials / petroleum products to the SHWMD prior to plans submittal to a permitting entity and then SHWMD must approve the plans prior to contractor's submittal for permitting.

39. STANDARDS OF CONDUCT: PROJECT MANAGER, SUPERVISOR, EMPLOYEES.

The Contractor shall employ people to work on Owner's projects who are neat, clean, well-groomed and courteous. Subject to the Americans with Disabilities Act, Contractor shall supply competent employees who are physically capable of performing their employment duties. The Owner may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and whose continued employment on Owner's projects is not in the best interest of the County.

40. DISPUTE RESOLUTION.

Prior to the initiation of any action or proceeding permitted by this Agreement to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation. The negotiation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person who would make the presentation of any settlement reached during negotiations to Owner for approval. Failing resolution, and prior to the commencement of depositions in any litigation between the parties arising out of this Agreement, the parties shall attempt to resolve the dispute through Mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The mediation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person or designee who would make the presentation of any settlement reached at mediation to Owner's Board for approval. Should either party fail to submit to mediation as required hereunder, the other party may obtain a court order requiring mediation under Section 44.102, Fla. Stat.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

EXHIBIT I: SUPPLEMENTAL TERMS AND CONDITIONS

☒ Attached hereto, following this page

Exhibit I.A: Supplemental Terms and Conditions
Exhibit I.B: Supplemental Federal Contract Provisions and Assurances

☐ Not Applicable

EXHIBIT I.A:

SUPPLEMENTAL TERMS AND CONDITIONS

The parties (Collier County and Contractor) agree to amend the Agreement within no later than ninety (90) days of the effective date to comply with legislative changes to Fla. Stat., §218.735, Timely payment for purchases of construction services, Fla. Stat., § 255.074, Procedures for calculation of payment due dates, Fla. Stat., §255.077, Project closeout and payment of retainage, and Fla. Stat., §255.078, Public construction retainage, (with an effective date of July 1, 2023).

CAO

DEPARTMENT OF FEDERAL AVIATION ADMINISTRATION
CFDA 21.106

The supplemental conditions contained in this section are intended to cooperate with, to supplement, and to modify the general conditions and other specifications. In cases of disagreement with any other section of this contract, the Supplemental Conditions shall govern.

The services performed by the awarded Contractor shall be in compliance with all applicable Federal Aviation Administration requirements, and additional requirements specified in this document. It shall be the awarded Contractor's responsibility to acquire and utilize the necessary manuals and guidelines that apply to the work required to complete this project. In general,

The term "contractor" is understood to mean a contractor, subcontractor, or consultant; and means one who participates, through a contract or subcontract (at any tier).

1) The contractor (including all subcontractors) must insert these contract provisions in each lower tier contracts (e.g. subcontract or sub-agreement);
2) The contractor (or subcontractor) must incorporate the applicable requirements of these contract provisions by reference for work done under any purchase orders, rental agreements and other agreements for supplies or services;
3) The prime contractor is responsible for compliance with these contract provisions by any subcontractor, lower-tier subcontractor or service provider

ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

1. AFFIRMATIVE ACTION REQUIREMENT

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

   Timetables

   Goals for minority participation for each trade: 17.9%

   Goals for female participation in each trade: 6.9%

These goals are applicable to all of the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

CAO

4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is Florida, Collier, Marco Island.

2. BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the Contractor or Consultant or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement. The County will provide the Contractor or Consultant written notice that describes the nature of the breach and corrective actions the Contractor or Consultant must undertake in order to avoid termination of the contract. County reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the County elects to terminate the contract. The County's notice will identify a specific date by which the Contractor or Consultant must correct the breach. County may proceed with termination of the contract if the Contractor or Consultant fails to correct the breach by deadline indicated in the County's notice. The duties and obligations imposed by the Contract Documents and the rights and remedies available there under are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

3. BUY AMERICAN PREFERENCE (AND CERTIFICATION)

The Contractor certifies that its bid/offer is in compliance with 49 USC § 50101, BABA and other related Made in America Laws, 1 U.S. statutes, guidance, and FAA policies, which provide that Federal funds may not be obligated unless all iron, steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder or offeror must complete and submit the certification of compliance with FAA's Buy American Preference, BABA and Made in America laws included herein with their bid or offer. The Airport Sponsor/Owner will reject as nonresponsive any bid or offer that does not include a completed certification of compliance with FAA's Buy American Preference and BABA.

The bidder or offeror certifies that all constructions materials, defined to mean an article, material, or supply other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of: non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber; or drywall used in the project are manufactured in the U.S.

4. CIVIL RIGHTS – GENERAL

The General Civil Rights Provisions found in 49 USC § 47123, derived from the Airport and Airway Improvement Act of 1982, Section 520, apply to all sponsor contracts regardless of funding source.

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual

orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

Specific Clause that is used for General Contract Agreements

The above provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract.

Specific Clause that is used for Lease Agreements or Transfer Agreements

If the Contractor transfers its obligation to another, the transferee is obligated in the same manner as the Contractor.

The above provision obligates the Contractor for the period during which the property is owned, used or possessed by the Contractor and the airport remains obligated to the Federal Aviation Administration.

5. CIVIL RIGHTS - TITLE VI ASSURANCE

Title VI Solicitation Notice

The COUNTY,), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);

- The Age Discrimination Act of 1975, as amended (42 USC § 6101 et seq.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must

- take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];

- · Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

Compliance with Nondiscrimination Requirements

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

CAO

2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

    a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

    b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

CAO

CLAUSES FOR TRANSFER OF REAL PROPERTY ACQUIRED OR IMPROVED UNDER THE AIRPORT IMPROVEMENT PROGRAM

The following clauses will be included in deeds, licenses, leases, permits, or similar instruments entered into by the Sponsor pursuant to the provisions of the Airport Improvement Program grant assurances:

A. The (grantee, lessee, permittee, etc. as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in the case of deeds and leases add "as a covenant running with the land"] that:
   1. In the event facilities are constructed, maintained, or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the (grantee, licensee, lessee, permittee, etc.) will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Title VI List of Pertinent Nondiscrimination Acts and Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

B. With respect to licenses, leases, permits, etc., in the event of breach of any of the above Nondiscrimination covenants, (***The FAA***) will have the right to terminate the (lease, license, permit, etc.) and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the (lease, license, permit, etc.) had never been made or issued.*

C. With respect to a deed, in the event of breach of any of the above Nondiscrimination covenants, the (***FAA***) will have the right to enter or re-enter the lands and facilities thereon, and the above-described lands and facilities will there upon revert to and vest in and become the absolute property of the (***FAA***) and its assigns.*

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)

CLAUSES FOR CONSTRUCTION/USE/ACCESS TO REAL PROPERTY ACQUIRED UNDER THE ACTIVITY, FACILITY OR PROGRAM

The following clauses will be included in deeds, licenses, permits, or similar instruments/agreements entered into by (***FAA***) pursuant to the provisions of the Airport Improvement Program grant assurances.

a. The (grantee, licensee, permittee, etc., as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add, "as a covenant running with the land") that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, lessee, permittee, etc.) will use the premises in compliance with all other requirements imposed by or pursuant to the Title VI List of Pertinent Nondiscrimination Acts and Authorities.

CAO

b. With respect to (licenses, leases, permits, etc.), in the event of breach of any of the above Non-discrimination covenants, (***FAA***) will have the right to terminate the (license, permit, etc., as appropriate) and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said (license, permit, etc., as appropriate) had never been made or issued.*
c. With respect to deeds, in the event of breach of any of the above Non-discrimination covenants, (***FAA***) will there upon revert to and vest in and become the absolute property of (***FAA***) and its assigns.*

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)

7. CLEAN AIR AND WATER POLLUTION CONTROL

Contractor agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 U.S.C. § 740-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251-1387). The Contractor agrees to report any violation to the County immediately upon discovery. The County assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration. Contractor must include this requirement in all subcontracts that exceed $150,000.

8. CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENT

1. Overtime Requirements.

No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; Liability for Unpaid Wages; Liquidated Damages.

In the event of any violation of the clause set forth in paragraph (1) of this clause, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this clause, in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this clause.

3. Withholding for Unpaid Wages and Liquidated Damages.

The Federal Aviation Administration (FAA) or the Owner shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this clause.

CAO

4. Subcontractors.
The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) and also a clause requiring the subcontractor to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this clause.

9. COPELAND "ANTI-KICKBACK" ACT
Contractor must comply with the requirements of the Copeland "Anti-Kickback" Act (18 USC 874 and 40 USC 3145), as supplemented by Department of Labor regulation 29 CFR part 3. Contractor and subcontractors are prohibited from inducing, by any means, any person employed on the project to give up any part of the compensation to which the employee is entitled. The Contractor and each Subcontractor must submit to the Owner, a weekly statement on the wages paid to each employee performing on covered work during the prior week. Owner must report any violations of the Act to the Federal Aviation Administration.

10. DAVIS-BACON REQUIREMENTS
1. Minimum Wages.

(i) All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by the Secretary of Labor under the Copeland Act (29 CFR Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalent thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided,* that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can easily be seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination;

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the Contractor, the laborers, or mechanics to be employed in the classification, or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii) (B) or (C) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

2. Withholding. The Federal Aviation Administration or the Sponsor shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and

mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the Federal Aviation Administration may, after written notice to the Contractor, Sponsor, Applicant, or Owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3. Payrolls and Basic Records.

(i) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker; his or her correct classification; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 1(b)(2)(B) of the Davis-Bacon Act); daily and weekly number of hours worked; deductions made; and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records that show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual costs incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The Contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Federal Aviation Administration if the agency is a party to the contract, but if the agency is not such a party, the Contractor will submit the payrolls to the applicant, Sponsor, or Owner, as the case may be, for transmission to the Federal Aviation Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR § 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (*e.g.*, the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH–347 is available for this purpose from the Wage and Hour Division Web site at *http://www.dol.gov/esa/whd/forms/wh347instr.htm* or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker and shall provide them upon request to the Federal Aviation Administration if the agency is a party to the contract, but if the agency is not such a party, the Contractor will submit them to the applicant, Sponsor, or Owner, as the case may be, for transmission to the Federal Aviation Administration, the Contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, Sponsor, or Owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR § 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR § 5.5 (a)(3)(i), and that such information is correct and complete;

(2) That each laborer and mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the Contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The Contractor or subcontractor shall make the records required under paragraph (3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Sponsor, the Federal Aviation Administration, or the Department of Labor and shall permit such representatives to interview employees during working hours on the job. If the Contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the Contractor, Sponsor, applicant, or Owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR § 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise

employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR § 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination that provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal Employment Opportunity. The utilization of apprentices, trainees, and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act Requirements.

The Contractor shall comply with the requirements of 29 CFR Part 3, which are incorporated by reference in this contract.

CAO

6. Subcontracts.

The Contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR §§ 5.5(a)(1) through (10) and such other clauses as the Federal Aviation Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR § 5.5.

7. Contract Termination: Debarment.

A breach of the contract clauses in paragraph 1 through 10 of this section may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR § 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements.

All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes Concerning Labor Standards.

Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

10. Certification of Eligibility.

(i) By entering into this contract, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR § 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR § 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 USC § 1001.

11. DEBARMENT AND SUSPENSION

CERTIFICATION OF OFFEROR/BIDDER REGARDING DEBARMENT
By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds $25,000 as a "covered transaction", must confirm each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally-assisted project. The successful bidder will accomplish this by:

(1) Checking the System for Award Management at website: http://www.sam.gov.
(2) Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
(3) Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

12. DISADVANTAGED BUSINESS ENTERPRISE

Solicitation Language (Race/Gender Neutral Means)
The requirements of 49 CFR part 26 apply to this contract. It is the policy of the COUNTY to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The Owner encourages participation by all firms qualifying under this solicitation regardless of business size or ownership. **4.95% of FAA-assisted contracts will be expended with DBE contractors through race neutral means.**

Contract Assurance (§26.13)
The Contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

1) Withholding monthly progress payments;
2) Assessing sanctions;
3) Liquidated damages; and/or
4) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment Mechanisms (§26.29)
The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contractor receives from the Authority. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's work is substantially (95 percent) completed. Any delay or postponement of payment from the above referenced timeframe may occur only for good cause following written approval of the Authority. This clause applies to both DBE and non-DBE subcontractors.

Florida Department of Transportation DBE Certification Requirements for FAA Grant Funded Projects

Directory (§26.31)

CAO

The Authority uses the Florida Unified Certification Program (FL UCP) DBE Directory, maintained by the Florida Department of Transportation (FDOT). The Directory lists the firm's name, address, phone number, date of the most recent certification, and the type of work the firm has been certified to perform as a DBE. In addition, the Directory lists each type of work for which a firm is eligible to be certified by using the most specific NAICS code available to describe each type of work.

The Florida Department of Transportation updates the Directory at least annually, and periodically, as necessary. The Directory is available for review by contacting: Andrew Bennett, Airport Manager, Collier County Airport Authority, 2005 Mainsail Drive, Suite 1, Naples, FL 34114, 239-642-7878. The Directory may be found at http://www.dot.state.fl.us/equalopportunityoffice/

Certification Process (§ 26.61 – 26.73)
The Authority will refer all matters pertaining to certification to the Florida Department of Transportation in accordance with the Florida UCP program. The Florida Department of Transportation will use the certification standards of Subpart D of Part 26 to determine the eligibility of firms to participate as DBEs in USDOT-assisted contracts. To be certified as a DBE, a firm must meet all certification eligibility standards. The Florida Department of Transportation will make all certification decisions based on the facts as a whole.

For further information about the certification process or to apply for certification, firms should contact:

Florida Department of Transportation (FDOT)
Equal Opportunity Office
605 Suwannee St. MS 65
Tallahassee, Florida 32399-0450
(850) 414-4747
Equal Opportunity Office
http://www.dot.state.fl.us/equalopportunityoffice/

County Administrative Reconsideration (§26.53(d))
Within ten (10) days of being informed by the Authority that it is not responsive because it has not documented sufficient good faith efforts, a bidder may request administrative reconsideration. Bidders should make this request in writing to the following reconsideration official: **Gene Shue, Operations Support Director, Collier County Airport Authority, 2885 S. Horseshoe Drive, Naples, FL 34104, 239-252-5169.** The reconsideration official will not have played any role in the original determination that the bidder did not document sufficient good faith efforts.

As part of this reconsideration, the bidder will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidder will have the opportunity to meet in person with the Authority's administrative reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do. The Authority will send the bidder a written decision on reconsideration, explaining the basis for finding that the bidder did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the US Department of Transportation.

13. DISTRACTED DRIVING / TEXTING WHEN DRIVING
In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving", (10/1/2009) and DOT Order 3902.10, "Text Messaging While Driving",

(12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the Contractor to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The Contractor must include the substance of this clause in all sub-tier contracts exceeding $10,000 that involve driving a motor vehicle in performance of work activities associated with the project.

14. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

The Federal awarding agency prohibits the County to enter into a contract to procure or obtain equipment, services or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

Contractor and Subcontractor agree to comply with mandatory standards and policies relating to use and procurement of certain telecommunications and video surveillance services or equipment in compliance with the National Defense Authorization Act [Public Law 115-232 § 889(f)(1)].

15. DOMESTIC PREFERENCE FOR PROCUREMENTS AND CERTIFCATION

The Bidder or Offeror certifies by signing and submitting this bid or proposal that, to the greatest extent practicable, the Bidder or Offeror has provided a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including, but not limited to, iron, aluminum, steel, cement, and other manufactured products) in compliance with 2 CFR § 200.322.

16. EQUAL EMPLOYMENT OPPORTUNITY (EEO)

During the performance of this contract, the contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identify, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant.

CAO

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance: *Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

STANDARD FEDERAL EQUAL EMPLOYMENT OPPORTUNITY CONSTRUCTION CONTRACT SPECIFICATIONS

1. As used in these specifications:
   a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
   b. "Director" means Director, Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, or any person to whom the Director delegates authority;

CAO

c. "Employer identification number" means the Federal social security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;
d. "Minority" includes:
(1) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
(2) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race);
(3) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
(4) American Indian or Alaskan native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR part 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved plan is individually required to comply with its obligations under the EEO clause and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7a through 7p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction contractors performing construction work in a geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training

CAO

period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other onsite supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

c. Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decisions including specific review of these items with onsite supervisory personnel such superintendents, general foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other contractors and subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the site and in other areas of a contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel, for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations, which assist in fulfilling one or more of their affirmative action obligations (7a through 7p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the

CAO

Contractor is a member and participant may be asserted as fulfilling any one or more of its obligations under 7a through 7p of these specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

11. The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR part 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government, and to keep records. Records shall at least include for each employee, the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g. those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

17. FEDERAL FAIR LABOR STANDARDS ACT (FEDERAL MINIMUM WAGE)
All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers.

The Contractor or Consultant has full responsibility to monitor compliance to the referenced statute or regulation. The Contractor or Consultant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

The U.S. Department of Labor Wage Rates applicable to the Contract is listed in Wage Rate Decision Number **FL20230201 07/07/2023**, as modified up through ten days prior to the opening of bids.
This Wage Rate Decision appears in its entirety at the end of this Exhibit if applicable.

18. LOBBYING AND INFLUENCING FEDERAL EMPLOYEES / CERTIFICATION
The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

19. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970
All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The

employer, hereinafter known as "the Contractor," must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The Contractor retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). Contractor must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

20. PROCUREMENT OF RECOVERED MATERIALS
41 CFR § 200.323, 40 CFR part 247, Solid Waste Disposal Act
Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

1) The contract requires procurement of $10,000 or more of a designated item during the fiscal year; or
2) The contractor has procured $10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the contractor can demonstrate the item is:

a) Not reasonably available within a timeframe providing for compliance with the contract performance schedule;
b) Fails to meet reasonable contract performance requirements; or
c) Is only available at an unreasonable price.

21. PROHIBITION OF SEGREGATED FACILITIES
(a) The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Employment Opportunity clause in this contract.

(b) "Segregated facilities," as used in this clause, means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

(c) The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Employment Opportunity clause of this contract.

CAO

22. RIGHTS TO INVENTIONS

Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the Owner in any resulting invention as established by 37 CFR part 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This contract incorporates by reference the patent and inventions rights as specified within 37 CFR § 401.14. Contractor must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

23. SEISMIC SAFETY

The Contractor agrees to ensure that all work performed under this contract, including work performed by subcontractors, conforms to a building code standard that provides a level of seismic safety substantially equivalent to standards established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety.

24. TAX DELINQUENCY AND FELONY CONVICTIONS (form at the end of this document)

CERTIFICATION OF OFFEROR/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications (See Separate Assurance)

1) The applicant represents that it is ( ) is not (X) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
2) The applicant represents that it is ( ) is not (X) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the Sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies

the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

25. TERMINATION OF CONTRACT

1. TERMINATION FOR DEFAULT.

1.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for Owner to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the Project Manager or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

1.2 Owner shall notify Contractor in writing of Contractor's default(s). If Owner determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice or such longer period of time as may be consented to by Owner in writing and in its sole discretion, then Owner, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose.

1.3 If Owner deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All moneys expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorneys' fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the Owner to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or Owner, as the case may be, shall be approved by the Project Manager, upon application, and this obligation for payment shall survive termination of the Agreement.

1.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

1.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Contractor provided herein, then the termination will be deemed a termination for convenience and Contractor's remedies against Owner shall be the same as and limited to those afforded Contractor under Section 19 below.

1.6 In the event (i) Owner fails to make any undisputed payment to Contractor within thirty (30) days after such payment is due or Owner otherwise persistently fails to fulfill some material obligation owed by Owner to Contractor under this Agreement, and (ii) Owner has failed to cure such default within fourteen (14) days of receiving written notice of same from Contractor, then Contractor may stop its performance under this Agreement until such default is cured, after giving Owner a second fourteen (14) days written notice of Contractor's intention to stop performance under the Agreement. If the Work is so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the Contractor or its Subcontractors or their agents or employees or any other persons performing portions of the Work under contract with the Contractor or any Subcontractor, the Contractor may terminate this Agreement by giving written notice to Owner of Contractor's intent to terminate this Agreement. If Owner does not cure its default within fourteen (14) days after receipt of Contractor's written notice, Contractor may, upon fourteen (14) additional days' written notice to the Owner, terminate the Agreement and recover from the Owner payment for Work performed through the termination date, but in no event shall Contractor be entitled to payment for Work not performed or any other damages from Owner.

2. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

2.1 Owner shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

2.2 Owner shall have the right to suspend all or any portions of the Work upon giving Contractor not less than two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds six (6) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

3. TERMINATION FOR DEFAULT.

CAO

3.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for Owner to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the Project Manager or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

3.2 Owner shall notify Contractor in writing of Contractor's default(s). If Owner determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice or such longer period of time as may be consented to by Owner in writing and in its sole discretion, then Owner, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which Owner, in its sole discretion, may choose.

3.3 If Owner deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All moneys expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by Owner incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to Owner on demand the full amount of such excess, including costs of collection, attorneys' fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the Owner to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or Owner, as the case may be, shall be approved by the Project Manager, upon application, and this obligation for payment shall survive termination of the Agreement.

3.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by Owner in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

3.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that Owner is not entitled to the remedies against Contractor provided herein, then the termination will be deemed a termination for convenience and Contractor's remedies against Owner shall be e same as and limited to those afforded Contractor under Section 19 below.

CAO

3.6 In the event (i) Owner fails to make any undisputed payment to Contractor within thirty (30) days after such payment is due or Owner otherwise persistently fails to fulfill some material obligation owed by Owner to Contractor under this Agreement, and (ii) Owner has failed to cure such default within fourteen (14) days of receiving written notice of same from Contractor, then Contractor may stop its performance under this Agreement until such default is cured, after giving Owner a second fourteen (14) days written notice of Contractor's intention to stop performance under the Agreement. If the Work is so stopped for a period of one hundred and twenty (120) consecutive days through no act or fault of the Contractor or its Subcontractors or their agents or employees or any other persons performing portions of the Work under contract with the Contractor or any Subcontractor, the Contractor may terminate this Agreement by giving written notice to Owner of Contractor's intent to terminate this Agreement. If Owner does not cure its default within fourteen (14) days after receipt of Contractor's written notice, Contractor may, upon fourteen (14) additional days' written notice to the Owner, terminate the Agreement and recover from the Owner payment for Work performed through the termination date, but in no event shall Contractor be entitled to payment for Work not performed or any other damages from Owner.

4. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

4.1 Owner shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against Owner shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against Owner, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

4.2 Owner shall have the right to suspend all or any portions of the Work upon giving Contractor not less than two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds six (6) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

26. TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror –

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (U.S.T.R.);
2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the U.S.T.R; and
3) has not entered into any subcontract for any product to be used on the Federal on the project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R.

CAO

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

The Offeror/Contractor must provide immediate written notice to the County if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the U.S.T.R. or
2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such U.S.T.R. list or
3) who incorporates in the public works project any product of a foreign country on such U.S.T.R. list;

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in in all lower tier subcontracts. The contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by U.S.T.R, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the County cancellation of the contract or subcontract for default at no cost to the County or the FAA.

27. VETERAN'S PREFERENCE

In the employment of labor (excluding executive, administrative, and supervisory positions), the contractor and all sub-tier contractors must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 U.S.C. 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.

CAO

STATE PROVISIONS

RECORDS RETENTION AND ACCESS

Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these records shall be furnished to the Department upon request. Records of costs incurred include the Agency's general accounting records and the Project records, together with supporting documents and records, of the Contractor and all subcontractors performing work on the Project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.

The contractor agrees to comply with 20.055(5) F.S. and incorporate in all its subcontractors the obligations to comply with 20.055(5) F.S to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to this section.

RESTRICTIONS, PROHIBITIONS, CONTROLS AND LABOR PROVISIONS

a. Convicted Vendor List. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

b. **Discriminatory Vendor List**. In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

c. **Non-Responsible Contractors**. An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied, or have further been determined by the Department to be a non-responsible contractor, may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the Agency.

d. **Prohibition on Using Funds for Lobbying**. No funds received pursuant to this Agreement may be expended for lobbying the Florida Legislature, judicial branch, or any state agency, in accordance with Section 216.347, Florida Statutes.

UNAUTHORIZED ALIENS

FDOT shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation will be cause for unilateral cancellation of this Agreement.

CAO

E-VERIFY

Contractors shall: I. Utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Agency during the term of the contract; and II. Expressly require any subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's EVerify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

INDEMNIFICATION

To the fullest extent permitted by law, the Agency's contractor/consultant shall indemnify, defend, and hold harmless the Agency and the State of Florida, Department of Transportation, including the Department's officers and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of the contractor/consultant and persons employed or utilized by the contractor/consultant in the performance of this Agreement.

This indemnification shall survive the termination of this Agreement.

AGENCY NOT AN AGENT OF DEPARTMENT

The Agency and the Department agree that the Agency, its employees, contractors, subcontractors, consultants, and subconsultants are not agents of the Department as a result of this Agreement.

CONSULTANT/CONTRACTOR

The Florida Department of Transportation has the right to disapprove the Agency's employment of consultants, contractors, and subcontractors for all or any part of this Project if the specific consultants, contractors, or subcontractors have a record of poor project performance with the Department.

CAO

DOL WAGE RATE DECISION

☒ **APPLICABLE**

See following pages for this document.

CAO

"General Decision Number: FL20230201 07/07/2023

Superseded General Decision Number: FL20220201

State: Florida

Construction Type: Building

County: Collier County in Florida.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	. Executive Order 14026 generally applies to the contract. . The contractor must pay all covered workers at least $16.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2023.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	. Executive Order 13658 generally applies to the contract. . The contractor must pay all covered workers at least $12.15 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2023.

CAO

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at http://www.dol.gov/whd/govcontracts.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

==========

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 ($16.20) or 13658 ($12.15). Please see the Note at the top of the wage determination for more information.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any

CAO

solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the

most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISIO"

FEDERAL CERTIFICATIONS AND ASSURANCES

See following pages for documents.

The following items must be submitted with the bid package.

1. Certification Regarding Debarment, Suspension, and Other Responsibility Matters
2. Disadvantaged Business Enterprise (DBE) Utilization
3. Bidders List
4. Certification of Buy American Certification for Equipment / Building Projects
5. Collier County Conflict of Interest Certification
6. Certification of Offeror/Bidder Regarding Tax Delinquency and Felony Convictions
7. Certification Regarding Lobbying
8. Acknowledgement of Grant Terms and Conditions

COLLIER COUNTY

Certification Regarding Debarment, Suspension, and Other Responsibility Matters
Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

CAO

COLLIER COUNTY
Federal Aviation Administration (FAA)
Certification of Buy American Certification for Equipment/Building Projects

As a matter of bid responsiveness, the bidder or offeror must complete, sign, date, and submit this certification statement with their proposal. The bidder or offeror must indicate how they intend to comply with 49 USC § 50101, and other Made in America Laws, U.S. statutes, guidance, and FAA policies by selecting one on the following certification statements. These statements are mutually exclusive. **Bidder must select one or the other (not both) by inserting a checkmark (✓) or the letter "X".**

☐ Bidder or offeror hereby certifies that it will comply with 49 USC § 50101, BABA and other related U.S. statutes, guidance, and policies of the FAA by:

a) Only installing steel and manufactured products produced in the United States;
b) Only installing construction materials defined as: an article, material, or supply – other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber or drywall that have been manufactured in the United States.
c) Installing manufactured products for which the Federal Aviation Administration (FAA) has issued a waiver as indicated by inclusion on the current FAA Nationwide Buy American Waivers Issued listing; or
d) Installing products listed as an Excepted Article, Material or Supply in Federal Acquisition Regulation Subpart 25.108.

By selecting this certification statement, the bidder or offeror agrees:

a) To provide to the Airport Sponsor or FAA evidence that documents the source and origin of the steel and manufactured product.
b) To faithfully comply with providing U.S. domestic product.
c) To furnish U.S. domestic product for any waiver request that the FAA rejects.
d) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

OR

☑ The bidder or offeror hereby certifies it cannot comply with the 100 percent Buy American Preferences of 49 USC § 50101(a) but may qualify for a Type 3 waiver under 49 USC § 50101(b). By selecting this certification statement, the apparent bidder or offeror with the apparent low bid agrees:

a) To submit to the Airport Sponsor or FAA within 15 calendar days of being selected as the responsive bidder, a formal waiver request and required documentation that supports the type of waiver being requested.
b) That failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination that may result in rejection of the proposal.
c) To faithfully comply with providing U.S. domestic products at or above the approved U.S. domestic content percentage as approved by the FAA.
d) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

CAO

Required Documentation
Certification of Buy American Certification for Equipment/Building Projects

Type 2 Waiver (Nonavailability) - The iron, steel, manufactured goods or construction materials are not available in sufficient quantity or quality in the United States. The required documentation for the Nonavailability waiver is:

a) Completed Content Percentage Worksheet and Final Assembly Questionnaire
b) Record of thorough market research, consideration where appropriate of qualifying alternate items, products, or materials including;
c) A description of the market research activities and methods used to identify domestically manufactured items capable of satisfying the requirement, including the timing of the research and conclusions reached on the availability of sources.

Type 3 Waiver – The cost of the item components and subcomponents produced in the United States is more that 60 percent of the cost of all components and subcomponents of the "item". The required documentation for a Type 3 waiver is:

a) Completed Content Percentage Worksheet and Final Assembly Questionnaire including;
b) Listing of all product components and subcomponents that are not comprised of 100 percent U.S. domestic content (Excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108 (products of unknown origin must be considered as non-domestic products in their entirety).
c) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly at place of manufacture.
d) Percentage of non-domestic component and subcomponent cost as compared to total "item" component and subcomponent costs, excluding labor costs associated with final assembly at place of manufacture.

Type 4 Waiver (Unreasonable Costs) - Applying this provision for iron, steel, manufactured goods or construction materials, would increase the cost of the overall project by more than 25 percent. The required documentation for this waiver is:

a) Completed Content Percentage Worksheet and Final Assembly Questionnaire from
b) At minimum two comparable equal bidders and/or offerors;
c) Receipt or record that demonstrates that supplier scouting called for in Executive Order 14005, indicates that no domestic source exists for the project and/or component;
d) Completed waiver applications for each comparable bid and/or offer.

False Statements: Per 49 USC § 47126, this certification concerns a matter within the jurisdiction of the Federal Aviation Administration and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code.

Certification of Offeror/Bidder Regarding Tax Delinquency and Felony Convictions

The Contractor must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

1) The applicant represents that it is ( ) is not (X) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

2) The applicant represents that it is ( ) is not (X) is not a corporation that was

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty-four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

Federal (and State) Certification Regarding Lobbying

The undersigned certifies, to the best of his or her knowledge, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, DEC Contracting Group, Inc., certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq.*, apply to this certification and disclosure, if any.

In addition, the Contractor understands and agrees that the provisions of 11.062, Florida Statutes., apply to this certification and disclosure, if any.

FIRST AMENDMENT TO CONSTRUCTION AGREEMENT FOR INVITATION TO BID NO. 23-8120

THIS FIRST AMENDMENT TO CONSTRUCTION AGREEMENT is entered into by and between Collier County Board of County Commissioner (hereby referred to as "Owner/County") and DEC Contracting Group, Inc. (hereby referred to as "Contractor) authorized to do business in the State of Florida, to perform all work ("Work") in connection with Construction Invitation to Bid No. 23-8120, Bulk Aircraft Hangar at Marco Island Executive Airport ("MKY"), ("Project").

WITNESSETH

WHEREAS, the COUNTY issued Construction Invitation to Bid (ITB) 23-8120 for the purpose of securing a responsive and responsible bidder to provide the construction services; and

WHEREAS, the CONTRACTOR submitted a bid in response to the ITB, was identified as the apparent low bidder, and was recommended for and awarded a Construction Agreement (the "Agreement") for the ITB by the COUNTY; and

WHEREAS, the Florida enacted several statutory changes that became effective July 1, 2023, which among other things, modified: (1) how payments for construction services are processed, (2) mandated certain requirements regarding the use of final punch lists relating to such construction projects, (3) procedures for addressing payment disputes, and other similar concerns that promote the prompt payment and final completion of public construction projects before the Parties could adequately memorialize those required changes within the contract documents but agreed to subsequently amend the Agreement to include those required statutory provisions; and

WHEREAS, the Parties have discussed and agreed upon revisions to the Agreement so that the terms and conditions now comply with State law.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, additional to those heretofore made, the parties agree to modify the Contract as follows:

1. Schedule A reflects Words ~~Struck Through~~ are deleted: Words <u>Underlined</u> are added.
2. Exhibits D through G have been renumbered.
3. Exhibit E-2 Work Directive, Exhibit F-2 Certificate of Final Completion, Exhibit F-3 Punch List, and Exhibit G-2 Warranty are hereby incorporated into the Agreement.
4. Exhibit B-3 Insurance Requirements, and Exhibit E Change Order, are hereby replaced in its entirety with the attached template forms.
5. All other terms and conditions of the Agreement, as previously amended, shall remain the same.

IN WITNESS WHEREOF, the Parties have executed this First Amendment by an authorized person or agent on the last date signed below.

Section 5. Contract Time and Liquidated Damages.

A. Time of Performance.

Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the written Notice to Proceed to be issued by the Project Manager, as hereinafter defined. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. Contractor shall achieve Substantial Completion within **8- (8-Days in Numbers)** calendar days from the Commencement Date (herein "Contract Time"). The date of Substantial Completion of the Work (or designated portions thereof) is the date certified by the Design Professional when construction is sufficiently complete, in accordance with the Contract Documents, so Owner can occupy or utilize the Work (or designated portions thereof) for the use for which it is intended, as more particularly defined herein at Section 16, Defined Terms. Contractor shall achieve Final Completion within **9 (9-Days in numbers)** calendar days after the date ~~of Substantial Completion.~~the Punch List is delivered to the Contractor. Final Completion shall occur when the Agreement is completed in its entirety, is accepted by the Owner as complete and is so stated by the Owner as completed. As used herein and throughout the Contract Documents, the phrase "Project Manager" refers to the Owner's duly authorized representative and shall mean the Department Administrator or Division Director, as applicable, acting directly or through duly authorized representatives.

B. Liquidated Damages in General.

Owner and Contractor recognize that, since time is of the essence for this Agreement, Owner will suffer financial loss if Contractor fails to achieve Substantial Completion within the time specified above, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, **10- Amount of Dollars Described in Words (Dollars in Numbers)** for each calendar day thereafter until Substantial Completion is achieved. Further, in the event Substantial Completion is reached, but the Contractor fails to reach Final Completion within the required time period, Owner shall also be entitled to assess, and Contractor shall be liable for all actual damages incurred by Owner as a result of Contractor failing to timely achieve Final Completion. The Project shall be deemed to be substantially completed on the date the Project Manager (or at his/her direction, the Design Professional) issues a Certificate of Substantial Completion pursuant to the terms hereof, and as more particularly defined herein at Section 16, Defined Terms. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the Owner's actual damages at the time of contracting if Contractor fails to Substantially or Finally Complete the Work within the required time periods.

***

D. Determination of Number of Days of Default

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

For all contracts, ~~regardless of whether the Contract Time is stipulated in calendar days or working days,~~ the Owner will count default days in calendar days.

***

F. Completion of Work by Owner.

In the event Contractor defaults on any of its obligations under the Agreement and Owner elects to complete the Work, in whole or in part, through another contractor or its own forces, the Contractor and its surety shall continue to be liable for the liquidated damages under the Agreement until Owner achieves Substantial and Final Completion of the Work, as more particularly defined herein at Section 16, Defined Terms. Owner will not charge liquidated damages for any delay in achieving Substantial or Final Completion as a result of any unreasonable action or delay on the part of the Owner.

Section 16. Construction.

(i) Any doubtful or ambiguous language contained in this Agreement shall not be construed against the party who physically prepared this Agreement. The rule sometimes referred to as "fortius contra proferentum" (pursuant to which ambiguities in a contractual term which appears on its face to have been inserted for the benefit of one of the parties shall

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

be construed against the benefited party) shall not be applied to the construction of this Agreement.

(ii) Defined Terms: The following Defined Terms used in the Agreement shall be understood to be defined as expressly set forth below. Other terms referenced in the Agreement shall be understood as they may separately be defined herein or if not so defined shall be understood consistent with their natural and ordinary meaning.

(a) "Application for Payment" shall mean the form provided by the Owner that is to be used by the Contractor in requesting a progress or fFinal pPayment and which is to include such supporting documentation as is required by the Contract Documents.

(b) "Construction Project" shall mean a Project, funded by Owner funds that involves the process of building, altering, repairing, improving, or demolishing any public structure or building, or other public improvements of any kind to any real property owned or under the control of the Owner, which Work is being performed under a Construction Contract.

(c) "Construction Services" shall mean all labor and materials to be provided by Contractor in connection with the construction, alteration, repair, demolition, reconstruction, or any other improvements to real property. Construction Services also means Work.

(d) "Contract" or "Contract Documents" shall refer to those documents described in Section 1, subsection A of the Agreement.

(e) "Defective" shall mean an adjective which, when modifying the Work, refers to Work that is unsatisfactory, faulty, deficient or otherwise does not conform to the Contract Documents.

(f) "Department" shall mean the Department or Division initiating and managing the Project on behalf of the Owner.

(g) "Director" shall mean the Director or Administrator of the Department or Division initiating and managing the Project on behalf of the Owner.

(h) "Final Acceptance" shall mean acceptance of the Work by the Owner as evidenced by the signature of the Project Manager or Design Professional upon the Certificate of Final Completion form, Exhibit F-2. Final Acceptance shall be deemed to have taken place only if and when such signature is affixed to such certificate. The Certificate of Final Completion shall be signed only after the Project Manager has assurance by tests, inspection, or otherwise that all of the provisions of the Contract Documents have been carried out, including completion of the Punch List form, Exhibit F-3.

(i) "Professional" or "Design Professional" shall mean the professional architectural/engineering firm designated to perform the design, Construction Engineering and Inspection ("CEI") services, by an existing agreement, or resident in-house Owner engineering services for the Work. At times, Owner staff may perform the design for the Work in-house and shall be considered the Professional in relation to the Work or a particular portion of the Work.

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

(j) "Project" shall mean the total construction, of which the Work to be provided under the Contract Documents may be the whole or a part as indicated elsewhere in the Contract Documents.

(k) "Project Manager" shall mean an individual employed by the Owner and assigned to manage and administer the Project which is the subject of the Contract Documents.

(l) "Proper Invoice" shall mean an invoice that conforms with all statutory requirements and all requirements specified in the Contract Documents.

(m) "Punch List" shall mean the approved list of incomplete and/or deficient Work that shall be completed by the Contractor after Substantial Completion but before the Final Acceptance can be certified by the Project Manager. The Punch List enumerates the items required to render complete, satisfactory and acceptable all Work by the Contractor. The Punch List is developed by the Contractor, Owner and Professional (if any) in accordance with the provisions of the Contract and within the time frames required therein. The Punch List essentially includes items of a minor nature; major items must be completed before Substantial Completion and cannot be considered to be Punch List work.

(n) "Schedule of Values" shall mean a schedule showing all activities of the Work subdivided into component parts in sufficient detail to serve as the basis for measuring quantities in place and/or calculating amounts for progress payments during construction. The Schedule of Values shall be satisfactory in form and substance to the Project Manager.

(o) "Substantial Completion" shall mean the status of completion of the Work which, in the opinion of the Project Manager as evidenced by a definitive Certificate of Substantial Completion, is complete in accordance with the Contract Documents, except for minor outstanding items listed on the Punch List. Substantial Completion includes, but is not limited to, the following occurring: (1) the Work can be safely utilized for the purposes for which it was intended; (2) all regulatory agency requirements are satisfied, including occupancy permits, operating certificates and similar releases, (3) all operational testing has successfully occurred; (4) all required training has successfully occurred; (5) all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports, test logs, operational manuals, etc.) have been provided by the Contractor and accepted by the Owner, and permit acceptance by permitting agencies, if applicable, Exhibit F-1.

(p) "Work" shall mean the Work to be performed under this Agreement shall consist of furnishing all plant, tools, equipment, materials, supplies, and manufactured articles and for furnishing all transportation and services, including fuel, power, water, and essential communications, and for the performance of all labor, work, or other operations required for the fulfillment of the Agreement in strict accordance with the Specifications, schedules, Drawings, and other Contract Documents as herein defined, all of which are made a part hereof, and including such detailed sketches as may be furnished by the Professional from time to time during construction in explanation of said Contract Documents. The Work shall be complete, and all work, materials, and services not expressly shown or called for in the Contract Documents which may be necessary for the complete and proper construction of the Work in good

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

faith shall be performed, furnished, and installed by the Contractor as though originally so specified or shown, at no increase in cost to the Owner.

(q) "Written Directive" shall mean a written directive, as required by in Exhibit H, Section 10.1, in the form that appears in Exhibit E-2 that is issued to a Contractor from Owner in instances where the parties cannot agree on price and/or costs associated with work arising from differing, unforeseen or emergency site conditions and the work in question is part of the "critical path" of the contract schedule. A written directive should ultimately be followed up with an agreed upon Change Order. A verbal Work Directive may only be issued in extraordinary emergencies when necessary to protect and promote the public interest, which shall be followed up with a written Work Directive within five (5) business days.

***

EXHIBIT H: GENERAL TERMS AND CONDITIONS

***

3. SCHEDULE.

3.1 The Contractor, within ten (10) calendar days after ~~receipt~~ the Board's award of the ~~Notice of Award~~ Agreement, shall prepare and submit to Project Manager, for their review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule shall relate to all Work required by the Contract Documents~~,~~ and shall utilize the Critical Path method of scheduling and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

4. PROGRESS PAYMENTS.

4.1 Prior to submitting its first monthly Application for Payment, Contractor shall submit to Project Manager, for their review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the Project Manager, this schedule of values shall be used as the basis for the Contractor's monthly Applications for Payment. This schedule shall be updated and submitted each month along with a completed copy of the Application for Payment form signed by the Contractor's authorized representative and attached to the Agreement as Exhibit D.

4.2 Prior to submitting its first monthly Application for Payment, Contractor shall provide to the Project Manager the list of its Subcontractors and materialmen submitted with its Bid showing the work and materials involved and the dollar amount of each subcontract and purchase order. Contractor acknowledges and agrees that any modifications to the list of Subcontractors submitted with Contractor's Bid and any subsequently identified Subcontractors are subject to Owner's prior written approval. Contractor acknowledges and agrees that any modifications to the list of Subcontractors submitted with Contractor's Bid and any subsequently identified Subcontractors are subject to Owner's prior written approval. The first Application for Payment shall be submitted no earlier than thirty (30) days after the Commencement Date. Notwithstanding anything herein to the contrary, if approved by Owner in its sole discretion, Contractor may submit its invoice for any required Payment and Performance Bonds prior to the first Application of Payment provided that

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

Contractor has furnished Owner certified copies of the receipts evidencing the premium paid by Contractor for the bonds.

Unsupported or unreasonable allocation of the Contract Price to any one activity shall be justification for rejection of the Schedule of Values. The Contractor shall not submit an unbalanced schedule of values which provides for overpayment to the Contractor on activities that would be performed first. The schedule of values shall be revised and resubmitted until acceptable to the Project Manager. Once the schedule has been accepted by the Project Manager, the Owner reserves the right (at its option) throughout the Contract to require that the Contractor honor a particular price contained in the schedule of values, if the activity pertaining to it is being deleted or modified. Upon approval of the schedule of values by the Project Manager, it shall be incorporated into the form of Application for Payment attached to the Agreement as Exhibit D and shall be used as the basis for the Contractor's monthly Applications for Payment. The schedule shall be updated and submitted each month along with a completed copy of the Application for Payment form signed by the Contractor's authorized representative.

4.3 Unless expressly approved by Owner in advance and in writing, said approval at Owner's sole discretion, Owner is not required to make any payment for materials or equipment that have not been incorporated into the Project. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location, ~~and such payment and storage have been~~ agreed to by the Owner in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the Owner has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect Owner's interest therein, all of which shall be subject to the Owner's satisfaction. Thereafter, with each Application for Payment, Contractor also shall complete and submit to Owner as part of its Application for Payment, the Stored Materials Record form attached hereto and made a part hereof as Exhibit D-3.

4.4 Contractor shall submit its monthly Application for Payment to the Project Manager or his or her designee, as directed by Owner (which designee may include the Design Professional). ~~After~~Within twenty (20) business days after the date of each Application for Payment is stamped as received, and within the timeframes set forth in Section 218.735 F.S., the Project Manager, or Design Professional, shall either: (1) Indicate its approval of the requested payment; (2) indicate its approval of only a portion of the requested payment, stating in writing its reasons ~~therefore~~therefor; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. Payments of proper invoices ~~in the amounts approved~~ shall be processed ~~and paid~~ in accordance with Section 218.735, F.S. and the ~~administrative procedures established by the County's~~Owner's ~~Procurement Services Division and the Clerk of Court's Finance Department, respectively~~ terms of the Contract Documents.

4.5 In the event of a total denial by Owner and return of the Application for Payment by the Project Manager, the Contractor may make the necessary corrections and re-submit the Application for Payment. The Owner shall, within ten (10) business days after the Application for Payment is stamped and received and after Project Manager approval of an Application for Payment, pay the Contractor the amounts so approved.

4.6 Owner shall withhold retainage on the gross amount of each monthly progress in the amount of five percent (5%), as permitted by Section 255.078, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 255.078, Florida Statutes. Any reduction in retainage

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

below the maximum amount set forth in Section 255.078, Florida Statutes shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until ~~final~~ Final ~~payment~~ Payment is due unless otherwise agreed to by the Owner in accordance with Florida Statute 255.078. Any interest earned on retainage shall accrue to the benefit of the Owner.

4.7 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's Work.

4.8 Each Application for Payment, subsequent to the first pay application, shall be accompanied by a Release and Affidavit, in the form attached as Exhibit C, acknowledging Contractor's receipt of payment in full for all materials, labor, equipment and other bills that are then due and payable by Owner with respect to the current Application for Payment. Further, to the extent directed by Owner and in Owner's sole discretion, Contractor shall also submit a Release and Affidavit from each Subcontractor, sub-subcontractor, or supplier in the form attached as Exhibit C acknowledging that each Subcontractor, sub-subcontractor, or supplier has been paid in full through the previous month's Application for Payment. The Owner shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.9 Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule. Accordingly, prior to submitting its first monthly Application for Payment, Contractor shall prepare and submit for Project Manager's review and approval, a detailed Project Funding Schedule, which shall be updated as necessary and approved by Owner to reflect approved adjustments to the Contract Amount and Contract Time. No voluntary acceleration or early completion of the Work shall modify the time of payments to Contractor as set forth in the approved Project Funding Schedule.

4.10 Notwithstanding anything in the Contract Documents to the contrary, Contractor acknowledges and agrees that in the event of a dispute concerning payments for Work performed under this Agreement, Contractor shall continue to perform the Work required of it under this Agreement pending resolution of the dispute provided that Owner continues to pay Contractor all amounts that Owner does not dispute are due and payable.

4.11 Payments will be made for services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-payment under the legal doctrine of "laches" as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this agreement.

4.12 The ~~County~~Owner may, at its discretion, use VISA/MASTER card credit network as a payment vehicle for goods and/or services purchased as a part of this contract. The ~~County~~Owner may not accept any additional surcharges (credit card transaction fees) as a result of using the ~~County's~~Owner's credit card for transactions relating to the agreement.

***

6. FINAL PAYMENT.

6.1 Owner shall make ~~final~~ Final ~~payment~~ Payment to Contractor in accordance with Section 218.735, F.S. and the ~~administrative procedures established by the County's Procurement Services Division and the Clerk of Court's Finance Department~~ terms of the Contract Documents after the Work is finally inspected and accepted by Project Manager as

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

set forth with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to ~~final~~ Final ~~payment~~Payment, shall have furnished Owner with a properly executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as, a duly executed copy of the Surety's consent to ~~final~~ Final ~~payment~~ Payment and such other documentation that may be required by the Contract Documents and the Owner. Prior to release of ~~final~~ Final ~~payment~~ Payment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Acceptance and Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G.

***

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by Owner if sufficient information is submitted by Contractor to allow the Owner to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by Owner from anyone other than Contractor and all such requests must be submitted by Contractor to Project Manager within thirty (30) calendar days after Notice ~~of Award~~to Proceed is received by Contractor, unless otherwise mutually agreed in writing by Owner and Contractor.

***

10. CHANGES IN THE WORK.

10.1 Owner shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of Owner in the form of a Work Directive, Exhibit E-2, and Owner shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of Owner is authorized to direct any extra or changed work orally. Any alleged changes must be approved by Owner in writing prior to starting such items. Owner will not be responsible for the costs of any changes commenced without Owner's express prior written approval. Failure to obtain such prior written approval for any changes will be deemed: (i) a waiver of any claim by Contractor for such items and (ii) an admission by Contractor that such items are in fact not a change but rather are part of the Work required of Contractor hereunder.

20. COMPLETION.

Substantial Completion and Development of the Punch List.

20.1 Substantial Completion is as defined in the Defined Terms section of this Agreement. When the ~~entire Work (or any portion thereof designated~~ Contractor believes Substantial Completion has been achieved, it shall certify in writing to the Project Manager that the Project is Substantially Complete in accordance with the Contract Documents and request the Project Manager to inspect the Work and to issue a Certificate of Substantial Completion. Prior to making such a request the Contractor must:

a) Complete all Work necessary for the safe, proper and complete use or operation of the Project as intended, including: all regulatory agency requirements are satisfied, including occupancy permits; operating certificates and similar releases; all operational testing has successfully occurred; all required training has successfully occurred; all close-out documents (such as as-built drawings, certifications, warranties, guaranties, test reports test logs, operational manuals, etc.) have been provided by Contractor and accepted by Owner.

b) Prepare a Contractor-generated punch list (i.e., a list of all items required to render the Project complete, satisfactory, and acceptable, for submission with the request for inspection and issuance of a certificate of Substantial Completion), which shall include and list separately the estimated cost to complete each remaining unfinished item included on the list with an explanation as to the basis for those costs, substantiated by the Schedule of Values, subject to the Owner's final review and approval as stated below.

c) Upon receipt of the request from the Contractor, the Project Manager, assisted by the Professional, if any, and other Owner personnel, as appropriate, shall review the request, the Work and the Contractor-generated Punch List to determine whether the Work is ready for ~~its intended use, Contractor shall~~ Substantial Completion inspection. If this review fails to support Substantial Completion inspection, the Project Manager shall so notify ~~Project Manager in writing that the entire Work (or such designated portion) is substantially complete. Within~~ the Contractor citing the reasons for rejection. If the Project Manager and Professional (if any) determine the Work is ready for Substantial Completion inspection, the following procedures will be followed:

1. The Project Manager will, within a reasonable time ~~thereafter, Owner, Contractor~~ and ~~Design Professional shall make an~~schedule, conduct inspection(s) of the Work ~~(or designated portion thereof) to determine~~with the Professional (if any), other Owner personnel as required, and the Contractor for the purpose of formally reviewing the status of completion. ~~If Owner, after conferring with the Design Professional,~~ of the Work, the readiness of the Project for use and the Contractor-generated punch list. A copy of the Contractor-generated pPunch lList will be provided to all participants and any additional items noted during the inspection will be added to the list. The Project Manager, the Professional, their representatives and other Owner representatives will review the Work and the Contractor-generated punch list to assure all deficiencies are noted on

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

a final document (Exhibit F-3 Punch List Form) The Punch List must include all items required to render the Project complete, satisfactory and acceptable. If Project Manager and Contractor disagree on whether an item belongs on the Punch List, the Project Manager has the final say on whether the item is included or not. The Punch List shall be finalized and issued to the Contractor by the Owner within the time frames indicated below.

2. If upon completion of the inspection(s) the Owner does not consider the ~~Work (or designated portion) substantially complete,~~Project Substantially Complete, the Project Manager ~~shall~~will notify the Contractor in writing giving ~~the~~ reasons ~~therefore.~~ why the Project is not Substantially Complete.

3. If, upon completion of the inspection(s), the Owner~~, after conferring with the Design Professional,~~ considers the ~~Work (or designated portion) substantially complete,~~Project Substantially Complete, the Project Manager shall prepare ~~and deliver to Contractor a Certificate of Substantial Completion which shall~~ a Certificate of Substantial Completion to establish the date for Substantial Completion as the date of the completed inspection(s). The Certificate of Substantial Completion shall be approved by the Owner upon the signature of both the Project Manager and the Professional and shall be issued to the Contractor. The Certificate shall fix the date of Substantial Completion.

4. Substantial Completion cannot occur until all conditions necessary for safe and proper use, occupancy, maintenance, and operations are in place.

20.2 Time Frames for Issuance of the Punch List

(a) The Owner shall issue the Punch List to the Contractor within the time frames described below, provided that the Contractor has completed its obligations in providing a proper contractor-generated pPunch lList prior to the Substantial Completion inspection.

(b) For construction estimated to cost less than ten million dollars ($10,000,000.00), the Punch List must be finalized within thirty (30) Days after the Substantial Completion date.

(c) For construction projects estimated to cost more than ten million dollars ($10,000,000.00), the Punch List must be finalized and issued within forty-five (45) Days after the Substantial Completion date.

(d) For construction projects involving more than one building or structure or multiple phases, the Punch List must be prepared for each building, structure or phase within thirty (30) Days of the Substantial Completion date of a particular building, structure or phase if it is estimated to cost less than ten million dollars ($10,000,000.00) or within forty-five (45) Days if it is estimated to cost more than ten million dollars ($10,000,000.00).

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

(e) If the development of the Punch List takes the full amount of time designated ~~portion thereof) and include a tentative punch list~~ based upon the above dollar amount thresholds, the delivery of the Punch List of items ~~to be completed or corrected by Contractor before final payment.~~ shall be delivered by the Owner no later than five (5) days thereafter. Within twenty (20) days after the delivery of the Punch List to the Contractor, the Owner must pay the Contractor the remaining contract balance that includes all retainage previously withheld by Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List

(f) The failure to include any corrective work or pending items not yet completed on the Punch List does not alter the responsibility of Contractor to complete all the construction services purchased pursuant to the Contract Documents.

~~(a)~~(g) Owner shall have the right to exclude Contractor from the Work and Project site (or designated portion thereof) after the date of Substantial Completion, but Owner shall allow Contractor reasonable access to complete or correct items on the ~~tentative punch list.~~ Punch List. The Project Manager, shall coordinate with the Contractor the return of any surplus assets, including materials, supplies, and equipment.

20.3 ~~Upon receipt~~Completion of Punch List Work and Release of Remaining Contract Balance

(a) Upon completion of the Punch List Work, the Contractor shall certify in writing to the Project Manager ~~and Design Professional will make such inspection and, if they find the Work acceptable and fully performed under the Contract Documents shall promptly approve payment, recommending that, on the basis of their observations and inspections, and the Contractor's certification that the~~that all Punch List Work has been completed in accordance with the ~~terms and conditions of the Contract Documents, that~~ Contract Documents and request the Project Manager to inspect the Work and to approve Punch List completion. If, in the Project Manager's opinion, the Work is not ready for such inspection, the Project Manager will so inform the ~~entire balance found to be due~~ Contractor, giving reasons for such opinion. If the Project Manager is satisfied that an inspection is ~~due and payable. Neither~~warranted, the Project Manager will, within a reasonable time, schedule and conduct inspection(s) of the facility with representatives of the Owner's user department, the Professional (if any), and the Contractor, for the purpose of formally reviewing the completion of Punch List Work. If the Project Manager and the Contractor disagree on whether an item remains incomplete, the Project Manager has the final say on whether the item is complete or not.

(b) If, upon completion of the inspection(s) the Owner does not consider the Punch List Work complete, the Project Manager will notify the Contractor in writing giving specific reasons why the Punch List Work is not complete.

(c) Upon completion of all items on the Punch List, the Contractor may submit a Payment Request for the remaining amount withheld by the Owner. If a good-faith dispute exists as to whether one or more items identified on the list have been completed pursuant to the Contract Documents, the Owner may continue

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

to withhold an amount not to exceed one hundred and fifty percent (150%) of the total costs to complete such items. This remaining balance of retainage may be requested by the Contractor in its Application for Final Payment after Final Acceptance of the Work by Owner (Exhibit F-2 Certificate of Final Completion).

(d) All items that require correction under the Contract Documents and that are identified after the preparation and delivery of the Punch List shall remain the obligation of the Contractor.

(e) Warranty Items may not affect the ~~final Final payment Payment NOR THE~~of retainage pursuant to Section 218.735(7)(f), Florida Statutes.

(f) If the Owner fails to comply with its responsibilities to assist in developing the Punch List within the time frame applicable to the Project (as described above), the Contractor may submit a request for all remaining retainage withheld by the Owner. The Owner need not pay or process any payment request for retainage if Contractor has, in whole or part, failed to cooperate with the Owner in development of the Punch List or failed to perform its contractual responsibilities with regard to development of the Punch List. Additionally, the Owner does not have to pay or release any amounts that are the subject of a good-faith dispute, the subject of a claim brought pursuant to Section 255.05, Florida Statutes, or otherwise the subject of a claim or demand by the Owner or Contractor.

20.4 Final Completion

(a) Upon written notice from the Contractor that the Project is complete, the Project Manager shall ~~become due~~schedule a final inspection with the Contractor, the Design Professional, and ~~payable until Contractor submits~~any other personnel requested by the Project Manager. The Project Manager shall notify the Contractor in writing of any Work this inspection reveals to be defective, or otherwise not in accordance with the Contract Documents. The Contractor shall immediately take such action as may be necessary to remedy such defects and bring the Project into full compliance with the Contract Documents and then request another inspection.

(b) Final Completion of the Work shall be achieved by the Contractor when all the Work required under the Contract Documents has been satisfactorily completed, including all Punch List work, and specifically as noted in the Specifications section.

(c) After the Project Manager has determined that all Work has been completed, the Project Manager will issue a Certificate of Final Completion Exhibit F-2 for the Work.

20.5 Application for Final Payment

After the Certificate of Final Completion, Exhibit F-2 for the Work has been issued by the Project Manager, the Contractor may make Application for Final Payment following the procedure for progress payments. As an explicit condition precedent to the accrual of Contractor's right to fFinal pPayment, Contractor shall have furnished Owner with a properly

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

executed and notarized copy of the Release and Affidavit form attached as Exhibit C, as well as a duly executed copy of the Surety's consent to fFinal pPayment and such other documentation that may be required by the Contract Documents, including but not limited to:

(1) Receipt of Contractor's Final Application for Payment.
(2) The Release and Affidavit in the form attached as Exhibit C.
(3) Consent of surety to ~~final~~ Final ~~payment~~Payment.
(4) Receipt of the ~~final payment check~~Final Payment Check list, Exhibit G-1.
(5) If required by Owner, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by Owner.

Prior to release of fFinal pPayment and final retainage, the Contractor's Representative and the Project Manager shall jointly complete the Final Payment Checklist, a representative copy of which is attached to this Agreement as Exhibit G-1.

20.6 Approval of Final Payment

(a) If, on the basis of the Project Manager's observations and review of Work during Construction, final inspection, and review of the Application for Final Payment (all as required by the Contract Documents), the Project Manager is satisfied that the Work has been completed and the Contractor has fulfilled all of its obligations under the Contract Documents, the Project Manager will, within ten (10) days after receipt of the Application for Final Payment, indicate in writing that the entire remaining balance is found to be due and payable to the Contractor and approve payment. Otherwise, the Project Manager will return the Application to the Contractor, indicating in writing the reason for refusing to approve for fFinal pPayment, in which case the Contractor will make the necessary corrections and resubmit the Application. Owner reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though the Design Professional may have issued its recommendations. ~~Unless and until the Owner is completely satisfied, neither the final payment nor the retainage shall become due and payable.~~

(b) Contractor's acceptance of Final Payment shall constitute a full waiver of any and all claims by Contractor against Owner arising out of this Agreement or otherwise relating to the Project, except those previously made in writing in accordance with the requirements of the Contract Documents and identified by Contractor as unsettled in its final Application for Payment. Neither the acceptance of the Work nor payment by Owner shall be deemed to be a waiver of Owner's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Design Professional or Project Manager at the time of final inspection.

The Contractor's obligation to perform the Work and complete the Project in accordance with the Contract Documents shall be absolute. Neither approval of any progress or fFinal pPayment, the issuance of a Certificate of Substantial Completion, any payment by the Owner to the Contractor under the Contract Documents, any use or occupancy of the Project or any part thereof by the Owner, the issuance of a Final Completion, any act of acceptance by the Owner,

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

any failure to do so, nor any correction of defective Work by the Owner shall constitute an acceptance of Work not in accordance with the Contract Documents.

***

31. MAINTENANCE OF TRAFFIC POLICY.

For all projects that are conducted within a Collier County Right-of-Way, the Contractor shall provide and erect Traffic Control Devices as prescribed in the current edition of the Manual On Uniform Traffic Control Devices (MUTCD), where applicable on local roadways and as prescribed in the Florida Department of Transportation's Design Standards (DS), where applicable on state roadways. These projects shall also comply with Collier County's Maintenance of Traffic Policy, #5807, incorporated herein by reference. Copies are available through Risk Management and/or Procurement Services Division and is available on-line at colliergov.net/purchasing.

The Contractor will be responsible for obtaining copies of all required manuals, MUTCD, FDOT Roadway & Traffic Design Standards Indexes, or other related documents, so to become familiar with their requirements. Strict adherence to the requirements of the Maintenance of Traffic ("MOT") policy will be enforced under this Contract.

All costs associated with the Maintenance of Traffic shall be included on the line item on the bid page. If MOT is required, MOT is to be provided within ten (10) days of receipt of Notice to Proceed.

***

40. DISPUTE RESOLUTION.

A. All disputes arising under or relating to this Agreement shall be resolved in accordance with this Section, except for disputes related to payment matters and payment disputes upon submission of pay applications, which shall be addressed and resolved in accordance with Collier County Ordinance No. 2016-19, and governed by the time to commence and conclude payment dispute proceedings set forth in Section 218.76(2)(a), Fla. Stat.

B. Prior to the initiation of any action or proceeding permitted by this Agreement to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation. The negotiation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person who would make the presentation of any settlement reached during negotiations to Owner for approval. Failing resolution, and prior to the commencement of depositions in any litigation between the parties arising out of this Agreement, the parties shall attempt to resolve the dispute through Mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The mediation shall be attended by representatives of Contractor with full decision-making authority and by Owner's staff person or designee who would make the presentation of any settlement reached at mediation to Owner's Board for approval. Should either party fail to submit to mediation as required hereunder, the other party may obtain a court order requiring mediation under Section 44.102, Fla. Stat.

Any suit or action brought by either party to this Agreement against the other party relating to or arising out of this Agreement must be brought in the appropriate federal or state courts in Collier County, Florida, which courts have sole and exclusive jurisdiction on all such matters.

CAO

EXHIBIT B-3: INSURANCE REQUIREMENTS

The Contractor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth herein. The Contractor shall procure and maintain property insurance upon the entire project, if required, to the full insurable value of the scope of work. The County and the Contractor waive against each other and the County's separate Contractors, Design Consultant, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Contractor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Contractors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts. Collier County shall be responsible for purchasing and maintaining its own liability insurance. Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County", or the specific solicitation number/contract number and title. The General Liability Policy provided by Contractor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Contractor under this solicitation and shall contain a severability of interests provisions. The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

The amounts and types of insurance coverage shall conform to the minimum requirements set forth herein with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Contractor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Contractor must identify on the Certificate of Insurance the nature and amount of such self- insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Contractor's sole responsibility. Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer. The Contractor and/or its insurance carrier shall provide thirty (30) days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Contractor. The Contractor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Contractor from its insurer and nothing contained herein shall relieve Contractor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Contractor hereunder, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Contractor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Contractor for such coverage(s) purchased. If Contractor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Contractor under this Agreement or any other agreement between the County and Contractor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents. If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Contractor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Contractor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

CAO

DocuSign Envelope ID: 9035E8C6-D86A-4575-B5A8-094EB7B2560E

8. ☐ Performance and Payment Bonds

For projects in excess of $200,000, bonds shall be submitted with the executed contract by Proposers receiving award, and written for 100% of the Contract award amount, the cost borne by the Proposer receiving an award. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to Owner; provided, however, the surety shall be rated as "A-" or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

9. ☐ Vendor shall ensure that all subcontractors comply with the same insurance requirements that he is required to meet. The same Vendor shall provide County with certificates of insurance meeting the required insurance provisions.

10. ☒ Collier County must be named as "**ADDITIONAL INSURED**" on the Insurance Certificate for Commercial General Liability where required. This insurance shall be primary and non-contributory with respect to any other insurance maintained by, or available for the benefit of, the Additional Insured and the Vendor's policy shall be endorsed accordingly.

11. ☒ The Certificate Holder shall be named as Collier County Board of County Commissioners, OR, Board of County Commissioners in Collier County, OR Collier County Government, OR Collier County. The Certificates of Insurance must state the Contract Number, or Project Number, or specific Project description, or must read: For any and all work performed on behalf of Collier County.

12. ☒ **On all certificates, the Certificate Holder must read:** Collier County Board of County Commissioners, 3295 Tamiami Trail East, Naples, FL 34112

13. ☒ **Thirty (30) Days Cancellation Notice** required.

14. Collier County shall procure and maintain Builders Risk Insurance on all construction projects where it is deemed necessary. Such coverage shall be endorsed to cover the interests of Collier County as well as the Contractor. Premiums shall be billed to the project and the Contractor shall not include Builders Risk premiums in its project proposal or project billings. All questions regarding Builder's Risk Insurance will be addressed by the Collier County Risk Management Division.

Acceptance of this Change Order shall constitute a modification to contract / work order identified above and will be subject to all the same terms and conditions as contained in the contract / work order indicated above, as fully as if the same were stated in this acceptance. The adjustment, if any, to the Contract shall constitute a full and final settlement of any and all claims of the Contractor / Vendor / Consultant / Design Professional arising out of or related to the change set forth herein, including claims for impact and delay costs.

Contractor/Consultant/Design Professional signature below must be from an authorized person/officer/director of the Company or listed as the qualified licensed Professional "Project Coordinator" or Design/Engineer Professional under the agreement. Signature authority of person signing will be verified through the contract OR through the Florida Department of State, Division of Corporations (Sunbiz) website (https://dos.myflorida.com/sunbiz/search/). If the person signing is not listed, we will require signature authority by one of the listed officers/directors of the company giving that person signature authority.

SECOND AMENDMENT TO
CONSTRUCTION AGREEMENT FOR INVITATION TO BID NO. 23-8120

THIS SECOND AMENDMENT TO CONSTRUCTION AGREEMENT is entered into by and between Collier County Board of County Commissioner (hereby referred to as "Owner/County") and DEC Contracting Group, Inc. (hereby referred to as "Contractor) authorized to do business in the State of Florida, to perform all work ("Work") in connection with Construction Invitation to Bid No. 23-8120, Bulk Aircraft Hangar at Marco Island Executive Airport ("MKY"), ("Project").

WITNESSETH

WHEREAS, the COUNTY issued Construction Invitation to Bid (ITB) 23-8120 for the purpose of securing a responsive and responsible bidder to provide the construction services; and

WHEREAS, the CONTRACTOR submitted a bid in response to the ITB, was identified as the apparent low bidder, and was recommended for and awarded a Construction Agreement (the "Agreement") for the ITB by the COUNTY; and

WHEREAS, the Parties entered into Amendment No. 1, due to Florida statutory changes that became effective July 1, 2023, modifying: (1) how payments for construction services are processed, (2) incorporating certain mandated requirements regarding the use of final punch lists relating to such construction projects, (3) procedures for addressing payment disputes, and other similar concerns that promote the prompt payment and final completion of public construction projects, which changes the Parties were unable to memorialize in the original contract documents but mutually agreed to subsequently amend the Agreement to include those required statutory provisions; and

WHEREAS, the Parties agree to further amend the Agreement to reinstate the original contract days and liquidated damages amount, and correct certain other typographic errors that were mistakenly overlooked or presented in Amendment No. 1.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, additional to those heretofore made, the Parties agree to modify the Agreement as follows:

1. Schedule A, as previously amended by Amendment No.1, is further revised as to that portion of: (a) Section 5. Contract Time and Liquidated Damages to correctly reference the original Substantial and Final Completion date requirements and agreed upon measure of liquidated damages provided for in the Agreement that were mistakenly omitted in Amendment No. 1, (b) Section 16 Construction, and (c) Exhibit H: General Terms and Conditions, Sections 4. Progress Payments and 20. Completion, to provide further clarification, the changes of which follows below (Words ~~Struck Through~~ are deleted; Words <u>Underscored are added</u>.

2. Exhibits C through G-2 are replaced in their entirety to correct typographic errors and are hereby incorporated into the Agreement.

CAO

3. All other terms and conditions of the Agreement, as previously amended, shall remain the same.

IN WITNESS WHEREOF, the Parties have executed this Second Amendment by an authorized person or agent on the date and year first written above.

Section 5. Contract Time and Liquidated Damages.

A. Time of Performance.

Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the written Notice to Proceed to be issued by the Project Manager, as hereinafter defined. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. Contractor shall achieve Substantial Completion within ~~8 (8-Days in Numbers)~~ **three hundred and thirty-six (336)** calendar days from the Commencement Date (herein "Contract Time"). The date of Substantial Completion of the Work (or designated portions thereof) is the date certified by the Design Professional when construction is sufficiently complete, in accordance with the Contract Documents, so Owner can occupy or utilize the Work (or designated portions thereof) for the use for which it is intended, as more particularly defined herein at Section 16, Defined Terms. Contractor shall achieve Final Completion within ~~9 (9-Days in numbers)~~ **thirty (30)** calendar days after the date of Substantial Completion. The Punch List is delivered to the Contractor. Final Completion shall occur when the Agreement is completed in its entirety, is accepted by the Owner as complete and is so stated by the Owner as completed. As used herein and throughout the Contract Documents, the phrase "Project Manager" refers to the Owner's duly authorized representative and shall mean the Department Administrator or Division Director, as applicable, acting directly or through duly authorized representatives.

B. Liquidated Damages in General.

Owner and Contractor recognize that, since time is of the essence for this Agreement, Owner will suffer financial loss if Contractor fails to achieve Substantial Completion within the time specified above, as said time may be adjusted as provided for herein. In such event, the total amount of Owner's damages, will be difficult, if not impossible, to definitely ascertain and quantify. Should Contractor fail to achieve Substantial Completion within the number of calendar days established herein, Owner shall be entitled to assess, as liquidated damages, but not as a penalty, ~~10-Amount of Dollars Described in Words (Dollars in Numbers)~~ **Two Thousand Five Hundred Seventy-Nine Dollars ($2,579.00)** for each calendar day thereafter until Substantial Completion is achieved. Further, in the event Substantial Completion is reached, but the Contractor fails to reach Final Completion within the required time period, Owner shall also be entitled to assess, and Contractor shall be liable for all actual damages incurred by Owner as a result of Contractor failing to timely achieve Final Completion. The Project shall be deemed to be substantially completed on the date the Project Manager (or at his/her direction, the Design Professional) issues a

CAO

DocuSign Envelope ID: F499C005-24FF-43EA-AD50-D50D3DAB5565

Certificate of Substantial Completion pursuant to the terms hereof, and as more particularly defined herein at Section 16, Defined Terms. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the Owner's actual damages at the time of contracting if Contractor fails to Substantially or Finally Complete the Work within the required time periods.

***

Section 16. Construction.

***

(q) "Written Directive" shall mean a written directive and also referred to as work directive, as required by in Exhibit H, Section 10.1, in the form that appears in Exhibit E-2 that is issued to a Contractor from Owner in instances where the parties cannot agree on price and/or costs associated with work arising from differing, unforeseen or emergency site conditions and the work in question is part of the "critical path" of the contract schedule. A written directive should ultimately be followed up with an agreed upon Change Order. A verbal Work Directive may only be issued in extraordinary emergencies when necessary to protect and promote the public interest, which shall be followed up with a written Work Directive within five (5) business days.

***

EXHIBIT H: GENERAL TERMS AND CONDITIONS

***

4. PROGRESS PAYMENTS.

4.7 Owner shall withhold retainage on the gross amount of each monthly progress payment in the amount of five percent (5%), as permitted by Section 255.078, Florida Statutes. The foregoing does not prohibit Owner from withholding retainage at a rate less than five percent (5%) of each monthly progress payment as otherwise allowable under Section 255.078, Florida Statutes. Any reduction in retainage below the maximum amount set forth in Section 255.078, Florida Statutes shall be at the sole discretion of the Owner. Such retainage shall be accumulated and not released to Contractor until final payment is due unless otherwise agreed to by the Owner in accordance with Florida Statute 255.078. Any interest earned on retainage shall accrue to the benefit of the Owner.

***

Section 20. COMPLETION.

Substantial Completion and Development of the Punch List

20.1 Substantial Completion is as defined in the Defined Terms section of this Agreement. When the Contractor believes Substantial Completion has been achieved, it shall certify in writing

DocuSign Envelope ID: F499C005-24FF-43EA-AD50-D50D3DAB5565

to the Project Manager that the Project is Substantially Complete in accordance with the Contract Documents and request the Project Manager to inspect the Work and to issue a Certificate of Substantial Completion. Prior to making such a request the Contractor must:

***

1. The Project Manager will, within a reasonable time, ~~and~~ schedule~~,~~ and conduct inspection(s) of the Work with the Professional (if any), other Owner personnel as required, and the Contractor for the purpose of formally reviewing the status of completion of the Work, the readiness of the Project for use and the Contractor-generated Punch List. A copy of the Contractor-generated punch list will be provided to all participants and any additional items noted during the inspection will be added to the list. The Project Manager, the Professional, their representatives and other Owner representatives will review the Work and the Contractor-generated punch list to assure all deficiencies are noted on a final document (Exhibit F-3 Punch List Form). The Punch List must include all items required to render the Project complete, satisfactory and acceptable. If Project Manager and Contractor disagree on whether an item belongs on the Punch List, the Project Manager has the final say on whether the item is included or not. The Punch List shall be finalized and issued to the Contractor by the Owner within the time frames indicated below.

***

20.2 Time Frames for Issuance of the Punch List

***

(e) If the development of the Punch List takes the full amount of time designated (or a portion thereof) and include a tentative punch-list based upon the above dollar amount thresholds, the delivery of the Punch List of items to be completed or corrected by Contractor before final payment. shall be delivered by the Owner no later than five (5) business days thereafter. Within twenty (20) business days after the delivery of the Punch List to the Contractor, the Owner must pay the Contractor the remaining contract balance owed that includes all retainage previously withheld by Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List. At the same time the Owner delivers the Punch List Contractor shall submit a payment application requesting that Owner pay the Contractor the remaining contract balance owed including all retainage previously held by Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the Punch List.

Provide responses after each question in box below (Responses should be **brief and specific**). Attach additional information and/or documentation from the Design Professional and/or Contractor, if needed, with your submission of this Change Order and complete summary on next page. **Check all that apply to this Change Order request:** ☑ **Add Time;** ☐ **Add funds;** ☑ **Use of Allowance;** ☐ **Modify/Delete existing Task(s);** ☐ **Add new Task(s);** ☐ **Reallocate funds;** ☐ **Other** (must be explained in detail below)

1.) Detail of change/s to be made through this Change Order.

This Change Order #1 is to allow the contractor to invoice for repeating construction work on the Bulk Aircraft Hangar at Marco Island Executive Airport that was completed and inspected prior to the onset of Hurricane Milton on October 10th, 2024, and was damaged due to the storm surge flooding on the construction site. This Change Order does not increase the contract amount, but it does add eight days to the construction contract. The $9,582.30 cost of the Change Order will come from the $165,000 owner's allowance.

2.) If this Change Order is currently under a Stop Work, please identify the date issued and number of days remaining or "N/A" if not applicable.

The project was not under a stop work order. Minimum work was taking place due to the oncoming Hurricane Milton.

3.) Explain why this change was not included in the original contract/Work Order.

The nature of this change order is Hurricane Milton damage. This is not a design flaw, an engineering error, or a contractor mistake. DEC made reasonable precautions to protect the work prior to the storm, but the efforts could not repel the amount of flooding from the storm surge. Since all of the work was in the original bid documents, it is relatively simple to ensure that the pricing is reasonable to repeat the work.

4.) Describe the impact if this change is not processed.

Without this Change Order to project comes to a complete stop without anyway to proceed. This work must be accomplished to the bid specifications. Without this change order, the foundations, footings, and floor slab cannot be poured.

Subject: RE: RLS for Change Order #1 of the DEC Construction contract - MKY New Bulk Hangar

EXTERNAL EMAIL: This email is from an external source. Confirm this is a trusted sender and use extreme caution when opening attachments or clicking links.

Hi Bryant:
Please see below:
We had figured 128 man hours in the re-prepping with an additional 2 rolls of 15 mil vapor barrier and related concrete accessories, including tape, additional bricks / mesh-ups to reinstall the wire mesh over the vapor barrier ($450 per roll including accessories, sales tax, fuel surcharge, delivery fees).

Happy Trails!
Erika Bodenstein
Vice President
