Lessee is formally acknowledging without exception or stipulation that it and its contractors are fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the Lessee and its contractors to comply with the laws referenced herein shall constitute a

CAO

breach of this Agreement and the County shall have the discretion to unilaterally terminate this Agreement consistent with the termination provisions provided herein.

Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States. The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements.

Lessee and its contractors are required to enroll and comply with the E-Verify program, and provide acceptable evidence of its enrollment, at the time of the execution of this Lease. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. Additionally, the Lessee shall require all subcontracted contractors working at the Premises to use the E-Verify system for all purchases except: (1) commodity based procurement where no services are provided, and (2) where otherwise waived by the County.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: http://www.dhs.gov/E-Verify. It shall be the Lessee's responsibility to familiarize themselves with all rules and regulations governing this program.

10. **NO DISCRIMINATION**. There shall be no discrimination as to race, gender, color, creed or national origin in the operations referred to by this Agreement; and further, there shall be no discrimination regarding any use, service, maintenance, or operation of the premises. All facilities located on the premises shall be made available to the public, subject to the right of the Lessee to establish and enforce rules and regulations to provide for the safety, orderly operation, and security of the facilities.

11. **STORM WARNING**. Upon declaration of a hurricane projecting an imminent strike, or the implementation of evacuation procedures from Collier County, Lessee shall meet with the County Manager or the Manager's Designee for the formulation of plans to ensure the improvements on the Lease Premises have been properly secured for hurricane approach. Lessee is required to secure all items owned and maintained by the Lessee.

12. **SAFETY AND SECURITY.** The Lessee must provide at its expense any security measures to protect its area, equipment, and materials, consistent with applicable law. The County will not assume any responsibility for area security or alarms other than routine law enforcement patrols.

In the event of any emergencies, safety or security accident or incident to employees, visitors, and/or property the Lessee must communicate to the County Manager, or the Manager's Designee, immediately followed by a written incident report. The Lessee is to have a written safety and security plan for the Golf Course. The Lessee will cooperate with all jurisdictional law enforcement agencies and personnel.

CAO

13. **SIGNAGE**. All signage, advertising and posting shall be as approved by County. Signs that will be used for advertising purposes shall be constructed and maintained to County standards as defined by the Code Compliance Department. The use of the Collier County Logo is prohibited.

14. **PRICES**. Lessee understands that this is a public golf course and maintaining accessibility to the community is paramount. Lessee shall set greens pricing at market rates using a dynamic pricing structure, ensuring accessibility to the public while maintaining financial viability. Any pricing structure that unreasonably limits public access shall be subject to review by the County. Following such pricing review, the County shall inform Lessee in writing of any necessary pricing adjustments. Failure by Lessee to adjust pricing to a level accessible to the public within thirty (30) days of receipt of the County's written notice shall be considered a material breach of this Agreement.

All pricing must be made available to view by the Lessee's customers.

15. **PROHIBITION OF GIFTS TO COUNTY EMPLOYEES.** No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service or other item of value to any County employee, as set forth in Chapter 112, Part III, Florida Statutes, Collier County Ethics Ordinance No. 2004-05, as amended, and County Administrative Procedure 5311. Violation of this provision may result in one or more of the following consequences: (a) Prohibition by the individual, firm, and/or any employee of the firm from contact with County staff for a specified period of time; (b) Prohibition by the individual and/or firm from doing business with the County for a specified period of time, including but not limited to: submitting bids, Request for Proposals, and/or quotes; and, (c) immediate termination of any Agreement held by the individual and/or firm for cause.

16. **COMPLIANCE WITH LAWS.** By executing and entering into this Agreement, the Lessee is formally acknowledging without exception or stipulation that it agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to this Agreement, including but not limited to those dealing with the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended; taxation, workers' compensation, equalemployment and safety including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes, and the Florida Public Records Law Chapter 119, including specifically those contractual requirements at F.S. § 119.0701(2)(a)-(b) as stated as follows:

IF THE LESSEE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE LESSEE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Communication and Customer Relations Division
3299 Tamiami Trail East, Suite 102
Naples, FL 34112-5746
Telephone: (239) 252-8999
Email: PublicRecordRequest@colliercountyfl.gov

CAO

To the extent applicable, the Lessee must specifically comply with the Florida Public Records Law to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Lessee does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Lessee or keep and maintain public records required by the public agency to perform the service. If the Lessee transfers all public records to the public agency upon completion of the contract, the Lessee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Lessee keeps and maintains public records upon completion of the contract, the Lessee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

If Lessee observes that the Contract Documents are at variance therewith, it shall promptly notify the County in writing. Failure by the Lessee to comply with the laws referenced herein shall constitute a breach of this Agreement and the County shall have the discretion to unilaterally terminate this Agreement immediately.

17. **AGREEMENT STAFFING.** The Lessee's personnel and management to be utilized for this Agreement shall be knowledgeable in their areas of expertise. The Lessee shall assign as many people as necessary to complete required services on a timely basis, and each person assigned shall be available for an amount of time adequate to meet required services.

18. **SECURITY**. With respect to the Golf Course and the construction improvements made pertaining to the Golf Complex, the Lessee and its contractor(s) are required to comply with County Ordinance 2004-52, as amended to the extent applicable. Background checks are valid for five (5) years and the Lessor shall not be responsible for any associated costs. If required, Lessee shall be responsible for the costs of providing background checks by the Collier County Facilities Management Division for all employees that shall provide services to the County under this Agreement. This may include, but not be limited to, checking federal, state and local law enforcement records, including a state and FBI fingerprint check, credit reports, education, residence and employment verifications and other related records. Lessee shall be required to maintain records on each employee and make them available to the County for at least four (4) years or as otherwise required by applicable law. The Lessee and its contractor(s) must have a drug and alcohol policy consistent with County Policies (CMA 5312) or as otherwise required by applicable law.

CAO

EXHIBIT D

RENT

Rent to be paid to Lessor shall follow the below schedule:*

Year	Rent
Construction Duration:	$0
Operation Year 1:	$48,000/year
Operation Year 2:	$80,000/year
Operation Year 3:	$130,000/year
Operation Year 4 - end of the Initial Term (excluding Renewal Terms):	$130,000/year plus annual CPI adjustments

* (1) The Lessee's design and construction of the Golf Complex are made in lieu of rent until Operation.

(2) Rent during Operation commences upon receipt of all final Certificates of Occupancy for the Golf Complex.

(3) Beginning in Operation Year 4 and upon each anniversary thereafter until the end of the Initial Term, excluding Renewal Terms, the Rent shall be increased cumulatively by the Consumer Price Index ("CPI") based upon 100% of any increase in the United States Consumer Price Index for all Urban Customers, U.S. city average, as published by the United States Department of Labor, Bureau of Labor Statistics (or if such index shall cease to be published, any similar index agreed upon by the parties). Notwithstanding any decrease in the CPI Index, Rent shall never decrease.

(4) The Parties shall renegotiate Rent for each subsequent Renewal Term following the end of the Initial Term, but shall never decrease below $130,000/year.

FIRST TEE TERM SHEET

BINDING TERM SHEET

The Gate Naples – Facilities Access for The First Tee of Naples/Collier

April 24, 2024

Reference is made to that certain Long-Term Lease and Operating Agreement ("Lease"), anticipated to be entered into by and between The Gate Golf Club, Inc. ("The Gate") as Lessee, and Collier County, a political subdivision of the State of Florida ("County"), as Lessor. This term sheet (this "Term Sheet") evidences the general agreement of The Gate and The First Tee of Naples/Collier ("First Tee") relating to access for First Tee to the Golf Course (as defined in the Lease). First Tee and The Gate are sometimes referred to herein as, "Party" or "Parties".

Facility:

The redesigned Golf Course comprising a portion of the Golf Complex (as defined in the Lease) located at 4100 Golden Gate Pkwy, Naples, FL 34116.

Access During First Tee Supervised Programing Periods:

Complimentary access for 20-50 First Tee participants during the following periods when participating in First Tee supervised programing* with tee time reservations when the Course is open to the public:

- September to May, Monday through Friday, 3PM to 6:30PM
- June to August, Monday through Friday, 8AM to 2PM

Discounted access for 20-50 First Tee participants during the following periods when participating in First Tee supervised programing* with tee time reservations when the Course is open to the public:

- September to May, Saturday and Sunday, after 3PM
- June to August, Saturday and Sunday, after 10:30AM

**First Tee staff and volunteer coaches play for free during First Tee supervised programming periods with tee time reservations when the Course is open to the public.*

Access Outside of First Tee Supervised Programming Periods:

First Tee or Youth on Course participants with tee time reservations play for a nominal fee when accompanied by a paying adult with tee time reservations when the Course is open to the public outside of the "First Tee Supervised Programing Periods" set forth above.

CAO

Sublease:	Subject in all respects to the terms of the Lease, The Gate will agree to sublease land to First Tee for purposes of building a clubhouse with classrooms, offices, conference rooms and storage. The Gate will have approval rights on the location and exterior design of any improvements. The lease expense is contemplated to be $1/year and the term will run commensurate with The Gate' lease with Collier County. Nothing in the lease shall be inconsistent with The Gate's Lease with Collier County. Collier County shall have the right to review and approve any lease with First Tee.
Responsibilities:	First Tee will be responsible for 100% of the cost related to any improvements located on the subleased property. First Tee will also be required to carry and pay for any property, casualty, and liability insurance necessary to adequately cover their operations at The Gate.
Definitive Agreements:	During the Contingency Period (as defined in the Lease), the Parties will enter into definitive agreements incorporating agreed upon insurance requirements, indemnification obligations and such other additional terms as the Parties may negotiate. First Tee and The Gate will each pay their own costs and expenses in connection with this Term Sheet and their respective due diligence activities.
Governing Law:	This Term Sheet and the definitive agreements executed in connection herewith shall be governed by and construed under the laws of the State of Florida, without giving effect to any conflicts of law principles and regardless of the laws that might otherwise govern under applicable conflicts of laws principles.
Termination:	This Term Sheet and the obligations herein are in all respects subject to the terms and conditions of the Lease and shall automatically terminate upon termination of the Lease.

COLLIER COUNTY RESIDENT DISCOUNT

Upon the submission of positive identification of Collier County residency, The Gate shall offer Collier County residents the following discounts off the 9-hole Golf Course's posted greens fee:*

Month	Discount
May 1 to October 31	20%
November 1 to April 30	40%

*(1) Tee times subject to availability and course operational hours, and (2) Resident verification subject to a method based upon requirements to obtain a Collier County beach parking sticker, such as Florida drivers' license or proof of County real property ownership. Lessee, at its sole discretion, may require residents to register with the Golf Course in order to verify resident status.

PROMISSORY NOTE

$10,000,000.00 U.S.

Naples, Florida
Dated: July ____, 2026

FOR VALUE RECEIVED, the undersigned, **THE GATE GOLF CLUB, INC.**, a Delaware corporation ("Borrower"), promises to pay to the order of **RES MASTER HOLDINGS, LLC**, a Florida limited liability company ("Lender"), at 1130 Creekside Parkway – Suite #110327, Naples, Florida 34108, or such other place as the holder hereof may from time to time designate in writing, the principal sum of **TEN MILLION ($10,000,000.00) DOLLARS**, with interest thereon from the date or dates of disbursement of the aforesaid principal sum as hereafter provided, to be paid in lawful money of the United States of America, which shall be legal tender in payment of all debts and dues, public and private, at the time of payment as follows:

1. **Payment of Principal and Interest**. Principal and interest under this Promissory Note ("Note") shall be payable as follows:

   Principal and interest shall be paid in equal monthly installments beginning on the first calendar day of the first calendar month that is at least sixty (60) days after the opening of The Gate Golf Club (but in no event later than February 1, 2028) and continuing on the first day of each succeeding month thereafter during the remaining term of this Note. Interest on the outstanding principal balance hereof shall at all times accrue at the fixed rate of five and three-quarters percent (5.75%) per annum. Interest shall begin to accrue hereunder on the first calendar day of the first calendar month that is at least thirty (30) days after the opening of The Gate Golf Club (but in no event later than January 1, 2028), and interest shall be computed on the basis of a 360-day year for the actual number of days outstanding. The principal sum due hereunder shall be amortized over a period of twenty (20) years. This Note shall mature and the entire principal balance hereof or so much as may have been advanced and remains outstanding, together with the accrued and unpaid interest thereon, shall become due and payable on the date that is twenty (20) years after the date that interest begins to accrue hereunder ("Maturity Date"). After maturity or default, this Note shall bear interest at a rate equal to the highest rate permissible under then applicable law.

2. **Security for this Note**. This Note is secured by, inter alia, a Leasehold Mortgage and Security Agreement ("Mortgage") of even date herewith encumbering the real property therein described and duly recorded among the public records of Collier County, Florida and UCC-1 Financing Statements.

3. **Prepayment**. Borrower may make prepayments hereunder from time to time without premium or penalty. The amount of any partial prepayment shall be applied to installments of principal to become due in the inverse order of the maturity thereof, and any prepayment in whole shall be accompanied by an amount equal to the interest accrued thereon to the date of receipt of such prepayment in collected funds.

4. **Florida Excise Tax on Documents**. Documentary stamp tax in the amount of $35,000.00 has been paid with respect to this Note.

5. **Acceleration upon Default**. It is agreed hereby that if any payment of the principal sum above mentioned, or any payment of interest thereon, not be made as provided in this Note;

or in the event default be made in the performance or compliance with any of the covenants and conditions of any mortgage or security agreement now or hereafter in effect securing payment of this Note; or upon any default in the payment of any sum due by Borrower to Lender under any other promissory note, security instrument or other written obligation of any kind now existing or hereafter created; or upon the insolvency, bankruptcy or dissolution of the Borrower hereof; then, in any or all such events, the entire amount of principal of this Note with all interest then accrued shall, at the option of the holder of this Note and upon the expiration of ten (10) days written notice of default to Borrower as to monetary defaults, or upon the expiration of thirty (30) days written notice of default to Borrower as to non-monetary defaults, and in either event Borrower's failure to cure such default, become and be due, payable, and collectible, time being of the essence of this Note. If this Note shall not be paid on the Maturity Date or according to the tenor hereof and strictly as above provided, it may be placed in the hands of an attorney at law for collection, and in that event, each party liable for the payment thereof, as Borrower, endorser, guarantor, or otherwise, hereby agrees to pay the holder hereof, in addition to the sums above stated, a reasonable sum as an attorneys' fee.

6. **Late Charge**. Provided the Lender has not exercised its right to accelerate this Note as hereinabove provided, in the event any required payment on this Note is not received by Lender within ten (10) days after the payment is due, Borrower shall pay Lender a late charge of five percent (5%) of the payment not so received, the parties agreeing that such charge is a fair and reasonable charge for the late payment and that such charge shall not be deemed a penalty.

7. **Extension of Maturity Date and Payments**. As to this Note, the Mortgage, and any other instruments securing the indebtedness, the Borrower expressly agrees that the Maturity Date of this Note, or any payment hereunder, may be extended from time to time by Lender without in any way affecting the liability of the Borrower.

8. **Usury Savings Clause**. Nothing herein contained, nor in any instrument or transaction relating hereto, shall be construed or so operate as to require the Borrower to pay interest in an amount or at a rate greater than the highest rate permissible under applicable law. Should any interest or other charges paid by the Borrower result in the computation or earning of interest in excess of the highest rate permissible under applicable law, any and all such excess shall be and the same is hereby waived by the holder hereof, Lender shall make whichever adjustment in the Note is necessary to ensure that Borrower will not be required to pay further interest in excess of the amount permitted by Fla. Stat. §687.03, and all such excess shall be automatically credited against and in reduction of the outstanding principal balance, and any portion of such excess which exceeds the outstanding principal balance shall be paid by the holder hereof to the Borrower, it being the intent of the parties hereto that under no circumstances shall the Borrower be required to pay interest in excess of the highest rate permissible under applicable law.

9. **Attorneys' Fees**. In the event that suit be brought hereon, or an attorney be employed or expenses be incurred to compel payment of this Note or any portion of the indebtedness evidenced hereby, or to defend the priority of the Mortgage or to in any way represent Lender in reference to any of the loan documents, Borrower promises to pay all such

attorneys' fees, costs, and expenses of investigation, all as are reasonably incurred by Lender as a result thereof and including, without limitation, attorneys' fees, costs, and expenses of investigation incurred in appellate proceedings or in any action or participation in, or in connection with, any case or proceeding under Title 11 U.S.C. Chapters 7, 11, or 13 of the United States Bankruptcy Code or any successor thereto, and attorneys' fees, costs, and expenses incurred as a result of Lender exercising its right to cure any event of default by Borrower under this Note, the Mortgage, or any other loan document, or as a result of the foreclosure of the Mortgage, deed in lieu thereof, or Clerk's sale thereunder.

10. **Governing Law**. This Note is to be construed according to the applicable laws of the State of Florida and the United States of America.

Borrower has executed this Note as of the date first written above.

LEASEHOLD MORTGAGE AND SECURITY AGREEMENT

THIS LEASEHOLD MORTGAGE, made this ____ day of July, 2026, between **THE GATE GOLF CLUB, INC.**, a Delaware corporation ("Borrower"), and **RES MASTER HOLDINGS, LLC**, a Florida limited liability company ("Lender").

W I T N E S S E T H:

WHEREAS, Borrower is justly indebted to Lender in the principal amount of **TEN MILLION ($10,000,000.00) DOLLARS**, as evidenced by a certain Promissory Note ("Note") of even date herewith executed by Borrower and delivered to Lender, payable according to the terms therein provided.

NOW THIS INDENTURE WITNESSETH, to secure the performance and observance by the Borrower of all the covenants and conditions in the Note and in this Leasehold Mortgage and Security Agreement (the "Mortgage"), and in order to charge the properties, interests, and rights hereinafter described with such payment, performance, and observance, and for and in consideration of the sum of TEN ($10.00) DOLLARS paid by the Lender to the Borrower on or before the delivery of this Mortgage, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Borrower does hereby grant, bargain, sell, alien, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, deliver, set over, warrant, and confirm unto the Lender, its successors and assigns forever:

THE MORTGAGED PROPERTY

All of Borrower's leasehold interest in and to the following which arise out of that certain Long-Term Lease and Operating Agreement ("Lease") dated April 23, 2024 executed by and between Borrower, as lessee thereunder, and Collier County, a political subdivision of the State of Florida ("Landlord"), as lessor thereunder:

ALL THAT CERTAIN piece, parcel, or tract of land in which the Borrower has a leasehold interest situate in the County of Collier and State of Florida (hereinafter called the "Land"), more particularly described in Exhibit "A" attached hereto and made a part hereof;

TOGETHER WITH all buildings, structures, and improvements of every nature whatsoever now or hereafter situated on the Land, and all fixtures, now or hereafter owned by the Borrower and located in, on, or used or intended to be used in connection with or with the operation of the Land, buildings, structures or other improvements, including all extensions, additions, improvements, betterments, renewals, and replacements to any of the foregoing;

TOGETHER WITH all easements, rights of way, strips and gores of land, streets, ways, alleys, passages, sewer rights, water, water courses, water rights and powers, and all estates, rights, titles, interests, privileges, liberties, tenements, hereditaments and appurtenances whatsoever, in any way belonging, relating or appertaining to any of the property hereinabove described, or which hereafter shall in any way belong, relate or be appurtenant thereto, whether now owned or hereafter acquired by Borrower, and the reversion and reversions, remainder and remainders, rents, issues, and profits thereof, and all the estate, right, title, interest, property, possession, claim and demand whatsoever, at law as well as in equity, of Borrower of, in and to the same, including but not limited to all judgments, awards of damages and settlements hereafter made resulting from condemnation proceedings or the taking of the Land or any part thereof under the power of eminent domain, the alteration of the grade of any street, or for any damage (whether caused by such taking or otherwise) to the Land or any part thereof, or to any rights appurtenant thereto, and all proceeds of any sales or other disposition of the Land or any part thereof;

TOGETHER WITH all rents, royalties, issues, profits, revenue, income and other benefits from Borrower's leasehold interest in the Land to be applied against the indebtedness secured hereby, providing however, that permission is hereby given to Borrower, so long as no default has occurred hereunder, to collect, receive, take, use and enjoy such rents, royalties, issues, profits, revenue, income, licenses, foreclosures, concessions and other benefits as they become due and payable, but not in advance of the due date thereof. The foregoing assignment shall be fully operative without any further action on the part of either party, and specifically Lender shall be entitled, at its option, upon the occurrence of a default hereunder, to all rents, royalties, issues, profits, revenue, income and other benefits from Borrower's leasehold interest in the Land, whether or not Lender takes possession of the Land. Upon any such notice of default hereunder, the permission hereby given to Borrower to collect such rents, royalties, issues, profits, revenue, income and other benefits from Borrower's leasehold interest in the Land shall terminate, but such permission shall be automatically reinstated upon a cure of the default without the necessity of Borrower obtaining Lender's consent thereto. Exercise of rights under this paragraph, and the application of any such rents, royalties, issues, profits, revenue, income or other benefits to such indebtedness, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant hereto, but shall be cumulative and in addition to all other rights and remedies of Lender;

TOGETHER WITH all right, title and interest of Borrower in and to any and all leases now or hereafter on or affecting the Land, together with all security therefor and all monies payable thereunder subject, however, to the conditional permission hereinabove given to Borrower to collect the rentals under such leases. The foregoing assignment of any lease shall not be deemed to impose upon Lender any of the obligations or duties of Borrower provided in any such lease, and Borrower agrees to fully perform all obligations of the lessor under all such leases. Upon Lender's request, Borrower agrees to send to Lender a list of all leases covered by the foregoing assignment and as any such lease shall expire or terminate or as any new lease shall be made, Borrower shall so notify Lender in order that at all times Lender shall have a current list of all leases affecting the Land. Lender shall have the right, at any time and from time to time, to notify any lessee of the rights of Lender as provided by this paragraph. From time to time, upon request of Lender, Borrower shall specifically assign to Lender as additional security hereunder, by an assignment in writing in form approved by Lender, all right, title and interest of Borrower in and to any and all leases now or

hereafter on or affecting the Land, together with all security therefor and all monies payable thereunder, subject to the conditional permission hereinabove given to Borrower to collect the rentals under any such lease. Borrower shall also execute and deliver to Lender any notification, financing statement, or other document reasonably required by Lender to perfect the foregoing assignment as to any such lease;

This instrument constitutes an absolute and present assignment of the rents, royalties, issues, profits, revenue, income, and other benefits from Borrower's leasehold interest in the Land, subject, however, to the conditional permission given to Borrower to collect, receive, take, use and enjoy the same as provided hereinabove; provided, further, that the existence or exercise of such right of Borrower shall not operate to subordinate this assignment to any subsequent assignment, in whole or in part, by Borrower, and any such subsequent assignment by Borrower shall be subject to the rights of Lender hereunder;

TOGETHER WITH a security interest in (i) all property, affixed to or located on the Land, which, to the fullest extent permitted by law, shall be deemed fixtures and a part of the real property and which are owned by Borrower, (ii) all materials delivered to the Land for use in any construction being conducted thereon and which are owned by Borrower, (iii) all contract rights, including construction contracts, service contracts, advertising contracts, general intangibles, actions and right of action, and all rights to insurance proceeds associated with Borrower's leasehold interest in the Land, and (iv) all proceeds, products, replacements, additions, substitutions, renewals and accessions of any of the foregoing. Borrower (Debtor) hereby grants to Lender (Creditor) a security interest in all fixtures, and rights in action described herein. This Mortgage is a self-operative security agreement with respect to such property, but Borrower agrees to execute and deliver on demand such other security agreements, financing statements and other instruments as Lender may request in order to perfect its security interest or to impose the lien hereof more specifically upon any of such property. Lender shall have all the rights and remedies in addition to those specified herein of a secured party under the Uniform Commercial Code.

Borrower's leasehold interest in the Land, together with any and all of the aforedescribed additional property and rights, now or hereafter acquired by Borrower, shall sometimes hereinafter be referred to as the "Mortgaged Property". Under no circumstances shall this Mortgage include or encumber the fee interest of Landlord in and to the Land, and this Mortgage shall at all times be subordinate and inferior to the Landlord's fee interest in and to the Land, as well as to the terms and provisions contained in the Lease. Further, unless satisfied or released prior thereto, this Mortgage shall automatically terminate and be of no further force or effect concurrently with the termination of the Lease.

TO HAVE AND TO HOLD Borrower's leasehold interest in the Land and all parts thereof unto the Lender, its successors and assigns to its own proper uses and benefit forever, subject, however, to the terms and conditions herein.

PROVIDED, HOWEVER, that these presents are upon the condition that, if the Borrower shall pay or cause to be paid to the Lender the principal and interest payable in respect to the Note, at the times and in the manner stipulated therein and herein, all without any deduction or credit for taxes or other similar charges paid by the Borrower, and shall keep, perform and observe all and

singular the covenants and promises in the Note, and any renewal, extension or modification thereof, and in this Mortgage expressed to be kept, performed and observed by and on the part of the Borrower, all without fraud or delay, then this Mortgage, and all the properties, interests and rights hereby granted, bargained, sold, aliened, remised, released, conveyed, assigned, transferred, mortgaged, hypothecated, pledged, delivered, set over, warranted and confirmed, shall cease, terminate and be void, but shall otherwise remain in full force and effect.

AND, Borrower covenants and agrees with Lender as follows:

ARTICLE ONE
PROCEDURAL PROVISIONS

1.01 **Grace Period for Monetary Default**. Notwithstanding any provisions to the contrary contained herein or in any other loan documents executed in conjunction herewith, Borrower shall have a ten (10) day grace period after written notice to correct any monetary default. However, any late payment of principal or interest shall be accompanied by the late payment charge specified in the Note to cure the default.

1.02 **Grace Period for Non-Monetary Default**. Notwithstanding any provisions to the contrary contained herein or in any other loan documents executed in conjunction herewith, Borrower shall have a thirty (30) day grace period after written notice to correct any non-monetary default, or if such default cannot reasonably be corrected within such time frame, Borrower shall initiate such curative steps as are appropriate under the circumstances within such thirty (30) day period and shall pursue same to a conclusion reasonably satisfactory to Lender within a reasonable time.

1.03 **Conduct of Lender**. Lender agrees to and shall act in a commercially reasonable manner in enforcing its rights hereunder.

1.04 **Conduct of Borrower**. Borrower shall at all times during the term of this Mortgage conduct itself in a reasonable and cooperative manner in the discharge of its obligations herein.

1.05 **Successors and Assigns Included in Parties.** Whenever in this Mortgage one of the parties hereto is named or referred to, the successors and assigns of such party shall be included, and all covenants and agreements contained in this Mortgage by or on behalf of the Borrower or by or on behalf of Lender shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not. Whenever the singular or plural number or masculine, feminine or neuter gender is used herein, it shall equally include the other.

1.06 **Notices.**

a. Borrower. Any notice, demand, or other instrument authorized by this Mortgage to be served on the Borrower may be served on the Borrower at:

THE GATE GOLF CLUB, INC.
1130 Creekside Parkway – Suite #110327
Naples, Florida 34108
Attn: Daniel Hall, CFO

or at such other address as may have been furnished in writing to the Lender by the Borrower,

If Lender is specifically herein required to give any notice to Borrower, such notice shall be in writing and communicated to Borrower: (i) in person; (ii) by certified U.S. Mail, return receipt requested; or (iii) by a recognized overnight courier service with a requirement for signature by the recipient. Written notices shall be deemed effective upon personal delivery, the earlier of three (3) business days after mailing by certified mail or upon receipt by the recipient, or one (1) business day after being sent by overnight courier.

b. Lender. Any notice, demand, or other instrument to be served on the Lender may be served on the Lender in the manner provided above at its offices located at:

RES MASTER HOLDINGS, LLC
1130 Creekside Parkway – Suite #110327
Naples, Florida 34108
Attn: Daniel Hall, Authorized Agent

or at such other address as may have been furnished in writing to the Borrower by the Lender.

1.07 **Headings.** The headings of the articles, sections, paragraphs, and subdivisions of this Mortgage are for convenience or reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof.

1.08 **Invalid Provisions to Affect No Others.** In case any one or more of the covenants, agreements, terms, or provisions contained in this Mortgage or in the Note shall be invalid, illegal or unenforceable in any respect, the validity of the remaining covenants, agreements, terms, or provisions contained herein and in the Note shall be in no way affected, prejudiced, or disturbed thereby.

1.09 **Modifications.** It is understood and agreed that the Lender may at any time, without notice to any person, grant to the Borrower any modification of any kind or nature whatsoever, or allow any change or changes, substitution or substitutions of any of the property described in this Mortgage or any other collateral which may be held by the Lender without in any manner affecting the liability of the Borrower, any endorsers or guarantors of the indebtedness hereby secured, or any other person for the payment of said indebtedness, together with any other sums which may be due and payable to the Lender, and also without in any manner affecting or impairing the lien of this Mortgage upon the remainder of the Land and other collateral which is not changed or substituted; and it is also understood and

agreed that the Lender may at any time, without notice to any person, release any portion of the property described in this Mortgage or any other collateral, or any portion of any other collateral which may be held as security for the payment of the indebtedness hereby secured, either with or without any consideration of such release or releases, without in any manner affecting the liability of the Borrower, all endorsers or guarantors, if any, and all other persons who are or shall be liable for the payment of said indebtedness, and without affecting, disturbing or impairing in any manner whatsoever the validity and priority of the lien of this Mortgage for the full amount of the indebtedness remaining unpaid, together with all interest and advances which shall become payable, upon the entire remainder of the Land which is unreleased, and without in any manner affecting or impairing to any extent whatsoever any and all other collateral security which may be held by the Lender. It is distinctly understood and agreed by the Borrower and the Lender that any release or releases may be made by the Lender without the consent or approval of any other person or persons whomsoever.

1.10 **Uniform Commercial Code.** The parties agree that this Mortgage is a security agreement under the Uniform Commercial Code for the purpose of creating a lien on the personal property and fixtures described herein.

1.11 **No Transfer.** It is understood and agreed by Borrower that as part of the inducement to Lender to make the loan evidenced by the Note, Lender has considered and relied on the credit worthiness and reliability of Borrower. Borrower covenants and agrees not to sell, convey, transfer, or further encumber any interest in or any part of Borrower's leasehold interest in the Land without the prior written consent of the Lender, and any such sale, conveyance, transfer, or encumbrance made without Lender's prior written consent shall constitute an event of default hereunder. An assignment of beneficial interest in any land trust shall constitute a transfer pursuant to the provisions of this paragraph. If any person should obtain an interest in all or any part of Borrower's leasehold interest in the Land pursuant to the execution or enforcement of any lien, security interest or other right, whether superior, equal or subordinate to this Mortgage or the lien hereof, such event shall be deemed to be a transfer by Borrower and an Event of Default hereunder.

1.12 **Time is of the Essence.** It is specifically agreed that time is of the essence of this Mortgage and that no waiver of any obligation hereunder or of the obligation secured hereby shall at any time thereafter be held to be a waiver of the terms hereof or of the instrument secured hereby.

1.13 **Attorneys' Fees and Expenses.** Wherever provision is made herein for payment for reasonable attorneys' or counsel's fees or expenses incurred by the Lender, said provision shall include, but not be limited to, reasonable attorneys' or counsel's fees or expenses incurred in any and all judicial, bankruptcy, reorganization, administrative, or other proceedings, including appellate proceedings, whether such proceedings arise before or after entry of a final judgment.

1.14 **Maximum Rate of Interest.** Nothing herein contained, nor in the Note secured hereby or any instrument or transaction related thereto, shall be construed or so operate as to require

the Borrower, or any person liable for the payment of the loan made pursuant to said Note, to pay interest in an amount or at a rate greater than the maximum allowed by law. Should any interest or other charges in the nature of the interest paid by the Borrower, or any parties liable for the payment of the loan made pursuant to said Note, result in the computation or earning of interest in excess of the maximum rate of interest allowed by applicable law, then any and all such excess shall be and the same is hereby waived by the holder hereof, and all such excess shall be automatically credited against and in reduction of the principal balance, and any portion of said excess which exceeds the principal balance shall be paid by the holder hereof to the Borrower, or any parties liable for the payment of the loan made pursuant to said Note, it being the intent of the parties hereto that under no circumstances shall the Borrower or any parties liable for the payment of the loan hereunder be required to pay interest in excess of the maximum rate allowed by law.

1.15 **Florida Contract.** This Mortgage is made by Borrower and accepted by Lender in the State of Florida, with reference to the laws of such State, and shall be construed, interpreted, enforced and governed by and in accordance with such laws (excluding the principles thereof governing conflicts of law) and Federal Law in the event (and only in the event) Federal Law pre-empts State Law.

1.16 **Default Rate.** The default rate of interest shall be applicable subsequent to an Event of Default (hereinafter defined) and where elsewhere provided for in this Mortgage. The default rate shall be the interest rate specified in the Note as the interest rate payable after maturity or default.

ARTICLE TWO
PARTICULAR COVENANTS OF BORROWER

2.01 **Performance of Note and Mortgage.** The Borrower will perform, observe and comply with all the provisions hereof and of the Note secured hereby, and Borrower will promptly pay to the Lender the sum of money expressed in the Note with interest thereon and all other sums required to be paid pursuant to the provisions of this Mortgage on the days when payment shall become due, all without deduction or credit for taxes or other similar charges, time being of the essence for such payments.

2.02 **Warranty of Title.** The Borrower covenants that it is indefeasibly seized of the Land in fee simple, has good and absolute title to all property hereby mortgaged, has full power and lawful right to convey and mortgage the same in the manner and form aforesaid, and the Borrower does hereby fully warrant the title to Borrower's leasehold interest in the Land against the lawful claim of all persons whomsoever.

2.03 **Taxes, Liens, and Utility Charges.**

(a) The Borrower covenants and agrees to deliver to the Lender, on or before March 31 of each year, tax receipts evidencing the payment of all lawfully imposed taxes upon the Land for the current calendar year; to deliver to the Lender receipts evidencing the payment of all liens, levies, and assessments for public improvements within

thirty (30) days after same shall become due and payable; and to pay or discharge within thirty (30) days after the due date, any and all governmental levies that may be made on the Land, on this Mortgage or the Note or in any other way resulting from the mortgage indebtedness secured by this Mortgage.

(b) The Borrower shall not permit any construction, laborer's, statutory or other lien to be created or to remain outstanding upon any of Borrower's leasehold interest in the Land and shall cause same to be released and discharged, or transferred to bond as permitted by law, within thirty (30) days after the same is recorded in the applicable public records.

(c) The Borrower will pay when due and will not suffer to remain outstanding any charges for utilities, whether public or private, with respect to the Land.

2.04 Lender Liability Claims. Borrower covenants and agrees with Lender that should Borrower, at any time, become aware of any act, occurrence, or omission on the part of Lender, its employees, agents or attorneys, which Borrower believes or has reason to suspect would give rise to a claim by Borrower for bad faith, negligence, fraud or any form of lender liability against Lender, Borrower will advise Lender, in writing, of such claim or potential claim within ninety (90) days of discovery, or Borrower shall be deemed to have waived the claim and be forever barred from asserting that claim or a related claim against Lender. The purpose of this provision is to promptly advise Lender of any potential claim and to allow Lender to immediately investigate, and if necessary, remedy the alleged violation. Borrower agrees that its failure to notify Lender within a reasonable period of time not to exceed ninety (90) days shall be a complete bar to the pursuit of the claim against Lender, its employees, agents, or attorneys.

2.05 Insurance.

(a) Borrower shall at its sole expense obtain public liability insurance in such amounts and for such periods as Lender may reasonably require during the life of the Mortgage naming Lender as certificate holder and insured mortgagee. Borrower shall pay promptly, when due, any premiums on the insurance policies and renewals.

(b) If the Land is located in a special flood hazard area, Borrower shall at its sole expense obtain and maintain flood insurance in the maximum amount available under applicable law during the life of the Mortgage naming Lender as certificate holder and insured mortgagee. Borrower shall pay promptly, when due, any premiums on such insurance policy and all renewals thereof. Notwithstanding anything contained herein to the contrary, the words "personal property" shall mean all equipment, fixtures, and other articles of personal property now or hereafter owned by Borrower, and now or hereafter attached or affixed to the Mortgaged Property, together with all accessories, parts, and additions to, all replacements of, and all substitutions for, any of such personal property, and together with all proceeds (including without limitation all insurance proceeds and refunds of premiums) from any sale or other disposition of such personal

property. However, if the Mortgaged Property is or will be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, the personal property encumbered hereby shall be limited to only those items specifically covered (currently or hereafter) by Coverage A of the standard flood insurance policy issued in accordance with the National Flood Insurance Program or under equivalent coverage similarly issued by a private insurer to satisfy the National Flood Insurance Act (as amended).

(c) Borrower shall keep any improvements located upon the Land insured against all risks with coverage of the type now known as "All Risk Replacement Cost Insurance" which insures against damage caused by rising water, wind, fire and other hazards, casualties, and contingencies, for the full insurable value of the improvements, on a replacement basis, for such periods as may be required by Lender, and to pay promptly when due any premiums on such insurance policies or renewals. All insurance shall be carried on companies approved by Lender as to financial standing according to such guidelines as may be adopted from time to time by Lender, and the policies and renewals thereof shall be held by Lender and shall have attached thereto loss payable clauses in favor of and in a form acceptable to the Lender. At least thirty (30) days prior to the expiration date of all such policies, renewals thereof satisfactory to the Lender shall be delivered to the Lender. The Borrower shall deliver to the Lender receipts evidencing the payment of all such insurance policies and renewals. In the event of loss, Borrower will give immediate notice by mail to Lender, and Lender may make proof of loss if not made promptly by Borrower, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender instead of to Borrower and Lender jointly, and the insurance proceeds or any part thereof may be applied by Lender at its option to the restoration or repair of the property damage. In the event of foreclosure of this Mortgage or other transfer of title to the Land in extinguishment of the indebtedness secured hereby, all right, title, and interest of the Borrower in and to any insurance policies then in force shall pass to the purchaser or grantee.

2.06 **Condemnation.** If all or any part of the Land shall be damaged or taken through condemnation (which term when used in this Mortgage shall include any damage or taking by any governmental authority, and any transfer by private sale in lieu thereof, either temporarily or permanently), the entire indebtedness secured hereby shall at the option of the Lender become immediately due and payable. The Lender shall be entitled to all compensation, awards, and any other payments of relief therefor which would otherwise be payable to Borrower, and is hereby authorized, at its option to commence, appear in and prosecute, in its own or the Borrower's name, any action or proceeding relating to any condemnation, and to settle or compromise any claim in connection therewith. All such compensation, awards, damages, claims, rights of action and proceeds and the right thereto are hereby assigned by the Borrower to the Lender, who after deducting therefrom all its expenses including attorneys' fees, may release any monies so received by it without affecting the lien of this Mortgage or may apply the same in such manner as the Lender shall determine to the reduction of the sums secured hereby and to any prepayment charge herein

provided, and any balance of such monies then remaining shall be paid to the Borrower. The Borrower agrees to execute such further assignments of any compensations, awards, damages, claims, rights, or proceeds as the Lender may require.

2.07 Care of Property.

(a) The Borrower shall preserve and maintain the Land in good condition and repair. Borrower shall not remove or demolish any building hereafter existing on the Land without the prior written consent of the Lender. Borrower shall not permit, commit, or suffer any waste, impairment, or deterioration of the Land or of any part thereof, and will not take any action which will increase the risk of fire or other hazard to the Land or to any part thereof.

(b) Except as otherwise provided herein, no buildings, fixtures, personal property, or other part of the Land shall be removed, demolished or substantially altered without the prior written consent of the Lender. The Borrower may sell or otherwise dispose of, free from the lien of this Mortgage, furniture, furnishings, equipment, tools, appliances, machinery, fixtures or appurtenances, subject to the lien hereof, which may become worn out, undesirable, obsolete, disused or unnecessary for use in the operation of the Land, not exceeding in value at the time of disposition thereof FIFTY THOUSAND ($50,000.00) DOLLARS for any single transaction, or a total of ONE HUNDRED THOUSAND ($100,000.00) DOLLARS in any one year, upon replacing the same by, or substituting for the same, other furniture, equipment, tools, appliances, machinery, fixtures or appurtenances not necessarily of the same character, but of at least equal value to the Borrower and costing not less than the amount realized from the property sold or otherwise disposed of, which shall forthwith become, without further action, subject to the lien of this Mortgage.

(c) If the Land or any part thereof is damaged by fire or any other cause, the Borrower will give immediate written notice of same to Lender.

(d) The Lender is hereby authorized to enter upon and to inspect the Land at any time during normal business hours during the life of this Mortgage.

(e) The Borrower shall promptly comply with all present and future laws, ordinances, rules, and regulations of any governmental authority affecting the Land or any part thereof.

(f) If all or any part of the Land shall be damaged by fire or other casualty, the Borrower will promptly restore the Land to the equivalent of its original condition regardless of whether or not there shall be any insurance proceeds therefor. The Borrower shall be permitted a reasonable time to settle claims with the Borrower's insurers, but in all such events restoration shall be begun no less than ninety (90) days after the occurrence of such fire or other casualty. If a part of the Land shall be physically damaged through condemnation, the Borrower will promptly restore, repair, or alter the remaining property in a manner satisfactory to the Lender to the

extent that Borrower receives a compensation award for said condemnation which is not utilized by Lender pursuant to Paragraph 2.06 of this Mortgage.

2.08 **Further Assurances.** Borrower will make, execute, and deliver to the Lender and, where appropriate, shall cause to be recorded and/or filed and from time to time thereafter to be re-recorded and/or refiled at such time and in such offices and places as shall be deemed desirable by the Lender, and any and all such further mortgages, instruments of further assurance, certificates, and other documents as may, at the opinion of the Lender, be necessary or desirable in order to effectuate, complete, enlarge or perfect, or to continue and preserve:

(a) The obligation of the Borrower under this Mortgage and the Note secured hereby; and

(b) The lien of this Mortgage as a lien upon Borrower's leasehold interest in the Land.

2.09 **After-Acquired Property.** The lien of this Mortgage will automatically attach, without further act, to all after-acquired property attached to or used in the operation of the Land.

2.10 **Leases Affecting Land.** The Borrower will comply with and observe its obligations as landlord under all leases affecting the Land or any part thereof. Borrower will furnish Lender with a copy of Borrower's standard form lease prior to undertaking any leasing activities with respect to the Property. The Lender specifically reserves the right to approve all proposed lessees as to financial capabilities. Unless otherwise herein specifically provided, all leases shall be inferior and subordinate in all respects to the lien of this Mortgage, and the terms of each lease shall so provide. Borrower will not, without the express written consent of the Lender, modify, surrender or terminate, either orally or in writing, any lease hereafter created upon the Land, nor will the Borrower permit an assignment or sublease without the express written consent of the Lender. Borrower will not accept payment of rent more than two (2) months in advance without the express written consent of the Lender. If requested by the Lender, the Borrower will specifically assign to the Lender as additional security any and all such leases hereafter created, including, without limitation, all rents, royalties, issues, and profits of the premises from time to time accruing, the parties hereto acknowledging that this Mortgage constitutes a general assignment of any and all such future leases.

2.11 **Expenses.** Borrower shall pay or reimburse Lender for all reasonable costs, charges and expenses, including reasonable attorneys' fees, including appellate proceedings, and disbursements, and costs of abstracts of title incurred or paid by Lender in any action, proceeding or dispute in which Lender is made a party or appears as a party plaintiff or party defendant because of the failure of the Borrower promptly and fully to perform and comply with all conditions and covenants of this Mortgage and the Note secured hereby, including but not limited to, the foreclosure of this Mortgage, condemnation of all or part of the Land, or any action to protect the security thereof. All costs, charges and expenses so incurred by Lender shall become due and payable whether or not there be notice, demand, attempt to

collect, or suit pending. The amounts so paid by Lender shall be secured by the lien of this Mortgage.

2.12 Lender's Performance of Defaults. If the Borrower shall default in the payment of any tax assessment, encumbrance or other imposition, in its obligation to furnish insurance hereunder, or performance or observance of any other covenant, condition or term in this Mortgage, or if Borrower should default under the terms of the Lease, the Lender, may, at its option, without waiving or affecting its option to foreclose or any other rights hereunder, pay, perform or observe the same, and all payments made or costs or expenses incurred by the Lender in connection therewith, shall be secured hereby and shall be immediately repaid by the Borrower to the Lender, with interest thereon at the Default Rate as hereinafter defined. Nothing contained herein shall be construed as requiring Lender to advance or expend monies for any purposes mentioned in this paragraph. The Lender is hereby empowered to enter and to authorize others to enter upon the Land or any part thereof for the purpose of performing or observing any such defaulted covenant, condition, or term without thereby becoming liable to the Borrower or any person in possession holding under the Borrower.

2.13 Estoppel Affidavits. The Borrower, within fifteen (15) days after written request from the Lender, shall furnish a written statement, duly acknowledged, setting forth the unpaid principal of, and interest on, the Note and whether or not any offsets or defenses exist against such principal and interest.

2.14 Proper Use, Care and Maintenance.

(a) The Borrower hereby represents and warrants that to the best of the Borrower's knowledge, after appropriate investigation, the Land is not currently used, nor has it been used in the past, by the Borrower, prior owners, tenants, operators, or any other persons or organizations, in a manner that violates any applicable federal, state or local law, statute, ordinance or regulation, court or administrative order or decree, or any governmental or quasi-governmental authority or agency or any private agreement pertaining to environmental matters or hazardous substances (hereinafter collectively called "Environmental Requirements"), and there are to Borrower's knowledge no conditions existing at, or materials currently located on, the Land that would violate any Environmental Requirements or give rise to liability for hazardous substances (including, without limitation, solid wastes, toxic materials, radon, asbestos, and oil), or that would require special handling in collection, storage, treatment or disposal. The Borrower will not place or permit to be placed on the Land any such materials or use or permit the use of the Land in a manner that would violate any applicable Environmental Requirements or give rise to liability for hazardous substances. The Borrower further covenants and agrees that it will not use or permit the use or operation of the Land in a manner that, in the determination of the Federal Environmental Protection Agency or the Florida Department of Environmental Protection, would constitute a dangerous, unhealthy or noxious use thereof. Further, if at any time it is determined that the operation or use of the Land violates any applicable environmental protection requirements or that there are

materials located on the Land that, under any Environmental Requirements, require special handling in collection, storage, treatment or disposal, or would create a dangerous, unhealthy or noxious condition thereon, then the Borrower shall, within thirty (30) days after written notice thereof, commence to take or cause to be taken, at its sole expense, such actions as may be necessary to comply with all environmental protection requirements and to complete such actions as soon as reasonably possible. The Borrower will not permit any federal, state, or local environmental or hazardous waste lien to be levied against the Land, regardless of whether that lien is subordinate to the lien of this Mortgage. Failure of the Borrower to comply with all environmental protection requirements shall be a default under this Mortgage.

(b) To enforce the Borrower's obligations under section (a) above and confirm its compliance with the same, if Lender has a reasonable basis to believe that there has been a change in the environmental condition of the Mortgaged Property which violates the Environmental Requirements, the Lender may, at its option, but not more frequently than once in any twelve (12) month period, conduct or cause to be conducted an environmental audit (which may include, without limitation, test borings of the ground and chemical analyses of air, water and waste discharges) of the Land or portions thereof, for which audits the Borrower shall be charged the actual costs thereof. The Borrower shall pay such costs on written direction from Lender and upon failure to pay same, such costs shall be added to the indebtedness secured hereby and shall be secured by this Mortgage.

(c) The Borrower further represents and warrants that it has received no notices from any governmental or quasi-governmental authorities or agencies with respect to environmental protection requirements or environmental issues affecting the Land and has no knowledge of such notices sent to prior owners of the Land, tenants, operators, or any other persons or organizations. The Borrower shall send to the Lender copies of all notices, letters, or other communications respecting the Land that are either received by the Borrower from any governmental or quasi-governmental authority or agency concerning Environmental Requirements or environmental issues affecting the Land or sent by the Borrower to any such authority or agency regarding the same, within five (5) days after such receipt or transmittal by the Borrower.

(d) If the Lender has a reasonable basis to believe that the Land is being used or operated in a manner, or that a condition exists on the Land, which would violate any environmental protection requirements or which would constitute a dangerous, unhealthy or noxious use thereof or condition thereon or which would give rise to potential liability for hazardous substances, the Lender may, but shall not be obligated to, perform or cause to be performed any remedial action, including but not limited to removal and clean-up, which the Lender has a reasonable basis to believe is necessary or prudent under the circumstances, and the Lender may make advances or payments towards performance or satisfaction of such environmental protection requirements, but shall be under no obligation to do so. The Borrower

shall execute and deliver, promptly after request, such instruments as the Lender may deem useful or required to permit the Lender to take any such action. All sums so advanced or paid and all expenses incurred by Lender, including, without limitation, reasonable attorneys' fees, fines or other penalty payments and all sums advanced or paid in connection with any judicial or administrative investigation or proceeding relating thereto shall immediately, upon written direction, be due from the Borrower and shall bear interest at the Default Rate from the date the same shall become due and payable until the date paid, and all sums so advanced or paid and expenses incurred, with interest as aforesaid, shall be added to the indebtedness secured hereby and shall be secured by this Mortgage. The Borrower shall reimburse the Lender for all such sums so advanced or paid and expenses incurred, regardless of whether the Borrower would have ultimately been responsible for such costs under applicable law.

(e) The Borrower hereby agrees to indemnify, to hold harmless, to reimburse, and upon written direction by the Lender to defend the Lender from and against any third party claims involving hazardous substances or similar claims involving the use or condition of the Land and for any and all liability or responsibility that may at any time be imposed upon the Lender by reason of the operation or use of the Land, or any portion thereof, by the Borrower, or any prior owner, tenant, or operator thereof, or any other persons or organizations, or by reason of the Land or any portion thereof not complying fully with all Environmental Requirements.

ARTICLE THREE
DEFAULTS

3.01 **Event of Default.** The term "Event of Default," wherever used in the Mortgage, shall mean any one (1) or more of the following events not corrected within the above-mentioned grace periods:

(a) Failure by Borrower to pay, as and when due and payable, any installment of principal or interest due under the Note or any other sums to be paid by Borrower hereunder or under any other instrument securing the Note.

(b) Failure by Borrower to duly keep, perform, and observe any other covenant, condition, or agreement in the Note, this Mortgage, any other instrument securing the Note, or any other instrument collateral to the Note or executed in connection with the sums secured hereby after Lender gives written notice specifying the breach to Borrower.

(c) A default of any kind by Borrower with respect to any other loan extended by Lender to Borrower, whether such default be financial in nature or otherwise.

(d) If Borrower shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, wage earner's plan, assignment

for the benefit of creditors, receivership, dissolution or similar relief under any present or future federal bankruptcy code or act or any other present or future applicable federal, state or other statute or law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Borrower or all or any part of the Land; or if within sixty (60) days after commencement of any proceeding against Borrower seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, debtor relief or similar relief under any present or future federal bankruptcy code or act of any other present or future federal, state or other statute or law, such proceeding shall not have been dismissed or stayed on appeal; or if, within sixty (60) days after the appointment, without the consent or acquiescence of Borrower or of any trustee, receiver, or liquidator of Borrower, of all of any portion of the Mortgaged Property, such appointment shall not have been vacated or stayed on appeal; or if within sixty (60) days after the expiration of any such stay, such proceeding or appointment shall not have been dismissed or vacated.

(e) If foreclosure proceedings should be instituted on any other mortgage encumbering Borrower's leasehold interest in the Land, or if any foreclosure proceeding is instituted on any lien of any kind encumbering Borrower's leasehold interest in the Land.

(f) Any sale or further encumbrance of Borrower's leasehold interest in the Land.

(g) Any material breach of any warranty or material untruth of any representation of Borrower contained in the Note, this Mortgage, or any other instrument securing the Note.

(h) Any assignment, transfer, or other conveyance of Borrower's leasehold interest in the Land, or of a substantial portion of the assets of Borrower during the term of the loan evidenced by the Note and secured hereby without the express prior written consent of Lender.

(i) Any default under the Lease by Borrower, or any occurrence or condition under the Lease which entitles Landlord to terminate the Lease.

3.02 **Acceleration of Maturity.** If an Event of Default shall have occurred and be continuing and after expiration of any applicable cure period, the Lender may declare the entire principal amount of the Note then unpaid, and the interest accrued thereon, to be due and payable immediately, and upon such declaration the entire principal and interest shall immediately become and be due and payable as fully and to the same effect as if the date of the declaration by Lender were the date originally specified for the maturity of the unpaid balance of the Note.

3.03 Lender's Right to Enter and Take Possession, Operate, and Apply Income.

(a) If an Event of Default shall have occurred and be continuing, the Borrower, upon written direction of the Lender, shall immediately surrender to the Lender the actual possession of the Mortgaged Property, and to the extent permitted by law the Lender itself, or such officers or agents as it may appoint, may enter and take possession of all the Mortgaged Property, and may exclude the Borrower and its agents and employees wholly therefrom, and may have joint access with the Borrower to the books, papers, and accounts of the Borrower;

(b) If the Borrower shall, for any reason, fail to surrender or deliver any such Mortgaged Property or any part thereof after such demand by the Lender, the Lender may obtain a judgment or decree conferring on the Lender the right to immediate possession or requiring the Borrower to deliver immediate possession of all or part of such Mortgaged Property to the Lender;

(c) The Borrower will pay to the Lender, upon demand, all expenses of obtaining such judgment or decree and reasonable compensation to the Lender, its attorneys and agents, and all such expenses and compensation shall, until paid, be secured by the lien of this Mortgage;

(d) Upon the entering upon or taking of possession, the Lender may hold, store, use, operate, manage, and control the Mortgaged Property and conduct the business thereof, and, from time to time:

(i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments, and improvements thereto and thereon, and purchase or otherwise acquire additional fixtures, personalty and other property;

(ii) insure or keep the Mortgaged Property insured and exercise all the rights and powers of the Borrower in its name or otherwise, with respect to the same;

(iii) manage and operate the Mortgaged Property and exercise all the rights and powers of the Borrower in its name or otherwise with respect to the same;

(iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted the Lender;

all as the Lender from time to time may determine to be to its best advantage, and the Lender may collect and receive all the income, revenues, rents, issues, and profits of the same, including those past due as well as those accruing thereafter, and after deducting:

(aa) all expenses of taking, holding, managing, and operating the Mortgaged Property (including compensation for the services of all persons employed for such purposes);

(bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements, purchases, and acquisitions;

(cc) the cost of insurance;

(dd) such taxes and other charges prior to the lien of this Mortgage as the Lender may determine to pay;

(ee) other proper charges upon the Mortgaged Property or any part thereof; and

(ff) the reasonable compensation, expenses, and disbursements of the attorneys and agents of the Lender,

the Lender shall apply the remainder of the monies so received by the Lender first to the payment of accrued interest, second to the payment of any required tax deposit, insurance deposit, or expenses required by Lender, and third toward the outstanding principal balance on the Note.

3.04 **Lender's Power of Enforcement.** If an Event of Default shall have occurred and be continuing the Lender may, either with or without entry or taking possession as hereinabove provided or otherwise, proceed by suit or suits at law or in equity or by any other appropriate proceeding or remedy: (a) to enforce payment of the Note or the performance of any term hereof or any other rights, (b) to foreclose this Mortgage under the judgment or decree of a court or courts of competent jurisdiction, and (c) to pursue any other remedy available to it, all as the Lender shall deem most effectual for such purposes. The Lender shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession as the Lender may determine, and no such action shall be deemed an election of remedies. In addition to the foregoing, if Borrower shall have defaulted under the terms of the Lease, Lender shall be entitled to written notice thereof from Borrower and Landlord, whereupon Lender shall have no less than ten (10) days to cure such default, unless such default is not susceptible of being cured within such ten (10) day period, in which event Lender shall have such additional time as is reasonably required to effectuate the necessary cure. If the default under the Lease is not capable of being cured, or upon any other occurrence or condition which entitles Landlord to terminate the Lease, Lender shall have the option to assume all of Borrower's right, title, and interest in and to the Lease, to the exclusion of Borrower, which option shall be exercised by Lender, if at all, within ten (10) days of receipt of written notice of such non-curable default from Landlord.

3.05 **Leases.** The Lender, at the Lender's option, is authorized to foreclose this Mortgage and the rights of any tenants of the Land, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights will not be, nor be asserted to be by the Borrower, a defense to any proceedings instituted by the Lender to collect the sums secured hereby or any deficiency remaining unpaid after the foreclosure sale of the Land.

3.06 **Principal and Interest Become Due on Foreclosure.** Upon commencement of suit or foreclosure of this Mortgage, the unpaid principal of the Note, if not previously declared due, and the interest accrued thereon, shall at once become and be immediately due and payable without additional demand.

3.07 **Purchase by Lender.** Upon any foreclosure sale pursuant to judicial proceedings, the Lender may bid for and purchase the leasehold interest in the Land and, upon compliance with the terms of sale, may hold, retain, possess, and dispose of such property in its own absolute right, without further accountability. Should Lender purchase Borrower's leasehold interest in the Land at a foreclosure sale and otherwise comply with the terms of sale, Lender shall have the option to assume all of Borrower's right, title, and interest in and to the Lease, to the exclusion of Borrower, which option shall be exercised by Lender, if at all, within ten (10) days after issuance of the certificate of sale in favor of Lender.

3.08 **Application of Indebtedness Toward Purchase Price.** Upon any foreclosure sale pursuant to judicial proceedings, the Lender may, if permitted by law, after allowing for the proportion of the total purchase price required to be paid in cash for the costs and expenses of the sale, compensation, and other charges, in paying the purchase price, apply to the purchase price any portion of or all sums due to the Lender under the Note and this Mortgage, in lieu of cash.

3.09 **Waiver of Right to Marshal Assets.** The Borrower agrees, to the fullest extent permitted by law, that in case of a default on its part hereunder, neither the Borrower nor anyone claiming through or under it shall assert any right to have the assets comprised in the security intended to be created hereby marshaled upon any foreclosure of the lien hereof and agrees that the Lender or any court having jurisdiction to foreclose such lien may sell the leasehold interest in the Land as an entirety.

3.10 **Receiver.** If any Event of Default shall occur and be continuing, then upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Lender, the Lender to the extent permitted by law, shall be entitled as a matter of right to the appointment of a receiver to enter upon and take possession of the leasehold interest in the Land. The receiver shall collect all rents, revenues, issues, income, products, and profits thereof pending such proceedings and apply the same as the court may direct. The receiver shall have the rights and powers permitted under the laws of Florida and such other powers as the court may direct. The expenses, including receiver's fees, counsel fees, costs and agent's compensation, incurred pursuant to the powers herein contained shall be secured by this Mortgage. The right to enter and take possession of, to manage, and operate the leasehold interest in the Land, to collect the rents, issues, and profits thereof, whether by a receiver or otherwise, shall be cumulative to any other right or remedy hereunder or afforded by law and may be exercised concurrent therewith or independently thereof. Lender shall be liable to account only for such rents, issues, and profits actually received by Lender, whether received pursuant to this paragraph or Paragraph 3.03 above. Notwithstanding the appointment of any receiver, trustee, or other custodian, the Lender shall be entitled as pledgee to the possession and control of any cash or other instruments at the time held by or payable or deliverable under the terms of this Mortgage to the Lender.

3.11 **Suits to Protect the Land.** The Lender shall have power: (a) to institute and maintain such suits and proceedings as it may deem expedient to prevent any material impairment of the Land by any acts which may be unlawful or any violation of the Mortgage, (b) to preserve or protect its leasehold interest in the Land and in the income, revenues, rents, and profits arising therefrom, and (c) to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule, or order would impair the security hereunder or be prejudicial to the interest of the Lender.

3.12 **Proofs of Claim.** In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting the Borrower, its creditors, or its property, the Lender, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Lender allowed in such proceedings for the entire amount due and payable by the Borrower under this Mortgage at the date of the institution of such proceedings and for any additional amount which may become due and payable by the Borrower hereunder after such date.

3.13 **Acceleration and Application of Monies by Lender.**

(a) If default shall be made under the Note, this Mortgage, or otherwise, and the same shall not have been cured within any applicable grace period, then, upon demand of the Lender, the Borrower shall pay to the Lender the entire amount due and payable under the Note. If Borrower shall fail to pay the same immediately upon such demand, the Lender shall be entitled to sue for and to recover judgment for the whole amount so due and unpaid together with costs, which shall include the reasonable compensation, expenses, and disbursements of the Lender's agents and attorneys either before, after, or during the pendency of any proceedings for the enforcement of this Mortgage, including appellate proceedings. The right of the Lender to recover such judgment shall not be affected by any taking of possession or foreclosure sale hereunder, or by the exercise of any other right, power, or remedy for the enforcement of the terms of this Mortgage, or the foreclosure of the lien created hereby.

(b) In case of a foreclosure sale of Borrower's leasehold interest in the Land and of the application of the proceeds of sale to the payment of the debt hereby secured, the Lender shall be entitled to enforce payment of and to receive all amounts then remaining due and unpaid upon the Note, and the Lender shall be entitled to receive judgment for any portion of the debt remaining unpaid, with interest.

(c) The Borrower agrees, to the fullest extent that it may lawfully so agree, that no recovery of any such judgment by the Lender and no attachment or levy of any execution upon any such judgment upon Borrower's leasehold interest in the Land or upon any other property shall in any manner or to any extent affect the lien of this Mortgage upon Borrower's leasehold interest in the Land or any part thereof or any

lien, rights, powers, or remedies of the Lender hereunder, but such lien, rights, powers, and remedies shall continue unimpaired as before.

(d) Any monies thus collected by the Lender or received by the Lender under this paragraph shall be applied as follows:

First, to the payment of the reasonable attorneys' fees and expenses incurred by Lender, its agents, and attorneys, including but not limited to taxes paid, insurance premiums paid, and receiver's fees paid.

Second, toward payment of interest due and unpaid under the Note.

Third, toward payment of principal due and unpaid under the Note.

3.14 **Delay or Omission No Waiver.** No delay or omission of the Lender or of any holder of the Note to exercise any right, power, or remedy accruing upon any default shall exhaust or impair any such right, power, or remedy or shall be construed to be a waiver of any such default or acquiescence therein, and every right, power, and remedy given by this Mortgage to the Lender may be exercised from time to time and as often as may be deemed expedient by the Lender.

3.15 **No Waiver of One Default to Affect Another.** No waiver of any default hereunder shall extend to or shall affect any subsequent or any other then existing default or shall impair any rights, powers, or remedies of Lender. If the Lender: (a) grants forbearance or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted herein or in the Note; (d) releases any part of Borrower's leasehold interest in the Land from the Note or Mortgage; (e) consents to the filing of any declaration of condominium map, plat, or replat thereof; (f) consents to the granting of any easement thereon, or (g) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under the Note, Mortgage, or otherwise of the Borrower or any subsequent purchaser of Borrower's leasehold interest in the Land or any part thereof, or any maker, co-signer, endorser, surety or guarantor, nor shall any such act or omission preclude the Lender from exercising any right, power, or privilege herein granted or intended to be granted in the event of any other default then made or of any subsequent default nor, except as otherwise expressly provided in an instrument or instruments executed by the Lender, shall the lien of this Mortgage be altered thereby. In the event of the sale or transfer by operation of law or otherwise of all or any part of Borrower's leasehold interest in the Land, the Lender, without notice to any person or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to Borrower's leasehold interest in the Land or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder.

3.16 **Discontinuance of Proceedings - Position of Parties Restored.** In case the Lender shall have proceeded to enforce any right or remedy under this Mortgage by foreclosure, entry, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Lender, then and in every such case, the Borrower and the Lender shall be restored to their former positions and rights hereunder, and all rights, powers, and remedies of the Lender shall continue as if no such action had been taken.

3.17 **Remedies Cumulative.** No right, power, or remedy conferred upon or reserved to the Lender by this Mortgage is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder or now or hereafter existing at law or in equity or by statute.

3.18 **Subrogation.** The Lender hereby is subrogated to the claims and liens of all parties whose claims or liens are discharged or paid with the proceeds of the indebtedness secured by this Mortgage.

ARTICLE FOUR
ADDITIONAL PROVISIONS

4.01 **Future Advances.** This Mortgage is given to secure not only the existing indebtedness of TEN MILLION ($10,000,000.00) DOLLARS of the Borrower to the Lender evidenced by the Note secured hereby, but also such future advances up to an additional TEN MILLION ($10,000,000.00) DOLLARS as are made within twenty (20) years from the date hereof, plus interest thereon, and any disbursements made by the Lender for the payment of taxes, insurance or other liens on the property encumbered by this Mortgage, with interest on such disbursements, which advances shall be secured hereby to the same extent as if such future advances were made on this date. The total amount of indebtedness secured hereby may increase or decrease from time to time. The provisions of this paragraph shall not be construed to imply any obligation on Lender to make any future advances, it being the intention of the parties that any future advances shall be solely at the discretion and option of the Lender. Any reference to "Note" in this Mortgage shall be construed to also reference any instruments evidencing future advances made pursuant to this paragraph.

4.02 **Pre-Petition Consent to Relief from Automatic Stay in Bankruptcy.** Borrower hereby knowingly, voluntarily and intentionally consents to the immediate relief from the automatic stay in any bankruptcy court in the event that Borrower, as the debtor, files bankruptcy. Borrower acknowledges that it has a constitutional right to file bankruptcy as well as the existence of public policy which prohibits a creditor from prohibiting any debtor from filing bankruptcy, and Borrower further acknowledges that nothing contained in this paragraph is intended to be a total prohibition against filing bankruptcy but is limited only to relief from an automatic stay under 11 U.S.C. Section 362. Filing bankruptcy and failing to consent to relief from the automatic stay could delay Lender from foreclosing this Mortgage in a state or federal court of competent jurisdiction. Borrower agrees that an essential element of the consideration Borrower has offered Lender for this Mortgage and the related loan

documents is this waiver and consent to relief from the automatic stay. With this knowledge, therefore, Borrower, to the fullest extent possible, consents to relief from the automatic stay in the event that Borrower should file bankruptcy at any time during the existence of this Mortgage or any of the related loan documents. This provision is a material inducement for Lender to enter into and accept this Mortgage and to extend credit or to grant other financial accommodations to Borrower.

4.03 **Waiver of Jury Trial.** BORROWER HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHT WHICH BORROWER MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED ON THIS MORTGAGE OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS MORTGAGE, THE NOTE, OR ANY OTHER LOAN DOCUMENT EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF LENDER OR LENDER'S OFFICERS, EMPLOYEES, AGENTS, OR REPRESENTATIVES. THIS PROVISION IS A MATERIAL INDUCEMENT FOR LENDER TO ENTER INTO AND ACCEPT THIS MORTGAGE AND TO EXTEND CREDIT OR TO GRANT OTHER FINANCIAL ACCOMMODATIONS TO BORROWER.

IN WITNESS WHEREOF, the undersigned has executed this instrument on the day and year first above written.

THENCE SOUTH 45° 00' 00" EAST FOR 36.62 FEET
TO THE POINT OF BEGINNING.

TOTAL AS DESCRIBED 110.84 ACRES OF LAND MORE OR LESS.

SECURITY AGREEMENT

Date: July ____, 2026

THE GATE GOLF CLUB, INC., a Delaware corporation ("Borrower"), and **RES MASTER HOLDINGS, LLC**, a Florida limited liability company ("Secured Party"), agree as follows:

1. **Security Interest**. In consideration of the extension of credit made by the Secured Party to Borrower in the principal amount of **TEN MILLION ($10,000,000.00) DOLLARS**, as evidenced by that certain Promissory Note ("Note") executed by Borrower of even date herewith, the Borrower hereby pledges to the Secured Party and gives the Secured Party a continuing and unconditional security interest ("Security Interest") in the following described property, in all increases and profits therefrom, in all substitutions therefor, and in all proceeds thereof in any form ("Collateral"):

   All personal property of Borrower located in Collier County, Florida on, or used by Borrower in connection with the operation of, the real property described on Exhibit "A" attached hereto.

2. **Indebtedness Secured**. This Agreement and the Security Interest created hereby secures payment of the Note and all other obligations of any kind owing by the Borrower to the Secured Party pursuant to the terms of the loan documents executed and delivered by the Borrower to the Secured Party in conjunction herewith ("Indebtedness").

3. **Warranties of Borrower**. The Borrower represents and warrants and so long as the Indebtedness remains unpaid shall be deemed continuously to represent and warrant that:

   a. each item constituting the Collateral is genuine and in all respects what it purports to be;

   b. Borrower is the owner of the Collateral free of all security interests or other encumbrances except the Security Interest; and

   c. Borrower is authorized to enter into this Security Agreement.

4. **Covenants of Borrower**. So long as this Agreement has not been terminated as provided hereinbelow, the Borrower:

   a. will defend the Collateral against the claims of all persons;

   b. will keep the Collateral free from all security interests or other encumbrances except the Security Interest;

c. will not assign, sell, transfer, deliver or otherwise dispose of the Collateral or any interest therein or attempt to do the same without the prior written consent of the Secured Party, except that Borrower may dispose of worn out, undesirable or obsolete items constituting the Collateral, so long as Borrower replaces such items with new and/or additional items of at least the same value as the items disposed of by Borrower;

d. will notify the Secured Party promptly in writing of any change in the Borrower's address, name or identity, specified above; and

e. will pay taxes, assessments and other charges of every nature which may be levied or assessed against the Collateral.

5. Default.

a. Any of the following events or conditions shall constitute an "Event of Default" hereunder:

i. non-payment when due, whether by acceleration or otherwise, of the Indebtedness, time being of the essence, or a default by Borrower under any other agreement between the Borrower and the Secured Party, whether relating to the loan secured hereby or otherwise, subject to any applicable grace periods;

ii. filing by or against the Borrower of a petition in bankruptcy or for reorganization under any bankruptcy, reorganization, compromise, arrangement, insolvency, readjustment, debt, dissolution, liquidation or similar law of any jurisdiction; or

iii. the making of a general assignment by the Borrower for the benefit of creditors, the appointment of or taking possession by a receiver, trustee, custodian or similar official for the Borrower, or for any of the Borrower's assets, or the institution by or against the Borrower of any kind of insolvency proceedings or any proceeding for the dissolution or liquidation of the Borrower, and such assignment, appointment, or proceeding is not nullified, discharged, or dismissed within sixty (60) days of the occurrence of same.

b. Upon the happening of any Event of Default and the expiration of any applicable grace period, the Secured Party's rights with respect to the Collateral shall be those of a secured party under the Uniform Commercial Code and under any other applicable law from time to time in effect. The Secured Party shall also have any additional rights granted herein and in any other agreement now or hereafter in effect between the Borrower and the Secured Party.

c. The Borrower irrevocably consents to any act by the Secured Party or its agents in entering upon any premises for the purpose of either: (1) inspecting the Collateral

during normal business hours upon reasonable notice to Borrower; or (2) taking possession of the Collateral after any Event of Default and the expiration of any applicable grace period in accordance with appropriate judicial process, if necessary, and the Borrower hereby waives its right to assert against the Secured Party or its agents any claim based upon trespass or any similar cause of action for entering upon any premises where the Collateral may be located so long as Secured Party acts in accordance herewith.

d. The Borrower agrees that any notice by the Secured Party of the sale or other disposition of Collateral, whether required by the Uniform Commercial Code or otherwise, shall constitute reasonable notice to the Borrower if the notice is mailed by regular or certified mail, postage prepaid, at least five (5) days before the taking of such action to the Borrower's address as specified in this Agreement or to any other address which the Borrower has specified in writing to the Secured Party as the address to which notices shall be given to the Borrower.

e. The Borrower shall pay all costs and expenses incurred by the Secured Party in enforcing the terms of this Agreement, realizing upon any Collateral and collecting any Indebtedness (whether incurred in connection with collection, trial or appeal), including a reasonable attorneys' fee, whether suit is brought or not, and Borrower shall be liable for any deficiency in the event that disposition of the Collateral does not satisfy the Indebtedness in full.

6. <u>Miscellaneous</u>.

a. The Borrower authorizes the Secured Party, without affecting the Borrower's obligations hereunder, from time to time:

i. to renew, extend, or increase the Indebtedness or any part thereof;

ii. to take from any party and hold collateral (other than the Collateral) as security for the Indebtedness or any part thereof, and to exchange, enforce, or release such collateral or the Collateral or any part thereof;

iii. to accept and hold any endorsement or guaranty of payment of the Indebtedness or any part thereof, and to release or substitute any such endorser, guarantor, or any party who has given any security interest in any collateral as security for the payment of the Indebtedness or any part thereof or any party in any way obligated to pay the Indebtedness or any part thereof;

iv. to waive or fail to enforce any of Secured Party's rights against the Borrower or the Collateral; and

v. upon the occurrence of an Event of Default and the expiration of any applicable grace period, to direct the order or manner of the disposition of

the Collateral and any other collateral and the enforcement of any endorsements and guaranties relating to the Indebtedness or any part thereof as the Secured Party in its sole discretion may determine.

b. The Borrower appoints the Secured Party as the Borrower's attorney-in-fact to perform all acts which the Secured Party deems appropriate to perfect and continue the Security Interest, to protect and preserve the Collateral, and to endorse and transfer all or any part of the Collateral.

c. Upon the Borrower's failure to perform any of its duties hereunder, the Secured Party may, but it shall not be obligated to, perform any of such duties, and the Borrower shall forthwith upon demand reimburse the Secured Party for any expense incurred by the Secured Party in so doing.

d. No delay or omission by the Secured Party in exercising any right hereunder or with respect to any Indebtedness shall operate as a waiver of that or any other right, and no single right and no single or partial exercise of any right shall preclude the Secured Party from any other or further exercise of that right or the exercise of any other right or remedy. The Secured Party may cure any default by the Borrower in any reasonable manner without waiving the default so cured and without waiving any other prior or subsequent default by the Borrower. All rights and remedies of the Secured Party under this Agreement and under the Uniform Commercial Code shall be deemed cumulative.

e. The Secured Party shall exercise reasonable care in the custody and preservation of the Collateral to the extent required by law.

f. The rights and benefits of the Secured Party under this Agreement shall inure to any party acquiring an interest in the Indebtedness or any part thereof.

g. The terms "Secured Party" and "Borrower" as used in this Agreement include the heirs, legal representatives, successors, and assigns of those parties.

h. This Agreement may not be modified or amended nor shall any provision of it be waived except by a writing signed by the Borrower and by the Secured Party.

i. This Agreement is a continuing agreement which shall remain in force until all of the Indebtedness shall be paid in full.

COLLATERAL ASSIGNMENT OF INTEREST IN AGREEMENTS AFFECTING REAL ESTATE

THIS ASSIGNMENT, made this ____ day of July, 2026, by **THE GATE GOLF CLUB, INC.**, a Delaware corporation ("Borrower"), to **RES MASTER HOLDINGS, LLC**, a Florida limited liability company ("Lender").

BACKGROUND OF ASSIGNMENT

Lender has agreed to loan to Borrower the principal amount of **TEN MILLION ($10,000,000.00) DOLLARS** ("Loan"). The Loan is evidenced by a Promissory Note ("Note") from Borrower to Lender secured by a Leasehold Mortgage and Security Agreement ("Mortgage") and other collateral documents executed in conjunction herewith. Borrower will improve certain real property ("Property") more fully described on Exhibit "A" attached hereto and made a part hereof with the proceeds of the Loan. The Note, Mortgage and other collateral documents (along with any extensions, modifications or renewals thereof) are hereinafter sometimes collectively referred to as the "Loan Documents". As an additional condition to granting the Loan, Lender has required Borrower to execute and deliver this Assignment.

NOW, THEREFORE, in consideration of the Loan, and intending to be legally bound, Borrower does hereby covenant, agree, warrant, represent, assign, set over and transfer to Lender the following:

1. The items which shall be the subject of this Assignment, and which are sometimes collectively referred to as "Additional Collateral" are as follows:

   (a) All licenses, permits, approvals, certificates and agreements with or from all boards, agencies, departments, governmental or otherwise, relating directly or indirectly to the use, operation and maintenance of the Property or the construction and improvement of the Property, whether heretofore or hereafter issued or executed (collectively, the "Licenses"), said boards, agencies, departments, governmental or otherwise being hereinafter collectively referred to as "Governmental Authorities";

   (b) All contracts, subcontracts, agreements, service agreements, warranties and purchase orders which have heretofore been or will hereinafter be executed by or on behalf of the Borrower in connection with the construction and improvement of the Property (collectively, the "Contracts"), and the parties with whom or to whom such Contracts have been or are given are hereinafter collectively referred to as the "Contractors"; and

   (c) All architectural and engineering plans and specifications, shop drawings, and other material used or prepared in connection with the construction and improvement of the Property.

2. Borrower hereby assigns, transfers and sets over unto Lender all of its right, title and interest in and to the Additional Collateral and all rights and benefits therefrom as security for the

full, timely and faithful repayment by the Borrower of the Loan and performance by Borrower of all of their obligations under the Loan Documents.

3. Until the occurrence of an Event of Default under the Loan Documents, Borrower may retain, use and enjoy the benefits of the Additional Collateral. After the occurrence of an Event of Default as aforesaid, Lender may enforce this Assignment. The affidavit or written statement of an officer, agent or attorney of Lender stating that there has been a default shall constitute conclusive evidence thereof, and any of the Governmental Authorities, Contractors or other persons are authorized and directed to rely thereon.

4. Borrower agrees to faithfully observe and perform all of the obligations and agreements imposed upon it under the Licenses and Contracts.

5. Lender will not be deemed in any manner to have assumed any of the Additional Collateral, nor shall Lender be liable to Governmental Authorities or Contractors by reason of any default by any party under the Licenses or Contracts. Borrower agrees to indemnify and to hold Lender harmless of and from any and all liability, loss or damage which it may or might incur by reason of any claims or demands against it based on its alleged assumption of Borrower's duty and obligation to perform and discharge the terms, covenants and agreements contained in the Licenses and Contracts, except to the extent of the exercise of its rights hereunder.

6. After the occurrence of an Event of Default:

   (a) Lender may elect to exercise any and all of Borrower's rights and remedies under the Additional Collateral, without any interference or objection from Borrower, and Borrower shall cooperate in causing the Contractors to comply with all the terms and conditions of the Contracts.

   (b) Lender may, with or without entry upon the Property, at its option, take over and enjoy the benefits of the Licenses, exercise Borrower's rights under the Additional Collateral, and perform all acts in the same manner and to the same extent as Borrower might do. In connection with any and all of the foregoing powers, and without limiting the same, Lender may effect new Contracts and Licenses, cancel or surrender existing Contracts and Licenses, alter and amend the terms of and renew existing Contracts and Licenses, and make concessions to Governmental Authorities and Contractors.

7. All of the foregoing powers herein granted Lender shall be liberally construed. Lender need not expend its own funds in the exercise of such power, but if it does, such amounts shall be considered as advances for and on behalf of Borrower secured by this Assignment and also secured by the Note, Mortgage and other Loan Documents. Any amounts so advanced shall bear interest at the default rate prescribed in the Note.

8. Borrower shall, upon request of Lender, furnish it a complete list of all Contracts and Licenses. Further if requested, Borrower shall deliver to Lender executed or certified copies of all Contracts and Licenses and other written agreements, correspondence and memoranda between Borrower and Contractors and Governmental Authorities setting forth the contractual and other arrangements between them. Such requests may be made at any reasonable time. Monthly requests, or more frequent requests if made after default under this Assignment, the Note, Mortgage, or other Loan Documents, shall be deemed to be made at a reasonable time.

9. Nothing herein contained shall be construed as making Lender a mortgagee in possession or as constituting a waiver or suspension by Lender of its right to enforce payment of the debt under the terms of the Note, Mortgage, or other Loan Documents. Lender is not the agent, partner, or joint venturer of the Borrower or of any of the Contractors or Governmental Authorities.

10. This Assignment may be enforced from time to time by Lender at its discretion, with or without order of any court and with or without appointment of a receiver, as Lender shall determine. Lender may also at any time cease to enforce this Assignment. Any failure on the part of Lender promptly to exercise any option hereby given or reserved shall not prevent the exercise of any such option at any time thereafter. Lender may pursue and enforce any remedy or remedies accorded it herein independently of, in conjunction or concurrently with, or subsequent to its pursuit and enforcement of any remedy or remedies which it may have under the Note, Mortgage, or other Loan Documents.

11. Borrower warrants and represents:

    (a) That it has the right to exercise and deliver this Assignment;

    (b) That it has made no prior assignments of the Additional Collateral;

    (c) That all Additional Collateral is in full force and effect on the date hereof, subject to no defenses, setoffs or counterclaims whatsoever; and

    (d) To the best of Borrower's knowledge, there exists no event, condition or occurrence which constitute, or which with notice and/or the passage of time would constitute, a breach of or default under any terms or conditions of any of the Additional Collateral. Borrower also hereby covenants and agrees not to do any act which would destroy or impair the security to the Lender of this Assignment.

12. When the content so requires, the singular shall include the plural and conversely, and use of any gender shall include all genders.

13. This Assignment has been executed and delivered at Naples, Florida, and shall be governed by and construed in accordance with the laws of the State of Florida. Whenever possible

each provision of this Assignment shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Assignment shall be prohibited by or be invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Assignment.

IN WITNESS WHEREOF, Borrower has caused this Assignment to be executed the day and year first above written.

S:\Clients\KrisDan\Further Assurance and Compliance Agreement - $10M Loan

Executive Summary

Recommendation to approve the attached Memorandum of Understanding Agreement between the Board of County Commissioners of Collier County, acting as the Collier County Airport Authority, and the State of Florida Division of Emergency Management providing for the use of a 5-acre parcel at the Immokalee Regional Airport during a declared emergency for a Logistical Storage Area.

OBJECTIVE:

To obtain approval from the Board of County Commissioners, acting in its capacity as the Collier County Airport Authority (the CCAA), for a 3-year Memorandum of Understanding ("MOU") with the Florida Division of Emergency Management ("FDEM") authorizing the use of approximately 5 acres of paved airport property at the Immokalee Regional Airport ("IMM") as a Logistical Staging Area ("LSA") during declared states of emergency.

CONSIDERATIONS:

Florida Statute § 332.005(2)(a) requires airports to provide the Florida Department of Transportation ("FDOT"), in the case of a natural disaster, the opportunity to use any airport property that is not under lease to a third party and not part of the air operations area ("AOA").

In February 2026, FDEM requested the use of approximately 200,000 square feet (roughly 4–5 acres) of hard, paved surface at IMM for logistical staging, storage, and distribution of emergency supplies and equipment during Executive Order-declared states of emergency. The requested area is the paved northern end of the decommissioned Runway 14-32 (approximately 1,500 feet by 150 feet), which is not currently under lease to a third party for development and is outside the AOA.

The area lies within the final phase (Phase 5) of development rights held by Global Flight Training Solutions (GFTS) under an existing agreement. GFTS has confirmed it has no objection to the interim 3-year license for emergency management use and has no intended need for the parcel until the MOU expires in 2029.

The proposed MOU grants FDEM a no-cost license for an initial term of 3 years (2026–2029). Activation requires a minimum 30-day notice (or as needed during an emergency), with the exclusive right to extend use until FDEM no longer requires the area. FDEM is responsible, at its sole cost, for any fencing (subject to CCAA approval), installation and maintenance of diesel generators with secondary containment, environmental compliance, site restoration, and removal of all equipment upon termination. The County provides the area “as is,” with 24/7 access via Airpark Boulevard, but provides no utilities or services.

This arrangement supports regional emergency preparedness and fulfills statutory obligations while preserving long-term development potential for the site.

This item is consistent with the Collier County strategic plan objective to develop and utilize partnerships to ensure that government facilities meet public expectations.

FISCAL IMPACT: There is no direct fiscal impact to Collier County or the Airport Authority. The LSA/License Area is provided to FDEM at no cost. All costs associated with site preparation, fencing, generators, operations, maintenance, insurance, and restoration are the sole responsibility of FDEM.

GROWTH MANAGEMENT IMPACT: This item is consistent with Section B: Intermodal & Multimodal Transportation, Subsection 2: Aviation of the Transportation Element of the Growth Management Plan.

LEGAL CONSIDERATIONS:

This item is approved as to form and legality and requires majority vote for Board approval. —SRT

RECOMMENDATION(S):

To approve a Memorandum of Understanding between the Collier County Airport Authority and the Florida Division of Emergency Management for the establishment and use of a Logistical Staging Area at Immokalee Regional Airport; and to authorize the Chairman of the Collier County Airport Authority to execute the MOU and any related documents on behalf of the Authority.

PREPARED BY: Bryant Garrett, AAE - Executive Airports Manager

ATTACHMENTS:
1. FDEM MOU with CCAA IMM Airport CAO stamped - signed by State of Florida

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN THE FLORIDA DIVISION OF EMERGENCY MANAGEMENT
AND COLLIER COUNTY AIRPORT AUTHORITY

THIS MEMORANDUM OF UNDERSTANDING ("***MOU***") is entered into by and between the **FLORIDA DIVISION OF EMERGENCY MANAGEMENT** ("**DEM**") and the Board of Commissioners of Collier County, Florida, a political subdivision of the State of Florida in its capacity as the Collier County Airport Authority ("CCAA") whose address is 2005 Mainsail Drive, Naples, FL 34114 ("**Facility Owner**") in order to outline and memorialize the obligations and responsibilities of the parties with respect to staging areas for emergency response activities.

WHEREAS, Florida is vulnerable to a variety of natural and manmade emergencies, including, but not limited to hurricanes, which can lead to the Governor of the State of Florida issuing an Executive Order declaring a "state of emergency" as a result; and,

WHEREAS, DEM is authorized by Chapter 252 Florida Statutes to prepare for and respond to states of emergency, including the provision of supplies to local areas affected by the emergency; and,

WHEREAS, the Facility Owner owns or has control of a facility located at 165 Airpark Boulevard, Immokalee, FL 34142 which has been identified by DEM as a "Logistical Staging Area" ("LSA") for the distribution and storage of emergency supplies and equipment;

NOW THEREFORE, in consideration of the mutual promises and conditions contained herein, the parties agree to the following terms:

1. The purpose of this MOU is to provide the framework regarding the LSA for 2026 through 2029 at 165 Airpark Boulevard, Immokalee, Florida 34142, between DEM and the Facility Owner.

2. The Facility Owner hereby grants DEM a license to operate an LSA at no cost to DEM on the five (5) acres of pavement on the north end of decommissioned Runway 4-22 (approximately 1,500 feet x 150 feet) and generally shown on Attachment A ("**License Area**"). The initial term of use for the License Area shall be a minimum of 30 days with the exclusive right of DEM to extend until DEM no longer needs License Area for emergency response activities ("**Term**"), subject to the provisions of Section 10.

3. If not already fenced, DEM will be permitted at its sole cost to fence the License Area in a manner and using materials to be approved by Facility Owner prior to installation. In addition, DEM will be permitted to install and operate within the paved portion of the License Area diesel powered generators with secondary containment supporting its LSA operations within the License Area. Any liquid chemicals stored in the License Area will be stored with secondary containment protection. The specific locations within the License Area within which the generator(s) will be installed and method of installation are subject to Facility Owner's approval prior to installation. In connection with DEM's operations at the License Area, DEM will comply with all applicable Federal, State, and local laws, code, rules and regulations. Specifically, DEM will comply with all laws, codes, rules and regulations relating to the environment, or to emissions, discharges, or releases of Hazardous Substances (defined below) into the environment, including, without limitation, ambient air, soil, surface water, and ground water.

"Hazardous Substances" shall mean any chemical or other hazardous or toxic substances or materials, including pollutants and other petroleum products, asbestos, radioactive materials, and any regulated substances under applicable environmental laws. DEM must maintain all equipment installed within the License Area in compliance with law and good practices (e.g., monthly inspections).

4. DEM shall inform Facility Owner in advance and conduct a joint walk-through before moving any equipment onto the License Area and a second joint walkthrough shall take place within 3 days following moving equipment into the License Area. DEM shall provide to Facility Owner contact information of the local site supervisor in charge of the site. Facility Owner reserves the right throughout the Term to inspect DEM's operations at the License Area, including but not limited to operation of the generators and all maintenance records pertaining to the same. DEM shall secure all required governmental permits and approvals prior to installation of fencing, generators or other equipment at the License Area. Any emissions, discharges or releases of Hazardous Substances shall be immediately reported by DEM to Facility Owner.

5. Except as provided in Section 3 above, DEM will not make any alterations, installations, or improvements to the License Area. All fencing, generators, equipment, and personal property installed within the License Area shall be removed by DEM at its sole cost prior to the expiration of the Term and the License Area shall be returned by DEM to Facility Owner at expiration of the Term in its original condition. All damage to the License Area resulting from DEM's installation of fencing, generators, and other equipment shall be restored by DEM at its sole cost prior to the expiration of the Term.

6. The Facility Owner will permit ingress and egress to DEM, its agents, contractors, and employees to the LSA in order for DEM, its agents, contractors, and employees to perform emergency relief work and other work as needed at the LSA. In addition, the Facility Owner will permit access to the LSA to local, state, and federal regulatory agencies for inspection or such other legal purposes as are deemed appropriate by DEM. Information about LSA operation, its location, and other information deemed sensitive shall not be shared with anyone aside from DEM and its designated agents. Ingress and egress shall be from Airpark Boulevard only. DEM shall take all necessary actions to provide for and to protect the safety of its agents, contractors, and employees on or within the License Area. Access to the LSA shall be provided by the Facility Owner or its designee Monday through Sunday on a 24-hour basis or at other reasonable times as mutually agreed upon by the parties.

7. No utilities or services shall be provided to the License Area by Facility Owner. **The License Area is being provided in "as is" condition with all faults.**

8. In no event will the Facility Owner be liable for any loss or damage to persons or property including but not limited to third party claims, resulting from the use of the License Area by DEM, its agents and contractors, and its and their employees and invitees. Use of the License Area by DEM, its agents and contractors, and its and their employees and invitees shall be at the sole risk and expense of DEM. Facility Owner makes no representations or warranties to DEM regarding the suitability or safety of the License Area for DEM's intended use. Facility Owner shall make DEM aware of any known or reasonably knowable issues in the License Area that could harm to DEM, its agents and contractors, and its and their employees and invitees or cause loss or damage to persons or property.

9. The parties agree that all notices provided under or pursuant to this Memorandum of Understanding shall be in writing, either by hand delivery, or first class, certified mail, return receipt requested, or nationally recognized overnight delivery service (by way of example, Federal Express) to the contract representative identified below at the address set forth below and said notification shall be attached to the original of this Memorandum of Understanding: The names, title, address, and phone number of the DEM representative for this MOU is:

Primary:

Christina Goetzman, State Logistics Chief
Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100
850-519-8581; Christina.Goetzman@em.myflorida.com

Secondary:

Willie Bouie, Field Team Manager
Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100
850-519-1469; Willie.Bouie@em.myflorida.com

The names, titles, address, and phone numbers of the Facility Owner representatives responsible for the administration of this MOU are:

Primary:

Bryant Garrett, Executive Airports Manager
Collier County Airport Authority
2005 Mainsail Drive, Suite 100
Naples, Florida 32114
(239) 252-8425; bryant.garrett@collier.gov

Secondary:

Spencer Brillon, Operations Manager
Collier County Airport Authority
165 Airpark Boulevard
Immokalee, Florida 34142
(239) 252-8393; spencer.brillon@collier.gov

10. This MOU is effective upon its execution by both of the parties and may be modified only in writing with execution by both parties (Effective Date). In the event the designated site is utilized for the storage of equipment and commodities, notice of intent to terminate this MOU by the facility owner must be provided at least 60 days in advance. In the event the designated site is not being utilized, notice of intent to terminate this MOU by the facility owner must be provided at least 15 days in advance.

This MOU shall expire thirty-six (36) months after the Effective Date, unless an extension is mutually agreed to in writing.

11. Each Party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees, contractors, representatives and agents. Nothing contained herein shall constitute a waiver by DEM or the Facility Owner of their sovereign immunity or the provisions of Section 768.28, Florida Statutes. Nothing herein shall be construed as consent by either Party to be sued by third parties.

12. This MOU contains all the terms and conditions agreed upon by the parties. This MOU shall be governed by the laws of the State of Florida, and the venue shall be Leon County, Florida.

13. This MOU may be executed electronically and in two (2) or more counterparts, each of which shall be deemed an original. The signatures, including electronic signatures, to this MOU may be executed on separate pages, and when attached to this MOU shall constitute one complete document.

IN WITNESS WHEREOF, the parties hereto have caused this Memorandum of Understanding to be executed by their undersigned officials as duly authorized.

Executive Summary

To record in the minutes of the Board of County Commissioners, the check number (or other payment method), amount, payee, and purpose for which the referenced disbursements in the amount of $60,310,459.56 were drawn for the periods between July 2, 2026, and July 15, 2026, pursuant to Florida Statute 136.06.

OBJECTIVE: To record in the minutes of the Board of County Commissioners the disbursement listing for the periods between July 2, 2026 and July 15, 2026.

CONSIDERATIONS: In accordance with Florida Statutes, Chapter 136.06(1), the Clerk's office requests that these listings be made part of the official records of the Board of County Commissioners.

FISCAL IMPACT: Disbursements as presented in the attached report.

GROWTH MANAGEMENT IMPACT: None.

LEGAL CONSIDERATIONS: Approval of the following documents by the County Manager is subject to formal ratification by the Board of County Commissioners. If the decision by the County Manager is not ratified by that Board, the document(s) shall be enforceable against Collier County only to the extent authorized by law in the absence of such ratification by that Board.

RECOMMENDATION(S): That the disbursements in the amount of $60,310,459.56 be recorded in the minutes of the Board of County Commissioners pursuant to Florida Statute 136.06.

PREPARED BY: Precious Corrado, Assistant General Operations Manager
Clerk of the Circuit Court & Comptroller

Executive Summary

Request that the Board approve and determine valid public purpose for invoices payable and purchasing card transactions as of July 22, 2026.

OBJECTIVE: To obtain Board approval of expenditures not otherwise approved by the Board.

CONSIDERATIONS: The Clerk and County staff have instituted enhancements to the invoice report to include a field to enter each purchase's public purpose as identified by County staff at procurement for all expenditures. Effective May 22, 2017, County Staff began adding a public purpose for their expenditures. There is also a text field for invoices currently included in this report which is descriptive information obtained from the invoice. As an interim measure, we are including both the public purpose and the Accounts Payable staff invoice text, as not all invoices in the system contained the public purpose. The public purpose as supplied by County Staff was also added for the purchasing card transactions.

Invoices including but not limited to bond payments, utilities for existing county buildings, and lease payments for approved leases are not included on this list if they have been previously approved by the Board. For the items listed in the report attached to this agenda item, the Clerk's Office is unable to determine that the Board has previously approved the items. In the future, if the Board requires additional information, the Clerk will work with County staff to provide the information.

The Clerk's Office will promptly conclude its audit of these invoices once Board approval and determination of public purpose has been provided so that payments can be made.

The Clerk will continue to provide the separate listing of disbursements under agenda item 16J in compliance with Florida statute 136.06.

FISCAL IMPACT: Total expenditures approved.

GROWTH MANAGEMENT IMPACT: None.

LEGAL CONSIDERATIONS: None.

RECOMMENDATION(S): Request that the Board approve and determine valid public purpose for purchasing card transactions and invoices payable for the period ending July 22, 2026.

PREPARED BY: Precious Corrado, Assistant General Operations Manager
Clerk of the Circuit Court & Comptroller

Executive Summary

Recommendation to approve an offer of $1,500.00 to settle a lawsuit filed by Joseph Tironi against Collier County claiming that he was allegedly attacked by bees at Vineyards Community Park.

OBJECTIVE: To offer $1,500 in full and final settlement of this matter as a nuisance-value resolution.

CONSIDERATIONS: According to the Plaintiff in this case, he was at Vineyards Community Park located at 6231 Arbor Blvd. W, Naples, Florida 34119 on October 26, 2023, and was allegedly attacked by bees. He stated that he was on his way to the parking lot when he was swarmed by thousands of bees, stinging him hundreds of times in his neck, ears, head, and elsewhere on his body. He also claims that he lost consciousness and needed emergency care. The hive was located by a professional exterminator and removed immediately after this incident.

A Motion to Dismiss was filed on behalf of Collier County on February 10, 2026, citing case law supporting the dismissal for lack of unsupported facts, failure to set forth a claim for relief, and sovereign immunity, which was denied by the Circuit Judge on June 9, 2026, as premature. The Plaintiff claims that the alleged negligence of the County to properly warn of the "known" hazard. No other patrons of Vineyards Community Park had, or reported, any issues with bees. The County had no knowledge whatsoever that a hive was hidden in the top of a large tree in a parking lot at the Vineyards Community Park. There is no factual or legal basis to support Plaintiff's claims. The Plaintiff's Complaint appears to imply the County can control insects in their natural habitat, but well-established case law does not support that position. The County Attorney's Office would like to offer a nuisance value settlement to the Plaintiff in this matter. It is not likely that the Plaintiff will accept the offer, but at least the County can make a claim for attorney's fees and costs if the Plaintiff recovers less than the offered settlement amount.

FISCAL IMPACT:

Any monies paid because of this action will be a deduction in the revenue Parks & Recreation Department Operating Fund (1011).

GROWTH MANAGEMENT IMPACT:

There is no growth management impact associated with this item.

LEGAL CONSIDERATIONS:

This item is approved as to form and legality and requires a majority vote of the Board for approval. – RTT

RECOMMENDATION(S): To approve a $1,500.00 nuisance value settlement with Joseph Tironi for alleged attack by bees at Vineyards Community Park on October 26, 2023; and authorize the Chairman to sign the Settlement Agreement and any other necessary documentation relating to the settlement.

IN THE CIRCUIT COURT OF THE TWENTIETH JUDICIAL CIRCUIT
IN AND FOR COLLIER COUNTY, FLORIDA

JOSEPH TIRONI,

Plaintiff, CASE NO. _____

vs.

BOARD OF COMMISSIONERS OF COLLIER COUNTY,

Defendant.
_____/

COMPLAINT

The Plaintiff, JOSEPH TIRONI, by and through his undersigned counsel, hereby sues the Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY and alleges as follows:

1. This is an action for damages in excess of FIFTEEN THOUSAND ($15,000.00) DOLLARS, exclusive of interest and costs.

2. At all times material hereto, the Plaintiff, JOSEPH TIRONI, was and is a resident of the State of Florida and residing in Collier County, FL.

3. At all times material hereto, the Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY, was and is a Florida County duly established under Florida law.

4. At all times material hereto, Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY, was the owner and operator of Vineyards Community Park located at 6231 Arbor Blvd. West, Naples, Florida 34119.

5. On or about October 26, 2023, Vineyards Community Park was a park intended for the use and enjoyment of the public.

6. On or about October 26, 2023, Defendant BOARD OF COMMISSIONERS OF COLLIER COUNTY had a duty to operate and/or maintain Vineyards Community Park in a safe manner for its users.

7. On or about October 26, 2023, Defendant BOARD OF COMMISSIONERS OF COLLIER COUNTY negligently operated and/or maintained Vineyards Community Park, leaving a huge and obvious nest of bees wrapping a large tree branch in a tree that was situated next to a sidewalk and the tennis courts on the property of Vineyards Community Park.

8. On or about October 26, 2023, Plaintiff, JOSEPH TIRONI, was leaving the tennis courts by way of the sidewalk on his way to the parking lot when he was swarmed by thousands of bees, stinging him hundreds of times in his neck, ears, head, and elsewhere on his body. Due to the severity of the stings, Plaintiff, JOSEPH TIRONI, lost consciousness and needed emergency care. EMS was called to the scene and the Plaintiff was transported by ambulance to the hospital for treatment.

9. As owner of Vineyards Community Park, the Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY, is responsible and liable for the negligent operation and/or maintenance of its property, Vineyards Community Park.

10. On December 7, 2023, statutory notice of claim pursuant to Florida Statutes §768.28 was mailed to the Collier County Board of Commissioners.

11. More than seven months has elapsed since the claim was provided in writing to the Collier County Board of Commissioners without a response, therefore, pursuant to statute, the claim has been denied by the Defendant.

12. As a direct and proximate result of the aforesaid negligence of the Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY, Plaintiff, JOSEPH TIRONI, suffered

bodily injury and resulting pain and suffering, disability, mental anguish, loss of capacity for the enjoyment of life, and expenses of hospitalization, medical care and treatment. The losses are either permanent or continuing, and the Plaintiff will suffer these losses in the future.

WHEREFORE, the Plaintiff, JOSEPH TIRONI, demands judgment against the Defendant, BOARD OF COMMISSIONERS OF COLLIER COUNTY, for damages, post-judgment interest, costs, and any other and further relief which this Court may deem appropriate.

The Plaintiff further demands trial by jury of all issues so triable as a matter of right.

DATED this 15th day of July, 2025.

Attorneys for Plaintiff

IN THE CIRCUIT COURT OF THE TWENTIETH JUDICIAL CIRCUIT IN AND FOR COLLIER COUNTY, FLORIDA

JOSEPH TIRONI,

Plaintiff,

v. CASE NO. 25-CA-1531

BOARD OF COMMISSIONERS OF COLLIER COUNTY,

Defendant.
_____/

DEFENDANT BOARD OF COMMISSIONERS OF COLLIER COUNTY'S MOTION TO DISMISS

Defendant Board of Commissioners of Collier County (hereinafter "County"), by and through the undersigned attorney and pursuant to Rule 1.140(b)(6) of the *Florida Rules of Civil Procedure*, presents its Motion to Dismiss the Plaintiff's Complaint for failure to state a cause of action against the County, and states to the Court as follows:

1. On January 21, 2026, the County was served with the Summons and Complaint filed in this matter. The Court docket shows the Complaint was filed on July 15, 2025, but was not served on the County until six (6) months later. Oddly, during that six (6) months, the Plaintiff did not file a default against the County nor contact the County to inquire as to why no response to the Complaint was filed in a timely manner.

2. Florida is a fact pleading jurisdiction. See *Horowitz v. Laske*, 855 So. 2d 169, 172-73 (Fla. 5th DCA 2003). A pleading is deemed insufficient if it contains mere conclusions unsupported by specific, ultimate facts. See *Rishel v. Eastern Airlines, Inc.*, 466 So. 2d 1136, 1138 (Fla. 3d DCA 1985).

3. A pleading setting forth a claim for relief must state a cause of action and contain a short and plain statement of the ultimate facts showing the pleader is entitled to relief. See *Fla. R. Civ. P.* 1.110(b)(2). Pleadings must contain ultimate facts supporting each element of the cause of action. See *Clark v. Boeing Co.*, 395 So. 2d 1226, 1229 (Fla. 3d DCA 1981). Florida law requires that "litigants at the outset of a suit must be compelled to state their pleadings with sufficient particularity for a defense to be prepared." See *Arky, Freed, Stearns, Watson, Greer, Weaver & Harris, P.A. v. Bowmar Instrument Corp.*, 537 So. 2d 561, 563 (Fla. 1988).

4. Under Florida Law, sovereign immunity is the general rule and any waiver of that immunity must be clear and unequivocal. See, e.g., *Fla. Int'l Univ. Bd of Trs. v. Alexandre*, 365 So. 3d 436 (3d DCA 2023). In this negligence cause of action against the County the only possible waiver of sovereign immunity, would be a duty to warn with respect to a known hazard so serious and so inconspicuous to a foreseeable plaintiff that it virtually constitutes a trap. *Scott v. Florida DOT*, 752 So. 2d 30 (Fla. 1st DCA 2000).

5. In Plaintiff's Complaint, paragraph 8, he states that on or about October 26, 2023, he was walking through Vineyards Community Park and was suddenly attacked by honeybees. Though the claims against the County here are claims made against a sovereign defendant, in order to sustain a cause of action for negligence, even against a private defendant, the burden of proof is on the plaintiff to establish that: (1) the defendant owed a duty of reasonable care to the plaintiff; (2) the defendant breached that duty; (3) the defendant's breach of that duty was the proximate cause of plaintiff's injuries; and (4) plaintiff incurred some actual harm or damages as a result.

6. It was not pled that any other patrons of Vineyards Community Park had, or reported, any issues with honeybees and, in fact, the County had no knowledge whatsoever that a

hive was hidden in the top of a large tree in a parking lot. The Plaintiff's allegations regarding knowledge are conclusionary without any factual basis. That is to say, without specific facts showing the County had knowledge of a dangerous trap like condition, the Plaintiff, in the guise of a claim sounding in tort, is impermissibly bringing a claim against the County for not spending taxpayer money by having employees and/or outside contractors climb every tree in public parks looking for hidden insect nests – when any such claim would be barred by sovereign immunity.

7. The Plaintiff's Complaint appears to imply the County has the ability to control nature. In *Hanrahan v. Hometown Am., LLC*, 90 So. 2d 915 (4th DCA 2012), the Plaintiff's personal representative sued a mobile home park after the decedent was bitten by fire ants and died two days later. The decedent was a tenant of the mobile home park and was bitten by ants after brushing up against a bush in the common area of the mobile home park. The trial court correctly determined that the landlord, a mobile home park, had no duty to guard against fire ants where the landlord had not possessed knowledge of the hazards presented by fire ants to the premises. The presence of the fire ants was not caused by any act of the landlord/mobile home park to bring them onto the property. Landlord/mobile home park did not harbor, introduce, or reduce the fire ants to possession. There was no evidence that the landlord/mobile home park knew or should have known of the unreasonable risk of harm posed by fire ants. The rationale in *Hanrahan* should control honeybees as well.

8. Due to the vague and ambiguous nature of the allegations, Collier County cannot reasonably be required to frame a response to the Complaint.

9. Public policy cannot allow elements of nature, without more, to be deemed inherently dangerous, or else every local government (and business) would become a virtual insurer for the safety of every citizen.

10. The County is not liable for Plaintiffs' alleged injuries sustained while walking at Vineyards Park. The County is absolutely immune from suit under *Florida Statutes* § 768.28 since elements of nature are is not dangerous as a matter of law and the Plaintiff has not pled (and cannot amend to so plead) that the County had any specific knowledge a dangerous condition existed, and therefore, the County had no legal duty to warn the Plaintiff of the same.

11. The Plaintiff has failed to state a cause of action against Collier County.

WHEREFORE, the Defendant, Collier County, respectfully requests this Court grant its Motion to Dismiss and grant any additional relief this Court deems just and proper.

CERTIFICATE OF CONFERRAL

I certify that conferral prior to filing is not required under Rule 1.202, *Fla. R. Civ. P.*

rosa.villarreal@colliercountyfl.gov

Executive Summary

Recommendation to approve a Stipulated Final Judgment in the total amount of $194,000 plus $56,418 in statutory attorney and experts' fees and costs, for the taking of Parcel 1280FEE required for the Vanderbilt Beach Road Extension Project No. 60249.

OBJECTIVE: To settle full compensation for the taking of Parcel 1280FEE required for the construction of the Vanderbilt Beach Road Extension Project No. 60249.

CONSIDERATIONS: On July 9, 2024, the Board authorized, via Resolution No. 2024-135, the condemnation of Parcel 1280FEE for the construction of roadway, drainage and utility improvements required for the expansion and extension of Vanderbilt Beach Road from 16th Street NE to Everglades Blvd. The fee simple acquisition area consists of a strip taking along the rear, northerly boundary of the property and is approximately 0.76 acres in extent. The parent tract consists of vacant land and is owned by The Estate of James and Cynthia Braddock, and contains 5.0 acres of gross land area, which has been reduced to 4.24 acres after the acquisition. An aerial photograph of the subject property is attached. The County's appraiser estimated full compensation at $100,000, including severance damages. The property owner's initial demand was $306,300 plus attorney's fees and expert fees and costs. Prior to mediation, the property owner presented documentation from an environmental consultant, with verification by SFWMD, demonstrating that the property consisted of mostly uplands. Based on this new information, transportation staff completed an internal update to the appraisal and updated its valuation to $127,400 to reflect the revised site conditions. The parties participated in mediation and reached an agreement. The attached Stipulated Final Judgment reflects a negotiated compensation amount of $194,000 plus $34,914 in statutory attorney's fees, and $21,504 in expert fees and costs, for a total of $250,418.

Staff recommends approval of this Stipulated Final Judgment since a better result is not anticipated at trial. Upon approval, the County Attorney's Office will file the Joint Motion and Stipulated Final Judgment with the Circuit Court.

This item is consistent with the Collier County strategic plan objective to design and maintain an effective transportation system to reduce traffic congestion and improve the mobility of our residents and visitors.

FISCAL IMPACT: County is entitled to a credit of $100,000 for its good faith estimate of value. Funds for the balance of $150,588, which includes the Clerk's $170.00 deposit fee, are available in the Vanderbilt Beach Road Extension Project Capital Fund, Project 60249. The primary funding source for the acquisition of right of way is through Road Impact Fee District Funds (3090, 3091, 3092, 3093, 3094, 3095) in the Vanderbilt Beach Road from 16th to Everglades Project (60249). Should impact fees not be sufficient, the secondary funding source will be Road Construction Gas Tax Fund (3083) and Transportation Capital Fund (3081).

GROWTH MANAGEMENT IMPACT: There is no growth management impact associated with this action.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires a majority vote for Board approval. - SAA

RECOMMENDATION(S): To approve the attached Joint Motion and Stipulated Final Judgment and authorize the payment of funds as stated herein.

IN THE CIRCUIT COURT OF THE TWENTIETH JUDICIAL CIRCUIT
IN AND FOR COLLIER COUNTY, FLORIDA
CIVIL ACTION

Collier County, Florida, a political Subdivision of the State of Florida,

Plaintiff,

vs.

Case No. 25-CA-194
Parcel 1280FEE

Janet Acevedo; Adrian Ley; DSA Nursery, Inc., US Department of Housing and Urban Development; Mortgage Electronic Registration Systems, Inc., Midfirst Bank, a Federally Chartered Savings Association; Cavalry SPV I, LLC, as assignee of Synchrony Bank; Jennifer Elmore; 121 Financial Credit Union f/k/a Florida Telco Credit Union; Portfolio Recovery Associates, LLC, assignee of GE Capital Retail Bank / JC Penny; Estate of James M. Braddock; Estate of Cynthia S. Braddock; Tim T. Rudd; 1187 Corporation; Michael S. Eastman; Angela M. Eastman; and Rob Stoneburner, Collier County Tax Collector,

Respondents.
_____/

STIPULATED FINAL JUDGMENT AS TO PARCEL 1280FEE

THIS CAUSE, having come before this Court upon the Joint Motion made by Petitioner, Collier County, Florida, and Respondents, Janet Davis, as the personal representative of the Estate of James M. Braddock; and Estate of Cynthia S. Braddock, by and through counsel, for the entry of a Stipulated Final Judgment as to Parcel 1280FEE for Project 60249, and it appearing to this Court that proper notice was given to the parties having any equity, lien, title, or other interest in or to the real property described therein, and the Court being otherwise fully advised in the premises thereof, it is

ORDERED AND ADJUDGED that:

1. Respondents, Janet Davis, as the personal representative of the Estate of James M. Braddock; and Estate of Cynthia S. Braddock, shall recover from Petitioner, Collier County, Florida, the total sum of **One Hundred Ninety-Four Thousand Dollars and No/100**

($194,000.00), for Parcel 1280FEE, as full payment for the property interest taken, including business damages, if any, in connection with said Parcel.

2. Respondents, Janet Davis, as the personal representative of the Estate of James M. Braddock; and Estate of Cynthia S. Braddock, shall recover from Petitioner, Collier County, Florida, the total sum of **Thirty-Four Thousand Nine Hundred Fourteen Dollars and No/100 ($34,914.00)**, for all attorney fees and attorney litigation costs in this case, including fees related to monetary and non-monetary benefit.

3. Respondents, Janet Davis, as the personal representative of the Estate of James M. Braddock; and Estate of Cynthia S. Braddock, shall recover from Petitioner, Collier County, Florida, the total sum of **Twenty-One Thousand Five Hundred Four Dollars and No/100 ($21,504.00)**, for all expert fees and costs, associated with the acquisition of Parcel 1280FEE, and no other expert fees or costs shall be paid in this matter.

4. Petitioner, Collier County, Florida, is entitled to a credit for the good faith estimate of value previously deposited in the amount of **One Hundred Thousand Dollars and No/100 ($100,000.00)**, as payment for the acquisition of Parcel 1280FEE, at which time title to said Parcel as described in **Exhibit "A"** vested in the name of Petitioner, Collier County, Florida.

5. Within thirty (30) days from the entry of this Order, Petitioner, Collier County, Florida, shall pay the sum of **One Hundred Fifty Thousand Four Hundred Eighteen Dollars and No/100 ($150,418.00)**, representing the total sum due for the acquisition of Parcel 1280FEE, attorney's fees and costs, and expert fees and costs, by issuing a check payable to LeRoux Law Trust Account, and mailing it to John M. LeRoux, Esq., LeRoux Law, 13065 W. Linebaugh Ave., Ste 101, Tampa, FL 33626.

6. Collier County's initial construction of the subject project shall substantially conform with the County's 90% construction plans, filed with the Court on March 25, 2025. The 90% construction plans provide for two travel lanes; however, the right-of-way footprint is sufficient to accommodate up to a six-lane road design. No additional compensation shall be due to Respondent for the future widening of Vanderbilt Beach Road up to four-lanes or six-lanes, including related roadway improvements to Vanderbilt Beach Road.

7. This Order disposes of all claims arising out of the taking of Parcel 1280FEE that have or could have been asserted in this cause.

8. A fee simple taking, being fully described in **Exhibit "A"** attached hereto and incorporated herein, which vested in Petitioner pursuant to the Order of Taking dated July 3, 2025, and the deposit of money heretofore made, is approved, ratified, and confirmed.

9. The Notice of Lis Pendens filed in this cause and recorded in Official Record Book 6438, Page 920 of the Public Records of Collier County, Florida be dismissed as to Parcel 1280FEE.

10. Respondents, **Janet Davis; Michael Braddock;** and **Rob Stoneburner, Collier County Tax Collector** are dismissed from this action as to Parcel 1280FEE.

11. This Court reserves jurisdiction to enforce the terms of this Stipulated Final Judgment.

12. This Stipulated Final Judgment is to be recorded in the Official Records of Collier County, Florida.

AERIAL – PARCEL 1280FEE

Project No. 60249 - Vanderbilt Beach Road Ext Phase II

Executive Summary

Recommendation to adopt an amended Ordinance authorizing corrections of scrivener's errors found in Parking Ordinance 2026-13, which was adopted at the April 28, 2026, Board of County Commissioners meeting, which increased parking violation fines and included procedural amendments.

OBJECTIVE: To have the Board of County Commissioners (Board) authorize Scrivener error corrections in the Parking Ordinance 2026-13, adopted at the April 28, 2026, Board meeting, which increased parking violation fines and included procedural amendments.

CONSIDERATIONS: At the April 28, 2026, Board of County Commissioners (Board) meeting, Item 17.D, the Board adopted Ordinance 2026-13, amending Ordinance 1997-50, the Collier County Parking Ordinance, to increase parking violation fines and include procedural amendments. Ordinance 2016-13 increased penalties, updated enforcement tools, and clarified procedures for public parking areas to improve compliance and maintain safe access to County facilities and recreational areas.

Upon recording of Ordinance 2026-13, it was realized that several scrivener errors needed to be corrected. Under Section 130-46, Penalty for violations, paragraph (a), and paragraph (a) (1), sections 130-66 and 130-67 were incorrectly referenced as 30-166 and 30-167.

Also, under Section 130-46, Penalty for violations, paragraphs (2)a, (2)b, and (2)c, the $5.00 dismissal fee was mistakenly attributed to the County Clerk of Courts; the Code Enforcement Division collects it, and paragraph (2) (c) has been corrected to County Administrator.

The request to advertise the corrections noted above was approved at the June 23, 2026, Board of County Commissioners meeting, Consent Item 16.A.7, Item ID 2026-1355.

FISCAL IMPACT: There is no Fiscal Impact associated with this Executive Summary.

GROWTH MANAGEMENT IMPACT: There is no Growth Management Impact associated with this action.

LEGAL CONSIDERATIONS: This item is approved as to form and legality and requires a majority vote for approval. – RTT

RECOMMENDATION(S): To authorize corrections of scrivener's errors in the Parking Ordinance 2026-13, which increased parking violation fines and included procedural amendments.

ORDINANCE NO. 2026 -____

AN AMENDMENT TO ORDINANCE NO. 80-47, AS AMENDED, KNOWN AS THE COLLIER COUNTY PARKING ORDINANCE; PROVIDING FOR REVISIONS TO SECTION 130-46 PENALTY FOR VIOLATIONS, TO CORRECT SECTION NUMBERS REFERENCED WITHIN THE SECTION AND REVISE FINE AMOUNT DISTRIBUTIONS, PROVIDING FOR CONFLICT AND SEVERABILITY; PROVIDING FOR INCLUSION IN THE COLLIER COUNTY CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners (Board) adopted Ordinance 80-47, as amended, called the Collier County Parking Ordinance; and

WHEREAS, the Board amended Ordinance No. 80-47 by adopting Ordinance No. 97-50;

WHEREAS, the Board further amended Ordinance No. 80-47 by adopting 2026-13;

WHEREAS, the Board has determined that section 130-46 Penalty for Violations needs correction of the section numbers referenced within the section and revise fine amount distributions.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

SECTION ONE: Section 130-46 of Ordinance No. 80-47, as amended, of the Code of Laws and Ordinances of Collier County is hereby amended as follows:

* * * * * * * * * * *

Sec. 130-46. Penalty for violations.

(a) Pursuant to F.S. § 318.14, any person cited for a violation of sections 130-66 ~~30-166~~ and 130-67 ~~30-167~~ of this article shall be deemed to be charged with a noncriminal violation and shall be assessed a civil penalty according to the following schedule:

(1) Handicapped parking: $250.00 for each uncontested violation of section 130-66 ~~30-166~~ of this article or, as determined by the judge or special magistrate, up to $500.00 for a contested violation of section 130-81. Pursuant to subsection 318.18(6), Florida Statutes, the clerk of courts shall dismiss the handicapped parking citation if the following items of proof are presented to the clerk; (a) proof that the person committing the violation had a valid handicapped parking permit or handicapped license plate for the cited vehicle on the issuance date of the citation, (b) a signed affidavit in accord with subsection 318.18(6), Florida Statutes, and (c) a $5.00 dismissal fee.

Words underlined are added; Words ~~struck through~~ are deleted.

The fines collected for violating section 130-67 shall be used in the following manner:

a. One-third to be used to defray expenses for administration.

b. Two-thirds to be used to provide funds to improve accessibility and equal opportunity to qualified physically disabled persons in the county and to provide funds to conduct public awareness programs in the county concerning physically disabled persons.

(2) Fine amounts for an uncontested violation of any provision of section 130-66 of this article are to be distributed as follows:

a. First Offense Citation - $75.00 distributed as follows:

1. County parking fines ... $55.00

2. Code Enforcement Division ~~County Clerk of Courts~~ ... $5.00

3. County Parks & Recreation Division ... $15.00

b. Second Offense Citation within 12 months from the previous offense - $150.00 distributed as follows:

1. County Parking Fines ... $130.00

2. Code Enforcement Division ~~County Clerk of Courts~~ ... $5.00

3. County Parks & Recreation Division ... $15.00

c. Third or more uncontested Citation from initial offense - $250.00 distributed as follows:

1. County Parking Fines ... $230.00

2. Code Enforcement Division ~~County Clerk of Courts~~ ... $5.00

3. County Parks & Recreation Division ... $15.00

d. Any vehicle that has more than 3 unpaid/uncontested citations within a 12-month period from when the first citation was issued may be towed at the owner's expense and shall not be released until all outstanding fines and fees have been paid.

(b) Each day any violation occurs or continues shall be a separate offense. For parking in excess of the time authorized in a public parking space, each succeeding equal time period beyond that authorized as the maximum time period for said parking place shall constitute a separate offense.

(c) The County Administrator ~~Clerk of Courts~~ will collect and retain the additional amount of a $5.00 penalty for any late payment in this section, if payment is not received ~~by the clerk~~ prior to notice being mailed to the registered owner pursuant to subsection 130-48(c).

* * * * * * * * * * *

Words underlined are added; Words ~~struck through~~ are deleted.

SECTION TWO: CONFLICT AND SEVERABILITY.

In the event this Ordinance conflicts with any other ordinance of Collier County or other applicable law, the more restrictive shall apply. If any phrase or portion of the Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

SECTION THREE: INCLUSION IN THE CODE OF LAWS AND ORDINANCES.

The provisions of this Ordinance shall become and be made a part of the Code of Laws and Ordinances of Collier County, Florida. The sections of the Ordinances may be renumbered or relettered to accomplish such, and the word "ordinance" may be changed to "section," "article," or any other appropriate word.

SECTION FOUR: EFFECTIVE DATE.

This Ordinance shall be effective upon filing with the Florida Department of State.

PASSED AND DULY ADOPTED by the Board of County Commissioners of Collier County, Florida, this ____day of _____, 2026.

ORDINANCE NO. 2026 - 13

AN ORDINANCE AMENDING ORDINANCE NO. 1997-50, AS AMENDED; PROVIDING FOR REVISIONS TO THE JURISDICTION, PENALTY FOR VIOLATIONS, PAYMENT OF CIVIL PENALTIES AND PROCEEDINGS TO ENFORCE PAYMENT FOR VIOLATIONS, MOTOR VEHICLE LIENS; TOWING, AND PENALTY FOR VIOLATIONS, PROVIDING FOR CONFLICT AND SEVERABILITY; PROVIDING FOR INCLUSION IN THE COLLIER COUNTY CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners (Board) adopted Ordinance 80-47, as amended, called the Collier County Parking Ordinance; and

WHEREAS, the Board amended Ordinance No. 80-47 by adopting Ordinance No. 97-50;

WHEREAS, the Board has determined that the fines established by Ordinance No. 97-50 are no longer a sufficient deterrent to dissuade parking violations and that consideration should be given to raising fines for such violations, particularly for contested violations as well as repeat violators, provide for the towing of vehicles when warranted based upon health and safety concerns as well as for parking in multiple parking spaces of non-residential spaces in excess of twenty-four hours (24), and that the Board empower a Special Magistrate to conduct hearings on contested violations.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

SECTION ONE: Ordinance No. 97-50, as amended, and as codified in Article II. Parking, Sections 130-34 through 130-81 of the Code of Laws and Ordinances of Collier County, Florida, is hereby amended as follows:

Sec. 130-33. - Jurisdiction.

The provisions of this article prohibiting the stopping, standing or parking of a vehicle shall be in effect upon all streets and highways owned or maintained by the county within the unincorporated area of the county, and to all incorporated areas of the county to the greatest extent authorized by Florida law, and shall apply at all times or as indicated on official signs except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a law enforcement officer or official traffic-control device.

Sec. 130-46. Penalty for violations.

(a) Pursuant to F.S. § 318.14, any person cited for a violation of sections 30-166 and 30-167 of this article shall be deemed to be charged with a noncriminal violation and shall be assessed a civil penalty according to the following schedule:

(1) Handicapped parking: $250.00 for each uncontested violation of section 30-166 of this article or, as determined by the judge or special magistrate, up to $500.00 for a contested violation of section 130-81. Pursuant to subsection 318.18(6), Florida Statutes, the clerk of courts shall dismiss the handicapped parking citation if the following items of proof are presented to the clerk; (a) proof that the person committing the violation had a valid handicapped parking permit or handicapped license plate for the cited vehicle on the issuance date of the citation, (b) a signed affidavit in accord with subsection 318.18(6), Florida Statutes, and (c) a $5.00 dismissal fee.

The fines collected for violating section 130-67 shall be used in the following manner:

a. One-third to be used to defray expenses for administration.

b. Two-thirds to be used to provide funds to improve accessibility and equal opportunity to qualified physically disabled persons in the county and to provide funds to conduct public awareness programs in the county concerning physically disabled persons.

(2) ~~Thirty dollars ($30.00)~~ Fine amounts for an uncontested violation of any provision of section 130-66 of this article~~. Fines and late payment penalty for violations of section 130-66~~ are to be distributed as follows:

a. First Offense Citation - $75.00 distributed as follows:

~~a.~~1. County parking fines … ~~$10.00~~$55.00

~~b.~~2. County ~~e~~Clerk of ~~e~~Courts … $5.00

~~c.~~3. County ~~parks department~~Parks & Recreation Division … $15.00

~~d. County clerk of courts, late payment penalty - 5.00~~

b. Second Offense Citation within 12 months from the previous offense - $150.00 distributed as follows:

1. County Parking Fines … $130.00

2. County Clerk of Courts … $5.00

3. County Parks & Recreation Division … $15.00

c. Third or more uncontested Citation from initial offense - $250.00 distributed as follows:

1. County Parking Fines … $230.00

2. County Clerk of Courts … $5.00

3. County Parks & Recreation Division … $15.00

d. Any vehicle that has more than 3 unpaid/uncontested citations within a 12-month period from when the first citation was issued may be towed at the owner's expense and shall not be released until all outstanding fines and fees have been paid.

(b) Each day any violation occurs or continues shall be a separate offense. For parking in excess of the time authorized in a public parking space, each succeeding equal time period beyond that authorized as the maximum time period for said parking place shall constitute a separate offense.

(c) ~~The amount of any penalty specified in this section shall be increased by $5.00~~ The Clerk of Courts will collect and retain the additional amount of a $5.00 penalty for any late payment in this section, if payment is not received by the clerk prior to notice being mailed to the registered owner pursuant to subsection 130-48(c).

* * * * * * * * * * *

Sec. 130-48. Payment of civil penalties and proceedings to enforce payment for violations.

(a) Any person issued a county parking citation, pursuant to section 130-47, shall answer the citation by either of the following procedures within ten days after the date of issuance of the citation.

(1) Payment of the penalty indicated on the citation may be remitted to the clerk, pursuant to the directions on such citation; or

(2) A hearing may be requested by the person receiving such citation or the cited vehicle's registered owner for the purpose of presenting evidence before a county judge or special magistrate concerning a parking violation. Any person requesting a hearing shall execute a statement on a form prepared by the county attorney indicating his willingness to appear at such hearing at a time and place specified thereon. Any person who requests a hearing and does not appear in accordance with said statement shall be subject to contempt proceedings or to other such penalties as the court may, in its discretion, impose to require compliance with this article.

(b) Pursuant to the provisions of F.S. § 316.1967, an election to request a hearing constitutes a waiver of the right to pay the penalty indicated on the parking citation, and a county judge or special magistrate after said hearing may impose a fine not to exceed $100.00, plus court costs for each parking violation, or the fine amount designated by county ordinance, plus court costs**.** However, an election to request a hearing pertaining to a handicapped parking violation constitutes a waiver of the right to pay the penalty indicated on the parking citation, and a county judge or special magistrate after said hearing may impose a $250.00 fine, plus court costs per violation or the fine amount designated by county ordinance, plus court costs.

(c) Upon receipt of a completed parking citation submitted by a law enforcement officer, pursuant to section 130-47, the clerk shall notify the registered owner first listed on such citation of its issuance if there has been no response to the citation pursuant to subsection (a) of this section. Such notice shall be sent by regular mail and shall inform said registered owner concerning the nature and location of the parking violation and shall require payment of the fine or attendance at a hearing at a time and place specified in such notice. Pursuant to the

provisions of F.S. § 316.1967, a county judge or special magistrate after said hearing should make a determination as to whether a parking violation has been committed and may impose a fine not to exceed $100.00, plus court costs except for handicapped parking violations, for which a fine of up to $250.00 may be imposed, plus costs, per violation or the fine amount designated by county ordinance. Any person upon which service is obtained, pursuant to this section, who does not appear at a hearing as directed by the notice shall be subject to contempt proceedings or to such other penalties as the court may, in its discretion, impose to require compliance with said notice.

* * * * * * * * * * *

Sec. 130-54. Motor vehicle liens; towing.

(a) The provisions of this article shall be supplementary to and shall not in any way preclude the county or a municipality from utilizing the procedures specified in F.S. chs. 713 and 715, governing the towing, storage and liens for the removal and storage of motor vehicles when such vehicles are parked on real property without the property owner's consent.

(b) A vehicle may be towed if said vehicle is obstructing a county park or recreational right-of-way, including boat ramps, and sidewalks, creating a pedestrian or vehicle safety hazard, obstructing the parking ability of other vehicles in designated parking areas, obstruction of handicapped parking space or access aisle, parking across in multiple designated parking spaces for a period of 24 hours or more, parking in a non-designated area for a period of 24 hours of more.

(c) County Parks, Park Rangers, and Code Enforcement Officers may request assistance from the Collier County Sheriff's Department (CCSO) with towing vehicles by utilizing the CCSO's tow company on call list through the CCSO. CCSO may assist by sending a deputy to the location of the requested tow as needed.

* * * * * * * * * * *

Sec. 130-81. Penalty for violations.

Pursuant to F.S. § 318.14, any person cited for a violation of the ordinance from which this division derives shall be deemed to be charged with a non-criminal violation and shall be assessed a civil penalty ~~of thirty dollars ($30.00).~~ for the first uncontested violation $75.00, second uncontested violation $150.00, third or more uncontested violation $250.00. Pursuant to F.S. § 318.14 (5), any contested proven citation by the official shall not exceed $500.00. The distribution of fines and provisions for late payment penalties shall be in accordance with Section 130-46, as it may be amended, of the Collier County Code of Laws and Ordinances.

SECTION TWO: CONFLICT AND SEVERABILITY.

In the event this Ordinance conflicts with any other ordinance of Collier County or other applicable law, the more restrictive shall apply. If any phrase or portion of the Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a

separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

SECTION THREE: INCLUSION IN THE CODE OF LAWS AND ORDINANCES.

The provisions of this Ordinance shall become and be made a part of the Code of Laws and Ordinances of Collier County, Florida. The sections of the Ordinances may be renumbered or relettered to accomplish such, and the word "ordinance" may be changed to "section," "article," or any other appropriate word.

SECTION FOUR: EFFECTIVE DATE.

This Ordinance shall be effective upon filing with the Florida Department of State.

PASSED AND DULY ADOPTED by the Board of County Commissioners of Collier County, Florida, this 28th day of April, 2026.

COLLIER COUNTY STATE OF FLORIDA

The attached copy of advertisement,
7/28/2026 BIE – Parking Ordinance 80-47 Amendments
was published on the publicly accessible website
https://notices.collierclerk.com as designated by Collier
County, Florida on 07/10/2026.

THIS IS NOT AN AFFIDAVIT OF PUBLICATION.

Business Impact Estimate

This form should be included in the agenda packet for the item under which the proposed ordinance is to be considered and must be posted on the County's website by the time notice of the proposed ordinance is published.

Published on County website by: July 10, 2026

Proposed ordinance's Short Title:

AN AMENDMENT TO ORDINANCE NO. 80-47, AS AMENDED, KNOWN AS THE COLLIER COUNTY PARKING ORDINANCE; PROVIDING FOR REVISIONS TO SECTION 130-46 PENALTY FOR VIOLATIONS, TO CORRECT SECTION NUMBERS REFERENCED WITHIN THE SECTION AND REVISE FINE AMOUNT DISTRIBUTIONS, PROVIDING FOR CONFLICT AND SEVERABILITY; PROVIDING FOR INCLUSION IN THE COLLIER COUNTY CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

This Business Impact Estimate is provided in accordance with section 125.66(3), Florida Statutes. If one or more boxes are checked below, this means the County is of the view that a business impact estimate is not required by state law[1] for the proposed ordinance, but the County is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the county government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
  a. Development orders and development permits, as those terms are defined in Section 163.3164, and development agreements, as authorized by the Florida Local Government Development Agreement Act under Sections 163-3220-163.3243;

[1] See Section 125.66(3)(c), Florida Statutes.

b. Comprehensive Plan amendments and land development regulation amendments initiated by application by a private party other than Collier County;
c. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
d. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
e. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the County hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

To make corrections, noted below, to Ordinance 2026-13, Parking Ordinance, which was approved on April 28, 2026.

a. References to Sections 30-166 and 30-167 are corrected to 130-66, sections 130-67.

b. Paragraphs 2a, 2b, and 2c, is revised to state the $5.00 fee is collected by the Code Enforcement Division, not the Clerk of Courts.

c. Paragraph (c) is revised from the Clerk of Courts to County Administrator.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the County, if any:
(a) An estimate of direct compliance costs that businesses may reasonably incur;
(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
(c) An estimate of the County's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

There will be no direct economic impact or costs due to the proposed ordinance on private, for-profit businesses in the County. Any charges or fees will only be imposed in the event of a confirmed violation if this Ordinance is adopted.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

There will be no direct impact on businesses by the proposed ordinance.

4. Additional information the governing body deems useful (if any):
[*You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: County staff solicited comments from businesses in the County as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on County website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.*]

This is to correct several areas where the sections were incorrectly noted and to revise who will be collecting the $ 5.00 dismissal fee. Businesses will not be directly impacted by this amendment.

NOTICE OF PUBLIC HEARING
NOTICE OF INTENT TO CONSIDER AN ORDINANCE

Notice is hereby given that a public hearing will be held by the **Collier County Board of County Commissioners** commencing at **9:00 a.m.** on **July 28, 2026**, in the Board of County Commissioners meeting room, Third floor, Collier Government Center, 3299 East Tamiami Trail, Naples, FL, to consider:

AN AMENDMENT TO ORDINANCE NO. 80-47, AS AMENDED, KNOWN AS THE COLLIER COUNTY PARKING ORDINANCE; PROVIDING FOR REVISIONS TO SECTION 130-46 PENALTY FOR VIOLATIONS, TO CORRECT SECTION NUMBERS REFERENCED WITHIN THE SECTION AND REVISE FINE AMOUNT DISTRIBUTIONS, PROVIDING FOR CONFLICT AND SEVERABILITY; PROVIDING FOR INCLUSION IN THE COLLIER COUNTY CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

A copy of the proposed Ordinance is on file with the Clerk to the Board and is available for inspection. All interested parties are invited to attend and be heard.

All persons wishing to speak on any agenda item must register with the County Manager prior to presentation of the agenda item to be addressed. Individual speakers will be limited to 3 minutes on any item. The selection of an individual to speak on behalf of an organization or group is encouraged. If recognized by the Chairman, a spokesperson for a group or organization may be allotted 10 minutes to speak on an item. Written materials intended to be considered by the Board shall be submitted to the appropriate County staff a minimum of 7 days prior to the public hearing. All materials used in presentations before the Board will become a permanent part of the record.

As part of an ongoing initiative to encourage public involvement, the public will have the opportunity to provide public comments remotely, as well as in person, during this proceeding. Individuals who would like to participate remotely should register through the link provided within the specific event/meeting entry on the Calendar of Events on the County website at www.collier.gov/Calendar-Events-directory after the agenda is posted on the County website. Registration should be done in advance of the public meeting or any deadline specified within the public meeting notice. Individuals who register will receive an email in advance of the public hearing detailing how they can participate remotely in this meeting. Remote participation is provided as a courtesy and is at the user's risk. The County is not responsible for technical issues. For additional information about the meeting, please call Geoffrey Willig at 252-8369 or email to Geoffrey.Willig@collier.gov.

Any person who decides to appeal any decision of the Board will need a record of the proceedings pertaining thereto and therefore, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based.

If you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Collier County Facilities Management Division, located at 3335 Tamiami Trail East, Suite 101, Naples, FL 34112-5356, (239) 252-8380, at least two days prior to the meeting. Assisted listening devices for the hearing impaired are available in the Board of County Commissioners Office.

BOARD OF COUNTY COMMISSIONERS
COLLIER COUNTY, FLORIDA
DAN KOWAL, CHAIRMAN

CRYSTAL K. KINZEL,
CLERK OF THE CIRCUIT COURT AND COMPTROLLER

Executive Summary

Recommendation to adopt a Resolution approving amendments (appropriating carry forward, transfers and supplemental revenue) to the Fiscal Year 2025-26 Adopted Budget.

OBJECTIVE: That the Board of County Commissioners adopts the attached resolution and the related amendments that amend the Fiscal Year 2025-26 adopted budget in accordance with Section 129.06, Florida Statutes.

CONSIDERATIONS: On September 23rd, 2025, the Board of County Commissioners adopted Resolution No. 2025-188 adopting the Budget Amendment Policy and Procedures, outlined in "Exhibit A" of the Resolution, pursuant to Section 129.06, Florida Statutes.

Section 129.06, Florida Statutes defines how an annual budget, as adopted by the Board, can be amended. Specifically, Section 129.06(2)(f) requires certain budget amendments that increase the total appropriations of a fund over the adopted annual budget to be approved by resolution of the Board of County Commissioners after an advertised public hearing. Budget amendments requiring such approval include the appropriation of carry forward, interfund transfers, and supplemental revenue.

A summary of the attached resolution has been advertised as required in Section 129.06 Florida Statutes. The attached resolution was available for public review and inspectionwith the related budget amendments and executive summary at the Office of Management and Budget. The amendments and summary are included herein by reference in the resolution. Pursuant to Florida Statute 129.06(2)(f), the amendments on the attached resolution will be posted on the county's website within 5 days after adoption.

This item is consistent with the Collier County strategic plan objective to safeguard taxpayer money by promoting fiscal stewardship and sound budget oversight.

FISCAL IMPACT: The attached Resolution provides an itemized list of each amendment, including the fund, budget amendment number, date of previous BCC action (if applicable), fiscal impact, and an explanation of the amendment.

GROWTH MANAGEMENT IMPACT: There is no Growth Management Impact associated with this Executive Summary.

LEGAL CONSIDERATIONS: The County Attorney's Office has reviewed and approved the attached resolution for legal sufficiency - JAK

RECOMMENDATION(S): That the Board adopts the attached Resolution amending the Fiscal Year 2025-26 Adopted Budget.

PREPARED BY: Christopher Johnson, Director of Corporate Financial Management Services

5. 26-445
6. 26-447

RESOLUTION NO. 26-

A RESOLUTION PURSUANT TO SECTION 129.06(2), FLORIDA STATUTES, AMENDING THE BUDGET FOR THE 2025-26 FISCAL YEAR.

WHEREAS, Section 129.06(2), Florida Statutes, provides that the Board of County Commissioners (hereinafter also referred to as "Board") at any time within a fiscal year may amend a budget for that year, and provides the procedures therefore; and

WHEREAS, Section 129.06(2)(f) allows for the Board of County Commissioners of Collier County, Florida, to appropriate unanticipated carry forward, or make transfers from one fund to another; and

WHEREAS, the Board has determined that it is appropriate to amend the Budget for Fiscal Year 2025-26 by resolution pursuant to Section 129.06, Florida Statutes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that the budget amendments to the FY 2025-26 Budget described below are approved and hereby adopted and the FY 2025-26 Budget is so amended.

FUND	BUDGET AMENDMENT NUMBERS	INCREASE (DECREASE) CARRY FORWARD OR INTERFUND TRANSFERS IN	INCREASE (DECREASE) RECEIPT	INCREASE (DECREASE) EXPENDITURE	INCREASE (DECREASE) RESERVES	INCREASE (DECREASE) INTERFUND TRANSFERS
